Woodvale — 1-3, Mrs. M. Roberts; Miss L. Mathison; Prin. Wm. Anderson.
Clandonald Separate — Sr. Theresa, Sr. Teresa, Sr. Alphonsa, Sr. Stephanie.

Winners Announced 4H Crop Plots

4-H Crop club members have done a remarkable job for such a dry summer. Excellent stands were noted in all seven clubs with the following outstanding:

Mannville — Selkirk wheat — 1st John Clennett.
Islay — Wolfe and Parkland barley — 1 Shirley McGuigan.
Blackfoot — Husky barley — 1, Drayston Jones.
Durness — Husky barley — 1 Gilbert Williams.
Marwayne — Olli and Gateway barley — 1 Grace Hale.
Marwayne — Thatcher wheat — 1 Eunice Grey.
Greenlawn (Dewberry) — Gateway barley — 1 Robert Wilson.

The 4-H Crop club carries on an extensive educational program amongst the members and does a wonderful job of introducing new varieties.

Among the newer varieties proving popular this summer are Parkland barley and Selkirk wheat.

The Canadian Medical Association Endorses National Immunization Week

'Immunization Week' focuses our attention on a miracle in health care protection.

It was not many years ago that such diseases as diptheria, whooping cough, smallpox, scarlet fever and poliomyelitis took the lives of thousands of Canadian children. Many of these young lives could have been saved under the present method of preventive medicine, through the miracle of innoculation.

Miracles do not just happen. They are earned through the pioneering efforts of the research workers, technical know-how of the manufacturers of biological products, and the daily application of preventive immunization by doctors and public health nurses.

This miracle in health care protection is also brought about by the intelligent co-operation of all parents who are anxious to safeguard their children from infectious diseases. As the risk of disease is always present it is most important that immunity be kept at a high level. In other words, see your doctor at regular intervals. He may prescribe 'booster' doses if deemed necessary.

The resources are available to prevent many communicable diseases. Vaccines and sera, however, do little good if they remain in their bottles. It requires a decision by you, the parents, to give your child this essential protection. Consider the immunization state of your own family and if deficiencies are present, consult your doctor. After each member of your family has received an innoculation, it is suggested that a record be kept of the type and date of the injection. This procedure is recommended because often memories cannot be relied upon; and it is difficult to recall just when the youngsters had their last innoculation, and whether it was against polio or diphtheria.

The Canadian Medical Association, speaking on behalf of the medical profession, strongly endorses the message of National Immunization Week, which is sponsored by the Health League of Canada.

Polio Vaccine — One of Medicine's Greatest Triumphs

During the past few years the world has seen one of the greatest triumphs in the long history of medicine. The discovery, production and widespread use of the Salk Polio vaccine has given us a proven preventative against the well-known and justifiably feared, crippling disease, poliomyelitis.

Considering the seriousness and the frequently crippling effects of this disease, it is apparent to every intelligent member of our population how fortunate we are in now having an effective, safe and inexpensive means of prevention in the Salk vaccine. Two injections of this vaccine under the skin, given one month apart with a third injection seven months later, gives excellent protection. Because of the tendency of immunity to wane in infants, a fourth or booster injection is advisable one year after the third injection.

To fail to consult one's physician, or to avoid taking advantage of these recent advances in medicine is a poor commentary on the debt of gratitude we owe those who have devoted a lifetime to alleviating the serious hazards that constantly threaten our health and welfare.

It is therefore hoped that once again Immunization Week in Canada may serve as a helpful reminder to all of the responsibility we have towards our children and ourselves to accept the immunization procedures which will protect us from diseases which we know are preventable. BE WISE — IMMUNIZE!

AUTOMATION FOR FARMS

A robot device which steers cultivator along row of crops without a hand on steering wheel has been developed by Ford Motor Co., reports The Financial Post. Feeler in front touches crop, transmits position to small electric motor on tractor's steering mechanism. Motor then makes steering adjustments.

Money refuses to talk today it just goes without saying.

'TIS BLANKET WASHING TIME!

For those of you who love to snuggle down under a fluffy woollen blanket instead of hugging a matted replica of what was once known as a blanket, here is some advice on blanket washing.

Ideal day to choose for this task is a warm fall or spring one with a slight breeze stirring as this fosters rapid drying. Never wash more than one blanket at a time. Shake it thoroughly, thereby removing all loose dirt. Then examine the binding. If it is quite soiled, lay the blanket on a smooth, clean, working surface and scrub the binding gently with a soft brush dipped in a thick, mild soapy lather.

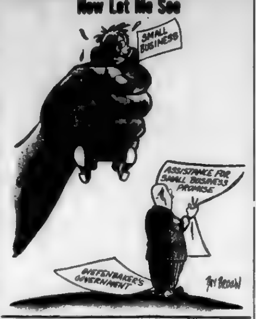
WASHING: For the blanket itself, whether it be an all-wool, cotton, or rayon and wool one, have the water lukewarm and softened if necessary. The suds should be made from a mild soap, and it is imperative that the soap is completely dissolved before submerging the blanket into the water. Extract the water from the blanket after each bath by squeezing gently. Never twist or wring it. Minimum agitation is the most important factor in preventing felting shrinkage. If the blanket is quite soiled wash it in two or three baths with fresh suds.

When using a washing machine add the soap to the lukewarm water and thoroughly dissolve by running the machine a few minutes. Next put in the blanket and soak for ten minutes. After soaking run the machine for two minutes. If the blanket does not look perfectly clean extract the water and repeat procedure with fresh suds. Rinse blanket two or three times in water of the same temperature. If you use a wringer loosen tension on the rolls as completely as possible. When a spinner is used, it should be run just long enough to extract the water since too long running will create wrinkles in the blanket.

DRYING: Cover the clothesline with an old clean sheet. Hang the blanket lengthwise over the line with its weight evenly distributed on each side. Two lines spaced one or two feet apart will hasten drying. When the blanket has become partially dry, shake it gently and reverse on the line.

For indoor drying keep away from any source of artificial heat. Machine drying is faster when six or seven large bath towels are preheated and added to the machine before adding the blanket. Towels help absorb the moisture and cushion the tumble action of the blanket.

Now Let Me See



Tougher Traffic Laws Discussed

Tougher traffic laws will be discussed with Directors of the Alberta Safety Council when they meet for a one day conference at Red Deer on October 4th.

Luncheon speaker will be Basil Dean, publisher of The Calgary Herald, whose topic will be "Our Traffic Laws Should Be Tougher."

Traffic, farm safety, water safety and child safety committee meetings will be welcomed by Mayor James McAfee of Red Deer, a member of the board of directors.

In the afternoon, a panel discussion on industrial safety is planned, with representatives of government and industry participating. Some resolutions also are planned, as well as discussion of the council's program for the remainder of the year.

Chairman of the conference, to be held at the Holiday Inn, will be Arthur J. Dixon, M. L. A. of Calgary.

Canadian Legion Notes

On Saturday night there will be one of our social nights in the club room. Members and wives, L. A. members and husbands and invited guests are all welcome.

One new member Joseph Hugh MacIntyre was voted into this branch. Welcome into Post No. 11, Joe.

The next regular meeting is on October 10. This is election night and officers for 1958 - 59 will be voted into office.

NEWS from KITSCOTY

The First Kitscoty Cub Pack will hold a sale of vegetables at Alf's Esso Service used car lot Saturday, Oct. 4th. Donations of garden produce will be gratefully accepted by the Cubs and their leaders.

Miss Beverlie Walker of Saskatoon spent several days here last week visiting with her grandfather Mr John Dale.

A warm welcome is extended to Mr. and Mrs J. D. McLean who have taken up residence in Ted Sheppard's house.

Mr. and Mrs. Archie McLean and the children have now moved into their beautiful new modern home on Knob Hill.

Congratulations are extended to Mr. and Mrs. Peter Swyripa (nee Mary Blair) who were married in the Kitscoty United church on Saturday, Sept. 20th.

Miss Judy Sheppard, nurse-in-training at the Archer Memorial hospital in Lamont, spent the week end here with her parents Mr. and Mrs. Ted Sheppard and sister Kathleen.

Mr. and Mrs. Chris Cairns Jr. and family of Edmonton, spent the week end here visiting with Leota's parents Mr. and Mrs. C. N. Gray and other relatives.

Miss Sylvia Sheppard, Miss Donna Sheppard and Miss Carole Richardson, left last Sunday for Edmonton to enter the U. of A. Sylvia will commence her second year in physiotherapy, while Donna and Carole will enroll in Education. Best wishes are extended to these girls in their chosen profession.

St. Johns' Anglican Church will hold their harvest festival service on Sept. 28th at 9 o'clock a.m.

Miss Minnie Parker who has spent the past two months in the Lloydminster hospital, has returned to her home here, her sister Mrs. W. Hays of Onion Lake is staying with her at present.

Small towns and rural areas are NOT immune from nuclear warfare. Civil Defence is your insurance against community emergencies. 10-11

Cost with heater: $1,050, delivered in Toronto.

Home and School Association Resumes Meetings at Mannville

MANNVILLE. — Meetings of the Home and School Association resumed Thursday night last in the High school gym with the new president Mrs. R. Forsyth in the chair. The meeting opened with due ceremony while the new secretary Mrs. McBeath read the minutes of last meeting and those of the executive meeting held recently.

A suggested program for the following year was read and some discussion ensued re same.

Teachers for this year were introduced by Mr. Doherty, the principal. Mrs. A. Pheasey on behalf of the local W.I. groups, presented with hearty congratulations the W. I. scholarship to Harold Keuschnig, a brilliant young student who has achieved high honors this year in grade twelve. Mrs. Pheasey explained that one of every district W. I. was chosen yearly for this very pleasant task and this year Saltaux was selected. Mr. Chester Gamble on behalf of the Vermilion Agricultural Society presented the grade 2B teacher, Mrs. Ruth Hubbard, with the shield won by her room in the recent fair at Vermilion. Mrs. Hubbard was congratulated for helping to bring this honor to Mannville, as it is the first time the shield has come here. Also present was Miss Jackie Hasinoff, grade 11 student, who had won a W. I. scholarship which entitled her to attend the Banff School of Fine Arts summer course, U.N. Jackie gave a clear picture of their speakers who were heard with interest, of activities enjoyed and highlights of the course. According to her the Communists acted in their usual manner, when losing ground. Speaking of 'Culture', she quoted the words of one of the lecturers, who stated Canada had contributed little or nothing to culture as compared to European countries. Jackie in conclusion, stressed the worthiness of this trip, and clearly proved much had been gained from this opportunity for which she thanked all those responsible for same.

Eddie McLaughlin is the new vice-president of Home & School. Mrs. C. Finlay and Rev. Holter are acting on the program committee.

M. D. of Vermilion River To Collect F. U. A. Memberships

The Council of the Municipal District of Vermilion River No. 71 held a short meeting in the office at Kitscoty on September 9, 1958. The meeting was convened rather early in the morning and it became clear that the business should be cleared up in one day because of the harvesting situation, so the Reeve, J. H. Kelly, and Councillors J. W. Gordon, J. D. Stone, D. E. Wilson, P. McGuigan, F. H. Wheat and J. C. Anderson immediately began work on a pared - down agenda. Many items were set aside for consideration at the October meeting. The minutes of the previous meeting were accepted; the financial statement was discussed carefully and the accounts, as approved for payment by the Finance committee, were passed by the Council.

The Council cancelled five stale-dated cheques and authorized the Assistant Secretary - Treasurer to sign the cheques which it was necessary to issue while the Secretary - Treasurer was absent from his office.

MUNICIPAL FINANCE CORP. TO RESUME

A letter from the Alberta Municipal Financing Corporation advising of the resumption of the operations of that organization as of April 1959 was presented to the Council. The Council was pleased to hear of the resumption of the activities of this Corporation and a request by the corporation for an estimate of capital loan requirements for 1959 was tabled. It was recalled that an estimate was put in to this organization in 1957 for 1958 requirements and that when the need arose to make use of this estimate in financing the Nurses' Home at Lloydminster it was found that the operations of the Corporation had been suspended and that no money was available for this purpose.

The date for the Court of Revision to sit in consideration of complaints received by the Municipal District was set as of September 10, 1958 at 9 30 a.m. Three appeals were to be considered at that time.

ASSESSMENT APPEALS

A notice of the hearing of appeals of the Alberta Assessment Appeal Board on September 15, 1958, commencing at 3.30 p.m. was brought to the attention of the Council. Some three appellants were involved in this hearing.

Drainage problems and damage claims in process were considered by the Council and latest information was made available to them.

Approval was given to the extension of the Campbell Lake R. E. A. L. A. G. T. 630 W. O. 495 7 F as proposed by Canadian Utilities Ltd.

A by-law concerning the purchase of land to provide extra road width was given three readings by the Council and passed.

An order from the Board of Public Utility Commissioners concerning the granting of an easement comprising the southern most 20 feet of the SW LSD 1-29-5-5 W4th with Canadian Utilities Limited was presented to the Council.

Correspondence between the Post Office Department and the Municipality regarding the location of mail boxes on rural routes in relation to pedestrian and vehicular traffic and the fixing of responsibility in case of damage to the boxes was made available to the Council.

COLLECTION OF F.U.A. FEES

Of great interest to the farmers concerned in the Farmers' Union Movement will be the information that the Council gave three readings to and passed a by - law providing for the entering into of an agreement with the Farmers' Union of Alberta, for the collection of dues through the Municipal Office. Mr. A. B. Wood, of the Provincial Executive, attended the meeting to answer questions with regard to the principles underlying the request for the passage of the by-law. Mr. Wood stressed two points — one, that the whole procedure in-so-far as the collection of dues by the Municipality was concerned, was on a voluntary contributory basis with no onus on the Municipality to enforce payment. The second point — notice of the current assessment for dues should be shown on the tax notice to each person qualified to receive such a notice. The Council appreciated very much Mr. Wood's informative discourse on this very vital topic.

Offers were received and considered for the purchase of a half section of land in township 54 range 4, and a lot and building in Clandonald. It was moved by the Council that advertisements be placed in the local papers for tenders on the sale of the farm land.

Building permits were issued for the establishment of a dwelling in Lloydminster Rural and the construction of a private garage in the same area.

A pound case was terminated with the payment of $10.00 which represented the return of investigation fees and $8.00 for damages.

PRAIRIE FARM ASSISTANCY

Application for benefits under the Prairie Farm Assistance Act was considered by Council and it was decided that the whole area of the Municipality should be included in the application as severe [illegible] conditions common to [illegible] which area had caused some [illegible] patchy crop conditions. [illegible] a hailstorm had [illegible] diagonally from [illegible] through the entire [illegible] of the Municipality was [illegible] a factor in this [illegible].

The road superintendent's report covering his activities during the month of August was made available to the Council.

FINANCIAL CONDITION

The financial condition of the municipality came under close scrutiny with particular attention [illegible] the receipts both [illegible] taxes and from grants. In [illegible] were that expenditures [illegible] the budget. [illegible] moved adjournment [illegible] the evening of [illegible].

Everyone hopes for the best but only a few expect to get it.

OBITUARY

ALEX S. MORRISON

Funeral services for the late Alex S. Morrison were held at First United Church on Thursday, Sept. 18th at 2 p.m. The Rev. C. W. MacKay officiated and the beautiful solo "Does Jesus Care?" was sung by Mr. Earl Robinson with Mrs. West as organist.

Pall bearers were Messrs. J. W. G. Morrison, Gordon Ross, Charlie Upshall, Carman Long, Wm. McLaughlin and Donald Harrison.

Beautiful floral offerings were received from:

Monarch Plans Grand Opening of New Building Supply Centre Friday and Saturday, Sept. 26, 27

The Monarch Lumber Company have planned a grand opening of their new building supply centre in Vermilion this Friday and Saturday. The official opening will be complete with ribbon cutting, door prizes, hundreds of free doughnuts and gallons and gallons of free coffee. Everybody is invited to drop in at least once during the two days.

Mayor Melvin Hill cuts the ribbon at 10 a.m. to signify the official opening of the completely rebuilt building supply centre. Friendly Gerry Simpson, will be on hand to welcome all visitors and in this he will be assisted by two officials of the Monarch from Winnipeg, Mr. Wm. Robson, sales and advertising manager of the company, and Mr. L. Chapman, superintendent of yards. Mr. Lorne Dirkson, yard manager at Battleford and Mr. Hugh O'Neill, Edmonton yard manager will also attend.

The reason for the gala opening are the completely rebuilt offices, store and yards. The result of the renovation program is the most modern building in Western Canada. Naturally the Monarch is proud of it and the company wants everyone to call and inspect the ultra modern premises.

INTERESTING HISTORY

Many people will be interested in the history of this lumber business. It was first established in 1914 by Mr. Jim Kennedy. Just nicely underway, Mr. Kennedy died 1½ years after starting the business. For six months the yard was operated by Mr. George Stewart as the Kennedy Estate.

It was then that a man well known to Vermilion and district ever since, entered the picture, Mr. Ray Norton, who formed the Superior Lumber Yards taking in the Kennedy business. The Superior was a partnership with the Beaver. This firm grew until it had ten lumber yards and five hardware stores in the company. Mr. Norton was president and general manager.

In 1935 the partnership with the Beaver was dissolved with Mr. Norton taking the Vermilion yard and operating it in his own name. In 1956 he sold to the Monarch Lumber Co.

Recently the Monarch has embarked on an aggressive building and renovation program resulting in the super building supply centre of today. A new manager, Mr. Gerry Simpson has recently come from Unity, Sask., to spark a continuous sales effort, and to give the people the benefit of his experience in the building and supply trades.

The official opening Friday and Saturday marks the completion for the moment of the fine building program.

NEWS from ALLANDALE

Weather: Moisture is hindering harvesting, although a good bit has been done. These disturbances are usual around the time of the equinox. So far we have had only a few degrees of frost. Last year on morning of Sept. 19th the theremometer registered 16 above.

The country is beautiful with all the many harvest time colored leaves.

On Sept. 8th Mrs. Evelena Wilson from the city accompanied Mr and Mrs. Ed Magistad to Vermilion where she visited at the Throndson home. The latter folks then brought Mrs. Wilson to the Omness home on Wednesday to visit for a few days. The Magistads returned to their home at Wainwright on Friday and Mrs. Wilson went back to the city.

Granny Sheppard from Kitscoty is visiting at the Alvin Throndson home and helping her granddaughter during the harvest.

Congratulations to Mr. and Mrs. Fred Dougan on the birth of a daughter on Sept. 10th.

Mrs. Della Walsh and family arrived at the home of her parents, the Omnesses, on Sept. 12th for the week end. There was no school in the city Friday due to a teachers' convention. They returned home Sunday morning.

Miss Elaine Lundblad, grand daughter of Mr and Mrs Gus Throndson, is a resident student at Alberta College in Edmonton. Grade 12 is not being taught at Valleyview.

Mr and Mrs. Paul Whelan and family from Calgary arrived at the Omness home on Sept. 13th for a few weeks holiday.

Mrs. Nora Ronaghan was taken on Sept. 10th to the Islay hospital and is reported as getting along very well. Nora was on holidays from the nursing staff at Islay at time of taking ill.

Sept. 14th was our last church service for the summer. Mr. Farquhar left a grand message to his congregation. He left on Monday morning for his home in Nova Scotia and university for the coming term.

Mr and Mrs. Don Wilson had as dinner guests on Sept. 14th Paul and Orlene Whelan and family, Mr and Mrs. Gus Throndson, Alvin and Evelyn Throndson, Delsie and Ralph Strome and family, Mr and Mrs Laird and daughters and Mr Farquhar from Clandonald, and dad and mother Omness. A turkey dinner was heartily enjoyed.

Mr. and Mrs. Harris Sloan and little son Peter from Gananoque, Ontario arrived at the McPhee home in the Allandale district on September 10 for a holiday in the West. Mrs. Sloan is a cousin of Mrs. McPhee.

Paulette Whelan was a patient in Vermilion hospital on Sept. 18 and had her tonsils removed.

Closing thought: "A truthful witness saves lives, but one who utters lies is a betrayer."
Pro. 14-25.

Harvest Moves At Slow Pace

Very little headway is being made with harvesting this week due to rain on Sunday and again Wednesday evening. An estimated 75% of all grains have been threshed.

Grain threshed before the heavy rains of two weeks ago was grading No. 2, but this has now slipped to No. 3, due chiefly to bleaching. Accordingly, grain grading No. 3 is now a No. 4.

Two good drying days are required before threshing operations can resume hereabouts.

Family Re-union After 43 Years

Mr. and Mrs. L. Coombe of Vermilion have recently returned from a very enjoyable trip to Council Bluffs, Iowa, U.S.A. The trip was made especially to attend a re-union of brothers and sisters on Sept. 7th at the home of a brother Ralph Edwards, and a sister Tressa Semmons as co-hostess at Ralph's home in Council Bluffs.

This was the first time in 43 years that the brothers and sisters had all been together, and it proved a wonderful occasion. The Canadians were the last to arrive, all brothers and sisters nieces and nephews were at the station to bid them welcome — and what a welcome!

All gathered at Ralph Edwards' home for the first evening, Saturday night, and amid visiting, getting acquainted, sing songs and tape recordings, the gathering was off to a good start.

After the excitement of being together again had subsided a little, all were invited to the patio where a wonderful banquet for the occasion awaited. Grace was said, and a toast proposed and given by Homer. It was a beautiful Iowa summer evening ... no one had much sleep that night. Brothers and sisters were present from Washington, Oregon, California, Canada, Burlington and Clarion, Iowa to join with brother and sister in Council Bluffs.

On Sunday many called including cousins they hadn't seen for many, many years. Numerous side visits were made including one to the sister's home in Clarion, Iowa, and to visit the brother's home at Burlington. Here a motor boat ride on the Mississippi was enjoyed. The old farm home of years ago was visited, also home town and country schools, the birthplace of some in Iowa, then on to Missouri to the birthplace of Mrs. Coombe and brother Lee. Hunting up old school mates and friends of long ago was much enjoyed.

A visit to Boys' Town near Omaha proved interesting, and so on and on. Iowa is a very beautiful state, with [illegible] green and everybody [illegible] looking. There was field after field of wonderful corn. It was a lovely trip and it was decided to carry on with these re-unions as long as they could. The next gathering will be at the home of Mr. and Mrs. Lee Edwards in Washington.

You're invited

Fred Brimacombe writes from St. Catharines, Ont., where the family is residing at 40 Riverside Drive, having moved there during the latter part of June. Fred says: "Helen and the four youngsters are all well, and we are enjoying the very beautiful countryside and scenic surroundings. No doubt you will realize that St. Catharines is situated in the middle of the fruit belt of Ontario, and as a result we are completely surrounded by an abundance of apples, peaches, pears, plums and grapes. I have been able to get season tickets for the Hamilton Ti-Cats home games, and so Helen, Doug and I have been enjoying the football. Hamilton is only 30 miles away on the Queen Elizabeth highway, and we are only 75 miles from Toronto. Kindly give our kindest regards to our many friends in Vermilion". Fred is still an ardent reader of of the Standard.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Ernest Jack of Kitscoty announce the engagement of their younger daughter Doris Ruth to Mr. Morland Norman Currey, elder son of Mr. and Mrs. Wilfred Currey of Edmonton. The wedding to take place on Saturday, October 18th, 1958, at 3:00 p.m. at Metropolitan United Church, Edmonton. Reception to follow at the Hillcrest Country Club.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. George Ewen of Dewberry, Alberta wish to announce the engagement of their daughter Betty Marie, to Mr. Norman Reinhold Heinz, son of Mr. and Mrs. Reinhold Heinz of Wetaskiwin, Alberta. The wedding to take place in the United Church, Dewberry, on Friday, October 17, 1958 at 2 o'clock in the afternoon. A dance will be held at night in the Dewberry Hall.

Lois Cooper was delighted to receive a post card from Mrs. H. J. Clarke who at time of writing the card was in Venice, Italy. She says in part, "I hope some day Lois that you will be able to see all the beautiful places we have visited. This is a most beautiful and interesting city. We have had a most enjoyable trip."

Mr. and Mrs. J. V. Kassie are at present holidaying at Seattle and coastal points.

Mr. Harvey Smith returned home Tuesday evening after a week spent in Edmonton visiting relatives and friends.

Ed Brown, a former Vermilion boy living in Calgary placed very high in the recent 10th annual provincial truck roadeo. Ed was runner up in one of the competitions, the single - axle trailer. Besides the actual driving, the drivers had to pass a written test. The awards were presented by the Hon. Gordon Taylor at a banquet in the Palliser Hotel.

Mr and Mrs. R. H. Norton motored to Winnipeg recently on a business trip.

Mrs. S. McRae of Drumheller spent the past week-end visiting in Vermilion, a guest at the home of Mrs. L. McFadden. In a recent issue of the Standard Mrs. McRae noticed that Keith Inman was at that time working in Drumheller. She decided that she would say "hello" to the former Islay man and called in at the Canadian Utilities office and asked for Keith. While waiting for his arrival a man entered and also asked for Keith; glancing at him Mrs. McRae recognized another former Islay man, Mr. Wilfred Bell. Keith made his appearance and in the office were three people from Islay. Mr. Bell had also read the note regarding Keith in the Standard and had decided to renew acquaintances.

Miss Jean Burdett arrived back in Edmonton on Friday night by plane after spending three weeks vacation in Vancouver with friends. She was accompanied to Vermilion by Mr. and Mrs. George Burdett and Bill Vivian from Edmonton who all spent the week end with Mr. and Mrs. Sid Burdett.

Mr. and Mrs. Donald Craig spent several days in Vermilion last week, guests at the home of Mr. and Mrs. E. M. Stewart.

Hugh Mitchell who has been in hospital in Edmonton undergoing medical tests, returned to his home this week.

The Standard had AB Seaman Herbert Milligan and wife travelling the wrong direction last week. They were really going from Victoria to Port Arthur instead of vice versa. Their home address is now HMCS Griffin, Port Arthur.

Here to attend the funeral of the late Mr. George Dollman were Mrs. Wes Harrison, Alta and Stanley from Mayerthorpe; Mr. and Mrs. Clarence Cox of Edmonton, Alice Myer and Mitchell, also of Edmonton.

C. W. L. Held Business Meeting

The members of the executive of the C.W.L. met at the home of Mrs. Kay Williams, the president, on Sept. 22nd. Christmas cards were selected to be ordered for the coming Christmas season.

Dates were set for the chicken supper which will be held Oct. 22nd in the Parish hall from 5 p.m. to 8 p.m., and for the fall bazaar and tea, Nov. 29th in the Elks hall.

Gay 90's Banquet And Dance Oct. 23

At a meeting of the executive of the Gay 90's held at the home of Mrs. Dennis Cooper, it was decided to hold the annual banquet and dance on October 23rd. Tickets for this event must be purchased by Oct. 18th from L. Hareuther, R. Cooper, C. Waldenberger and Jim Miller, Islay. See the advertisement in Calendar of Events.

Rex and Betty Boake entertained at their home in Edmonton on Sunday in honor of the Muriel Boake whose 25th wedding anniversary fell on the Tuesday following, Sept. 23rd. Several other members of both sides of the family were present as well as the best man and bridesmaid of 25 years ago.

Friends here of Mr. and Mrs. Jack Carroll will be interested to learn that they have recently moved from Bonnyville, where they have lived ever since leaving Vermilion, to Edmonton where they will reside in future.

Mrs. Gordon Mathison, Mrs. Andrew Wood, Mrs. Wm. Hyatt and Mrs. Ivor Bothman, all from Dewberry and in Vermilion on business, called on their old neighbor Graham Skinner for lunch. The ladies did the cooking and washing up — according to Graham.

Friends were pleased to renew acquaintances with Mr. and Mrs. Harry Clarke (nee Rita Wright) from Vernon, B.C. who visited here last week on their way to Prince Albert to see a brother of Harry's. This brother is on a farm owned by Prime Minister Diefenbaker. Harry has recently undergone a major operation and is convalescing. While in Vermilion they were guests at the home of Mr. and Mrs. Baden Anderson. Mrs. Clarke taught on the primary school staff here.

CARD OF THANKS

The Salvation Army Home League would like to thank all those who donated clothes or helped out in any way with the rummage sale held on Sept. 20.

CARD OF THANKS

We wish to thank our friends for their many acts of kindness and messages of sympathy during our recent sad bereavement.
Betty and Joan Stephens

CARD OF THANKS

I wish to express my sincere appreciation for the many acts of kindness and for the sympathy cards received during our recent sad bereavement.
Margaret Stephens

CARD OF THANKS

I would like to sincerely thank Dr. King, the nurses and staff of the hospital for the splendid care they gave me while a patient, thanks also to all those who visited me and for all the encouraging cards received.
J. C. Wallington.

IN MEMORIAM

In loving memory of our brother Tommy
Pte. John Thomas Riley
who died in action in Italy Sept. 21th 1944
"In memories you are still with us."
—Ever remembered by sisters and brothers.

Arrow's Fate?

What will they do with the Avro Arrow?

Probably within the next eight weeks, reports The Financial Post, the Canadian cabinet must decide whether to scrap the enormous Arrow interceptor program, extend it for a limited period, or go into full production.

The implications of this decision involve:

The livelihood of nearly 100,000 Canadians; the welfare, and in some cases the survival, of dozens of new industries particularly in electronics; the emigration of highly educated workers to the U.S.; the fate of the aircraft industry in Canada generally.

It's a good idea to remember that life is a game of chance and the cards are usually stacked against you.

OBITUARY

JOHN RAYMOND TAYLOR

Funeral services for the late John Raymond Taylor were held in St. Saviour's Anglican Church on Wednesday morning, September 17th at 10:00 o'clock. Interment followed in the Vermilion cemetery. The Rev. Keils A. Minchin officiated. Mrs. C. M. King played the organ.

The deceased was born on May 4th, 1875, in Bakewell, Derbyshire, England, and passed away in the Vermilion Municipal hospital on Sept 14th, 1958 in his [illegible] year. He came to Canada in 1905 to the Olds district and to Vermilion the following year where he homesteaded in the Chatsworth district in company with his brother Ernest. Ernest gave his life for his country in the first world war. In 1927 Mr. Taylor retired from farming and moved into Vermilion where the family home has been ever since.

In 1914 he married Miss Elizabeth Bury.

Enjoying good health until this spring, Mr Taylor suffered a stroke while in his garden and never recovered from the effects.

Left to mourn the loss of a loving husband and father are his sorrowing widow, one son John at Wainwright, and three daughters, Mrs. George McPhee (Barbara) of Clandonald, Dorothy in Edmonton and Margaret of Vermilion. There are five grandchildren. He also leaves two sisters, the Misses O M and F M Taylor of Bakewell, Eng., and one brother, Mr. Hubert Taylor of East Budleigh, Devon, England.

Pall bearers were Messrs. E.H. Burkingham, Lorne Pockett, Gib Stephen, Keith King, Wesley Waldenberger and Billie McLaughlin.

Moyer's Funeral Home had charge of the arrangements.

Beautiful floral tributes and memorial donations were received as follows. Flowers to the house - The Evans and Gib Stephen Families; Mrs. Mary Urquhart, Mr and Mrs. Albert Carlson, Curtis and Marie, George and Dora, Norman and Gustie, Joan, Herb and Mrs. Calvert; Monty and Thelma Hunter, St Saviour's Sunday School; Manager and Staff of Canadian Bank of Commerce; May Taylor and family Vancouver; Staff, Denwood Public School, Wainwright; Lolo May Staff, Wainwright; Mr and Mrs E. [illegible]man, Wainwright

Floral tributes: Loving wife Elizabeth, John and Agnes and family; Barbara George and family, Dolly and Peggy; Mr and Mrs M Simonsen; Mr Eyben, Lilly, Frank and Bill Albert and Ethel; Joe Goud and Allan; Mr and Mrs. Tom Smith; Mrs. Steele and Lena; Hiram and Dell Astley; Lorne and Norman McPhee; Beth Witherbe; Mr. and Mrs. Wear and Lester; Mr. and Mrs Cliff McCormick; Macnab Family; Mr and Mrs. Alex Rudyk and family.

St Saviour's Memorial Fund: Grace Bury; J W G Morrison; Arleigh Ken and Mrs. Roy Stone, Mrs D Cummings; King Edward W A ; Mrs. Urquhart, Ken Lottie and Elliott; Mr. and Mrs. Harry Scott; Mrs. Wm. Smith; Mr. and Mrs. Gordon Williams; Mr and Mrs. R. Good; Mr. and Mrs. T. Watts; The St. Saviour's W.A.; Lorne and Mona; Keith, Joy and Aubrey; Stephens Family; Mr and Mrs. E.H. Buckingham; Joy and Percy Walsh and Irvine Bell; Lance H. Playne; Mr and Mrs. Gordon Park and family; Mr and Mrs. J V [illegible] and family; Gib and Jessie Stephen.

Canadian Cancer Society: Ches, Alma and girls; Mr. and Mrs. Fred Stewart and girls; Bill and Jessie; Mr and Mrs. Gordon Park and family; John, Edna and Keith; M. Rudyk and family; Emma and Frank Eyben; Bill and Dorothy Pettigrew; Mr and Mrs. C L. Kennedy; Mr and Mrs. George Eyben, Mr and Mrs A J Simonet and family; Elmer and Ruby Samuelson; Dave and Jean, Marjorie Knapp; Kaare and Dorothy Selte; Henry and Jory Eyben; Doris and Annsley Bell; Mr. and Mrs. Carman Long; Mr. and Mrs. Jim Robson; Mr and Mrs. Arthur Tovell, Alice, Gordon and Stanley Allen.

Cemetery Fund: Leona and Bill McLaughlin; Mr and Mrs. L. Mayhew, Keith and Helen; Mr and Mrs. Frank Dibben, Mr and Mrs. Tom Wilson; Myrtle and Larry Kehoe; Mr and Mrs. W Waldenberger; J J Hope and Miss Milburn; Mr and Mrs G N King, Mr and Mrs Claude Brennan and R. R. Brennan; Mr and Mrs Melvin Hill; Mr. and Mrs John Watt.

Crippled Children's Fund: Mr and Mrs. John Shalka; Mr. and Mrs. Alex [illegible] Michael and Mary Simonet and family; Mr. and Mrs. John Eyben; Mr. and Mrs. H. B. Evans and Eleanor; Mr. and Mrs. R. B. Carmichael; John and Helen King and family.

St. Thomas Rectory Fund, Wainwright: Mr. and Mrs. J. Humphries.

In addition many sympathy cards and letters were received.

CARD OF THANKS

We should like to say thank you to all our friends for the beautiful flowers, floral tributes, memorial donations, sympathy cards and letters and many acts of kindness shown to us in our bereavement; to Dr. Stephens, Dr. King, Miss McPhee, nurses and staff of the Vermilion Municipal hospital for their care of [illegible] beloved husband and father during his last illness and to all the kind people who gave us rides to and from the hospital with especial mention of Mr and Mrs. H. Astley and Mrs. Doris Coulter.

Mrs. Raymond Taylor and family.

OBITUARY

George Frederick Dollman

Mr. George Frederick [illegible] passed away at the Vermilion Municipal hospital on September 4th, 1958 at the age of 85 years, 5 months and 24 days.

Born in Washington, Pennsylvania on March 11th, 1873, he grew to manhood there and was a street car motorman in Youngstown, Ohio, and Mobile, Alabama, before coming to Canada in the fall of 1905. In the spring of 1906 George homesteaded in what is now known as the Greenlawn district, being the first settler in that area. Three years later he sold his land to Mr. Fred Maddex and the latter's son Mac Maddex still farms the homestead. He then worked for Rennie Hayward, well known Vermilion old timer and carried mail south-east as far as Greenshields. He often forded the Battle River before the bridge was built. In 1913 Mr. Dollman bought a farm in the Campbell Lake district where he lived until he passed away.

He leaves to mourn his loss his loving wife Joy and one daughter Helen at home.

The deceased was laid to rest on Sept. 8th at 2:00 o'clock, the funeral services being held in the First United Church with interment taking place in the Vermilion cemetery. The Rev C W MacKay officiated. The pall bearers were Messrs Wm. Dougan, Fred Maddex, Bert Osbaldeston, Wilfred Little, Rennie Hayward and Pat McCambridge.

Moyer's were in charge of arrangements.

Beautiful floral tributes and memorial donations were received from:

CARD OF THANKS

We wish to take this opportunity to thank Dr. Evans, matron and staff of the Vermilion hospital for the care given our dear husband and father while he was a patient there, also to the many friends and neighbors who called, for the many helpful acts and for memorial donations and cards received during our recent bereavement.

Joy and Helen Dollman

You Could Be The Winner

Time is running short for completion of the essay "How We Control Weeds on Our Farm". Boys and girls 12-18, whose families are actively engaged in managing and operating a farm, have until Oct. 3rd, 1958. A $25 prize will be awarded for the best essay in the province which will then have the chance of winning a $300 scholarship.

Submit written material to your District Agriculturist before the above date.

Pleasant Valley

Most people are busy getting in their potatoes and flowers as frost time is approaching. We hope maybe a good frost will [illegible] the weather until Xmas.

On Friday a group of ladies journeyed to Lloydminster with Mrs. Cummings at the wheel of her nice new car. In the party were Mrs. Hardy, Mrs. Long, Mrs. Van den Dolder and the writer. While there we visited the orchard at the Weaver home which is very lovely and then we went and saw the Wild Life Museum at the fair grounds. It is very interesting and something the children should all have a chance to see. From here we visited the Ambler's garden with its beautiful navy blue glads, bronze dahlias and yellow and bronze chrysanthemums all in bloom. Muriel you should go down.

There is a new iris one can get for fall planting that is called Ali Baba. The centre is an orange shade with brown petals.

Frank Gould and family visited Mrs. Gillies on Sunday. Sorry the writer was away. Sandra

Sympathy of the district is extended to the Morrison family on the loss of a loved one also to Mrs. Dollman and her daughter.

It may be mighty hard to economize, but it's easier than getting out of debt

Rotary Club Hears Luncheon Address On Civil Defence

Guest speaker at Friday's luncheon meeting of Vermilion Rotary Club was Rev. Kells Minchin, minister of St Saviour's Church. Mr Minchin spoke on Civil Defence which was a very appropriate subject as it was National Civil Defence Day.

The speaker recently took an orientation course at provincial headquarters in Edmonton. His talk was concerned mostly with the role of the civilian in case of enemy attack with nuclear weapons. As Mr Minchin said, "If we can survive the first few days then we can survive the war."

The speaker stressed the fact that survival is the important thing and must be done by everybody co-operating as neighbors usually do in times of calamity. The community must organize and individuals must be prepared to do their part as directed by those in charge.

One of the big dangers of atomic warfare is the radio active fall-out which is carried by the wind after a bomb explosion. Radiation monitoring courses have been conducted all over Canada for several years. Men are trained to use instruments which detect even small amounts of harmful dust. Population can be warned of danger areas and moved to districts not affected.

Mr Minchin stated that the army is well trained in civil defence but there are so few in number that the soldiers can only do so much in such a large country. Therefore it must be a matter of individuals knowing what to do and having self-reliance in helping themselves and in helping others.

Mr. Minchin was introduced by Ernie Buckingham and thanked by J W G Morrison for a very informative address on a most important subject.

There were three visitors. Doug Brimcombe of Edmonton, Rene Hayward of Kamloops and Mr. W. S. Cash of Vermilion.

Pres. Jim Robson mentioned the great loss the club suffered in the passing of charter member Gerald Stephens. The president quoted the following verse:

"Tis hard to part when friends are dear
Perhaps 'twill cost a sigh, a tear,
Then steal away, give little warning.
Choose thine own time
Say not Goodnight
But in some brighter clime
Bid me Good Morning".

Mr. Robson then called a two minutes silence.

The Editor,
The Vermilion Standard,
Dear Sir:

Through the medium of your valuable paper I would like to take this opportunity of thanking yourself and your staff for the maximum of publicity so freely given, the merchants and businessmen of the town of Vermilion, along with the merchants and businessmen in the villages and hamlets of Marwayne Kitscoty Dewberry Paradise Valley McLaughlin, Blackfoot, Islay and Clandonald for the very generous support given to me to make Civil Defence Day a success.

Special mention should be made of the address of the Rev Kells Minchin on Civil Defence, which he gave to the Rotarians, and to the Northern Hardware and Craig's for their combined window display of an evacuation pack.

Thanking you again,
Yours truly,
George Martin,
Director C D for Town of Vermilion and M. D. No. 71.

Sixteen Years Ago

September 24, 1942

Resignation of D. A. Andrew as District Agriculturist at Vermilion was announced Wednesday by Hon. D. Bruce MacMillan, provincial minister of agriculture. Mr Andrew is resigning to take the position of secretary - treasurer of the Canadian Hereford Breeders' Association.

Appointment of E. H. Buckingham as successor to Mr. Andrew was announced. Employed by the provincial department of agriculture since 1929, Mr. Buckingham obtained leave of absence two years ago to become adjutant of the initial training centre at Camrose which office he recently relinquished because of ill health. His family will arrive here at the end of the month.

Mrs. R. L. Burns is still picking strawberries from her garden on the farm at Claysmore.

Gordon Hay was elected president of the Vermilion sub local A. T. A.

32 Years Ago

September 24, 1926

The south side school which has been closed for the past two or three years will be re-opened. This move was made necessary by the overcrowded condition of grade one in the west end school where over fifty pupils are enrolled. All grade 1, 2, and 3 pupils who live on the south side will attend that school giving an attendance of about 30. Miss Lillian Reid is the principal of the public school.

Gene Tunney, ex-marine and Greenwich philosopher, won the world's heavy weight boxing championship from Jack Dempsey in a 10 round decision bout. Dempsey was nearly knocked out in the first and tenth rounds.

A very successful school fair was held at Semple's Hall, Lan[illegible].

48 YEARS AGO

September 21, 1910

The Alberta Hotel has been sold to Wm. Telford who entered into possession of the premises on Monday.

At the council meeting on Monday night, the Mayor and Dr. Ryan were appointed to report on the hospital site.

The annual meeting of the curling club is called for Friday night at C. E. Slater's jewelery store.

W. H. McClinton, formerly in business here, is now located at Pilot Butte, eight miles east of Regina.

CLANDONALD HALL

Showing at the Clandonald hall this week end, Fri. and Sat. Sept. 26 and 27, "The Wrong Man", one of Albert Hitchcock's novels starring Henry Fonda and Vera Miles; Sept. 3 and 4, "The Desperate Hours" an exciting drama with Humphrey Bogart and Frederic March. 11

Scholarships Awarded Dewberry Students At H. & S. Meeting

DEWBERRY. — The Dewberry Home and School held their first meeting on Sept. 11th in the school auditorium with around sixty people present. The president Mr. Whiteside was in the chair. The meeting opened with the singing of "O Canada".

It was decided to hold the meetings every second Thursday of the month as usual, but to start at 8 p.m. instead of 8:30 as formerly.

The highlight of the evening was the awarding of the scholarships. Mr. David, principal of the Vermilion High school on behalf of the H. & S., presented Ronald Mathison with the $50 scholarship. Mr. David gave high praise to Ronald, who had been one of his Grade 12 students last year, for his scholastic and athletic abilities.

Cheryl Jones was presented by Mrs. Witzaney with the $25 scholarship and Kathleen Rainey as runner-up, was awarded a special prize donated by Mrs. Witzaney. Congratulations are in order to these students with the hope they keep up the good work.

The pennant and book for September was won by Mr. Marshall's room, Grade 10. These awards are given to the [illegible] having the most parents of [illegible] present at the meeting.

The [illegible] committee [illegible] of Mrs. J. Zinc, Mrs. [illegible] Mrs. [illegible] Mrs. [illegible] Mrs. [illegible] Mrs. Furberg, Mr. Kelland and Miss Beirman.

Lunch committee for the next three months — Mrs. Alma Rainey, Mrs. Jones and Mrs. Witzaney.

Resolutions Committee — Mrs. Kruger, Mrs. Holmen and Mrs. Sweet.

Press Rep. — Mrs. Philbin.

Auditors — Mrs. Davis and Mrs. Jones.

The chosen delegate to the Banff Workshop — Mrs. Therese Craige.

Mr. Kelland introduced his staff and gave a very [illegible] ing outline of the high school courses for the next term.

It was decided to have one or two high school students give a five-minute talk at future meetings.

Affinity papers were drawn by each one present to find who was to be their partner for lunch. It proved an amusing way of finding a partner. 'Sunny' did not find her 'Alberta', nor 'Calgary' her 'Stampede', neither did 'Tom' find 'Jerry', so [illegible] the [illegible] best thing — they had lunch together which was a delightful one served by the lunch committee.

Next meeting will be held on Oct. 9th and we hope to see a record attendance. Everyone will be welcome. Remember the new time, 8 p.m. sharp.

Death and Funeral Of Mrs. L. Fleming

MARWAYNE. — Mrs. Edith [illegible] Fleming passed away at her home in Marwayne on Wednesday, Sept. 10th after a long illness. Mrs Fleming was born at Fort William, Ont., on April 22nd, 1882 and lived most of her life in this district. Her death was sudden and free of great suffering.

She is survived by her husband, Lawrence Earl; five sons, Harold of Onion Lake; Stanley, Trail, B.C.; Ivan, Marwayne; Orley, Edmonton; Jack, Winnipeg; two sisters, Mrs. Hazel Mighton and Mrs. Elsie Hines, both of Vancouver; two brothers, W S Johnston, Edmonton and C. Johnstone, Marwayne. There are 11 grandchildren, 1 great granddaughter, 29 nieces and nephews.

The funeral service conducted by the Rev. A. Potter, was held on Saturday, Sept. 13th in the community hall. Pallbearers were Messrs. E. Bell, J. Spence, R. Saville, J. Elliot, R. Hunter and W. [illegible]. Interment took place in the [illegible] cemetery.

Moore's Funeral Home, Lloydminster had charge of arrangements.

No Deer Season In This Zone

Shooting of deer in zone 21, which includes Vermilion district is prohibited this year. Zone 21 extends from Calgary east to the Saskatchewan boundary and north to the North Saskatchewan river.

This is an amendment to the big game regulations, as it was previously announced that there would be an open season on deer from Nov 1 to Nov 8th.

Remember hunters — no deer shooting in zone 21. 8-11

Health Unit Notes

OVERWEIGHT

Anyone who is more than 10% above the "standard" weight for people of the same age, sex and race must be considered to be overweight.

The importance of overweight lies in the fact that such people are more prone to various disorders than the average population. It has been known for a long time that overweight people are a poor risk for life insurance companies. It is a common cause of ill health.

Here are a few disorders to which overweight people are predisposed: Diabetes, heart disease, disease of the blood vessels, coronary thrombosis, varicose veins, gallstones, surgical post-operative complications, industrial, household and street accidents, abdominal rupture (Hernia), backache, flat foot, arthritis of the hips and knees.

This is a large list of disorders (and one could add more) caused to some extent and certainly exaggerated by being overweight.

WHAT IS THE CAUSE OF OBESITY?

1. Over-eating is the common cause because people are too fond of their food and sometimes because they are unhappy, and food gives them solace. Whatever the particular cause of their over eating, women are more af[illegible]

2. Since the calorie requirements of the body [illegible] advancing age, if there is no corresponding reduction in eating habits, obesity and overweight result.

3. There are some people who despite a very small appetite become obese through some obscure metabolic change.

4. Endocrine factors ("glands") are an uncommon cause of obesity and overweight.

TREATMENT

Obesity is due to a greater intake of food than that person requires, whether that intake is large, small or whatever metabolic change may be involved. The essence of treatment is to reduce the quantity of food eaten.

It is essential in dieting that the decreased food intake be supervised by your doctor, in order that the reduction in weight may not be overdone and to insure sufficient quantity of protein, iron and vitamins.

PREVENTION

Prevention rests with one consulting one's doctor when you are aware that you are becoming overweight. Young mothers, especially after having a baby are liable to put on excessive weight.

Remember, diet only under the supervision of your doctor. Excercise in moderation is a useful adjunct to dieting but excessive excercise increases one's appetite with a consequent weight gain.

Friday, October 3 — Dewberry (School) 2 to 3:30 p.m.

Bonnets and Bottles Feature Mannville School Initiation

MANNVILLE. Strangers coming to Mannville on Friday night [illegible] thought this town produced mighty large sized infants, with the sights meeting their eyes. Boys were clad in diapers (under which was worn bathing trunks) baby bonnets and carried bottles and comforters, and wore nylons while the fair sex of the grade 9 young hopefuls turned dark over night it would seem. Skin blackened and hair was kinky as are the dusky maids of warmer climates, and sack type dresses, nine inches above the knees were worn. As usual the class [illegible] through classrooms and then down town into and out of all business places where permitted to enter. The usual indigni[illegible] Some were seen scrubbing the dirt from steps with toothbrushes, selling clothes pins, one by one for any sum, washing feet in mud puddles, measuring sidewalk with a six inch ruler, cleaning out culverts and proposing to a girl in Linda's Coffee shop. These are a few of the penalties imposed on those who were entering high school. Fun however was evident in all the pranks and it was unfortunate that a casualty in the form of a broken window should have happened. However, with no more serious repercussions than this, the Initiation Day has come and gone.

An enjoyable d[illegible] ed by students and teachers in the evening.

DERWENT THEATRE

Showing at Derwent theatre Sat. and Mon. Sept 27 and 29 "The Searchers", in color with John Wayne one of the biggest, roughest, toughest and yet most beautiful picture adventures of the year. Oct 1 and 2 "A Bullet is Waiting", with Rory Calhoun and Jean Simmons, a drama of overpowering hate. Oct 4 and 6 "Crosswinds" 11

TULLIBY LAKE

Mr. and Mrs. Harold McLaren of Lloydminster were visitors in the Behrens home last Sunday

Mrs. Louise Huntley has again returned to the Lloydminster hospital for further treatments on her previously broken hip

This year's school bus drivers are as follows: Mr. Ingvar Belsheim (for the North Park route) Mr. Tommy Carmichael (for the Onion Lake, Canyon View and St. Margaret's route) and Mr. Arthur Fortin Jr. will serve the Grassvale and Tulliby Lake route.

Allan Lovell, from over in Onion Lake, is taking his grade nine here at the central school.

Another bodily mishap was experienced by Doug Cooke on the morning of September 9th. Having the truck backed up to the granary Doug severely bumped the back of his head while entering the rear of the truck. Seems as if his head struck the top of the granary door

John Kay is assisting the Wards by operating the binder while Elmo drives the tractor.

Frills, Not Jeans, for TV Star, aged 4

Four years old — and every inch a fashion plate'

This describes popular Canadian child actress Syme Jago who shuns blue jeans for crinolines and dainty gloves

Syme loves looking feminine and the more crinolines the better says her mother, Mrs Ernest Jago of Toronto "When sewing for Syme I concentrate on frilly garments that will make her feel and act — like a little lady."

Mrs. Jago believes that careless, tomboyish dress hinders the development of a girl's femininity.

Modeling since she was three, Syme now has a star role in the half hour movie Small Cargo, being filmed in Toronto for the Cannonball series. The latter will be telecast in Canada this fall

On set, Syme portrays a runaway orphan wearing a rumpled blouse and skirt. But off set she's a junior Suzy Parker!

Even for play, Syme likes to don a frilly pinafore over a simple frock. Mrs. Jago finds pinafores simple to sew, and usually makes them of white organdy. As experts at local sewing centers suggest, she uses inexpensive nylon lace to edge pinafore ruffles.

Television viewers this fall will see Syme in the Cannonball series and in several commercials.

Women's Institutes Reports

WILDMERE

Wildmere W.I. at their August meeting heard Mrs. A. Holte give a report of the Vermilion-Alexandra Constituency conference. She stated that the October project for all the W. I. branches was "Pennies For Friendship". Each member is to give two cents. Pennies for friendship is the most dependable and remunerative method of financing the A. C. W. W. The Associated Countrywomen of the World now embraces 130 constituent societies and 54 corresponding societies; with a total membership of five million in 88 different countries, territories, states and provinces. Mrs. W. J. Garnett read an article on Mrs. Keith Rand the new F.W.I.C. president.

HAZELDINE

Hazeldine members heard an interesting paper on the United Nations given by Mrs. E. Mirbeck. Mrs. J. K. McLean gave a detailed account of the conference. Roll call was answered with pictures of important people.

VERMILION

During July the Vermilion W.I. was hostess at a joint meeting held in the Vermilion park.

PRINCESS ANNE

Mrs A. Scarfe gave a talk to the Princess Anne W.I. members on "Hints to save time", a timely topic for this busy time of the year. They also heard an interesting account of the Civil Defence course that Mrs. George Richardson attended. In July they sent clothing for the Mental hospital which is one of the W.I. projects.

FIVE POINT

Five Point W.I. had an unusual roll call for August "A Vegetable Hat Parade". This is really something to see - just try it sometime. They sent a vase and some flowers to a patient in the Vermilion hospital. This branch again won the Handicraft Silver cup for the second year in succession with 34 points congratulations. A silver W. I. spoon was given to a member, Mrs. Harry Morlin, who had recently celebrated her Silver Wedding anniversary.

SALTAUX

The Saltaux W.I. members enjoyed a day at Farm Women's week at the college. A W. I. pin was presented to a faithful member Mrs. L. Murphy who was leaving the district. A donation was sent to the F. W. I. C. Each member is to bring a bazaar article to the next meeting for the bazaar to be held at the end of October.

CREIGHTON

Creighton W.I. enjoyed holding their July meeting at the home of Miss Jean Allanach and seeing her famous collection of dolls from many countries of the world. Jim Bennett was the lucky winner of the Swedish sweater raffled by the Creighton W.I. They also enjoyed their annual picnic in July. August meeting opened with roll call of giving the name of a Canadian woman and what she was noted for. Four gifts were reported as sent to the Mental Health Association.

RAMSAY

Ramsay W.I. planned to hold a pie sale in October with proceeds for the Mental Health Association. A donation was sent to Miss Jackie Hasinoff who attended the U.N. Workshop school at Banff. Members expressed the wish to read the W.I. brief presented to the Cameron Commission on Education, also the "Role of the Family in Education".

Farm Unions Oppose Higher Freight Rate

In a telephone meeting of the Interprovincial Farm Union Council Executive, held on September 18, it was decided that President James Patterson, of Winnipeg, should go to Ottawa as soon as possible to register opposition to the proposed freight rate hike. A. W. Platt, president of the Farmer's Union of Alberta, said that "all members of the executive were greatly concerned over the proposal. It seems unlikely that the Board of Transport Controllers will give serious consideration to this proposal of the railways." Mr Platt added, "but we want to have someone on the scene just in case they do. If granted, most of the increase would have to be paid by farmers in Western Canada and the Maritime provinces. Farmers are in no position to pay for deficits on luxury trains, or to increase anybody's wages or pension benefits. The poor economic position of agriculture was recognized by the Government in their recently announced plan of acreage payments to western grain growers. The total amount of this payment could easily all go back to the railways if the Transport Board gives the green light to their proposed freight rate hike," Mr Platt concluded.

The self-satisfied man has reached the jumping off place

It's much better to leave foot prints on the sands of time than it is to leave fingerprints at the police station.

Clean-Up Day Held At Mannville Church

MANNVILLE — Prior to Thanksgiving service, the Anglican Church members held a clean up day and the church building was cleaned from top to bottom, windows washed, floors scrubbed and polished and some repair work and remodelling attempted. Men and women alike worked side by side and in the mid afternoon, a most welcome lunch was served by Mrs. Scott, Mrs. Elsie Williams and Mrs. C. Manz aided by Mrs. E. Lugg.

Be loyal to your flag—you need it more than it needs you.

Next Sunday Sept. 28th Rev MacKay will hold church service in Wildmere at 3 o'clock in the afternoon. Plan to attend.

WILDMERE WINKS

Our deepest sympathy goes out to Mrs. Stephens and daughter Joan on the loss of a loving husband and father, and to his sisters and brothers. Gerald's kindly word and pleasant smile which greeted you upon entering the store will be sorely missed. As Rev. MacKay said at the funeral, anything Gerald attempted was always well and truly done. The large attendance at the funeral bespoke the high esteem he and his family held in and around the countryside. May God comfort the sorrowing family at this time.

Another [illegible] friend [illegible] person of Alex Morrison has gone to a well-earned rest. His cheery greeting on the street and in the stores will be missed by all. Mr. Morrison married a girl who grew up in Wildmere, Christie Wilson. The well-filled church showed how highly the deceased and family were thought of in town and district. Rev. MacKay gave a very comforting sermon to the sorrowing ones. Mr. E. Robinson sang a solo "Jesus Cares". May they look to Him who comforts all troubled hearts.

We did not know Mr. Taylor personally, but we do know Mrs. Taylor and we wish to extend to her and the family our own and the community's deepest sympathy in their hour of sadness.

The Wildmere United Church is being moved from its present location one mile and a half [illegible] of Lloyd Howard's farm, right across the road from J. Wallington's. Volunteers held a bee last week and put in the foundation. When it's ready 'Mix the Mover' will put the building on its new foundation.

Wildmere W.A. held the first meeting of the fall at Preston Central school with six members and three visitors, Mrs. D. Dibden, Mrs Sweet and Miss Fluney present. Devotional for October, Mrs A. Holte. Mrs. D. Hughes is to get 'Songs of the Gospel' for use in the W.A. and Sunday school. Mrs. Albert Smith gave the devotional "I still go to church". A motion was made by Mrs. Hughes and Mrs. West man that the W.A. give a donation to the church board to help with the moving of the church. Lunch for October, Mrs. Gibson and Mrs. Cruthers. Mr. Robinson came at the close and gave a nice talk and prayer

Mr Laurence Graham who has been working at Kelfield, Sask., has returned to his home in Wildmere. He helped combine 700 acres of crop with the yield much the same as here

A good attendance was noted at our last Sunday service Sept. 21st. We were pleased to have in the audience Mrs. A Morrison, Mr. and Mrs. Jack Morrison and boys of Bowtell and Mrs. Scott of Edmonton, Lr. and Mrs. Frank Dibben and family of Vermilion and Mr. and Mrs. Fred Haines and family of Basswood. Mr Robinson chose as his text "Well done good and faithful [illegible]" He also sang a solo. We are all sorry to see our summer services come to a close. After the service a pleasant hour of visiting and a lunch was enjoyed. Mrs. Wallington on behalf of his many friends in Wildmere, presented Mr. Robinson with a purse of money, but in order to receive it he had to favor us with a sacred song which he did. He also sang many old favorites for the gathering. Everyone wished him every success in the future and a long happily married life, as he is to be married Sept 27th

Visitors at the Cruthers' home on Sunday were Mr and Mrs G. Cruthers and family of Vermilion, Mr and Mrs R. Dutton and family, Mr and Mrs Les Dutton, and Jeanette Fortier, all of Edmonton, Mr and Mrs H. Shepherd and son of Forestburg, Mr and Mrs Wm Shepherd and boys of Vermilion, Mr and Mrs. Ken Shepherd of Vegreville, also Mrs Jack Marfleet and family of Vermilion. Altogether it really was a full house along with their own family

There will not be a Preston Home and School meeting this month. The first meeting of the new term will be held Tuesday, Oct. 21st so keep that date in mind folks. We will remind all again later

MARWAYNE

Mr. and Mrs. J. Elliott had with them recently Mr. Elliott's father and two sisters Margaret and Allison from Coronation.

Mr Guy Williams brother and wife from Oregon spent a week here with Mr and Mrs Williams.

Mr and Mrs M. Gutzeqats and family were home at the Wilsons and Mrs. Mark [illegible] and youngest son at the home of her parents, the Ramseys this past week end

Mr and Mrs Petryshen and family have moved into the new teacherage and Mr and Mrs Ronnie Murray and family have moved into their house recently vacated by the Petryshens

Mrs Petryshen and Alister [illegible] are patients in the [illegible] hospital

Mrs Hancock Sr has been moved from Midgley to the home of her other daughter and son in law Mr and Mrs Dave Martin near Islay. Mrs Martin Sr is a patient in the Islay hospital

The W. A. of the United Church are having a fowl supper soon. The date will be announced later

Mr Lucas and Lawrence [illegible] were Edmonton visitors last week

On Thursday evening the Explorers reorganized under the leadership of Mrs. Rea and Miss Scarfe. The Scouts also reorganized with Scout Master Rev Potter and Mr E. J. Carson as assistant. Again, all youth organizations except the 4 - H Clubs have their weekly meeting on Thursday which is certainly a great help to those living in the country

The Athletic Club has been at work on the skating rink and doing a marvelous job there. [illegible] help is needed so that it will be ready when the cold weather comes. The posts are all in now thanks to Dick Dudlyke's post hole digger and ready for the boards. The rink will be much larger and have a better lighting system.

Sorry, an error was reported in last week's paper. The basement has not been dug on Mrs Berry's lot but the water and sewer service has been put in.

Heinsburg F. U. A. Local No. 432 Held Regular Monthly Meeting

The Heinsburg Local No 432 of the F.U.A. held their regular monthly meeting in the Tulliby Lake Central school on the evening of Sept. 15th. Due to the excessive rainfall over the week end only a fair attendance was recorded. In the absence of Jimmie Boyd, Doug Cooke acted as chairman for the meeting

The minutes of the previous meeting held in the Frog Lake hall on Aug. 18th were read and adopted.

This year the F.U.A. made available car and truck insurance. This is offered at present, in co-operation with the Co-op. Fire and Casualty Insurance Co. This year's rates are comparable to those of other leading major insurance companies. Everyone taking out such a policy this term will enjoy about a $10 reduction in insurance costs next [illegible]. This is all made possible by more than 7300 participants in the plan. The local members were enthusiastic and grateful to receive such benefits

A membership drive for the whole province will be conducted during the week of Nov 3 to 8. The provincial goal has been set at 40,000 members. This Local made plans to participate in the effort by arranging for three canvassing teams, as follows: Tom Belsheim and Doug Cooke; Mrs. Lars Belsheim Jr and Mrs. Doug Cooke; Elmo Ward and Oscar Eidsvelk. Two more teams may be arranged for later.

The members expressed their thanks to the provincial government for enacting the following three proposals as submitted by the F.U.A.:

A reduction of $5 on all farm truck licenses: A $1 per acre deficiency payment to all farmers suffering from drought: the permitting use of purple gas in farm trucks.

This year for the first time all members desiring to do so can make arrangements to have their annual membership fee collected by the local M.D. along with the tax levy

OLD FOLKS' HOME

Re: Provincial government's proposed erection of Old Folks' Homes, the Elk Point Hospital board plans to submit the following recommendation: That such a home be considered for the Elk Point area. Besides serving a very large territory, this would alleviate some of the congestion at the hospital, also people needing such accommodation would not have to seek homes at other distant centres. The Local expressed their desire to give the matter their full hearted support

The sending of a delegate to the forthcoming convention came up for consideration with more complete arrangements to be worked out later

Back in February some members reported a discrepancy in the market quotations as given over CJCA Edmonton and CKSA Lloydminster station. This was brought to the attention of the then farm manager at CKSA Ken Allen by means of a letter. Correspondence in regard to this was read and since the answer received did not seem satisfactory another letter will be forward to Mr. Don Weber CKSA

The evening's proceedings came to a close by the serving of lunch.

ROTARY PICTURE CONTEST
Have You A Pretty Scene of VERMILION ?
A Pen and Pencil Set will be given to the person submitting the picture to be used on the
Rotary Birthday Calendar for 1959
The picture chosen will be of a pretty scene taken in Vermilion or district, with no personal touch.
Submit your picture as soon as possible to
Curtis Alfke, Mgr. Bank of Commerce

THE ROTARY CLUB
is again sponsoring the
Community Birthday Calendar

It will be the most interesting and informative Calendar you have ever seen!

The Rotarians want every person in Vermilion and district to have their name printed in the Calendar. Your name will appear on the date your birthday falls. Everyone will know when your birthday comes, and you will know the birthday of everyone else in Vermilion and district. *But it doesn't tell how young you are!*

YES! Once again this is going to be the
CALENDAR OF THE YEAR
—and a lot of fun for everyone!

The members of the Rotary, beginning right away, are going to contact you about putting your birthday on the calendar. The cost of the name is only 25c, and the name of every member of your family is desired on this calendar. Each family buys a calendar for only 50c. Extra calendars may be purchased if desired.

The wedding anniversaries of all our married couples will be listed on the date of their anniversary, with a little bell after the names, at a cost of only 25c.

ALL PROCEEDS TAKEN IN BY THE ROTARY CLUB ON THIS PROJECT WILL BE USED FOR COMMUNITY BETTERMENT AND YOUTH ACTIVITIES IN THIS AREA.

Proceeds from previous calendar sales have been distributed in part as follows: For support of Little League baseball team; Pee-Wee hockey; revolving fund for students requiring financial assistance; Rotary Christmas tree; Grant to Library; Sponsored Band Concert; sent delegate to the United Nations short course at Banff; Grant to Scout Hall; sponsored Courtesy Contest; sponsored Car Rodeo. It is expected that a considerable portion of current revenue will be used for extra equipment for an Elderly Citizens' Lodge [illegible].

Anyone from out of town, or not at home when the canvass was made, may have their birthday listed, or order a calendar from any member of the Rotary Club. Here are a few of them: Ross Boake, Elmore Stewart, Ed. Herzog, George Webb, Ken Greenwood, Ernie Buckingham, Reg. Mitchell, Jim Robson, Curt Alfke, Ashley Cooper.

— OR —

Fill in the attached coupon, listing names of members of the family, their birthdays, and anniversary, on this coupon and forward with remittance to SECRETARY D. R. MITCHELL, VERMILION ROTARY CLUB.

The canner must take care of purchases and payroll before his pack is sold
The farmer needs cash to finance operations until his crop is delivered
...so both are borrowing from a bank
When borrowing is sound business practice, it is a simple, straightforward process to arrange a loan from a chartered bank.
Every day, in every part of Canada, the chartered banks are lending money to farmers, fishermen, producers, manufacturers, processors and other commercial customers, large and small...to meet payrolls, buy raw materials, market goods and meet a multitude of financial needs.
A bank manager is constantly on the lookout for opportunities to make such loans—that's his job. Bank loans are an essential part of the process that provides the goods and services that make life better for all Canadians.
THE CHARTERED BANKS SERVING YOUR COMMUNITY

Wildmere Women's Institute Notes

The September meeting of the Wildmere W.I. was held at the home of Mrs. Ray Osterberg with nine members present. Owing to the secretary, Mrs. Cruthers being unable to attend, Mrs. Wallington acted in her place. [illegible] opened with the Ode.

Treasurer reported that she had bought a new brief case for the secretary costing [illegible].

Moved by Mrs. Haines and seconded by Mrs. Howard that treasurer's report be accepted as read.

Mrs. R. Dibben thanked the W.I. for card received when she was ill.

Motion by Mrs. Haines and seconded by Mrs. Holte that $1 be given secretary for stamps.

Motion Mrs. Gibson, seconded by Mrs. Dibben that an annual donation of $2 be made to the Preston Central school.

Mrs. Wallington extended a greeting to the W.W.I. from Mrs. Herman Eyben, a former member of our group now living at Cloverdale, B.C.

The September project was a donation to the A.W.I. fund.

Members please remember [illegible] October project is "Pennies [illegible] Friendship", a voluntary [illegible]bution by each member. Topic was by Mrs. Gibson "My Cataract Operation" by Mrs. Millie Gardiner. A very interesting paper. Here are a few highlights: 95 out of 100 cataract operations today are successful: don't visit patients in hospital nor send flowers as sneezing may result causing a haemorrhage. If you want to give help, do so after the patient arrives home.

Social was by Mrs. W. J. Garnett who gave a talk on the work of Hal King, chief make-up director of a film company in Hollywood who visited Edmonton. It too, was very interesting.

J J Up was won by Mrs. Noel Garnett. Meeting closed by repeating the Creed.

Mr. and Mrs Sweet and Miss Fluney, teachers of Preston Central school came and had lunch with the members. Next meeting will be at the home of Mrs Chas. Sweeney on Oct. 1st. Roll call — name a way to make kitchen work easier; Topic — Mrs. F. Haines; Social — Mrs W. T. Garnett; Lunch — Mrs Howard, Mrs. Osterberg and Mrs Sweeney.

News from Dewberry

Everyone was deeply shocked on Friday 12th to hear of the sudden passing of Mr Patrick Lee. The sympathy of everyone is extended to his wife and family and all who are left to mourn his loss. Paddy was well known and respected in Dewberry, Clandonald and district.

Our sympathy also to Mrs. George Fluney on the loss of her brother Mr Harry Metadelt of Swoke B. C. who was killed in an auto accident on September 5th. Also all who are left to mourn for him.

The school is now in full swing with a staff of ten teachers. Mr. Kelland, principal teaches grade 12; Mr Kruger, vice-principal grade 11; Mr Marshall, grade 10; Miss Mullen grade 9; Miss Beirman, grade 8; Mrs. Durnin, grade 6; Miss Young, 4 and 5; Miss Haskell, 2 and 3 and Mrs Kelland, grade 1.

Congratulations to Ronald Mathison on winning the Robert David Sinclair scholarship and the $50 Home and School scholarship. Also to Cheryl Jones on being awarded the $25 scholarship given by the Dewberry H & S, and to Kathleen Rainey who was runner up. She was awarded a special prize donated by [illegible].

Mr David, principal of the Vermilion High School presented the scholarship to Ronald and Mrs Witzaney presented Cheryl and Kathleen with their awards.

Our congratulations to Mr and Mrs. Donald Wilson on the birth of a daughter.

Mr Jim McGillivee has taken up a whopper of a potato out of his garden. It weighs three pounds — can anyone top that?

Some of the potatoes being taken up this year are weird looking things. They are of all shapes and sizes but a good crop [illegible].

Last week Ernie Davis shipped some top price and next to top price cattle. This week a trailer load of twenty-five heifers sent in by Harold Curtis took top price. All were shipped to the Lloydminster [illegible].

The birthday club met at the home of Mrs Margaret Wilson on the 18th. Two birthdays were celebrated. Several games of bingo were played. There were thirteen members present and two visitors who are joining the club. A delightful lunch was served by the hostess aided by some of the members. Next meeting will be on Oct 16 at the home of Mrs Romanchuk.

Mr and Mrs James Munro flew from N. Battleford on Wednesday. James took some aerial pictures of the village and school. He landed the plane near his father's home.

University To See Return of Football

After an absence of ten years, university football will return to the campus of the University of Alberta this fall. Prospective university students, including all ex-high school players who are not playing with a junior team in the province and all over age junior league players, are urged to turn out for the squad.

Coach Steve Mendryk has scheduled the first football practise for Monday, Sept. 22 at 3.30 p.m. and practises will be held each week day until Oct. 10. Inter-squad games will be played each Friday afternoon until the end of the training period.

While prospective players will find previous playing experience desirable, it is not essential. A large coaching staff has been arranged to provide additional instruction to inexperienced players.

Many Controversial Subjects Planned For Farm Forum

"The most controversial subjects in years of Farm Forum", that seems to be the opinion of nearly everyone who has taken a look at the subject which the 800 Farm Forums across Canada, will discuss this fall and winter.

To begin with, the subject of the 'Farmer's Freedom' is a pertinent one and it comes up on the 3rd of November. Has freedom been forsaken for economic security? Which is the most important.

Then on the 17th of November, the showring will be measured against its modern rival — Performance Testing — to find out which means of grading livestock offers the best yardstick to the average farmer.

On December 1, the cost of producing a dozen eggs, or a pound of beef, or a bushel of wheat on different farms will be considered then. Can this cost be measured? Or are the many variable things which a farmer must face likely to make it impossible to find a single cost? If an average cost of production is taken, for the purpose of basing price supports will this average be accepted by the farmer? Who should set this average? The government? Farm Groups? Co-ops?

On December 8, the training of farmers in management methods which will help them to make more money, will be the subject of the day. Many farmers reportedly fail because of poor management. Is this the real reason? If it is, what training courses are open?

Finally, the 15th of December, will be the big night. On that evening the Battle of the Sexes will resume with both sides of the family trying to decide "What Women Really Want." Will they accept full equality with men, if it means giving up their privileges as a woman? Do they want to take an equal place with men, in the grimy work-a-day world? The forums may find the answer.

Whether they do or not, we think that you will find as either a Farm Forum member or a thinking citizen in your home that these topics are stimulating and interesting.

First broadcast, November 3, 1958 at 8.30 p.m. on Trans-Canada network.

Not To Be Sneezed At

The $55 a month now paid our older citizens may not seem large. But, points out The Financial Post, the average couple receiving $110 between them would have to have saved about $11,000 to buy an annuity at age 70 that would pay them that much for life. If they didn't want to eat into capital, it would take about $33,000 invested at 4% to produce $110 a month income.

That's an addition to every Canadian's retirement "savings" which is not to be sneezed at.

ON DISPLAY TODAY, BUICK '59
THE CAR

ELECTRA 225 IN THE EYE-STOPPING NEW 4-DOOR HARDTOP
A GENERAL MOTORS VALUE

Here it is . . . and now you know! Know why we have called this THE CAR. Know that a new generation of great Buicks is truly now here. From just this one view you can see that here is not just new design . . . but splendidly *right* design for this day and age. A car that is lean and clean and stunningly low . . . and at the same time great in headroom and legroom, easy to get into or out of. And when you see your Buick Dealer and walk the whole wonderful way around this Buick, you'll know still more how *right* all this is. From anywhere you look, here is a classic modern concept that is Buick speaking a new language of today. A language of fine cars priced within the reach of almost anyone. A language of quality and comfort and quiet pride of ownership . . . a language of *performance satisfactions* without equal. See BUICK '59: *THE* CAR on display at your local Buick dealer's.

THE LOOK. It's a clean, lean, new kind of fine-car look. Fresh. Crisp. Splendid. It's a look that proclaims your good taste to the whole wide world. The look of the best-engineered, best-manufactured Buick ever built . . . and the most excitingly beautiful design in Buick's nearly 60 proud years.

THE ACTION. Get the feel of thrifty new Wildcat engines. New Equipoise ride . . . fin-cooled rear brakes and aluminum front brakes . . . constant-speed electric windshield wipers. New Easy Power Steering.* New automatic transmissions.* New conditioned air.

THE QUALITY. Buick quality to the core, new super-quiet bodies by Fisher and there just isn't anything better. New Magic Mirror finishes stay almost everlastingly fresh. New interior decor throughout. Safety Glass everywhere. A new hardtop design—closest ever to having no top. New portable transistor radio.* New conveniences add to pleasure everywhere you turn! Yours to test, yours to savor—the look, the action, the quality of the magnificent new Buick for 1959. If you know cars—and if we know you—*THE* CAR is your car!
*Optional at extra cost on certain models

THE VERMILION STANDARD

Vol. L. No. 12. $2.50 a Year Vermilion, Alberta, Thursday, October 2nd, 1958. 12 PAGES Single Copy—Not over 10c

Alberta Provincial Library Dec.58

First Sale Tuesday, Oct. 7th

Clover Bar Interests Purchase Vermilion Auction Market

Givol Sales and Service of Clover Bar have purchased the Vermilion Auction Market building, located one mile west of Vermilion and plan to hold livestock sales every Tuesday. The sales commence at 12:30 noon. The new name will be the "Vermilion Stock Mart". Givol Sales and Service operate a very successful business of this kind at Clover Bar and bring with them to Vermilion a wealth of experience, and very valuable connections with stock buyers.

In charge of the Vermilion Stock Mart will be Mr Harry Kopinski, of Edmonton, who plans to reside in Vermilion. Mr. Kopinski has had years of livestock marketing experience.

FIRST SALE TUES. OCT. 7th

The first sale to be held by the new owners will be on Tuesday, Oct. 7th commencing at 12:30 noon. See the large display advertisement on page 4, section 2, of this Standard for full details. 145 head of feeder cattle, 10 milch cows, 115 feeder hogs and 7 sows have already been listed for this sale. For full information turn to page 4, sec. 2.

Mrs. W. J. Macnab Passes Away

A pioneer resident of Vermilion, Mrs. Georgie Macnab, 81 years of age, who came to Vermilion in 1905 and had lived here ever since, died on Saturday, September 27 at the Lamont hospital. She had been confined to hospitals for the past seven years.

Born at Jacquet River, N. B., she was married in 1897 to William J. Macnab, the ceremony being solemnized in Vancouver, B. C. They lived at the coast until 1905 when they moved to Vermilion, living right in town for three years until 1908, when they moved to the farm in what was then the Cummings district now known as Buffalo Coulee. Mr. and Mrs. Macnab celebrated their Golden and Diamond weddings here.

She is survived by her husband who on Tuesday September 30 observed his 90th birthday, and who is well and active, one son Brenton of Vermilion and two grandchildren, Mrs. Georgia Brown of Calgary, and Brent of Vermilion. There are five great-grandchildren.

Funeral services were held at the Auburndale United Church on Tuesday, September 30 at 2 o'clock and burial followed in the Mount Auburn cemetery. The Rev. C. W. MacKay officiated.

Moyers were in charge of funeral arrangements.

Hockey Star Wins $1,000 Cash Bingo

Andy Redford, starry player with the Vermilion Tigers, was the fortunate bingo player on Saturday night, winning the $1000 cash prize. Andy was the only one to call bingo. A paying crowd turned out and the Curling club netted close to $400 on the project.

Another bingo will be held in the arena on Saturday, Oct. 18th with $1550 again scheduled to go to lucky winners.

The complete list of winners Saturday night in order of games was: 1. Ed Baldwin; 2. John Parkin and Mrs. Chas. Fuller, Vegreville; 3. Ben Pitch; 4. Vic Mulgrew, Clandonald; 5. Ed Blair; 6. Paul Bielech; 7. Mr Larson, Lloydminster and Anthony Mirton; 8. Ken Jaremco Irma and Steve Nestorwich, Mannville; 9. C. P. Crocker, Hindville; 10. Frank Long and Bob White, Mannville; 11. Mrs. Reg Ireland and Mrs. Rib Bond, Blackfoot; 12. Andy Redford.

Unless otherwise notated the winner is from Vermilion. Marshall Jackson took care of the announcing in his usual capable manner.

CONGRATULATIONS W. J.

William J. Macnab was a guest at the Board of Trade luncheon on Wednesday and received congratulations on his ninetieth birthday which he observed on Sept. 30.

Install New Mercury Vapor Street Lights

Canadian Utilities Limited are now busy installing fifty-five new Mercury Vapor street lights in the town of Vermilion, centering on the downtown section of the town.

The new lights are placed 30 feet from the ground, much higher than the former bulbs, and give more than three times as much light, of an entirely different kind. Each of the new street lights gives off 20,000 lumens as compared with 6,000 by the former lights.

The light is different, there is more of it, and the change is a big improvement.

Champion Cardinals Feted By Vermilion Board of Trade

The Vermilion Board of Trade showed its appreciation of the achievement of the Vermilion Cardinals, ladies' fastball team, in bringing home the 1958 Alberta Provincial Intermediate B championship by feting them at a dinner on Wednesday. The girls completed a very successful ball season by winning the provincial laurels at Calgary against real opposition.

President E. A. Locke of the Board of Trade welcomed the guests to the dinner, outlining their record of 1958 as well as drawing attention to the fact that they had previously won this championship in 1953, 1954 and 1955.

Mrs. Eva Gordey, captain of the team, then introduced each member of the champions. All were present except four who were now out of town.

Mr. Bert Moore a coach of the club, introduced the officials who were also present, namely Coach John Gordey, Mrs. Ethel Thompson, and regretted the absence of the team manager, Mr Rohre. Mr Moore also expressed thanks for the invitation to dinner, to the business men who supplied the new uniforms, and the financial aid forthcoming for the trip to Calgary. He also paid tribute to the players, stating that a wonderful team spirit existed among the club members and this had, he thought, much to do with their success. Mr Moore thanked the townspeople generally for their enthusiastic support of the Cardinals.

Hunting Hints

THE [illegible]

(With apologies to the author of "Trees")

I think that I shall never see
A man so asinine as he
Who leaves his campfire 'ere it's out,
And throws his burning butts about;
A man who lives for just today,
And burns the forests, come what may;
A man who hunts 'tween dusk and dawn,
And catches fish that went to spawn;
Who kills a deer for killing's sake,
And leaves it for the wolves to take;
Who overtraps a beaver home,
And in closed season shoots ruffed grouse;
A man who goes his selfish way,
And cares not who must sometime pay
For all the devastation wrought
By him, who never had a thought
For those whose heritage he'll spoil,
To whom he'll leave just rock and soil.

—By M. V. Gillard in Sylva.

Work Starts On New Macleod Store As Local Builders Get Contract

Work has started on the construction of a new retail store for Macleod's Limited.

Caron and Calvert of Vermilion are the contractors, the majority of the sub-trades are also local residents.

The building, 50 x 100 feet with full basement, on a site two doors west of the Company's present store, is expected to be ready for occupancy in the New Year.

The new store with 6,418 square feet of sales area, including downstairs furniture and electrical appliance departments, also a plumbing and heating section, will be four times larger than Macleod's present store.

Macleod's Limited, with home office in Winnipeg, operate 138 company owned and authorized dealer stores in Western Ontario, Manitoba, Saskatchewan, Alberta and British Columbia.

Don Cossacks To Present Popular Variety Program Songs and Dances

It is now just a week until the Don Cossack Chorus and Dancers present their concert here, and those who are planning to attend are reminded to get their tickets immediately, as nearly all available tickets are now sold, and it is expected that the Auditorium will be sold out several days prior to the concert.

Numerous inquiries have been received as to the type of music which the Cossacks will present, and we publish below the program that they will perform for us. You will see from this that it is a variety type of concert consisting of a mixture of classics, folk tunes, religious songs, love songs, military and comedy tunes, mixed in with several dancing [illegible].

THE PROGRAM

PART I

Blessed is the Name of the Lord of Zion. This is a hymn to the Creator.

Churchbells of Novgorod. Melody in opera "Boris Godunoff".

Prayers to the Lord. (Tschaikovsky).

Sleep My Girlie. (A lullaby).

Malania (Comic Soldiers' Song)

Kozatchok (Popular Dance of [illegible])

Death of John Leeman Clark

Well known old timer of the Wildmere district, John Leeman Clark, passed away in the Vermilion hospital on Wednesday Oct. 1st at the age of 80 years. Funeral services will be held at the United Church Vermilion, on Saturday, Oct. 4th at 2 p.m. Interment will be in the Vermilion cemetery.

Mr Clark was born in Ontario but came to Alberta back in 1906. He is survived by two sons, Leeman and Fred, both of Vermilion, and one daughter Miss Gladys Clark of Edmonton. There are five grandchildren and five great grandchildren. Two brothers and four sisters also survive in the east.

The Editor.

Special Program At Alliance S. S.

Special programs at the Alliance Sunday School Vermilion have been Rally Day, Sept 21 and Promotion Day, Sept 28.

A feature of the Rally Day program was the presentation of a skit during which members of various classes took part and built their "Christian Life House" in so doing.

On Promotion Day 51 [illegible] were promoted in the Sunday School which has 10 classes with a staff of 22. Each pupil was accompanied to the platform by his teacher, was given a promotion certification by Superintendent Albert Mix, then passed through the promotion arch and was received by the new teacher [illegible] to the new class.

Governor Mel Cunningham Visits Vermilion Rotary Club

Mel M. Cunningham, governor of Rotary district No. 536 visited the Vermilion club at their last meeting. Mr. Cunningham was elected governor of this district which comprises 52 clubs at Rotary's annual convention at Dallas, Texas.

This was Mr. Cunningham's first visit to the local club. A dinner meeting was held at St. Saviour's Parish Hall where Mr and Mrs. Cunningham were entertained by club members and their wives. President J. R. Robson was chairman.

Reg Mitchell introduced Mr and Mrs. Cunningham to the meeting. Mr Mitchell said that the governor is a past president of Red Deer Rotary Club. He is a member of the real estate firm in Red Deer of Rotherhill, McKee, Cunningham Ltd. He has been president of the Alberta Chamber of Commerce and director of the Canadian Chamber of Commerce. For the past eleven years he has been Red Deer's representative on the Alberta Industrial Development [illegible].

Mr Cunningham gave a most inspiring talk on community service, vocational service and international service. He also led the club in the club assembly.

Ross Boake thanked Mr Cunningham on behalf of the Rotarians and their wives for his very able presentation of the purpose and ideals of Rotary.

Three members of Vermilion club gave short addresses. R. D. Simonson spoke on his trip down east last summer. Dr Ben King [illegible] about fishing in Medicine Lake. F. H. Buckingham related incidents in visiting eight Rotary [illegible].

A delightful contribution to the entertainment was a chorus of about 20 girls from the high school. They sang several songs under the direction of Mrs Sutherland.

Attend Conference of Missionary Alliance

Travellers to the District Conference of the Christian and Missionary Alliance, held in Saskatoon, Sept 18 - 23 were Mrs. A. B. Stephenson; Rev. J. M. Schroeder, Mr. Albert Tovell and Mr [illegible].

Mrs. Stephenson travelled with the workers from the church at Daysland on Wednesday, Sept 17 while the three men went by car on Sunday, Sept 21.

The conference speaker was Dr. H. L. Turner from New York City, President of the Society.

While at the conference Rev. Schroeder was presented with a certificate showing that the local Sunday School had attained standard grading this past year, together with 9 other schools in the district which stretches from the Great Lakes to Vancouver Island.

Attend Premier's Birthday Party

Mr and Mrs Ashley Cooper and Mr W. R. Cornish attended the party in the Jubilee auditorium on Tuesday evening in honor of Premier Ernest Manning who has recently celebrated his 50th birthday. Twenty-three of these years have been as a member of the provincial legislature, all of them as a cabinet minister and since 1943 as Premier.

Attending the party from Islay were Mr and Mrs Merlin Moncreiff and Mr and Mrs Pat McGugan.

It was possibly the biggest birthday party in history with close to 2000 people present. Party lines were forgotten with everyone joining to pay well deserved tribute to the man who has done so much to put Alberta in the leading position the province holds in Canada today.

Accepts Teaching Position, Bonnyville

Miss Ileen Shattuck, daughter of Mrs. Kay Shattuck of Vermilion [illegible] accepted a position [illegible] the Bonnyville School Division and commenced teaching Home Economics at Fort Kent school last week.

Ileen attended Holy Names College, Spokane, Washington. Upon completion of the four year degree course she was a member of the 1958 graduating class and received the degree of Bachelor of Arts in Home Economics.

Recover Dr. Evans Car in Quebec

Stolen from the garage of Dr. F. G. Evans a month ago, [illegible] Volkswagen car was recovered this week in Quebec by Quebec Provincial police. The car had been abandoned so no trace of the thieves has been found.

Road Tips

By "ROAD KNIGHTS"

Approach the crest of a hill with caution and keep well on the right side of the road.

New Imperial Oil Service Station On South Side

Boosting Vermilion building permits still higher is the super service station being built on highway 16 on Vermilion's south side by the Imperial Oil Co. The building permit was for $24,000. Work on the new outlet is well on its way.

To obtain this location Imperial Oil purchased property with two houses thereon. One homeowner, Mr. Dan McMillan, sold land only, and had his house moved to the east end of town, while Mr Frank Dibben sold his entire property, house and all. The Company later sold the fairly new home to Mr. Billy McLaughlin who in turn moved it to a location in the east end of town.

A.T.A. Convention Wil Be Held At Vermilion Oct. 20 and 21

The Alberta Teachers' Association [illegible] ing educators from the U. S. and Canada to be guest speakers at the fourteen teachers' conventions scheduled throughout Alberta from Oct. 6 to Nov. 7th.

Conventions will be held at Bonnyville, Lethbridge, Grande Prairie, Peace River, Vermilion, Camrose, Red Deer, Edmonton, Calgary, Medicine Hat, Hanna and Coronation.

The Vermilion convention is scheduled for Oct 20 and 21, at the Vermilion School of Agriculture where [illegible] [illegible]lon, Wainwright and Vegreville [illegible] Divisions will meet. Dr H. T. Coutts, Dean, Faculty of Education, University of Alberta, Hon. A. O. Aalborg, Minister of Education and Dr H. T. Sparby of the Faculty of Education, will address the sessions.

Appointed V.L.A. Building Inspector For the District

Mr Eric Bryant has arrived in town from Calgary and commenced his duties here as inspector of buildings for the Veterans Land Act. He has rented the Roy Watkins' house in the east end of town and will be joined shortly by Mrs. Bryant and two [illegible].

Official Opening New Monarch Building Attracts Attention

The official opening of the new building supply centre by the Monarch Lumber Co. last Friday and Saturday attracted considerable attention and was complete with door prizes, ribbon cutting speeches, sociability, demonstrations, free coffee and doughnuts.

Mr Gerry Simpson, local manager acted as emcee with Wm Robson of Winnipeg, Sales Manager of the Monarch Co. being the guest speaker for the occasion. This is also the 50th anniversary of the Monarch Company. Past president Ben King represented the Board of Trade with His Worship Mayor Hill doing the ribbon cutting and officially opening the new building supply centre.

Valuable door prizes were given away, the draw being made on Saturday evening when the following proved to be the lucky winners: 1. Arbor bench saw, [illegible] George Burton; 2. Aluminum combination door, Mrs [illegible]; 3. 2 gallons paint, Mrs. A. Tracy.

The picture at the left shows Mayor [illegible] Hill cutting the [illegible] officially opening the [illegible] with Gerry Simpson, manager of the Monarch [illegible].

The photo below shows Dr [illegible] extending congratulations [illegible] of the Board of Trade. At his left is Mr. Wm [illegible] past [illegible] Mayor [illegible]. [illegible] extreme left side of the picture are radio technicians from CKSA operating the broadcast mechanism.

Plans Being Made for Purebred Livestock Sale November 14th

The Vermilion Agricultural Society is presently making plans to hold its annual sale of purebred cattle and hogs. The sale date has been set as Friday, Nov 14. Anyone interested in disposing of purebred cattle or hogs is urged to take advantage of this sale. Entry forms are available from S. C. Heckbert, Secretary-manager of the Vermilion Agricultural Society.

This sale has been an annual affair for the past several seasons and a record entry is anticipated this year. Don E. Ball of Edmonton has been secured as auctioneer again.

The sale is conducted under the regulations as laid down by the Alberta Department of Agriculture which enables all buyers of bulls and boars to take advantage of the bonus offered by the Department, thus cutting down substantially on the cost of any bull or boar purchased.

Breeders are reminded to take note of the closing date of entries on October 25 — entries received after that date cannot be included in the catalogue. [illegible]ers are reminded to watch for further announcements regarding the sale, and to make a point to be on hand for the sale on Nov. 14th.

Sneak Thief Gets Away with $220.00

A sneak thief got away with $220.00 in cash from the cash register at West Point Service station on Wednesday morning. The proprietor of the station, Percy Walsh had left for a minute to go to his house a short distance away and did not deem it necessary to lock the door.

As he came back a few minutes later he noticed a car pull away but did not suspect anything until about 15 [illegible] when he discovered that the cash register had been rifled. According to the register it had contained $220.00.

School of Instruction Held Here For P. F. A. Inspectors

A school of instruction was held at the Vermilion School of Agriculture for inspectors appointed under the Prairie Farm Assistance Act. This was attended by eighty inspectors as well as five officials and three members of parliament.

In charge of the arrangements was Supervisor L. Muirhead of [illegible] with other officials being Alfred Brown, superintendent, Regina; Roger Brown, departmental accountant, Regina; Graham Anderson, superintendent, Alberta Division; Rudy Naundorf, supervisor Fort Sa[illegible].

Members of parliament present were Mr Clifford Smallwood, Battle River-Camrose; Mr Frank Fane Vegreville; Mr. Jack Bigg, Athabasca constituency.

Inspectors attending included the following from the Vermilion area: John Anderson, Dewberry; Colin Desjardine, Irma; Steve Ewasko, Innisfree; W. G. Giles, Marwayne; Ray Good, Dewberry; Jack Hassard, Rivercourse; Emil Golonowski, Morecambe; Albert Hius, Innisfree; Roy Jory, Vermilion; Roy Kent, Marwayne; R. Mead, Vermilion; R. A. Meeks, Mannville; Percy Richardson, Wainwright.

A Rare Opportunity

Seldom do residents of rural communities have the opportunity to enjoy a concert by a world famous troupe such as the "Don Cossacks" right in their own town. But such is the case in Vermilion and district on Friday October 10th when thanks to the local Rotary Club the renowned singing and dancing chorus will play in the auditorium in the new high school.

Such an opportunity should not be missed — the program is designed to please everyone and is comprised of popular and folk songs, Cossack dances, instrumentals. Do not make the mistake of leaving the children at home — they will enjoy this entertainment just as much as the adults.

From Vermilion the Don Cossack chorus goes to the Jubilee auditorium in Edmonton where they will no doubt play to a capacity audience.

To bring the renowned chorus to Vermilion the Rotary Club have to pay a guarantee of $730, as well as being responsible for hall rental, advertising and ticket sale expenses. The Rotarians have undertaken the project as a service to the public, bringing something extraordinary to Vermilion and district which could not have been enjoyed here otherwise.

Newspaper Week Reminds Us of Role of Weeklies in the Community

This is Newspaper Week observed once a year at this time by the Canadian Weekly Newspapers Association to remind the public at large of the place of the newspaper in the community and the service it renders thereto.

It has been written that a newspaper is a mirror, reflecting the community in which it circulates. A newspaper is a mirror in another way. It reflects the business firms which are anxious to see their community progress by attracting new shoppers to their town. To achieve this their advertisements appear every week in the local paper in the hope that more and more people will be attracted into the town to shop. People must first be induced to a town before they can buy in your store. The only way these extra people can be reached is by your local newspaper.

The Standard has seventeen correspondents writing up news and views of as many districts. This means that these people, many of them close to other shopping centres are interested in Vermilion, as depicted in the Standard.

Equally important is the newspaper's role in the promotion of business. It is the most effective and lowest cost, all things considered, of any medium, to reach the mass of the people. In competition with new media, total newspaper advertising lineage has been hitting new highs. Why? Because the newspaper is the medium most sought by the public. People are more interested in what is happening among other people in their own community and immediate adjacent communities, than they are in any other topic. The local newspaper is the one indispensable item among the reading matter of most people.

Criticism from an enemy is more helpful than a friend's praise.

Those who expect great things of us are a tower of strength in helping us do great things.

Here are some things you should consider when adding to your wardrobe: Simplicity keynotes the planned wardrobe. Clothes with basic lines have simple character passing fads cannot alter. Neutral soft and dark colors take a long time to wear out their welcome. Build your wardrobe around a color theme of one or two basic colors, let your accessories provide the interesting color and add life and individuality to your outfit. Many garments are good mixers, designed to be worn in a variety of ways. Two different suits with color designs and fabrics that complement each other can change around and take new partners. Suits with two skirts, two piece dresses, boleros, redingotes, sundresses with jacket all have many different ways to look and places to go. The lines of the garment should be becoming to the line of the figure. Horizontal lines increase width.

A V neckline tends to decrease facial width while a high color increases it. Texture and design in fabrics play a big part too. The size of the wearer is apparently increased by any of the following: Thick loosely woven fabrics, large figured designs, polka dots and lustrous fabrics. Lines, tucks, pleats, flounces, and rows of buttons accentuate the direction in which they travel. Don't be swayed by what the salesclerk says — take a good look in a full length mirror and decide if it accentuates your best feature and if it really fits! Simple lines will be your best bet. In clothing it's the finish that counts and your choice of accessories may make or break the costume. Avoid too many accessories — just enough to add accent. Remember when combining more than one color in a costume by use of accessories, do not repeat the effect more than twice. Suit the size of accessories to the size of wearer. Large hats were made for the tall woman just as little hats were made for the smaller model. Don't neglect a little touch of colorful flowers on your lapel for a wonderful springy effect. Then, along with a perky hat, perfect fitting suit and shoes, accented by gloves and bag — perhaps you'll be "the greatest lady in the parade."

Farm Income Up

Cash returns to Canadian farmers from the sale of farm products during the first six months of this year were estimated at $1.3 billion, 9% higher than for the 1957 period reports The Financial Post. Increase is due mainly to sale of livestock and animal products as returns from field crops were slightly lower.

"GREEN ACRES"

Some more cases of blackleg have been reported. Vaccination of all calves should be done by three months of age and then [illegible] or as some people do, wait until spring for the second v[illegible]. The germs live over winter in pasture land hence there is little danger of calves getting blackleg when the snow is on the ground. Use mixed bacterin for both blackleg and malignant edema. I cannot write the whole story in one short paragraph. Why not get a new bulletin just out on "Blackleg."

ARTIFICIAL INSEMINATION

At the request of some stock owners in this district we are calling a meeting of those interested. The meeting will be held in the court room at Vermilion at 5 p.m. on October 11. All interested stock men are invited.

SOILS EXPERT

The Food and Agricultural Organization of the United States has assigned Earl Bowser to a year's employment in Egypt on soil investigation. Earl is an Islay boy and we congratulate him on his being chosen. He has been employed by the Experimental Farm system since 1936. In 1953 - 54 Earl was assigned to similar work in Pakistan.

LACOMBE BOARS

The last day for receiving completed applications for Lacombe boars is September 29th at Lacombe. Anyone interested should write immediately to the Experimental Farm, Lacombe, for an application form. You haven't much time now.

WORMS IN PIGS

There are not many farms in this area where pigs are all completely free of worms. It is a continuous battle as treatments must be given to all pigs. It is best to give two treatments at 2 to 3 months and at 5 months. Don't forget the sows. Treat them 2 months before farrowing. Treatments in common use are Sodium Fluoride, Piperazine Askarid and Phenothiazine. These drugs are all poisonous so be careful to follow instructions exactly. There is no doubt of the great losses in feed and the danger of disease where worms are allowed to multiply. Get a circular from your D. A. office on "Worms in Pigs."

CORRAL AND SHUTE

We have a circular on building a corral and shute for handling cattle. The headgate is very simple to build and use. The lumber would not cost more than $6 or $8. Why not get a plan and build one this fall.

GROWING GRASS SEED

This district is well suited for growing seed of Brome grass, Crested Wheat and Sweet Clover. Another grass new to Alberta (Russian Wild Rye) is in great demand and the seed is highly priced. We have three municipal seed cleaning plants in this area. They can all clean grass and clover seed. There is money in growing forage seeds. Get some circulars from this office on seed growing.

37 Deaths on Alta. Highways in August

August was another bad month on Alberta highways according to statistics compiled by the Alberta Safety Council from police reports. There were 35 deaths, 716 injuries and 1976 accidents.

The number of injuries was the largest ever reported in a single month showing an increase of 136 over July's record and boosting the year's total to almost 7% above the same period last year.

The 35 traffic deaths was nine fewer than the record breaking toll in July but was still much worse than August a year ago when 28 people were killed. Total fatalities to the end of August now stands at 211. The figure was 146 for the same period in 1957, showing an increase of 44.5%.

The 1,976 reported accidents was slightly less than the July total and only a little higher than the same month last year. The total number of accidents for the first eight months of the year was 14,880, up 9% from a year ago.

In August, Edmonton had 691 accidents, 165 injuries and two fatalities. The injuries were sustained by 51 drivers, 68 passengers, 35 pedestrians, 5 bicyclists and 6 motor cyclists.

Calgary had 385 accidents, 79 injuries and no deaths, 16 drivers were hurt along with 41 passengers, 11 pedestrians, 7 bicyclists and 4 motor cyclists.

Edmonton with 6 traffic deaths and Calgary with 5 for the first eight months were slightly better off than last year when the record showed 8 and 6 respectively. However September has started badly with 3 deaths in Calgary and 2 in Edmonton.

Lethbridge had 36 accidents and 13 injuries. The injuries were to 7 drivers, 5 passengers and 1 bicyclist. The number of accidents for 8 months is exactly the same as last year at 328. Injuries are slightly up and there have been 2 deaths.

Medicine Hat had 22 accidents and 4 injuries, all pedestrians. This city has now extended its record for no traffic deaths to 46 months. It is the only city with a reduction in accidents and injuries for 1958. Total accidents 130 this year, 186 last year. Total injuries 25 this year and 39 last year.

NEWS from ISLAY

Mr. and Mrs. Hugh Evans and Elenor, and Mr. and Mrs. Gib Stephen, of Vermilion, were Sunday guests at the home of Mr and Mrs. Bill Waterfield and Mr L. Bowser.

Mrs. Lila Waterfield called on Mr. and Mrs. Jim McClelland on Thursday.

Mr and Mrs. Bob Barnett who have been building a house this summer have now moved in.

Mr and Mrs. Bob Scott and David of Saskatoon, and Mrs. Don Marr, Janice and Ian, arrived by car Saturday to visit their mother Mrs. E. Martin who is ill in hospital.

Keep in mind Wednesday, October 22nd, the date of the popular annual Islay chicken supper.

Islay church service for next three months will be at 9:30 a.m., Sunday school at the same time. Rally service will be first when pins will be given to those who win them, then the children will go to the church hall for the rest of their program. Communion service follows.

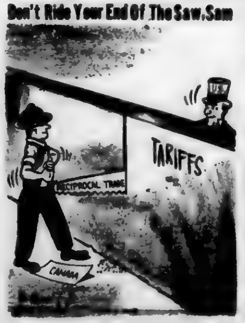
Mr and Mrs. Bill Barfett, Walt McCaughan and Ed McFadyen returned with some trout after four days spent at Lac La Ronge about 300 miles north-east of here.

Ralph Anderson's farm can certainly produce fine sizeable potatoes. 4 spuds of the Canus variety fill a six quart grape basket. They are on display at McCaughan's.

Robins are noticed still with us even though the weather is bad.

A number of old friends of the Robertson family attended the graveside service for Mrs. Robertson who passed away in Vancouver. Two daughters from Vancouver, Mrs. MacIvor and Mrs. Gray, came with the remains, son Charlie and his two daughters, Cathie and Mima were present from Edmonton. After the service all went to the Albert Anderson home for tea.

Don't Ride Your End Of The Saw, Sam



Letters to the Editor

Vermilion Standard,
Cooper Bros.,
Vermilion, Alberta.

Dear Sirs:

As you know, any progress which Civil Defence may make depends chiefly on public acceptance and co-operation.

National Civil Defence Day, we feel, was successful in Alberta particularly in that many additional thousands of people now realize that Civil Defence is their personal business, and that it is working in the interest of their survival and the best interest of our country.

The success of September 19 was due in large measure to the support of the Press in Alberta. All members of the Alberta Civil Defence Corps — now thirty thousand strong — are most grateful to you and the members of your staff.

The Honourable Mr. Halmrast, Minister - in - Charge of Civil Defence joins me in extending our warmest thanks for your co-operation and helpfulness.

Yours sincerely,
G. R. Howsam,
(Co-ordinator.)

Theoretically every man considers himself a good loser, but very few of them care to put it to a practical test.

NEWS from KITSCOTY

Mr. and Mrs. R. Seal of Edmonton spent the week end here visiting with Margaret's parents Mr. and Mrs. F. O. Seward.

Best wishes for a speedy recovery are extended to Bob Evans who had his legs badly bruised when he slipped and fell and a load of sheaves on a steel-tired wagon passed over him while he was helping a neighbor to thresh. Bob is a patient in the Lloydminster hospital.

A complete recovery is also extended to Mrs. G. Blair (Grandma) who is at present a patient in the Islay hospital.

The Rev. Mr. A. E. Putter motored to Banff on Monday to attend a three day minister's conference which is to be held in the Banff School of Fine Arts.

The latest news on bears is that tracks have been seen by Mr. C. Birkett who resides in the Myrtle Hill district four miles from town.

Speaking of big potatoes R. S. Pidcock dug one from his garden that weighed two pounds two ounces and several others tipped the scales at two pounds and one pound fourteen ounces.

Mr. and Mrs. L. E. Speelman spent last week end in Edmonton visiting with relatives.

Kitscoty is having quite a building boom at present. The Alberta Pacific Grain Co., have a gang of men here tearing down the old annex and rebuilding a larger one.

The U. G. G. Co., are constructing a modern seven room house here for their agent Mr. Lyle Carpenter and Mrs. Carpenter.

The basement for Mrs. H. Reishus new house has been excavated and the cement work completed.

Mr. and Mrs. R. E. Lascelles of Pullman, Washington, U. S. A. are spending a few days here on [illegible].

Some people are too honest to take free advice others too wise.

OBITUARY

GERALD FULTON STEPHENS

Funeral services for Gerald Fulton Stephens were held at the First United Church, Vermilion on Wednesday, September 17th at at two o'clock in the afternoon, with the Rev. C. W. MacKay officiating. Interment followed in the family plot at the Vermilion cemetery. The very large attendance testified to the esteem and affection felt for the deceased and his family.

The pall-bearers were Messrs K. G. Urquhart, K. Greenwood, K. E. Rowe, D. R. Mitchell, J. R. Boake and Thos. Watts.

Gerald Fulton Stephens was born on November 5, 1908 in Vermilion, the son of the late Mr and Mrs. Henry Stephens. He grew to manhood here and following some time spent in the employ of the Royal Bank of Canada, and five years in the Sanitorium at Calgary, he entered the local Stephens department store. He became manager of the store in 1937. Since that he has taken a very active part in all the activities of the community, administrative, church, sports, music and promotional.

Mr Stephens was taken ill early this summer spending considerable time in hospital in Edmonton and Vermilion. Despite all that medical aid could do he passed away on Sunday, September 14th.

He is survived by his loving wife Betty, one daughter Joan, two sisters, Margaret in Vermilion and Mrs. Agnes Bowman in Placentia, California, two brothers, Dr. Clive W. Stephens, Vermilion and Dr. Henry N Stephens, St. Paul, Minnesota.

Big Vegetables And Fruit Begin To Roll In

Usually at harvest time the Standard Office becomes a storehouse for large vegetables, freak vegetables and fruit. This has been scarce this fall so ye ed has not been getting his proper diet. However things picked up on Saturday when Russell Willes brought in a very large Canabec potato from his father's farm at Claysmore. This mighty tuber weighed 3 pounds and 11 ounces and is a nicely shaped smooth skinned specimen. Russell also had a large apple, beautifully ripened and intensely inviting for a bite. However, before the editor could sink his teeth into it, Russell popped it back into a bag and said as it was the biggest one they had ever picked off Grandad Willes' fruit trees so were going to keep it in the frig for Mr. Willes to see when he came back from visiting in England and the continent.

Mr and Mrs. Peter Jensen displayed some Scarlet Runner beans which had outgrown themselves, measuring 11½ inches long, thus requiring only one for a meal. Peter lives at the top of a steep hill overlooking the river valley and suggested that the beans had started down hill at an early age and couldn't stop.

Then, to help things along, H. Mounier of Marwayne donated a big spud for display purposes. This was also of the Canabec variety and weighed 3½ pounds, being just a little smaller all round than the Willes Canabec. He had numerous potatoes of the Early Rose variety weighing in at around the 2½ pound mark. These potatoes just depended on the moisture nature sent them, they weren't watered except by the very rare showers of the summer.

Old Timers Get Together, Re-live Old Days

On last Tuesday evening three old timers were invited by another old timer, whose wife was away, to come over for an evening of cards. The games concluded about midnight with the score about even.

It was during and after the very nice lunch prepared by our host that the quartet got to relating some of their various past experiences.

One told of being employed in 1900 with three other men to float a raft of 16 foot timbers down the big Saskatchewan river. The said raft turned end for end three times while going over one of the rapids, eventually being brought to a halt by a big rock. Unable to move the raft and unable to get ashore with no tent, they existed on flour and baking powder in sub zero weather.

Another told of how he became owner of many more pounds of fish than he required, being a bachelor at that time, because the fish peddler took a particular dislike to a certain girl living in the district for not buying his fish.

Another told of a farmer shipping a carload of cattle to Winnipeg. The price the carload of cows brought was not enough to pay the freight and commission charges. When mailed a bill to make up the deficit of $1.85 he replied saying that he had no cash but would send them more cows if they wished. And so on to the wee sma' hours.

Amberdale W.A. is sponsoring the radio program from Lloydminster United Church at 9.30 Sunday evening.

FULLER BRUSH AGENT TO RESIDE IN VERMILION

Mr. E. Voyer, Fuller Brush agent will now be residing in Vermilion. He will be calling on you in the near future. 11 12

● PUBLIC NOTICE:

Design Awards FOR Homes for Aged

In an endeavor to secure the best possible type of design for the fifty homes for aged persons to be built by the Provincial Government in the rural areas of the Province, the Government of Alberta invites residents of the Province to submit a sketch plan for such a home.

THE FOLLOWING CASH AWARDS WILL BE PAID:

1st PRIZE . . . $5,000	2nd PRIZE . . . $2,500
3rd PRIZE . . . $1,000	4th PRIZE . . . $500

—and 10 prizes of $100.00 each for features contained in a plan not necessarily selected for one of the first four awards.

● REQUIREMENTS:

The plan required is for a one storey building costing approximately $300,000.00 when landscaped, furnished and ready for occupancy. The cost does not include the cost of the land.

The plan must contain provision for all services necessary to provide for the comfort and physical well-being of fifty (50) ambulatory aged persons of both sexes and must contain the following:

1. Bedrooms designed for double occupancy, with a limited number for single occupancy;
2. Bathing and toilet facilities for fifty elderly persons;
3. Room for residents to meet visiting friends or relatives with some degree of privacy;
4. Kitchen and dining facilities for fifty residents;
5. Communal and recreational area;
6. Provision for occupational therapy pursuits for both sexes, with detail as to layout;
7. Suite for supervising matron;
8. Administrative office;
9. Laundry facilities for the residents to wash personal belongings.

● CONDITIONS:

Sketch plans need not necessarily meet architectural standards, but should be drawn to scale of ⅛th inch to the foot, with any detail layout to scale of ½ inch to the foot. All signatures should be so placed as to be readily masked without concealing any of the plan detail.

The winning plans and features will be chosen on merit by a panel of judges whose decision will be final.

All award winning plans and features become the exclusive property of the Government of Alberta.

The Government is not bound to use any winning sketch plan or feature in the preparation of the final architect's working plans but may vary any plan or combine or vary any award winning feature or plan so that the best possible design will be achieved. Only residents of Alberta are eligible to submit sketch plans.

All sketch plans should be sent to:
THE MINISTER OF PUBLIC WELFARE, Room [illegible] Administration Building, EDMONTON, ALBERTA.

To be eligible for an award a plan must be delivered or postmarked NOT LATER THAN SATURDAY, NOVEMBER 15th, 1958.

GOVERNMENT of ALBERTA

Local Laymen Attend Dinner

MANNVILLE. — Ten men of the Mannville Mission of the Anglican Church here, attended the annual laymen's dinner and conference at the Jubilee auditorium in Edmonton. Highlight of the affair was an address given by Rt. Rev Donald Winston Bryan of Barrackpore, India. Following the address a panel discussion was heard on one of the Lambeth conference reports "Family Planning" which apparently was soundly endorsed by all members of this panel. An enjoyable evening of fellowship was the unanimous opinion of the Mannville laymen.

TULLIBY LAKE

Several Oral Roberts slides were shown at the Gospel Mission in Ken Larson's yard. Chief among these shown was the production "Venture Into Faith". This showed the proof of divine intervention by God in the healing of physical sickness today.

Juvenile Behrens spent the week end in Lloydminster taking treatment at the Berg Chiropractic clinic.

Charles Gullickson and Leslie Ferris left Friday for a week end of fishing at Long Lake. Despite the rain they managed to continue fishing coming home Monday with a very good catch.

Mrs. Leonard Charleton of Robb Alberta, is visiting friends and relatives in the district.

Forbes Parks is receiving chiropractic treatments at the Berg clinic in Lloydminster.

Everyone out our way were sorry to hear about Sam Drennan being involved in a traffic accident north of Lloydminster. He was taken to hospital and is reported as making satisfactory progress towards recovery.

Last week Juvenile Behrens was a visitor at the Gilbert Twetens' home in Lloydminster.

Wesley Hayes shot his second black bear in as many weeks near his home. At the time of killing, the bear was having a meal off of a dead horse belonging to Cecil Trimble just southwest of Charles Gullickson's. Several people have reported seeing bears at various spots in our district.

Sixteen Years Ago

OCTOBER 1, 1942

G. L. Lowrie of Marwayne received his wings at a graduation ceremony at No. 7 R. C. A. F. Service Flying Training school at Macleod.

Vermilion and district has been enjoying perfect Indian summer weather this fall. It is estimated that about 95% of the wheat has been cut.

Sunday evening, October 4 at 7.30 the new church home of the Christian and Missionary Alliance the "Alliance Chapel" is to be dedicated. The Christian and Missionary Alliance began some fifty years ago as a missionary society and today supports largely through its home constituency of some 800 churches and affiliated branches, over 300 Canadian and American missionaries in twenty different foreign fields.

The sad news was received last week by Mr and Mrs. Fred Wilson of the Clandonald district that their son Norman had been killed in action in India on Sept. 16. Norman was a well known and justly popular member of the community's young people and news of his death was received with the greatest regret and sorrow in town and country alike.

32 Years Ago

SEPTEMBER [illegible], 1926

Preparation is being made for the fall opening of the School of Agriculture. It is expected that 150 students will enroll.

Threshing is still being held up by cloudy, damp weather.

The Rev Geo E. Brownlee who has been in charge of the Anglican field of Islay for some time has moved to Spruce Lake, Sask.

Germany will return to power of the air Gen Girod, president of the chamber of deputies army commission warns in an interview published in Paris urging France to be on guard against tremendous preparations for air supremacy now going on in Germany.

48 YEARS AGO

SEPTEMBER [illegible], 1910

Mr and Mrs W. Falkins moved into their new home on the river bank last week.

Wheat is threshing out as high as 30 bushels to the acre.

Dr West and Jas. McKone have bagged 27 wild geese to date.

Charlie Pilkie threshed 1800 bushels of oats off 25 acres on his homestead two miles east of town, an average of 60 bushels to the acre.

Officials of O. E. S. Guests in Vermilion

Mrs. Evelyn Hillebrecht, the Worthy Grand Matron, and Mr. Clyde Coe, Worthy Grand Patron of the Grand Chapter of Alberta, Order of the Eastern Star, paid their official visit to Queen Esther Chapter, Vermilion, on Sept. 18th.

To honor these distinguished guests, a tea was held at the home of Mrs. Albert West.

Mrs. Hillebrecht is from Calgary, Mr Coe from Lethbridge.

Shower Bride-Elect

DERWENT. — A surprise shower party was held for a bride-elect when Lillian Roscoe was honored by her many friends at the Derwent National hall recently.

Miss Joan Woloshyn presented Lillian with a set of beautiful silverware on behalf of those present and many friends who were unable to attend. Miss Roscoe thanked everyone for the lovely gift she had received.

Games were played during the evening and lunch was enjoyed by all, which brought the party to a conclusion.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Ralph Bathe of La Corey announce the engagement of their daughter Doreen to Mr. Wally Zavaduk, son of Mr. and Mrs. Sam Zavaduk of St. Paul. The wedding will take place at St. Paul United Church on Saturday, October 11th, 1958, at 10:00 o'clock in the morning.

Mr. Joe Livingstone who has been a patient in the Vermilion Municipal hospital for the past two and a half years, was transferred to St. Josephs' hospital in Edmonton on Thursday of last week.

Mrs. W. E. Cross, president of the Vermilion Branch of the Cancer Society, and C. J. Alfke, a director, attended a meeting of the directors of the Alberta Division of the Canadian Cancer Society which was held in Edmonton last Friday evening. Vermilion and district people have the proud record of making the highest donations per capita to the Cancer Society.

IN MEMORIAM

GLASS: In Loving Memory of

Joseph Patrick Glass

who passed away suddenly October 2nd, 1957.

A golden gate softly opened,
One year ago today,
With good-byes left unspoken
He gently passed away.
It seems his sweet voice whispers
"Dear ones be brave and true,
At the end of the lane of shadows
I'll be waiting there for you."
The garment of his soul has passed away,
The shining spirit and the love light stay.
Beyond the years the soul shall find
That endless peace for which it pined.

Ever remembered by Loving Wife and Family

Vermilion, Alta.

Mr. and Mrs. E. A. Locke of Vermilion and Mr. and Mrs. C. L. Foran of Holden left this week for a motor trip and holiday at Salt Lake City, Las Vegas and Los Angeles. They will be away for three weeks. Mrs. Locke and Mrs. Foran are sisters.

Miss Alice Keith returned last week from a very enjoyable visit in Victoria, B. C.

Mr. and Mrs. Harding Brix of Medicine Hat were in town the week end of Sept. 14th to attend the funeral of the latter's father, Mr. Pat Lee of Clandonald. They were accompanied from Calgary by Harding's sister Mrs. Nate Goodman and daughter Gay who came to visit Mrs. Goodman's parents Mr and Mrs. P. Brix. Mrs. Brix just returned from hospital where she underwent treatment for hypertension.

Mrs. R. S. "Newt" Cooper left Monday by C. N. R. for Montreal to spend six weeks with grandson Lloyd and Cpl and Mrs. Norman R. Cooper of the R. C. A. F. station at Dorval. Norm is being posted to Greenwood, Nova Scotia the latter part of the Nov.

Mrs. Hugh MacLise and little son have now arrived from Grimshaw and joined Mr. MacLise in Vermilion.

Mr. M. Adams of Thamesburg, Ontario, is visiting at the home of his sister-in-law Mrs. D. Smith, Vermilion.

Additional donations to St. Saviour's Memorial fund in memory of Mr. Raymond Taylor have been received from the following. Bill and Gladys Fooks; Jim and Myrtle Thompson; Mrs. Elliott. Ken, Lottie and Elliott Urquhart.

Mr. and Mrs. Mitchell Taylor and family were Vermilion visitors on Saturday.

Mr. and Mrs. Ben Francisco and family are spending a week or two at the home of Mrs. Francisco's parents, Mr and Mrs Wm. Mix.

Visitors in town on Saturday renewing old acquaintances were Mr. and Mrs. Ches Lipsey of Edmonton and Mr. and Mrs. Henry Lyle of Smoky Lake.

After spending a few weeks in Edmonton and Vermilion, Valerie Hilcox has returned to the West Coast where she entered the College of Education at the University of B. C.

Mr. and Mrs. Jim Scott and baby returned last week end from three weeks spent on a holiday at the coast where they visited Jim's sister and her husband. They had the opportunity to enjoy some excellent fishing while there. The trip going west was all-Canadian over the Cascades with the return trip made through the U.S. On the way back a stopover was made at Calgary where brother Dennis Scott and family were visited.

Shower Honors Diane Green

On Friday, Sept. 26, a shower was held at the home of Mrs. Gordon Park in honor of Mrs. Bob Green (nee Diane Taylor) whose marriage was an event of late August. Hostesses for the evening were Sandra Park and Jean Burdette.

Upon her arrival, Diane was presented with a lovely corsage of red roses. The evening was spent playing games and contests, after which Diane was presented with many beautiful gifts for which she thanked everyone present.

Following the opening of the gifts, a lovely lunch was served, bringing a most enjoyable evening to a close.

Miss Agnes McWilliams returned as far as Edmonton last Friday from visiting her niece and family, Mr. and Mrs. Bob Harle at North Surrey, B. C. Maurice Long met his aunt in Edmonton and together they visited Mr. Andrew McWilliams at the Rosehaven home in Camrose for the week end.

MANNVILLE LADY WINS

MANNVILLE. — According to news submitted to this paper, Mrs. Elsie Phillips won second prize out of 141 contestants and received $15 for her efforts in a "Peach Preserving" contest sponsored by the I.G.A. stores in Edmonton. The entries were judged on appearance, color, sealing and manner of preserving. Those not lucky enough to reach the prizes donated their entries to the Crippled Children's fund. Mrs. Phillips lives in the Bloomington district.

Mrs. Grace Adams and daughter Eleanor from Edmonton spent the week end visiting at the home of the former's sister Mrs. E. Corley and Mr. Corley.

Stan Hicks of the Royal Canadian Navy plans to return to the west coast on Friday after enjoying two weeks visiting his parents, Mr. and Mrs. Clyde Hicks.

Mrs. L. R. L. Brown has rented her farm to Mr. Allen Taylor for three years. Mrs. Brown and her daughter will be living in town during the winter months.

Eleven members of St. Saviour's Men's Club proceeded to Edmonton last Friday to attend Edmonton diocese laymen's annual banquet. It was held in the Jubilee auditorium.

The guest speaker was Rt. Rev. Ronald Bryan, Bishop of Barrackpore in India. Bishop Bryan is returning home after the Anglican conference in Lambeth, England.

The club members who attended the meeting were Rev. Kells Minchin, William Fooks, Lorne Pockett, Lance Playne, Bill Bolton, Alf Kaiser, Don Keen, Morley Douglas, Sid Burdett and Ernie Buckingham.

Guests at the Stan McCrae home on Saturday were Mr. Jim Forgan from Scotland, and his daughter Margaret and family from Calgary. It will be recalled Jim farmed the Albert West homestead north of town quite some years ago. While in Canada he decided to come and have another glimpse of the old home-site and to renew acquaintances. He was genuinely surprised to see how the town of Vermilion had grown. Jim has retired and looks well at the age of 78 years.

IN MEMORIAM

In loving memory of
JACK WASYLISHEN
—who died Oct. 3rd, 1955.
The rolling stream of life rolls on
But still the vacant chair
Recalls the love, the voice, the smile
Of the one who once sat there.
—Loving wife and family.

IN MEMORIAM

In loving memory of
Nicoma Mercy Isley
—who passed away Oct. 3, 1957.
When days are dark, friends few
Mother dear, we think of you.
Friends are friends if they are true,
We lost our best when we lost you.
—Ever remembered by Dad and the family

CARD OF THANKS

We wish to sincerely thank Dr Evans, matron and nurses of the Vermilion Municipal hospital for the kindly care and efficient attention given to Mr Jos. Livingstone while he was a patient there.

Mrs Jos Livingstone and family

OUR LETTER FROM EDMONTON

Increased Livestock Sales Offset Drop in Grain Earnings

by KEN MASON

EDMONTON — Alberta farmers are making more money this year, according to figures compiled and released by the provincial bureau of statistics.

For the first seven months of the year, farm income from grain and livestock totalled $233,352,000 which is $22,640,000 more than the figure for the same period of 1957.

The increase in total income was recorded despite a continued drop in earnings from grain. The difference was in greatly increased sales of livestock.

Grain income dropped to $109,386,000 from $116,042,000 a year earlier. But this was more than offset by livestock earnings, which rose to $123,966,000 from $94,670,000 in the January - July period of last year.

The bureau of statistics monthly report on the province's economy contained a number of interesting features.

For example, despite the recession, retail trade is holding its own. For the whole province, retail trade was up .4 per cent at $563,082,000. But a breakdown shows Albertans are spending most of their money on the necessities of life and de-emphasizing the luxuries.

Grocery and combination stores reported an 8.2 per cent increase in trade, and department stores reported business up 10.2 per cent. But motor vehicle dealers felt the pinch with trading down 11.7 per cent, and garages and filling stations reported a 4.9 per cent drop in business.

The index of new car and truck sales showed a drop of 16.3 per cent to 26,121 units sold in the first six months of the year. The value of new vehicle sales dropped 14.3 per cent to $87,839,000.

CLEAR AIR FOR NORTHERN RAILWAY??

The National Northern Development Conference here in the capital last week may have cleared the air regarding the route for a proposed railway to the Northwest Territories.

At the conference, federal Northern Affairs Minister Alvin Hamilton gave this blunt warning: If proponents of the western route through Grimshaw don't stop squabbling with those who favor the eastern route through Waterways, Alberta may not get the railway at all.

On the final day of the conference, delegates passed without discussion a resolution calling for an immediate start on a railway following a route "which would contribute the most to the economy of Canada."

Observers saw in this an indication that the opposing sides have decided to settle their differences rather than let the railway go through Saskatchewan, Manitoba or nowhere at all.

Federal plans for an early start on the railway to rich mineral deposits on the shore of Great Slave Lake have been stalled because of the dispute between the east and west sides of Alberta. Some observers say there should now be no cause for further delay.

Check that date on your label. Check that date now.

McLAUGHLIN'S SELF-SERVE

Plans for Old Folks Homes Invited; Cash Prizes Offered for Best

In an endeavor to secure the best possible type of design for the fifty homes for aged persons to be built by the Provincial Government in the rural areas of the province, the Government of Alberta invites residents of the province to submit a sketch plan for such a home.

Cash awards totalling $10,000 will be paid on the basis of 1st prize — $5,000; 2nd — $2,500; 3rd — $1,000; 4th — $500, and ten prizes of $100 each for features contained in a plan not necessarily selected for one of the first four awards

REQUIREMENTS

The plan required is for a one-storey building costing approximately $200,000 when landscaped, furnished and ready for occupancy. The cost does not include the cost of the land. The plan must contain provision for all services necessary to provide for the comfort and physical well being of fifty ambulatory aged persons of both sexes and must contain the following:

1. Bedrooms designed for double occupancy with a limited number for single occupancy.
2. Bathing and toilet facilities for fifty elderly persons.
3. Room for residents to meet visiting friends and relatives with some degree of privacy;
4. Kitchen and dining facilities for fifty residents;
5. Communal and recreational area;
6. Provision for occupational therapy pursuits for both sexes, with detail as to layout;
7. Suite for the supervising matron;
8. Administrative office.
9. Laundry facilities for the residents to wash personal belongings.

Sketch plan need not necessarily meet architectural standards, but should be drawn to a scale of ⅛th inch to the foot with any detail layout to scale of ¼ inch to the foot. All signatures should be so placed as to be readily masked without concealing any of the plan detail.

The winning plans and features will be chosen on merit by a panel of judges whose decision will be final.

All award winning plans and features become the exclusive property of the Government of Alberta.

The Government is not bound to use any winning sketch plan or feature in the preparation of the final architect's working plan but may vary any plan or combine or vary any award winning feature or plan so that the best possible design will be achieved.

All sketch plans should be sent to the Minister of Public Welfare, Room 303 Administration Bldg Edmonton Alberta. To be eligible for any award a plan must be delivered or postmarked not later than Saturday Nov 15, 1958

Home and School Awards to Students

The Alberta Federation of Home and School Associations announces the 1958 winners of the Dr. Kerby scholarship awards for Gr. IX pupils

BUFFALO COULEE ACTIVITIES

Some weird and wonderful costumes were to be seen at the school last Friday as the annual initiation into the Students Union took place. A spooky Frankenstein ceremony was carried out during the afternoon ending with a snake dance through all the rooms.

The Junior Red Cross have organized for the coming season, with the following in charge: President Clara Boter, secretary Elsie Pawlow, treasurer Blaine Kennedy.

There was a good turn out of members at the last central W. A. meeting held in the church on September 18. Following the business meeting with the president Norah Evben in the chair Mr Robinson conducted a very fine devotional on the theme of Christian Love. Mrs. Alf Green on behalf of the W. A. presented Mr. Robinson with a wedding gift and very graciously thanked him for his fine service during the summer, extending the best wishes of all for happiness in his wedded life and success in the work of his chosen career. A delicious lunch was served by the Autumn Leaf group and a social half hour enjoyed. The next meeting will be held at the home of Mrs. Ken Kennedy early in December.

The C. G. I. T. meetings will be started on October 8 at 7:30 p.m and all the girls twelve and over who are interested are cordially invited to attend.

Mr. Clifford Cunningham is now in residence at St. Stephen's attending the U of A.

Mr and Mrs H Wear and Lester were in the city last week end attending the wedding of Mr Wear's niece at St. Andrew's United Church.

Brent Macnab Jr. leaves on Wednesday where he will again be playing hockey with the Vancouver Canucks. Best wishes for another successful season Brent!

Another of our earliest pioneers Mrs W. J. Macnab passed away at the Lamont Hospital on Saturday night after a lengthy illness. Her courage and cheerfulness during more than six years of suffering and being confined to [illegible] bed [illegible] have been an inspiration to her many friends. While it is a blessing for her, there will be a deep sense of loss to Mr. Macnab [illegible] faithful [illegible] daily visits [illegible] the hospital over these years. The sympathy of the community goes to the family at this time and [illegible] knowledge that she is at peace with Him.

Mannville and District Local News

Mrs A M Rutherford has been at Edmonton attending a cancer conference, the first night was a supper meeting which was much enjoyed.

** * **

We are happy to report that Harold Whitson, while being in a car crash has not too serious injuries.

** ** **

We wish to correct an error. It was stated that Ivor Berg had left the hospital which was not true. He is still in hospital and would welcome anyone wishing to visit him. Our apologies Mr Berg

** * **

Mrs R Whitson and Mrs Merle Johnston are holidaying in Washington, having returned with their sister Mrs Bal Davis to her home.

Rev Harry Shell is attending a conference at Banff this week.

** ** **

Harvest operations have been greatly delayed by the unseasonal weather which shows little sign of clearing up for any length of time.

** * **

Trees in town and district have donned a beautiful shade of gold and red for the fall which is most attractive.

How about that SUB date?

The man who claims to know it all frequently falls when the real test comes.

'The Bible Today'

The World Exhibition in Brussels has excited the interest of people from every walk of life and from every country almost the entire exhibition is one impressive demonstration of what man can actually achieve and of his ideals for the future.

The one display which is the outstanding exception carries no man's name but points to one person: Christ. The exhibit was decided upon by the United Bible Societies and is devoted to the Book which proclaims the good news: The Bible. Here an open Bible is displayed for anybody to turn over the leaves. Then follows a panel with one Bible text in twenty languages each of them faced by a portrait of a person who speaks that language as his mother tongue.

The text is "All things are yours, and you are Christ's and Christ is God's" (1 Cor. 3:21-23). Here people recognize their own tongue, and reflect on what it means to be a Christian in this world. This polyglot stand gives an impression of the Bible as a world book. This impression is further confirmed by a graph which shows the march of Bible translation work since the time of the Reformation.

Suggested readings for next week:

Sunday	Oct 5	Mark 11 1-31
Mon	Oct 6	Mark 11 32-72
Tues	Oct 7	Mark 16 1-20
Wed	Oct 8	Luke 20 19-47
Thurs	Oct 9	Luke 12 1-38
Fri	Oct 10	Luke 22 1-38
Sat	Oct 11	Luke 22 39-71

Mannville A.Y.P.A. Holds Weiner Roast At Whitson Farm

MANNVILLE. — On Friday evening of last week members of the AYPA group met at the Anglican church and left in cars driven by Jimmie Elliott, Ralph Leitch and Mrs Forsyth for destination the "Whitson Farm", where a weiner roast was much enjoyed. Singing proved popular around the campfire and indoors that most interesting pastime "jiving" was greeted with enthusiasm.

Handicraft Classes

The Vermilion branch of the Canadian Handicrafts Guild offers the following classes for the fall term:

Aluminum Etching — Mrs. J. Webb ph. 610.

Hardanger — Mrs. E. Herbert, ph. 605.

Diamond - Willow Lamps — Mrs. F. Stewart, ph. 547.

Felt and Foam Craft — Mrs. A. Edwards, ph. 463.

Marquetry - Mrs. G. C. Long, ph. 161.

The latter two will take the form of work groups.

Please register in these classes as soon as possible so they can get started within the next two weeks. 12c

Something New For Vermilion!

There will be a shotgun shoot at the Vermilion airport on Saturday, Oct. 11th commencing at 1 p.m. Good assorted prizes will be offered to the winners. Cost will be only fifty cents each per relay of ten and shells will be supplied. Bring your own gun. A stationary 8 inch by 10 inch target is to be used placed at a distance of fifty yards. Highest number of pellets in the target wins. There is a prize of course for each relay. Everyone is welcome and a lot of fun is guaranteed. Don't stand on the street corner and shoot the breeze — come on out to the airport and shoot the bull-ets! 12-13

Mannville United Church Young People Organize

MANNVILLE —On Tuesday September 16th, the Hi-C group held their organization meeting in the United Church basement with twenty-one in attendance. The following officers were elected: President, Barry Smith; Vice-president, Stella Drwinsky; Secretary, Marilyn Bennett; Counsellors: Rev. Holter, Mr. Angus Smith, Mrs. C. Gamble.

The age group for Hi-C will be between the ages of 14 and 19. Meetings will be held on the 2nd and 4th Mondays of each month commencing at 7 p.m.

On Monday September 22nd the Hi- C group met in the United church basement, while the highlight of the meeting was a debate entitled "Popular Music Is Good Music." Mrs. Rae, and Mr. Holter acted as judges and awarded the affirmative side the decision after many interesting points had been argued under the direction of Mr. Smith. Lunch concluded the enjoyable meeting.

Vermilion Standard,
Dear Editor:

The last week has seemed to be a week of funerals in our town. To the sorrowing relatives and friends, I would like, with your kind permission Mr. Editor, to quote a verse which I have found very comforting:

"Never the spirit was born.
The spirit shall cease to be never.
Never was time, it was not
End and beginning are dreams.
Birthless and deathless and changeless
Remaineth the spirit forever.
Death hath not touched it at all
Dead though the house of it seems."

—(Ed Arnold)

Thank you Mr. Editor.
Sympathizer.

Second Section

The Vermilion Standard

Vermilion, Alberta, Thursday, October 2nd, 1958.

Marwayne F. W. U. A.

The September meeting was held on Tuesday the 23rd, one day later than usual, at the home of Angeline McClean. Co-hostesses were Kay Hillaby and Elsie Currie. There were sixteen members and visitors present.

The meeting opened with the singing of "[illegible] On Harvest Moon."

November 3rd to 9th has been designated as Farm Union Week and a drive will be made for new memberships in several provinces at that time.

A bulletin was read on arthritis and rheumatism. People suffering from either of these are warned not to wait too long before contacting the C. A. R. Society.

Plans were completed for catering to the McLean wedding reception on October 3.

Good used clothing is to be brought to the next meeting. Men's clothing will be sent to the John Howard Society and the rest to the United Church W. A. to add to their collection.

Doris Tupper completed the report on Farm Women's Week with special emphasis on Water Safety and demonstration on artificial respiration to a drowning person.

The next meeting will be on October 27th, hostesses being [illegible] Parker, Joyce [illegible] and Alice Milne.

Life's but a brief lesson—and school's out before we know it.

Grade XII Students Venture Forth

Mannville grade twelve students have shown great promise during the last year in school here and one naturally wonders what will be the chosen careers of these young folks. An enquiry into the future plans for last year's grade twelve students reveals the following: Of the 27 who wrote some or all of grade twelve exams at Mannville high, thirteen have enrolled at university, three have begun nurses' training, one has enrolled to train as a nurse's aide, two are attending business college, one is entering apprenticeship training, another is enrolling at the Vermilion School of Agriculture and Home Economics, one boy has applied for training with the R.C.M.P. while another has planned to take employment at once. Two more are completing their second year of grade twelve studies.

We wish all these young people the very best of success in the future, and compliment Mannville High school teachers at the same time for their share in sending out into the world such worthy students.

Second Annual Swine Show and Sale At Camrose

Plans are finalized for the second annual Alberta Advanced Registry Swine Show and Sale to be held in Camrose on October 14, 1958. The Alberta Advanced Registry Swine Breeder's Association is a relatively new organization, having come into being in the spring of 1958. It is incorporated under the Societies Act, registered with the Registrar of Joint Stock Companies in this province. The chief aim of the Association is to improve the quality of breeding hogs in Alberta and elsewhere.

Last year the Camrose Agricultural Society and the above mentioned organization combined forces to stage a successful sale of selected Advanced Registry Breeding Swine. Similar arrangements have been made this year. Facilities to handle the sale have been expanded this year and it is hoped that weather conditions will be better than was the case a year ago.

Interested parties may have a copy of the catalogue upon application to the secretary, Stanley Monson, Box 328, Camrose, Alberta.

Alberta Home and School Announces Scholarship Winners

The re-organized committee of the Alberta Federation of Home and School associations, concluded a two-day meeting in Calgary on Tuesday. Plans for coming workshop to be held at Banff under the chairmanship of Mrs. R. A. Brown of Edmonton, were presented to the meeting. About 80 delegates from regional associations are expected to attend the Banff meetings October 15 to 17, where leadership training, public speaking and public relations will be emphasized. Leaders at the workshop will include Lt. Col. E. W. Cormack of the Department of Extension, and Dr. and Mrs. Wayne Matkin of Lethbridge.

The re-organization of the executive committee which was instituted at the annual meeting in May, has the effect of co-ordinating the many conveners into three main working groups, the resource, the service and training committees, each chaired by a vice president.

The training committee which acts as a correlating body is under the direction of Mrs. L. B. Frey of High River, District Conferences co-ordinator, workshop convener and organization co-relator are included in this group. The resource and service committees are headed by Rev. R. T. Northup of Irricana and Mrs. Dean Holroyd of Warner.

At the request of the Cameron Royal Commission a supplement to the original brief from the federation was prepared wherein we stated specifically what Home and School feels the aims and objects of education are. Plans are now being made for presentation of this supplement to the Royal Commission. The aims and objects of education, as set forth by the federation are as follows:

1. To provide equal opportunities for all children.
2. To develop an understanding of, and ability to use the basic skills.
3. To provide a foundation of knowledge in the basic sciences, natural, social and physical.
4. To teach the individual to communicate with his fellow man.
5. To teach the child to cherish good health.
6. To give the child an appreciation of our cultural heritage.
7. To develop the ability to make [illegible] judgments.
8. To produce an individual who is prepared to make a contribution to society.
9. To create in the individual the desire to develop his ability to the utmost.
10. To teach the child the responsibilities and rights of each individual in a democratic society.
11. To help prepare the child to meet and solve life's problems.
12. To help develop spiritual values and moral concepts.

"We would place upon the school the responsibility in varying degrees for the above objectives."

Home and School Representatives To Meet Cabinet

Headed by R. H. Jeacock, president, a group representing the Alberta Federation of Home and School Associations, will meet with the provincial executive council in the council chamber in the legislative buildings at 2 p.m. Thursday, Oct. 9th for the purpose of presenting resolutions passed at the 1958 convention of the Federation. Mr. Jeacock will be accompanied by five other Federation members from various parts of the province.

CLANDONALD HALL

Showing at the Clandonald hall on Fri. and Sat. Oct. 3 and 4, "The Desperate Hours", a drama starring Humphrey Bogart and Frederic March; Oct. 10 and 11, "National Velvet", in technicolor, starring Elizabeth Taylor and Mickey Rooney. 12

Paradise Valley

The Paradise Valley annual chicken supper will be held in the community hall on November 7 instead of October 21 as advertised, so as not to conflict with activities in other places. Come to Paradise Valley on November 7th. All are welcome.

Pleasant Valley

It's nice again today after the heavy rains on Sunday. Some of the men went north fishing and there wasn't a drop fell on them. Lucky fellows!

Flowers are still blooming and potato vines are still green with the spuds growing quite large.

News is scarce these days with everybody trying to get things in shape for winter's blast.

Valleys and hillsides are very beautiful this year with the gold and green of autumn.

The lovely sun sets behind the hills,
Glowing with red and gold.
Wonderful beauty is there to see
For both young and old.

Young Liberals Issue New Publication

The first edition of a new quarterly newspaper published by the Alberta Young Liberals has come off the press this week. Edited by a young Medicine Hat lawyer Wm. Brown, the four page tabloid-size newspaper is called "The Alberta Young Liberal Spokesman".

The paper contains greetings from federal Liberal leader L. B. Pearson, news stories about next week's "Pearson Dinner" in Calgary and the Alberta Liberal leadership convention in Edmonton next month, also several articles on political policy as written by Liberal M.L.A.'s.

The edition is being mailed to the 1200 registered Alberta Y.L.'s this week.

He's considered a wise man if he learns early in life that his better half is always a little better than half right.

"NATURE'S LOVING PROXY, THE WATCHFUL MOTHER"

— *(Author's Name Below) —

Babies are little tots who need much loving care. Fortunately, God gives us Mothers to watch over them.

Mother's problems are difficult, but we can solve some of them. We supply special foods for baby's dietary needs, sterilizing utensils to prevent germ invasions, helpful baby-aids that insure more comfort and vitamin concentrates for extra energy.

Most important of all, Mothers can now have less fear should any attacking virus threaten the baby's health. In our pharmacy are the wonderful antibiotics physicians prescribe that often overnight bring back baby's health.

A great many people entrust us with the responsibility of filling their prescriptions . . May we compound yours?

MARWAYNE

Mrs. Ben Shaw was a visitor in town last week end. It will be remembered that Mr. and Mrs. Ben Shaw operated the butcher shop here quite a number of years ago.

Mr. and Mrs. Russel Swanson and three children of Quadra Island, B.C. are visiting with Russel's parents Mr. and Mrs. R. A. Swanson and other relatives and friends in the district.

Congratulations go to Mr. and Mrs. W Hamernyk and to Mr. and Mrs. Rickie Lennon on the birth of daughters in the Lloydminster hospital.

Holiday time is over but going to weddings is the order of the day now. Mrs. Saltsberry attended the wedding of her granddaughter in Lacombe this week. Mr and Mrs. Jim Hale and Mr and Mrs. Joe Hale went to Cando, Saskatchewan on Tuesday to the wedding of a friend. Last week-end Alec Currie, eldest son of Mr. and Mrs. W. Currie of Jumbo Hill district was married in Edmonton. Those going from here to attend the wedding were Mr. and Mrs. W Currie; Mr. and Mrs. Lloyd Hines, Mr. and Mrs. C. Currie and Mr. and Mrs. L. Isert and Donald.

UNION COMMUNITY HALL
Bingo and dance in Union Community hall on Friday, Oct. 3rd. Melody Ranch orchestra. Everybody welcome. 12

A true diplomat is a man who can say unpleasant things in a very pleasant way.

R. A. Swanson motored to Three Hills on Tuesday, taking his daughter Janet and Phyllis Kent there to take their grade eleven at the Prairie Bible Institute

Mrs Sotley was an Edmonton visitor this week going with her grandson David Chrichton and grand daughter Iona Parker who were home for the week end.

The Bingo on Thursday night sponsored by the Athletic Club with proceeds going for the skating rink was very successful.

The W. A of the United Church are having their fowl supper on Wednesday, October 15 in the Community Hall.

Sincere sympathy is extended to the Earl Gray family in the tragic death of the three children of Mrs Gray's brother at New Sarepta last Saturday. Mrs Gray went on Sunday morning to help her brother and sister-in-law in their great distress.

St. George's Anglican Church plan a White Elephant auction sale on the afternoon of Oct. 10 on the church grounds. Any donation of articles or farm produce will be gratefully received. Contact Mr Saltsberry The auctioneer will be Mr G. Williams The W A will be serving lunch.

MASSEY-FERGUSON
breaking fresh ground!

Massey-Ferguson Limited, world-renowned for its outstanding achievements in agricultural mechanization, is today breaking fresh ground — in the industrial and construction fields. Alert to modern needs, the Company now has applied its engineering skills, its experience and its facilities to the production of a full line of outstanding light industrial tractors and related specialized equipment.

On new community and construction sites, in industrial plants and factories, in mines and quarries, Massey-Ferguson light industrial equipment is helping to build new homes, new roads, new towns—helping industry to increase production through more efficient materials-handling methods.

As part of a program of basic realignment in organization, marketing and production, Massey-Ferguson —world's largest manufacturer of farm tractors and self-propelled combines—is breaking fresh ground and moving ahead to new achievements in the industrial field.

Massey-Ferguson Limited

Canada Savings Bonds Will Go On Sale October 14th

OTTAWA - The Honourable Donald M. Fleming, Minister of Finance has announced that the 1958 Series of Canada Savings Bonds will go on sale on October 14 next.

In making this announcement following the conclusion of the successful Canada Conversion Loan Mr. Fleming emphasized that the 1958 Canada Savings Bond campaign would form an important part of the government financing program for the raising of new money requirements which for the current fiscal year total about $1,400 millions. The strong demand for Series 1 Canada Savings Bonds in 1957 made it evident that this security retained its popularity with individuals. The decision to offer a new series was taken in response to this demand. Mr. Fleming expressed the hope that this demand would be stimulated by the special importance of the offering this year and would result in a substantial sale. The terms of the new bonds are attractive in comparison with market issues of similar maturity and particularly in relation to the privilege of redemption at par.

The new Canada Savings Bonds will be dated November 1st, 1958 and will mature 15 years later on November 1st, 1973. They will be offered for sale at 100 per cent up to November 14, 1958. The bonds will carry 15 coupons each covering a one year period. The first coupon will pay interest at the rate of 3¼% and the remaining 14 coupons at 4¼%. The average yield to maturity is 4.19%. The limit for holdings for the 1958 series in any one name has been set at $10,000.

As in recent issues, the 1958 Series Canada Savings Bonds will be available in coupon form in denominations of $50, $100, $500, $1000 and $5000. They must be registered as to principal in an individual's name whether adult or minor. In addition to coupon bonds in the above denominations the 1958 Series Canada Savings Bonds will be available in fully registered form in denominations of $500, $1000 and $5000. Buyers of the latter will receive their interest payments by cheque. Coupon registered and fully registered bonds will be interchangeable at any time.

The 1958 Series will retain other familiar features of previous issues including the privilege of redemption at full face value plus earned interest at any time at any bank in Canada.

It is expected that more than 12,000 firms will provide their employees with the facilities to purchase Canada Savings bonds on the Payroll Savings Plan, and that investment brokers and other savings institutions will be offering the bonds to the general public.

Fortune may knock at every man's door, but misfortune crawls in the open windows.

WILDMERE WINKS

We are sorry that we omitted the names of Mr and Mrs. John Wilson in our last news as attending church at Wildmere - guess we still consider you folks as residents of our district!

On Monday evening Mr. and Mrs. J Wallington visited at the Lindy Fadden home. We are pleased to see Ronny Lake's arm is slowly improving. He had it badly injured while working on an oil well near Wainwright.

The community was deeply grieved to hear of the passing of another old timer, Mrs. W J Macnab of Buffalo Coulee. She has been bed-ridden for the past several years. Prior to that she was a very active woman, and no better neighbor and friend could anyone have wished for. She was always doing somebody good and everyone will always remember her many kindnesses. The writer joins with the community in extending deepest sympathy to her faithful sorrowing husband and son Brent in their hour of sorrow.

Not many out to church Sunday to hear a splendid sermon given by Rev. MacKay of Vermilion. We were pleased to see Mr Rennie Hayward and David MacKay of Vermilion. Mr. and Mrs. Geo. Harrison and Sandra of Battleview. Rev. MacKay will hold service again on Oct. 12th at 3 p.m. in the Preston Central school.

Rain has again held up harvesting for several days. Lots of rain now. One thing, it will certainly help summerfallow and fall worked land in the coming year.

Gary Cruthers has started work with Checker Transport of Vermilion.

Deepest sympathy to Mrs. Roy Newman and family, also his mother, sister and brother, on the early passing of a dear husband, son and brother. Roy spent his early childhood in Battleview and lived lately in the Rimby district. He died in an Edmonton hospital last Monday. He served in the air force during the second world war. His brother W. I. Newman still lives in the Battleview district while another brother lost his life in the second world war while serving with the air force.

Mr Hugh Taylor who lives in the state of Idaho, and who owns land in Wildmere district, is here at present visiting with Mr and Mrs. Lewis Alexander and family of Battleview. It has been several years since Mr Taylor visited here.

The writer had nice chats on Saturday with Mrs. Haverslew Sr. of town and Mrs. Ernest Jack of Wildwood East. Mrs. Jack is teaching again this year. Also talked to Mrs. Frissell Sr. and Mrs. M. Rand. Time really flies by on a Saturday afternoon where you meet so many nice folks.

Anyone wanting to buy a good mixed farm should call and see J C Wallington as Jim is considering selling owing to health reasons.

Tighten Food Plant Regulations

Increase in protection to the public was provided by recent order - in - council of the Alberta government amending the Public Health Act to require veterinary inspection of eviscerated and cut up poultry over the age of eight weeks.

The changes in the Act, originated by the Hon. Dr. J. Donovan Ross, Minister of Health, also require that new plants for the manufacture of food for humans receive the approval of the local Board of Health before commencing operations.

The Man Who Came Back

BY MRS. JOAN C. LUGG
— MANNVILLE —

This is the story of a man who actually recovered from a broken back, who lay out on his farm, not more than two miles from his residence, for three days and two nights before help came, after painfully crawling one mile, in an effort to reach home. Meeting Harold Edwin Cockle, one could easily see why he made such a miraculous recovery, for his sense of humor, good spirits, clean living and his faith were 90 per cent of the battle.

On the morning of May 31, Harold Cockle decided to move some cattle to another pasture and debating between a Palomino colt, a fairly well broken three year old, and an older saddle horse, he settled on the colt to give her exercise. Fortunately, he recalled that the colt was difficult to mount, and being in shirtsleeves only, went to the house to get a jacket. After mounting his Palomino, she sunfished twice and then bolted, running hard. Harold thought he would let her run herself out or take a bucking spell. However, she headed in the direction of a washout, and Harold tried to figure the wisest course of action, as he was unable to check her flight. He thought of jumping, then of taking his chances of remaining mounted or being thrown out. Suddenly the colt gave a leap, and he felt her legs going under, and next came the sensation of being all piled up together. The colt summersaulted over him, and he tried to rise, feeling his hat and one shoe gone, and then he discovered he was unable to do so. He realized hopelessly that his back must be broken, as there was no feeling in his legs from the waist down. Later he learned while in hospital that the reason he was unable to curb the horse's speed was that the chain under her jaw had broken and the cause of her fall at that immediate point was because her foot had broken through a muskrat run, while running hard past the slough. Dan Prymak, a neighbor retraced the wild ride. Harold figured the colt would return home, but strangely enough she wandered only a hundred yards or so away and grazed, and whinnied from time to time as she returned to her master. Finally she left but only when night fell.

On this bitter cold Friday night Harold Cockle lay out all night, knowing as morning dawned that his only hope somehow was to attempt to crawl. All night he had called out at intervals, with neighbors close by unaware of his plight. Rolling over on his stomach was the most difficult task of all to begin with. Finally this was accomplished by grim determination and bitter agony. Being unsure of direction due to long grass, Harold set out dragging himself by digging in the knuckles of one hand and sliding his dead weight on the other. Crawling laboriously across the line fence into his own land, by mid-afternoon he found he had made only half a mile in all that time. Another night was spent in the open and again the temperature dipped. Harold pulled with great difficulty his smock off and covered his face and shoulders, thinking his breath might give added warmth. A rain shower came up completely soaking him. He heard coyotes running less than thirty feet away, unaware of his existence. Delirium set in at this point and many strange things were imagined. Finally with the morning, the cloud from his mind lifted. Calling out again and again, he was unheard by those who lived close to him, and finding him out assumed he would return later. Neighbors also seeing his colt standing near the yard fence, thought she was tied there. The young son of Walter Kutryk, a good friend, asked his father what kind of sound a goat made as he thought he heard a strange cry. All this registered later. Meanwhile, with arms and knuckles rubbed raw, and excruciatingly painful, lying amid the buck brush, Harold Cockle gave up hope, and quietly decided to attempt to at least get out of the bushes so his body might more easily be discovered. Craving more than anything else just one good drink Harold, in desperation chewed dandelions and rose leaves, all of which provoked a bitter taste in his mouth. Again he attempted to move his tired body, racked with pain and he blacked out.

Having heard horses' hoofs in his imagination so often, Harold was completely unaware of heavy footsteps approaching and loud breathing till he saw a shadow fall across him. He thought at first it was the figure of a boy but it was his neighbor and friend, Walter Kutryk who had called with his wife on Sunday and thought it strange for the colt to be loose with the saddle on, no sign of Harold, decided to investigate. After discovering his friend out in the pasture one mile from home, just before sundown, Walter Kutryk raced back to get help, and his wife who had been a nurse. Mrs. Kutryk, after seeing Harold, phoned Doctor Hasinoff and instructed the men to get a door which would act as a stretcher on which they tied Harold.

Proceeding to Mannville hospital via truck was not advised, but the injured man insisted that nothing could be worse than what he had previously suffered, and they continued on their way. Dr. Hasinoff, after completing examination and determining the man's injuries, made arrangements for transfer by ambulance to University hospital in Edmonton where he remained for 14 months. In addition to having his back broken this unfortunate man had his teeth loosened, one broken off, which later had to be removed due to infection, also chest and shoulders were extremely painful and X-rayed frequently for further damage. Fortunately, nothing of a further serious nature was found.

So, Harold Cockle recovered, after having his back "fused", with bone removed from his hip and under Dr. Guy Morton's care and that of an especially capable physiotherapist, Mrs. E. Koyich. Harold gained new hope and courage. When Dr Morton told Harold he would walk again, that alone gave a man courage who had fought a grim battle to survive and was given fresh faith and hope by those valiant men and women in white, the nurses and doctors, in a never ending effort to mend broken and bruised bodies.

Harold Cockle has only words of praise for our local doctor and hospital staff along with those in the University hospital in Edmonton. Harold says that some how or other they find out up there when a patient's birthday is and bring in a cake decorated for the occasion and nurses all sing "Happy Birthday". Another instance of kindness shown for which there can be no pay, speaking of personal interest displayed.

Harold Cockle, when interviewed, was reluctant at first to publish this story as so many [illegible] appeared to discredit it really happening but we of Mannville believe and know it to be the truth. The story of a man who came back to live alone but never quite alone for he has many memories of similar cases treated where he was hospitalized, and many worse for whom there is no hope. With the aid of a stick he gets around quite well, and when the writer arrived, related how he had previously thrown harness on the horses, which had tired him but he was resting and he has learned not to attempt too much.

His neighbors drop in often and friends are only too anxious to call and see daily improvement in a man who is grateful that he was permitted to walk once again on land he owns and loves. This all tends to make the personality which Harold Cockle will keep forever alive. This was our last thought as he accompanied us to our car, a perfect host, regardless of discomfort to himself. Harold Cockle — Mannville salutes you!

The man who lacks faith in his own ability very seldom accomplishes anything

RURAL SCHOOLS . . . THEN AND NOW.

The passing of the little red school house fills most of us with sentiments bordering on nostalgia.

If only we could sit again on the splintered seat of that lovingly initialled desk, our scrubbed young faces virtuously turned on teacher as we readied our inkwell for another dunking of Little Hortense's shining pigtail!

Or huddle again around the wood furnace, whose eccentricities during the winter months took more out of teacher than the toughest kid in school.

And teacher herself! How fondly we think of the Miss Smiths, Miss Joneses, Miss Browns whose pretty faces and citified ways annually won our hearts.

Yet the funny thing about life in the little red school house was that, when the recess bell rang, we were only too happy to leave it!

Today, freeing themselves from sentiment, most parents welcome the fact that Alberta's little red school houses are being replaced by well-equipped modern schools.

Centralization of school facilities in recent years has enabled school districts to provide the most modern buildings and facilities, even in the outlying rural areas.

With centralization has come another familiar sight—the yellow-colored school bus. But new schools and modern transportation facilities are all taken in their stride by today's youngsters — who, when you take a close look — haven't changed much from those who attended the little red school houses!

tips for a TRADITIONAL THANKSGIVING

by Marjorie Fenacherley,
Home Service Director.

Thanksgiving will soon be here - a day of memories for the family. Familiar foods help to bring back the ways and days we knew, so turkey and the trimmings will have first place on most tables. One thing we've discovered in recent years: turkeys have more admirable figures than they once did. They fit in the roaster better and often cook tender in less time. So be on the watch or your bird may be too overdone for carving. Here's a turkey dressing that will delight your family - and a few more ideas for your Thanksgiving table.

COLONY WALNUT DRESSING

Cook in one cup boiling water until tender the giblets from 1 turkey, 1 onion, sliced, and 1 bay leaf. Remove bay leaf, drain giblets and chop fine. Remove crusts, then break ½ lb. dry bread into crumbs. Combine ingredients with 1 tbsp. salt, 2 tbsp poultry seasoning or sage, 2 cups chopped walnuts, 4 tbsp fat, melted. Toss together lightly. Moisten with giblet stock. Quantity will fill 12-14 lb. turkey

CRANBERRY SALAD RING

2 cups cranberries
1 cup sugar
1 tbsp. unflavored gelatin
½ tsp salt
½ cup chopped pecans
½ cup diced celery

Wash cranberries, then cook till tender in 1 cup cold water. Add sugar, cook for 5 minutes. Soften gelatin in ¼ cup cold water and dissolve in hot cranberries. Add salt and chill until mixture begins to thicken. Add pecans and celery, mix thoroughly. Pour into oiled ring mold and chill in your Gas refrigerator until ready to use. Unmold on large salad plate. Garnish with lettuce, orange slices and apple wedges as desired.

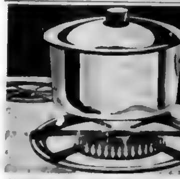
PILGRIM PUMPKIN PIE

1 cup confectioners' sugar
1 tsp. cinnamon
1 tsp. ginger
1/8 tsp. salt
3 egg yolks, slightly beaten
1½ cups mashed cooked pumpkin
3 egg whites, stiffly beaten
2/3 cup heavy cream, whipped.

Combine ingredients and cook over boiling water until thickened. Fold in egg whites, then the cream. Pour into refrigerator tray and freeze. When ready to serve, pack into pie shell of favorite pastry or vanilla wafer crumbs. Serve at once.

FROZEN FRUIT JUICE APPETIZER

Combine sweetened grapefruit, pineapple and orange juices and freeze in refrigerator tray for 1 hour, stirring every 20 minutes. Mixture may be left in tray until ready to serve.



WHO'S WATCHING THE POT?

The "burner with a brain" is! While the pot bubbles on the range, the housewife can attend to her homemaking . . . bath the baby . . . or even go shopping. No fear of food burning or boiling over . . . no running to the range to turn burners up or down. The "burner with a brain" has a remarkable sensing element which feels the heat of the pot or pan and regulates the flame automatically! You can cook the breakfast bacon, keep the supper warm for serving, bake a cake on the top of the range - and forget about pot watching! Important . . . this is not a forecast of a future cooking miracle. It's one of the "miracle features" you get now with a modern, fully automatic GAS range! And only on gas ranges do you have your top burner control graduated in degrees of heat - for completely accurate settings.

GAS IS YOUR BEST HOUSEHOLD BARGAIN

Keeping you warm is only one of the many jobs that gas does better - for less! Have you ever stopped to count them all?

House Heating
Cooking
Water Heating
Refrigeration
Incineration
Clothes Drying

all done automatically by gas!

As for the low cost of "letting gas do it", here's an example . . . a gas dryer will dry an average family's wash for as little as 13¢ a month!

How many jobs around your house are being done better by gas? The more you use the more you realize - that GAS IS YOUR BEST HOUSEHOLD BARGAIN!

FILTER-CHECK YOUR FURNACE NOW!

To prepare your furnace for the big job it will do this winter . . . better check your filters now!

If yours is a permanent filter, we suggest you clean it before the cold weather sets in.

If you have a "disposable" filter, replace it at the beginning of the winter season if it is loaded with dust.

The fan motor on your furnace will need attention too. Has it been checked and lubricated lately?

If you do not wish to check and maintain your furnace yourself, your gas fitter or heating equipment dealer will do it for you at reasonable cost. Remember . . . a "fall furnace check" now is your best assurance of utmost fuel savings - and a warm, trouble-free winter!

Health Unit Notes

IMMUNIZATION AND THE PREVENTABLE DISEASES

National Immunization week has just occurred in Canada from September 22 to 28. It is Canada's 10th National Immunization Week which is sponsored by the Health League of Canada in co-operation with Departments of Health. The purpose of the week is to remind parents that their families are not safe from such killers as diphtheria, tetanus, whooping cough, smallpox and poliomyelitis, unless they have been protected by immunization. It has been clearly demonstrated now that by immunization with poliomyelitis vaccine poliomyelitis like smallpox, diphtheria, tetanus and whooping cough can be considered to be one of the preventable diseases that no longer should spread death and disaster in its wake.

National Immunization Week is part of the continuous campaign carried on by official health departments against the communicable diseases which can be prevented by immunization. It is only through repeated reminding that Canadians will take advantages of immunization and safeguard themselves from unnecessary disease and crippling.

DIPHTHERIA

Diphtheria is a disease which occurred in epidemics, is now an uncommon disease, but unless immunization continues, diphtheria will reappear.

TETANUS

Tetanus or lock jaw is an unusual disease but one can be protected from it with the same injections which protects against diphtheria and whooping cough.

WHOOPING COUGH

Whooping cough is a common and a highly contagious disease caused by the pertussis bacillus. Although anyone may have it, children under five years of age are particularly susceptible and the majority of deaths occur among those under two years of age.

It is dangerous because an attack usually lasts for several weeks during which the strength is severly taxed and the child may become run down by persistent coughing and frequent vomiting. Lung complications are common.

Whooping cough has replaced diphtheria as the main killing disease among acute infectious fevers. Have your child immunized as soon as possible!

SMALLPOX

Smallpox is a very serious disease. Those who escape death after an attack are horribly disfigured by scars from the disease, and since the scars are most common on the face and hands, they are very disfiguring. It is an unusual disease in Canada but in many countries in the world, epidemics occur which kill and disfigure thousands. With air travel as it is today, the chance of a case occurring in any area is real and all the more dangerous in an unvaccinated popu[illegible] cinated as babies since severe reactions and complications are virtually unknown at this age. Adults being vaccinated for the [illegible] actions and in the very rare case complications such as brain [illegible].

POLIOMYELITIS

Poliomyelitis is no stranger to any of us and the defence offered by your injections of poliomyelitis vaccine has prevented a lot of suffering and disability. The vaccine has prevented a lot of suffering and disability. The vaccine will protect fully the vast majority of those immunized.

See that your children are immunized against these preventable diseases and save yourself and your family from unnecessary worry and often tragedy.

Your Health Unit is only too willing to assist you and help solve any immunization problems you may have.

PARADISE VALLEY NEWS

Mr John Hargest is visiting with his brother Colin Hargest for a few days. Johnnie spends the winter months at Kelowna, B. C. He says it's too cold in Alberta for him.

The annual meeting of the local shareholders of the United Grain Growers Limited was held in the elevator office on Tuesday evening Sept 16th. A good number turned out. The field superintendent was also in attendance. They hope to have an annex built as storage space is at a premium. Mr James Swayne was appointed as delegate to attend the annual meeting to be held at Calgary this year.

Glad to see Mrs. W. A. Nickle back home after being in Edmonton for several weeks taking treatment. Arnold was getting fed up with baching.

Mr. and Mrs. Hugh Leighton were the guests of Dr and Mrs. B Gunn at Saskatoon during the past week, returning home on Friday evening.

Our local curling rink has changed its complexion from white to red. We can't say we like the shade but maybe it will improve with age.

O. S. T. D. Dick Rayson returned to Halifax on Wednesday, September 24. Mrs. R. Smith accompanied him as far as Toronto where she will visit with her son Frank and Mrs. Smith.

Friday, September 26 was Initiation Day in the Paradise Valley schools as the pupils did their snake dance. Forming at the High school, they danced their merry way downtown. Many strange and weird costumes, especially the boys were seen. A very good time was had by all.

In the Paradise Valley United Church on the evening of Sept 19th a large crowd enjoyed a very impressive ceremony, when Rev. Ira MacDonald was inducted as minister of the Paradise Valley - Edgerton Pastoral charge. Rev H. W. Inglis of Irma spoke to the congregation. Rev C. MacKay of Vermilion who spoke to the minister and Rev. D. W. McPherson of Wainwright who performed the formal induction service, were both former university classmates of Rev. Ira MacDonald. The Paradise Valley and McLaughlin choirs were in attendance and were very much appreciated for the part they took in this service. An hour of fellowship was enjoyed when the ladies of the Paradise Valley congregation served lunch.

Mrs. W. A. Gunn attended the Presbytery W. A. executive meeting held in the Vermilion United Church on September 19. She and Mr. and Mrs. Hugh Leighton enjoyed a chicken dinner with Mrs. R. Fair who has rented her home and moved into an apartment near the United Church.

There will be a Presbytery W. A. rally in the Paradise Valley United Church on October 14. Notices will be sent out for this.

Mr. Fred McAmmond of Calgary visited with his mother and other relatives for a day or two last week.

A man may be self-satisfied, but it's the other fellow's opinion that really counts.

WOODVALE NOTES

Mr. and Mrs. A. Cartel of Edmonton are guests at the home of their daughter Mrs. Raymond McQuid and family.

Mr John Portsmith of Port Coquitlam, B.C., is staying with his sister, Mrs. Wm. Fortune and is visiting his brothers and families in the Hindville and Tolland districts.

Mr. and Mrs. [illegible] Portsmith have arrived in Moscow, U.S.S.R. after a very interesting trip via London, Copenhagen, Stockholm, Helsinki and Leningrad.

Sympathy is extended to Mr. and Mrs. Lloyd McLean whose mother recently died at Frog Lake.

Mr. and Mrs. Bill Stark (nee Sophie Haan) of Bowden became the proud parents of a baby boy recently, Francis William; while Mr. and Mrs. Robert Look (nee Kathleen Foster) of Victoria, B.C., have a baby girl, Andrea Gail.

Before leaving for university in Edmonton Donald Galloway was honored at a surprise party given by his many friends, old and young, of the district. The evening was spent with singsongs and games and at its conclusion Donald was presented with a purse of money and best wishes from those assembled.

The Red Cross Auxiliary met at the home of Mrs. Dorothy Portsmith and worked a quilt. There were 11 members there and Mrs. [illegible] was a welcome visitor. A very pleasant afternoon was spent together and [illegible] eral interesting articles by [illegible] Shantz, our district home economist were discussed. As always, the lunch was much enjoyed after the afternoon of work and talk. The next meeting will be held on Oct. 15th at the home of Mrs. Amy Portsmith.

There will be no church services in October, but it is hoped Rev. Nugent of Edmonton will be able to come down in November.

Mrs. Edith Pettigrew of Edmonton spent four days at the home of the writer.

No Serious Injuries

Head-On Collision Sends Seven To Islay Hospital Saturday

A [illegible] collision between two cars last Saturday evening sent seven to the Islay hospital, bruised two others, while two small children escaped uninjured. The collision occurred on the Islay-Dewberry road about seven miles north of Islay.

Hospitalized were Mr. and Mrs. August Lively of Edmonton and four of their six children, Christine 7 [illegible] Shirley 10, Brent 3 and V[illegible] Willena 9. Taken to the home of the grandmother near Dewberry were two other Lively children, Debbie and Haney. At press time on Thursday only two of the Lively family remained in Islay hospital, Mrs. Lively and little three-year-old Brent who suffered a broken leg. Christine had been removed to the University [illegible] pital, Edmonton, but latest reports are that she is fine with no serious injuries.

Of the occupants in the other car Neil McLean of Vermilion suffered a broken collar bone and shock. He was still in Islay hospital Thursday but was up and around and expected to be home on Friday. Ray L. Jones, driver of the car, has two broken ribs and a bad cut on his nose but is around as usual. Joe Perrier third man in the car, escaped with bumps and bruises.

The cars collided at the top of a hill, coming on to one another. Driver of the southbound car was Ray L. Jones and he and Mr McLean and Mr. Perrier were on their way home from a fishing trip to Laurier Lake. They were towing a boat on a trailer.

Mr. and Mrs. Lively live in Edmonton and were going to Dewberry to visit relatives for the week end.

Both cars were badly damaged.

10c

Price of the *Vermilion Standard* for a single copy is now 10c — so hand your news vendor 10c for this paper. After all, it has been a long time since a nickel has bought anything else but a *Standard*. The price of a single copy has been 5 cents ever since the paper was established in 1909, nearly fifty years, so it's overdue for an advance.

There is no change in the yearly subscription rate . . . it remains at $2.50 per year which works out at 5 cents per issue.

DOROTHY TOVELL

Dorothy Tovell Wins Bronze Medal

Dorothy Rae Tovell, daughter of Mr. and Mrs. Arthur Tovell of Vermilion, has won the Governor General's Bronze Medal for the highest scholastic standing in the June grade 9 departmental examinations in the Vermilion School Division.

Dorothy attended school in Vermilion and passed her examinations with an honors standing in every subject written.

Last June she was selected as the best all-round student in grade 9 and was awarded the Elks annual bursary.

RONALD JOHNSON WINS

Ronald Eric Johnson of Derwent was the winner of the Governor - General's medal for the Two Hills School Division.

Hi-C Group Meets

MANNVILLE. — The executive of the Hi-C group met Oct. 1st at 7 p.m. in the United Church social rooms. The purpose of this meeting was to plan future gatherings and to put a set time on the components of the meetings. For the next get-together to be held Oct. 14th at 7 p.m. the executive decided to have a discussion on "How much freedom from parental authority have young people a right to expect?" It is to be presented first by roll playing, followed by a 'buzz session', then finally the open session. Said discussion should prove very interesting as it is a problem of most teens and parents today. An open invitation is extended to all young people. Remember, you don't have to be 'United' to attend.

Shoots Banded Duck

Bill Twyning shot a banded duck last Saturday with No. 566-92532 on the band with instructions to return band to Washington Wild Life. If the Standard remembers correctly, Bill also shot a banded duck last hunting season.

Old Timers Round-Up November 6

The Vermilion Old Timers round - up will be held on Thursday evening November 6 commencing with a sumptuous banquet at 6:30 p.m. in the Legion Hall. The banquet will be followed by a short business session, election of officers, then an evening of cards.

Anyone west of the Great Lakes by 1915 is eligible to join the Old Timers and is invited to do so. The annual membership fee is $2.00 each and this includes your banquet ticket.

13 - 16

District Entries In Edmonton Stock Show

Officials of this year's Edmonton fall livestock show and sale for sheep and swine which commences on October 28 in the Edmonton sales pavilion are very pleased with this year's entry.

The Vermilion district is very well represented.

The entries in the purebred Yorkshire section include Mr Alex MacMillan and Mr. Sandy MacMillan from Clandonald. Mr E. J. Noster from Derwent and Mr. E. E. Prill of Mannville.

Curlers To Organize For '58-59 Season

All curlers are asked to attend a meeting in the rink on Thursday evening next, Oct. 16th at 8:00 o'clock to organize for the coming curling season. All former and prospective members are urged to attend.

Mr. and Mrs. Mac Fisk and little son Denny spent last week visiting at the home of the former's parents, Mr. and Mrs Walter Fisk.

Nature's Oddities: 4 1-2 lb. Potato

The biggest potato yet was exhibited at the Standard office this week by District Agriculturist Ernie Buckingham. Ernie wouldn't part with the murphy which weighed in at 4½ pounds. It was of the Warba variety, grown from certified seed by John Nowakowski of the Rusylvia district. John had a big field of spuds this year with lots of large ones. The potato is nice and smooth with no blemishes.

* * *

PICKS STRAWBERRIES OCT 9

Mrs. Gordon Downey brought some large and luscious ripe strawberries into the Standard office this Thursday morning which had just been picked from her garden. They are a variety called "Red Rich" seldom grown in the west but which have done wonderfully well in their first year in the Downey garden.

* * *

SIX-LEGGED CARROT

A six-legged carrot was dug in the family garden by Glen Hemmingway. Glen was preserving the oddity to exhibit at the Standard but little sister Karen spotted the 'yummy' and ate one leg off of it before Glen made the rescue. It is on display at the office less one sprout.

* * *

DELICIOUS CRISP CELERY PEPPERS

Doug Cooper of the Standard staff is still enjoying 'Utah' green celery and large red peppers from his garden in the west end. Flavor of celery grown in this area far exceeds that of the imported table luxury.

Hunting Hints

Upland Game Bird season Opens Saturday, Oct. 11th at 8 a.m. Shoot on the fly — don't "pot."

No Transfer of Land From Minburn To Vermilion River M.D.

There will be no transfer of some 36 sections of land lying to the west of the town of Vermilion, from the Minburn municipal district and the Vegreville school division to the Vermilion River M. D. and the Vermilion school division. The area in question lies as close as four miles to Vermilion, being the west third of townships 50 and 51 range 7, and sections 6, 7, 18, 19 and 30, township 52, range 7, W4th.

The origin of the request came from the farmers residing on the land, and a delegation met officials of the departments of Education and Municipal Affairs in Edmonton last spring, presenting a petition signed by everyone resident in the area.

The reason for the request was proximity to the town of Vermilion so that the people in the area involved use the town of Vermilion for all business and social activities, but the children are bussed to school at Mannville. It was felt the proposed boundary makes a natural division between Mannville and Ver[illegible].

After some study by the departments involved the question was referred to the two municipal [illegible] the two school division boards, with the following answers: —

Vegreville School Division — recommended no change;

Municipal District of Minburn opposed.

Vermilion School Division — reluctant to endorse the request.

Municipal District of Vermilion River — opposed.

As it was quite apparent from the decisions of the municipal bodies involved that the present holders of the area did not want to part with the land, and that Vermilion River and Vermilion School Division did not want the additional highly assessed area, the two government departments had little choice but to let the boundaries remain as they are.

Had the municipal bodies involved been evenly divided in their opinions, the matter would no doubt have come in for more study at the departmental level. If such had been the case the reasonableness of the request would have been more fully realized.

Noted Farm Woman To Address Banquet

Mrs. Ellen Armstrong, president of the Alberta Farm Women's Union and a director of the Farm Women of the World, will be the guest speaker at the annual Town and Country banquet sponsored by the Board of Trade. Mrs. Armstrong has chosen as her topic, "Town and Country People." She will [illegible] show pictures taken on her recent world tour which she [illegible] as a director of the Farm Women of the World.

Mr. Arnold Platte, president of the Farm Union of Alberta, will also be a guest at the banquet and will give a brief address.

The town and country banquet will be held in the Elks Hall [illegible] mencing at 6:30 on Wednesday, [illegible] 29. As space at the banquet is limited to 210 admission will be by ticket only.

Tickets will be on sale [illegible] week end and will be available from almost any of the business places in town or contact Jim Champion, Leo McKernan or A. E. Kaiser, members of the entertainment committee.

Overture Concert Series To Begin October 20th

The Overture Concert Association will begin it's season with a concert on Monday, October 20 at 8.15 p.m. in the Auditorium in Lloydminster. On this date we will be privileged to hear Betty-Jean Hagen, violinist.

There will be four concerts again this year. The second of the series will be the Columbus Boy's Choir on Wednesday, Nov. 5; the third, the Lola Montes Dance Group on Tuesday, March 3 and the final one being the Cassenti Players, Instrumentalists on Monday, April 13. Perhaps with no concerts in December, January or February, the possibility of bad weather interfering with transportation from Vermilion will be eliminated.

It has been decided to call a general meeting of ALL Vermilion members on Friday evening, October 17 at 8 p.m. in St Saviour's Parish Hall for the purpose of discussing transportation and other matters which [illegible] and are of definite [illegible] concern to all our [illegible].

Students Union Elect Officers At Derwent

DERWENT. — The High School Students' Union held their first meeting of the year. Officers elected were as follows: - Pres. — Emil Sakowski. Sec. - Margie Bielech. Vice Pres. — Gary Algot. Treas. — Gordon Benson. Social Convener - Lillian Charchun. Representatives: Grade 9 - Joan Wysocki; Grade 10 — Leona Olinyk. Grade 11 — Dianne Napura. Grade 12 - Paul Yaceyko.

Mannville Firemen Review Busy Year

MANNVILLE. — Headed by Fire Chief Victor Humphries, the local fire brigade consisting of six men besides Vic, have had a busy year. Many calls were answered and the brigade has received high praise from many country folks who were obliged to ask for assistance in a hurry which they received cheerfully. Mannville is justly proud of these men who keep on the job regardless of personal discomfort at times. Practise is held each Tuesday, and any fire hazards are removed at that time. This is Fire Prevention Week — so Mannville brigade take a bow for a job well done!

First Fish Caught In Burns Lake

Gus "Pop" Garnier of Clandonald has the honor of catching the first fish in Burns Lake located 7 miles north-west of Clandonald. It was a good sized jackfish.

Burns Lake was restocked with fish this spring after [illegible] cessful stocking of [illegible] three years ago.

Death of Pope Pius

Pope Pius passed away on Wednesday evening at 7:32 our time. He was 82 years of age and had been Pope for 19 years and two months. Death occurred at Castel Gandolfo, Italy.

Vermilion Sub-Local Holds Supper Meeting

Wednesday, October 1 at the Anglican Parish Hall thirty-two members of the Vermilion sub-local A. T. A. met for the second supper meeting of the school year.

A hearty supper prepared by the ladies of the Anglican W. A. preceded a brief business meeting.

New officers for the coming year are: President — Miss K. Fulcher; Vice-Pres. — Mrs. J. Strome; Sec.-Treas. — Mr. Fred Stewart; Press Rep. — Mrs. M. M. Meekon.

Dewberry C.G.I.T.

The opening meeting of the Dewberry C. G. I. T. was held in the United Church Monday September 29 with 23 members present. The members were divided into two groups. Juniors under the leadership of Mrs. Kruger; Seniors under the leadership of Mrs. Jones.

Officers of the two groups are as follows:

Seniors — president Ruth Ew[illegible]; vice-president Karen Far[illegible]berg; secretary Marlon Wilke[illegible]; treasurer Joe Holmen.

Juniors — president Tina Wh[illegible]; vice-president Wynona Lunden; secretary-treasurer Isabell Jones.

Wynona Lunden and Joanne Grey served an enjoyable lunch.

Earl Pollard was in Edmonton last week end to compete in the provincial car roadeo. Although Earl didn't top the list of contestants he was very well up in the standings.

SEATS ALL SOLD FOR THE DON COSSACK CONCERT

Every seat in the auditorium for the Don Cossack concert has been sold. There are thus no more seats available and admission will be by ticket only. There is a seat for every ticket sold.

The Rotary Club regrets that there will be no cash admissions on the evening of the concert.

Vermilion Area Makes Highest Per Capita Cancer Donations in Nation

The greatest sum yet raised in this province in the annual Cancer Crusade was suberibed by the people of Alberta this year, it was announced in Edmonton last Friday evening by Fred Kenny, Calgary, President of the Alberta Division of the Canadian Cancer Society at a meeting honouring the research workers in the Dr. John S. McEachern Cancer Research Laboratory, built by the Cancer Society through public support of the Cancer Crusade.

Mr. Kenny reported that $303,372.93 had been received by the Society's 400 branches and units throughout the province, over subscribing the objective of $300,000.00 by a little more than 1%.

Over $70,000.00 was directed to research into cancer's causes and cures and at the meeting a giant size cheque over ten feet long for $31,354.00, representing Alberta's contribution to the National research programme, was presented to Dr. H. E. Rawlinson of Edmonton, President of the National Cancer Institute of Canada, the Society's professional re[illegible] and controls all fundamental cancer research in Canada. This was the largest single grant ever made for cancer research in Alberta. The Cancer Society acts as the fund raising body for the Institute. At the present time it was revealed, eight research projects, in addition to research underway in the McEachern Laboratory, are underway in this Province and supported by the Society through the Institute. They include two projects of Dr R. K. Brown working with indole derivatives, Dr. K Kowalewski with studies of radio active sulphur in cancer in rats; Dr. R. A. L. MacBeth studying steroid hormones and projects underway by Dr E. T. Pritchard, Dr. R. B. Sandin, and Dr Jules Tuba, all at the University of Alberta, and Dr E. D Weinlos of the Misericordia Hospital Edmonton. In addition Dr E. Triantas of the University's Department of Biochemistry received one of the Institute's Research Fellowships amounting to $5,000.00. The total amount spent by the Institute in Alberta this year will be $39,699.00.

It was announced at the meeting that over $90,000.00 had been allocated to a wide-spread educational programme aimed at creating an awareness of cancer's dangers and the hope for cure through early detection. Public meetings, films, newspaper features, radio, television, literature, exhibits, and many other media were used in furthering this aspect of the Society's work which Mr Kenny described as "saving lives today while we look for research to come up with the final answer tomorrow."

The Society's patient care and welfare programme spent a record $134,000.00, it was reported, and gratification was expressed over the low cost of the Cancer Crusade which, at slightly less than $13,000.00 was about 4 cents to [illegible] "cancer dollar." Credit for the low cost of fund raising and administration was given to the thousand of volunteer "cancer crusaders" described as the backbone of the Society.

Dr. B. D. Margolus, who represented the Alberta Division of the Society at the 3rd Annual National Cancer Research Conference held in Honey Harbour, Ontario, last June, was the main speaker. Dr. Margolus is himself active in laboratory cancer research at the McEachern Laboratory. The speaker described the conference's chief aim as "giving scientists working in various aspects of cancer research a better orientation of the broad field of cancer control." Progress in research in genetics, the influence of viruses in cancer, and developments in research into the cause and cure for leukemia were described by Dr Margolus.

On Saturday morning the Society's Board of Directors, which met in Edmonton last week end visited the McEachern Research Laboratory for an inspection of research facilities and a demonstration of the many projects now underway.

Vermilion Directors at the Edmonton meeting were Mr. C. J. Alfke, and Mrs. W. E. Cross, President of the Vermilion Branch of the Society.

It was announced by Mrs. Cross that Vermilion had subscribed $2,253.50 towards the Cancer Control Programme. This represents the highest per capita donation in the nation — 51 41 cents.

The complete campaign results for all of the Society's Districts is as follows: Calgary — 119,380.83; Crowsnest Pass — 1,693.23; Drumheller — 4,459.38; Edmonton — 104,157.90; Grande Prairie — 7,473.90; Lethbridge — 36,029.74; Medicine Hat — 14,501.84; Peace River — 6,092.79; Red Deer — 5,806.86; Vegreville — 1,921.18; Vermilion — 2,253.50.

Thanksgiving Monday, Oct. 13th; National Holiday

Monday, October 13th is Thanksgiving Day and a national holiday. All stores and business places in Vermilion will be closed.

Annual Meeting of Cancer Society

The Vermilion Cancer Society will hold their annual supper meeting on Thursday, October 16 at 6:30 p.m. in the Legion Hall. Mr Talbot, provincial secretary of the Cancer Society will attend along with the guest speaker. A program of interesting films is also being arranged.

Tickets are obtainable for $1.25 from any members of the Cancer Society in Vermilion.

Fastball Season Winds Up With Combined Banquet and Dance

Saturday night at the Elks Hall the Vermilion Cardinals, Provincial Lady Intermediate "B" champions, and the Vermilion Ghosts, men's fastball club, were feted at a small banquet.

The banquet was featured by many good natured speeches, a little serious talking, and of course a wonderful turkey dinner prepared by the Ladies of the Royal Purple and a very able Master of Ceremonies in Murray Millar.

Hi-light of the evening was Mayor Hill's well received speech. In his speech His Worship paid tribute to the great jobs done by both clubs especially [illegible]als in their winning of the Provincial title for the fourth time.

Edna Martin then thanked the coaches of the "Cards" for their fine work and Bert Moore replied on the behalf of the tutoring staff.

Doing the same for the Ghosts was Andy Redford and coach Charlie Cawthorpe showed a gift with the gab as he replied to the speech.

Ending the speech [illegible] was Gerry Marshall as he thanked Checker Transport for their fine support and Stan Jones replied with the most humorous speech of the evening.

Following the banquet a small dance was held to officially end the ball season for the year 1958.

The banquet was jointly sponsored by Ebrond and Son, Electricians, and Checker Transport. The Ghosts and the Cardinals would like to mention in this article their sincere thanks to Checker Transport and Ebrond and Son for their wonderful support and the banquet. They would also like to thank you, their faithful fans, for the support they received this year.

Processed Gas Is Delivered to Alberta Gas Trunk Line

British American Oil's $25,000,000 gas processing and sulphur plant at Pincher Creek, Alberta, has begun delivering processed gas to the Alberta Gas Trunk Line for the purpose of line fill and testing.

This is the first of a series of steps which will link the Pincher Creek field with Eastern [illegible]kets. The field will be the largest single supplier to the Trans - Canada Pipe Line when the latter goes into operation. Gas from the Pincher Creek field will be delivered to Trans-Canada at the Alberta - Saskatchewan border through the Alberta Gas Trunk Line.

Mannville Theatre Proprietor Leaves

MANNVILLE. — Phil May, with his wife Lois and family have left Mannville to take up duties in the Wainwright theatre while Phil's father goes for a trip abroad. Replacing Phil in a most capable manner is his brother Charles or "Chuck" whom we welcome to our town. The Phil May family will be [illegible] missed by Mannvillites.

Scout Leader Dr. King Addresses Rotary At Luncheon Meeting

Dr. Ian King, recently appointed Scout Master, gave a talk on the boy scout movement at a recent luncheon meeting of the Vermilion Rotary Club. Dr. King [illegible] the local troop [illegible] members [illegible] quite a few more [illegible].

The speaker compared the purposes of boy scouts to that of Rotary. The only difference [illegible] these precepts at [illegible]. The aim of both [illegible] Rotary is to replace [illegible] interest with service.

Ted [illegible] secretary for the [illegible] in Vermilion [illegible] at the meeting. [illegible] introduced Dr. [illegible] Stewart thank[illegible] for an excellent discussion of the boy scout movement, the aims and methods of training.

President Robson, chairman of the meeting also [illegible] to Dr. King.

Curt Alfke recalled all unsold tickets for the Don Cossack chorus as 950 tickets had already been sold. It is not now possible to obtain tickets for this show.

Cliff McCormick, chairman of the rotary calendar committee, asked for all listing sheets to be returned at once.

Cpl. Harry Alme in charge of the Vegreville detachment of the R.C.M.P. suggested to the Rotary club that they could be a real service to this district by sponsoring [illegible] course. Cpl. Alme said that accidents on the roads are increasing and the cause can be mostly attributed to careless driving and where drivers do not know the rules of the road. He also reported that car accident insurance is going up every year. He made a very pointed [illegible] to the effect that we are paying for the accidents, whether we have them or not.

BRUCE E. McDONALD

Wins Ralston Fellowship

Bruce E. McDonald, Mannville, has been awarded a Ralston Purina Research Fellowship in Poultry Husbandry at the University of Alberta. This is the first time that the scholarship, valued at $1,800.00, has been awarded to a graduate of the University of Alberta.

The objective of the fellowship is to assist in the training of additional personnel for leadership in the science of livestock and poultry production.

Mr McDonald is a graduate of the Vermilion School of Agriculture in 1953, and of the University of Alberta this spring. As an undergraduate he distinguished himself by winning the Eaton Agricultural Scholarship in 1953, and the Alberta Branches of the Agricultural Institute of Canada gold medal this year.

Mr McDonald will be working on the campus under Dr Robles's supervision on the thesis project "Effects of energy and amino acid level on protein utilization of poultry rations."

Easy Come, Easy Go

A sorry story of needless fire waste in Canada is told by the figures for Fire Prevention Week, October 5 - 11. Both in life and property, the [illegible] has reached an all-time high. No European nation even remotely approaches us per head of population in our possessions. Ours is indeed a shameful record and totally lacking in pride to enlightened citizenship.

What real results we can prove our salvation in the long run is the realization that most of the fires are caused by human carelessness. Now that we are face to face with the matter surely we can hope to do something about it. Legislation is certainly not the answer. Education in individual responsibility as the fire services point out offers real and tangible benefit.

Let's get rid of the notion implied by the figures that we're living an easy come easy go life. This country didn't come to [illegible] such apathetic thinking.

Don't Give Fire A Place To Start.

Save A Third

The average motorist doesn't have to buy a car half the size of his present one if he wants to save gas, declares The Financial Post. It quotes an American Motors engineer who says all that is necessary is to drive any car more carefully and more courteously, to use pressure sparingly on both brake and accelerator.

This expert points out that a car going 50 miles an hour uses nearly [illegible] more fuel than one going 30; that an engine that idles for more than a minute uses more gas than is needed to start it again; that faulty spark plugs, a dirty air cleaner or too heavy oil can add an unnecessary 10% to the fuel bill; that jack rabbit starts and brake-jammed stops are not only dangerous but extremely wasteful.

Watch these points, suggests The Post, and the average man can save up to a third on his annual gas bill and a lot of wear and tear on his own as well as the other fellow's nervous system.

C. N. Telegraphs Buys Yukon Telephone Co.

TORONTO — Canadian National Telegraphs has purchased the Yukon Telephone Company and integrated it with the company's Northwest Communications System, it was announced by John R. White, general manager, Canadian National Telegraphs.

CNT will operate Yukon Telephones exchanges at Whitehorse, Keno and Mayo as well as telegraph communications in these centres. Northwest Communications is a vital link in defence and commerce between Edmonton and the Alaska border. Yukon Telephone employees will be offered positions with C.N.T.

Mannville Bingo Has Blackout

There will be no further draws in the Mannville Elks newspaper car bingo as an Edmonton man has reported a blackout on B-7, the 37th number drawn on Friday, September 26.

Anyone else having a blackout on the numbers as they appear below is asked to notify the committee immediately. Deadline for receiving reports of a blackout is set as Saturday, October 11. Winner will be declared officially at that time.

The following is a complete list of the numbers drawn to date:

B — 10, 15, 12, 13, 3, 4, 14, 9, 11, 2, 6, 7
I — 17, 25, 24, 30, 20, 22, 28, 23, 26
N — 31, 34, 41, 40, 38, 45, 36, 42, 39, 37, 44, 43
G — 47, 48, 54, 55, 58, 60, 56, 59, 52, 50, 57, 49
O — 61, 64, 65, 71, 72, 73, 75, 67, 68, 69, 74, 70

All minor prizes have been won.

YOU CAN AFFORD TO FORGET —IMPERIAL CAN'T

. . . because four generations of Canadians have come to depend on Imperial products on the road, on the farm, in the home

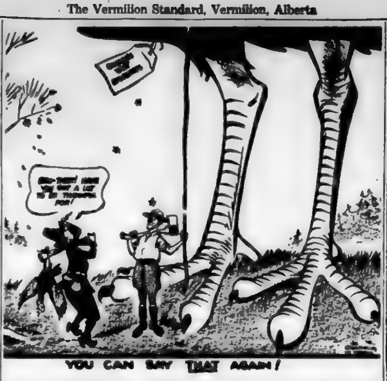
Imperial started supplying Canadians with oil products in the very early days of the industry in Canada . . . in fact, 1880 was the year it made its start in this business.

In most areas of Canada, it was an Imperial refinery which first began making oil products locally.

Imperial pioneered, too, in supplying Canadians with products when and where they were needed. (As far back as 1907, Imperial opened the first service station in Canada . . . and perhaps in the world.)

Today, as over the past 78 years, Imperial recognizes its responsibility to bring Canadians the most modern of oil products at the lowest possible price.

Esso IMPERIAL OIL LIMITED



YOU CAN SAY THAT AGAIN!

"GREEN ACRES"

LEADERSHIP COURSE

Once again a leadership course will be put on at Banff School of Fine Arts. This year it will be from October 26th to November 7th. This is a wonderful opportunity for young men and women to get training in community leadership. Two years ago a young married couple went from Vermilion. The cost is very low as most of the expense is taken up by sponsoring organizations. Get further particulars from this office.

WATER SYSTEMS

Hot and cold water systems are not so hard to put in or so costly as some people think. Anyone with a couple of pipe wrenches, a pipe cutter and a vice should be able to put in a water system.

A booklet entitled "Farm Water Systems" is available from this office.

GRADE "A" HOGS

There is no doubt of the losses suffered by pig raisers from low grading hogs. Last year Alberta had the lowest percent grade "A" hogs in all Canada. In this district we are doing something about it. There are more grade A hogs going out of here than any municipality in Alberta but it isn't good enough yet. The purebred sire area for swine becomes law on November 1st in Vermilion River Municipality. Pig raisers are asked to cooperate by using a purebred boar. Farms will be inspected in November for grade boars. Registered papers must be available for all boars.

TRIPS TO THE ROYAL

Every year railways put on some cheap trips to the Royal Show at Toronto. The fare includes lower berth, meals on diner, five nights in King Edward Hotel Toronto and side trips to Niagara Falls etc. Going date is November 13th. Thirty days limit for return. I have particulars or see your railway agent.

RAT SITUATION

Which is not good. Mr Dave Stelfox, Ass't Supervisor of Pest Control for the Province of Alberta spent two days in range 1 last week. He visited 17 farms in range 1 township 48 and found rats on 6 of these farms. Four farmers out of 17 contacted did not have bait out. All your neighbours ask is cooperation. If your farm is spreading rats around the district — do something about it.

HARDWARE DISEASE

Whether they like the diet of nails, bolts, wire or whether our cows are just careless we don't know. Vets tell us that some kind of hardware is found in every cow's stomach. Sometimes sharp pieces of wire or nails puncture the walls of the stomach and peritonitis sets in. The only thing we can do is try to keep hardware out of the cows' reach.

The man who has seen better days didn't realize at the time how lucky he was.

CROWN LUMBER COMPANY VERMILION LIMITED

Clandonald United Church News

Mrs. Elsie Campbell was the hostess for the W. A. meeting held on September 11. Seven members and two visitors were present. Mrs. R. Feenstra thanked the W. A. for the gift received while she was a patient in hospital.

Twenty five calendars were ordered.

The next meeting will be held at the home of Mrs Laird on October 9. Roll call: a jar of preserves.

Church service was held in Clandonald on October 5 at 3 o'clock by Rev MacKay.

The Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.

Most women are more concerned about their kitchens than any other room in the house.

This week and next my articles will deal with kitchen planning and remodelling. Very often some minor change will make your kitchen far more efficient.

If you would like help in deciding on changes I would be happy to make a home visit. This service like all others offered by the home economist is free of charge.

For any interested groups I have a talk and group discussion on arranging your kitchen whether it is already there or still on paper.

Following are some of the most common kitchen faults. Are they in your kitchen, and if so could they be easily corrected?

1 Insufficient cabinet space. Average requirements 11 feet for base cabinet; 6'3" for wall cabinets.

2 No counter to right of sink. It is necessary to stack dirty dishes. Counter on left of sink is often a drainboard which means that area is used only when washing dishes. If you are buying a new sink I would suggest you consider a double sink. You will find you use less water and perhaps make better use of your space.

3 No counter beside the refrigerator. This means you are making constant trips from your refrigerator to your work area. However the counter should be on the side of the refrigerator to which your door opens.

4 No counter beside range. A counter gives space for foods and utensils used at the stove in meal preparation.

5 Traffic through work triangle. Your triangle is the direct path between sink, refrigerator and range. The sum of the distance between these units should not be less than 12 feet and not greater than 22 feet. If it is less than 12 feet there is insufficient counter and storage space. If it is more than 22 feet the housewife has to take extra steps during the preparation of a meal. Traffic through this triangle should be avoided as it interferes with meal preparation.

6 Too many doors, and doors that waste wall space which could be used for cabinets or doors which interfere with use of cabinets or each other.

7 Inadequate use of high and low areas. Vertical shelves will provide good storage for cookie sheets, etc.

8 Inadequate lighting.

The C. W. L.

Twenty-eight members attended the general meeting of C.W.L. held in the Holy Name parish hall on October 2nd with Pres. Mrs. Kay Williams in the chair. Fr. Landrigan read the opening prayer.

Mrs. Williams reported that Miss Laurie Lovett had been appointed to the executive, to fill the vacancy left when Mrs. Terry Kelly moved to Vancouver. Miss Lovett is now Sec. Vice President and convener of the Gifts and Sick Committee. One new member was introduced.

Business consisted of the completion of the plans for the chicken supper and the commencement of bazaar plans.

The regular date of the C. W. L. meetings was changed from the first Thursday to the first Monday of each month.

Fr. Landrigan gave a short talk which was an inspiration to all league members.

After the meeting adjourned a delicious lunch was served by Mrs. Gena McIntyre, Mrs. Mabel Ross and Mrs. Kate Shalka.

On July 26, 1958, Derwent Greek Catholic Church witnessed a nuptial mass when Miss Lil Krawchuk became the bride of Mr. Floyd Sweet, both of Dewberry. After an extended honeymoon in B. C. and the north western States the happy couple returned to teaching duties at Preston school south of Vermilion.

Salvation Army Home League

Hello everyone, this is the Salvation Army Home League. We are planning on telling you a bit about our activities for the past month.

On Sept. 3rd an organization meeting was held and members were divided into four groups. Leaders chosen for these groups were Mrs. Dargatz, Mrs. Fisk, Mrs. Scott and Mrs. Smith who will all hold office for three months. Lt. and Mrs. Donald Goodridge and two children of Santiago, Chile, were taken as adopted missionaries for the Vermilion Home League.

On Sept. 11th a welcome party was held for Lt. Herrick with Mrs. Dargatz' group in charge. This meeting was on Thursday instead of the usual day Wednesday.

On Sept. 17th a spiritual meeting group, Mrs. Jensen as speaker, gave an excellent talk on the Shepherds' Psalm "The Lord is My Shepherd". A short business meeting followed.

On Sept. 24th Missionary Night was taken by Mrs. Scott's group. After a short devotional meeting Lt. Morgan gave an interesting and informative reading on "Missions". The parcels brought by the members for the adopted missionaries' Xmas box were put together ready to pack. A game "20 Questions" closed the meeting.

A cordial invitation is extended to any lady to come and join in these interesting Home League meetings.

Hula-Hoop Reaches Mannville

MANNVILLE — With Malin's 5 cents - $1.00 store sold out in almost a day, the Hula Hoop craze reached here last week. Hoops of various colors are seen cleverly manipulated by the young fry and it is whispered some of the older folks in private. Anywhere a good sized lawn is found children congregate in numbers and twirl hoops. Len's Locker put in a supply of hoops which are reported to be selling like hot cakes.

Princess Anne W. I.

The October meeting of the Princess Anne W.I. was held at the home of Mrs. Rock Mead with nine members present. The roll call was to name an important person in the U.N. and tell something about him.

For social welfare a subscription was sent to Reader's Digest for the husband of a member who is in the Edmonton hospital. [illegible]

NEWS from ISLAY

Church service is now at 9:30 a.m. for the next three months in the United Church. Rally Sunday was held last Sunday when pins, wreaths and bars were given to quite a number of children for attendance. A trio, Jeanie Axley, Betty Hannon and Linda Torrance sang "Let a Little Sunshine In" very well. After the children went into the hall for the rest of the Sunday school class "World Wide Communion" was observed in the church with a good attendance. Next Sunday is Thanksgiving Sunday. Comparing ourselves with other parts of the world, we have much to be thankful for. Let us give freely to the special request for the Missionary and Maintenance fund of the church next Sunday.

The W.A. of the United church met Thursday and made plans for the chicken supper to be held Oct. 22nd at 6 p.m. in the town hall. Also it was decided to give financial aid to gas installation in the church.

The 4-H Grain club will hold Achievement Day on Oct. 25th at 1:30 p.m. in the church hall. Parents and friends are cordially invited to come and show interest which will encourage the club members to greater efforts as well as the leader who gives freely of his time.

Mrs. Cavers of Ottawa who has been here visiting her brother George McNabb, left Friday on her return journey.

Mrs. Norman Lambert of Edmonton came Wednesday and spent a few days visiting her mother Mrs. McNeeley who is in hospital.

The girls of the 4-H club need one more member in order to organize. Mothers are asked to assist these girls and the leader, Mrs. Moncrieff, in every way.

The new road from Islay to Kenilworth corner is nearing completion with gravelling well underway.

Chicken supper date is Oct.22 commencing at 6 p.m. Hope the ladies round up those chicks!

You Are Welcome.

4-H Turkey Club See Poultry Film

The Vermilion - Mannville 4-H Turkey Club held a meeting at the Vermilion Agricultural School on October 3. A poultry film was shown. Mr. Rowe, a turkey inspector from Edmonton gave a very interesting talk on "How To Select a Show Bird." Mr. Dietz, a member of the V. S. A. staff, spoke on "4-H Work." It was pleasing to see most of the members and their parents at this meeting. Lunch was served by the members.

SQUARE NOTES From Circle 8

Hi Square Dancers! Tuesday, October 14 marks the beginning of another big square dancing season with the Circle Eight Square Dance club. To those of you who frown regarding Tuesday night dancing, our humble apologies. It was not our desire but a necessity to change from our regular Saturday night in order to have a suitable place to dance. Harold Schocher will be our visiting caller on October 14 in the Legion Hall at 8:30.

Our secretary, Laurie Lovett has our season's tickets which will guarantee any holder twelve dances for $5.00 with lunch included. Think of the saving over the 75 cents which was always a cheap entertainment.

Any former square dancers desiring brush-up lessons, please contact president Cliff Reid or our caller Johnny Maxwell regarding dates as our lesson nights vary so that yours truly is not able to advertise them ahead of time.

On Wednesday, October 1, twenty - two of us went by bus to visit Rivercourse Club where Johnny Maxwell was calling their first dance of the season. We had a wonderful time and we're looking forward to doing it again.

Sixteen Years Ago

October 8, 1942

During the past week the Franco Oils Limited have moved their head office from Moose Jaw to Vermilion together with the entire office personnel. This move is due to the expanding interests of the company in the Vermilion field and indicates the growing importance of the developments here.

The Vermilion power plant building is receiving considerable long overdue attention these days. The exterior woodwork is being painted and the roof is being repaired with a considerable portion of said roof being completely replaced. Stand-by oil tanks and equipment for use in case of emergency are also being introduced at the present time.

The new provincial highway is now receiving its second coat of gravel, the surfacing material being trucked in from the huge pile of crushed rock located two miles north-east of town. A light coat was put on the road this spring.

32 Years Ago

October 7, 1926

A new judicial district comprising the territory from Vegreville east to the boundary is about to be created. The new district will entail the building of a court house and the appointment of a district judge. Vermilion is being held out as the logical centre for the new district and representations to this end are being made to the provincial government.

Ronnie Borwick has left on a trip to Los Angeles.

The Cardinals and the Yankees are playing in the World's baseball series.

Wheat is turning out with the yields reported upwards from 25 bus. of wheat per acre. Grain is grading No. 2.

40 YEARS AGO

October 3, 1918

The 2 storey brick bakery built by R. J. McClinton is nearing completion.

Work is progressing rapidly on Kenny McLay's new house on the corner of First Street, north of the Vermilion hotel.

Vermilion Flour Mill wheels begin to turn on October 10.

One car containing moose and elk has arrived at the Wainwright park.

WILDWOOD EAST

The farmers are seizing opportunity by the forelock these sunny days to finish up their harvesting.

The Wheadon farm has been bought by Mr. Gerbic of Maidstone who is moving in now. Their five little girls will help increase the school population. We welcome them into the district wishing them success and happiness.

Mrs. Bob Drysdale entertained the ladies for their meeting this month. All members were present and arrangements were made for a shower for Miss Doris Jack on Saturday evening, October 11 in the hall. Mrs. Drysdale used pumpkins for decorations and what a pumpkin Sadie [illegible]

The J. D. Stone family and Mr. and Mrs. Alf Jack enjoyed an evening in Golden Valley recently with the Hugh Hilts family.

Glad to report Mr. Alex Sperberg is out of hospital and back at work.

Mrs. F. Gannon is visiting her parents Mr. and Mrs. John Tattersal.

Mr. J. G. McKay has returned from visiting his son in Wainwright. He bought a house there and intends to make it his home.

Miss Beverlie Jack was home from Edmonton for the week end with her parents.

BUYING STOCK TUESDAY

ANNUAL GOOSE HUNT

Returning from a goose hunting expedition on Wednesday this week was a party comprised of Gordon Ross, Claude Brennan, Ron Payment, E. M. and John Stewart, Ken Caron and Carman Long. The boys met with a good degree of success and report a very enjoyable outing in the goose country.

CARD OF THANKS

I wish to sincerely thank Dr. King, the nurses and staff of the Vermilion hospital for care and attention I received while a patient there, and also those who visited me.

Mrs. Fred Martin.

People who live on velvet are soon called on the carpet.

Death and Funeral Of Patrick J. Lee

The sudden passing of Patrick J. Lee proved a shock to people of the Clandonald and Dewberry [illegible]. He was 65 years of age and passed away on Sept. 12th.

Although the deceased was known to have high blood pressure and a heart condition for the past [illegible] years, he was in apparent good health at the time of his death.

Mr. Lee [illegible] to [illegible] C.P.R. at Dewberry on the morning of Sept. 12th. He had just arrived at the C.P. station when he apparently collapsed over the wheel of his truck. He had worked for the Canadian Pacific Railway since 1930 and was due for retirement in two weeks.

The deceased was born at Boyle, County Roscommon, Ireland, in 1893. He came to Canada in 1929 and farmed for many years just north of Clandonald. He was a kind and helpful neighbor, full of jovial Irish wit.

Left to mourn the loss of a loving husband and kind father are his sorrowing wife Anne and three daughters, Mrs. Harding Brix (Kathleen) of Medicine Hat; Mrs. Matt Leslie (Molly) of Clandonald; Mrs. Tommy Charlton (Josephine) of Edmonton. There are thirteen grandchildren.

Funeral services were at 10 o'clock from the Catholic church, Clandonald. Rev. Fr. Hensel officiated at the [illegible] high mass. Interment followed in the Dewberry cemetery.

The pall bearers were Messrs. Patrick Mulgrew, Patrick Convey, Allan MacDonald, Michael Maguire, Ernest Garnier and Adolph Butz.

Moyers of Vermilion were in charge of arrangements.

Floral and memorial tributes were received as follows:

Donations to Crippled Children's fund and Clandonald Community wreath in memory of Patrick Lee. Mr. and Mrs. S. Free, Mrs. S. E. Douglas, Ed Stockwell, Mr. and Mrs. Goddard and family, John and Annie Tkachuk and family, Don McPhee, Mr. and Mrs. H. Hagen, Mr and Mrs. Harold Craige, Mr and Mrs. Alan Benemiller, Mr. and Mrs. Roy C. Butz, Mr. and Mrs. A. C. Butz, Mr and Mrs W. Seal, Mr. and Mrs. Donald McIntyre, Mr. and Mrs. Carl Burns, Mr. and Mrs Bock Burns, Mrs. Malonek, Frank and Gordon, Joe and Cora Carlton, John Forsyth and family, Mr and Mrs. Ronnie Johnson, Bill and Mary Thompson, George, Thelma and Wilfred, Mr. and Mrs H. Brake and Marilyn, Ernie and Isabel Lawrence, Bill Zaph and family, Mr and Mrs. A. Olson and family.

Spiritual offerings: Rev. Fr Hensel, Rev. Fr. Holland, Rev Fr. Scriven; loving wife: Mr and Mrs. H. Brix; Mr and Mrs. M Leslie; Mr. and Mrs. T Charlton; Mr and Mrs. A. MacDonald; Mr. and Mrs. P Bardoel; Mr. and Mrs. E. Toner, Mr and Mrs. S Hartwell; Mr and Mrs G. Convey; C. W. L. Clandonald; Mr. and Mrs D McCormack and family; Mr and Mrs. H Logan; Mr and Mrs Wm. McLaughlin; John McMorrow; Mr and Mrs E. Lawrence; Mr and Mrs. H Dyjur; Mr. and Mrs H. Brake, Mr and Mrs H Schneider, Mr. and Mrs. R Michael, Mr and Mrs J Lawrence, Mr and Mrs. H McPhee, Mr and Mrs. P Monaghan; Mr and Mrs. F Monaghan, Mary Deford and family, George Butz and family; Louis Garnier and family, Mr G Gilbert; Mr and Mrs Brodbin, Mr and Mrs C Jacobson, Mr and Mrs Maltais and Eugene, Mr and Mrs Bernard Garnier; Mr and Mrs Alex MacPhee; John MacMillan; Mr Gus Garnier; Miss Mary MacPhee; Mr and Mrs J MacGillivray; Mrs John MacMillan; Mr and Mrs A Fisher; Mr and Mrs. Tom Foy; Mr and Mrs. P Mulgrew; Mr and Mrs A. Lawrence; Mr and Mrs Sandy MacMillan, Mr and Mrs M Rudyk; Mr. and Mrs D McCormack Jr.; Mr and Mrs. Ernest Garnier; Mr and Mrs Jim Martin; Mr and Mrs Dan McMullan; Mr. and Mrs Michael Brodbin; Mrs. McGuckin and family; Mr. and Mrs. Jas Martin and family, Mr and Mrs Art Lawrence; C. W. L. Dewberry, Mr. and Mrs Pat McCormack, Mr and Mrs P Convey, Mrs. Maguire and Mick, Mr and Mrs. Philbin, Mr and Mrs H O'Rourke; Thos Brodbin, Mr and Mrs John Cusack, Pat O'Neill and family, Tony Convey, Mr and Mrs. Ervin Garnier.

Donations to Crippled Children's Fund: Mr. and Mrs. P Brix; Mr. and Mrs. N Goodman.

Sympathy cards were received from: Sr Marie Celine; Rene and Herb Dorey and family; Phil Kay and Gwen Zaph; [illegible] and Hazel Kada and family; Stewart and Inez Hartwell, Mr Selwood; Louise Wilkinson; Mr and Mrs Philbin and Joe; Lena Goad, [illegible] Lawrence; Mr Walter Frost and family; W and F Seal; Iris and Harry Williscroft; Gladys and Charlie Climie; Mrs Ada Hartwell; Charlotte and Ed Barclay; Alice Brix; Mable and Fern Walters; Mr and Mrs John Roberts; Eugene Zaph; Isabel and Ernie Lawrence; Mr and Mrs Clyde Hicks; Lenore Laith; Sister M Elain; Elda and Eddie Etherington.

Floral tributes: Mr. and Mrs Mike Osinchuk.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Hugh O'Rourke of Clandonald announce the engagement of their daughter Kathleen, to Bill Snider of Brisco, B. C. The wedding is to take place on Thursday, October 23 in the Columbus Church, Clandonald. A dance will be held in the Clandonald Hall.

Old friends here were delighted to renew acquaintance with Mrs W. S. Roberts who for many years lived on the Grizzly Bear ranch south of Vermilion. She now resides in England and was in Canada visiting her son David who lives near Toronto. Daughter Judy is a nurse and lives in England. It is 26 years since the Roberts family left Vermilion and returned to England. While here she was a guest of Miss Grace Bury, visiting at other homes as well.

Miss Hazel Barr of the teaching staff at Westlock was home to attend the banquet held jointly by the ladies' and men's fastball teams on Saturday evening.

Miss Connie Harle of the nursing staff of the University hospital, spent from Friday to Sunday at her home in town.

Mr. and Mrs. Ashley Cooper and daughter Lois spent last week end in Edmonton, guests at the home of their son - in - law and daughter, Mr. and Mrs. Victor Kusek.

Mr. and Mrs. Bill Sutherland returned last week from a holiday spent visiting their son - in-law and daughter, Dr. and Mrs Don Lesniski at Vernon, B. C., not to mention little grandson Douglas Glen whom they saw for the first time. The trip westward was made by all - Canadian route through Nelson, up the Arrow Lakes road to Nakusp, B. C. and from there across the Monashee to Vernon. By that route a person gets plenty of scenery and mountain roads.

After residing here for many years Mr. Percy Moffatt left last Saturday to make his home at Unity, Sask., where he has a married daughter living.

Ed Baldwin left last Friday for Oliver, B.C., where he will spend the winter months at the home of Mr and Mrs George Van den Dolder.

David E. Brown is planning to leave on Wednesday of next week for St. Mary's, Ont., where he will visit his brother and sister for a month.

BORN — To Mr and Mrs. R. Donkin (nee Pat Fenton) at the Vermilion Municipal hospital on Friday, Oct. 3rd, a son Kenneth Richard, weight 8 lbs. 10 oz.

Honoring Miss Florence Mills of Alcomdale Mrs C. A. Ferguson entertained in Edmonton recently at a cup and saucer shower. Miss Mills will marry Mr. Rod Hines of Vermilion on Thursday, October 9.

How about your SUB?

Mrs. W. J. Garnett was bereaved by the death of her father William Edward Massey this week at Bishop Auckland, Durham, England. He was 91 years of age.

Mr and Mrs Don Allen who left here 36 years ago to reside at Whitby Island (Seattle) Wash., spent from Friday to Monday in Vermilion, guests at the home of Mr and Mrs R. H. Norton. Don was a member of the staff of the Bank of Commerce here before the first world war, enlisted and went overseas. On his return he worked as accountant of the Superior Lumber Co., then ran the company's yard at Islay for two years before moving to the west coast. Mrs Allen is equally well known in Vermilion being the former Ella Greenskies, a girl who grew up here.

Mr and Mrs Percy Willies arrived home this week from a trip to England and the continent. The journey both ways was made by air.

Returning home recently after a two months visit to old home scenes in England were Mrs. Victor Tillet and two daughters Vivian and Rosemary. It was Mrs. Tillet's first return to the old country since coming to Canada shortly after the war.

Mr. and Mrs Doug Thompson returned recently from a motor trip and holiday to Salt Lake City and San Francisco.

Mr. and Mrs. Hank Tellefson have moved to Fairview, Alberta where they plan to reside in future.

Mr. and Mrs. Joseph Green were in Edmonton recently to attend the wedding anniversary of Mr. and Mrs. Elias Polson. Mr. and Mrs. Polson were married in 1913.

Mr. Ernie Rust of the Regina Leader-Post was a caller at the Standard office on Tuesday, passing through town on his way home from a holiday trip. He was accompanied by Mrs. Rust.

News from Dewberry

Jimmy Jones and Ronald Mathison are students at the University of Alberta for the present term. Ronald is in his first year and Jimmy is taking the second year of his four-year course.

Jean Craige has enrolled at the Vermilion School of Agriculture this year. Good luck to these students in their scholastic endeavors.

Jim McGillawee is a patient in the Vermilion hospital. A speedy recovery is wished him and all other sick people.

Congratulations to F/O and Mrs. A. R. Haskell on the birth of a daughter Sept. 5th, Ramona Louise. A sister for Ronald. Flying Officer Haskell is stationed at Florida.

Congratulations also to Mr. and Mrs. Bob McRobert of Yellowknife on the birth of a 7 lb., 7 oz. baby girl Sept. 14th. A sister for Gerry and Billy.

Robert Wilson is being congratulated on winning the No. 1 Gateway Barley award.

Potatoes are still in the news. A 3 lb. 4 oz. one is to be seen in the Dewberry Shopping centre. Bigger ones have been recorded but this one is a replica of an Oriental face. Eyes, nose and mouth are quite distinguishable.

Bill Wilkinson (Pinkie) has returned from a three month vacation in Gloucester, Eng. He reports having a good time with his brother and relations there. A great many places were visited and enjoyed but rain and more rain was the order of the day. He enjoyed the ocean voyages very much — but there is no place like Sunny Alberta, and especially Dewberry!

A date to remember — Nov. 5. That is the date of the Ladies' Aid chicken supper. This is an annual event and anyone who has attended in previous years needs no urging we are sure, to attend this one.

Hello Joe K., hope you had a pleasant birthday.

Happy Hour Groups Visit at Mannville

MANNVILLE — Members of the Happy Hour W.A. of Christ church, Mannville were hostesses recently to Happy Hour W.A. of St. Saviour's, Vermilion with twelve of the latter group attending. Hilariously funny was a game played which required the contestants to recite the first verse of an old nursery rhyme in the manner prescribed by an adverb given to each. First class interpretations were enjoyed to the utmost. Never a dull moment was noted as pennies were dislodged etc., in one game and memories proved keen in a sight contest. As the two sister groups bade each other farewell it was unanimously decided to visit more frequently to have these evenings of fellowship.

MATTER OF PRIDE

After all it takes a lot of courage to admire the man who made a success of what you gave up as a failure.

Aid Plans Annual Chicken Supper

The monthly meeting of the Dewberry Ladies' Aid was held at the home of Mrs. W.S. Porter with twelve members and six visitors present. Following the opening hymn Mrs. George Ewen gave the Bible reading and Mrs. Harold Craige read from the Upper Room.

Plans were made for the annual chicken supper which is to be held in the hall on Wednesday, Nov. 5 from 5:30 to 8:00 p.m. It is hoped that two showings of films will be held in the United Church after the supper, one at 7:00 o'clock and the other at nine o'clock.

It was decided that the Aid would do the catering for Betty Ewen's wedding on October 17 and plans for it were made.

Mrs. Harold Cooper was introduced and gave a very interesting talk on the United Church School for Women which she attended recently. It was enjoyed by everyone and the speaker was thanked for her talk.

At the close of the meeting a lovely lunch was served by the hostess, assisted by some of the [illegible].

The next meeting will be held in the church on November 13 and each member is asked to bring a little lunch. Due to the chicken supper, this meeting will be a week later than the usual day, so members are asked to please note the change.

VERMILION — ALBERTA

Drive Aims For Home Inspection To Aid In Fire Prevention

A man's home is his castle. This tradition is sacred to the program of voluntary or courtesy home fire hazard inspections by local fire services. Whatever the program, general details of which are explained in this issue of CANADIAN FIRE NEWS, inspection of any home is subject to the friendly wish of the owner or tenant, without expense or involvement of any kind to him.

Fire officials of all communities of Canada find that removal or ordinary hazards most common to fires in the home are a most satisfactory way of curbing the growing loss of life and property. Of course, it does not need a trained fire fighter to suggest, for instance, throwing out trash and rubbish. Such simple things are part and parcel of ordinary good housekeeping. A tidy house seldom burns.

McLAUGHLIN'S SELF-SERVE

Mannville and District Local News

Mrs. L. Colborne is spending some time visiting at the home of Mr. and Mrs. Leo Colborne, Edmonton.

•• • ••

Fred Prill who is presently hospitalized here, expects to be able to leave there soon.

•• •• ••

Stella and Theresa Majeau were recent Mannville visitors, attending the funeral of Mrs. K. Hogan.

•• • ••

Miss Betty Proudfoot was home over the week end, and was organist at the above funeral.

•• • ••

Edith O'Connor and Mrs. Matney are moving into the Coulter house and Maurice Smith, his wife and family are moving from their present location to Edith O'Connor's present one.

Miss Donna Doherty was a guest last week end at the Edmonton home of the Vanduzen family, recent Mannville residents who were in business here.

•• • ••

Phyllis Tymchyshyn was a week end guest of Gail Mercer at the M. Mercer home.

•• •• ••

Rev. H. Dunstar and Mrs. Dunstar of Fort McMurray spent the week end at the home of their pioneer friends and neighbors, Mr. and Mrs. E. B. Allen.

•• • ••

Johnny and Neva Batt, and children Margaret and Larry were Sunday guests at the home of Mr. and Mrs. C. Hughes.

•• •• ••

Calling for a visit on Thursday at the R. Lugg home were Mrs. Margaret Hamilton, R. N., Mrs. E. Barlow, and a Presbyterian minister in training, Mr. Dennis Mahood, all of Edmonton, en route to Lloydminster to attend the induction service of Rev. [illegible].

•• • ••

Lloyd Boe has purchased the A. Gerhart house, while Alf is having a new house built on his extra lot.

•• •• ••

Mr. and Mrs. Mitchell of Busby are at present a guest of their daughter, Mrs. Stan Boe. Mrs. Mitchell came to attend the funeral rites of Mrs. Hogan, with whom she went to school.

•• • ••

Mr. and Mrs. R. H. Thompson, formerly of McMurray, now of Edmonton, spent Sunday at the R. Forsyth home.

•• • ••

Elaine Rea, while enroute to Edmonton recently, stopped over at Fort Saskatchewan and enjoyed a visit with the MacPherson family.

•• • ••

Mrs. Blackford has had her sister visiting her recently, namely Mrs. Gordon McTavish of Calgary.

•• • ••

A number of Mannville senior W. A. ladies attended a meeting at the Chailey home of Mrs. Sutton, who resides with her daughter Marjorie.

•• • ••

Mr. Lorne Scoggins is at present in Calgary where he is taking a chef's course.

•• •• ••

Rain, which fell Monday has put a stop to harvesting operations which had just been in full swing again. A good wind would help matters a lot now.

Check that date on your label.

Mannville Men Bag Canada Geese

MANNVILLE — Emery Matney and Malcolm Morrison who have been hunting in the area around Consort, returned home with seven Canada Geese, really fine birds. These will provide a few tasty meals.

WILDMERE WINKS

We always seem behind with some news items such as little Billie Cruthers celebrating his sixth birthday not too long ago, Sept. 24th to be exact, by having sixteen little friends in to a delicious supper served by his mother and helpers. May you have many more happy birthdays Billie.

Deepest sympathy to the Clark family on the loss of a father and grandfather. He was always so cheerful and his happy smile was greatly missed while he was ill in the hospital. Rev. MacKay gave a comforting sermon at Mr. Clark's funeral on Saturday at the United Church. Many friends attended and followed the remains to their last resting place in the Vermilion cemetery. Pall bearers were Art Tuey, J. Wallington, Eric Madill, Bill McGinnis, Tom Watt and Jim Ross, all old friends of the deceased and his family.

Preston Central Home and School will commence meetings this fall on Wednesday, Oct. 22 at 8 p.m. in the school, so plan to attend. Maybe the teachers will have something new to tell us after the teachers' convention which is being held in Vermilion on the 20th and 21st. Mrs. E. Alexander is president of the H. & S., Mrs. J. Wallington secretary-treasurer. Only two of the program committee have so far been chosen, Mrs. Cruthers and Mrs. Gibson.

Bobby Graham has commenced working for Curtis Martin in the tin shop.

We are all sorry to hear of the recent accident of Mr. and Mrs. Walter Lysons. Mrs. Lysons is still a patient in hospital. Quick recovery to you both, Della and Walter. Their little daughter also suffered cuts to her face. Walter, only recently recovered from polio, suffered shock.

Jack Morrison of Bowtell is wished complete recovery from a recent polio attack. May you soon be out of hospital and home once again.

A car accident Saturday night north of Islay sent Neil MacLean and others to hospital. A quick and complete recovery is wished all those injured.

Rev. MacKay will hold church service on Sunday at Preston Central school at 3 p.m. All are [illegible].

Mr. and Mrs. Frank Gibson, Isabelle and Ernest of Basswood and Mr. and Mrs. R. Martin of Vermilion were in Edmonton on Sunday to see the Yanks and Braves play on TV. They visited Mr. and Mrs. Dan Ford and family, brother of Mrs. Gibson.

Wildmere can now boast of a television set and it works very well too. Mr. and Mrs. Wm. Smith have installed one. They have had lots of company lately, folks dropping in to see the ball games. The Smiths have also installed a propane furnace. It will be nice to see the Smith home occupied again this winter. It stood empty several winters when the boys went to the coast each fall.

Farmers hereabouts must be figuring on another dry summer next year as Roy Dibben and Lloyd Howard have had dug outs made on their farms and we hear Pete Ruud of Woodvale is also having one dug. We certainly hope they are full to running over next summer.

The dance sponsored by Mary Gibson, Betty and Marie Smith of Basswood on Friday evening last was a success both in enjoyment and financially. Proceeds go towards enlarging Basswood community hall. For-You orchestra furnished the music. Charlie Sweeney was M.C. Arnot Brown kindly brought along his portable electric plant to provide the [illegible].

Wildmere W. I. plan a fowl supper Nov. 7th at Preston Central. Keep this date in mind folks and plan to attend. The Wildmere Beavers Girls' club will help serve. More about this in the Standard later.

Betty Smith, daughter of Mr. and Mrs. Albert Smith of Basswood commenced working in the Telephone office in Vermilion on Monday. Good luck Betty.

We noticed in the Journal not long ago where Mr. and Mrs. Alan Hemstock (nee Diane Wiebe) had their two months old son baptized Mark Alan, in the Robertson United Church, Edmonton. Diane is the daughter of Mr. and Mrs. Art Wiebe, formerly of Vermilion.

Mr. A. Holtz and Laurence [illegible] both Edmonton visitors last week.

Housewives who have found that polythene dishpans are good for clean-up jobs around the house as well as for washing dishes should give their stamp of approval to the newest ones now on the market. They're made with two handles, making them easier to carry about from job to job.

What does YOUR label read?

CARD OF THANKS

We wish to thank our many friends and relatives for their floral tributes, donations to the cemetery, crippled children and memorial funds, and for the messages and cards of sympathy given to us in the loss of our beloved father and grandfather. A special thanks to the pall bearers, doctors and staff of the Vermilion municipal hospital who attended.

Gladys, Leeman, Fred and Margaret Clark and families.

Tips on Touring

By Carol Lane
Women's Travel Authority

When you are out enjoying the drives through the gorgeous fall foliage, watch out for wet leaves matted on the roads. The leaves can be as slippery as banana peels. Worse, in fact, because there are more of them and their hazard is unanticipated.

When you run into a leaf-littered stretch of road

1 Drive slowly.

2 Avoid applying brakes suddenly. Light gradual pressure on the brake pedal is safer.

3 If you feel yourself skidding, turn the front wheels in the direction of the skid and do not apply brakes until the car straightens out.

4 Above all, make sure your tires and brakes are in first-class condition as you go into fall and winter. The first falling leaves are your signal to see a service station or garage man.

Autumn is one of the finest times of the year for traffic-free Sunday drives and week end jaunts. But be careful of seasonal slipperiness.

Some people are so greedy that they won't even refuse a second helping of trouble.

Too Late to Classify

FOR SALE — 20 White Sussex year old hens, $1 each; 5 geese; 10 large White Pekin ducks. Apply Mrs. Joe Carlton, 4½ miles north of Clandonald. 13-14

"A" Coy. L.E.R. Notes

The members of "A" Coy plan to hold a shot gun shoot at the local airport Saturday afternoon, October 11. See this issue of the Standard for further details.

The winter courses have now commenced. Sgt. Southgate of Edmonton will be in attendance to instruct on Civil Defence, with Capt. Evans in charge of the First Aid courses. The first aid course of some sixty periods will lead to the St. John's Ambulance badge.

The local unit has been increased in strength considerably with the addition of No. 2 platoon of Vegreville and No. 3 platoon of St. Paul. St. Paul was formerly an artillery unit and is now in the process of transferring to the infantry under the command of Capt. Scales of "A" Coy.

Vermilion area has been fortunate to date in that no snow has fallen here. Reports from other Alberta points show snowfall up to nine inches.

4-H NEWS from Marwayne

The first meeting of the Marwayne 4-H Clothing club was held on Sept. 22nd with eight second and twelve first year members in attendance.

The following officers were elected:

Pres. — Jacqueline Crichton
Vice-Pres. — Donna Giles
Sec'y. — Betty Ann Murray
Treas. — Charlotte Tupper
Reporter — Gertrude Tupper

Miss Donna Shantz, District Home Economist, gave an interesting talk on the projects that we are going to do during the club year. It was decided to buy an electric sewing machine to use at the meetings.

The leader, Mrs. Jim Hale and assistant leader Mrs. H. Hutchinson, gave assignments which are to be done for the next meeting.

An enjoyable lunch was served and some of the mothers who were present were welcomed.

All girls between the ages of 12 and 21 are welcome to join.

MARWAYNE NEWS

Congratulations to Mr. and Mrs. Norman Murray on the birth of a daughter. They visited at the Kinshella home last week end.

Edmonton visitors last week were Mr. and Mrs. Reinheimer and Judy, Ken Brown and the Meiklejohns.

Mrs. Doull spent a week in the city visiting her new grandson, born to Mr and Mrs. Gordon Hodgson, and also the rest of the family there.

Crown Hill school was crowded with ladies on Saturday Sept. 27th when a shower was tendered Joyce McClean in honor of her marriage to Clayton Henry.

Congratulations to Mr. and Mrs. Clayton Henry who were married in Grace United Church Lloydminster, on Friday, Oct. 3. A reception was held in the Elks hall, Marwayne, with a dance in the evening.

We are pleased to report that a local boy, Verne Franklin, was chosen best all-round cowboy at Edson Rodeo. Verne brought home the Commodore Hotel trophy, $50 cash award, donated by The Western Signal, as well as other prizes donated by the merchants of Edson.

Congratulations to Mr. and Mrs. Sydney Quist on the birth of a daughter.

"SCIENCE IS ORGANIZED KNOWLEDGE"
— *(Author's Name Below) —

"The Health Team" is waging a continuing battle against disease. Research physicians are exploring every possible method that can diagnose and treat sickness better.

Working closely with them are the pharmaceutical chemists who even create new chemicals. Many of the drugs now in your prescriptions were invented because of the necessity to solve a particular problem.

Our chief duty, as pharmacist members of "The Health Team", is to make certain that when any particular medicine is needed we are prepared to dispense it.

A great many people entrust us with the responsibility of filling their prescriptions . . May we compound yours?

Health Unit Notes

INFECTIVE HEPATITIS

Jaundice is not a disease but a symptom of a disease. There are many different types of jaundice but we are concerned at the moment with one type only namely, infective hepatitis which is a communicable disease.

During the month of September, nine cases have been reported to our office which have occurred around Vermilion and we thought it wise to acquaint you with some facts about this disease, its transmission and prevention.

CAUSE

The causal agent is a very, very small germ termed a virus.

METHOD OF INFECTION

The usual method of spread is by a droplet spray from one's mouth by coughing, sneezing and often by talking, among close contacts. It is generally agreed that personal contact either with an actual case, or with a contact incubating the disease, is the chief mode of spread. The hands, clothes or personal belongings which have been soiled by the excreta of infected persons are also cited as sources of infection.

The most important factor determining the number of a community who will get the infection, is the degree of immunity in the local population. The patient is infectious for at least one week before the appearance of jaundice.

SEASONAL INCIDENCE

Outbreaks are more common during autumn and winter.

AGE INCIDENCE

Though no age is exempt, children more often develop the disease.

MORTALITY

The number of patients who die are few and these deaths more commonly occur when no medical advice has been sought. The important thing to remember is that all cases are potentially dangerous and your physician should always be consulted.

INCUBATION PERIOD

This may be up to six weeks. In other words a person may be in contact with a case, incubate it and not actually develop the disease himself for six weeks.

SYMPTOMS

The symptoms depend on the severity of the disease and this may be mild or severe. It is usually heralded by some days of raised temperature, nausea, vomiting, abdominal pain, and then the jaundice appears. The urine becomes dark in color and in a heavier infection the bowel matter becomes a white color. Spontaneous recovery is the rule but in all cases of infective hepatitus, consult your family physician.

PREVENTION

1. Report all cases to your Local Health Authority. (Phone Vermilion 502.)

2. Isolation of cases must be maintained for a minimum of seven days from the onset of the disease.

3. Immune Serum Globulin (Human) is and in chosen cases only, with apparent success.

4. Good community sanitation

5. Personal hygiene with particular emphasis in the sanitary control of bowel matter and respiratory discharges (i.e. running nose.)

6. Complete and proper washing of hands after being to the toilet.

7. Your Medical Officer of Health may adopt other special measures if he thinks necessary.

8. All cases nursed at home should have their own crockery which should be disinfected with boiling water after use and should be used only by the patient. Special care should be taken in handling excreta of a case and the hands washed thoroughly after it.

Remember, always consult your family doctor; leave nothing to chance, it can be serious.

BABY & PRE-SCHOOL CLINICS

Monday, October 13 — Vermilion (Clinic will be cancelled due to a holiday.)

Tuesday, October 14 — Wainwright (Office) 2 to 4 p.m.

Thursday, October 16 — Edgerton (Office) 2 to 4 p.m.

Friday, October 17 — Mannville (School) 10 to 12 noon.

Friday, October 17 — Minburn (school) 2 to 3 p.m.

Lord Mountbatten To Open National Legion Meeting

OTTAWA, Ont. — Admiral of the Fleet The Earl Mountbatten of Burma, K. G., P.C., G. C. B., G. C. I. E., G. C. V. O., D. S. O., will open the Canadian Legion's Dominion Executive Council meeting here on Monday, October 6th.

The announcement was made by Legion Dominion President D. L. Burgess, M. C., M. B. E. who said that Lord Mountbatten is expected to speak to the 30-man council at 9.30 a.m.

Another highlight of the Legion meeting will be the presentation of a brief to the Prime Minister and members of his cabinet on October 8.

Lord Mountbatten is Grand President of the Canadian Legion's parent body, the British Commonwealth Ex - Service League.

The council meeting is one of two held each year at which Legion representatives from all provinces and some American states are present. Among the other items to be discussed will be the Canadian Legion Youth Training Plan, the Foster Father Program, and the national Legion curling bonspiel to be held in Lloydminster, Sask.

C. L. Y. T. P. is a $25,000 a year program of coaching for track and field athletes. The Foster Father Program relies on individual Legion members to assist youngsters whose fathers died in or because of war.

Anglican Young People Raise Funds By Washing Cars

MANNVILLE — Saturday of last week saw an enterprising group of Anglican young people washing cars in the school grounds. A system was worked out whereby a car was first washed, then driven by the happy group to the second "section" where another group polished the glass and chrome and finally to the last move where the car body was dried and polished. In all, 36 cars went through this washing process, making the day's proceeds worthwhile.

Hard Surfaced

The entire property of the North Star Service station on highway 16 has been hard surfaced with asphalt procured right here in town. This adds materially both to the appearance and convenience of this fine service station.

SHOWING AT THE CLANDONALD THEATRE

Oct. 10 and 11 "National Velvet," starring Mickey Rooney and Elizabeth Taylor. In technicolor. Oct. 17 and 18 "The Vagabond King" starring Kathryn Grayson and Oreste in technicolor.

Red Cross Juniors Promote World-Wide Friendship

More than 64,190 elementary and high school students in Alberta participated in the Junior Red Cross programme during the past year and through varied money raising projects contributed $11,746 for assistance of handicapped and crippled children in the province and provided $5,352 worth of supplies for international relief. This information was revealed in the annual report of Mr A. A. Aldridge, Supervisor of Guidance for Alberta and chairman of the provincial advisory committee of the Junior Red Cross.

On the local and provincial scene Junior Red Cross members directed their assistance toward handicapped children, providing toys, books, clothing for Eskimo and Indian children. They raised $1,984 to assist in financing heart surgery for a little girl in University Hospital Edmonton, and supplied young patients in the Alberta Crippled Children's Hospital with toys and clothing as well as providing cutlery and kitchen utensils for hospital use. Value of contributions in this regard amounted to $637.

Juniors also conducted special drives to provide canned and fresh fruits and vegetables for the hospital, sent clothing to Ft McKay Indian School and layettes to Immaculate Conception hospital at Aklavik, N. W. T. Toys and warm clothing were also sent to Eskimo and Indian children in northern Alberta through efforts of Jr Red Cross members of the Edmonton Inter High School Council. During the year Juniors also entertained shut ins and senior citizens and provided assistance to needy [illegible].

Red Cross Juniors sent 13 cases of supplies valued at $1,818 to Yugoslavia, North Borneo, Ecuador Austria and Hungary in 1957. Included in these shipments were sewn and knitted garments, quilts, afghans, school supplies, toys and health kits.

Promotion of [illegible] friendship with classmates around the world was achieved by exchange of art, craftwork, tape recordings and correspondence albums.

Interest in the health promotion programme of Junior Red Cross also continued active in branches throughout the province.

INFESTATION IN STORED GRAIN

Surveys carried out by stored product entomologists of The Canada Department of Agriculture show that many granaries in the prairie provinces are infested with mites and insects. These have been found in floor and wall cracks in loose grain on the floor and plates, and in crusted grain on wall studs. Every precaution, therefore, should be taken to see that granaries are thoroughly cleaned, prepared and, where necessary, sprayed with insecticides to prevent possible damage.

NEWS from ALLANDALE

Weather has been agreeable and harvesting is being carried on again after a long wet spell.

On Sept. 20th Mr. and Mrs Louis Baldock and Mother Jacklin motored to Camrose to spend the night with the latter's aunt and uncle, the Hogaboam's, continuing on Sunday to the city to visit daughter Beryl and Tom Greaves and family.

Mrs Norman Anderson (nee Myrtle Anderson) and daughters from Lloydminster have moved to Bonnyville. Mrs. Anderson is on the teaching staff at that town. Norman will be joining his family later.

Bill Armstrong is very proud of his Pontiac variety of potatoes and rightly so as many people are short of spuds this year due to the drought. The Pontiacs yielded well many of them weighing in the vicinity of two and a half pounds.

At the Omness farm a large tomato of the Beefsteak variety is holding the spotlight. It is eighteen inches around.

Mr and Mrs. Idelore Nelson and son Leslie motored to the city on Sept. 29th, returning on Tuesday.

Mr. Gordon McPhee of Camrose was a visitor at the Herb McPhee home for a week, arriving on the 29th.

Mrs. Mabel Lee from town accompanied Mrs. Stella Mayers to Wainwright visiting relatives there. While in the southern town Mrs. Mayers was taken to the hospital as she had been bothered with a bad cold.

Mr. and Mrs. [illegible] Whelan and family and Mrs. Whelan's father Orley Omness went to the city on Oct. 1st to spend a few days at the Walsh home. Orley enjoyed seeing the first game of the World's Series baseball on TV. The Whelan family will continue on to their home in Calgary.

A social evening was enjoyed on Sept. 26th at the Vermilion United Church hall when the Couples' club met for their monthly meeting. It was grand meeting Mrs. MacKay's parents Mr and Mrs. Scott from Calgary and renewing acquaintances with other couples.

On Oct. 4th the Omneses were supper guests at the lovely new home of Mr. and Mrs. Milo Fleming in the east end of town.

Closing Thought: You are richer today than you were yesterday if you have laughed often, given something, forgiven even more, made a new friend today or made stepping stones of stumbling blocks. If you have thought more in terms of 'thyself' than 'myself' or if you have managed to be cheerful, even if you were weary.

Peace River Plans

Wenner - Gren British Columbia Development Co. may move soon to develop the huge hydro power potential in the Peace River district of northern British Columbia, according to The Financial Post. It is understood that

A definite decision has been made to go on with [illegible] stages of the giant hydro development program right away.

Arrangements to this effect have been completed with the British Columbia government.

Cost estimates of the power development varied between $400 [illegible].

Second Annual Swine Show and Sale At Camrose

Plans are finalized for the second annual Alberta Advanced Registry Swine Show and Sale to be held in Camrose on October 14, 1958. The Alberta Advanced Registry Swine Breeder's Association is a relatively new organization, having come into being in the spring of 1956. It is incorporated under the Societies Act, registered with the Registrar of Joint Stock Companies in this province. The chief aim of the Association is to improve the quality of breeding hogs in Alberta and elsewhere.

Last year the Camrose Agricultural Society and the above mentioned organization combined forces to stage a successful sale of selected Advanced Registry Breeding Swine. Similar arrangements have been made this year. Facilities to handle the sale have been expanded this year and it is hoped that weather conditions will be better than was the case a year ago.

Interested parties may have a copy of the catalogue upon application to the secretary, Stanley [illegible], Box 328, Camrose.

Pleasant Valley

Who's afraid of the big bad wolf? Well I guess we all are as there is one roaming around the country south of here that has taken five little pigs from the Simmons' farm. We also hear of bears in the Elk Point district.

At time of writing the weather is lovely and the men are busy trying to finish up the harvesting 'ere winter sets in.

The writer met quite a few old friends and neighbors on Saturday including Mr. and Mrs. [illegible], Mrs Van den Dolder and Mrs. Cummings. Mrs. Van den Dolder was on her way to buy a new hat. Methinks we will get one too, it seems to lift up one's morale a bit, especially [illegible] hubby sees it.

The lodge meeting was held at the home of the writer on [illegible]nesday. It was so nice to see Mrs Freestone and Mrs. Risdale. The wonder bulb is in full bloom ladies, and there are eight crocus-like flowers in a pretty pale mauve shade.

Congratulations are [illegible] to Mr and Mrs. Payne on the birth of a son.

We hope Mr. Wallington is feeling much better again, also Mrs Monaghan.

Autumn leaves are falling now and there have been slight frosts at night. Trees have been beautiful this year with their many coloured leaves. All will soon be lost and trees will stand gaunt and bare.

Don't forget to dig up those bulbs and let them dry in the sun.

[illegible]

Public corruption couldn't exist without private compromise in the background.

OILFIELD MOTORS
Sales and Service

The Super "88" Holiday SceniCoupe is one of two new body styles offered by Oldsmobile in 1959. The Oldsmobile has been completely restyled, with more glass [illegible] and luggage space and a host of engineering and accessory advancements. Steering is easier. There are new Air-Scoop brakes on all four wheels. Two new engines will mean greater operating economy. The windshield, with up to 870 square inches more glass, cuts deep into the roofline to give an unhindered view of overhanging traffic signals. The wide, heat-resistant band across the top of the tinted rear window reduces heat penetration by about 84 per cent. Sculptured twin booms sweep full length along the body, highlighting Oldsmobile's unique two-tone styling for 1959.

BOWTELL BULLETIN

Drying winds of the last few days have made it possible for the combines to start up again. Here is hoping that the weather has settled now.

Sorry to learn at time of writing that Jack Morrison is a patient in the hospital. Best wishes for a quick recovery.

We wish to extend our deepest sympathy to the Macnab family in their recent sorrow.

We are sorry to hear that Mr. Gow is leaving Borradaile after many years in charge of the National Grain elevator. However, he is not leaving the district as he is only moving to the late L. Conacher's former place.

Congrats to Mr. and Mrs. Joe Payne on the birth of a baby boy in the Vermilion hospital on Sept. 30th.

Charlie Pierman journeyed to Edmonton Friday and returned with a truckload of cattle.

The October meeting of the Loafers' Club was held at the home of Mrs. B Gould. All were pleased to have Mrs. Free[illegible]. It was decided to have a sale of home cooking and farm produce on Oct. 21st. Watch your Standard for further particulars. Two prizes were kindly donated by Mrs. Millar and Mrs. Risdale for lucky draws. The November meeting will be held at Mrs. Williams'. A pot luck supper is to be served on that occasion.

Mr. and Mrs. Caro are now living in Vermilion.

Ye writer would like to thank the following for their help during harvest time, Frank Robinson, Bill McGaughey, Christie Clark and Mr. and Mrs. B. Risdale.

George Lind Sr. was noticed home from Camrose.

Frances Sherwood accompanied her two cousins Bob and Tommy King to Edmonton on Sunday. The trip was made in Bob's new [illegible].

Neal Harrison left recently to work in B.C.

We are pleased to welcome Mr. and Mrs. T. Stocker and family to Borradaile. Mr. Stocker is the new National Grain elevator [illegible].

Vermilion certainly won't be the same after the departure of Mr. and Mrs. George Capatos for the coast but best wishes go with them. George's was the first shop the writer was in when we landed back in 1924 from England. He was located in the premises now occupied by the 5c to $1 store. Many of course will [illegible].

Something New For Vermilion!

There will be a shotgun shoot at the Vermilion airport on Saturday, Oct. 11th commencing at 1 p.m. Good assorted prizes will be offered to the winners. Cost will be only fifty cents each per relay of ten and shells will be supplied. Bring your own gun. A stationary 8 inch by 10 inch target is to be used placed at a distance of fifty yards. Highest number of pellets in the target wins. There is a prize of course for each relay. Everyone is welcome and a lot of fun is guarteed. Don't stand on the street corner and shoot the breeze — come on out to the airport and shoot the bull-ets! 12-13

Amateur Hour At Buffalo Coulee

An amateur hour sponsored by the Buffalo Coulee Students' Union will be held on Oct. 24th commencing at 8:30 p.m. in the school auditorium. Entries must be in by Oct. 22. Contestants wishing to enter please phone or write to Diane [illegible], R.R. No. 3, Mannville, ph. [illegible]; Kathryn Barlow, R. R. 3, Vermilion, phone 1903; Elaine Everett, R.R. No. 1, Wainwright, phone 1611. Lunch will be served and a door prize given. Good prizes for the winning contestants. Music for dancing too. 12-14

News from Tulliby Lake

The big rainfall that we could have used with beneficial results last June finally came along far too late — over the week end, puting a damper on harvesting operations. Some of the crops hereabouts were mowed, not being worth the binder twine. This will provide feed for some. As for crops that tasted the [illegible].

Alvin Ruud reports encountering a big black bear about one mile north of his home. Mr. Ruud had just entered a bush with his team and wagon when the bear appeared. The animal seemed all too friendly for comfort, resisting all the scares that Alvin attempted to drive him off. Not having a gun, Mr Ruud was only too glad to retreat in full speed for home.

Robert Nelson is attending high school this year at Kitscoty. He [illegible] and returns home with it for the week ends.

Mrs. I. Horness is visiting relatives and friends at various places in the U.S. and B.C.

The Alvin Lider's are now living in the former Vernon Anderson [illegible].

Lionel Benson has put himself in the farming business by purchasing some land north of Collin MacArthur's. He returned home from work in Edmonton last week to start harvesting operations on his newly purchased property.

Shirley Harrison is attending high school at Kitscoty.

Gordon Humble took brother George down to Lloydminster to receive another injection to help relieve his sufferings from asthma and hay fever.

The new teacherage at the Central High school is almost completed and what a fine looking pre-fabricated structure it is. Alvin Lider and Gunvik Ruud have [illegible] with its erection.

Deanna Adamson is taking her grade 10 at Marwayne. She is boarding at Carl Harrington's and takes the school bus from [illegible].

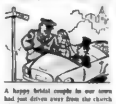
Jimmie Lee is back in the district once again. Jim is presently helping Cecil Trimble with his threshing operations.

The installation of a water and sewer system at the Tulliby Lake Nursing station has been completed by Bedard's of Lloydminster.

When mixing paint to match a sample color in large areas are darker than in small areas so the sample should be much less intense than the desired color. It's a good idea to look at the color choice in both day and light too, for colors appear different under various lighting conditions.

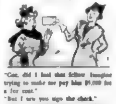
A solid business man isn't necessarily a hard character.

HAVE FUN!
by LIE BRYAN



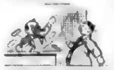
A happy bridal couple in our town had just driven away from the church when they heard the angry shrill of a state trooper's siren. Embarrassed the groom pulled over to the curb and asked what he had done. "Nothing," said the trooper, "but I've been in front of the church for two hours directing traffic for your wedding. "Now I want my chance to kiss the bride!"

A mild-mannered preacher received this thank you letter from a bridegroom he'd married: "Dear Reverend: I want to thank you for the beautiful way you brought my happiness to a conclusion."



"Gee, did I bawl that fellow [illegible] trying to make me pay him $9,000 for a fur coat."
"But I see you sign the check."
"[illegible]"
"[illegible]"
"[illegible]"

During an office "coffee break" a group of secretaries was discussing capital punishment. One, asked whether she would prefer electrocution or the gas chamber, answered: "Not gas! Gas [illegible]."



The sales manager was delivering a terrific dressing down to one of his salesmen. He became so abusive in his anger that the culprit protested, saying, "Don't talk to me that way. I take orders from no one."
"That's what I'm raising hell about," [illegible].

Giant Party Honors Premier Manning on 50th Birthday

EDMONTON — Social Crediters, often accused of being too distant and aloof, whooped it up last week with a giant birthday party for Premier Ernest C. Manning.

There were some 1,900 Albertans there to sing "Happy Birthday Mr. Manning". There was community singing, free birthday cake and coffee for everyone, a few brief speeches and even birthday presents.

The premier [illegible] his first [illegible] his farm [illegible] capital city.

He [illegible]

his 50th birthday and his 23rd year of public life.

The [illegible] was billed as a public birthday party for the premier and not just as Social Credit affair but most of those [illegible] were Social adherents. Nevertheless, we can't recall Social Crediters throwing such an informal fling before.

[illegible] listened with mild [illegible] Municipal Affairs Minister A. J. Hooke, an amateur [illegible] premier's [illegible]

THE GAY 90's

Gay 90's banquet and dance will be held in the Legion Hall on Oct. 23rd commencing at 6.30 p.m. Tickets must be purchased before Oct. 18th from L. Harestner, Ruby Cooper, C. Waldenberger and Jim Miller at Islay. Please consider this as your invitation as no other cards will be sent out. Members and guests only. 11-3

In year nineteen hundred and eight
A stork who were working near Carnduff
Dropped a bundle at Manning's gate.
They rushed out and unwrapped the package
To look at this tiny wee dear
They had to look twice to find him
Crops were short in Saskatchewan that year
[illegible] were madder than blazes
[illegible] felt like a bit of a dunce
[illegible] were a female that [illegible] were expecting
[illegible]

[illegible]

BOOST FOR TEACHERS

The government had good news for school teachers last week. Legislation will be introduced next year to raise their pensions to the level of those paid to retired civil servants. The new plan will calculate pensions on the basis of two per cent of salary per year of service instead of the present 1½%. Result: A teacher with the maximum 35 years of service will receive 70 per cent of salary.

LIBERALS LOST HAWRELAK

Edmonton's Mayor Hawrelak made it official last week — he won't be running for the provincial Liberal party leadership. He said his responsibilities to the citizens of Edmonton as well as family considerations make it impossible. At one time high ranking Liberals felt Hawrelak was the man to lead the party to victory. He combines a farm background with a successful career in civic politics and some strong feelings about provincial municipal relations. His decision leaves Grant McEwan, MLA for Calgary, as strongest contender for the position.

FREIGHT RATE BATTLE

Watch for a new attack by the province in the battle against sky rocketing freight rates. Premier Manning is preparing a direct appeal to Prime Minister Diefenbaker. He says 23 per cent rate increase sought by the railways will be borne almost 100 per cent by the prairies and the Maritimes. If the railways are [illegible] they should be subsidized by Ottawa and share the burden among all Canadians. At last reports eight provinces were girding to fight the railways' application.

Letters to the Editor

The Editor,
Vermilion Standard.
Dear Mr. Editor:

Today, a matter of prime importance to rural people is the matter of long term farm credit.

Under this heading are two acts of parliament:

1. The Veterans Land Act.
2. The Canadian Farm Loan Act.

The V. L. A. extends supervised long term credit at low interest rate to veterans of World War II.

The Canadian Farm Loan Act provides long term mortgage credit for farmers.

To these schemes may be added Alberta's new Farm Purchase Credit Act, designed to help the small farmer to acquire an economic unit.

All of these facilities are very [illegible] as far as they go [illegible]

As a result of the low [illegible] the price of land tends to be [illegible]

[illegible] buying them out.

In 1957 the average age of the [illegible] on the land in Canada was 53 years.

This while overwhelming numbers of our young men, often with farm training and many years of experience, are drifting into the labor market to compete for jobs.

This exodus of our young men is a terrific loss to the individual, to the industry, and to our nation.

Let's do something about it.

Support your farm organization and make your wishes known.

I ask you, Mr. Editor, for your valuable space.

Ralph A. Wilson

Polishing Silver

If fall housecleaning chores include polishing silver then have some [illegible] looking as bright as the day it was cleaned.

The Editor,
Vermilion Standard.
Dear Mr. Editor:

I've chosen the Thanksgiving season to bring your attention to a matter for which so far we cannot give thanks, namely the defeat of muscular dystrophy.

We estimate about 10,000 Canadians, mostly children, are suffering from this progressive and crippling disease of the muscles. Few of the child victims will live beyond adolescence. So far there is no known cure.

Our figure of 10,000 is merely an estimate because many parents aren't aware that there children have M.D.

These people should know that an association exists in Canada whose function it is to help them to find out if they have a victim of M. D. in the family, and to assist them in every way until a cure is found. This body, of whom I am honorary chairman, is the Muscular Dystrophy Association of Canada. They are spending thousands each year on research to find a cure.

By publishing this letter and encouraging your readers to let us know of cases in their families, their circle of friends, or their practices, you will be making a much needed contribution to the work already in progress aimed at defeating this disease.

The Muscular Dystrophy Association of Canada, with its head office at 137 Wellington Street West, Toronto, has local chapters and committees across the country. In Alberta, information will be gratefully received by Mr. J. L. Hunt, Secretary of the Alberta Chapter, 325 Superior Avenue, Calgary.

Yours sincerely,
Gus Ryder,
Honorary Chairman.

Our Co-Op!

We Did It!

IT'S OURS—

Lock, Stock and Barrel!

This statement will be voiced by the many member owners of the Vermilion District Co-Operative Association — it's the dream realized! By patient endeavor by the Board of Directors, Members and Staff it has brought us to this happy climax. From a meager start with $3500.00, we members now own our own business worth many, many times this value, and are now working on the payment of Cash dividends. **We're growing, with bigger sales and a growing membership. It's a good time for you folks to join with us!**

SPECIAL NOTICE TO MEMBERS

You are to be given a Membership Number. Cards will be issued showing your Membership Number . . this card you can carry in your bill fold. This is being done to better identify each member and to facilitate the better handling of your purchases. Next time you are in your Co-Op. Store, please ask for yours.

Yours truly,

BOARD OF DIRECTORS

Vermilion District Co-Op. Association Ltd.

Teachers From Three Divisions To Hold Convention Here

The Vermilion Convention of the Alberta Teachers Association will be held at the Vermilion School of Agriculture on October 20 and 21. Teachers from Vegreville, Vermilion and Wainwright will attend to the number of approximately 300.

Dr. H. T. Coutts, Dean Faculty of Education, University of Alberta, Edmonton, will be Alberta Teachers Association guest speaker. Hon A. O. Aalborg, Minister of Education and Dr. H. T. Sparby of the Faculty of Education are also scheduled to address the convention. J. D. McFetridge and Mrs. J. Saville will represent the Alberta Teachers' Association.

C. Gordon Strong of Vegreville is president of the convention committee and Frank J. Welsh of Vermilion is secretary.

Superintendents F. B. Facey, L. C. Hall, S. D. Simonson and high school inspector, O. Massing will be present in the capacity of consultants.

The convention gets under way with registration from 9 to 10 a.m. on Monday, October 20, followed by the invocation by Father Landrigan, and greetings by Mayor Hill of the town of Vermilion and an address of welcome by Mr. A. Palin, principal of the School of Agriculture.

The program is then replete with addresses and group discussions until 4 p.m. when a break is made for a tour of the Vermilion School of Agriculture, and the new Vermilion junior and high school.

At 6.30 there is a banquet in the V. S. A. dining room at which the guest speaker is Dr. W. H. Swift, Deputy Minister of Education.

The banquet is followed by a semi-formal dance in the V. S. A. auditorium.

Tuesday sees business sessions of the A. T. A. locals held, both jointly and separately with annual general meetings and election of officers.

Dr. H. T. Coutts will complete the two-day convention with an address on the topic "Who Should Graduate" on Tuesday afternoon.

Anglican Men's Club Meets

The men of the Anglican Club reconvened on Monday evening of last week after the usual summer recess. By tradition the club always starts the fall and winter series of monthly meetings with a dinner of Irish stew and this year was no exception. There was lots of it, it was tasty, and the common complaint heard was "I ate too much."

Guest speaker for the evening was Wm. B. Elford who gave one of his famous monologues entitled "Let's live and laugh." Bill claimed that the atom bomb is nothing new, that it was first used in the Battle of Waterloo in the year 1815, when Wellington gave the command, "Up guards and atom!"

Mr. Elford was introduced by president Jack Kneale and was thanked for his entertainment by Tom Watts.

The next gathering will be a supper meeting on Monday, Nov. 3rd. Everyone interested is invited to attend.

Dewberry Calf Club Elects Officers

The annual meeting of Dewberry 4-H Calf club was held in the Dewberry school on Oct. 8th with 16 members present with a possibility of five more joining.

First business on the agenda was election of new officers, resulting as follows:

Pres. — Norman Poitras
Vice-Pres. — Wayne Garnier
Sec'y. — Iris Hareluk
Treas. — Garth Sweet
Club Reporter — Stanley Curtis
Lunch Conv. — Sonia Garnier

Plans were discussed for the coming year and very good ideas were voiced by parents of club members and by the club members themselves. It is hoped a larger and stronger club will be developed this year.

Hey, Folks! Friday, October 17 Is Kinsmen Peanut Night

Yes, Mom and Dad, tonight, Friday, Oct. 17th is Kinsmen 'Peanut' night. The members of the Vermilion Kinsmen will be out in force and will call at every house in town to sell you a $1 pack of nuts. Be sure and buy a can or two — they are Planters and delicious.

What will the Kinsmen do with the proceeds? A natural question to be sure. Well, they will continue to look after the little folks of the town. They will again operate the wading pool as they have done now for several years past with a competent young lady to supervise it every afternoon of the summer months. Remember the Kinsmen Little League baseball team of 1958? That was a Kinsmen-coached team, organized and outfitted, uniforms and all, by the Vermilion Kinsmen. They make donations too, to several worthy organizations, mostly for the youth of town and country, give prizes to top students — well, sometime the Kinsmen must take a full page ad in the Standard to tell all about the good things they have done and are doing.

It would take a whole page to cover it all! In the meantime a Kinsman will be calling on you tonight so be ready with that buck or two to help along their wonderful work.

—S—

Don Cossack Chorus Thrills Audience Of 971 Here

The Don Cossack chorus thrilled a huge audience of 971 people gathered in the auditorium of the new Vermilion Composite high school on Friday evening last. At least there were 971 advance tickets sold for the event and no vacant seats were in evidence. Every available seat was sold a week before the concert.

The twenty-man chorus under the direction of Nicholas Kostrukoff, sang hymns, folk songs, airs from Russian operas, war songs and popular melodies. Three numbers featured group dancers who whirled in the spectacular steps of the Caucasus and Ukraine. The audience was caught by the spirit and spontaneity and greeted each selection with enthusiasm.

The appearance of the Don Cossack chorus which ordinarily plays only centres with much larger population, was sponsored in Vermilion by the Rotarians. So well was the fine entertainment promoted by newspaper advertising and publicity and ticket salesmen that every available seat was sold in the new auditorium several days before the appearance of the Chorus. The auditorium can seat 971.

The hope has been expressed that with a large and beautiful auditorium available in Vermilion, other fine entertainment by concert groups and artists will be brought here from time to time.

—S—

$1,000.00 Cash Is Big Prize At Curling Club Bingo

A dazzling $1000 in cash is the main prize at the Curling Club's cash bingo which will be held in the arena rink Saturday night, Oct. 18th commencing at 9.15.

Along with the big prize are eleven $50 cash prizes for the first 11 games. All in all, the Curling Club will distribute some $1550 of new purchasing power around the district that evening. Remember the place, the Arena skating rink at 9.15 p.m.

Calling All Foresters Banquet & Dance

All Foresters intending to attend the first annual banquet and dance of the Order on Friday, Oct. 31st at 6:30 p.m., are urged to pick up their tickets from the Crown Lumber, Vermilion Standard and Bert Moore or Gerry Isley as soon as possible. Deadline is Wednesday, Oct. 22nd.

Guests at this banquet will be the Forester Pony ball team, the champions of the Pony league.

Banquet and dance open only to Foresters and their ladies. Admission is $1.50 each.

New Citizen Guest At Board of Trade

Mrs. Sophie Kochan, a new citizen of Canada, who took her Oath of Allegiance at the District Court sittings here on Oct. 7th was a guest at the dinner meeting of the Board of Trade on October 8. Mrs. Kochan was born in Poland but the family moved to Canada in 1939. Mrs. Kochan was introduced by Mr. G. W. Sutherland, chairman of the National Affairs committee. Mrs. Kochan expressed her happiness at being in Canada and felt that it was an honor to be a citizen of this country.

Death of Harry Gates In Edmonton

Friends here will regret to learn of the death of Harry Gates, well remembered old timer of Vermilion who passed away in [illegible] recently. He leaves to [illegible] his passing his wife and [illegible]ford.

[illegible] was a recent visitor in Vermilion.

Scout Apple Day Saturday, Oct. 25

Vermilion Boy Scouts are holding their annual apple day tag on Saturday as well as taking orders for junior boxes of fancy wrapped Macintosh Reds.

The orders will be taken by the Scouts or may be phoned to Dr. King or Gerald Wilmer.

Apples will also be sold on the street Saturday by the Scouts. Everyone should buy an apple and thereby help the greatest youth movement in existence.

No canvass for funds will be made this year. This apple day is the only appeal that will be made.

I. O. D. E. Conduct "Help the Blind" Campaign Now Underway

The annual campaign for funds of the Canadian National Institute for the Blind will be held in Vermilion district from October 10 to the end of the month, sponsored by the Frog Lake Chapter of the Imperial Order of the Daughters of the Empire, Vermilion. [illegible] loss of sight, and to prevent blindness whenever possible.

For example, Jim [illegible], 17 [illegible] grade 10 last Christmas it seemed he would have to leave school as he could no longer keep up with the increased amount of work. Through the C.N.I.B. an eye specialist recommended a low vision aid and [illegible] the appliance was supplied by the C.N.I.B. [illegible] Alberta [illegible] found the [illegible] to continue his school work. His hopes [illegible] he will be [illegible] High School and enter the field of law.

More than [illegible] sightless persons are now being served by the [illegible] Institute for the Blind in Alberta.

Every person in this district [illegible] to participate in [illegible] to provide these services by contributing to the current campaign.

Donations may be sent to Mrs. Anne Shavchuk, Treasurer of the Frog Lake Chapter of the I.O.D.E., Vermilion, Alberta.

Registration At V. S. A. Reaches 147 — Term Opens Oct. 28

Registration of students at the Vermilion School of Agriculture for the term which commences on October 28 has reached the satisfactory total of 147 with still nearly two weeks until opening day. The 147 compares with some [illegible] when school opened one year ago. The only feature which causes some concern is the low number of young ladies registered, there being only 21 at present.

Attendance by classes stands as follows:

1st Year Agriculture	63
2nd Year Agriculture	41
3rd Agriculture	22
	126
1st Year Home Ec.	11
2nd Year Home Ec.	3
3rd Home Ec.	7
	21

Tag Day In Aid of Blind

The I.O.D.E. will hold a tag day in town on Oct. 18th with proceeds for the C.N.I.B.

The I.O.D.E. will also undertake the usual canvass of all business men for funds to aid the work of the Canadian National Institute for the Blind. 11-13

Dewberry Pioneer Passes Away

Mr. James McGillawee of Dewberry aged 79 years, passed away in the Vermilion Municipal hospital on Tuesday, Oct. 14th. He is survived by two sons, Archibald of Lloydminster and James of Ocean Falls, B.C.; three daughters, Mrs. C. Massey of Dollarton, B.C., Mrs. Grace Wood of Dewberry and Mrs. D. Duncan of Edmonton, and one step-daughter, Miss Dianne McGillawee of Edmonton. There are two brothers, Jack of Dewberry and Peter of Gadshill Station, Ont.; three sisters, Mrs. C. Dewar of Melford, Ont., Mrs. G. Fryfogle, Stratford, Ont., and Miss Margaret McGillawee of Gadshill Station. There are twelve grandchildren.

Funeral services will be held from Dewberry United Church, with Rev. Shortt of Kitscoty officiating on Saturday, Oct. 18 at 2 p.m. and interment will follow in the Dewberry cemetery.

Noted Farm Woman Guest Speaker At Town and Country Banquet

One of the noted women of the province, Mrs. Ellen Armstrong will be the guest speaker at the annual Town and Country banquet sponsored by the Vermilion Board of Trade.

Mrs. Armstrong is the president of the Farm Women's Union of Alberta, and has been for the past four years a member of the World Wide Farm Women.

Her topic is a fitting one, being "Town and Country People." She will also show slides of other countries taken on a recent world tour.

Seating capacity is limited to 210 and there has already been a demand for blocks of tickets from F. U. A. and F. W. U. A. locals from as far away as Lloydminster, Marwayne and Wainwright. Everyone wishing to attend should make sure of their tickets early. Practically every business in town has them for sale.

The committee in charge is comprised of Jim Champion, Leo McKernan and A. F. Kaiser, all of whom would be pleased to look after your ticket requirements.

The event will be held in the Elks Hall on Wednesday evening October 29 at 6.30 o'clock. Tickets are $1.50 each.

New Hallowe'en Plan At Kitscoty

KITSCOTY — Instead of the usual "tricks or treats" on Hallowe'en night the Kitscoty school children, dressed in costumes, will be calling on all homes selling tickets for 5 cents each with proceeds for the Junior Red Cross.

At 7.30 p.m. the children will all gather in the school auditorium where prizes will be awarded for the best costumes.

Contract Awarded For New R.C.M.P. Detachment Building At Derwent

OTTAWA — The Federal Department of Public Works has awarded a contract in the amount of $33,725.00 to Adanac Contracting and Development Limited of Lloydminster for the construction of a new R. C. M. P. Detachment Quarters Building at Derwent, Alberta. Specified completion date for this project is April 1959.

The new two - storey building with attached one-car garage is to be of wood frame construction with an exterior finish of brick veneer. It will contain approximately 31,400 cubic feet in overall area. Facing south on First Avenue at the corner of Second Street East, the new structure will house married personnel of the Detachment.

Living quarters will occupy the complete second storey consisting of a living room, dining room, a kitchen, three bedrooms and one bathroom. Bedroom, living and dining room floors are to be of hard wood. Ceramic tile will cover the bathroom floor and a glazed tile dado will line the walls.

A work area is to consist of an office, a cellroom and an exhibit room. Interior treatment of these rooms will be of painted gypsum board with linoleum covered floors.

The garage will contain a good amount of storage space. A hot water heating system with an oil burning furnace will be installed.

Plans and specifications were prepared by the architectural staff of the Building Construction Branch, Department of Public Works, Ottawa.

BLOOD DONOR CLINIC

Blood donor clinic in Legion hall on Tuesday, Nov. 4th from 3 to 5 p.m. and 7 to 9 p.m. 14-16

New Show Times At The Columbia Theatre This Friday and Saturday

The name of the Columbia theatre feature for this week end, Friday and Saturday, Oct. 17 and 18, was omitted from their regular advertisement on page 1, sec. 2, as it was due for some special mention.

The feature "Raintree County" stars Montgomery Clift and Elizabeth Taylor. It is a three hour program so a change of show time is necessary. These times will be as follows:

Friday, Oct. 17th — One show only commencing at 7.30 p.m.

Saturday, Oct. 18th — three shows, 2 p.m., 6 p.m. and 9 p.m.

Mrs. John Maxwell was the winner of the main door prize last Thursday evening at the combined cooking school and appliance trade fair sponsored by Canadian Utilities. Mrs. Maxwell is seen receiving her prize of an electric fry pan from Mr. Duke Stafford of Canadian Utilities. Also shown is Mr. Gordon Casey of Renaud & Casey hardware, who drew the lucky tickets from the box.

Photo by Photocraft

Lectures for Art Classes Commence

The Vermilion art classes opened and the first lecture was given by Prof. H. Wohlforth on Oct. 7th with a very promising group in attendance.

For the benefit of those interested the following is a list of the class dates for this winter session. The date of the lectures is given first followed by the name of the supervisor.

Oct. 23, Nov. 6, Nov. 20 — Mr. Lindsey Evans;
Dec. 1, Dec. 2, Jan. 13 — Prof. H. Wohlforth.
Jan. 29 — Mr. Lindsey Evans.
Feb. 9 and 10 — Prof. H. Wohlforth.
Feb. 26 — Mr. Lindsey Evans.
March 5, Mar. 19, April 9 and 23 — Mr. Lindsey Evans.

Classes commence at 7:30 o'clock each evening. Those unable to attend that early need not be discouraged as they are welcome to come at any time to suit their convenience.

Cooking School, Appliance Trade Fair Attract Overflow Attendance

A record crowd attended the combined Cooking School and Appliance Trade Fair held in the Elks Hall, Vermilion, on Thursday evening, October 9.

The ticket sales [illegible] by the students of the [illegible] of the Vermilion High School [illegible]

The display of Renaud & Casey was particularly attractive and the [illegible] patrons dealers were not [illegible]

[illegible]

Hunting Hints

SUNDAY SHOOTING IS PROHIBITED

154 Attend Old Timers Reunion Dinner at Mannville

MANNVILLE — To the complete satisfaction of the president and executive of the Mannville Old Timers Association, 154 members sat down to a turkey supper catered to by the W. A. [illegible]

[illegible] cows for a wife.

In replying, Mrs. Pat McLaughlin felt that if those of the present younger women could live up to the example set by those early pioneer women, all would be well.

The toastmaster and chairman, Charles Finlay [illegible] thanks for the faithful service of the executive during his [illegible] president.

[illegible] officers elected were: President — E. J. Summers; Vice-Pres. — Maurice Stait; Sec.-Treas. — Hilda Johnstone.

Newcomers to the executive were Mrs. Pat McLaughlin, Mrs. [illegible] Hubbard, Mrs. Jean Lagg [illegible] retiring members Mrs. A. Rutherford, Mrs. W. McGowan and James McLaren.

[illegible] history begun last term.

In the program which followed the meeting Lorraine Young delighted all with two violin selections. Brian Scuggins won hearty approval with vocal solos, as did Jim Johnstone with his popular ballad and comic numbers. Appearing in duets were Mrs. M. Ross and Mrs. J. Hills who pleased the gathering with their harmony and Jim Johnstone and Jean Lagg who rendered an old time selection.

Miss Ruth Gray showed slides of her recent trip to Europe and no program would be complete without Jack Clarke's rendition of "End of the Road".

BUILDING BOOM CONTINUES

The building boom which commenced early this spring in Vermilion continues apace until now building permits have been issued for 31 new homes varying in value from $9,500.00 upwards. 27 of these homes are either completed or in varying stages of construction while a start has yet to be made on four. These homes are all being built by private owners, mostly young business or professional men of the town.

Commercial building is also seeing its most active year. Following the completion of the new high school at a cost of $460,000.00, construction is now well underway on the new Federal building which will house the post office and other federal government agencies. On the same street progress is evident on a super market being erected by the Tom Boy Stores, while MacLeod's Limited have a new two storey block in the course of erection. These new stores will be occupied by the end of the year and are large and attractive structures. In another part of the town Imperial Oil Limited is erecting a new service station, ultra modern in design at a cost of $24,000.00.

It is further hoped that Vermilion being one of the larger and more progressive towns of the province will be selected as the location for one of the new homes for the aged.

SOIL PROBLEM?

Have you a soil problem? If so, a sample to the Agriculture Food and Soil Testing Laboratory at the University of Alberta in Edmonton can help you. If you have not a recognized problem but would like advice on soil management and cropping you can send in samples too.

This service is restricted to Alberta farmers, home gardeners and nurserymen, and samples must be taken before freeze-up. See your district agriculturist for details.

Feed . . When and What To Buy

Determine your live stock's roughage needs now and buy in fall when costs are low, advises O. G. Bratvold, Supervisor of Alberta's Crop Improvement.

A farmer having poor hay and requiring additional roughage has various alternatives open to him. To meet his total demand he can buy good quality hay preferably alfalfa, which will contain Vitamin A needed to help prevent abortions and increase disease resistance. This needed vitamin will also be present if he buys hay high in legume content. However, if he buys poor hay he will also have to buy synthetic supplements to supply the necessary vitamins.

To some extent grain can substitute for roughage. In extreme cases a mature cow can get by on 4-5 lbs. of hay supplemented with grain. Again, this is possible only if necessary minerals and vitamins are included in the ration.

By paying a little more for good legume hay, a farmer receives feed that will surpass synthetic supplements and poor roughage.

[illegible] the Editor

The Editor,
The Vermilion Standard,
Vermilion, Alberta.

Dear Mr. Editor:

I should like to take this opportunity to congratulate the Vermilion Board of Trade on their choice of speaker for the Town and Country Banquet.

Mrs. Armstrong is a dedicated woman with a vast store of experience. As president of the Farm Women's Union of Alberta, she has served for the past four years. As a Canadian member of the World Wide Farm Women (headquarters in Ceylon) she recently made a complete world tour by air.

The pictures which she will be showing here on October 29 were [illegible] the price of the dinner to see [illegible].

She shows scenes of beautiful Hawaii, of Ceylon, India, Malaya, Rome, Jerusalem and England.

One picture that I thought was particularly notable showed Mrs. Armstrong as a delegate from the United Nations standing in the Pope's Palace in the Vatican.

It is to be hoped that as many farm people as possible will come out to meet this notable woman and see her pictures.

Thank you, Mr. Editor, for your valuable space.

OBITUARY

MRS. [illegible] MACNAB

Funeral services for Mrs. Georgie Macnab, beloved wife of Mr. William J. Macnab, were held on Tuesday, Sept. 30th at 2:00 o'clock in the afternoon at the Auburndale United [illegible]. Burial followed in Mount [illegible]. The Rev. C. W. MacKay officiated and the very large attendance testified to the esteem and respect in which the deceased was held by neighbors and friends.

Mrs. Macnab passed away on Saturday, Sept. 27th at the age of 81 years. She was a pioneer lady of Vermilion and district having lived here since 1905.

Born at Jacquet River, N.B., she came west in 1897 to marry William J. Macnab in Vancouver. They lived at the coast until 1905 when they came to Vermilion, living right in town until 1908. They then moved to the present farm in what is now the well known Buffalo Coulee district. Mr. and Mrs. Macnab celebrated both their golden and diamond wedding anniversaries.

She is survived by her husband, one son Brenton of Vermilion and two grandchildren, Mrs. Georgia Brown of Calgary, and Brent of Vermilion. There are five great-grandchildren.

Mowers were in charge of the funeral arrangements.

Beautiful floral tributes and memorial donations were received as follows:

Loving husband, Brent and Ethel, Brent, Hazel and children; Georgia, Jack and boys, Mrs. Brown; Sister May; Mr. and Mrs. S. T. Hubbard; Syd, Vi, Joan, Kathleen, Bert and Dan McAfee, Mr. and Mrs. T. F. Yates, the Alexander Family, Mina and Dorothy Hamilton, Doreen; Barbara and Melvin, Jack, Mary-Ann and Brenda, Melvin and Olga, Phoebe and Fred, Mrs. A. Manyluk, Gene and Stan; Mr. and Mrs. Wilson Ford, Mr. and Mrs. A. M. West and Mr. and Mrs. E. M. Stewart; Matt and Dorothy; the Heatherbell W. A., Mrs. Larsen and Gladys, Cora and Sig; Mr. and Mrs. Fred Semenuk and family, Mr. and Mrs. Little and family, Lawrence and Muriel, George and Helen; Mrs. H. F. Majury; Howie, Rita and boys; Mr. and Mrs. Frank Gibson and family, Mr. and Mrs. Walter Thompson, Mr. A. Galloway, Margaret and Dorothy; Harry Kay and family; Dora and Doug Thomson; Mr. and Mrs. Harold Everett; A.F. & A.M. Lodge 24, Vermilion; Beth Witherbe; Mr. and Mrs. J. H. Green; Lottie, Ken and Elliott Urquhart; Mr. and Mrs. M. Simonsen; Mr. and Mrs. R. H. Norton.

Crippled Children's Fund: John Eyben and family; Mrs. Elliott, Lottie, Ken and Elliott; Mrs. John MacMillan, Beth and Cliff, Norman and Dora, Melvin and Bobby, Boyd and Lilly, Les and Donna, Mr. W. F. Cooper; Mrs. L. R. L. Brown and Margaret, Doris and Pringle Galloway; Mr. and Mrs. James McLaughlin; Mr. and Mrs. Chris Beier and family; Lorna and Les Williams; Mr. and Mrs. J. C. Green; Mrs. Wm. Irving, Maurice, Joan and family; Mr. and Mrs. Frank Hill, Mr. and Mrs. Mahan Hill; Mr. and Mrs. L. Kenzie; the Filipkowski Family; Mr. and Mrs. Sandy MacMillan.

Auburndale Memorial Church Fund: Hinton Families; Tom and Lil Smith, Wilson, Vera and family, Ken and Wyn Kennedy, David and Opal Hughes; Rose, Jerry, Connie and Norma, Mr. and Mrs. Wear and Lesley, Gordon, Beryle and boys; Mr. and Mrs. J. Wallington; Ted and Ruby Marfleet; Henry and Marion; Alex, Bessie and family; Mrs. Wm. Smith, Mrs. Cunningham and family, Henning, Ruth and family, Alf and Agnes, Lorentz and Theresa, Jim Irving, Lloyd and Ruth and family, Lorne, Edie and Alex Arthur, Marguerite and Cecil, Mrs. Cleland and Willie, Gladys and Geo. Syrnes; Mr. and Mrs. Geo. Webb, Mr. Wm. Coe, Ena and Lawrence.

Cemetery Fund: Beth and Frank Welsh, Mrs. Daisy Cummings; Mr. and Mrs. John Wilson; Mr. and Mrs. W. Waldenberger, Mr. and Mrs. R. B. Evans and Eleanor.

Mount Auburn Cemetery Fund: Mr. and Mrs. B. Duncan, Delia and Ronnie Bang and girls; Mr. and Mrs. Arthur Pheasey; W. C. Meadors, Fred and Thelma Lachyk and family, Mr. and Mrs. Wm. Elward, Jerrold and Miss Allyn, Mary and Bill.

Cancer Fund: Harold, Stan and Katherine, Frank, Emma and family, Mr. S. Stuhl and Ernie, Hans Eyben and family, Alice Keith, Hilton Family and Miss Rasmussen, Sheldon, May and family; Mr. and Mrs. H. Hodgins and Alma, Mr. and Mrs. [illegible] Terry, Mr. and Mrs. S. R. Cripitts; Mr. and Mrs. Roy Joey, Mr. and Mrs. N. V. MacHardy, the Rogan Families, Bill and Hilda Crom, the Heckbert Families, Mr. and Mrs. R. Woodruff, Gordon, Alice and [illegible] Allen, Mr. and Mrs. Geo. Eyben, Mr. and Mrs. Martin Haverslew, Mavis Henry and family; Harry Amos, the Duncan Families, Mrs. Raymond Taylor and family, Bill and Jeannette Bushko; the Stadon Families, David McPhee and Jean; Eva and Ed Corley, Arthur and Mavis Tovell; Joe and Kae Hart and family; Mrs. Elsie Preston, the Ensland Family, Larry, Audrey and Rodney, Mr. and Mrs. Roy Mitchell, Mr. and Mrs. Angus MacMillan, Jim and Madeline Cameron and family, Les Noonan and family; Carman and Muriel Long.

United Church Memorial Fund: Anne Snapshot.

St. Saviour's Memorial Fund: E. H. Buckingham.

"GREEN ACRES"

LACOMBE BOARS

It is with some satisfaction that I announce that in the recent draw for 150 Lacombe boars, six are to come to this district. Names of farmers to get Lacombe boars are as follows: R. Timonson, Dewberry, Frank Wilson, Vermilion, Fred Feller, Vermilion, William Holman, Dewberry, Frank Ewing, Mannville, and Jos. Hale.

FARM FORUM

Farm Radio Forum will start this year on Monday, November 3rd at 8:30 p.m. Broadcasts will be heard in Alberta over stations CBX, CBXA, CJOC and CFGP.

Throughout the winter season broadcasts will be held each Monday evening. The subject on November 3 is "What Price Freedom". Why not get a forum group going in your community. Full information about organizing can be obtained from this office.

WORKMEN'S COMPENSATION

It is not generally known that farmers can obtain coverage of workmen's compensation for their hired men and also for themselves. [illegible] have had coverage for many years. Circulars on compensation coverage can be had from this office.

FARMSTEAD PLANNING

Now is the time to order free trees from the Department of Agriculture. Get an application from this office now so that you can get it filed before the Colorado Spruce and other good trees are all gone.

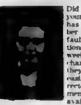
Why not plan a better yard around the buildings with more trees and gravel roads. Anyone on the power line with a good well or dugout can have an irrigation system right in the back yard. All you need is a motor pump and some plastic hose.

BOARS FOR SALE

The government boar policy allows a bonus of $10.00 on purchases made through the department. These boars are 7 to 8 months old now. If you need a boar why not get one now before all the good ones are picked up. Get an application form from this office. Farmers having grade boars in M. D. of Vermilion River are warned that checking up on pedigrees will start on November the 1st.

The Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.



Did you find your kitchen has a number of the faults I mentioned last week? The chances are they could be easily corrected. Remember I am available to make home visits to help you in any way possible.

Because of the work involved in meal preparation there are three work centres in the well-planned kitchen. These centres are:

1. Sink centre; 2. Mix centre; 3. Cook centre.

The three centres should be planned to save the homemaker [illegible].

1. The Function of the Sink Centre: Is preparation of foods which first require water, dishwashing and cleaning up. This area should supply storage space for cutlery, utensils for preparation of vegetables, foods prepared at the sink, [illegible] glassware, dish-washing supplies, tea towels and aprons and the garbage container.

The most satisfactory place for a sink centre is beneath a [illegible] window which provides a view of the farmyard and which admits natural light to the interior of the kitchen as well as the sink centre itself.

2. The Function of the Mix Centre: Is combining ingredients for baked foods and the preparation of salads and uncooked foods. Storage space is required in mixing utensils and equipment, refrigerator dishes, school lunch supplies, staples, packaged and canned foods, recipes and some electrical equipment.

The cold storage unit is a part of the centre and where possible should be placed near to the rear entrance to the kitchen and convenient to the kitchen dining area.

3. The Cook Centre: Is for the cooking and baking of food. This work surface should be on the side of the range which is nearest the dining area. Here storage space should be supplied for utensils used at the range, canned foods and supplies used first with boiling water, serving dishes, condiments and some electrical equipment.

4. The Serve Centre: Should be adjacent to the cook centre and make possible the serving of foods directly to the table.

Perhaps you have unconsciously arranged your kitchen in these centres or perhaps by a few minor changes you could have these centres and save many steps.

—S—

Lodge Initiates New Member at Mannville

MANNVILLE — Mannville L. O. B. A. welcomed a new member in their association on Monday evening last as Mrs. E. Prill was initiated into the Orange order. Officers carried out the initiation ceremony with due precision and exemplified their emblems for their new sister. At the conclusion of the business part of the meeting, members retired to the home of past mistress and presently Director of Ceremonies, Lucille Hughes where lunch was enjoyed. Donation was made to local library fund.

THE GAY 90's

Gay 90's banquet and dance will be held in the Legion Hall on Oct. 23rd commencing at 6:30 p.m. Tickets must be purchased before Oct. 18th from L. Harcu[illegible], Ruby Cooper, C. Waldenberger and Jim Miller at Islay. Please consider this as your invitation, as no other cards will be sent out. Members and guests only. 11-8

Old-Timer Passes

MANNVILLE — Charles Baker, an oldtimer of the Mannville district who farmed east of town until his retirement, passed away at Grande Prairie Tuesday of last week and was buried there on Saturday. Mr. Baker was 87 years of age and was a loyal supporter and member of the Orange Lodge, being an honorary member of Mannville L. O. L. No. 1946.

Shower Honors Landonville Bride Lorraine Poleschuk

In honor of Miss Lorraine Poleschuk, a miscellaneous shower was held at Telegraph School in the Landonville district. Over [illegible] friends were present with good wishes for Lorraine and Don's future happiness.

One of the features of the shower was a "fit mothers" contest, in which the bride-elect was a participant. She won over her worthy opponents, Mrs. A. Quick and Mrs. J. Quickstad. Both are experienced in the field of motherhood. This surely must have reassured Don that his bride was well able to cope with the numerous incidents that are likely to occur in the future.

A wishing well, decked with wedding fern, myrtle plant and roses; and one overflowing in a stream of gifts was maneuvered into sight by Misses Loretta Lovell, Jean Trach and Masters Richard Anderson and Brian Waltz. It was presented with sincere hopes that the wishing well of her shower would bring her married life, even more success than did the other wishing well on her graduation day at the Nursing School at Lamont, six years ago.

Lorraine was the recipient of many useful and lovely gifts. Following due admiration of these beautiful presents, the bride elect graciously thanked everyone and invited all present to visit her and Don at their home or garage in Innisfree.

The enjoyable evening came to a close with a delicious lunch served by ladies of the Landonville district.

SQUARE NOTES From Circle 8

Hi square dancers and prospective square dancers! I have good news for those of you in the latter group who are still busy harvesting. [illegible] last writing the notes the executive decided to delay the third lesson until Monday, October 20. The third lesson is definitely cut-off night so that if we went ahead as originally planned, we discovered that we would eliminate many farm friends who would love to join our club a bit later. We certainly want to include any who may want to dance in the future as this could possibly be the last time that lessons will be offered by this club and definitely the only set of lessons this year.

We require four sets of beginners each time we sponsor a set of lessons and this is the seventh set of lessons sponsored by the Circle Eight Club. If you have never tried modern square dancing you are truly missing a lot of fun. We urge you to be at the Bowtell Community Hall on Monday, October 20 at 8:30 p.m. This is the third lesson but a complete review of the first and second lessons will be made and from there on the lessons will go straight ahead.

Long's big one cent sale Oct. 20 to 25 inclusive. 6 big days. 14x

K. H. S. Highlights

Kitscoty High school commenced classes on Sept. 2 with an enrollment of 90.

Initiation of new students took place on Sept. 9th and 10th. The boys' costumes consisted of ladies' nightgowns, baby bonnets, bedroom slippers and plenty of make-up. The girls wore men's pyjamas, knee rubber boots, holster and guns and braids in their hair. All newcomers had carrot corsages, soothers and a card with their name, address, age and grade on it. Penalties for violation of laws or disobedience of a senior's orders were issued at a party on Wednesday night.

On Sept. 22nd the student body met in the auditorium to nominate candidates for positions on the Students' Council. Elections were held on Sept. [illegible] with the following results:

President — Brian Sheppard
Secretary — Joan Stewart
Treasurer — Neta Trask
Boys' Sports Convener — Bill Potvin
Girls' Sports Convener — Norma Flint
Social Committee — Patsy Haskell convener, Elden Giles, Ronnie Sands
Radio Representatives — Gr. 12, Judy Lang; Gr. 11, Georgette McGregor; Gr. 10, Robert Nelson; Gr. 9, Gail Richardson

A very enjoyable party was staged on Oct. 1 with guests from Dewberry, Mawayne and Paradise Valley present.

The main activity in K. H. S. now is basketball with practices just beginning.

'The Bible Today'

Some 40,000 visitors, mainly from Europe visited the Drupa Exhibition at Dusseldorf in May of this year. The Exhibition, displaying printing and paper, is held every four years.

This year the Vice-Chancellor and Minister of the German Republic, Professor Dr. Erhard, opened the Exhibition, and in so doing, quoted the text: "Man does not live by bread alone." This text was given in ancient Greek, English, French, Dutch and German, on large cloth sheets, which formed the background of a display of bibles arranged by the Bible Society.

In reporting on this display the West German radio described it as one of the most interesting and valuable in the whole Drupa Exhibition. It is a fact that this stand attracted the interest at all hours of the day, of adults, and in a special way of young people.

The theme of the display was "Contemporary Bible printing 1945 - 1958", the Bibles, Testaments and Portions exhibited were the production of the Bible Societies which belong to the United Bible Societies.

Suggested readings for next week:

Sunday — Oct. 19, Eze 37 1-28
Monday — Oct. 20, Jonah 1 1-17
Tuesday — Oct. 21, Jonah 2 1-10
Wednesday — October 22, Jonah 3 1-10.
Thursday — October 23, Jonah 4 1-11.
Friday — Oct. 24, I Cor. 8 1-13
Saturday — Oct. 25, I Cor. 9 1-27.

BETTY JEAN HAGEN

To Play At First Overture Concert

Betty-Jean Hagen, the brilliant violinist who appears in the Lloydminster High School Auditorium on Monday, October 20, has already made seven tours, though she is still in her mid twenties. Canadian-born, the attractive Miss Hagen has the distinction of having won every musical competition she entered and her list of prizes includes the Leventritt and Naumburg awards in New York, the T. Eaton in Toronto, the Carl Flesch medal in London, in addition to the Pathe Marconi prize in Paris and the honor of having been nominated "the outstanding woman musician in the British Commonwealth."

Within the past year, Miss Hagen was acclaimed as guest soloist with four of the world's great orchestras, the New York Philharmonic Symphony, the Cleveland Orchestra, the Concertgebouw of Amsterdam and the Orchestre de la Suisse Romande in Geneva. As a recitalist she has also been heard throughout Canada and the United States and in London, Liverpool, Amsterdam, Paris, Milan, Rome, Lausanne and many other foreign cities.

Betty-Jean Hagen was born in Edmonton, Alberta, Canada, in October 1930. Though her parents were not musicians, the family for many years had taken pleasure in music, and playing the violin and piano was a common form of recreation. Miss Hagen's [illegible] was a natural [illegible] and her maternal [illegible] was a violin maker [illegible]

NEWS from KITSCOTY

The Kitscoty United Church W. A. will hold their annual chicken supper and concert on Thursday October 23. There will be two concerts at 7 o'clock and 9 p.m. in the Town Hall.

Mr. Albert Lang, medical student at the U. of A. spent a week end here recently visiting with his mother Mrs. W. Lang and sister Judy.

Mr. W. R. Stewart and Joan spent a week end in Edmonton recently visiting with relatives and watching the world series baseball games on T. V.

Mr. Archie Eaton is back again after spending the past month visiting with relatives at Girvan, Sask.

Mr. and Mrs. Larson from Seattle were visitors at the Cecil Conarroe's home; also visiting were Bernice and Bert Wilkinson and family from Kinsella. Mrs. Larson and Mrs. Wilkinson are Mrs. Conarroe's sisters.

Mrs. William Lang and Judy spent the Thanksgiving week end with relatives at Stettler.

Mr. and Mrs. Cliff Pinder of Edmonton spent the long week end here with Arlene's folks, Mr and Mrs Henry Joy. Their grandparents, Mr and Mrs. Ted Joy accompanied them home to Edmonton on Monday and will go by bus to Calgary to visit their daughter Mrs. Orval Hills for the next two weeks. They will also visit their grandchildren and great-grandchildren at Crossfield.

Peter Dens, who is now employed at Calgary and a friend spent the long week end here with Peter's folks, Mr and Mrs. Fred Dens.

Mr. and Mrs. Bert Martin and family from Jarvie spent the long week end here with Gert's folks, Mr and Mrs. C. N. Gray.

Mr and Mrs Russell Sutton of Calmar were visitors here at the week end with Marie's mother Mrs. P. Mills and Margaret.

Miss Pat Tyler accompanied by her grandmother, Mrs. W. L. Apperson, motored to Regina to visit her brother, Corporal Ted Tyler, R. C. M. P. and Mrs. Tyler for the long week end.

Misses Sylvia and Donna Sheppard, students at the U of A., were Thanksgiving visitors at the home of their parents, Mr and Mrs. C. H. Sheppard and Patti.

Miss Carol Richardson, student at the U. of A. was a visitor for four days at the home of her parents, Mr and Mrs. C. A. Richardson and was bridesmaid at her sister Joan's wedding on Friday, October 10.

Joe Batty Jr., of Beverly spent the long week end here visiting with Lloyd Frasier and also doing a little hunting with [illegible] friends.

Miss Judy Sheppard of [illegible] visited here for the holiday week end with her parents Mr and Mrs. Ted Sheppard and Kathleen.

Mrs. R. M. [illegible] and Miss Mary [illegible] were Edmonton visitors for the long week end.

Misses Joan, Helen and [illegible] McCourt of Edmonton spent the long week end here with their parents, Mr and Mrs H. J. McCourt and family.

Mr and Mrs. H. [illegible] and family of Edmonton visited with the Charles Quinn and Elmer Lang families for the long week end.

Mr. and Mrs R. Milligan and Robert of Edmonton were Thanksgiving week end visitors at the home of Mr. and Mrs. Henry Joy in the Kinnaird district.

Mr. and Mrs Ken Gray and Gloria spent last Friday in Edmonton where they attended the display of new cars under the auspices of Chrysler Corporation of Canada Ltd., which was held in the Jubilee Auditorium.

Mr and Mrs Geo. Zubiak of Drayton Valley spent the long week end here with Mr. and Mrs. Mike Zubiak and family.

Congratulations are extended to Mr and Mrs. Roger Hall (nee Joan Richardson) who were married in the Kitscoty United Church on Friday, October 10. They have taken up residence in Lloydminster.

Mrs. W Hayes returned to her home at Tulliby Lake last Sunday after caring for her sister Miss M. Parker for the past three weeks. Miss Parker is now a patient in the Elk Point hospital and our best wishes are extended to her for better health.

CLANDONALD HALL

Showing at the Clandonald hall on Fri. and Sat. Oct. 17 and 18, "Vagabond King" a drama in technicolor starring Kathryn Grayson and Cedric Hardwick; Oct. 24 and 25 "Top Secret Affair", a comedy with Susan Hayward and Kirk Douglas. 14

OBITUARY

JOHN LEEMAN CLARK

Funeral services for the late John Leeman Clark were held at the First United church, Vermilion, on Saturday, Oct. 4th at 2:00 o'clock in the afternoon. The Rev. C. W. MacKay conducted the service. Interment followed at the Vermilion cemetery.

The pall bearers were Messrs. James Ross, J. C. Wallington, Wm. McGinnis, Eric Medill, Tom West and A. E. Tuey, all old friends of Mr. Clark.

John Leeman Clark was born on June 2nd, 1878, in Ontario, and came to Alberta to homestead in the district of Cummings where they lived for several years. His wife Emily predeceased him in 1940 at North Battleford where they farmed for some years.

Mr. Clark was taken ill early last spring. Owing to his father's illness his son Leeman sold his farm in the Thorhild district and they moved to Vermilion. Despite town life Mr Clark was taken to hospital where he spent considerable time. Although everything that medical aid could possibly do for him was done, he passed away on Wednesday, October 1st at the age of 80 years.

He is survived by two sons, Leeman and Fred of Vermilion, one daughter Gladys of Edmonton, one daughter-in-law, Mrs. Fred Clark. There are five grandchildren and five great-grandchildren. Four sisters still survive, Fanni and Etta at Treherne, Man., Ethel of Winnipeg and Margaret of Vancouver B.C., and two brothers, Alex and Arthur Clark of Somerset, Man.

Floral tributes and memorial donations were received from:

Loving Family; Grandchildren; sister Etta and husband Sandy Vance, Winnipeg; John, Peggy Rudd and family, Mrs. M. Rudd; Ernie and Eileen and family; Neil McCrimmon.

Crippled Children's fund: Alf and Erma Farmer and girls, Dewberry; Mr. and Mrs. Alex Clark, Somerset, Man.; Mr and Mrs M. Cooper and family; John and Helen King and family; Ian Clark, Mr and Mrs. L. Howard, Grace, Chris and Bill Bradshaw; Wesley Harris; Mr and Mrs. John Hillier; Mr and Mrs. Jas. Ross; Lawrence Graham.

Cemetery fund: Mrs. A. Martin and Johnny; Mrs. Maud Butler; Mr and Mrs J. C. Wallington; Mr and Mrs. G. N. King; Mr T D West.

Cancer fund: Mr and Mrs. R. Hodgins and Alma; Mrs. Delbert Miller and Francis; Mr and Mrs. James Munro; Mr. and Mrs. Jasper Emsland; Mr and Mrs. John Tattersall and family; Mr. and Mrs. Arnold Rudd and family.

St. Barbara's Memorial fund: Mrs. King, Edith and Joy; Mrs. G. E. Clark and family.

United Church Memorial fund: Marilyn and Tom Dennis.

Polio fund: Mrs. Thelma Stevenson and family.

[illegible] were in charge of the funeral arrangements.

Sixteen Years Ago

OCTOBER 15, 1942

Ed Corley and Baden Anderson made two flying trips to Edmonton on business during the past week, the round trip in each case occupying just less than 12 hours.

Congratulations are extended to Miss Claire E. West who has been appointed Charge Nurse at one of the Provincial Clinics at Calgary. Miss West was previously in charge of the Provincial Health unit at Turner Valley.

Rumors have been revived that fifty oil wells may be drilled in the Vermilion field by the C. N. R. in an effort to obtain more supplies for the company's oil burning locomotives, according to rumors current in Canadian oil circles.

Mr W. A. Moisey arrived in Vermilion Saturday to assume duties as Farm Labor Supervisor for this district.

32 Years Ago

OCTOBER 9, 1926

Premier Mackenzie King and Minister of Justice Ernest Lapointe will leave this week to attend the Imperial conference in London.

To date 140 students have registered at the V. S. A. and more registrations are being received daily. Next to Vermilion, Islay has the largest number of students coming, nine registrations being received from that district. Known members of the staff are Principal Elliott, W. C. Malaher, Miss Alexander, S. C. Hackbart and Miss Edwards.

A joint convention of the teachers of the Battleford and Vermilion Inspectorates is being held at Lloydminster this week end.

Fine, bright weather is now prevailing and threshing outfits are running overtime. The nights are frosty.

46 YEARS AGO

OCTOBER 5, 1912

Tom Hindmarsh threshed 8 acres of fall wheat which yielded 240 bushels.

The 5th annual exhibition of the Vermilion Agricultural society was held on Wednesday under ideal conditions. Gate receipts showed that 1200 people attended.

A few old timers in Vermilion this week from distant points were Ben Linder, Ben King of Wetaskiwin, Sheriff Gersham of Cookeyville, Fred White and J. F. Hodson of Elk Point.

J. B. Caskey made his first trip as mail man to the north country this week.

[illegible]

New Pasture and Forage Development

H. Morley Douglas,
Ass't. District Agriculturist.

Russian Wild Rye grass received a lot of publicity this autumn following reports from Claresholm, Alberta of high yields and high prices. This is not a new grass, having been introduced into this country in 1926 by the University of Saskatchewan.

It is a long lived grass sending coarse fibrous roots down 8 or 10 feet. The new seedling is weak but when established becomes as persistent as crested wheat. The leaves form at the base of the plant seldom setting seed in solid stands. Russian Wild Rye is a poor weed competitor in its early stages and attempts to establish it are recommended only on clay or loamy soil. The seedlings dry out and die before the roots are established in pure sand. Russian Wild Rye is highly palatable to livestock, remaining green all season. It thrives under heavy grazing and tramping. A person planning a farm lawn which may not be easily watered would be well advised to use Russian Wild Rye Grass.

Spring sowing on heavy clean stubble is the place to get a catch. A nurse crop is never used, the stubble protecting the seedlings. Good standings have been established on summerfallow. For seed production, the best results have been obtained from 3 foot rows, 2 - 2½ lbs. of seed to the acre followed by cultivation between the rows. The grass sets seed on stocks 3 to 4 feet high which must be swathed when the seed is in the soft dough stage and the straw is a golden yellow. Much of the [illegible] crop was straight combined [illegible] the ease of shelling makes this risky. In some of the older stands of Russian Wild Rye Grass, seed production has been maintained over a long time by the liberal application of fertilizer.

For pasture Russian Wild Rye is sown in one foot rows, 5 lbs. of grass and 1 lb. Rambler alfalfa. It is estimated that much of range land can double its carrying capacity with this mixture.

At Hughenden, Alberta, 25 acres were sown in 1957 on summerfallow with three foot spacing. 230 lbs. of seed was harvested to the acre and sold for seventy five cents per pound. In addition to the grass seed the 25 acres yielded 15 tons of green, high protein hay and the owner expects to be able to allow his cattle to do some grazing after freeze up.

The price of Russian Wild Rye Grass seed is rather high -- $1.40 per lb. bagged and cleaned F. O. B. Edmonton. Last winter it was available from various seed houses at a slightly lower price. Considering the good hay returns in addition to the seed possibilities several farmers in the Vermilion River area would be well advised to investigate the possibilities of this Russian Wild Rye Grass.

RAMBLER ALFALFA

Rambler Alfalfa is a synthetic variety developed at the Swift Current Experimental station 1938 - 1954. It is the only known alfalfa which will send out creeping roots under dry prairie conditions. The [illegible] root system and low crown [illegible] Rambler very [illegible] the conditions favor only one cutting per year as is general in this area, it will outyield all varieties. Heavy grazing and late cutting are not a serious factor with Rambler because of the low crown (ground level.) It doesn't produce as much seed as Grim but under favorable conditions produces two hundred plus pounds to the acre. For seed production Rambler is sown in the spring in one to three foot drill rows at 4 pounds to the acre in small narrow brushy fields. For hay production Rambler responds well when sown with brome grass at rates of 9 pounds of brome and 1 of Rambler. For pasture 1 lb. Rambler and 5 pounds of Russian Wild Rye is sown to the acre and now is considered the ideal pasture of the prairies. Three lots of seed were distributed in M. D. No. 71 in 1958 and more will probably be available in the spring of 1959.

Drew For Rideau Hall?

Keep former P. C. leader Geo. Drew in mind in calculating who will be next governor - general, says The Financial Post. That's the recurring suggestion in circles close to Drew's London Headquarters, where he is completing first year as Canadian High Commissioner. Possible reason: Drew is anxious to get back to Ottawa.

A GENERAL MOTORS VALUE

[illegible] Canada's most powerful 6-[illegible] boasts big new advances in gasoline economy. Through improved carburetion and a new advance-curve distributor, you can enjoy more power and save more money on fuel at the same time.

AIR-COOLED TRUE-CONTOUR BRAKES — Pontiac for '59 brings you a 27% increase in brake lining area, plus better cooling for fast, sure, fade-free stops and greater safety for you and your family.

SEATS WIDER THAN A SOFA — At last, you can enjoy *true* living room comfort. Pontiac's new seats are wider, have higher backs and slant downward at the rear to give maximum support under the knees for more comfortable driving. You'll find there's plenty of head and leg-room, too.

Look what's happened to Pontiac — the biggest change any car ever made in a single year! Pontiac's put your future on wheels with dramatic styling and engineering advances that defy comparison. Yes, Pontiac's had a change of personality, starting with its glamorous Twin-Grille design and ending with the most smartly sculptured rear deck you've ever seen. Lean in look, this new Pontiac's longer, lower, too, for the surest, most stable roadability ever. But there's still more to the new Pontiac to stamp it as the *big change* for '59 and make your first inspection a truly revealing experience. Come in and see why no other car can possibly be so new as the new Pontiac.

LOCAL NEWS

Last Bowlful

Mrs. Jim Johnson picked a full bowlful of Red Rich strawberries from her garden in town on the night of October 12. They were picked after dark as it was quite apparent that the frost pending that night would put an end to all strawberry growth for this season. They are also of the Red Rich variety which have had a very good season here despite the fact that they are not recommended for [illegible].

Miss Marion Barr, daughter of Mr. and Mrs. Manson Barr, plans to leave Vancouver on Oct. 24th, bound for Auckland, New Zealand. The boat is due to dock at Auckland on November 12. Marion plans to continue nursing in the country "down under". She has been nursing at Tofield for the past year and will spend a few days at the family home here prior to leaving for Vancouver and New Zealand.

Home from Edmonton for the Thanksgiving week end were Hazel, Patsy and Alice Winters. Hazel works in the CFRN. T. V. station in Edmonton, Patsy is in the office of the Calgary Brewing and Malting Co., while Alice is attending McTavish Business College.

Mrs. Rose Harle left via C. N. R. on Tuesday for the west coast where she will spend a holiday visiting Mr. and Mrs. Bob Harle and Mr. and Mrs. Herman Eyben.

Mrs. Brent Macnab Jr. and the children left on Tuesday for Vancouver where they will join Brent and spend the winter months. Brent is again a valued member of the Vancouver Canucks hockey team.

Mr. and Mrs Harry Brown motored to Calgary for Thanksgiving with their daughter and family, Mr. and Mrs. A. R. Rasmussen.

Guests at the home of Mr. and Mrs. Ashley Cooper during the long week end were Mr. and Mrs Victor Kuzek and son Murray Duane of Edmonton, Stewart Cooper of the Wainwright Refiners and Producers, Wainwright, and Bob Bentley and Brian Hoover of the University of Alberta.

Roger Stephens spent Thanksgiving week end at the home of his parents Dr and Mrs Stephens. He had with him Alf Vaagen from Prince Rupert.

Mr. and Mrs Philip Lyne (nee Betty Baddock) of New Westminster B.C., are visiting at the home of Mr and Mrs Jack Baddock for a few days.

Esther Mullen visited her parents Mr and Mrs. Bob Mullen over the week end. Esther has now completed five months of her course at the Nurses Aid School in Edmonton and has been posted to Wainwright for 2½ months. She will then complete her training at the Royal Alexandra Hospital in Edmonton.

Mr and Mrs Jim Askew and daughter Phyllis were in town from Edmonton Sunday and Monday renewing old acquaintances.

Mrs. Chas. Thompson left via C. N. R. for Stratford, Ontario to visit old home scenes this week.

Visitors to the Clarence Wilson home on the Thanksgiving week end were Gordon and Margaret Bell and Bill Herricks all of Edmonton.

Major and Mrs Simester will conduct the services at the Salvation Army Hall this week end. On Saturday evening at 9.15 there will be a special western night program.

S

Additional tributes in memory of the late Gerald F. Stephens were flowers from Mr. and Mrs. J. K. Swanson and donations to the United Church Memorial fund from Hilda and Jim English, Mr. Harry Olsen, Checker Transport.

Mannville Scouts Attend Rally

MANNVILLE — A most enjoyable time is reported by the eight boy scouts from Mannville who attended the rally of Boy Scouts at Lloydminster on Wednesday of last week. Their conscientious leader, Harry Allen, delivered the daily papers for the local paper boy in order that he might be present. Harry advises us meanwhile that on October 25 the boys are selling doughnuts, and urges the public to refrain from stocking up on Friday so the boys will have plenty on hand Saturday for all needs.

—S—

Wm. T. "Bill" Bothwell left on Monday afternoon on his return trip to Regina after visiting his parents Mr. and Mrs. Thos. Bothwell from Saturday morning to Monday.

CARD OF THANKS

We wish to sincerely thank our friends and neighbors for the beautiful flowers, memorial tributes and expressions of sympathy received during our bereavement, with special mention of Mr. Harold Moyer for his help and kindness.

W. J. Macnab and family.

The name of Mrs. Pierce and family was omitted from the list of spiritual offerings in memory of Patrick J. Lee.

OUR LETTER FROM EDMONTON

Premier Manning Opens Offensive Against Increased Freight Rates

EDMONTON — The Alberta government has opened a new offensive in the drawn - out battle against high freight rates.

Premier Manning has written directly to Prime Minister Diefenbaker suggesting a federal operating subsidy as an alternative to rate increases being sought by Canada's two major railways.

He bases the suggestion on this argument:

The full impact of the increases — which could be as high as 33% — would be felt by some 4/5 of the nation's shippers in the already hard hit prairie provinces and the Maritimes.

If the railways are important to the country's economy, he argues, why not make all the people of Canada pay some of the cost of keeping them operating? A federal subsidy would spread the burden evenly, he says.

The letter says it is time for a "thorough re-appraisal of the entire freight rate situation..." To grant the increases, it says, would be "so manifestly unfair as to be indefensible."

The premier gives a striking example of how the existing rate structure works a hardship on prairie shippers. Iron and steel articles shipped from Toronto to Vancouver go at a rate of $1.29 per 100 pounds. The same items shipped to Alberta points cost $2.83 per 100 pounds, even though the haul is some 800 miles shorter.

The rate to Vancouver is lower because it comes under the agreed charge setup — a competitive rate set by contract between the railways and the shipper. The railway gets all the shipper's business, and in return the shipper gets a lower rate.

Any increase authorized by the federal transport board would not boost the agreed charges, which are in effect on some 450 commodities. They would all be added to the already - high rates in the Prairies and the Maritimes.

Premier Manning says he wrote directly to the prime minister because experience has shown no help can be expected from the transport commissioners. Meanwhile the railways say if they don't get more revenue they'll be unable to meet employees' wage demands, and there may be a crippling, nation-wide strike.

ATOMS FOR OIL

As predicted here some weeks ago, new attention is being focussed on northern Alberta's fabulous Athabasca oil sands. Word comes from Ottawa that the federal mines department is interested in a proposal to use atomic explosions to free the oil from the sand.

Here's how the process is supposed to work: The terrific heat from an underground nuclear blast would melt the sand and leave a reservoir of oil which could be pumped to the surface.

Richfield Oil Corporation, a big U. S. concern with Canadian headquarters in Calgary, is promoting the plan. It proposes to get the necessary nuclear device through the U. S. government. One hurdle to be cleared is permission from the Alberta oil and gas conservation board, but there is little doubt this will be granted.

Increased interest in oil sands experiments is due partly to a change in oil sands leasing regulations passed by the government in 1955. Prior to that, any company that wanted to hold acreage had to start building a plant within a year. Now, a company with land in the sands can take its time and experiment until the government decides it is time for action.

A number of other big companies are testing processes. Royalite Oil Co. and Cities Service Petroleum Corporation are working on a process to extract oil from surface deposits. Details are secret. Some major companies are interested in a process, developed in Edmonton, which uses ultrasonic sound waves to wrench the oil from the sand.

The estimated 300 billion barrels in the sands aren't needed to meet world supplies at present, but some day they will be and the first company to find an economical extraction [illegible] will gain an important advantage over competitors.

For Sale - Livestock

FOR SALE — 20 White Sussex year old hens, $1 each; 3 geese; 10 large White Pekin ducks. Apply Mrs. Joe Carlson, 4½ miles north of Clandonald. 13-14

Happy Hour Group Meets at Mannville

MANNVILLE — With a good turnout of members the Happy Hour W. A. met at the home of Joy Manz, on Thursday evening last. A favorable amount was reported as raised from catering to the Oldtimers banquet, and plans are being laid for a future supper, to be advertised later. Reports of all committees were presented and accepted and decision was made to purchase a coffee urn in the near future. All those having Nabob coupons, please turn in same. Lunch provided an opportunity for a happy social hour.

IF YOU'RE LONELY GET A DOG! A DOG IS A MAN'S BEST FRIEND!
IT WON'T NAG OR TALK BACK AND WHEN YOU COME HOME IT'LL SIT IN YOUR LAP!
I'LL GO RIGHT OVER TO THE FARM AND GET ONE!
I HAVE NO DOG BUT A HORSE, LIKE THE DOG, IS MAN'S BEST FRIEND!

Letters to the Editor

Heinsburg, Alta.,
Oct. 15, 1958.

Editor, Vermilion Standard.

Dear Sir:

Would you please, through the columns of your valuable paper, inform me if the Sunday shooting ban has been lifted? It states on my hunting license that Sunday shooting is prohibited but judging by the number hunting and shooting wherever one goes on a Sunday I thought that I might have missed any information to this effect. If Sunday shooting is still illegal, why do you not carry reports of convictions of violators? I have not seen one such news item this year in yours or in any other paper to which I subscribe. Surely, with the great numbers hunting on Sundays, there must be the odd one caught and I think his name should be published as a deterrent to others, not to mention a nice juicy fine and confiscation of car, gun and shells.

These "Sunday Shooters" certainly spoil shooting for those of us who like to observe the laws of our land to get a decent shoot as on Thanksgiving Sunday no matter where we went to spot for a Thanksgiving Monday shoot, somebody was firing away.

Let's have Sunday shooting for everyone or else put enough teeth into our game laws to curb the voracious appetites of these sneak shooters. As it stands at present the game laws are a pitiful and half-hearted effort on the part of our government.

Thanking you, I remain,

Yours truly,
Square Shooter.

** * **

Editor's Note: No, we have not received any information from government sources re change in Sunday game laws. As to [illegible] we would be only too glad to co-operate with game guardians in publicizing names of violators of the Game act.

McLAUGHLIN'S SELF-SERVE

Mental Retardation: What Do You Know About It?

by MRS. RITA FINLAY

Many of us do not realize the untold miseries there are in the world today. For instance do you realize that in this broad and beautiful country of ours there are 500,000 Canadians suffering from some degree of mental retardation — 160,000 of them are children? There will be 14,000 mentally defective children born this year in Canada — 3 out of every 100 births. This amounts to 3% of the population of Canada. It affects as many people either directly or indirectly as the whole of the population of the province of British Columbia.

Many of these people have been kept in the back rooms to live their short lives in loneliness, but due to the stimulus provided by the parents of retarded children, the following is now slowly being accomplished:—

1. The establishment of schools for the retarded.
2. The training of special teachers.
3. The provision of home care for the retarded.
4. The formation of Provincial and National Associations for those interested in the mentally retarded.

The surface has only been scratched in this huge problem. One of the things we are behind in is research in the cause and cure or alleviation of mental retardation. Some backward children are born that way, victims of a brain injury during the birth process or a pre-natal mishap that prevents them developing normally. Others become retarded after birth as the result of illness or accident. It is no respector of class, race or creed and can happen in any family. It is estimated there are at least 70 known or suspected causes of mental retardation and as yet there is no known cure. So there is great need for research in this field.

In Lloydminster the Parents Council for Retarded Children are attempting to set up a classroom for the retarded and any one interested and wishing further information is invited to write to the president — Mrs. R. C. Bond, Blackfoot, Alberta.

Mrs. Winnifred Stewart, founder of the Winnifred Stewart School for Retarded Children in Edmonton, will be guest speaker on October 29 at 8 p.m. in the High School Auditorium in Lloydminster. It is hoped that as many as possible will be at this meeting. Won't you please come and learn a little more about this great and little understood problem?

Islay Municipal Hospital Board Appoints Delegates To Convention

The regular monthly meeting of the Islay Municipal Hospital board was held in the hospital on Tuesday, Oct. 7, at 8 p.m. with Messrs. Shirreff, Shaw, Garnier, Beckett and secretary present.

The minutes of Sept. 2nd meeting and financial statement were adopted as read.

Mr. D. B. Shirreff, Mr. J. W. Shaw and Miss Carey were appointed delegates to attend the Associated Hospitals of Alberta convention in Edmonton Oct. 21, 22 and 23.

A resolution was passed giving the vice-chairman bank signing authority.

It was moved and carried that four overbed tables be purchased for the hospital.

Matron's report: In hospital 10, admitted 28; discharged 29, remaining Oct. 1, 9. Out patients 6; births 0; deaths 0; operations, one minor.

Meeting adjourned to meet on Nov. 4th at 2 p.m. in the hospital.

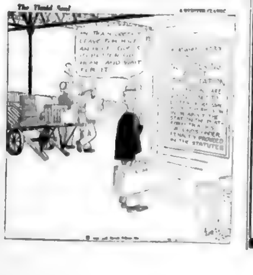
The Timid Soul



NEWS from ISLAY

The Boy Scouts of Islay who are a part of the Kitscoty troop, will hold a bottle drive Saturday, Oct. 18th. Please have bottles out front early that morning and they will be picked up. Any type of bottle will be acceptable such as soft drink, beer, whiskey and vinegar.

Mr. and Mrs. Harold McClelland and son Brian were holiday visitors at the home of the former's parents Mr. and Mrs. Jim McClelland.

Mr. Henry Olds was a visitor at home of his daughter, Mr. and Mrs. George Schaffer.

Mr. and Mrs. Gerry Grant of Edmonton were visitors for the long week end at the home of Mrs. Grant's mother Mrs. Hilda Bell.

Mr. and Mrs. Frank Stone of Edmonton were visitors at the home of Gladys and Muriel Stone, also Mr. and Mrs. Bill Stone, Georgie, Ron and Billy, and Mr. and Mrs. Charlie Stone and Janice of Lloydminster.

Mr. and Mrs. Swinhoe and three children from Edmonton were at the Bill Shaw home; Mr. and Mrs. Dick Bootsman and Shirley at the Trekry home; the McLean family journeyed to the home of Mrs. McLean's parents at Mannville.

Walter McCaughan went goose hunting over the holiday bagging five of the big birds.

Mrs. Steinhauer Sr. is moving her house to town, on to lot 3, blk. 4, next the Stone's home.

The Thanksgiving service was well attended. The church looked very nice all decorated with harvest fruits and vegetables. Mrs. Carlson's pumpkins made a good showing, thank you Mrs. Carlson.

OVERTURE CONCERT MEMBERS

General meeting of all members of the Overture Concert Association will be held on Friday, Oct. 17th at 8 p.m. in the Anglican parish hall. All members are urged to attend. 14

Priest Takes Leave Of Absence After 18 Years at La Biche

LAC LA BICHE — REV. Fr. J. F. McGrane, who celebrated the 25th anniversary of his ordination to the Holy Priesthood in April, is taking an extended leave of absence after serving 18 years in St. Catherine's parish here.

Four hundred persons were on hand recently at a farewell tea to offer good wishes to the Roman Catholic priest whose fame as a sea cadet instructor is nationwide.

Father McGrane leaves this week to visit friends and relatives in Los Angeles, Cal. and will spend Christmas in the Old Country.

At the afternoon party organized by the Ladies of St. Catherine and the Knights of Columbus he was presented with a gift of $500 cash. At the conclusion of High Mass on Sunday, a gift of [illegible] cigars on behalf of the altar boys was made by Harry Breau.

During Father McGrane's absence R. Rizzoli will be acting commanding officer of the local sea cadet corps.

No. 1, Wainwright, phone 1611. Lunch will be served and a door prize given. Good prizes for the winning contestants. Music for dancing too. 13-14

Rotary Club Hears Talk on Military Badges Friday

A talk on military badges was made by E. H. Buckingham at the Rotary Club meeting on Friday.

Mr Buckingham told the story of military badges with special reference to those in use in the British Army. The purpose of badges is to distinguish men of one regiment from another.

On regimental badges also are found mottos and honors awarded to various units throughout their history. Badges change continually, sometimes every few years in the life of certain regiments.

The speaker said that 109 British regiments were combined in 1881 to make up 63 regiments of the line. Last spring these 63 regiments were amalgamated to form 49 regiments. An example would be the linking together of the Queen's Royal Regiment (West Surrey) with the East Surreys to form a new regiment.

Mr Buckingham has in his collection close to 800 badges of various regiments in the British and Canadian armies.

Ed Corley, in introducing the speaker, told of his 20 years service in the active and the reserve armies. Capt. Buckingham is a double war veteran, having served in both world wars I and II. Walter Duncan thanked Mr. Buckingham for his interesting talk.

Visitors at the meeting were Sid Webber of the Edmonton club and Rene Hayward of Kamloops. Guests were Jack Cross introduced by Curt Alfke and Bob Warren of the School of Agriculture staff who was introduced by Alex Palin.

Council Has Busy Session With Lot Sales and Building Permits

The following is a resume of minutes of the regular meeting of town council held Monday, Sept. 15th. Present were Mayor Hill and Crs. Locke, McCormick, Rowe, Sutherland, Thompson. Absent, Cr. P. E. Cooper.

Lot sales: John Wasylik, Lots 3 and 4, Blk. 30, Plan 635V; Wm. Chomak, Lot 11, Blk. 34, Plan 635V; John Williams, Lot 9, Blk. 34, Plan 635V.

Building Permits: Aldous Kent, warehouse on Lot 18, Blk. 18, Plan 6647S; Monarch Lumber Co., residence on E½ Lot 2, all of Lot 3, Blk. 42, Plan 635V (M. Boake); C. Cawthorpe, residence on Lot 19, Blk. 33, Plan 635V; Dan Lutzak, residence on Lot 7, Blk. 4, Plan 5766AY; John Watt, addition to house on Lot 2, Blk. 36, Plan 4097S; John Wasylik, residence on Lots 3 and 4, Blk. 30, Plan 635V.

Other business: Mrs. Laws, extension of time to move house; Andrew Redford, water and sewer installation to trailer; Cr. Sutherland, elderly citizens' home.

The following motions were passed:

That I.O.D.E. be granted permission to hold a tag day on Oct. 18th.

That the resignation of Mr. E. A. Locke as councillor be accepted with regret.

That Lot 9, Blk. 34, Plan 635V, be sold to John Williams for $200, subject to usual building restrictions.

That John Wasylik's application to purchase Lots 3 and 4, Blk. 30, Plan 635V for $200 be accepted.

That Wm. Choma be sold Lot 11, Blk. 34, Plan 635V for the sum of $200 and subject to the usual building restrictions.

That Monarch Lumber Co. be given a permit to erect a dwelling for M. Boake, on E½ of Lot 2, all of Lot 3, Blk. 42, Plan 635V, subject to building bylaws.

That John Wasylik be granted a permit to build a house on Lots 3 and 4, Blk. 30, Plan 635V, as per specifications submitted, and subject to building bylaws.

That John A. Watt be given permission to build porch to the rear of present house subject to usual building regulations.

That Charlie Cawthorpe be granted building permit for construction of residence on Lot 19, Blk. 33, Plan 635V, subject to usual building bylaws.

That Aldous Kent be given permission to build an addition to the present building, to be used as a warehouse, on Lot 18, Blk. 18, Plan 6647S, as described on building application and subject to usual building regulations.

That Dan Lutzak be given permission to build a residence on Lot 7, Blk. 4, Plan 5766AY as described in application and subject to usual building regulations.

That the material in damaged portion of the building covering boilers in the old power plant be given to E. Coulbourne in return for complete demolition and removal of debris; to be completed by Oct. 31st.

That the Town of Vermilion list meeting dates on the Rotary calendar for year 1959.

GRANDMA READ BY THE LIGHT OF A KEROSENE LAMP

I remember it used to be one of my chores to fill all the lamps and trim all the wicks, and the house always seemed to smell of kerosene. When I think of the lighting we had then, and compare it with the light we have today, it makes me glad my family can live electrically.

Modern, planned home lighting is more than just a matter of putting one lamp here, and another lamp there. Planned home lighting brings cheer to all your rooms, creates interesting highlights and does away with gloomy backgrounds. Light brings colors to life. Good lighting aids reading, sewing and homework and prevents eye strain. Carefully planned home lighting helps you enjoy the full benefits of living better . . . electrically.

"Power for Alberta's Progress"

F/L. R. L. MACDONALD

PROMOTED

The promotion to Flight Lieutenant of R. L. MacDonald, 27, a career counsellor with the R. C. A. F. Recruiting unit in Edmonton, has been announced by the R. C. A. F.

F/L. MacDonald, a native of High River, joined the R. C. A. F. in December, 1950, and received his pilot's wings in November, 1951. He flew with the 403 Reserve Squadron in Calgary until March, 1952, when he was transferred to the Advanced Flying School in MacDonald, Man. In November, 1952, F/L. MacDonald was transferred to the Operational Training Unit in Chatham, N. B., for jet training on T33 Silver Star and F86 Sabre aircraft.

In February, 1953, F/L. MacDonald joined 427 (F) Squadron and went overseas with that squadron shortly afterwards. He flew F86 sabre aircraft, based at Zweibrucken, Germany, until July 1954, when he was transferred to 416 (F) Squadron at Grostenquin, France.

He was transferred to the Recruiting Unit in Edmonton in January, 1957.

News from Tulliby Lake

We are sorry to report that Minnie Parker is once again confined to the Lloydminster hospital. Minnie Parker is a sister of Mrs. Wesley Hayes.

On Sunday evening a Bible instruction program was presented at the home of Mrs. Mollie Behrens. Everyone enjoyed the Bible study on "You Ought to be Teachers." Roy Wagner was conductor while Juvenile Behrens did the reading.

Alvin Lider has been helping with the construction of the new school in Marwayne.

Juvenile Behrens had quite a bout with the old flu bug recently. The accompanying cold settled in Juvenile's eyes causing an irritating infection.

Sorry to report that Roy Parker is a patient in the Lloydminster hospital. Roy Parker is a brother of Mrs. W. Hayes.

1959 CHEVROLET

Completely restyled in a bold, fresh design, Chevrolet for 1959 offers improved suspension, better brakes and easier handling characteristics. Front and rear views of Chevrolet's new Impala sport sedan, above, show large compound windshield and wide wrap-around rear window which insure greater visibility. Height has been reduced and passenger space is increased by almost five inches more width in front seat. Trunk is 20 per cent larger. A new six-cylinder engine, with redesigned valving and carburetion, gives up to 10 per cent more mileage and more usable horsepower at normal driving speeds. It is one of nine, six- and eight-cylinder engines offered this year. Fourteen solid and 11 two-tone combinations are available, all in a new acrylic finish, which retains brilliant lustre up to three years.

WILDMERE WINKS

Wildmere W.A. held the October meeting at the school with a fair attendance. Mrs. D. Dibben and Mrs. R. Smith were welcomed as members. Mrs. Hughes reported getting twenty Gospel song books. Dates of fall rallies were given by Mrs. Holte. All are being held this week. A letter was received from Edmonton re alcoholics. The president gave a talk on suggestions for new program books. Lunch for the November meeting — Mrs. W. Westman and Mrs. A. Smith. Devotional — Mrs. D. Hughes. Mrs. A. Holte gave the devotional for October, "A Light shone in his cell". The meeting closed by singing of "When Jesus Comes". After a very nice lunch everyone departed homeward.

These nice fine days the combines and threshing machines have again been humming trying to get the crops harvested 'ere the snow flies. Bill and Adam Smith did a hundred acres of combining for Service brothers of Brockville district.

We are sure every one joins with the writer in extending our heartfelt symathy to Mrs. W. J. Garnett on the loss of her aged father in England. He truly lived to be a grand age.

There was a nice attendance at church on Sunday. The writer and husband were not present so cannot say much about it. We do know Rev. MacKay will hold service again on Oct. 26 at 3 p.m. in Preston Central School.

Mr. and Mrs. Gaylord Gibson of Cloverdale B.C. have been visiting in Woodside, Manitoba, with their sons Don and Howard. Mrs. Gibson also visited her daughter (Nellie) Mrs. Keast who lives in Fort William, Ont. They journeyed to Wainwright and were met by their son Frank of Basswood on Sunday; they will visit with him and his family, also their daughter Mrs. Erie Madill of Vermilion. They will then journey on to their home at the coast again.

Mr. and Mrs. Alex Smith and son Scott visited on Sunday afternoon with Mr. and Mrs. Wm. Smith and Adam, also calling on Mrs. Cruthers and family. Alex was enjoying the long week end and also got in some shooting. They visited Mrs. Smith's mother Mrs. Cleland and boys of Auburndale before returning to Edmonton on Monday afternoon.

Wedding bells will ring this week for a former neighbor of ours Mrs. Kate Whitlock and Clarence Laboucane of Triangle district. We all wish them many years of health and happiness together. May we soon welcome you as a neighbor again Kate.

On Sunday Mr. and Mrs. J. Wallington and Laurence Graham visited at the home of Mr. and Mrs. Chas Moore of Deer Lake district. While walking around Jim found a couple of crocus in bloom on the Moore farm. Guess it's warmer up your way, eh? We truly enjoyed our visit with these fine folks. Edna, their daughter, works at the Treasury Branch in Vermilion and she was home also. Mr and Mrs. Moore and Edna were the first ones to come along when that accident happened north of Islay. Mr. Moore took the injured to the Islay hospital. We do hope all of the injured are well again.

Peggy Graham, R. N. who has been nursing at Barrie, Ontario since January, left on Sunday from Toronto by plane for Bermuda to nurse there. We hope you like it there Peggy. It's nice to see other parts of the world.

We saw Mr. E. Stockwell of Clandonald last Tuesday with his daughter Mrs. W. Coulter, and hoped he would have sent in some Clandonald news. We couldn't find any in the paper. How about it Mr. Stockwell and also some Chatsworth Chatter.

The Hula Hoop craze has hit Wildmere. Maureen Cruthers won one over "Club 88" in Edmonton and it's really been going since. Even the older ones are trying it. How long can you keep it going Lil and Naomi?

Pontiacs for 1959 are wider and lower, with up to 50 per cent more glass. Completely restyled, the Pontiac has larger brakes, easier steering, improved suspension, and a new 150-horsepower six-cylinder engine with a new single barrel carburetor and new distributor to give better gas mileage and more usable horsepower at normal driving speeds. Five engines — six and eight-cylinder — are available in domestic models. Pontiac's new radiator has 48 square inches more core area, providing more efficient cooling. A tough acrylic finish, from two to five times more durable than other paints, is standard on all models. Pontiac offers 26 models in six series: five Parisiennes, three Laurentians, three Strato Chiefs, five Bonnevilles, three Star Chiefs and seven in new Cataline series. Above is the Strato Chief Four-Door Sedan.

OBITUARY

DR. MARVIN GLEN CROWELL

Funeral services were held for the late Dr. Marvin Glen Crowell in Grande Prairie Christ Church (Anglican) on Friday, Sept. 26th, at 2:30 p.m. with the Rev. A. Bush officiating. The pallbearers were Dr. C. Compton, Dr. A. Murray, Dr. J. Higa, Dr. M. Woronuk, Mr. Alf Baum and Mr. Egon Shrig.

Interment followed on Saturday, Sept. 27th at 2:30 p.m. in Evergreen Memorial cemetery, Edmonton. After services were held in the chapel at Hainstock & Sons with Archdeacon T. W. Teape officiating. BOWTELL BULLETIN

The writer was sorry to learn recently that our old friend and neighbor Mrs. McClellan has been quite ill in hospital for some time. Best wishes are extended for a speedy return to good health.

What a grand day Sunday for the harvest Thanksgiving service at Pleasant Valley. Some 38 were present to hear Rev. Minchin. The church was nicely decorated thanks to Mrs. Robinson and Mrs. Freestone.

Tommy King is now working in a bank at Wetaskiwin.

Charlie Burt was noticed driving a nice new Chev. truck.

Visitors over the long week end at the Robinson home were Mr. and Mrs. F. Jones and Mr. and Mrs. J. Gerrard of Edmonton.

We would like to make a correction from last week. A pot luck dinner will be held at Mrs. William's, not supper as stated.

The writer enjoyed a short visit recently with Grandma Payne. Despite the fact she can only get around on crutches and is confined to a chair most of the time, she is very cheerful.

Mrs. Freestone and Lynn and Erwin Whitcher were Tuesday visitors at the Millar home.

Congratulations to Mr. and Mrs. Donkin on the new addition to their family recently.

C. N. R. Chief Completes Tour Of Inspection

WINNIPEG - Donald Gordon, chairman and president of Canadian National Railways, has just completed a thorough inspection of the company's western lines.

Starting at Vancouver and working eastward to the Lakehead Mr. Gordon made a close study of track work and facilities travelling over many sections by track motor car.

He met and talked with section foremen, lunched with work crews and got a first hand knowledge of actual conditions all along the line.

"I was very pleased with the improvements and also with the high state of morale," Mr. Gordon said.

Luck is usually only a matter of knowing what you want and going after it.

Banff Is Locale Of Recreation Leaders Meeting

Recreation leaders from Alberta, Saskatchewan, Manitoba and British Columbia will attend the Western Recreation Conference at the Banff School of Fine Arts October 17 - 19. The conference which is sponsored and arranged by the Alberta Recreation Association, will have as its principal speaker, Dr. E. J. Tyler, professor of psychology at Brandon University, Brandon, Manitoba. Dr. Tyler has international renown as a psychologist.

The conference will consider problems involving recruitment of able leaders, leadership standards and facility standards, community [illegible] library services and federal assistance for recreation.

More than [illegible] individuals and organizations have registered for the conference from Alberta alone.

Prior to the Western Conference members of the Alberta Recreation Association will hold a one-day meeting. Major discussion will be devoted to local recreation problems and the recreational opportunities available in the spending of $12,000,000 by the Alberta Government on parks and recreation facilities for Albertans, over the next five years.

BINGO AT CLANDONALD

Play Bingo in the Columbus Hall, Clandonald on Monday, Oct. 20th. Good prizes. Master card $1.00, extra cards 2 for 50 cents. Sponsored by the C. W. L. 13 - 14.

WHO ARE THESE MILLION MEN THEY CALL "KNIGHTS"?

Whether you are a Catholic or not, you should know the truth about the Knights of Columbus.

Is it, as sometimes rumored, a secret society with designs against our government? Do its members really take an oath to destroy non-Catholic political power?

If such rumors were true, the Knights of Columbus would not deserve the friendship and trust of non-Catholic citizens, which it invites and merits. Actually there is no more thoroughly patriotic organization than this fraternal order of Catholic men.

It is composed of plumbers and lawyers, farmers and doctors, business men and scientists—of Catholic men at every level of the social and economic scale. Some are rabidly partisan on political and public questions. They "choose up sides" with all the freedom of any other citizens.

The Knights of Columbus was formed in 1882, by a small group of the men of St. Mary's Church, New Haven, Connecticut. They had met, at the invitation of Father Michael J. McGivney, not to form a national fraternal society, but to "render mutual aid to the members of the parish and their families."

In the years that since have ensued, the Knights of Columbus has grown into a fraternal order of more than a million members, spread over the United States, Canada and other countries of the Western World. But its purpose of "mutual aid" .. and its principles of charity, unity, fraternity and patriotism . . . remain unchanged after more than 70 years.

Millions of dollars have been spent by the order for the relief of victims of fire, flood and famine . . . for the support of Christian youth work . . . aid to Christian education. In both world wars, the Knights performed a service of ministering to the spiritual welfare and comfort of the armed forces regardless of creed, that brought sincerest thanks from a grateful nation.

Nearly one out of every six Knights served his country in World War II, and many laid down their lives.

Despite these and many other signal demonstrations of its principles of charity, unity, fraternity and patriotism, some people have the most absurd beliefs and suspicions about the Knights of Columbus, just as they do about the Catholic Church. Even today, misinformed people give publicity at times to a false alleged Knights of Columbus oath which has been proved to be fraudulent, and which scores of others have been forced publicly to admit is untrue.

This message . . . and others explaining Catholic beliefs and practices . . . are published by the Knights of Columbus so that our non-Catholic neighbors may judge us as we really are—not as we are often misrepresented to be. If you wish, we shall send you free, in a plain wrapper, an interesting pamphlet about this international society. And nobody will call on you. Write for Pamphlet No. KC-9.

Health Unit Notes

CHILD SAFETY

Statistics show that 122 Alberta children under 14 years of age were killed by accidents of various types last year. Some 30% of these victims were only four years of age or younger.

One hundred children or 78% would be alive today had responsible adults exercised reasonable care and forethought. This is borne out by the circumstances of the accidents as shown in coroners' reports. Accidental deaths make up 50% of child mortality between the ages of five and fourteen years.

THE INFANT

Newborn babies are helpless and need absolute protection.

1. Always feed your infant in your arms or supported in a vertical position.

2. Avoid leaving your baby lying in a crib with a bottle or small "comfort" ten infants lying in their cribs were choked to death by food during or after feeding last year in Alberta.

HOME SAFETY

1. Check your home regularly to assure removal of fire hazards from basement, attic and closets.

2. Have fire extinguishers in your home in good operating order.

3. Have a dependable person stay with children when going out.

4. Keep handles of pots on your stove out of touch of the children.

5. Keep all poisons securely locked and out of the hands of children.

ROAD SAFETY

1. Train your children not to play in streets and highways.

2. Secure your vehicle doors so that children are not able to open them from the inside.

3. Drive safely and sanely at all times.

4. Always look behind and in front of your vehicle before moving it.

WATER HAZARDS

1. All ponds, cisterns and wells near your home should be covered over or filled in.

2. Keep children away from dugouts and unknown bodies of water.

3. Guard river areas during the spring flood period.

DON'T LET YOUR NEGLECT OR CARELESSNESS BE THE CAUSE OF ANY TOT'S DEATH! EXERCISE CARE. KEEP THEM ALIVE!

Check Thickness Of the Insulation In Your Home

If fuel bills seem high in your home even though you have insulation, better check the thickness of the material used.

That's the advice of the Insulation Industries (Canada) Ltd. manufacturers and distributors of lightweight vermiculite.

If the insulation was blown or applied at improper density it may have settled as much as 30% If it has, you're burning up fuel dollars needlessly.

To bring the insulation up to the efficient four inch thickness, simply pour vermiculite over the existing material. Be especially certain to place vermiculite where voids or holes might exist in your original insulation, for example, around braces, wiring or nails.

Vermiculite is sold in Canada under the trade name Zonolite.

Friday, October 24 — Paradise Valley (United Church Basement) 2 to 3 p.m.

PARADISE VALLEY NEWS

Miss Irene Engst, missionary on furlough from Kenya Colony, Africa was a recent visitor to Paradise Valley. She spoke in the morning service at the Church of God, and showed slides of the mission work in the evening. Monday afternoon Miss Engst took Rev Johnston's religious instruction period at the elementary school. The boys and girls listened eagerly as Miss Engst told them of African customs and how African boys and girls go to school. She also showed a number of articles made by African children.

On October 6, Rev. and Mrs. Neff who have had twenty-eight years of missionary experience in Egypt, visited Paradise Valley on their itinerary which took them to some thirty-two congregations of the Church of God in Western Canada. Mr. Neff has also seen ten years service in India and ten in Trinidad. An appreciative audience heard them relate their call to the mission field and then tell of the mission work in Egypt. The Neff's also paid a visit to the elementary school where they showed slides of Egypt.

Alice Doty, Eleanor Fulgham, Darlene and Donna Adams attended the Youth Convention at Biggar, Sask., over the Thanksgiving week end. As Rev. Johnston was one of the conference leaders at the convention, the young people travelled to Biggar with the Johnston's.

The Paradise Valley W. A. met in the Sunday School Hall on Tuesday, October 7 at 2 p.m. with a good attendance of members and two visitors. Mrs. L. Knutson and Mrs. F. Sirett were the hostesses. Mrs. C. Ball, devotional convenor was absent for this part of the meeting so Mrs. Thibodeau read a very fine paper prepared by Mrs. McLean, Presbytery Convenor, on Christian Stewardship. Final arrangements were made for the Presbytery Rally to be held here on Oct 14. The date for the annual chicken supper is November 7 starting at 6 p.m. Mr. Smallwood, M P for Battle River-Camrose will show slides on the opening of Parliament and some taken during the session, after the supper. The next meeting of the W. A. will be on Tuesday Oct. 28 instead of on Nov. 4th. Please take note of the change of date. This will be at 2 o'clock and hostesses are Mrs. H. Fair and Mrs. Frank Brassington.

Mr and Mrs. A. Levitt spent a few days in Edmonton last week.

Mr and Mrs. Nigel Aspeslet spent the week-end visiting at the Levitt home.

Mrs. Branegrove, Mr. and Mrs. Jack Miskae, Brian and Morliee, of Calgary, are spending Thanksgiving with Mr. and Mrs. M. Hoskins.

Mr. and Mrs. W. A. McLean and family are spending the week end with Mr. and Mrs. Hugh McAmmond at Barrhead over the week end.

Mrs. Elmer Clay of Edmonton spent a few days last week visiting with son George and family and her many friends in the Valley. Nice to see [illegible] back for a visit.

Many friends and neighbors met in the United Church Sunday school hall where there was a miscellaneous shower for Lorraine Fredrickson, who [illegible] be married on October 18. Ruth Walter, in a short speech, presented the many lovely and useful gifts.

All men make mistakes — only fools keep repeating them.

The Paradise Valley Square Dance Club will hold their first dance of the season in the hall on October 22 with Harold Schecher of Bawlf calling. Our dances will be the 2nd and 4th Wednesday of each month.

Like all '59 Chevrolets, the Impala Sport Sedan is roomier, smoother riding.

what Canada wants, Canada gets in a Chevy!

'59 CHEVROLET

It's shaped to the modern Canadian taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen — a new kind of finish that keeps its lustre without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one.

The 1959 Chevrolet is more than a restyled car — more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style. Designed to anticipate your desire for greater roominess and comfort. Engineered for greater safety, economy, ease of handling and smoothness of ride.

Your first look shows you that Chevrolet says new like nobody else. New Slimline design brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead — and there are bigger windows all around.

When you take the wheel, you begin to find that Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turboglide.* Eight V8's plus a new Hi-Thrift 6 that goes and goes on a gallon. New and bigger brakes. Even new tires!

There's still more! A new Magic-Mirror finish that keeps its shine without waxing or polishing for up to three years. New Impala models. Wonderful new station wagons — including one with a rear-facing rear seat. And, with all that's new, you find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

*Extra-cost option.

Bel Air 4-Door Sedan — new right down to its tires.

ALL NEW ALL OVER AGAIN!

BY-LAW No. 956
AND AMENDMENTS THERETO
Municipal District of Vermilion River No. 71

A BY-LAW of the Municipal District of Vermilion River No. 71 to limit the operation of trucks, trailers and traction engines on all public roads, highways, streets, and lanes in the Municipal District of Vermilion River No. 71.

WHEREAS under the provisions of the Municipal Districts Act 1954 the control of all public roads, highways, streets and lanes within the said Municipal District is vested in the Municipal District of Vermilion River No. 71 and there is a duty on the Municipal District to repair the said roads, and

WHEREAS under the provisions of the Public Service Vehicles Act the Council may prohibit the use of any district road, local road, or portion thereof, by any truck, trailer or traction engine and the said Public Service Vehicles Act and the Highways Traffic Board do not provide for the control as contemplated by this By-Law.

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

The term "truck" shall include all trucks with a rated capacity of one ton or more and the term "tractor" shall include traction engines operated on wheels and also such motor vehicles as run on tracks.

No person shall operate any truck, trailer, or tractor on any district road, local road or portion thereof during any rain storm or during a rainy season or at any time when the said vehicle breaks through the surface of the roadway or causes rutting or breaks chunks of road materials from the road bed.

Any person or persons who are found guilty of a breach of this By-Law shall be guilty of an offence, and liable on summary conviction for a first offence to a penalty of not more than twenty-five ($25.00) dollars and costs, for a second offence to a penalty of not more than fifty ($50.00) and costs, for a third or subsequent offence to a penalty of not more than one hundred ($100.00) dollars and costs, and in default of payment to imprisonment to a term of not more than 60 days.

BY-LAW No. 956 Done and Passed in Council on the 3rd day of April, 1957, A.D.

AMENDING BY-LAW No. [illegible] passed in Council on the 3rd day of April, 1958, A.D.

Senior Citizens Home To Be Built At Vermilion

HON. R. D. "BOB" JORGENSON
Minister of Welfare
—who announced on Wednesday that the Alberta Government would build two senior citizens' lodges in Vermilion River M. D., one at Vermilion and the other at Lloydminster.

One of the new senior citizens homes being built by Alberta's Social Credit government will be located in Vermilion. This important and pleasing announcement was made at a special meeting held in Kitscoty Wednesday afternoon by the Hon. R. D. Jorgenson, minister of Welfare. Accompanying Mr. Jorgenson were Hon. Anders Aalborg, member for Alexandra, and Mr. Hagen, deputy minister of Welfare. A second home will be built on the Alberta side of Lloydminster.

In attendance at the meeting were representatives of the council of the M.D of Vermilion River, the city of Lloydminster, the town of Vermilion and the villages of Dewberry, Marwayne and Kitscoty.

Representing the town of Vermilion were Mayor Melvin Hill, Councillors C. J. McCormick and Chas. E. Thompson, and Ashley H. Cooper.

Chairman of the meeting was Mr. J. H Kelly, reeve of the M.D. of Vermilion River.

The [illegible] plan for senior citizens homes was outlined in detail by Mr. Jorgenson and Mr. Hagen. The homes will accommodate fifty people, and will be built at a cost [illegible] approximately [illegible]. They will be [illegible] in the spring of 1959. Planned for ambulatory people living alone, the homes are not to be confused with nursing homes or chronic hospitals. A monthly charge is set so that the [illegible] should be self-supporting.

A detailed story of the meeting will appear in next week's Standard. The homes are built, furnished and fully equipped by the Alberta government. The area served is asked to supply a site for the building of not less than five acres, and to run services to the boundary of the property.

Following the detailed explanations a resolution approving the plan and endorsing the location of these homes at Vermilion and Lloydminster, was made by Mayor Hill of Vermilion, seconded by Mayor Miner of Lloydminster and was passed unanimously.

Rev. K. A. Minchin Accepts Call to East

The Rev. [illegible] A. Minchin, Pastor of St. Saviour's Anglican Church for the past four years, has accepted a call to the city of Sudbury, Ontario in the diocese of Algoma.

Rev. Minchin [illegible] in his new parish on January 1, [illegible].

Bob Tatham, 42 Dies In City.

On October 16th, Robert Arthur Tatham of 13012-120 street, Edmonton, died at the age of 42 years. The deceased is well [illegible] in Vermilion, living [illegible] all of his boyhood years.

Besides his loving [illegible] he is survived by one son Garry and [illegible] daughter Gail, both at home; [illegible] parents Mr. and Mrs. J. Tatham of Victoria; four [illegible] Rosalie Gant of Calgary; [illegible] Doris Richardson of Victoria; Mrs. Vi Spencer of [illegible] and Mrs. Mae [illegible] of Edmonton.

Funeral services were held on Monday, Oct. 20th with interment in the Field of Honor.

Initiated By Kinette Club

The monthly supper meeting of the Kinette club was held on Thursday, Oct. 16th at 7 p.m. in the Rio cafe. There were thirteen members present for the supper and fourteen for the business meeting afterward.

Nora Ferguson gave the library report for the month of September and Kay Hart and Joan Kowalchuk volunteered to take care of the library for the month of October.

Committees were formed to look into various projects under discussion and reports will be made at later meetings.

It was decided to raffle another pedal car during the Xmas season. The committee in charge of this is headed by Joan Kowalchuk.

At the close of the business meeting initiation ceremonies were held during which time Norma Novak welcomed Helen Rogers and Helen Cudmore into the Kinette club.

Tigers To Organize

The Vermilion Tigers will organize for the 1958-59 season at a general meeting to be held in the Elks hall on Sunday, October 26th at 2:30. Everyone interested in seeing Vermilion have a senior hockey team this winter is asked to attend this meeting.

V. S. A. Term Opens October 28th

The fall and winter term for 1958-59 opens at the Vermilion School of Agriculture on Tuesday, Oct. 28th. Acting-principal Palin reports that all is in readiness for the registration and anticipates an active and interesting year with the greatly increased number of students attending.

Registration has now settled [illegible] at 147 although as is usually the case, there has been some shifting around in the personnel, a few have dropped out but have been replaced by others, the net result remaining unchanged.

130 Attend Cub And Scout Supper

Approximately 130 boys and their parents attended the Cub and [illegible] Pot Luck Supper on October 9th.

There was a wonderful variety of good things to eat. It is really amazing how well these suppers work out.

The Mothers' Association was in charge and the Girl Guides very capably waited on tables. To these girls we extend our sincerest thanks for a job well done.

Dr. Ben King was chairman for the evening and gave a very revealing talk on Scouting and all it stands for.

Mr. Clark of Edmonton, guest speaker for the evening was unable to attend.

RENOVATIONS AT HALL

The Scouts Hall is under renovation. The floor has been sanded and polished. The Mothers' Association are taking care of the waxing and polishing. Next comes the plumbing, kitchen and painting.

APPLE DAY

The Boy Scouts will be out in full force this Saturday with apples, and ready to take orders for boxes of apples.

The Mothers' Association will be on hand to serve the boys hot chocolate and doughnuts during the day at the Scout Hall.

CUBS AND SCOUTS TO SERVE AT TEA

The next thing coming up is the Cub and Scout tea. This is always delightful, with the boys acting as hosts.

A letter is being sent out to parents, containing information pertaining to Cub and Scout registration fees and insurance.

Near Perfect Attendance At Annual A. T. A. Convention

A near perfect attendance was registered by teachers of the Wainwright, Vegreville and Vermilion school divisions at the annual fall convention held at the School of Agriculture here Monday and Tuesday, Oct. 20 and 21.

Wainwright S.D. had 87 teachers present out of a total of 92; Vegreville 103 of 105, Vermilion 112 from a total of 116.

Thus, of a total of 313 teachers 302 were in attendance at the convention.

During the business session of the A.T.A. locals held on Friday morning the following officers were elected for the ensuing year:

CONVENTION EXECUTIVE FOR 1959

President — Allen Ronaghan, Irma
Vice-Pres. — David Clarke, Paradise Valley
Past Pres. — Gordon Strong, Vegreville
Sec.-Treas. — Frank Welsh, Vermilion

VEGREVILLE A.T.A.

Pres. — Louis Maiko, Vegreville
Vice-Pres. — Mrs. Lilly Park, Mannville
Sec Treas — A. W. Fedoruk, Vegreville
Councillors (A.G.M.) — A. J Jasinski, Innisfree; Louis Maiko, Vegreville, Mrs Lilly Park Mannville

VERMILION A.T.A.

Pres. David Clark, Paradise Valley
Vice-Pres. — Marjorie Knapp, Vermilion
Sec.-Treas. — Clark Richardson, Kitscoty
Councillors (A.G.M.) — M Moncrieff, Islay, W F Stewart, Vermilion; M Knapp Vermilion

WAINWRIGHT A.T.A.

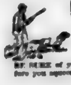
Pres. Allen Ronaghan
Vice Pres. — Don Harrison Chauvin
Sec Treas. — Miss B McBride Wainwright
Councillors — Wm. Labatiuk, Wainwright; Joe Schiebelbein Wainwright.

Kitscoty Chamber of Commerce Hosts At Annual Banquet

The annual banquet of the Kitscoty Chamber of Commerce was held in the Tracy Memorial Hall on Friday October 17. About eighty people, including guests from Vermilion, Lloydminster and Marwayne Chambers sat down to a turkey supper prepared by the ladies of the Kitscoty Legion. Mr. Milton Christofferson acted as toastmaster for the occasion and called on Bert Stokes, accompanied by Mrs. Elsie Batty to lead in community singing after which he welcomed the guests to Kitscoty. Mr. Bob Noyes represented the president of the Lloydminster Chamber, and introduced his colleagues, Joe MacLean, Russ Robertson, and city secretary, Mr. Cardiff. Angus MacMillan spoke for the Vermilion chamber, and Mr. Buckingham facetiously lauded his chief, Mr. Robert Putnam to the amusement of his audience. Mr Reinheimer, President of the Marwayne Chamber introduced Gordon Hancock and Arnold Johnson. Clark Richardson, secretary of the Kitscoty Chamber introduced the guest speaker, with whom he had attended college thirty-three years ago. Deputy Minister Robert Putnam has been employed by the Department of Agriculture for nearly a quarter of a century, broken only by a year at University of Wisconsin where he secured his M.Sc. degree in Rural Sociology. He was appointed Deputy Minister in 1953.

Mr. Putnam spoke on the rapid expansion of industry in Canada and the necessity for adjustment in business and agriculture to keep in step with the change from an agricultural to an industrial economy. He referred to "vertical integration" as a concept which his department was studying but felt that the family farm would be the most popular agricultural unit, at least during his life time.

After a short question period the meeting closed with the singing of the national anthem.



Hunting Hints

BE SURE of your target before you squeeze the trigger.

Retail Merchants Meet Oct. 27th

The follow-up meeting of the Retail Merchants of Canada Inc Vermilion Branch No. 1, will be held Monday, Oct. 27 at 8 p.m. in the town hall basement.

A representative of the Canadian Bank of Commerce will be present and talk on the risks involved in cashing of cheques.

Among matters slated for discussion will be Christmas promotion and store hours.

An invitation is extended to all retailers in the town of Vermilion to be present. This includes all branches of the retail trade.

Curling To Start November 3rd

Curling will start in the Vermilion rink on Monday, November 3rd with a President vs Vice-President's competition open to all male curlers. Fees for this special event will be $1.50 and this sum will include the cost of a dinner ticket.

Fees for the season are $30.00 per member, high school students who wish to curl in the regular club draws may do so for $12.50 for the season.

Curlers from neighboring clubs who wish to curl as a rink may do so for $8.00 per month per person, and may curl as long as they wish or until ice is available in their own rinks.

The Farmers' bonspiel will be held as usual with dates to be decided.

In the election of officers, Warren Rosequist was re-elected president, Bob Rowe is vice-president and Russell Carroll is secretary-treasurer.

A complete report of the proceedings at the annual meeting will appear in next week's Standard.

Youth Loses Life In Hunting Tragedy

George Blyan, aged 18 years, son of Mr. and Mrs. Lewis Blyan of Guerneyville, was killed instantly about 7 o'clock last Saturday morning, October 18 while hunting. Blyan was accompanied by his six year old brother. The tragedy occurred some 15 miles north-west of Vermilion where the family has been working during the harvest season.

It appears that George, who was using a double barrel shotgun of the trigger type; had cocked both barrels but had fired only one. They were walking through bushes when the second barrel in some way discharged, the shot striking the boy in the neck.

Coroner A. B. King investigated and declared that no inquest was necessary.

Funeral services were held at the Roman Catholic Mission at Guerneyville on Tuesday, Oct 21 with the Rev. Father Vincent Martorello officiating.

Noted Farm Woman To Address Town and Country Banquet

MRS. ELLEN ARMSTRONG

Mrs. Ellen Armstrong is the guest speaker at the Town and Country banquet which will be held in the Elk's Hall on Wednesday evening next October 29, commencing at 6 30 p.m. under the auspices of the Vermilion Board of Trade.

Mrs. Armstrong is the president of the United Farm Women's Union of Alberta and has been since 1954. She is also 1st vice-president of the Alberta Council on Child Welfare, a member of the Board of the Alberta Federation of Agriculture and of the Interprovincial Farm Union council. She is on the board of the Canadian Federation of Agriculture works on the Alberta Education Advisory committee and the Alberta Branch of the Canadian Mental Health Association.

She is particularly interested in education, welfare work and in legislation of interest to women. As a member of the World Wide Farm Women she recently made a world tour. Her topic on Wednesday evening will be "Town and Country People" and she will show slides taken on her world trip.

The Town and Country banquet is sponsored by the Board of Trade and is an annual event. Admission is by ticket only either during or after the banquet. Rumors of an open meeting following the banquet are not correct.

This is the first occasion at which the guest speaker at this annual function has been a lady and great interest is being taken in the event.

ARNOLD W PLATTE

A guest of note at the annual Town and Country Banquet will be Mr Arnold W. Platte, president of the Farm Union of Alberta. Mr. Platte will also give a short address.

Officers For 1958-59 Are Electd by Canadian Legion

Tommy Thompson was elected president of Vermilion branch of the Canadian Legion at the meeting of that organization held last Friday. Mr. Thompson was also president in 1956-57.

The other elected officers are:

Hon. Presidents — Mayor Melvin Hill, C. Smallwood, M.P., R. Whitson, M.L.A., J. W. G Morrison, Q.C.
1st Vice-Pes. — Ches Walden-[illegible]
2nd Vice-Pres. — E. Roberts
Sec'y. — E. Buckingham
Treas. — Thos. Wilson
Sgt.-at-Arms — Sgt.-Maj. Bob Allan
Padre — Rev. K. Minchin

Executive — Don, Keen, Rev K. Minchin, Vic Tillett, Les Metcalfe, Ted Smythe, Al Coulbourn, Bill Payne, Rod MacPhee.

Committees: House — Bill Payne; Cadets — Les Metcalfe; Entertainment — Rod MacPhee; Welfare — Vic Tillett; Bar — Al Coulbourn; Ways & Means — Ted Smythe; Cemetery — Don Keen.

It was agreed at the meeting that the Legion accept Bob Carmichael's offer to put on a variety show again this year. Date has not as yet been set but it will probably be during the first part of December. Proceeds will be donated to the Legion's polio fund. President Thompson expressed himself as being very grateful to Mr. Carmichael for arranging this show for us once again.

Meet Your Teachers At Home & School

The Home and School will hold a regular meeting on Tuesday, Oct. 28th, and this will be "Meet your teachers night"

All parents are urged to attend and to become acquainted with the members of the teaching staff. Guest speaker for the evening will be Mr. A. Aldridge of Edmonton whose topic will be "Choosing Your Child's Career".

The meeting will be held in the former high school, west end.

Islay 4-H Grain Club Achievement Day

ISLAY. — The Islay 4-H Grain club will hold their achievement day on Saturday, Oct. 25th at 1:30 p.m. in the church hall. Everybody welcome.

Work of Vermilion Cancer Branch Reviewed At Annual Meeting

The annual meeting of the Vermilion branch of the Canadian Cancer Society was held in the Legion Hall at 6 30 on Thursday October 16 when 55 people sat down to a very fine dinner served by the ladies of the Legion Auxiliary, under the chairmanship of Mrs. Hilda Cross, the president.

Guests from Calgary were Mr R. N Talbot, executive secretary for Alberta, Mr Leslie Morrison speaker, Mrs. Henderson and Miss Smith both workers in the Calgary provincial office.

Mr Talbot presented the film "I Speak Again" showing how patients who have undergone larygectomy, are taught to speak again using an entirely different method of speech, and this was viewed with great interest. After the film showing he asked Mr Leslie Morrison to address the meeting and give his experience of going through the operation and then learning to speak all over again. Mr. Morrison spoke in a low but very clear voice easily understandable and at the end of his talk answered many questions on his experience throughout. The will of the patient to conquer was never more ably demonstrated. The attention of the audience was enough indication that his talk was of interest to all them and those who did not attend missed something.

Mrs Cross presented her annual report [illegible] this showed a very substantial increase in the donations Vermilion being highest point on the North American continent for per capita return and this was received with great satisfaction. She paid tribute to the various workers and thanked one and all for their efforts.

The election of officers resulted in the following being chosen to carry the torch for 1958-59.

Hon Pres. — Mrs. N M [illegible]den; 1 P Pres. — Mrs H Cross; President — Mrs. G. Stewart; Vice-Pres. — D R Mitchell; Sec Treas. — T Watts; Social Welfare Convener — Mrs E Corley; Executive — Mrs. L. Anson, Mrs T. Armstrong; Mrs. F Gibson; Mrs. E. Corley; Mr. F. Stewart; Mrs. Edith Kneale, Mrs. Dorothy Pettigrew. Councillors — Mrs. G Stewart and Mrs. T Armstrong with Mrs. L. Anson as alternate.

The financial return given by the secretary-treasurer showed a grand total for Vermilion of $2737.12.

The secretary also reported that welfare work is increasing, although Vermilion has been very fortunate in the past, with practically no assistance being required, there are now four cases who will be receiving some help in 1958 and others have been assisted in the outside areas.

Bears Near Derwent

DERWENT. — The bears are getting closer! Mr Mike M[illegible], a [illegible] farmer has seen a big bear wandering around on his farm and believes it to weigh in the vicinity of 400 pounds.

Mr Alec Bednar another farmer living near highway 41 also reports having seen one of the animals on his farm.

Canadian Legion Prepares For Armistice Day, November 11

The parade of ex-servicemen and women will take place as usual this year on Nov. 11th at 11 00 a. m. Veterans, the army, boy scouts, girl guides, the pipers, college students and other organizations will march to the cenotaph. Sentries from "A" Company, the Loyal Edmonton will be posted at reverse arms, one at each corner of the cenotaph.

Veterans, the army and organizations will parade at the Legion hall at 10:30 a.m. to be ready to march off shortly after that time under parade marshall Sgt. Major Bob Allan.

After the ceremony of laying wreaths at the cenotaph everyone is welcome to attend a service in the Columbia Theatre. Mr E. Preston minister of the Anglican Church at Mannville will give the address.

Immediately after the service a smoker will be held in the Legion hall. First lunches will be available at 50 cents each. The smoker will follow immediately. At 2 00 p.m. seven members of Vermilion branch will be presented with 25 year badges.

During the afternoon there will be music and songs and dancing. All veterans and wives will be welcome whether they are Legion members or not. All the Ladies Auxiliary members and their husbands are welcome.

POPPY DAY

Vermilion branch has [illegible] November 8 as Poppy Day. [illegible]bers of the Ladies Auxiliary will be posted throughout the business section to accept donations to the poppy fund. This [illegible] is used only to help veterans and their families in times of sickness and distress. The Legion hopes that everyone will be liberal in their giving to this worthy cause.

LEGION DANCE

On Friday November [illegible] the annual Armistice Dance will be held in the armoury. [illegible] orchestra will provide the music. Tickets will be available from any of the executive or from Secretary E. H. Buckingham at the District Agriculturist's office. Advance tickets will be 75 cents each. Admittance at the door will be $1.00 each. Everybody welcome.

Girls' Auxiliary Pay Surprise Visit To Former Leader At Ft. Sask.

MANNVILLE — Surprising Rev. and Mrs. C. McPherson and Cindy, members of the G. A. motored to Fort Saskatchewan on Sunday in time to attend morning service at St. George's Church. Transported by Mr and Mrs. Forsyth and family, Ralph Leitch and Reg Logg, the troup of sixteen invaded the McPherson rectory after church, and assembled various items of food taken, even to the instant pudding which was made after arrival. Pooling all the prepared dinner of the McPherson family with that of the G. A., resulted in a sumptuous repast. Mr. McPherson took visitors on a tour of Oliver and other points of interest. The group prevailed upon their former leader and husband to return to Mannville, which they did for one day and night. The girls, as well as their leader, spent a memorable day with their friends.

News from Dewberry

A well known Dewberry resident, Mr. Nixie Curtis, passed away in the Islay hospital on October 9 and was laid to rest in the Dewberry cemetery on Oct. 13. He was 61 years of age and had been in poor health for many [illegible] The writer joins with the community in extending sympathy with all who are left to mourn his loss.

Mr. and Mrs. Will Porter have returned to Vancouver to spend the winter at their home there. Kenneth Porter who had been spending the Thanksgiving week end with his parents accompanied his aunt and uncle as far as Edmonton to resume his duties in the bank in the city. We miss you Elsie.

Cpl. and Mrs. Peter Morin and daughter Cherylanne, who had spent two weeks with Mrs. Morin's parents Mr. and Mrs. Dick Elliott have now gone to Comox, B.C., where Cpl. Morin is now stationed at the R. C. A. F. [illegible]

Mr. and Mrs. Elliott Lively and family, who were involved in the car accident on the 4th are now making satisfactory progress.

The hula-hoop craze has now reached Dewberry. Youngsters of all ages have taken up the pastime. Methinks some oldsters too, try it on the sly.

A whopper of a pumpkin weighing 40 pounds was on view in the White Lunch cafe. It was grown by Mrs. Blanche Stone. It sure will make a huge jack-o-lantern for the 31st.

Miss Betty Ewan was the guest of honor at a shower held for her in the hall on the [illegible]th. She is being married on the 17th of October. Best wishes Betty.

Death has claimed another Dewberry old timer. Mr. James McGilliwee passed away on Oct. 14 in the Vermilion hospital, ten days before his 80th birthday. The sympathy of the community and writer is offered to his loved ones.

God, as I know him, in my own simple way,
Who guides from beginning to end —
Knew that I'd wandered far off the trail,
So he led me to a quiet, kindly friend,
God knew, that my life, was lonely and dark,
Without a glimmer of hope far ahead —
So He gave me a Trail Mate, with courage and heart,
And this, from beside a hospital bed.
There is a milk-white moon in saintly glow,
With millions of stars twinkling high —
So I pray to my God, just to say hello,
To my Trail Mate who is passing by.
When I finally reach the end of the trail,
And my life's work on earth is done —
I'll saddle my memories, as twilight fades,
And go meet my Trail Mate, who waits beyond.

—*Leslie Lawrence Beattie.*

C.N.R. Officials To Hold Advertising Meet in Winnipeg

WINNIPEG — Passenger traffic officials of the Canadian National-Grand Trunk Railway System from 15 major cities in the U.S. will hold their annual three-day sales and advertising meeting here in the Fort Garry hotel, beginning Tuesday, Oct 21. John L. Bickley, passenger traffic manager for U.S. lines of the CNR system, will preside. A proposed 1959 tourist advertising campaign in the United States will be presented.

Anniversary of Bride's Parents Chosen For Wedding Day

On Friday, October 10th, the wedding anniversary of the bride's parents, Kitscoty United Church was the scene of a charming double-ring ceremony, when Joan Isobel, eldest daughter of Mr. and Mrs. Clark Richardson, of Kitscoty, was married to Mr Roger Hall, son of Mr and Mrs John Hall, of Lashburn. The Rev Mr. Shortt performed the candlelight service.

The bride, given in marriage by her father, wore a white velvet gown, styled on princess lines with square low-cut neckline and three-quarter length sleeves. Her veil was of finger-length type with a silver-trimmed tiara. She carried a white Bible, the gift of the groom, adorned with red roses and streamers.

She was attended by her sister, Miss Carol Richardson as maid of honor and by Miss Joyce Hall, sister of the groom, and Miss Darlene Atkinson, as bridesmaids. The attendants were identically dressed in red velvet with white headbands, and carried baskets of white and yellow mums.

The groom was attended by Mr. Ronald Grinstead, Mr. Floyd Sawtell, and his brother, Mr. Allan Hall.

Mrs. H. Batty presided at the organ. Following the arrival of the bridal party, Miss Gail Richardson, sister of the bride, sang "The Wedding Prayer." During the signing of the register, she sang "I'll Walk Beside You."

Following the ceremony, the couple and their parents received some one hundred and fifty friends at the Legion Hall in Kitscoty. The bride's table was decorated with a white lace cloth and centered with the three-tiered cake, flanked by white tapers. Miss Georgette McGregor of Kitscoty was in charge of the guest book.

A toast to the bride was offered by Mr. Merlin Moncrieff, an old-time friend of the bride and her family. The groom responded. Then Mr. Shortt called upon the guests to drink a toast to the bride's parents, it being the occasion of their wedding anniversary. Mr. Richardson responded.

Telegrams of good wishes were read from many friends and relatives. Out-of-town guests were

Out of town guests included, from Lashburn, Mr. and Mrs. A. Bexfield, Mr and Mrs. A. Milne, Mr. and Mrs. Allan Harbin, Mr and Mrs. Lamb, Fred Lamb, Mr. and Mrs. Kisching, Mr and Mrs. Jack Hall, Melvin and Allen, Mr and Mrs. Osland, Mr. and Mrs. Jack Churn, Floyd Sawtell, Mr. and Mrs. A. Nesbitt, Mr. and Mrs. Don Marlett, Rex Hall, Mr. and Mrs. Jeff Hall, Mr and Mrs. Hall Sr., Hubert Watson.

From Paradise Valley Mr and Mrs D. B. Baxter, Mr and Mrs. Geo. Venner, Mr. and Mrs. W.A. Quan, Mr and Mrs. E. Knox, Mr. and Mrs. M. Hoskins, Mr. and Mrs. Bert Welch, Mr and Mrs. A. Nickle, Mr and Mrs. Tucker Rayson, Mr and Mrs. J. W. Gordon, Mr and Mrs. Eric Flint, Mr. Jack Rayson.

From Chauvin Mr and Mrs. T. C. Gordon, Mr and Mrs. W. O. Gordon, Mr J. E. Gordon.

From Lloydminster: Mrs Hurt and children, Mrs. Uhl and children.

From Islay: Mr. and Mrs. Merlin Moncrieff.

From Camrose: Mr and Mrs. Burns Goraline.

From Vermilion: Mr. and Mrs. S. D. Simonson.

From Vegreville: Mrs. J. C. Campbell, Mr and Mrs. Don Campbell.

From Unity: Mr and Mrs. Petty, Mr and Mrs. Brownley.

From North Battleford: Mr [illegible] Mrs. Art Acaster; Mr. Don Acaster.

Following a brief honeymoon trip the young couple will take up residence in Lloydminster. The good wishes of Kitscoty go with them to their new home.

Thanksgiving Day Celebrated, Derwent

DERWENT — A Thanksgiving church service and dinner were held at Derwent on Thursday Oct 16th. A prayer and Thanksgiving speech was given by Rev. Cherkiawski. The dinner was arranged by the U.C.W.L.

'The Bible Today'

Scotsman expressed himself briefly and with conviction when he said: "Next to the British Crown ... greatest." This Scots ... in front of the Bible Society display at the Canadian National Exhibition in Toronto ... every detail ... the attendant ... piece of literature and asked "Are you acquainted with the work of the Bible Society, Sir?" "I am," ... "It is the greatest institution in the British Empire ... next to the British Crown ... the greatest!"

[illegible]

"Next to the British Crown — the greatest."

Suggested readings for next week:

Sunday, Oct. 26 — I Cor. 11:1-34
Monday, Oct. 27 — Rom. 9:1-29
Tuesday, Oct. 28 — Rom. 7:1-25
Wednesday, Oct. 29 — Rom. 10:1-21
Thursday, Oct. 30 — Rom. 14:1-23
Friday, Oct. 31 — Rom. 13:1-23
Saturday, Nov. 1 — Ps. [illegible]

More for Scholarships and Bursaries

Look for increased government spending on scholarships, bursaries and students' allowances in the coming years.

Starting next year, the province is expected to spend around one [illegible] annually in aid to students, compared with about $400,000 being spent this year. The aim is to ensure that no deserving student in Alberta will lack educational opportunities because of financial difficulty.

The education department and the university have set up a five-man committee to study the new aid program. D. R. Cameron, registrar of the department of education, is the chairman. The committee will make an interim report before the next session of the Legislature, and will continue its studies next year.

Outcome of the study may be establishment of a provincial scholarship board.

1200 Blood Transfusions Are Needed Every Week in Alberta

The Canadian Red Cross Blood Transfusion Service is once again visiting our district and you are being asked to help in making this clinic as successful as possible. The date is Tuesday, Nov. 4th.

So many people today are inclined to accept this transfusion service as now part of our way of life without understanding or knowing very many facts concerning it. A few will recall the days of not so long ago when blood transfusions had to be bought and that a suitable donor was not always available and trained though a continuous series even when available, too late. The Canadian Red Cross Society have changed all that and the present situation should be appreciated by the public for what it means. Blood is now available in any type and in any quantity of that type to meet any emergency as it comes up, entirely FREE of any charge to the recipient, even for the administration of it. You are being asked to attend this clinic, to show your kindness to others with your contribution of this priceless fluid to benefit some unknown person in their time of need.

Do you know that every fifteen minutes, night or day, [illegible] in Alberta will receive [illegible] transfusion, somewhere? Do you know that through kindness of others BLOOD is available at all times in any type and quantity required to meet any emergency? Have you had the fact explained to you that most transfusions are administered as whole fresh blood and as such it will only keep in this condition under controlled refrigeration for ten to fourteen days or as a serum for only thirty days? Do you realize how this supply must be maintained of collection? Have you been told that there is no waste, that any out-dated blood is recalled from the various medical centres and, augmented with any surplus, is reprocessed into plasma for additional uses? Have you been told that plasma itself is the liquid content of the blood, that this plasma can be dried for indefinite keeping qualities to be used for emergency until the fresh whole blood is available? Do you know that the plasma can be broken down chemically into several component parts and are used extensively in our hospitals for specialized forms of surgery and conditions of the patients, either in individual units or a combination of units? Have you been told that these BLOOD products like the whole fresh blood is also FREE of charge. This Canadian Red Cross Blood Transfusion Service is much more extensive in its application than many of the public are aware of.

Surely with this understanding you will realize that it means an army of donors must be available to maintain this supply. Regular donors may contribute every three to four months but with the need of 1200 transfusions of one sort or another each week in Alberta alone, the Canadian Red Cross Blood Transfusion Service finds it necessary to hold such clinics continuously week after week to maintain this much needed supply. As a means of cutting the cost of collection only the larger centres are chosen for the clinics, where the potential number of donors will be greater. This coming clinic is relying on YOU and you neighbor to show your concern for the sick, to make donations of your blood, which has shown beyond any doubt, one of the finest contributions mankind has provided to aid their fellowmen in their time of need.

There is little in becoming a donor, the process is a simple one, without any pain to you. Mother nature will replenish the volume to your system within fifteen or twenty minutes of your donation. Anyone between the ages of 18 and 65 in average good health may become a donor. Each bottle contains an anti-coagulant solution and the 380 cubic centimeters which will be your donation, three quarters of a pint, will fill the bottle. The average adult contains 12 to 13 pints of blood and all you are being asked to donate is three quarters of a pint. This donation will do you no harm physically and will stimulate you mentally for a good deed having been done.

Let us all get behind this local effort for a generous collection. This district is the point of pick-up, let everyone in the entire district, country points, neighboring towns and villages contribute their share. Let us make up parties representing our own district to show to others at this clinic that we can also think of those in need. Remember, others will have thought of YOU should you ever be in need of a transfusion. If you have donated in the past, be sure to come again and bring a friend with you. It is a worthy cause, a worthy investment in good health and in doing so you just MIGHT be the means of saving a LIFE, you will be helping someone back to health. Let the Red Cross go back to their depot with a full load and the thought in mind that here is one district where there are people who CARE.

The Homemaker

DONNA SHANTS
District Home Economist
Wainwright, Alta.

Hallowe'en is almost here. If the weather will just co-operate, this menu should be ideal for the celebration of Hallowe'en in the open.

Hot Dogs
Rolls spread with catsup. Canned shoestring potatoes (warmed); Jack-O'Lantern cookie faces; Apple cider; Toasted Marshmallows. Toast the marshmallows, roll in shredded coconut. When it's time for the ghost story, liven up the fire.

If old man winter is already here and the party has to be indoors, try some of the following recipes to make it a special occasion:

Hallowe'en Funny Face

Serve pumpkin pie or pudding with an amusing nut-raisin face. Children and adults alike will get a smile out of your artistic efforts. Make your favorite pumpkin pie filling.

When ready to serve, arrange raisins as eyes, more raisins or a whole date as nose, and nuts in the pattern for a mouth. Make a scallop of curls and bang across the top and down the sides of the pie with whipped cream sprinkled with a bit of cinnamon. Fun, and good eating too.

Witches' Cups

For each cup, cut cone shape from centre top of chocolate cupcake. Just before serving, top cupcake with ball of orange sherbet, adding raisins for eyes and maraschino cherry slice for the mouth. Set cake cone, inverted, on sherbet.

Hallowe'en Apples

2 cups sugar
½ tsp. cream of tartar
1 cup boiling water
¼ cup vinegar

Boil water, sugar, cream of tartar and vinegar, without stirring, until the syrup changes color slightly and is very brittle when tried in cold water. Remove from fire and place over hot water. Wash and polish small whole red Canadian-grown apples; dip and place on waxed paper until hard.

People who are prepared for an emergency are usually the last to meet it.

Sixteen Years Ago

OCT. 22, 1942

Seventy-six harvesters, 59 of them from eastern Canada and seventeen from the Peace River country, have been placed in the Vermilion district to help with the harvest.

Farmers may now market 8 bushels of wheat per authorized acre, the quota having been raised from 5 bushels on Wednesday.

Vermilion experienced its first blackout on Saturday which was reported to be a 100 per cent success. Promptly at 9:45 the whole town was cast into darkness and a plane, observing results, zoomed overhead.

There are 144 students attending the Vermilion High school this term, the highest number ever to be enrolled in the history of the institution. This represents an increase of 40 students during the past five years.

32 Years Ago

OCT. 21, 1926

The new town of Wellsdale is the scene of great activity as everyone is making preparations to move to the new townsite. Steel is expected to reach there within a month.

Wm. W. Cook, one mile north of Wellsdale, is disposing of his entire effects by auction sale.

The town council is warning against Hallowe'en pranks and advises several plain clothes men will be on duty that night.

Threshing was held up for a day by a light fall of snow and a shower of rain but is going forward again with fine headway being made.

Many Topics At Dewberry H. & S.

DEWBERRY. — The October meeting of Dewberry Home and School was held in the school auditorium on the 9th with Mrs. Holman in the chair. The secretary, Mrs. Oxton, opened the meeting by reading the Home & School creed. A large number were in attendance.

A motion was made to have some other organization sponsor the hockey team this winter. It was decided to ask the town council to do so.

Talks by two grade 12 students were given. Donna Romanchuk spoke on 'Alcohol' separating facts from fiction and stressed the dangers of alcoholism.

Carole Maltais chose as her subject "Segregation," giving the names of many colored people prominent in their field of labor, film actors, singers and those in sport. The speeches were well given and much appreciated. More talks by other grade 12 pupils will be eagerly looked forward to.

The entertainment period took the form of slides shown by Mr. Kruger. These were taken by Mr. and Mrs. Kruger while they taught in Ethiopia and showed phases of life there and in Africa and Uganda. Mrs. Kruger gave very interesting descriptions of the slides as they were being shown. The pictures and talk were much enjoyed by all. Mr. and Mrs. Kruger taught in Ethiopia for six years prior to coming to Dewberry.

Lunch served by the lunch committee was plentiful and enjoyable.

Next meeting will be on Nov. 13th. Plan to attend.

48 YEARS AGO

OCT. 19, 1910

T. P. O'Connor, London, Eng., the eminent advocate of Home Rule for Ireland, passed through Vermilion on Saturday in a special train en route to Edmonton where he speaks. A ten-minute stop was made here.

Northern Valley is the latest new post office to be opened in the north and is served weekly from Vermilion.

The town council held its regular meeting with Mayor Stephens in the chair and councillors J. A. Roseborough, Robt. Dunsmore, George E. Hayward, John Craig, S. R. P. Cooper and Mr Rutherford present.

E. H. Bailey, auctioneer of Minburn, has bills out for two sales.

NEWS from ISLAY

For the want of one girl, there are seven girls who will be denied the privilege of belonging to a 4-H Cooking club, as the rule is "eight girls are required to organize a club". Mothers and fathers — can't you persuade your girl to join?

Gordon Good has purchased a house and is now making the foundation to place it on.

In town on Monday were Mr. and Mrs. Joe Saville, Mrs. Keith Kent, Lyle and Art, Mr. and Mrs. Bowman of Kokmee, Mr. Lloyd Brown and Bill, Alvin and Mr. Jack Wylie — but we didn't see Ulva McFadyen.

Mrs. George Purves is assisting on the staff at the hospital for a few days.

Mr. and Mrs. Bill Shaw were in Edmonton this week. Bill attended the hospital convention.

The cement foundation for Mrs. Steinhauer's house is ready and it is possible the house will be all settled on it when you read this.

Mrs. Robertson spent ten days at the home of her son Clarence, returning to a hospital in Edmonton on Sunday.

Noticed Stan Davidson driving a new Chev truck.

Walt McCaughan and Bill Barfoot came home with six Canada geese. One weighed 9¼ lbs. and had a wing spread of 64 inches.

Garfield Simmons is working with the same road crew. They are now operating near Ranylvia.

Karen Armstrong spent the long week end with Peggy Brown.

Anniversary service will be held in the United church on Sunday at 9:30 a.m.

Shoots Banded Duck, Pheasant Same Day

Bill Twyning is making quite a collection of bands from game birds. On Wednesday last week he shot a fine mallard drake which carried a well-worn band on its leg, indicating it was no spring chicken. Shooting that same afternoon south of Islay, Bill shot a cock pheasant, also banded. In this case the address on the band was the Game Branch Dept., Edmonton, while the band from the duck was as usual for migratory birds, Wildlife, Washington. Mr. Twyning got a banded duck earlier in the season and one last season.

Esteemed Couple Farewelled

Around ninety people were in attendance at the community centre on the evening of Oct. 17 when friends from Allendale and surrounding districts gathered to bid farewell to Mr. and Mrs. Louis Baldock. Mildred and Louis have been at home on the Jack Cross farm for the past twelve years. They are leaving to live at Camrose.

Dancing was enjoyed for a few hours and many thanks to those who helped with the music. A lunch was served by the ladies, after which Orley Ommen spoke briefly of the good citizens Allendale would be losing as they have been willing workers both in community and church affairs. On behalf of all present, also some who could not attend, the honored couple were presented with a piece of luggage and a generous purse which they plan on using for an added piece of luggage. Both thanked all for kindness shown to them and extended an invitation to come and visit them in their new location at Camrose. A solo by Mrs. Baldock, accompanied by Mrs. McPhee, was enjoyed very much.

Men, Women! Old at 40,50,60! Want Pep?
Want to Feel Years Younger?
Thousands amazed what a little "pepping up" with Ostrex has done. For body old after 40 just because low in iron. Introductory or "get-acquainted" size only 60c. Try Ostrex Tonic Tablets for new pep, vigor and younger feeling this very day. At all drug stores.

LOCAL NEWS

Mr. and Mrs. N. N. Bentley, who have spent the past year in Cairo, Egypt, are in town this week, and are having a busy time renewing old acquaintances.

Mrs. W. B. Onions of Los Angeles, Calif. spent a week end recently at the home of Mr. and Mrs Ted Herbert, visiting her grand-daughter and two great-grandsons. She is eighty-three, and travelled the distance alone.

Mr. and Mrs. S. C. Heckbert returned to Vermilion last week after spending two and a half months touring the British Isles and the continent, with a week in the Maritimes on the way home. Dr. and Mrs. H. J. Clarke who accompanied them, visited sons Don and Bob in Toronto and are completing the trip home by car.

Pete Kupin of the University of Alberta and son of Mr. and Mrs. Mike Kupin, attended the convention of electrical engineers which was held in Toronto from Sept. 7 to 13 inclusive. The trip was made via TCA.

Recent guests at the home of Mr. and Mrs. K. E. Rowe have been Mr. and Mrs. D. G. Richardson, New Westminster; Mr. and Mrs. W. Rathje of Edmonton, and Miss A. Doughty of Fort Saskatchewan.

Lieut. Roger Rooks who has spent the past three weeks at the family home in town, is now attending the Salvation Army Congress in Vancouver. Following the Congress he will be in charge of the Salvation Army work at Estevan, Sask.

—S—

Mr. and Mrs. Roy Cameron and two boys Don and Gerald of Edmonton, spent the Thanksgiving week end with the former's mother in Vermilion, and at the home of Mrs. Cameron's mother, Mrs. Johnson at Mannville.

Mr. and Mrs Ashley Cooper and daughter Lois were in Edmonton last Friday to Sunday attending the annual convention of weekly newspaper editors, and visiting daughter Mrs. Victor Kuzek, Mr. Kuzek and baby son Murray Duane.

—S—

Morrison Smeltzer and George 'Clarence' Welsh of Edmonton spent last week end in this district duck shooting. While here they were guests of Mr and Mrs. Frank Welsh. Morrison and Clarence teach on the same high school staff in the city.

—S—

Several Vermilion hunting parties have been south to the feeding grounds of the elusive goose this past week with varying degrees of fortune. One party was comprised of Chas. Heckbert, Lawrence Webb, Clarence Moren, Alex Callas and Ted Edey, with a second group being made up of Reg Mitchell, Bill Sutherland, Gordon Park and Curt Alfke. Still another party which ended up at Smiley, Sask. included Nick Kowalchuk, Bert Lameraux and his brother from Fort Saskatchewan.

The names of Frank, Olga and Douglas Walker of Edmonton was omitted from the list of those sending floral tributes in memory of the late Gerald F. Stephens.

BIRTHS

DaJONG — Mr. and Mrs. Andy Dajong, Allandonald, on Oct. 17th, a girl, Diane Agnes.
MYSHAK — Mr. and Mrs. Mike Myshak, Vermilion on Oct. 19, a boy, Larry Christopher.
MUSACK — Mr. and Mrs. Andrew Musack, Wainwright, on Oct. 22nd, a boy.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. J. S. Cross announce the engagement of their daughter Shirley Anne to Mr. Andre Roy, son of Mr. and Mrs. E. Roy of St. Paul, Alberta. The wedding to take place in Edmonton on November 8th, 1958.

Lieut. Morgan and Lieut. Herrick are attending the Salvation Army Congress in Vancouver from October 23 to Oct. 27.

IN APPRECIATION

To our friends in Allandale and surrounding districts. We thank you all most sincerely for the lovely evening at the hall, for our gift, a beautiful piece of luggage, and a generous purse.

To all those who helped in any way, we did appreciate your kindness very much. To all if you ever pass through Camrose, or better still just come and see us, we'd love to see you any time.

Louis and Mildred

—S—

CARD OF THANKS

I wish to express my sincere thanks to Dr. Stephens, Miss McPhee, and the staff of the Vermilion Municipal hospital for the care and attention I received while I was a patient, and for the many cards and gifts received.

Mrs. Frank Eyben.

—S—

CARD OF THANKS

I wish to thank Dr. Sweet, the matron and staff of the Islay hospital for kindness and care given to me during my stay in the hospital. Again, many thanks.

Mrs. Daisy E. Colton.

Additional tributes in memory of the late Mrs. Georgie Macnab have been received as follows—

The Crippled Children's fund: Harry, Marie and family; Grace, Chris and Bill.

Auburndale Memorial Church fund: George and Ina Webb.

Mount Auburn Cemetery fund: Gordon and Ruby Larsen.

Much Depends On Car Sales

How well Canadians like the new cars now coming off the assembly lines will have an important effect on the whole economy, points out The Financial Post.

There are some 42,000 people employed directly in the Canadian auto manufacture and assembly plants when they are running at peak capacity; an estimated 55,000 are employed in auto dealerships and another 22,000 are engaged in parts manufacture. Directly and indirectly about 185,000 earners in Canada are dependent on the car market for their pay checks.

HEARTY SOUP FOR FALL DAYS

The leaves are turning [illegible] the trees are changing color — both wonderful signs of fall.

Appetites, too, take a turn at this time of year. They are sharpened by increased activity and brisk weather. As a result hearty meals are in order. Soup [illegible] with its tempting aroma [illegible] the quality [illegible] can be the measure of such meals. With the wonderful assortment of available canned condensed soups nourishing meals can be prepared quickly.

Sure to hit the spot is this combination [illegible] bean with bacon and beef [illegible] so warming and satisfying. Ladled from a gaily colored tureen [illegible] it becomes party fare.

To go along with this colorful soup [illegible] pass a basket of toasted [illegible] perhaps melted cheese [illegible] with cream cheese [illegible] include an array of homemade relishes. Then for dessert [illegible] a spicy Harvest apple pie and hot coffee.

BEAN AND BEEF CHOWDER

1 can (11½ ounces) condensed bean with bacon soup
1 can (10½ ounces) condensed beef soup
1½ soup cans water

Combine soups and water; heat. Makes 4 servings.

VEGETABLE BEAN SOUP

1 can (11½ ounces) condensed bean with bacon soup
[illegible] condensed vegetarian vegetable soup
[illegible] soup cans water

Combine soups and water, heat. Makes 4 servings.

NOBODY WAS THERE! IT WAS RAINING!

Departing Choir Member Is Farewelled At Dewberry

Mrs. Elsie Porter was guest of honor at a surprise party which the members of the Dewberry United Church choir put on at the home of Mrs. Herbert Webadale on the evening of October 7th.

Soloists during the evening were Mrs. Iris Hodgson and Mrs. Louelle Maddex. Mr. Harlan Green gave several selections on the flute. Mrs. Porter accompanied on the piano. Community singing was also enjoyed and Mrs Porter again accompanied at the piano.

Mr. Neil Jones brought along his projector and screen and showed pictures of the Lea Park Bridge opening, the Lea Park Stampede and several others that he had taken with his movie camera. Mrs. Iris Hodgson presented Mrs. Porter with an inscribed hymnary from the choir members in token of the untiring work she did for the choir. She organized the first choir in the church and took over as organist after her uncle, Mr. Fred Hardwick, who had been the first organist in the church, retired from that position.

Mrs. Porter has always given freely of her time and talent to the choir and church and had to regretfully relinquish the post owing to her moving to her Vancouver home each winter.

Mrs. Porter thanked everyone for the beautiful hymnary and also for the party which was indeed a great surprise to her.

A bountiful lunch which the choir members had suplied, was greatly enjoyed by all present.

To simplify gardening chores, says The Financial Post, there is a water timer which turns the sprinkling system on at set intervals. Is attached to faucet so as to release flow. Once set, no further adjustment required.

The first flag flown in Canada was early England's flag, the red cross of St. George on a white background, later incorporated in the Union Jack.

St. Paul United Presbytery W. A. Holds Fall Rally At Ranfurly

Fifty-nine W.A. members met recently in Ranfurly to attend the fall rally. A gracious welcome was extended to all visitors by Miss Betty Lothian of the Ranfurly W.A. at a delicious luncheon in the United Church social room.

The afternoon session was presided over by Mrs. Lillian Graham of Lloydminster, president of St. Paul United Presbytery Women's Association. The devotional, given by Mrs. T. Thomas of Vegreville, was an inspirational reading entitled "Charity in a Cold Climate" taken from the book "Twelve Baskets Full", by Margaret Applesworth.

Mrs. Enger of Irma, the president of Alberta Conference W.A., was guest speaker and her talk was full of information regarding the work of the church and the W.A. gleaned from her trip to Toronto this summer as delegate to Dominion Council. She urged all W.A. members to have a wider vision of their work as women of the church and to perform each task in the spirit of Christian love rather than 'religious duty'.

Mrs. Bruce Bird, accompanied by Mrs. Beulah Campbell of Vegreville, conducted an interesting sing-song.

A folder containing the W.A. program for the year was presented by Mrs. Lillian Graham and each local group was requested to carry out this program as drawn up by Dominion Council.

The Lake Whitney camp for boys and girls reported a successful year. The Women's Associations in the St. Paul United Presbytery contributed $880 towards this camp in 1958.

A social hour of fellowship was then enjoyed by all in the church social room and refreshments were served by the Ranfurly W.A.

McLAUGHLIN'S SELF-SERVE

Wildmere Women's Institute Notes

W. W. I. met at the home of Mrs. Chas. Sweeney on Wednesday, Oct. 1st with eight members present. The meeting opened with the Code. The roll call was "Something to make work easier in the kitchen". This was very good. Mrs. W. J. Garnett was absent so her treasurer's report was read by Mrs. W. T. Garnett. It was accepted as read on motion of Mrs. Holte, seconded by Mrs. Haines. 'Pennies for Friendship' were handed in totalling $1.30. Handicraft list was then gone over and more will be told about this in later notes as a Handicraft convener's meeting is being held at the Legion kitchen on Oct. 21st.

Draw for standing committees was next and resulted as follows: Home Economics — Mrs. A. Holte; Canadian Industries — Mrs. F. Gibson; Handicraft — Mrs. J. Wallington; Health — Mrs. C. Cruthers; Social Service — Mrs. F. Haines; U.N. — Mrs. C. Sweeney; Education — Mrs. W. J. Garnett.

Mrs. Haines gave her Social Service report: 22 get-well cards were sent; 4 sympathy cards; 4 baby spoons and cards, 1 letter; 2 visits to hospital; 19 phone calls to sick and 38 articles were sent to Unitarian Service and a blanket to Preston Central.

Correspondence: Letter from Mrs. P. Sloan wanting our group to take an interest in Farm Forum and Tweedsmuir History.

A fowl supper was planned but that has since been tabled to our November meeting. Topic was by Mrs. Fred Haines and read by Mrs. Holte: "Oranges, most popular Florida or California". Florida's are juicier than the California ones, but the latter peel easier. Oranges do not ripen after they are picked. It was a very interesting paper. J. J. Up was won by Mrs. F. Gibson. The meeting closed with the Creed and our hostess and helpers served lunch.

November meeting is being held Oct. 29th at Mrs. Fred Haines. Roll call: How to deal with minor ailments. Topic, Mrs. Holte; Social, Mrs. Gibson; Lunch, Mrs. Wallington, Mrs. Wilson and Mrs. Cruthers.

Mannville and District Local News

Well known to Mannville and district Matt Berg, sherrill of Alliance, Nebraska, was visiting old friends and relatives last week, arriving on Friday and leaving on Tuesday for his home. While here he visited brother Ivor in hospital, taking him out for a trip to the old farm home. This was Mr Berg's annual visit.

• • •

Visiting at the home of their mother were Noel and Lowell Croft and family from Kitscoty during the week end.

• • •

Orval Boe and daughter Heather were Mannville visitors last week from Edmonton.

• • •

Visiting the latter's parents were Mr and Mrs. Guy Bartlett of Edmonton at the home of Mr and Mrs J. Chrysler.

• • •

Mrs. Stan Boe has as her guest her mother Mrs. Mitchell of Busby.

• • •

Rev. I. C. Holter and family were Edmonton visitors during Monday and Tuesday.

• • •

School children enjoyed a long week end, lasting till Wednesday due to the Teacher's Convention on Monday and Tuesday, being held at Vermilion.

Don't forget the Boy Scout Donuts on Friday.

• • •

A number of people from Mannville attended the reception of the Berezanski-Smith wedding on Saturday.

• • •

Home over the week end were Tom and Nora Osborn of Saskatoon and their daughter and Mr. and Mrs. Ben Osborn and family of Edmonton for the occasion of the christening of Mr. and Mrs. Harry Osborn's son, also of Saskatoon, who have been visiting here and Tom and Nora's new daughter on Sunday last.

• • •

Beverly Ewing was the lucky winner of the dressed doll raffled by Salteaux W. I. last week end and is a mighty proud gal.

Paradise Valley High School News

Paradise Valley High School Students' Union was re-organized for another school term on Friday, Sept. 19th. The student council was chosen as follows:

Pres. — Helga Jegberger
Sec'y. — Edna Svean
Treas. — Roy Kirkpatrick
Social Conv. — Ruth Walter
Sports Conv. — Gerald McLean
Vice-Pres. — Gordon Wild
Editor — Darlene Adams
Asst. Ed. — Margaret Plumb
Press Corr. — Carol Weeks

Since the entire council is all from the grade 11 and 12 rooms, a room representative is to be chosen from each of the remaining three rooms.

The initation day and party for the newcomers into the high school was Sept. 26th. The boys were dressed in the latest style—the chemise dress made of two gunny sacks upon which were posted numerous humorous signs. They carried a purse containing a specified number of articles, wore full make-up, a hat with a feather and shoes made of cardboard and binder twine. Upon request they were to propose to any senior girl. The girls were dressed in men's pants, shirts and ties, one running shoe and one rubber boot, both of which had to be over size 8. They were to propose to senior boys upon request. At 11:45 everyone from grades 7 to 12 inclusive were participants in a snake dance through town. In the afternoon a court session was held in the gym at which the accused received penalties for the violation of set regulations. Immediately following the trial, the initiates were allowed to fulfill their penalties. These were running the gauntlet, washing in cold porridge, barking like a dog, apologizing to everyone for their foolishness and eating dog food. A lunch was served at the conclusion. All seniors have accepted apologies and have received hiern into hendutt Setandtneuho them into the Students' union

Noted Farm Woman Guest Speaker At Town and Country Banquet

One of the noted women of the province, Mrs. Ellen Armstrong, will be the guest speaker at the annual Town and Country banquet sponsored by the Vermilion Board of Trade.

Mrs. Armstrong is the president of the Farm Women's Union of Alberta, and has been for the past four years a member of the World Wide Farm Women.

Her topic is a fitting one, being "Town and Country People." She will also show slides of other countries taken on a recent world tour.

Seating capacity is limited to 210 and there has already been a demand for blocks of tickets from F. U. A. and F. W. U. A. locals from as far away as Lloydminster, Marwayne and Wainwright. Everyone wishing to attend should make sure of their tickets early. Practically every business in town has them for sale.

The committee in charge is comprised of Jim Champion, Leo McKernan and A. E. Kaiser, all of whom would be pleased to look after your ticket requirements.

The event will be held in the Elks Hall on Wednesday evening, October 29 at 6 30 o'clock. Tickets are $1.50 each.

Clandonald Girl Married At Viking

St. Mary's Roman Catholic Church, Viking, was the scene of a pretty mid-morning wedding when Lorraine Poleschuk, daughter of Mrs. Lawrence Poleschuk and the late Mr Poleschuk of Clandonald became the bride of Don Mazankowski, youngest son of Mr. and Mrs. Frank Mazankowski.

Yellow mums decorated the altar where Rev Father Hickey read the service. The bride was given in marriage by her brother Mr Archie Poleschuk, and for her wedding chose a portrait gown of white Chantilly lace and tulle. Lily point sleeves and a square neckline with fitted bodice styled the floor length gown. A head piece of seed pearls and irridescent sequins held her finger tip veil of French illusion.

Frocks were worn in shades of cocoa brown and tangerine sheer nylon chiffon over taffeta by the bride's attendants, Mrs. Albina Pratt as matron of honor, and Miss Jean West as bridesmaid. They wore matching headpieces and carried bouquets of yellow and white carnations.

Lynne McFarland, dressed in yellow net over taffeta and carrying a basket of yellow baby mums, was the flower girl. Gerald Durick, nephew of the groom, acted as ring-bearer.

Mr John Golka of Hardisty attended the groom as best man and ushers were Mr Everett Blanchard and Mr. Kevin Gleeson.

Mrs Vincent Slavik played the wedding music and Mr. Larry Pshyk was soloist.

At a reception held in the Viking community hall Dr A E. Caldwell proposed a toast to the bride. A wedding dance was held in the IOOF Hall, Innisfree in the evening. On returning from a honeymoon to Banff, Mr. and Mrs Mazankowski will make their home in Innisfree.

Priest Retires from Clandonald Field

The Rev. Father S G Stewart who had been pastor of the Clandonald St Andrews Dewberry and Marwayne parishes, has retired owing to ill health. Rev. Father Nearing is now the parish priest of these parishes.

In 1920 the Royal North West Mounted Police was merged with the Dominion Police, a force that had been policing government property in Ottawa and elsewhere, and the combined force was renamed the Royal Canadian Mounted Police.

October 31 — BLACKFOOT
SPEAKERS — Executive Member Ed. Nelson; F U A. Director Ralph Wilson.

Plans For University Campus In Calgary Taking Shape

Tentative plans for the proposed campus for the University of Alberta to be located in Calgary were presented to the Council of the City of Calgary in the provincial auditorium on Oct. 17th.

The plans were outlined by representatives from the Department of Public Works and the Board of Governors of the University of Alberta. A scale model is now on display at the Jubilee auditorium.

The site which is located west of 16th St., N.W. and south of the old Banff Trail, provided by the City of Calgary, comprises approximately 312 acres.

Initial plans call for the erection of an Arts and Education building and a Science and Engineering building to be in service for the fall term of 1960. Subsequent buildings will proceed as student population and student requirements expand.

In the planning of layout of the campus every consideration has been given to the location of the site with particular concern to achieve full advantage from the spectacular scenery available.

Commencement of construction is now awaiting the provision of sewer and water mains by the City of Calgary. It is anticipated that construction of the first two buildings will start in the spring of 1959.

Marwayne Home & School Notes

The regular meeting of Marwayne Home and School was held on Tuesday, Oct. 14th with a good attendance.

A committee was nominated, namely Mrs. Spence, Mrs. Golightly and Mrs. Hutchinson, to study the last year resolutions and to bring the important ones before the Association.

The president read the discussion held at the convention re changing the date of next year's gathering. Nothing definite has been done yet.

There were no honor students in the last grade 9 class, hence no awards to be given.

Two films were shown, "Who will teach your child", and "The school, the child's community", with a short discussion following.

Next month, owing to regular meeting date falling on Remembrance day, the meeting will be held Wednesday, Nov. 12. There will be a question box, so if there is anything you want to ask concerning the school, this is the time to do so.

The meeting closed with the singing of "The Queen".

A pipeline running from Montreal oil refineries as far west as Hamilton, Ontario, transports 40,000 barrels of finished petroleum products per day.

SQUARE NOTES From Circle 8

Tuesday, October 14 marked the beginning of our 1958-59 season of square dancing. Harold Schacher really tested our skill and knowledge with a few new "twisters."

Our season tickets sold very well and are still available from our secretary. There are still eleven guaranteed dances left for five dollars.

On Monday, October 20th, our lessons got back into full swing after a two-week delay for harvest. This was the third lesson and "do-paso" night so any former members requiring brush-up lessons, please don't hesitate to contact caller Johnny Maxwell or president Cliff Reid for further lesson dates. We usually try to have a lesson on Monday evenings but the second lesson of each week varies according to circumstances. Please don't feel that you are not invited because we are not able to advertise any definite nights.

Our next regular dance of the season will be on Tuesday, Oct. 28 in the Legion Hall with Johnny Maxwell as caller. Plan to attend!

Hazeldine W. I. To Raffle Xmas Cake

HAZELDINE. — A decision to bake, decorate and raffle a Christmas cake was made when the Hazeldine branch of the Alberta Women's Institute met recently at the home of Mrs. Wm. Romanchuk. There were nine members present, and the meeting was presided over by Mrs. Frances MacLean, president. Reports were given and a contest sponsored by Mrs. John Whiteside was enjoyed. After adjournment the members enjoyed a delicious lunch served by the hostess and co-hostess Mrs. Thorvald Farborg.

1959 CHEVROLET APACHE 31 SUBURBAN CARRYALL

Featuring an improved economy six cylinder engine that gives up to 10 per cent better fuel mileage along with increased torque at low and medium speeds, the 1959 Chevrolet Suburban Carryall offers economical transportation of personnel and equipment. For light or bulky load operations, a further economy option, consisting of a special carburetor with leaner mixtures and a lower numerical axle ratio is offered. Rear brakes are larger with 10½ inches more lining area for better braking, longer life, and cooler operation. The Carryall is available with either two- or four-wheel drive. It is easily equipped as a small bus for churches, clubs, schools, and similar organizations.

HAVE FUN!
By LOU BRYAN

[illegible] caught a [illegible] [illegible] night.

"Ha," Clancy said. "Caught in the act. [illegible] this time [illegible], me boy."

"Lord," said the thief. "I know my rights. I [illegible] to call my lawyer. Let me go into that cigar store and call him and have him meet me at the station house."

So Clancy let the thief go into the cigar store and the thief kept right on going out the back window. Clancy didn't see him until an [illegible] later when he saw the [illegible] crook coming out of a jewelry store with his hands full of rings and bracelets. Clancy grabbed [illegible] and [illegible].

"Ha," Clancy exulted. "I've got you with the goods this time. Come along with me."

"I got to call my lawyer," the crook protested as they passed a cigar store.

"You won't fool me this time," said Clancy. "Now hold these rings and bracelets and give me your lawyer's phone number. I'll call him."

Ad in a local paper: "Accommodating in my special line of business. Prices very reasonable. If I am out, arrange date with my wife."

Wolf to friend: "Who was that lady I saw you outwit last night?"

NEWS from ALLANDALE

Weather is splendid for the finishing up of harvest. Many have now finished and are doing some fall work.

We were very pleased to have Rev. and Mrs Mackay and about forty of the young people of the United Church of Vermilion on the evening of Oct. 7. The highlight of the evening was vespers and a glowing campfire. We sincerely hope they all enjoyed themselves as much as we enjoyed having them.

Mr Bill Axley has recently been over our roads with the maintainer filling in some of the ruts which were very deep in [illegible]

On Oct 9th the [illegible] W.A. met at the Throndson home in town. After the devotional and business part of the meeting the president on behalf of the W.A. presented a departing member Mrs Baldock with a gift. [illegible] Baldock has been a [illegible] member for twelve years and part of the time acted as secretary. November meeting will be at the Ralph Strome home. Mrs. Erna Armstrong and Mrs. Flora Throndson in [illegible] of the [illegible]

Mr and Mrs. Tommy Greaves and family of Edmonton were visitors at the home of the latter's parents, the Baldock's over Thanksgiving week end.

Mr. and Mrs Broadfont from Saskatoon spent the long week end at the latter's sister's, the Baldock home. Mother Jacklin returned home with them for a visit.

Oct 11th Mr and Mrs. Glen Baldock of town left for Stoney Beach Sask. for a week's holiday with relatives.

Miss Dorothy Wilson spent the long week end with her grandparents Mr and Mrs. Omness.

Visitors at the Armstrong home on Oct 12th were daughters Myrtle and Norman Anderson and family from Bonnyville, and May and Warren Edwards and family from town.

Mrs Opal Cooper and Mrs. Ellen Omness motored to Ranfurly on Oct. 10th to attend the St. Paul Presbytery Women's Association of the United Church of Canada fall rally. In attending these rallies one gains much knowledge of the wonderful work carried on by the Women's Association. The hospitality of the Ranfurly ladies was grand and much appreciated. A chicken dinner banquet was served at noon and at the close a sumptuous lunch.

It was nice to see both Nora Ronaghan and Stella Mayers at the farewell party. They are both feeling much better and have been visiting at the home of their sister Mrs Armstrong and at other homes in the district.

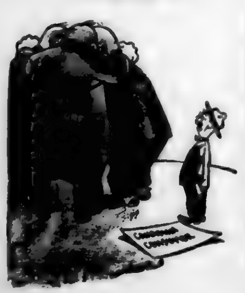
Mr Wm Armstrong accompanied daughter May and Warren Edwards and family to the city for the week end of Oct 17.

Mr Omer Easton and Mr Moise Marie were callers in the district last Sunday. They are feeling much better. Both have spent some time in hospital recently.

Closing Thought: "You are richer tonight than you were this morning — if you have taken time to trace the handiwork of God in the commonplace things of life; or if you have learned to count out things which really do not count, or if you have been a little blinder to the faults of friends or foe. You are far richer if a little child has smiled at you and a stray dog has licked your hand, or if you have looked for the best in others and given others the best in you."

In the 1946-1956 period [illegible] ture contributed $18,900 million to [illegible] manufacturing contributed $52,600 [illegible] lion, mining, oil wells and quarrying contributed $6,400 million [illegible] fishing $730 million, construction [illegible]

"You're Ignoring Me"



Of Many Things . .

By AMBROSE HILLS

MY BLOOD PRESSURE

My doctor tells me that unless I have an accident of some kind, I ought to live to be a hundred. He checks me every year, listens to my bill of complaints about this ache and that pain, then laughs at me. "Not a darn thing wrong with you, skinny," he says. "You'll just have to put up with it — you're healthy as a young chipmunk." A month ago, however, he found something wrong with me.

"Ummm," said he, "your blood pressure is pretty high for you."

"Ha," I told him. "I knew it, well there was something wrong. [illegible] been getting those dizzy spells again." He fixed me with an accusing stare. "No reason physically why your blood pressure should be up," he said, as if I [illegible] to have high blood pressure. "What's the [illegible]?" [illegible]

"Nothing [illegible] me. I [illegible] except that I guess I'm in pretty bad shape and that's what I came here for. If you weren't such a quack you'd fix me up." My doctor is a crank, you see. I can talk to him that way sometimes without getting hit on the head with a stethoscope.

"Try to think," he said. "Something bugging you? Someone cut in on you driving over here? Or did some discriminating publisher send you a rejection slip instead of a cheque for that drivel you turn out? Think now, it's important."

"Well," I admitted, "there was a guy in a green coupe darn near clipped me, wasn't watching where he went."

"Ah," said the doctor. He had his instrument strapped to my arm and was pumping merrily away. "Probably you were dawdling or something and he had to get around."

"Dawdling!" I said. "Why..."

"Ah," said the doctor, "you gained ten pounds just talking about it. You're plugged full of [illegible]. You..."

"You tricked me," I said.

"You're tricking yourself," he answered. "Come back next week and we'll check. Try to grow up in the meantime."

I have been back twice. Blood pressure normal. Except that the doctor gave me one heck of a lecture.

"Resentments can kill people," he said. "Regulate yourself, not the other guy. Men can't afford resentments. You drive you car, let the other fellow drive his. That goes for lots of other things too. Don't try to regulate anybody but yourself."

Well, I guess the old quack was right. He usually is, but it sort of puts my blood pressure up to admit it.

J. A. MEET AT MANNVILLE

MANNVILLE — Meeting at the home of Mrs. Joan Lugg, members of the J. A. group of Christ Church recently decided to make and sell cookies at the first available date. Roll call was taken and all members were present. A future play and tea was discussed. The first chapters of the study book were begun by each member taking a portion.

WILDMERE WINKS

Last Tuesday, Oct. 14th Mrs. Stone of Buffalo Coulee district, very kindly took Mrs. Wear, Mrs. Holte and Mrs. Wallington to the United Church rally held at Paradise Valley in the church there. Over sixty ladies attended. Mrs. Graham, president of the Presbytery, was in the chair. Guest speaker Mrs. Enger, president of Alberta Conference W.A., told of council meeting held in Toronto. It was a very interesting rally and the Paradise Valley ladies are to be heartily congratulated on their splendid dinner and lunch served the ladies in the church hall. We were glad to meet Mrs. Gerber of Lloydminster there, also Mrs. H. Leighton who now lives in P. V. Thanks again Mrs. Stone for your kindness.

Several from out our way attended the cancer meeting and banquet held at the Legion hall Thursday evening. The film "They Speak Again" was shown and then Mr. Morrison spoke afterwards. He himself had the misfortune to have cancer of the throat and fully recovered to speak again. He told of the struggle it was to learn to talk. Too bad many more could not have been present to see the film and hear Mr. Morrison. Mr. Talbot also gave a short talk on cancer. Vermilion and surrounding districts have the honor of donating the highest per capita for any place in Canada. Isn't that a grand feeling folks!

Wildmere Beavers Girls' club will hold a 'Cootie Party' in the Preston Central school on Friday, Oct. 24th, proceeds for the United Nations Fund.

Maureen Cruthers and [illegible] Kerfont visited with [illegible] and Mrs. Ken Shepherd at Vegreville over the teachers' convention week end.

Billie Cruthers has been visiting with Glen Shepherd near Vermilion for a couple of days.

Mr. and Mrs. Albert Smith of Basswood visited at the home of Mr. and Mrs. Wm. Smith and Adam on Sunday. Mr. and Mrs. Gordon Green and family visited the same home on Monday evening.

Quite a few from out our way attended the bingo put on by the Vermilion Curling club but no one won anything.

Albert Smith of Basswood is busy this week putting a cement basement under his house. Bill and Adam are lending a hand.

On Monday a bee of ratepayers in our district cleared the trees from under the Cal[illegible] power lines. Power was cut off while clearing was being done.

J. C. Wallington is in Edmonton attending the hospital convention at the Jubilee auditorium this week.

The writer had a letter from Peggy Graham who is in Hamilton, Bermuda. She likes it fine and says it is very beautiful there. But the heat and humidity she says is terrific when you first land there. She is working in the emergency ward at the King Edward VII memorial hospital.

Mr. and Mrs. Roy Dibben and family were Edmonton visitors Saturday and Sunday, returning home Sunday evening.

Mr. and Mrs. David Dibben and family took Mrs. [illegible] parents Mr. and Mrs. Robinson, who had been visiting them, back to their home at Red Deer on Sunday. Mrs. Dibben also had her brother and family visit them the week before.

Miss Anne Garnett of Edmonton spent the week end at her home in Basswood.

6-MILES OF TULIP BULBS — If all the Tulip Bulbs, Dutch Tulip Queen, Miss "Leni" Quant, will present on her North American Tour were laid end-to-end, they would stretch for a solid six miles. Here "Leni" helps grade 1 pupils plant tulips in front of the D. Roy Kennedy school in Ottawa. The tulips were a gift of the Dutch Bulb Growers, to the children of Canada. Tulips have become very popular for school landscaping, because they bloom while the children are in school. During her Canadian educational and goodwill tour, Miss Quant presented thousands of choice tulips to school children, blind institutions, crippled children and as well to help beautify many civic gardens.

Photo by MALAK, Ottawa.

Vermilion W. I.

Vermilion W.I. held the October meeting at the home of Mrs. E. Rooks with fourteen members and three visitors in attendance. Roll call was a 'dime for the sunshine box'. Eight sympathy and fourteen get-well cards were sent since the July meeting and streamers so being made on sick and shut ins.

Letters were read from Mrs. Sloan and Mrs. Wagner. Discussion on handicraft list took place and three members were appointed to attend the handicraft meeting to be held at the Legion [illegible] on Oct. 21st.

A donation was made to the C.N.I.B.

The guest speaker was Mr. J. Kreitemeyer for National Organization Service work. Vermilion W.I. will sponsor this program.

Next meeting is to be a social evening in the form of a pot luck dinner meeting with a card party to follow. Husbands or a friend to be invited.

Mrs. Maskell won the Mystery box.

Lena Davies Bride of Rowland Catlin in Edmonton Ceremony

In a late afternoon ceremony in the St. Mary's Anglican Church, Edmonton, on August 30th, Miss Lena Eleanor Davies, second daughter of Mr. and Mrs. Louis Hicks of Lac La Ronge Saskatchewan, became the bride of Rowland Edward Catlin, only son of Mr. and Mrs. Amos Catlin of Edmonton. Bouquets of gladioli and peonies decorated the altar for the double ring ceremony performed by Rev. Canon Elkin.

Given in marriage by her grandfather, Mr. T. D. Watt, the bride looked radiant in a floor length gown of nylon chiffon over white satin and crinoline. The closely fitted bodice of lace embroidered, featured a scalloped neckline, lily point sleeves with a full tulle flounce falling from the neckline at the back of her dress to the hemline. Her fingertip veil of French illusion fell softly from a headpiece of pleated tulle studded with pearls. She carried a bouquet of red roses mixed with stephanotes.

Her only jewellery was a pair of pearl earrings surrounded with silver leaves, given to her by the groom.

The three attendants wore similarly styled dresses of nylon chiffon over taffeta with picture hats and mittens to match. Matron of honor, Mrs. Isobel Horpestad of Lloydminster, sister of the bride, wore maize and carried a colonial bouquet of tinted carnations.

The bridesmaids, Mrs. Arlene Pinder cousin of the bride wore pale blue and Miss Juliet Mauws of Edmonton wore lime green. They carried bouquets of carnations.

The best man was Mr. Maurice Horpestad, brother-in-law of the bride and the groomsmen were Mr. Grant Robinson and Mr. Fred Botsford of Edmonton.

The best man and the groomsmen were attired in white dinner jackets set off by small red sweetheart roses.

Miss Beverlie Jack of Edmonton was [illegible] singing "The Wedding Prayer."

For her daughter's wedding, Mrs. Hicks chose a dress of blue with a hat to tone and a shoulder spray of red roses, while the [illegible] mother wore a black dress with yellow accessories and a corsage of yellow roses.

Following the ceremony a reception was held in the church basement.

The bridal table was laid in white [illegible]. Summer flowers and tall tapers flanked the three tiered wedding cake set in pink tulle. The cake was baked by the bride's sister, Mrs. [illegible] Horpestad.

Miss Mildred Davies, sister of the bride was in charge of the guest book. Rev. Canon Elkin proposed the toast to the bride to which the groom very capably responded.

For a honeymoon trip to Montana the bride chose for her going away outfit, a chemise-style dress of nile green with white accessories. A corsage of yellow roses was pinned at her shoulder.

Mr. and Mrs Catlin are residing at 11444-67 St., in Edmonton.

Out of town guests included Mr. and Mrs. Louis Hicks, Mildred and Ken, Lac La Ronge, Mrs. Alf Robinson, T. D Watt, Mr and Mrs. Roger Watt, Margaret and Marilyn of Kokmoe: Mr. and Mrs Archie Robinson, Vermilion, [illegible] Horpestad, Lloydminster. Mr. and Mrs Henry Joy, Kitscoty, Mrs J Pinder, Mrs. M. A. Lowe, and Miss Dorothy Lowe all of Lashburn.

Derwent Teachers Attend Convention

DERWENT. — The Derwent teaching staff all attended the third annual Teachers' Convention held at the Macdonald hotel in Edmonton on Oct. 16 and 17. The convention was of interest to all tecesr tahch heTEE Rtt s to all the teachers.

1959 Meteor 500 two-door hardtop
A CANADIAN EXCLUSIVE

59'S NEWEST IS THE 59 METEOR

Introducing the 59 METEOR

Canada's exclusive fine car in the low-price field

All-new Meteor is your kind of car. [illegible] redesigned and distinctively restyled Meteor is a step up — a car ahead in its field in everything but price.

It runs on regular gas. [illegible] Six or V-8, you'll gain on mileage, too. Meteor's new Econ-O-Fuel engine design not only saves you money by the mile, but it also means better performance where you need it most. And with Meteor's full-flow oil filter, you don't need to change oil every 4,000 miles. Another saving is a new aluminized muffler that lasts twice as long. And Meteor [illegible] pleasure [illegible] savings.

There's almost six inches more legroom, [illegible] 450 inches more viewing area, a heater that can't overheat, new Econ-O-Matic, the simplest, most economical automatic. Interiors have extra luxuries like individually night-lit controls and a more convenient foot-operated parking brake.

A 59 Meteor is an upward step in every way but price.

It brings you new assurance in safety features that include a deep-dish steering wheel, safety door locks and a wide-contour frame for all-around passenger protection.

There's more that's new, more that's desirable in Canada's exclusive fine car in the low-price field.

See 59's newest, the 59 Meteor, soon. Only then will you know how fine a low-price car can be. Make distinctive Meteor your upward step [illegible]

Certain features illustrated or mentioned are standard on some models, optional at extra cost on others.

6 or V-8 WITH ECON-O-FUEL DESIGN

News from Tulliby Lake

Minnie Parker has returned home after a stay in the Lloydminster hospital. Minnie is a sister of Mrs. Wesley Hayes.

Juvenile Behrens spent the week end in Lloydminster taking treatments at the Berg Chiropractic clinic.

Ed Carstvens has sold his land holdings to H. C. "Buster" Fleming of Onion Lake.

Mr. and Mrs. Emile Boyer and family are visiting at the home of Mrs. Henry Benson and family.

Douglas Adamson spent the week end at home.

Congratulations are extended to Mr. and Mrs. Oscar Eidsvik (nee Elna Morgan) on the birth of a son in the Elk Point hospital.

Juvenile Behrens visited Ward Twoten in Lloydminster over the week end.

Mr. and Mrs. Clarence Larson of Chilliwack, B. C., Mr. and Mrs. Art Larson of Cabri, Sask., and Mr and Mrs. Leonard Larson of Saskatoon, are visiting at the home of Mr and Mrs. Knute Larson. These are all brothers of Mr Larson, some of whom he had not seen for several years.

Congratulations go out to Mr and Mrs. "Buddy" Meinschuck (nee Fern Benson) on the birth of a son.

Juvenile Behrens attended the three day circuit assembly of Jehovah's Witnesses which was held at Paynton, Sask.

Hector Benson was home for the week end. Hector is working in Edmonton and on the side he is playing the spanish electric guitar with an Edmonton orchestra.

A special meeting was held in the Kingdom Hall of Jehovah's Witnesses at Lloydminster last Sunday afternoon. Harold McLaren spoke on the subject, "God's Kingdom Rules — Is The World's End Near?" This was a replica of the public talk delivered at the recent International Convention of Jehovah's Witnesses in New York City. Mrs Mollie Behrens and Juvenile attended the gathering.

Mrs Louise Hunt has returned to the Harlan Rudd home after a three week confinement in the Lloydminster hospital.

The name of Johnston Waskewitch now appears on the employee list at the Doug Cooke ranch.

Health Unit Notes

HEART DISEASE IN CANADA

The chief problem of our time is heart disease. Controlling, preventing, and treating heart disease successfully is the urgent concern of not only the doctors, but of all the people of Canada. As the records show, heart and circulatory diseases continue to strike all groups of the population, killing and disabling on a vast scale.

Now more than ever before new means are coming steadily to our hand to deal with this problem. While there are many causes of heart disease three in adult life, and two in infancy and childhood, account for 95% of all damaged hearts. Hypertension (blood pressure) and coronary heart disease, rheumatic fever and congenital heart disease thus offer our main challenge. Ways of dealing with them improve each year but as yet the secret of their separate causes has not discovered.

The Canadian Heart Association is dedicated to a programme of dealing continuously with this problem by disseminating knowledge and by sustained research. Because everyone in the community is involved directly or indirectly in the fight against cardiovascular diseases the problem has now become the responsibility of all who value health, happiness and our country's future.

What is heart disease? The term "heart disease" covers a wide variety of different diseases. Most of these diseases are unrelated but all involve the circulation (including the heart and blood vessels).

There are three leading forms of heart disease. They are: — Coronary heart disease, tensive heart disease resulting from high blood pressure (hypertension) and rheumatic heart disease, which is caused by rheumatic fever. Malformations of heart, present at birth, are estimated to account for three-quarters of all heart disease in childhood. Syphilitic heart disease, which appears as a late result of syphilis, is now amongst the less frequent types.

Today, heart disease is the leading cause of death in Canada. One out of every three deaths is due to disease of the heart and blood vessels. There are in Canada, 500,000 persons with disease of the heart or blood vessels in some form or other. There are few people who have not lost friends or relatives as a result of the heart diseases. The obituary notices of the daily press further attest to the seriousness and extent of heart disease.

How heart diseases compare with other causes of death — Heart disease takes a greater toll than the next five leading causes of death combined. In 1951 more than 30,000 persons died of diseases of the heart and blood vessels in Canada. During the same year, fatality figures for the next leading causes of death were: cancer, 17,881: vascular lesions of the nervous system — 7,785. The population of Canada at that time was 14 million. It is now estimated at over 15 million and provisional statistics show no decrease in heart disease fatalities.

Heart diseases has no respect for age. Congenital heart disease usually shows evidence of its presence shortly after birth. In one leading children's hospital in Canada, it is the chief cause of death in any age group from birth to fifteen years. Rheumatic fever, formerly one of leading causes of death among young people of five to nineteen years, is now fifth on the list, largely due to modern medical research. Over the age of 35 diseases of the heart and blood vessels lead all causes of death. Nearly one of every two deaths after the age of forty five is caused by heart disease.

Heart disease is a tremendous social and economic loss to a community. It takes a heavy toll in sickness and disability as well as death. It strikes down thousands of men and women in the prime of life when they are in the midst of making their richest contribution to society. The economic loss because of heart disease is staggering in terms of life, absenteeism, disability, loss of gainful employment, and cost of care and treatment. An estimated number of working days shows that millions of dollars in productivity are lost each year as a result of heart and blood vessel disorders. Heart disease is a leading occupational disease of business executives. It drains business of brain power and leadership at the most critical period.

In adult life the problems of heart disease become even more important. High blood pressure or hypertension is an important cause of heart disease in middle age. Hypertension throws an additional load on the heart causing it to dilate and enlarge, leading at times to heart failure and death. The heart and arteries wear out sooner than they would if the blood pressure were normal. Hypertension is not always serious. Many people who have it, grow progressively worse but live to normal old age. In the same way coronary heart disease is not necessarily fatal. By taking proper precautions, many people who have it are able to live happy and productive lives. In many cases recovery may be and frequently is complete.

A great amount of research in the causes and treatment of heart diseases has been done during the last quarter of a century despite handicaps of insufficient funds, and the shortage of trained personnel. In fact it can be said that the progress in the development of knowledge in the cardiovascular field during this period has been at least as much as that achieved in the preceding centuries. Among the scientific advances made against heart diseases are the prevention of recurrence of attacks of acute rheumatic fever by the use of penicillin or sulpha drugs, the relief of symptoms by better methods of managing individuals with high blood pressure, and use of anticoagulants, such as dicoumarol, in reducing mortality and preventing complications following coronary thrombosis. There has been, particularly, significant progress in the surgical treatment of abnormalities of the heart and circulation. Perhaps the most dramatic advance in this field has been the operation which brings new life to "blue-babies," children born with defective hearts. This has been paralleled by direct surgery on the heart valves in adults who have had rheumatic heart disease. Many such persons, whose hearts were failing are now leading an active life. Such operations were performed in many cases, on pregnant mothers. Preliminary study of two hormones, ACTH and cortisone, gives promise of benefit in the treatment of rheumatic fever and similar diseases. Another outstanding development is the use of penicillin or other antibiotics in the prevention and treatment of a type of heart disease known as subacute bacterial endocarditis. Prior to the use of such antibiotics, this disease caused death in almost every case. Steady progress has been achieved in the development of new methods of diagnosis. One of the tools created by modern research is the heart catheter, a slender tube through which samples of blood can be drawn from the heart chambers for analysis and which permits measurements of pressure within the heart. The catheter is used in the diagnosis of certain forms of heart disease and also in the study of heart function. Another new tool in diagnosis is the angiocardiograph, an X-ray camera which takes rapid series of pictures of an opaque substance injected into a vein, providing the physician with a visualization of heart malformation. There have too, been many advances in the medical and surgical treatment of diseases affecting the blood vessels in the arms and legs.

The need for greater scientific knowledge is great. The primary need is for research to discover the unknown causes of congenital heart disease, rheumatic fever, high blood pressure and hardening of the arteries. Research will lead to new methods in care and treatment, possibly to cures and preventive measures.

The Canadian Heart Association was formed in 1946 and its first objective is to sponsor research in the heart diseases. The policy of the Association is to develop a continuing programme of productive research within the broad field of cardio-vascular diseases over the country as a whole. A beginning has been made in heart research in several provinces. These efforts are being supported from a variety of sources on a very small scale. Urgent support is needed for research projects and fellowships in the study of heart diseases in Canada. The Canadian Heart Association provides the stimulus and guidance in the organization and creation of new provincial heart associations where they are needed. Contributions for the support of your Association's work may be sent to the following address: Dr John Scott, 625 Tegler Building, Edmonton, Alberta. Remember that in contributing to research, you may be saving your own life! Next week we will deal with the prevention of heart disease.

Valuable Information for Home Owner Regarding Types of Insulation

Homeowners confused by the many types of insulation use a handy check list to help them select the right kind for their home.

Here is a list prepared by Insulation Industries (Canada) Ltd. processors of vermiculite in Western Canada.

1. Insulation should be fireproof to minimize the danger of spreading flames in case of fire.
2. Insulation should resist settling for the life of the job.
3. Insulation should not attract or support rodent and vermin life.
4. Insulation should be light weight and easy to install. [illegible] for "do-it-yourself" homeowners.
5. It should be permanent. Insulation that rots causes heat losses and eventually must be replaced.

Extensive laboratory tests indicate that vermiculite meets all of these important requirements. Vermiculite is sold in Canada under the trade name of 'Zonolite'.

Linda Eaton, 17, has to stretch to add a final volume to the imposing stack of specifications and blueprints necessary to Imperial Oil's $17 million expansion program at the Calgary refinery. Weight: about ¾ of a ton — no, not Linda — the paper. This is typical of the advance work that goes into a project as complex as the expansion, largest single construction job in the history of Calgary. The new units will increase the refinery's capacity to 14,700 barrels per day.

PARADISE VALLEY NEWS

Mr. William Vice, and Mr. and Mrs. Veggo Hookle and Jackie of Acadia Valley were guests of Mr. and Mrs. L. Vice over the long week end.

Mr. and Mrs. W. D. Passmore and Billy, Edmonton, Miss May Ritchie and Fred Altvatter of Calgary spent the holiday at the home of Mr. and Mrs. E Knor.

We notice quite an improvement in our fair city as the side walk from the Legion Hall to the west lane now sports a fine cement sidewalk. Now no longer can those on the north side look down on the south as the sidewalk is as good, if not better than that of the north side. A word to the kids. The sidewalk was built for the people to walk on, NOT to race your bicycles on.

About sixty ladies gathered in the Paradise Valley United Church for a Presbytery W. A. Rally on October 14. Registration took place at 11:30. Lunch was served at 1 o'clock in the church basement. Mrs C. Ball said grace and Mrs W. Gunn gave the welcome speech. Mrs. Enger gave greetings from conference and Mrs. Graham from Presbytery. Mrs. Graham the president opened the very fine program which followed in the afternoon. The theme for the Rally was W. A. Education and Program Planning. This was followed by [illegible] the fellowship [illegible] mutual problems were discussed and solved. Mrs. Enger president of the Alberta W. A. conference was guest speaker and in her usual thoughtful manner gave a most interesting report on W. A. work. The musical number was a selection by the ladies choir with Mrs. P. Dobson at the organ. Mrs. Holm gave the courtesy [illegible] after the benediction [illegible] a cup of tea and a social period before leaving for home.

The Paradise Valley W. A. have changed the date of their next regular meeting to October 31. Please take notice of change of date ladies which was necessary on account of unforseen circumstances.

The chicken supper will be on November 7th at 6 o'clock. The convener of dish washing asks for volunteer helpers — either male or female please.

Visitors in their respective homes over the week end were: Mr and Mrs Frank Venner and son Brian, Mr and Mrs. Stan Westley, Mr and Mrs. Murray McDonald, Mr and Mrs. M Helm, Miss Helen Krawchuk, Miss Sharon Walter and Ernie Walter, Miss Marybelle Teasdale, Miss June Teasdale, Miss Marian Holgate, Miss Isabelle Holm, Mr. Bill Teasdale, Mr Joe Wolfe, Miss Gloria Baxter and Miss Gloria Elliott.

Mr. and Mrs. E. Olson and Caroline of Edmonton visited with relatives and friends over the week end. They also attended the wedding of Lorraine Fredricksen in Lloydminster on Monday.

Mr Ken Adams from Wetaskiwin visited over the week end with his parents Mr and Mrs W. R. Adams.

Mr and Mrs. Wm. Stoddart, Irene and Charles of Red Deer, visited in town over the week end.

Mr and Mrs. Lars Paulgaard of Provost were visitors at the N. Stepenoff home on Friday.

Margaret Wolfe of Lashburn spent the week end in town with relatives.

Congratulations and best wishes to Mr. and Mrs. George Kolodychuk, who were married in Lloydminster on Monday, Oct. 13.

Last year Canada's federal unemployment insurance fund paid out $135 million more than it [illegible]

Waters of South Saskatchewan River May Be In Demand

Word leaked out last week that the government of Alberta isn't too happy about the hydro power phase of the big south Saskatchewan River project in Saskatchewan.

The main worry is that the turbines will establish a prior claim to about four-fifths of the South Saskatchewan flow. And what will happen if, in future years, Alberta decides it needs that water.

Agriculture Minister Leonard Halmrast said water resources engineers are studying Alberta's position, and if a protest is warranted one will be made. The [illegible] established use of water is entitled to protection [illegible] it is possible that some day Alberta will want the South Saskatchewan for irrigation.

On the other hand the Alberta government is reluctant to make a fuss because it would be certain to antagonize Saskatchewan. Alberta, which has just about everything, might look bad seeking to deprive Saskatchewan of water for hydro.

The province has made its position clear before the prairie provinces water board, and that just might be the end of it for the time being — at least until a dispute arises over the use of water.

NEW MAJOR POWER PROJECT

Speaking of water and power look for an announcement later this year about a proposed major project on the Brazeau River in remote and unsettled country about 100 miles southwest of Edmonton.

Calgary Power Ltd has been surveying sites in the area and results so far are "quite encouraging." The government's anxious to see a start made on a series of dams to help control North Saskatchewan River pollution, and may help Calgary Power with financing.

Scout Apple Day Saturday, Oct. 25

Vermilion Boy Scouts are holding their annual apple day tag on Saturday as well as taking orders for junior boxes of fancy wrapped Macintosh Reds.

The orders will be taken by the Scouts or may be phoned to Dr. King or Gerald Wilmer.

Apples will also be sold on the street Saturday by the Scouts. Everyone should buy an apple and thereby help the greatest youth movement in existence.

No canvass for funds will be made this year. This apple day is the only appeal that will be made.

Since the mid-thirties university enrolment in Canada has increased from 35,000 to about 90,000.

New United Church Congregation Holds Charter Membership Service

The newly organized congregation of the United Church of Canada in Two Hills held its charter membership service on Sunday, September 14. One member was received into membership by Adult Baptism, twenty-three by Profession of Faith, [illegible] sixteen by Transfer of Certificate of Membership. The service was conducted by Mr. Carmen Burns, student missionary and the Rev. T. E. Thomas of Vegreville, the supervising pastor of the Two Hills congregation.

The work of the United Church of Canada at Two Hills goes back to the early days of Church Union. In 1925 the two Hills area was one of the areas where the United Church established and maintained Church work among non-Anglo-Saxons. Ministers preached to Ukrainian congregations in the area and served a large number of the non-Anglo-Saxon population. The work of the United Church in the area was discontinued in 1942 due largely to the shortage of ministers. For some time student missionaries served the area.

The influx of population into the community with the establishment of a Chemical Plant at Duvernay, seven miles from Two Hills resulted in the rapid growth of the community and a renewed demand for the organization of a congregation of the United Church. Several families from Two Hills used to attend services of worship at Vegreville, some thirty miles away.

The St. Paul United Presbytery took action last February when it requested that a summer student missionary be placed at Two Hills. Mr Carmen Burns, of Sackville, New Brunswick was sent to Two Hills by the Board of Home Missions and was responsible for conducting weekly services, special meetings and doing survey work throughout the area. The first church service was held in the Elementary School Auditorium on May 18th of this year. It represented the first church service of any major Protestant denomination in the area since 1942.

Since organization, families from surrounding areas have shown a great interest in the work of the church at Two Hills [illegible] participated in its services of worship. Some of the families have been associated with the work of the church prior to 1942.

On Sunday evening a large congregation was present to witness the reception of new members. Rev. T. E. Thomas preached the sermon on the occasion. In his remarks to the new congregation Mr. Thomas congratulated the loyalty and [illegible] shown by many of the [illegible] in the early [illegible] life. The [illegible] which was appointed last [illegible] made many of the arrangements necessary for the satisfactory program of the work of the student minister. He commended the foresight of those members who formed the [illegible] choir to lead in the services of worship. Besides, he mentioned that the women of the congregation had already organized into a [illegible] and were planning for a [illegible] project this fall.

He drew attention that with the formal reception of members into the church congregation there would be the opportunity for delegating specific Christian work to the members through such courts of the church as the Session, the Committee of Stewards, the Board of Trustees and the Official Board.

On behalf of the Committee of Stewards of Vegreville United Church Mr Alex Desmond presented fifty new hymnaries to the Two Hills congregation. These were accepted by Mr. J. McIver Chairman of the Interim Committee at Two Hills. The hymnaries were dedicated for use to the glory of God by Mr. Thomas.

Following the reception of new members the Sacrament of the Lord's Supper was observed. Assisting Mr Thomas with the administration of the Sacrament were five members of the Session of Vegreville United Church, Dr. L. Edmunds, G. [illegible], A. Jeffery, S. Laird and K. Ferguson.

The following members were received by Transfer of Certificate: Mrs. Margaret Linklater from Edmonton; Mr. J. H. McIver from Camrose; Mr and Mrs. Walter Donaldson from Glace Bay, Nova Scotia; [illegible] D. S. [illegible] from [illegible]; Mrs. Betty McQuade from Montreal; Mrs. Phyllis Krucik from Ashmont; Mr Bert McCrae from Wetaskiwin; Mr and Mrs. Garnet English from Edmonton; Mr. and Mrs. Alex Melnyk from Bellis; Mr and Mrs. Gary Gordon from Vegreville, and Mr and Mrs. Robert Watt from the old congregation at Wattvile.

Received by Adult Baptism was Mrs. Peter [illegible].

Received by Profession of Faith were Mr Frank Linklater, Mr. Andy Linklater, Mr. and Mrs. Mike Pawliuk; Miss M. A. MacDonald; Mr. Ernest Krucik, Mr. and Mrs. Charles Ahlstrom, Mr. and Mrs. John L. Forbes, Mr. and Mrs. Albert Tupechka; Mr. and Mrs. William Gordon, Mr and Mrs. George English, Mr. Clarence Ahlstrom, Mr Thomas Watt; and Mr. and Mrs. Alex Tanchuk, Mr. and Mrs Edwin Ahlstrom and Mr Charles Ahlstom.

Church services at Two Hills will be continued every Sunday morning at the regular hour of worship. It is expected that a candidate for the ministry from St. Stephen's College will be in charge of these services during the fall and winter.

Long term weather records show that among Canadian cities St. John's Newfoundland, has the greatest annual rainfall.

Meet Former Rector At Mannville

Parishioners of Christ Church received a pleasant surprise on Monday morning, when they attended a morning coffee party at the home of Mrs R. Forsyth, where they found Rev C. C. and Mrs. McPherson, now of Fort Saskatchewan who were overnight guests of the Forsyths. Little Cindy was with them and a happy visit was enjoyed over the coffee cups.

NEWS from KITSCOTY

Mr. and Mrs. F. O. Seward spent the long holiday week end with their son, Rev. O. C. [illegible] Mrs. Seward and family at [illegible]ley and Thanksgiving day with their daughter and son-in-law, Mr. and Mrs. R. Seal of Edmonton.

Mr John Dale is home again after spending the past three weeks in Edmonton with his son Jack, Mrs Dale and family.

Mr and Mrs. W. O. Harmer of West Surrey, B. C. have been visiting with relatives here and calling on some of their old friends in town during the past two weeks.

Mr and Mrs. Arthur Hale were long holiday week end visitors to the home of their daughter and son-in-law Mr and Mrs E. Cattapan and family of Edmonton.

Mr and Mrs M. W. Cummings of Edmonton and their son Mr James Cummings from Yellowknife, N. W. T. spent part of last week here visiting with Mr. and Mrs. A. Franke and Lloyd. Mrs. Cummings and Mrs. Franke are [illegible]

Mrs. H. Batty was a guest at the Currey-Jack wedding in Edmonton on Saturday and visited with her daughter and family, Mr and Mrs. L. Kohlruss and family for the week end.

Mr Albert Olds of Edmonton spent the week end here visiting with his father Mr. George Olds and brother John who is confined to the Lloydminster hospital. We are pleased to report Mr John Olds is improving and his many friends hope he will soon be home again.

Mr. and Mrs. Don Gray of Edmonton spent the week end here with their grandparents, Mr. and Mrs. C. N. Gray and other relatives. Mrs. Gray accompanied them to the city for a week's visit with her daughters and their families.

Wedding congratulations are extended to Mr. and Mrs. Morland Currey (nee Doris Jack) of the Wildwood East district who were married in Edmonton on Saturday October 18.

Congratulations are also extended to Mr. and Mrs. Carl Golinowski (nee Deanna Lively) of Streamstown, who were married in Lloydminster on Saturday, Oct 18. The happy young couple will reside in the Myrtle Hill district.

Several of the Kitscoty Scouts were in Edmonton on Saturday to attend the rally and meet Lord Rowallan, Chief Scout of the British Commonwealth.

Miss Marion Inglis of Edmonton was a recent week end visitor at the home of her parents Mr and Mrs. J. G. Inglis.

Mrs. Wilfred Walton received the sad news at the week end that her father Mr. J. Metcalf of Duncan, B. C. had passed away very suddenly. Mr and Mrs Metcalf were residents of Myrtle Hill district for many years before going to Vancouver Island to live. Mrs. Walton left the next day by bus for Duncan to be with her mother. Sincere sympathy of the district is extended to the family in their bereavement.

Farm Forum To Begin Nov. 3rd

Calling all 'Farm Forumites'! November 3rd marks the beginning of another season of Radio Farm Forum, and this year the annual fall rally, scheduled for that evening, will be held at the Vegreville armories at 8:15 p.m. sharp. An interesting program has been planned by the Northern committee with the guest speaker, Jack Trower, CBC agriculture commentator, and W. J. Harper, of the A.F.A. office will also give a brief resume of the winter's programs and the future of Farm Forum in Alberta.

Please remember, folks, to bring along some lunch; coffee will be provided.

National Farm Radio Forum has two major purposes, the first being to provide farm families with unbiased information on subjects of farm interest, and the second is to encourage the formation of neighborhood listening and discussion groups, called farm forums. 'Farm Forum', essentially an educational program, is badly needed, because of the complexities of agriculture and the age in which we live. Properly organized, it can do much to further develop rural citizenship in Canada. The broadcasts, heard each Monday evening at 8:30 p.m. over the CBC network, can be interesting and useful in themselves, but it is the discussion group method that really gives the program its unique character and value.

Softly draped from the shoulders over an exaggerated hipline, a new Canadian fabric of brushed "Terylene" and acetate in olive green was used by Eve Lyn of Montreal in this design for the fall collection of the Canadian Association of Couturiers.

CLANDONALD HALL

Showing at the Clandonald hall this week end Fri. and Sat. Oct. 24 and 25, "Top Secret Affair", a good family comedy starring Susan Hayward and Kirk Douglas. Next week end, Oct. 31 and Nov. 1, "Iroquois Trail", an outdoor drama. 15

What does YOUR label read?

DERWENT THEATRE

Showing at Derwent theatre Sat. Oct. 25 and Mon. Oct. 27, "Blazing Forest" starring John Payne and Susan Morrow in a drama of untamed elements; Wed. and Thurs. Oct. 29 and 30, "Return of Jack Slade" features John Ericson in an outdoor drama; Oct. 31, Nov. 1 and 3, "Jubal" something really special, a film you'll never forget. 15

BUFFALO COULEE ACTIVITIES

The fine fall weather of the past two weeks has seen the completion of the harvest with considerable baling of straw being done and now some fall work.

There is an abundance of wild life and a few of the nimrods have been bringing down the ducks and prairie chickens.

Hennig Haverslew and Ken Kennedy spent several days in the Coronation area last week and came home with eighteen geese, one of them being a very fine banded goose. They report thousands of geese in that area so this week Freddie Brook and Alan Cunningham are going down to try their luck.

Our two ardent fishermen, Wilson Brook and Harry Amos are still making their weekly visits to the northern lakes, bringing home very good catches. The Macnabs and Greens had a day at Moose Lake too, but weren't quite so successful as they didn't get too many. However, they did enjoy the trip.

Quite a number from the district have made a visit to the city in the past two or three weeks: the Green's, Frank Eyben's, Stone's, Haverslews's, Kennedy's, Wear's and Everett's.

Clifford Cunningham, who is attending U. of A. was home for the Thanksgiving week end.

Hazel Macnab and two children left last week for Vancouver to join Brent who is playing hockey there again this winter.

A good many B. C.-ites were in attendance at the Don Cossack concert in Vermilion last Friday and all enjoyed it very much.

The C. G. I. T. have organized for the coming season with the following elected to office: Pres. — Colleen Kennedy; Vice Pres. — Katherine Barlow, Sec. Treas. — Laurena May. The girls have ordered flannelette and are going to make layettes for the Cold Lake hospital.

The Home and School held the first meeting of the season last Wednesday with a new slate of officers being drawn up as follows: [illegible] Vice Pres. — Mrs. Nora Eyben, Sec. Treas. — Mrs Ruth Haverslew; Program Committee — Mrs. Wyn Kennedy and Mrs. Glenys Bauman. Social Conveners — Mrs. Vera Brook and Mrs Mollie Semeniuk; [illegible] Convenor — Mrs. Mavis Haverslew.

Mr. Jusko introduced the two new teachers, Mrs. Dorothy Majury and Miss Bernice Topilko.

Mr. Jack Bauman, principal, presented crests and bars to students who had earned them, most of whom were in attendance at the meeting. These are based on points for academic, sport and club and also the outside activities of the students.

A very interesting part of the program was a discourse given by each of the teachers on the Math course as taught in their respective grades. Mrs. Majury, grades one and two, Miss Topilko, grades three and four, Mr Jusko, grades five, six and seven, and Mr. Bauman, grades eight, nine and ten. This proved very enlightening to the parents in attendance, with teachers answering questions.

Lunch and a social half hour concluded the meeting. These meetings are held on the third Wednesday in each month and all parents are urged to attend.

Mrs. Wear, Mrs. Jas. Wallington, Mrs. Holte and Mrs. A. Stone attended the W. A. rally held at Paradise Valley last week. While the distance across isn't too far, there is quite a stretch of up hill and down dale road. The ladies of P. V. were wonderful hostesses, serving a very fine dinner and lunch again before leaving for home. Mrs. Enger of Irma, Alberta Conference president was guest speaker, giving a most interesting and challenging report on her trip to Dominion Council in Toronto last spring. Mrs. Graham of Lloydminster, Presbytery President, was in the chair and very capably conducted a fine afternoon's program including a "buzz" session on W. A. problems. The Paradise Valley choir sang a very fine musical number "Ring The Bells of Heaven."

Mrs. Holte, on behalf of the courtesy committee, very fittingly expressed the thanks of all for a most enjoyable afternoon.

The October meeting of the Autumn Leaf group was held at the home of Mrs. Henry Eyben, the Willowby group at Mrs. Wm. Crabb's, and the Heatherbell group at Mrs. Gordon Larsen's. The latter group made plans to cater to the Rotary banquet to be held at B. C. in November.

Everyone is very pleased to know that Mrs. Frank Eyben was able to return home last Saturday after spending more than a month in the hospital. The best wishes of her many friends go to her for continued recovery.

Business Meeting At Rotary Club

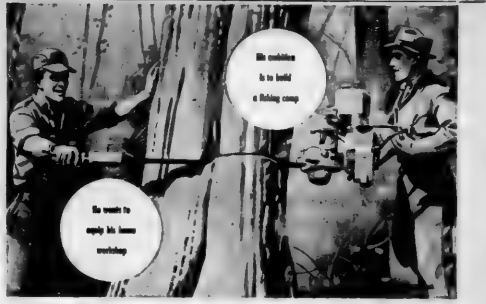
The recent meeting of the Vermilion Rotary club was mostly concerned with business.

President Jim Robson thanked all members who had given their time and talents in making the Don Cossack concert such a big success. Mr. Robson also congratulated the canvassers for the Rotary birthday calendar. There were not quite as many [illegible] listed as last year but it is a [illegible] while effort.

There were three guests at last week's meeting. Rene Hayward of Kamloops' Rotary club brought his brother-in-law W. S. Cash. Bill Cross introduced an old timer from the Allendale district by name of Bill Armstrong.

Slavery was outlawed in Canada 40 years before it was abolished in Britain. Further introduction of slaves into Upper Canada was prohibited in 1793 and soon after in the other colonies.

Check that date on your label.



His ambition is to build a fishing camp

Introducing for '59 MIGHTY MERCURY TRUCKS

PAYOFF PROVED

LIGHT DUTY SIX OR V-8—New payoff-proved Mercury Light Duties are here with many new improvements, new advancements. Both Six and V-8 engines run best on lower-priced, regular gasoline. Handsome new styling combines with Mercury's big capacities to give you trucks that look like a million, yet work for pennies. An industry-new seat covering wears twice as long as former fabrics. New Multi-Drive Merc-O-Matic provides two automatic driving ranges for all conditions. New power transfer differential helps prevent bogging down in mud, snow or on ice. Your Mercury Truck dealer has the full story.

PAYOFF PROVED

MEDIUM DUTY SIX OR V-8—'59 Mercury Medium Duties offer you payoff-proved economy, power and comfort in conventional, tilt cab and school bus models. But '59's story doesn't end there. They're new from modern grille to [illegible] covering materials. New improvements in both Six and V-8 engines give you full short-stroke power from lower-priced, regular gasoline. A new internal shoe parking brake, standard on all Mercury Medium Duties, gives nearly 60% greater holding ability. These are just a few of the payoff-proved features that make Mercury Trucks Canada's best buys for profitable medium duty trucking.

PAYOFF PROVED

HEAVY AND SUPER DUTY V-8—'59 Mercury Trucks give you more of what you want for Heavy and Super Duty operations. These payoff-proved giants in conventional, tilt cab and tandem models feature Mercury's rugged V-8 engines. And they run best on lower-priced, regular gasoline. A wide range of transmissions includes the fully automatic Transmatic and the 5-Speed Roadranger. New rear axles and lower rear axle ratios give you top capacity and economy. Cabs feature stronger construction, heavier sheet metal reinforcements and longer wearing seat fabrics. Get the full story from your Mercury Truck dealer.

Certain features illustrated or mentioned are standard on some models, optional at extra cost on others.

Slides Shown At Mannville Feature Frog Lake Indian Reserve

MANNVILLE — Featuring life of the Frog Lake Reserve Cree Indians, Mr O Hunt, with interesting slides and accompanying commentary, found a warm welcome awaiting him, in the Anglican Church Hall on Sunday October 12. Pictures included those of the Frog Lake Massacre, the Anglican Frog Lake rectory on fire, and typical scenes from life on a reservation which are so interesting. Noted especially was the wooded country and scenic beauty of surroundings. Accompanying Mr Hunt were his wife and daughters and Mrs R. Clement with daughter Sandra. Mrs Clement is the wife of the Anglican clergyman at Frog Lake Mission, a former Chailey and Mannville resident. Members of the A.Y.P.A. served a delicious lunch. President Jimmy Elliott introduced Mr Hunt in a most capable manner and [illegible] for evening.

IMPERIAL HELPS YOU FEEL SECURE WHEN THEY FLY

For as long as Canadians have flown, Imperial's leadership in aviation fuels and lubricants has helped make flying safer, surer

Canada's earliest airmen depended on Imperial aviation products, in war and in peace. Imperial gasoline powered Canada's first air mail flight, in 1918.

As more modern planes flew, Imperial research provided them with the new fuels they needed. For many years, Imperial was the only Canadian manufacturer of aviation alkylate, an essential ingredient of aviation gasoline.

The special skills and technical knowledge acquired over the years make Imperial today the nation's major supplier of aviation fuels.

These skills and experience pay dividends to the motorist today when premium grades of gasoline are approaching top aviation octane standards.

IMPERIAL OIL LIMITED

IMPERIAL OIL... FOR 78 YEARS A LEADER IN CANADA'S GROWTH

An elegant double breasted coat of soft wool with a deep rolled collar of "Terylene" curled to simulate persian lamb was designed by Raoul-Jean Fouré for the fall collection of the Canadian Association of Couturiers. Hat is by Irene of Montreal.

MARWAYNE

Some of those home this past week end were Mr. and Mrs. Walter Bobroski and family; Mr. and Mrs Doug Shaw; Andrew Berry; Mr and Mrs Dave Lowrie; Mr and Mrs Gudsowaty and family; Maureen Culford; Lorna Katzmarzyk and her grand mother Mrs. Ridden; Betty Klinkner and Mrs. Sheila Isley. At the Dow home were Mr and Mrs Jack Parsons and family; Mrs Mabel Onysko and Larry and Mrs Violet Sarofen.

Some visitors in town for the Thanksgiving week end were: Lanie Johnson at the Arnel Johnson's; Linda Farrel at the Culfords and also Mrs. Culford's sister and husband, Mr and Mrs. Cox from Ontario.

At the Micklejohn home, Miss Mundal of Saskatoon was visiting her sister.

Mrs. Reinheimer's sister and husband, Mr. and Mrs. Frank Wells, of Meyronne, Sask., were visitors at their home.

Malcolm McLean was at the Hathaways and Mrs. Lowrie and Dorothy visited with George and other relatives.

Mr and Mrs. S C Harrington, Ruth and Jimmy of Calgary were at the farm home of Mr and Mrs. Carl Harrington.

Mrs. Gene Wheeler and daughter Violet visited relatives and friends in the district.

Mrs A Giles, Mr and Mrs. N Giles and family of Vulcan spent the week end with Mr and Mrs. Henry Dougan of Lloyd., on Sunday they called on relatives and friends in Marwayne.

Mr and Mrs. Chance Currie are living in their home in town and making extensive alterations on it.

Thanksgiving services have been held in the Anglican and United Churches with the churches decorated beautifully for the occasion.

Mr and Mrs. William Harmer, Vancouver, are visiting in Kitscoty and called on friends in town on Wednesday.

Congratulations go to Mr and Mrs Doug Wallace on the birth of a daughter.

Also best wishes go to Irene Murray, eldest daughter of Mr. and Mrs Benny Murray who was married in Edmonton last Saturday. Mr and Mrs. Clyde Allen attended the wedding.

Mr and Mrs. Duncan Addison and daughter have gone to Victoria to visit Mr and Mrs Addison Sr.

Mr Albert Pinsel is visiting relatives at the coast.

George Lowrie has just completed digging basements for Mrs Berry and Mrs Kay Hillaby for their new homes.

Several business men have painted their store fronts. The hall has been painted, the Canadian Utility office completed and the front of the butcher shop is now being renovated. All this has added much to the looks of the town.

Sorry to report that Grandma Ashworth is in Lloydminster hospital and Mr and Mrs Lloyd Borg's baby is very ill in an Edmonton hospital.

Mumps and impetigo are making the rounds of the school children and quite a number are out of school with them.

The winners of the raffle held by the Ladies Auxiliary at their tea and bazaar on Friday, Oct. 17 were Mrs. Marion Lowrie and Mr. W. Crowther.

In the first half of 1958 labour income in Canada totalled $7,622 million, compared to $7,417 million one year earlier.

Old Timers Round-Up November 6

The Vermilion Old Timers round - up will be held on Thursday evening November 6 commencing with a sumptuous banquet at 6:30 p.m. in the Legion Hall. The banquet will be followed by a short business session, election of officers, then an evening of cards.

Anyone west of the Great Lakes by 1915 is eligible to join the Old Timers and is invited to do so. The annual membership fee is $2.00 each and this includes your banquet ticket.

13 - 16

What has time done to your life insurance?

Everyone knows what can happen to the performance of a car that isn't serviced regularly. The same risk of "poor performance" holds true for your life insurance if you neglect to keep it up to date. Time brings changes in your life that in turn create the need for a review of your policies. Perhaps new beneficiaries should be appointed. Perhaps the method by which benefits are to be paid, either by income or by single amount, is no longer in your family's best interest. What would a careful review of your policies reveal? That you have more than enough life insurance — or that time has brought new needs for protection and saving?

By keeping in touch with the Man from Manufacturers you can be sure your life insurance is arranged to do the job you want it to do. Why not call him for a policy "check-up" today?

140 Students Begin Classes At V.S.A.; Largest Class in Years

One hundred and thirty-seven students have now commenced regular classes at the Vermilion School of Agriculture and there are three more to come, having been given permission to report late. This is the largest enrollment for some years. Of this number there are 35 from the Peace River area, normally served by the Fairview school. The balance between young men and young ladies is decidedly one sided, there being 119 men and 21 girls. Registration commenced on Monday and continued on Tuesday. On Wednesday, regular classes began. The staff is now complete and all indications are that a very fine term will be realized.

The classes are divided as follows — First year agriculture 55; second year — 39; two in one — 23; girls first year home economics — 11; second year — 3; and two in one — 6.

Curlers Report Good Season; Re-elect Rosequist President

At the annual meeting in the waiting room of the curling rink, curlers re-elected Warren Rosequist as president along with the following executive:

Vice-Pres. — Bob Rowe
Sec.-Treas. — Russell Carroll
Executive — Geo. Webb Jr., Gordon Casey, Ed Lyons, W. Scales, Leo McKernon, Glen Gibbons and Les Chivers.

The curling season will commence on Monday, Nov. 3rd and a canvass of every man in town is being carried out in order to line up all those intending to participate in an active season of this fine winter sport. The quartets will be made up on Sunday evening at a meeting in the rink. Skips will be elected and they will pick their own thirds. The seconds and leads will be chosen off the board.

Fees were set at $30 and students wishing to curl in regular draws at $12.50.

The annual Farmers' bonspiel will be held this winter as well as the regular open bonspiel. Dates were left to the executive.

FINANCIAL HEADWAY

The Curling club had a very good year financially last season as was clearly shown in the financial statement presented by Russell Carroll. Overall receipts were $15,272.04, with payments of $14,958.81.

Of the amount paid out the following went to retire capital debt incurred when the new rink was built and artificial ice-making equipment installed:

Canadian Ice Machine Co., $1,073.88; Provincial Treasury Br., $2,057.68 principal and $491.12 interest. An extra expense of $809.73 was incurred through repairs to the ice-making plant. Balances of two other accounts $316.35 and $585.82 were also liquidated. It seems logical therefore to assume that with retirement of present outstanding indebtedness the club will be able to finance very nicely indeed. Liabilities now are reduced to one, the loan at the Treasury Branch, which stands at $19,300.

—S—

Draw Curling Rinks Sunday at 8 p.m.

Rinks for the curling season will be drawn on Sunday evening Nov. 2nd at 8 p.m. at a meeting in the curling rink. Everyone interested is urged to attend so that curling will get away to a good start.

Skips will be elected, they will choose their third man, while the seconds and leads will be picked in turn from a list on the blackboard.

Mrs. C. Calvert Is Elected President Guides, Brownies

The Guide and Brownie Mothers' Association annual meeting took the form of a Monther and Daughter supper held in the Anglican Parish Hall on October 15. Aproximately one hundred sat down to a delicious banquet.

Gifts of appreciation were presented to Mrs. S. Manyluk and Mrs. E Clendenning for their leadership of the girls last year.

"Golden Hands" were awarded to the following Brownies: Anne Duncan, Karen Fast, Jane Heckbert, Joanne Mitchell, Michelle Rosequist, Lorna Webb and Linda Webb.

Mrs. Clendenning gave a detailed report of the Girl Guide activities for last year but regrets that, as yet, there is no leader to carry on this year.

Mrs. Callas reported a very successful year for the Brownies and looks forward to another year of progress.

The following officers were elected for the ensuing year: President — Mrs. C. Calvert; Sec. — Mrs. L. R. Webb; Treas. — Mrs F. Stewart; Badge Sec. — Mrs C Long; Brownie Representatives — Mrs J. Webb and Mrs. R. Mitchell; Guide Representatives — Mrs E. Clendenning and Mrs N. Klashinsky.

Awards Announced At V. S. A.

Winners of scholarships and bursaries at the Vermilion School of Agriculture and Home Economics are announced by J. E. Hawker, Superintendent, Schools of Agriculture. Donors of the awards have also been named.

Leonard T. Velichka, Hines Creek, Wheat Board Surplus Monies Trust; Ronald E. Huntley, Whitecourt, Wheat Board S.M.T.; Roger J. Winnicky, Ballater, Wheat Board S.M.T.; Linda Y. Werklund, Valleyview, Wheat Board S.M.T.; Chester Jackniaky, Thorhild, Wheat Board S.M.T.; John E. Connelly, Elmworth, Grain Exchange; Orest Steimack, Andrew, Winnipeg Grain Exchange; Alfred Klymochko, Vechange, Doris F. O'Shea, Mayerthorpe, Alberta Women's Institutes; Alfred Klymochko, Vegreville, United Grain Growers; Ronald J. Kidd, Mayerthorpe, Alberta Wheat Pool.

A few awards remain to be made and these will be announced at a later date.

Esteemed Derwent Lady Passes Away

Mrs. Sophie Bucharsky of Derwent passed away at her residence in Derwent on Oct. 29th at the age of 73 years. Prayer services will be held at 8 p.m. on Friday in the Derwent hall and funeral services will be at 10 a.m. in the Ukrainian Catholic Church at Derwent with interment in the Derwent cemetery. Rev. Father Cherkowsky will officiate.

Mrs. Bucharsky is survived by four sons, Stanley of Edmonton; Michael of Northern Valley; John and Peter of Derwent, and six daughters, Mrs. M. Zarasha, of Northern Valley; Mrs. Andrew Bugera, Northern Valley; Mrs. Mike Chupka, Derwent; Mrs M. Yarmuch, Vermilion; Mrs Frank Shongrunder, Vermilion; Mrs. M. Zaharko, Derwent. There are two brothers, one in Michigan, one in Russia, 33 grandchildren and four great-grandchildren.

Old Timers Round-Up November 6

The Vermilion Old Timers round - up will be held on Thursday evening November 6 commencing with a sumptuous banquet at 6:30 p.m. in the Legion Hall. The banquet will be followed by a short business session, election of officers, then an evening of cards.

Anyone west of the Great Lakes by 1915 is eligible to join the Old Timers and is invited to do so. The annual membership fee is $2.00 each and this includes your banquet ticket.

13 - 16

LEGION NOTES

The armistice festivities have all been arranged so all we have to do now is to make up our minds about which events we can take in.

It seems that some veterans and their wives are not clear on one point. You are all welcome to the parade, to the cenotaph, to the church services in the theatre, to the smoker immediately after the service and to the legion dance.

POPPY DAY

On Saturday, November 8th, members of the L. A. will be selling poppies. All money collected for this fund is used only for helping veterans and their families in times of sickness and distress. It is a separate fund and none of the money collected gets into the legion general account. You can safely give to the poppy fund, knowing that it will all be used to help needy people.

VARIETY SHOW

Bob Carmichael is organizing a variety show again this year. It would appear that the date will be November 28th. We recall the good shows Bob has put on for the past two years and we will be looking forward to enjoying another one.

Best Fishing In Canada

Recent guests at the home of Mr and Mrs. Frank Welsh were Mr and Mrs. Stanley Othouse of Toronto. While here Mr Othouse, who is an ardent fisherman, enjoyed what he claimed was the best fishing to be found in Canada, right in the park lake. The visitors had travelled from Toronto to the coast and Vancouver Island, had fished at the Muskoka Lakes in Ontario, at Campbell River on V.I., but claimed they had the most fun and best success during their visit here.

Hunting Hints

REMEMBER — the legal shooting day ends one half hour after sunset.

St. Paul United Presbytery Meets At Mannville

The fifteenth meeting of the St. Paul United Presbytery of the United Church of Canada was held in the new McQueen Memorial Church at Mannville recently. The chairman, the Rev I. C. Holter of Mannville presided over the meeting.

Two new ministers were introduced to the members of the Presbytery. They were, the Rev. C. H. Miller of St. Paul and the Rev W. I. MacDonald of Edgerton.

The various committees of Presbytery presented their reports to the members in attendance. The Missionary and Maintenance Committee reported that the missionary givings within the Presbytery showed an increase of over 30% as compared to the same period last year. The congregations within the Presbytery are endeavouring to raise $13,000 for missionary purposes.

The committee on Evangelism and Social Services reported on the need for a continued emphasis on evangelism within the local congregation and urged each minister and session to review the work in the local situation. The committee drew attention to the United Church hostel for the rehabilitation of alcoholics which the Church hopes to establish as a pilot project in Edmonton. A Presbytery School for Elders will be held at Vermilion United Church on Wednesday, November 12th.

The growing interest of Senior High School students in the Church's Hi-C program was noted by the report on Christian Education. It was announced that a Presbytery Rally for Hi-C groups will be held in one of the larger centres in November. Each congregation was urged to study the proposed new curriculum for use in the Sunday Church school. Miss Audrey Burns, Girls' Work Secretary, and the Rev. Geo. Young, Field Secretary of Christian Education addressed the Presbytery as well.

The Rev. Dr. D. J. C. Elson, Dean of St. Stephen's College in Edmonton was present and spoke of the situation in the colleges regarding candidates for the ministry. The college is observing its Jubilee Year. A special lectureship will be held in February to commemorate this occasion.

At the evening session of Presbytery, Dr A. E. Caldwell, Lay Commissioner to General Council gave his report of Council proceedings.

Other reports presented dealt with Overseas Missions, Archives, Publications, Pensions, Camp Work and Information and [illegible]

Bottle Pick-Up At Kitscoty

KITSCOTY — The First Kitscoty Boy Scout troop will sponsor a bottle drive on Saturday, Nov. 1st during the afternoon. If you are going to be away from home the Scouts ask you to please leave bottles outside the door.

Vermilion Tigers Organize For Coming Hockey League Season

Vermilion Tigers organized for the 1958-59 season and will definitely enter a team in the Eastern Alberta Hockey league. This was the good news emanating from the annual meeting of the hockey club held this week.

Another quite amazing achievement was announced with the paying off of accumulated debts of former years totalling $633.26. This laudable undertaking was accomplished by careful financing, and the fact that no player was paid on the team, only men who wanted to play because they liked hockey were members of the 1957-58 Tigers.

ELECTION OF OFFICERS

The election of officers took place and Jack Brown who headed the club's executive so well last winter was the unanimous choice for president. In fact there is only one change on the entire executive, Leonard Joe replacing Joe Brower. Joe was on the executive last year and played as well. He decided that one job was enough and he chose playing. The complete list of officers is

President — Jack Brown
Vice-Pres. — Reg Ireland
Sec-Treas — Murray Millar
Executive — [illegible]
Irvin Gordon Leonard Joe

The financial report was ably presented by Murray Millar secretary-treasurer. Receipts totalling $4,436.03 with current expenses of $3,729.88. This left a tidy surplus of $706.15 for the year's activities. Of this amount the old debts of $633.26, owing chiefly to Nelson Hill, Northern and the Standard, were paid off.

To accomplish this the hockey boys and executive worked hard. They promoted fastball and hockey tourneys, a sportsmen's banquet and operated concession booths to augment the amount taken in as hockey admissions. President Jack Brown praised the players and executive members for the one hundred per cent co-operation received. It took everyone to put such an active program over and put it over they did. They thus start this season in the clear.

The club has high hopes for plenty of players. Several new men have come to town while there is little doubt that with some 125 young men at the V.S.A. this winter some nice talent will show up there.

The Vermilion Tigers carried on in an exceptionally creditable and sportsmanlike manner last winter and the very best is wished them for the forthcoming season.

Local Livestock For Toronto "Royal"

Vermilion will again be represented at the Toronto Royal this fall by stock from the district. J. C. Tucker is sending a purebred Percheron mare while Manson Barr will exhibit a 1000 pound Hereford steer. This animal was bred by John Ilchuk of Vermilion, well known Hereford breeder.

The stock will leave Edmonton on Tuesday, Nov. 4th.

Record Attendance At "Meet Your Teacher" Night

The October Home and School meeting was held on Tuesday evening, October 28 with a record attendance, evincing much interest in the "meet your teacher" program for the evening.

Every teacher of the Vermilion staff was introduced by a room parent and presented with a corsage or boutonniere. Mr. Frank Gould was on hand to take pictures of the distinguished group.

The guest speaker for the evening, Mr. A. Aldridge, from the Department of Education, gave a very stimulating talk on "Helping your child choose his career." Lunch was served and parents and teachers visited over their coffee, with the unanimous opinion that it had been a very worthwhile and enjoyable evening.

Married in Manitoba at the turn of the century, Mr. and Mrs. Sextus R. P. Cooper on Saturday, Oct. 25th observed their 58th wedding anniversary. They have lived in Vermilion since the spring of 1907.

Witches and Goblins To Prowl at Mannville

day, is the time for all witches and goblins to prowl, and to them we wish a happy and very spooky evening. Everyone be on the lookout for strange characters roaming the streets and alleys, and have your supply of treats handy for the first wee ones to call. To the older pranksters we say have fun, but refrain from harmful tricks, especially to property of old age pensioners. Thanks kids!

Agricultural Society Livestock Sale Appeals To Buyers

The annual fall sale of purebred beef cattle and hogs sponsored by the Vermilion Agricultural Society is to be held on November 14 at the Vermilion auction mart and buyers will be interested to know that fifty head of cattle and 110 head of hogs will be available for the improvement of area herds.

The cattle are divided about equally between the three beef breeds while purebred Yorkshires dominate the hog classes with selected animals from other breeds including Landrace and Tamworth hogs offering an opportunity for purchase.

Hogs will be sold in the morning starting promptly at ten o'clock and cattle will be sold starting at one o'clock in the afternoon. Refreshments will be available at the market. Terms of the sale will be cash.

All who are interested in obtaining worth while individual animals are cordially invited to attend this sale which will be under the direction of Don F. Hall and Associates, well known Edmonton auctioneers.

Catalogues of the sale are now in preparation and will be available for distribution at the week end. They may be had on application to the office of S. C. Heckbert, Manager of the Vermilion Agricultural Society, phone 206.

Recreation Supervisor Appointed To Provincial Position

Hon. A. R. Patrick, Minister of Economic Affairs, has announced the appointment of Sydney C. Moore, 32, as Regional Field Supervisor with the Department's Community Recreation Bureau. He succeeds Macleod A. Munro, who recently retired from the Bureau because of business commitments in Eastern Canada.

Born at Sheerness Alberta, Mr Moore attended public schools in that area. Following graduation from high school at Chilliwack, B. C., he gained recreation leadership training through government sponsored courses and clinics in Alberta.

A former physical director with the Y. M. C. A. in Regina, Sask., he has been recreation supervisor for the Vermilion School of Agriculture and the town of Vermilion for the past two and a half years. Mr Moore is presently attached to the Community Recreation Bureau office in Edmonton. Later he will be stationed in the southern part of the province for consultative and administrative service to recreation groups and leaders in that region.

Mr. Moore is married and has two children.

During the summer months Mr. Moore was in charge of the organization of swimming lessons and water safety at the Vermilion Park Lake. His efforts met with unprecedented success here and his departure will be sorely felt. The whole community joins in extending congratulations on his appointment to his new and demanding position and best wishes for his success in the future.

SYDNEY C. MOORE

Your Canadian Citizenship And The Alberta Oil Royalty Dividend

The Citizenship Branch of the Federal Department of Citizenship and Immigration announced today that it is receiving a large volume of mail from rejected applicants for the Alberta Oil Dividend.

One of the requirements dividend applicants must have is proof of either Canadian or British subject status.

The citizenship branch urges any applicants for dividend who are not sure of their citizenship status to contact the office, 10138 - 100A Street, Edmonton, as soon as possible.

Individuals who received citizenship through the naturalization of parents may obtain a certificate issued in their own names for proof of citizenship, for one dollar. Forms are available at the Citizenship Office.

Records of citizenship are retained in Court Houses across Canada where the application was filed, and in Ottawa. In some instances, it takes time to search records and furnish proof.

The deadline for dividend applications is December 31.

Farmers Invited To Curling Opener

Farm curlers and those from surrounding villages are invited to curl in the opening competition at the Vermilion Curling rink which commences Monday, Nov. 3rd. Contact Russell Carroll, George Webb or Warren Rosequist for details. The fee is only $1.50 each and this amount includes a ticket for a dinner to be served Thursday evening. It is hoped that Matt Baldwin and his rink from Edmonton will attend and thereafter officially open the 1958-59 season. Matt and Co. will curl six ends against a hand-picked Vermilion quartet following the dinner.

The competition is a president vs. vice-president affair and is open to all male curlers for the very nominal sum of $1.50 each.

Vermilion 4-H Calf Club Meeting

A meeting of the Vermilion 4-H Calf club will be held in the court room at 7:30 p.m. on Thursday, Nov. 6th. Election of officers will take place and Mr. M. Douglas will give a talk. New members between the ages of 12 to 20 are welcome and parents are asked to attend. Members are urged to make 1958-59 a banner 4-H year and remember the club motto "Learn to do by doing".

Board of Trade To Hold Workshop; Delegates From Large Area Expected

Mr E A Locke president of Vermilion Board of Trade has announced that his Board will host a district workshop for board of trade and chamber of commerce officers, directors and members on Wednesday, November 12. The workshop will take place in the Elks Hall Vermilion.

Mr Locke stated that the workshop is expected to attract delegates from Mannville, Elk Point, Derwent, Myrnam, Two Hills, Vegreville, Innisfree, Viking, Irma, Hardisty, Wainwright, Provost, Dewberry, Chauvin, Lloydminster, Kitscoty and possibly other points in the district. It will be jointly sponsored by the Vermilion Board, the Alberta Chamber and The Canadian Chamber of Commerce.

Commenting on the workshop, Mr A. F. Shortell of Lloydminster, vice-president of the Alberta Chamber and director for the district stated that this is one of a series of workshops being held at points throughout the province through the joint efforts of local boards and chambers and the Provincial and National federations. Their purpose he said, is to help local boards and chambers to solve their community problems by putting delegates in touch with the experience of others. In addition delegates to the workshops will explore ways and means of meeting district and provincial problems through joint action.

Mr Shortell added that he hoped there would be several representatives at the Vermilion workshop from each district board and chamber since previous meetings of this kind have been interesting, useful and enjoyable. He emphasized that the sponsoring groups would also welcome participation by anyone from any community in which no board or chamber is active. All that we want from any delegate he said, is a sincere interest in building his community and, of course, payment of the small registration fee.

Derek S. Griffin, Alberta Manager for the Canadian Chamber of Commerce and Manager of the Provincial Federation, will assist in conducting the workshop.

The Department of Public Works presents a scale model of the University of Alberta, Calgary, campus site plan. Mr Arthur Arnold, Deputy Minister is explaining to Hon. E. C. Manning, Premier, Hon. A. R. Patrick, Minister of Economic Affairs, with Hon. James Hartley, the Minister of Public Works, the over all future scheme for the campus. Others in the photo are Mr S. Dietze, project architect, and Mr. H. A. Henderson, chief architect, Department of Public Works.

They Add Hustle and Bustle

There was no doubt about it on Monday and Tuesday — Vermilion was very much a college town, the 147 students registering at the V. S. A. were decidedly in evidence and everyone was obviously very glad to see them.

The presence of the V. S. A. students adds an intangible something to Vermilion which we would very much miss. The students can rest assured that we like them, we want them and hope that their one or two years here will prove both beneficial and enjoyable, and that the associations in Vermilion will long remain a pleasant memory to [illegible].

Safe, Sane Hallowe'en Asked For

Hallowe'en as a night of mischievous damage has been on the wane in towns such as Vermilion for some years now such is apparently not the case in rural areas and some villages where real damage is done and considerable expense and inconvenience caused under the mistaken guise of fun.

In an effort to promote a sane Hallowe'en the council of the Municipal District of Vermilion River is asking through the columns of the Standard and the Lloydminster Times that activities be confined to that which is humorous not damaging. The advertisement inserted by the council is designed to make a person think.

A good rule to follow is — Would you like it to happen to you or to your home or the home of your father and mother? The Golden Rule is always a good one to follow "Do unto others as you would have others do unto you."

Survey Spots for Citizens' Lodges

Now that the Alberta Department of Welfare has selected Vermilion as a location for a Senior Citizen's Lodge, it devolves upon the town council to provide a site of not less than five and preferably up to ten acres for the [illegible] desired and required building. Cost of the land is divided among the participating units in relation to the [illegible].

The location must be within reach of town services of water, sewer and gas lines. While it is not difficult to extend water and gas lines, sewer mains are a more difficult problem.

The lodge should be as close in to the town as possible as many older folks who will be resident therein still like to spend some time in the hustle and bustle of the downtown shopping area.

The town council is at the present time studying the important question and three locations are under consideration. Water and sewer presents no problems in two of these as it is there already. These sites are on the south side and one would have to be acquired from the Provincial Department of Agriculture. Possibly the prettiest spot, north of the hospital on land now owned by Gordon Park is doubtful owing to it almost being out of reach of sewer facilities. An engineer's opinion must be secured on this point.

Our senior citizens may rest assured however that no effort will be spared to see that the best possible location for their lodge is secured.

Needed . . A Traffic Light

Motorists travelling along 50th avenue — Main street if you are old fashioned — during the 12 o'clock noon rush hour daily or more particularly any Saturday and Saturday evening, would probably vote for a traffic light at the intersection while they sit waiting for the end of the north and south bound traffic which has the right of way as long as is required.

During Saturday evenings in particular some control is required of traffic at both the 49th and 50th avenue intersections. Traffic control contributes to the double factor of safety and convenience, and would also eliminate the annoying and dangerous habit of of jay-walking at these two spots.

The Standard is not advocating the use of traffic lights all day every day but does maintain that there are certain hours during the week when traffic regulation by lights would be a convenience to everyone.

Is Canadian Agriculture at Crossroads?

Is Canadian agriculture at the crossroads? Is the farmer's freedom at stake? Who will control the farms? These and other equally important questions will be discussed on the National Farm Forum program when it returns to the air on Monday Nov. 3rd at 8:30 p.m.

Radio stations CFGP Grande Prairie, CJOC, Lethbridge, and CBX and CBXA, Edmonton will carry this program which is of particular importance to farm people.

Farm Forum radio program does not attempt to provide answers to the questions posed. It does, however attempt to present basic information and arguments for and against. The real purpose of Farm Forum is to encourage groups of farm people to study, to discuss and then to reach their own conclusions regarding the subjects discussed.

The kick-off program on Nov. 3 carries the title "What Price Freedom?" This will be followed on November 10 by a discussion on crop insurance. Can the farmer afford crop insurance, or can he afford to be without it?

Last season Alberta had 35 farm groups that met regularly to listen, to discuss and to report their opinions. Most of these groups will be meeting on November 3. Other farm people interested in forming a study group should write the Alberta Farm Radio Forum Office, 307 McLeod Building, Edmonton, for a copy of the Farm Forum Guide and other information.

"GREEN ACRES"

BONUS ON BULLS

For several years bull buyers in M. D. of Vermilion River had the benefit of 5% more bonus than other municipalities. This was arranged by the government because Vermilion River municipality had set up a purebred sire area. Athabaska is the only other municipality in Alberta to enjoy this concession. A new ruling comes into effect on January 1st which places the bonus in all municipalities at 10 per cent.

Stock raisers in any part of Alberta can get a bull at 10% deduction after January 1st under the government program. Obtain particulars and application from your D. A. before you take the bull home.

FARM FORUM

Two weeks ago I announced that groups of farm families could gather together to listen to the Farm Forum Programme each Monday evening. The topic is discussed and then some eats are passed around and the meeting ends up in a friendly social evening. I now have leaflets on how to form and run one of these groups. Why not get a copy and get organized?

LIVE STOCK INCREASING

U. S. reports 19% more market hogs on corn belt farms than a year ago. Canada reports 29% more hogs than a year ago. In U. S. the price of feeders is expected to be high until spring. The same can be expected here.

SURPLUS LIVE STOCK

As soon as we get some snow and freeze up, most cattle raisers will think of putting some cattle on the market. In too many cases it is the good cattle on the farm, the ones that will sell the best, that will go to market. In my humble opinion this is not good business. No herd is built up that way. It is a good time, however, to cull out old cows and any poor type animals.

VERTICAL INTEGRATION

Here is how it works in the east with broilers. The feed company supplies the chicks and the feed; the farmer supplies the labour and the housing. For that the farmer gets 1% per bird per week. The farmer gets security but he has lost control. Someone else is doing the managing and that is where the profit goes — to the man who makes the decisions.

A. I. MEETING

A meeting on Artificial Insemination will be held on November 5th at 2 p.m. in the court room, Vermilion. Dr Saville, Veterinary Surgeon, Wainwright, will explain how A. I. works in that district. Everybody is welcome.

4H CLUB MEETING

An organization meeting of the Vermilion Beef Calf Club is called for November 6th at 8:00 p.m. in the court room. Farm boys and girls between 12 and 20 are welcome to join. We need some new members.

Death of John Ziomek of Derwent

Mr John Ziomek of Derwent died in the General hospital, Edmonton, on Sunday Oct. 26th at the age of 54 years.

He leaves his loving wife, two sons, Michael and Stanley, both of Derwent, and one brother, Michael of Clandonald. There is one grandchild.

Prayer service was held on Tuesday evening Oct. 28th in the Derwent National hall.

Funeral services were held at St. Andrews Roman Catholic church on Wednesday, Oct. 29th. Interment followed in the church cemetery.

Mr Ziomek came from Poland to Derwent in 1926 and worked on construction of the C.P.R., and then on section work until 1934 when he took up farming.

Moyers of Vermilion were in charge of arrangements.

Dewberry Lady Dies At Islay

Miss Florence Laboucane of Dewberry passed away at the Islay Municipal hospital on Friday Oct. 24th at the age of 50 years. She leaves to mourn her loss three brothers, Wilfred of Dewberry; Joseph of Dawson Creek; Rene Whitehorse, 4 sisters Mrs Mary Skoyen Saskatoon, Mrs Harry Deagle Cloverdale B.C.; Mrs. Wilfred Butler, Dewberry; Mrs. Ian McRoberts, Dewberry.

Funeral services were held on Monday, Oct. 27th at 10:00 a.m. in the Dewberry Roman Catholic church. Rev. Fr Hensel officiated.

Moyers of Vermilion were in charge of the arrangements.

Innisfree Pioneer Passes Away

On Oct. 25th, 1958, Mrs. Christie Ann Thompson of Innisfree, Alberta, passed away at the age of 85 years. She is survived by her loving husband, Mr George Allan Thompson of Innisfree; two sons, James Perle of Innisfree and Percy of Lacombe, also two grandchildren and three sisters.

Funeral services were held on Wednesday, Oct. 29th at 2 p.m. at [illegible] United Church. Rev. I. Holter officiated and interment took place in the Innisfree cemetery.

I have prepared a new list of topics on which I am prepared to speak to your group. If you are interested in any of the following please let me know as soon as possible, suggesting two or three possible dates.

THE TOPICS

FOODS:

1. Keeping the Lunch Box Filled, hints for making nutritious and varied school lunches.
2. Christmas Cooking.

SEWING:

1. New Fabrics and Finishes.
2. Fit is Foremost — a discussion of fitting patterns and making alterations. You are invited to bring fitting problems to the meetings.
3. Bazaar Ideas — suggestions for bazaars, gifts, handicrafts and raising funds.
4. Sewing Clinics — 2, 3 or 4-day clinics where you can make a garment and learn the principles involved in sewing.

MISCELLANEOUS:

1. Home Decorating — involves the basic things to keep in mind when decorating your home.
2. Basketry — you group can order supplies and I would be pleased to hold a workshop, showing you basic principles while you make a basket during the afternoon.
3. How Does Your Kitchen Rate? — a group discussion involving ways you can improve your kitchen efficiency with either minor or major renovations.
4. Slick Tricks — for easier housekeeping.
5. Ideas for Xmas — includes gifts, gift wrapping and decorating ideas.

4-H NEWS

Nine girls of 4-H clubs have organized for the fall term. Foods, Clothing and Home Decorating projects are being studied.

Garden clubs have completed their project year. Metiskow 4-H Garden club, under leadership of Mrs P. Meull and Mrs. F. Speight, was chosen as the best club in the district.

Following are the efficiency winners:

Metiskow — 1, Diane Speight (previous winner); 2, Elaine Hoff (delegate to Club week); 3, Shirley Steele (alternate).

Paradise Valley — 1, Mildred Teasdale (delegate to Club week); 2, Ellen Teasdale (previous winner); 3, Linda Stepanoff (previous winner); 4, Alice Doty (alternate).

Islay — 1, Sharon Redmond (delegate to Club week); 2, Lynne Davidson (alternate); 3, Charlotte Wilkinson.

Maidstone Lady Wins $1,000 Bingo

Mrs. Dorothy Foster of Maidstone was the winner of the grand cash prize of $1000 at the Curling Club bingo on Saturday night last. An additional $550 was won by others in the crowd which numbered just under 1000. This was the last bingo of the season. These cash bingos have been well patronized and the Curling club officials publicly thank all those who have supported them so well. The winners of the prizes were as follows. In the case of a tie the prize was split, [illegible] to each:

Alex Bedznig, Derwent and Mrs. Mabel Lee, Vermilion, $25; Derward Bowman, Dewberry, $50; Mrs. A. Manyluk, Vermilion and Bill Lamport, Vermilion, $25; P. McGuigan, Clandonald and Olga Mystal, Vermilion, $25; W. A. Thompson, Clandonald, $50; Nick Klashinsky, Vermilion and Bill Twyning, Vermilion, $25; Mrs. Alex Bezaire, Vermilion, Allan Anderson, Vermilion, $25; R. Dwyyroe Lloydminster, $50; Norman Hamilton, Vegreville, $50; Mrs. Rand Calvert, Vermilion, Nick Dmytrah, Ranfurly, $25; Mrs. Rathge, Edmonton, Mrs. R. L. Jones, Vermilion, $25; Mrs. Dorothy Foster, Maidstone, $1000.

Legion W. A. At Marwayne Present $500 For New Hall

At the October meeting of Legion Branch 116, Marwayne, the ladies auxiliary were present and took part in the business session. Following this, Mrs. Anderson, president of the Marwayne auxiliary, presented the Legion with a cheque for $500.00 towards the completion of the Legion Hall. This was fittingly accepted by President Whitfield on behalf of the branch.

Mrs. Anderson then made the presentation of the Ladies Auxiliary scholarship cheque to the grade 9 student who passed his exams with the highest marks. The [illegible] was Christopher Swan who, in a well thought out speech, [illegible] the ladies for [illegible] assistance to his educational efforts. Mr. Petryshen, teacher of Christopher, very suitably expressed his appreciation for this kindly encouragement each year to pupils in his grade.

Games of cribbage and whist, followed by a delightful lunch, concluded a very enjoyable evening for all present.

COMING LEGION EVENTS

Coming events which call for your support are the Poppy campaign when everyone is asked to wear a poppy to show [illegible] remembrance of those who made the supreme sacrifice.

The poppies and wreaths are made by disabled veterans and all proceeds from their sale are used to assist needy veterans and their dependents in this district whether they are members of the Legion or not. Please buy a poppy and wear it!

On November 11 you are invited to come to the annual Remembrance Day service at 10:45 a.m. in the Community hall, with the service of laying the wreaths at the cenotaph.

LEST WE FORGET

All veterans are asked to meet at the Legion hall and join the parade at 10:00 a.m.

Inherited dishonesty is the only thing people honestly acquire.

Farm Forum Season Begins Nov. 3 With Fall Rally At Vegreville

Monday, November 3, will usher in the nineteenth season of National Farm Radio Forum, with the topic "What Price Freedom?" under discussion. Heard over CBC, this weekly feature is designed for the farmer in an effort for him to discuss, and act on his problems in this important industry.

The Fall Rally is scheduled for that evening, this year to be held in the Vegreville Armory, beginning at 8:15 p.m. with a full program. Of interest to all will be the speaker, Jack Trower, CBC farm commentator. Sponsored by the northern committee, all members of farm forums and other interested persons are invited to attend this meeting, to get this season of farm forum off to a good start.

Coffee will be provided but all forumites are requested to bring lunch.

Each Monday evening during the winter 13,000 rural people meeting in neighborhood groups across the country discuss vital topics relating to agriculture. Broadcasts are [illegible] the Trans-Canada network of the CBC from 8:30 to 9:00 p.m. in all provinces from November to March. Farm Forum is a weekly meeting of members to exchange ideas, and by discussion groups whose motto is "read, listen, discuss, act." It is essentially an educational program, badly needed, because of the complexities of agriculture and the age in which we live. Properly organized, it can do much to further develop rural citizenship in Canada.

Hoping won't stop an H-bomb. Ward off the threat by making Canada's Civil Defence strong. Suport your Civil Defence organization.

Wins U.G.G. Bursary At The V. S. A.

Alfred Klymochko of Vegreville and Robt. E. Connibear of Donalda have been named winners of two United Grain Growers' bursaries it has been announced by J. E. Hawker, the Superintendent of Schools of Agriculture for the Province of Alberta, following a [illegible] of the awards committee. Bursaries are made available to assist farm young people to attend the School of Agriculture, either at Olds or Vermilion.

The award for attendance at Olds goes to 17-year-old Bob Connibear who will take a 2-in-1 course in agriculture. For the past five years Bob has taken an active part in 4-H Club work and has been keenly interested in all student activities.

Alfred Klymochko, 21, has been named to receive the bursary to attend the agricultural school at Vermilion. He is also an active 4-H Club member. In successive years he was the efficiency winner and reserve champion twice of the Holden Beef Club. In athletics he excels in softball and hockey. He is a member of the church Young People's club and the Junior F. U.A. at Inland.

Both boys live on farms and intend to make agriculture their life occupation. They will attend the agriculture course commencing this month.

Bowtell Bulletin

The Loafers Club would like to thank Stephens Limited for the kindly use of a table in their store and those who helped to make their bake sale a success.

Mr. Thompson is drilling a well for Jim Repp on the old McGinnis farm.

Mr. and Mrs. William and family visited friends and relatives in Edmonton over the week end.

Visitors to the city also were the Knutson family. While there they enjoyed a visit with Mrs. Osinchuk, who is a patient in the General hospital. Pleased to hear you are feeling better after your operation, dear friend.

We are also pleased to report Mrs. McGaughey is feeling improved after receiving treatment for a few days in the Vermilion [illegible].

Little Frances Repp celebrated her third birthday October 21st.

At time of writing Tom Sherwood and son Leslie, Charlie Pearman and Logan Gow are away in the south country goose hunting.

The old house which for many years stood on the Morrison farm has been torn down and a nice new modern one is being built by Jack and some helpers.

We wish to extend our deepest sympathy to the Gates and Tatham families in their recent sorrow. The Gates family lived quite a number of years ago, on the farm now owned by the Knutson family.

It was nice to see quite a number at Pleasant Valley Church Sunday. Baby Clarke was christened. Mrs. Ronaghan played the organ.

We are at present enjoying beautiful Indian summer weather. Tractors can be heard early and late tilling the soil for next spring.

Congratulations and all good wishes go to Miss B. Caro who is to be married in Edmonton in the near future.

We wish to extend a welcome to Mr. and Wulf and family having moved to the farm formerly owned by the Magistad family.

Quite a number in the district have been ill with what appears to be the old 'flu bug.

—S—

Conservatives Appoint Organizer For N. Alberta

Mr John Gregor has been appointed northern Alberta organizer for the Progressive Conservative party. Provincial leader W.J.C. Kirby made this announcement over the week end. He will make his headquarters in [illegible].

Mr Gregor came to Alberta in his teens and worked as a farm laborer, later farming for many years on his own. He had employment as a miner and in the bush. More recently he had been a carpenter.

From 1952 to 1957 he was Alberta vice-president of the International Woodworkers of America.

The new organizer will be attached to the staff of the Alberta co-ordinator, Allan Lazerte.

SPACE TRAVEL

Space travel is much in the news nowadays. It is an interesting point, therefore, that last year in freight and passenger service C.N.R. trains chalked up a total of 88 million miles — equivalent to approximately 27 trips to the [illegible].

Columbus Boys' Choir To Sing At Lloydminster November 5th

Among the rewards earned by members of the Columbus Boys' Choir of Princetown, N. J., which appears in a concert in Lloydminster High School Auditorium on Wednesday evening, November 5, is the opportunity to gain experience in radio, television and motion pictures as individual performers. Chet Allen was a member of the Boys' Choir when he was called upon to sing the lead in the first performance of Gian-Carlo Menotti's TV opera, "Amahl and the Night Visitors," giving such an outstanding performance that he received a contract with a major film company. He also sang the role in two later presentations at the New York City Center.

When a third performance at City Center found Chet in Hollywood for his first movie on the Universal lot, another Boys' Choir lad, Dick Mincer stepped in as Amahl. Later Dick appeared in an all-Menottie concert at Lewisohn Stadium and in two productions of "Amahl" at Chautauqua.

Another member of the choir, [illegible] of Maywood, N. J., has sung the part five times at City Center as well as in Chicago, Philadelphia and Buffalo. Bill McIver, Williamsport, Pa., has given two outstanding performances as Amahl in the annual presentation by the NBC Television Opera Theatre, and for future appearances there are several boys being groomed for the part.

About the choir, Mr Menotti has said, "I strongly feel that just as Austria is pround of its Vienna Boys' Choir, and France of the Petits Chanteurs a la Croix de Bois, America should be proud of the Columbus Boys Choir, which is equally as good as any of these organizations, if not better."

Other Boys' Choir schoolboys famous for their music, dramatic and cinematic work are Van Dyke Parks and Oliver Andes, who have appeared in such TV productions as Studio One, Kraft Theatre, Gulf Playhouse, Bonino, Campbell Sound Stage and Philco Playhouse. Oliver scored in the NBC-TV colorcast premiere of the Lucas Foss opera "Griffelkin" and Van Dyke in MGM'S "The Swan" with Grace Kelly and Alec Guiness.

United Church W.A. Meet At Mannville

MANNVILLE. — Held in the United Church social rooms recently, the United Church W.A. had a pleasant meeting with 13 members present. Plans were made for the Jingle tea and, of course, for the Xmas bazaar which falls on the last Saturday of November. The group was responsible for sending a delegate to St. Paul's Presbytery rally at Ranfurly. Concluding the evening lunch was served by Mrs. W. Gerhart and Mrs. G. McBeath.

'The Bible Today'

In a report to the recent Lambeth Conference of Bishops of the Anglican Communion, Dr. N. J. Cockburn stated, "In the past the Bible Society has provided the Scriptures as the evangelistic instrument of the Christian Missions in the west, which have taken the Gospel to the ends of the earth during the last one hundred and fifty years."

These Missions have created all over the world the so-called younger churches. In the future these younger churches might themselves, as evangelizing bodies, be the main distributors of Scriptures. Nonetheless viewed in terms of practical possibilities they will necessarily require the continuance of the greatest historic Bible Societies of which the British and Foreign Bible Society is the Mother.

The British and Foreign Bible Society will continue the maintenance of translation work viewed with world rather than local perspective, and production of Scriptures perfected by a century and a half of practical experience with which to maintain the work of evangelistic distribution.

Suggested readings for next week: Sunday, Nov. 2, Isa. 11:1-16.

Monday, Nov. 3, Isa. 52:1-15.
Tuesday, Nov. 4, Hosea 4:1-9.
Wed., Nov. 5, Hosea 11:1-12.
Thursday, November 6, Hosea 1:1-9.
Friday, Nov. 7, Amos 5:1-27.
Saturday, Nov. 8, Micah 4:1-13.

Launch Farm Union Week November 3

National Farm Union Week — November 3 - 8, will be launched on Monday, November 3 with thousands of canvassers travelling the highways and by-ways of Ontario, Manitoba, Saskatchewan, Alberta and B. C. renewing memberships and signing up new members to the Farmers' Union of each province.

Del McCorckle executive assistant of the Farmers' Union of Alberta states there will be over 1,000 canvassers on Alberta roads the first day of the week long campaign.

The past few weeks executive members of the F. U. A. have travelled night and day to attend over 30 meetings throughout the province. All meetings held have assured the F. U. A. executive that the tide of enthusiasm shown by the farmers of Alberta will make this year's canvass for members the most successful campaign the F. U. A. has held.

SEED CLEANERS MEETING

Plans For Senior Citizens Lodges At Vermilion, Lloyd Outlined

A meeting was held of representatives of the councils of the City of Lloydminster, Town of Vermilion, Village of Dewberry, Village of Kitscoty, Village of Marwayne, Municipal District of Vermilion River No. 71, at the Municipal Office, Kitscoty, on October 22, 1958 at 2:00 p.m. to hear plans for the senior citizens lodges in this area.

The honored guests were A. O. Aalborg, Minister of Education, R. D. Jorgenson, Minister of Welfare and R. G. Hagen, Deputy Minister of Welfare.

Mr Kelly was asked to assume the position of chairman for the meeting and greeted those present on behalf of the Council of the M. D. of Vermilion River No. 71. Mr Aalborg was then asked to address the gathering and to introduce Hon. R. D. Jorgenson.

Mr Aalborg outlined the various functions of the Department of Welfare which include the administration of the various pensions granted by the Alberta Government. The construction of lodges for Senior Citizens was also placed under the jurisdiction of the Department of Welfare and it was to bring this policy to the notice of the citizens of this area that he introduced Hon. R. D. Jorgenson.

Mr. Jorgenson, who has been here for fifty years, was proud to be associated with the main feature of the Province of Alberta's five year plan — namely, providing lodges for the senior citizens of Alberta. For the purpose of placing these lodges in the province, the boundaries of municipalities had been greatly considered as had the density of population. It was considered that of the fifty thousand people of the age of 70 or more ten per cent would require facilities and for this purpose fifty rural areas had been established in which these facilities would be provided. A unit would be designed to accommodate 30 persons as facilities for preparing and serving food for 50 persons, the biggest single item in the lodge design, was of only slightly more economic magnitude than that to provide for 30. Competition for designs for the lodges was bringing good response and many very good submissions have been received. The government will be supplying buildings and furnishings, amounting to an estimated two hundred thousand dollars per lodge and the factor of design which will be readily adaptable to bulk acquisition of materials and equipment will be given much consideration. The various municipal bodies will be expected to supply site, minimum of five acres, serviced with utilities and to bear any deficiency in the cost of operation.

This deficiency, if any, is divided with the Department of Welfare paying 80% and the M. D. 20% in the final analysis.

Extensive research showed that 50% of the people in hospitals should be in chronic hospitals and that 50% of the people in chronic hospitals should be in lodges such as are now planned. The members of the government can conceive of ideas and bring the planning to an advanced degree of perfection, but without the co-operation and support of the people, they cannot be accomplished.

LOCATIONS DECIDED

The location of the lodges has been decided by the Minister after considering expert advice without regard for constituency boundaries. The prime factor in considering admissions would be need. For administrative purposes the boundaries once established will remain intact, but for admittance qualifications more flexibility will become necessary having in mind social and business associations which have been enjoyed in the normal course of life with no one forced to leave his local area.

EXTENSIONS PLANNED

The lodge would form the basic unit of the accommodation but there would be a demand for house-keeping units which demand would have to be met by local municipal bodies who would thus be given the opportunity to take a part in expansion as it was required. Occupational therapy facilities would also be kept in mind for the future and recreational outlets will call for co-ordinated efforts of local groups and clubs.

It had been decided to locate two senior citizens lodges within the boundaries of the M.D. of Vermilion River — one at Vermilion and one at Lloydminster.

FEES TENTATIVELY SET AT $60.00 PER MONTH

The fee for each guest was tentatively set at $60.00 per month which would allow the recipient of the present pension and supplementary allowance the sum of $10.00 per month for comforts. If the lodge was filled to capacity, this charge should take care of operational costs and allow a surplus. If a deficit resulted from the operation of the lodge, the municipalities would make it up on an assessment ratio basis.

PRESENT PLANS FOR WELFARE LEAD THE WORLD

Mr. Jorgenson introduced R. G. Hagen, Deputy Minister of Welfare, who told of the revamping of the Department in the last two years, of how the experiences from all over Canada, United States and Great Britain had been examined very carefully and of how the present plan had been brought to successful fruition and was far in advance of any offered anywhere in the world. The density of population determined for the most part the location of the lodges, always having in mind the availability of complete system of services.

ORGANIZATION

Foundations would be set up under the Companies Act and each member municipality would be an equal shareholder. Each shareholder would have a director on the Board of Directors. In this particular case, one directorate would serve both lodges. Under the Board of Directors would be set up separate Boards of Administration for each lodge and they would be governed by the statutes to be passed.

"NEED" PRIMARY QUALIFICATION OF ADMITTANCE

Mr Hagen said that the question of admittance in each case would be decided by the Boards of Administration of each lodge who were of course responsible to the Board of Directors. Here again the principle of admittance by the primary qualification of need was stressed and note was made of the fact that the "person" was to be considered — not his estate.

FULL COOPERATION IS PLEDGED

Moved by Mayor Hill, seconded by Mayor Miner, that the representatives present from each Municipal Council go back to their council and secure the immediate appointment of a representative to work with the Government in making effective the plans, so ably presented here today and heartily approved by those present, for establishing senior citizens lodges in Lloydminster and Vermilion and that these appointments be communicated to the Department of Welfare at the earliest possible moment. Carried.

Moved by Mr. Miner, seconded by Mr. Hudson, that a vote of appreciation and thanks be presented to Mr. Jorgenson, the Honorable Mr. Aalborg and Mr Hagen for coming here today to outline the plans that the Government has evolved for the provision of accommodation for the senior citizens of this area and that appreciation be expressed to the Municipal District of Vermilion River for making the facilities available for the holding of this meeting. Carried.

Mr Aalborg, in thanking the meeting for the two resolutions mentioned the steps to be taken in an undertaking such as this with first — the plan; second — the ways and means; and third, — the continuance of operation and maintaining the establishment. It seemed that a big project was required and that it be accomplished quickly. What had been presented here today had done just that.

In reviewing what was to be done, Mr Hagen said that each council should forward the name of its representative to the Department of Welfare quickly so that they of the Department would know with whom they were to deal and that the local municipalities were to select the sites for the lodges and forward them to the Department who would subsequently approve the sites or suggest alternatives.

New Pope Elected Vatican Announces

The Vatican radio announced on Tuesday that the new Pope is Angelo Cardinal Roncalli, aged 76 years, who becomes Pope John 23rd.

Red Cross disaster crews from Nova Scotia and New Brunswick Divisions C. R. C. S. are at the scene of the Springhill mine disaster to give emergency assistance. A supply of plasma is on hand as well as 3 mobile units and 2 mobile canteens sent from Halifax and St. John Red Cross to feed mine and rescue workers and provide emergency assistance to families of the injured if needed.

Miss Kathleen Jacula Is Crowned Queen of Carnival At Derwent

DERWENT. — A three-day annual carnival sponsored by the Ukrainian Catholic Holy Ghost Church congregation was held at the National hall, when Miss Kathleen Jacula of Derwent was crowned queen, having sold the greatest number of tickets. The other contestants were Diane Trachuk, Clandonald; Lillian Krawchuk, Elk Point; Sylvia Wysocki and Evelyn Hanasyk, Derwent; Audrey [illegible], Elk Point and Ruth Demyda, Clandonald.

Rev. Cherkiawski called upon Wm. Sakowski to crown the carnival queen. Mr. Sakowski also gave the closing address of the carnival.

Door prizes were won by the following: Chrome set, Sam Kresoichuk of Bruce, donated by the church committee; 8-day clock, Daniel Sharek, Vermilion, donated by Derwent hotel; Hostess chair, Nick Boyko, Derwent, donated by Algot & McConnell; Wool blanket, Lorraine Trachuk, Derwent, donated by Helen Kobylnyk; Garbage container, Marion Mead, Clandonald, donated by Beaver Lumber; Necklace, Stan Tomaszewski, Thorsby, donated by Zalasky Bros.; Flower vase, V. C. Fleming, Clandonald, donated by C. V. Larson; 20 gallons of gasoline donated by Max Hanasyk, won by Mrs. Anne Robinson, Elk Point.

Donations were made towards the bazaar as follows:

Mrs. Paul Gulayec, cushion top; Mrs. Mabel Kozmak, pillow cases; Mrs. Steve Losick, crochet [illegible]; Mrs. John Palinka, wool blanket; Mrs. Steve Dobransky, wool blanket; Mrs. Stan Woloshyn, permanent wave, Zazulak Bros., case of oil, John Sheyko, 25 lbs. grease, Paul Melnyk, water set, N. Palmerchuk, 4 qts. oil, Mrs. John Jacula, blanket and doll, Mrs. Olga Lychak, doll, Mrs. Johnny Mudryk, doll, Mrs. Harry Lychak, bridge set, Mrs. Wm. Markowski, a vase and flowers, Mrs. M. Zaharko, towel, Mrs. John Yarmuch, towel, Mrs. Mike Mudyk, apron, Mrs. Harry Lychak, apron, Mrs. Verna Charchun, apron, Mrs. Molly Young apron, Mrs. Eva Charchun, apron, Johnny Mudryk, $5, H. Johnson, $5, Ed Charchun, $5, Creamery, $5, Bank of Nova Scotia, $5.

Mrs. S. F. Calvert of Edmonton has been a visitor in the district recently, a guest at the home of Mr. and Mrs. Ted Clarke.

Friends Honor Mr. Logan Gow

Mr. Logan Gow was the guest of honor at a well attended gathering held at the Bowtell community hall on Oct. 16th. The occasion was to mark the retirement of Logan who has served as grain buyer for the National elevator at Borradaile for the past twenty years. Despite the difficult nature of his work in grading grain, he held the esteem and affection of everyone in the district.

Neighbors and friends are glad that he is not leaving the community as he has purchased the hunting lodge formerly owned by the late Lionel Conacher and will continue to live right in the district among those who have appreciated the fairness and equality with which he has served so faithfully.

During the evening Mr. Charles Pearman, on behalf of the community, presented Logan with a handsome set of travelling luggage, conveying with it the very best wishes for a long and happy retirement.

—S—

On Monday evening a "moving out" party in honor of Mrs. Dr. Lynn was held by the ladies of the Vermilion apartment block. The affair was a complete surprise and Mrs. Lynn was presented with a framed picture and towels. Dr. and Mrs. Lynn and the boys will shortly take up residence in their home just recently completed in the west end of town.

Mrs. T. McCauley Bereaved By Death Of Mother

On October 26, Mrs. Annie Blair, of 10635 154 Street, Edmonton, widow of Frank Blair, passed away.

She is survived by one son William John Blair of Jasper Place; four daughters, Mrs. Tom McCauley of Vermilion, Alberta, Mrs Percy Roberts of Mannville, Mrs. Frank McCauley also of Mannville, Mrs. Peter Thellade of Vancouver, B. C.; one sister, Mrs. Tom Crawford in Ireland; two brothers, William and Hugh Taggert also in Ireland; fifteen grandchildren and one great granddaughter.

NEWS from ISLAY

Mr. and Mrs. Bill Shaw were in Edmonton for a few days last week. Mr Shaw was attending the hospital convention.

The United church congregation was very pleased to have the choir of the Dewberry United church take part in the anniversary service Sunday morning at 9:30. It is hoped they will come again.

Mr Tom Lee of Dewberry a pioneer of the district, is in the Islay hospital.

Jim Yin, who was in business here for many years, passed away Monday morning in Islay hospital. Jim left here about five years ago for Uranium City. He had been ill in a Saskatoon hospital before coming back to Islay about a month ago.

Mrs Freddie Glover and children spent the week end at the home of her parents' the Mc Neeley's.

Mrs Moncrieff and Charlotte are in Calgary this week.

Mrs Sadie Beecroft was a visitor over the week end in Islay and Vermilion. She and Mrs Ronaghan drove through the country seeing old familiar places and calling on old friends.

Misses Gladys and Muriel Stone attended baptismal service of their great - niece Janice Roeder daughter of Mr and Mrs. Charlie Stone Sunday in the Presbyterian church in Lloydminster. Four generations were present great grandma Powell grandma Mrs. Bill Stone her son Charlie Stone and his daughter Janice. The minister Rev Harold Morris B.A., B.D. said it was purely coincidental because the baptism service (four babies were baptized) on the same day as turning of the first sod for their new Christian Education building called "The Andrew Walker Memorial wing". It was altogether a lovely service. The widow of their first minister the Rev Alex. McLennan, turned the first sod and then children representing the different youth organizations had their turn.

Miss Christine McKechnie will be guest speaker at the Home & School meeting Tuesday Nov. 4 at 8 p.m. 'Japan' is her topic as she will show slides on her experience there this summer. Mrs Libby Younge will accompany [illegible].

Noticed Mr. and Mrs. Herb McPhee in Islay Tuesday.

Mrs. Kay Sr. from Vancouver who is visiting son Reg and Mrs Kay in Kitscoty, is a patient in the Islay hospital.

Mr and Mrs. Preston of Tolland were in Islay on Monday.

W. G. Syer Dies In Edmonton

MANNVILLE. — A brother of the late Tom Syer who resided in Edmonton with his sister Margaret, W. G. Syer, passed away on Sunday in Edmonton. Mr Syer was a familiar figure to Brass people and about town as he spent some time here following the death of his brother.

Sympathy of town and district is extended to Mrs. Tom Syer and family as well as his sister in the city.

The generous patronage of the public has been very much appreciated, and the Snow Queen will be re-opened in the Spring.
WESTPOINT SNOW QUEEN

Norman Armstrong was home from the Aberhart Sanatorium from Sunday to Wednesday. While home he and Mrs. Armstrong celebrated their Silver wedding anniversary. Ray from Consort and Joyce and Jim from Vegreville were also home for the happy occasion.

—S—

Mr. and Mrs. E. H. Buckingham were in Edmonton last Thursday attending a pary in honor of Mr. B. J. Whitbread, a member of the Alberta Department of Agriculture for the past 37 years, who now retires. Mr. and Mrs. Whitbread lived in Vermilion for many years during which time Mr. Whitbread was a member of the School of Agriculture.

—S—

P. J. Noster and Wm. L. Roebuck represented the Vermilion municipal hospital board at the municipal hospital convention last week.

—S—

Mr. and Mrs. N. N. Bentley spent a few days in Vermilion last week and have now returned to Edmonton which will be their headquarters for the next four months. They enjoyed their experience of a year in Egypt while the trip home through Europe was quite a wonderful and enlightening experience. It was interesting to learn that they met Mr. and Mrs. Heckbert and Dr. and Mrs. Clarke in Paris and several days were enjoyed sightseeing with them.

Mr. and Mrs E. A. Locke and Mr. and Mrs C. Foran of Holden returned on Sunday from a three week holiday trip spent at such well known spots as Los Angeles, Las Vegas and Reno. Many famous casinos and night clubs were visited, strictly on sight seeing tours of course, and a very interesting holiday experienced and enjoyed.

Mayor Melvin Hill, Councillor Charlie Thompson and Secretary Tom Wilson are all in Edmonton this week attending the annual convention of the Union of Alberta municipalities.

West Point Snow Queen which has proved such a popular spot all through the summer and fall season, will close its doors for the winter months early next week, but will re-open in the spring.

IN MEMORIAM

In loving memory of
MRS. EARL GRAHAM
who passed away Oct. 29 1951
"Sleep peacefully Margaret dear.
We miss you most who loved you best.
Ever remembered by Peggy, Bobby, Kenny and Maudie.

Sixteen Years Ago

OCT. 29th 19[illegible]

The pupils of the school are denying themselves their annual trick or treat parade this Hallowe'en and instead are asking the townspeople to cooperate by contributing to a war charity, The Queen's Canadian Fund for the [illegible] of Britain.

Some telephone [illegible] were blown down last Friday in the teeth of a northwest [illegible]. A heavy [illegible] of snow has [illegible] on the [illegible] now been [illegible] up.

Bob Reid 17 year old son of Mr. and Mrs. Harold Reid has joined the R.C.A.F. and will commence training [illegible] on Nov. 6th.

Mannville has been chosen as the [illegible] for the Mannville M.D. office.

32 Years Ago

OCT. 28th 1926

Canada has added a new grain port and Alberta wheat has been loaded [illegible] boat from Prince Rupert for the first time for shipment to Europe.

[illegible] students are [illegible] at the School of Agriculture together with a large enrollment of Alberta boys and girls. The school opened [illegible] 27th.

Bernhart Koshelsky and family arrived last week from Avonlea, Sask. and will make their home north of town.

48 YEARS AGO

OCT. 26th 1910

Plowing is continuing with a vim even though this is Oct. 26. Weather is ideal.

The newest paper in Alberta is the Mannville Empire published by J. H. McLachlan of Mannville.

It is the intention of the telephone department to establish an all night service at the local exchange. A few weeks ago the town put an all-night electric light service into operation.

The Board of Trade is planning a big banquet for November 11.

ENGAGEMENT ANNOUNCED

Dr and Mrs. C. W. Stephens announce the engagement of their daughter Peggy to Mr. Paul Wacko of Edmonton, only son of Mr. and Mrs. Peter Wacko, Cape Breton, Nova Scotia. The marriage is to take place on Saturday, November 29th at 3:00 o'clock in First United Church, Vermilion. Reception following at the church banquet room. Please accept this as your invitation.

—S—

Miss Marion Barr, a 1957 graduate of the Royal Alexandra hospital, has left on the Orcades from Vancouver for an extended visit in Auckland and Christ Church, New Zealand. Miss Barr is the daughter of Mr. and Mrs. Manson Barr of Vermilion.

—[illegible]

Mr. and Mrs. Clarence Wilson visited in Edmonton last Thursday and Friday with their daughter and son-in-law, Mr. and Mrs. Gordon Bell.

Miss Dorinda Anderson who is employed at Eaton's in Edmonton, spent the week end with her parents Mr. and Mrs. Harvey Anderson on the farm west of town.

Parties Honor Miss Doris Jack

A number of parties have been held to honor Miss Doris Jack whose marriage to Mr. Morland Currey took place Saturday Oct 18 in Edmonton. Mrs Glen Warring entertained at a shower at her home. Mrs Fred Tookey and Mrs Don Hudson entertained at a shower at Mrs. Tookey's. On another occasion, Miss Lois Klappstein and Miss Frances Rice entertained at a shower. At the bride's former home at Kitscoty a shower was held in the community hall, and the bride's mother entertained at a trousseau tea. Mrs. Wilfred Currey, mother of the groom, entertained at a tea in her home on Thursday evening.

— Edmonton Journal

Kitscoty-Islay Sub-Local A. T. A. Notes

The first meeting of the Kitscoty — Islay sub-local was held at Kitscoty on Wednesday, October 8. At this meeting the following officers were elected: President — Mrs. Margaret Jack; Vice President and Press Reporter — Miss Anne Eglaver; Sec. Treas. Miss Janet Kent; Councillor Mr. C. Venance; Policy Committee — Mr. N. Robinson, Mrs H Reihus.

Various aspects and plans were discussed relating to the Teacher's Convention in Vermilion on October 20 and 21.

A general decision was made that during this term (1958-59) the Kitscoty-Islay sub-local meetings will be held every fourth Thursday of the month.

Plans for the next meeting include an explanation of the grade nine departmental examinations in English and the system of marking that is used. This will be prepared and given by Mr. N. Robinson of Blackfoot.

The meeting adjourned and a lovely lunch was served by a group of Kitscoty staff members.

—S—

APPRECIATION

The Boy Scouts would like to thank all those who contributed financially and other ways to make their Apple Day an overwhelming success.

—S—

CARD OF THANKS

The ladies of St. Mary's Anglican Church W.A., Clandonald, wish to thank all the ladies who so very kindly helped with the chicken supper on Oct. 22nd. It was appreciated very much.

CARD OF THANKS

The ladies of the C.W.L. wish to take this opportunity to thank everyone for their patronage, work and donations, contributing to the success of C.W.L. annual chicken supper. 16

RURAL DELIVERY By AL SMITH

I'LL DRIVE YOU INTO TOWN FOR TWO BUCKS!
I NOTICED YOU HAVE A HEARING AID! ARE THEM THINGS ANY GOOD?
OH, SURE! I'D BE LOST WITHOUT IT!
GEE, IT MUST BE TOUGH TO BE HARD OF HEARING! OH, WELL, I GUESS MOST OF US HAVE SOMETHING WRONG WITH US — TAKE ME, FOR INSTANCE, —
SOMETIMES, I CAN'T SEE MY HAND IN FRONT OF MY FACE!

OUR LETTER FROM EDMONTON

Political Parties Lay Groundwork For the Next Election

EDMONTON — Political parties are continuing to lay the groundwork for the next provincial election, which will probably be held sometime next summer.

Social Credit became the first party to name a standard-bearer in the new northern riding of Dunvegan. The candidate is Joseph M. Scruggs, Worsley district farmer.

Dunvegan riding covers an area that used to be a part of Peace River riding. Peace River was cut in half after years of pleading by Social Credit member W. F Gilliland that he had too much territory to cover.

Meanwhile, the Liberals have named their first candidate. He is John Mills, who will run for re-election in the Lac Ste. Anne constituency. Mr. Mills has held the seat since the 1955 election.

More Liberal nominating conventions will come after the party holds its leadership convention here in the capital city Oct. 31st and Nov 1st.

An upsurge in oil exploration and development work is expected in the rich Swan Hills area of northern Alberta. Oil companies shelled out $3,903,008 last week for rights to five parcels in the Swan Hills.

The Swan Hills area attracted the greatest attention in a government sale of oil and gas rights leases. A single parcel in the region brought $1,350,000 from a team of five oil companies. Another company paid $4,332,308 for four parcels containing 1,280 acres.

The oil and gas rights sale brought the government a total of $10,150,418, to make it the biggest sale in the past year. It pushed to past $750,000,000 the amount the government has received from oil and gas rights since 1947.

FINE PROGRESS ON HIGHWAYS

Good weather this season has meant good progress on the province's $80,000,000 main highway construction program.

Latest reports say contractors have finished 210 miles of grading, 246 miles of stabilized gravel base course work and 240 miles of surfacing. The grading work is 75% complete, base course 98% complete and surfacing 83% complete.

Final seal coating has been applied to 162 miles of highway to complete this phase of the year's program. Highways Minister Gordon Taylor says all work is well ahead of last year, and good weather has been the main factor.

Mr Taylor announced the government will make an effort to ease winter unemployment by carrying on with as much road work as possible. A $937,725 contract has just been awarded for work on the Mackenzie Highway in the north, and work will start on the rebuilding of a section of Highway 16 west of Edmonton.

INTEREST LACKING

Two years ago the government set up what was intended to be a "master list" of voters for cities. Registration books were made available in Edmonton, Calgary, Lethbridge and Medicine Hat. Any voter who took the trouble to register would be certain his name would be on the voters' list for the next election.

The registration is not intended to replace enumeration of voters before every election, but invariably there are complaints from voters who are missed by enumerators. The new scheme placed more of the onus on the voter.

After two years, there are 96 names on the "master list" — 68 in Edmonton, 15 in Calgary, eight in Lethbridge and five in Medicine Hat. Said Ray Crevolin, clerk of the legislature: "People just aren't interested."

No man ever got a reputation for intelligence by telling everything he knows.

The largest construction project in the history of Calgary is the new $17,000,000 refinery expansion program now underway for Imperial Oil. Work on the project started last spring and a major part of the equipment and materials going into the modern processing units are being provided by Calgary and other Alberta firms. Above is the new vacuum tower for the refinery. More than 16 feet in diameter and expected to weigh 80 tons when completed, the tower is just one of the several massive steel vessels being manufactured in Calgary. It is pictured here in the yard of the builder, Dominion Bridge Co. Ltd., Calgary. A construction force of more than 500 men, recruited locally, will be on the job for most of the time before the refinery is ready for operation in the summer of 1959.

Men with money to burn seldom use it to enlighten the world.

McLAUGHLIN'S SELF-SERVE

Mannville and District Local News

Sympathy of the town and district is extended to the family of Ed Wood whose brother recently passed away. Relatives attended the funeral, held in Edmonton.

Sympathy is likewise expressed by the town to Mr. and Mrs. K. Scoggins and Mr and Mrs. A. Scoggins on the death of their uncle at Lacombe. They attended the funeral held at Lacombe on Wednesday.

Members of the Jake Schock family (including Mr. and Mrs., of course) recently spent some holiday time at Lashburn, Sask.

Mr. and Mrs. E. Kreller and family spent the Tuesday school holiday in Edmonton, having dental repair work done.

Local creamery manager and wife, Mr. and Mrs. J. J. Goshko and family, left for some well-earned holidays last week. Leaving the children at Lethbridge, Jim and Rita journeyed on to the States to Great Falls, Montana. Stopping over in Edmonton on their return they visited friends in the city.

Mrs. C. Ramsey is a patient in the local hospital.

The annual jingle tea (calendar) sponsored by the United church for its members, reports a success, which was held on Saturday in the social rooms.

Mr. Hanch Sr. is a patient in the University hospital at Edmonton.

Visitors at the home of Mr. and Mrs. J. Hills over the week end were niece Mrs. McManus and son Brian of Edmonton.

Mrs. Marion Smith was a week end guest of the R. White family.

Mr. Ed Wood is a patient in the local hospital and daughter Dorothy is home for a visit at this time.

Leo Colborne paid a visit to his sister-in-law, Mrs. L. Colborne this week end.

Mrs. M. Mercer has returned home from Winnipeg, where she attended the wedding of her nephew Nelson Bearisto.

The Boy Scouts had a most successful sale of doughnuts on Saturday last, which were sold from door to door, and were excellent doughnuts.

WILDMERE WINKS

Here is an item we should have had in last week: Mr. and Mrs. Gaylord Gibson left by train from Wainwright Saturday, Oct. 18th on return to their home at Cloverdale, B.C. Their son Frank and grandchildren Isabelle and Ernest drove them over to the southern town. We were pleased to have a short chat with this fine couple.

There was a nice crowd out to church on Sunday. Rev. MacKay gave as his text 'Quality of Love', a fine sermon. We were pleased to see Mrs. Jamison, Rev. MacKay's aunt from Calgary; Mrs. Stone, Elayne and Donald, Mr and Mrs. H. Wear and Lester of Buffalo Coulee, Mr. and Mrs. Sweet, teachers of Preston Central, all in attendance. Church will be held on Nov. 9th at the same same place.

We were pleased to have such a nice attendance at the first Home and School meeting held this season on Tuesday last in the school. 23 joined up for the 1958-59 term. The three teachers gave interesting talks on the Teachers' Convention. Mr. Sweet, principal, spoke on "Teaching as a Profession"; Mrs. Sweet spoke on "UNESCO"; Miss Fluney on "Education". Everyone enjoyed these talks very much. Mr. Sweet then showed a film on "Curling" which was very interesting, especially as there were [illegible] at the meeting. Lunch was served by Mrs. Cruthers and Mrs. Gibson. Next meeting is on Nov. 18th with Mrs. Roy Dibben and Baillie Holte on the lunch. Mrs. Alexander the new president did well. Mr. C. Cruthers turned in $11.20 the profit on the school picnic last [illegible]

A wonderful crowd attended the Gay 90's banquet and dance last Thursday evening. It was a grand banquet with turkey and all the trimmings, everyone doing justice to it. Many stayed for the dance after, too. Music was by the Hanna orchestra and Jim Millar of Islay was M.C. All seemed pleased that these fine dances were starting again for the season. Ches Waldenberger was returned as president and Mrs Edwards as secretary for another year. Mr. Freestone of Borradaile was the only new member added to the committee. Lawrence Hareuther resigned owing to other business obligations.

The Wildmere Beavers Girls' club held a masquerade and cootie party at the school on Friday evening with a nice attendance. Only the children were masked and there were some very good costumes. Prizes were won by Joanie Hughes and Adam Smith in the senior class and Wendy and Billie Cruthers in the junior class. The older folks played six games of Cootie with Mrs. Westman winning top prize and Mrs. David Dibben the consolation for the ladies. Cliff Cruthers and Albert Holte for the men. Then a couple of films, donated by Mrs. Wm. Smith, "Eyes Westward" a film on Kitimat and other projects in B.C. and one on the Coronation. Both were enjoyed very much. Mr. Sweet ran the projector. The entertaining evening closed with a splendid lunch served by the Beavers.

We wish to congratulate Mr. and Mrs. Clarence Laboucane (nee Kate Whitlock) and best wishes are extended for a long and happily married life.

Congrats also to Mr and Mrs. Ronald Lake (nee Margaret Fadden) on the birth of a son at the Vermilion hospital on Thursday Oct. 16th.

A date to keep in mind — The Students' Council of Preston Central school will hold a box social and dance on Nov 14th in Basswood community hall.

Mr. Ray Preston and Jimmie Veitch were Monday evening visitors to the Wallington home.

Mr. Jas. Carey of Islay visited with Mr and Mrs. Wm. Smith and Adam on Sunday afternoon.

On Sunday Albert Smith of Basswood accompanied Billie McGrath of Tolland to Edmonton to visit Mr Hugh Leighton in the University hospital.

S

SEED CLEANERS MEETING

The annual meeting of the Vermilion Seed Cleaners Association will be held in the Legion hall on Saturday Nov. 15th commencing at 1:30 p.m. Business session, films, refreshments. 16-18

—S—

Church Young People Entertain

MANNVILLE. — Members of the United Young Peoples known as the HI-C club were entertained on Monday night of last week at a Halloween party. The Anglican parish hall, very suitably decorated for the occasion, was the scene of many weird figures as it was a masquerade party. Apples were ducked for, contests were held, and of course dancing completed an evening of fun. Lunch was served by the hosts at this affair, namely the A.Y.P.A.

The Thrill That Comes Once in a Lifetime

MARWAYNE

There will be a re-organization meeting of the 4-H Beef Club in the school on Tuesday evening, November 4th. All interested boys and girls 12 years and over are cordially invited to attend.

The Boy Scouts will hold a Bottle Drive on Saturday morning, November 1st. Please have beer and pop bottles ready when the boys call.

On Sunday a beautiful new pulpit donated by the disbanded Fenham congregation was dedicated in the United Church, Kitscoty. Most of the Fenham congregation was present.

Mr and Mrs. Dow took a car load of ladies to Vilna on Wednesday to the St. Paul United Presbyterial fall Missionary Rally. Miss Motherall, nurse in Cold Lake Hospital and returned missionary from India, gave a talk and then showed slides on India. Miss Langman, delegate, spoke on the United Church General Board.

Sunday, October 19 the United Church Sunday School held a Rally Day service with teachers and scholars taking part. Instead of the regular sermon, Mr. R. A. Swanson spoke on behalf of the International Gideon Bible Society and the testaments to be distributed to the grade five pupils were dedicated.

Darline Sandra, infant daughter of Mr. and Mrs. H. Pashniak, was baptized in St. George's Anglican Church on Sunday last.

Anglican Church service for Sunday evening, November 2 is cancelled and members are asked to attend a joint service at the United Church at 3 p.m. when the Rev. Mr. Sorokan of the British and Foreign Bible Society will be the preacher.

On Friday, October 17th, John Bell and John Milne received Queen Scout recognition Certificates from Lord Rowallen, chief Scout of the British Commonwealth in the Legislative Chambers, Edmonton. Although they weren't able to be present, Eldon and Arnold Kvill are also eligible for Queen Scout Certificates. The following day, Allan Midgley, Edwin Anderson and Knud Sommer, also took part in the Scout Rally in the Edmonton Gardens. The Chief Scout concluded his speech by saying the decorations on their uniforms were not merely splashes of color but were the sign of their preparedness to assist those in difficulty.

Sorry to report that Mrs. Elmer Parker and Gary Gardiner are patients in the Lloyd hospital. Allan Midgley is in the Islay hospital.

We are pleased to see Mrs. Petryshen home again. Miss Pearl Petryshen of Vernon, B.C. is visiting at the home of her brother and helping out during Mrs. Petryshen's convalescence.

Grandma Ashworth is home from the hospital also.

Congratulations to Mr. and Mrs. Sid Hall on their 25th wedding anniversary. A party was held in their honor by friends and neighbors in Crown Hill school on October 19th.

Miss Dorothy Alexander, who is nursing in Saskatoon, has been visiting her sister, Mrs Guy Williams Jr.

Mr. LeRoy Graham, North Bend, Washington, son of Mrs Guy Williams Sr., has been visiting here for the past two weeks.

Mrs. Reibe's daughter, Mrs. Cable of Hussar, Alberta, came this week to get Mrs. Reibe's furniture and has put the house up for sale.

A bazaar and tea sponsored by the Anglican Church W. A. will be held on Friday afternoon, November 7 in the church basement. There will be sewing articles, home baking and candy for sale.

Move In District To Promote A. I.

Artificial insemination has been discussed by several groups of livestock men in this area. It is now felt that a general meeting should be called to see if people in this district wish to organize a unit.

Mr F Van Wageningen has done considerable research in artificial insemination. He has obtained a lot of information which he can give to the meeting. Dr J M Saville Veterinary Surgeon of Wainwright will be present and will give a report on the progress made with A. I. in Wainwright district. District Agriculturist E. H. Buckingham will also be there.

The date selected is November 5 at 2:00 p.m. in the court room, Vermilion.

Everyone interested will be welcome to attend.

Islay 4-H Club Is Re-organized

ISLAY. — A re-organization meeting of the Islay 4-H club was held at the school on Oct. 1st at 8 p.m. The newly-elected executive is comprised of:

President	Lynn Davidson
Vice-Pres.	Grace Simmons
Secretary	Sharon Redmond
Treasurer	Sandra Bell

Grace Schaffer is in charge of the Game and Lunch committee and Jean Hanson is in charge of correspondence.

Miss Donna Shantz, district home economist was in attendance to outline the three projects, clothing, home decorating and food club. It was very interesting and everyone enjoyed hearing it. The girls chose the Food club for the project this year.

For roll call at the next meeting each member is to have a cooking hint.

—S—

Annual Meeting Of Cub, Scout and Girl Guide Associations

The annual meeting of the Cub and Scout Association will be held on November 3rd.

All parents of the Cubs and Scouts and anyone else interested are asked to attend. The Cubs and Scouts are very well organized under capable leadership and it looks like a very good year for these groups. Please come out and show your support in the training of the young people of Vermilion.

SOCREDS TO MEET

The annual meeting of the Vermilion Constituency Social Credit Association will be held on Monday Nov. 17th at 8 p.m. in the Legion hall, Vermilion.

USED CLOTHING NEEDED

Donations of used clothing for The Salvation Army will be accepted at 4810-49 st. or at The Salvation Army. If you have articles to be picked up phone 357 or 264. 16

School Principals' Assn. Holds First Meeting of New Term

The first meeting for the year 1958-59 of the Principals' Association was held in the Vermilion Junior-Senior High school on October 2nd.

Mr S. D. Simonson, the Divisional Superintendent, introduced four new members to the association: Mr Kelland, Principal and Mr. Kruger, vice-principal of Dewberry; Mr Fritz, principal of Streamstown, all newcomers to the division and Mr F Sweet, now principal of Preston Central school.

The following officers were elected for the current year: President: Mr. D. L. Clark, Paradise Valley; Vice-President: Mr J. David, Vermilion; Secretary: Mrs. K. Shalka, Vermilion.

The association was happy to welcome Mr C Brennan, town schools trustee and Mr J R Robson, secretary-treasurer, who brought with them greetings from the divisional board. Mr Brennan brought to the meeting the suggestion that a committee be formed to meet with the board in order to discuss divisional policy concerning the extra curricular use of the various auditoriums in the school division. It was also suggested by the board that the principals' association be represented at board meetings.

Mr C. A. Richardson, Kitscoty, gave details of the availability of a basketball clinic which was operating under the auspices of the recreational association in Edmonton.

Plans are being made to repeat the very successful Local Government Day which was held at Kitscoty last year. This will comprise a seminar for Grade 12 students, and will include representatives from the school divisional board; the Health Unit, Village Council; Civil Defence, the Hospital boards and the Department of Municipal Affairs.

The divisional handbook, which was the last year's main project for the association, is now receiving the final polish before being sent to the printers. Discussions regarding a main project for this year will be held at the next meeting on November 6.

C. J. Alfke Discusses Financial Reports At Rotary Meeting

Guest speaker C J. Alfke, a member of the local club gave a talk at the last meeting. His subject was, "How your bank manager looks at your financial report." Mr. Alfke was introduced by Bill Sutherland and thanked by Ken Rowe and president Robson for a very fine address.

Carl Heckbert who has just returned from a visit to Britain and the Continent told of Rotary Clubs which he visited in France, Belgium and Britain. Mr. Heckbert said that wherever he went there was a very friendly welcome. He said that there are 91 Rotary Clubs in London alone.

There were quite a number of visitors at Friday's meeting. Several members of the divisional school board, namely, Duff McGrath, Rock Mead, Bud Miller and Allan Weeks were on hand.

Also present at the meeting were Newcombe Bentley, a charter member of the club. Mr Bentley has just returned from a year's sojourn in Egypt where he investigated agricultural education for the government.

Others present were Ort Strome, Bert French and Arnot Brown.

Ashley Cooper gave a report on a meeting concerned with senior citizens lodges which was held at Kitscoty last week. At the meeting, Hon. R. D. Jorgenson announced on behalf of the provincial government that one of these lodges would be built in Vermilion.

Canadian Legion Prepares For Armistice Day, November 11

The parade of ex-servicemen and women will take place as usual this year on Nov 11th at 11:00 a.m. Veterans, the army, boy scouts, girl guides, the pipers, college students and other organizations will march to the cenotaph. Sentries from "A" Company the Loyal Edmonton [illegible] be posted at reverse arms, [illegible] at each corner of the cenotaph.

Veterans, the army and organizations will parade at the Legion hall at 10:30 a.m. to be ready to march off shortly after that time under parade marshall Sgt. Major Bob Allan.

After the ceremony of laying wreaths at the cenotaph everyone is welcome to attend a service in the Columbia Theatre. Mr E. Preston minister of the Anglican Church at Mannville will give the address.

Immediately after the service a smoker will be held in the Legion hall. First lunches will be available at 50 [illegible] each. The smoker will follow immediately. At 2:00 p.m. seven members of Vermilion branch will be presented with 25 year badges.

During the afternoon there will be music and songs and dancing. All veterans and wives will be welcome whether they are Legion members or not. All the Ladies Auxiliary members and their husbands are welcome.

POPPY DAY

Vermilion branch has named November 8 as Poppy Day. Members of the Ladies Auxiliary will be posted throughout the business section to accept donations to the poppy fund. This fund is used only to help veterans and their families in times of sickness [illegible] distress. The Legion hopes [illegible] everyone will be liberal in their giving to this worthy cause.

LEGION DANCE

On Friday November [illegible] annual Armistice Dance [illegible] held in the armoury. [illegible] orchestra will provide the music. Tickets will be available from any of the executive or from Secretary E. H Buckingham at the District Agriculturist's office. Advance tickets will be 75 cents each. MASTER FARM FAMILIES

Top — Mr. and Mrs. Andrew Jesperson, pioneers of the Stony Plain district are among three 1958 Master Farm Family Award winners. Mr. Jesperson, 81 years of age, and Mrs. Jesperson, 77 years of age, have operated their dairy farm near Stony Plain since 1903.

Center — Applied principals of mixed farming and community leadership have won Master Farm Family award for Mr. and Mrs. J. McCulloch of the Didsbury area. The McCulloch's operations include raising Hereford beef stock, raising hogs and farming 1,345 cultivated acres.

Bottom — One of Alberta's well-known purebred Hereford breeders, the Mel Wood family of Tofield, have been named a Master Farm Family for 1958. The prize winning family, left to right are: Donald, age 15; Mr Wood, Mrs. Wood and daughter Margaret, aged 13.

Pioneers of Beauvallon District Celebrate 40th Anniversary

Alberta pioneers, Mr. and Mrs. Alph Roberge, who homesteaded in the Beauvallon district in the early years, celebrated their 40th wedding anniversary on Saturday Oct. 11th with a surprise reception at their home in Edmonton.

Messages of congratulations were received from many friends and relatives.

Mr. Roberge, a native of Chartierville, Que., born in 1892, and Mrs. Roberge, born in Wetaskiwin in 1901, were married in Vermilion in 1918, Fr Goutier officiating. They moved to Beauvallon, farming there for 25 years, later moving to Clandonald where Mr Roberge was in the retail business. Retiring to Edmonton five years ago the couple now live at 12135-91st St.

They have three sons, Leon of Clandonald, Wilfred and Arthur of Lloydminster, one daughter Mrs. Blanche Lemp of Edmonton.

For the reception the table was centered with a three-tiered wedding cake decorated in emerald green and white, flanked by bouquets of yellow and white chrysanthemums and red and white carnations. Mr. Lemp was master of ceremonies for the evening. Best wishes were expressed by the many friends and relations present. Spiritual bouquets were sent from the fourteen grandchildren.

[illegible] were received, a beautiful matching ring set being the gift from their [illegible].

Out-of-town guests were: Mr. and Mrs. Arthur Roberge Sr., of St. Albert; Mr. and Mrs. T. Isdard, Beauvallon; Mr. and Mrs. Wilfred Roberge and Mr. and Mrs. Arthur Roberge, Lloydminster; Mr. and Mrs. Leon Roberge, Clandonald; Mr and Mrs P Lemp, Clandonald; Mr and Mrs. Gamille Gamache, Vilna; Mr and Mrs. Roland Gamache, Fort Saskatchewan; Mr and Mrs. A. Gamache, St. Albert; Dr and Mrs. E. Evans, Vermilion.

B. J. Whitbread Retires From Dept. of Agriculture

The retirement of Bertram John Whitbread, 65, district agriculturist and member of the staff of the provincial Department of Agriculture for the past 37 years, was announced this week by Hon. A. L. Halmrast, Minister of Agriculture.

Long-time resident of the province he has served, Mr. Whitbread came to Canada with his parents to the Barr Colony at Lloydminster in 1903, from Kingston-On-Thames, England. He attended school at Lloydminster, the Vermilion School of Agriculture and in 1918 graduated from the University of Alberta in its first agricultural class, with the degree of Bachelor of Science.

Specializing in agronomy, he taught at the Schools of Agriculture at Youngstown, Claresholm and Vermilion in the years from 1919 to 1933. During the two years from 1933 to 1935 he served as fieldman with the Field Crops branch, making feed and seed available to drought stricken farmers in the southern Alberta area, and taking active leadership in the fight against the plague of grasshoppers.

In 1935 he joined the Department of Extension, and as a district agriculturist served at Claresholm, Stettler, Calgary and Edmonton.

In 1924 he married the former Elizabeth Hughes of Ponoka. They have three children. A married daughter is living in the U.S., a son is with the Edmonton Public School board and another son is a doctor at Kelowna, B.C.

Mr. Whitbread has not announced any definite plans for the future.

Every man has his price—and most of them sell out to the highest bidder.

Television Series Features The Church in Action

MANNVILLE. — CBC's Heritage presents the story of the church in action in Canada in 13 half hour films. Each subject has been filmed with the co-operation of the denomination concerned through the appropriate members of the National Religious Advisory council. Letters showing interest in and criticism of the series will be welcomed. Write CBC Religious Programs Department, Box 500, Toronto. These programs are seen on Sunday afternoons from 3 30 to 4.00 p.m. EST. The next Anglican one will be seen on Dec. 7th entitled 'A Life to Give'. It is suggested by the General Synod that those having TV sets invite friends and neighbors in for the afternoon and thus perform a piece of friendly evangelism. The show produced by the CBC is reported to be excellent. This is a new television series.

CLANDONALD HALL

Showing at the Clandonald hall Fri. and Sat. Oct. 31 and Nov. 1, "The Iroquois Trail", a real outside drama featuring George Montgomery and Brenda Marshall; Nov. 7 and 8 "Lassie Come Home", in technicolor, a picture that is true to life. 16

CHATSWORTH CHATTER

Harvesting is all over with in this locality, although the September weather did have farmers somewhat worried, but October has made up for it, with lovely sunny days. Fall work is the order of the day.

There were a number of visitors in the community during the past month or so. At the Hutchinson home was daughter Isa, from Calgary. At Henningsen's were Mr. and Mrs. George Honey Sr. of Edmonton, who visited here from September 29th until October 5th. Mr. and Mrs. Jack Thompson, Debbie, and Gerry, of Fort St. John, who spent a week from September 22nd to 29th holidaying. Mrs. G. Honey (June), Bobby, and little daughter Brenda who visited from October 4th, and were joined by George on October 14th, all returning to Edmonton on October 21st.

Thanksgiving weekend visitors were Miss Jean Phillips, of Edmonton, who visited her sister, Mrs. J. Farkash, and Jr. and family. And visiting relatives and friends hereabouts, also from Edmonton, were Mr. and Mrs. Edwin Good.

Congratulations are in order for Mr. and Mrs. George Farkash on the birth of a baby son, and also to Mr. and Mrs. Mike Mynhak on the birth of a son.

Visiting at the home of Mrs. Matt Farkash and family, during September were Mr. and Mrs. Linder from Penticton, B. C. and Mr. and Mrs. F. Haale, of Saskatoon.

The September meeting of the Chatsworth Country Club was held at Mrs. Patterson's, with 9 members present. We welcomed as visitors Mrs. Neimes, (Mrs. Albert Tovell's mother), Mrs. O. Burns from town, Mrs. G. Honey, Edmonton, Mrs. J. Thompson, Ft. St. John, and Mrs. Roy Walker, of the Carleton district south of town. The business of arranging shipment of woollens was completed. Sick committe named was Mrs. S. Jacula and Mrs. Clayton Davis. The nickel draw was won by Mrs. H. Good, and the winner of the social contest, prepared by Mrs. Alice Davis, — a spice-sniffing and identification test — was Mrs. J. Farkash, Jr.

The October meeting of the club was held at Mrs. Arthur Tovell's with 9 members and one visitor — June Honey — present. As a means of raising funds for Christmas treats for the children of our community, a sale of home baking and afternoon tea, to be held in the Legion Hall, Vermilion was arranged, for November 1st, (Saturday). Committees were named for this event. The nickel draw was won by Mrs. Albert Tovell. The Sick committee of the previous month — Sophie and Louise — volunteered for another month, as they hadn't been called upon to visit (everybody's too busy to be sick!). The next meeting is to be held at Gladys Tovell's on November 19th. The lunch committee is Kay Good, Sophie Jacula, L. Hutchinson and E. Henningsen. At the close of the meeting a delicious lunch was served by the hostess, assisted by Mrs. J. McKenguе, Mrs. C. Davis.

The annual meeting of Chatsworth F. U. A. local was held at J. Farkash's on Monday 27th, with 17 present. The business of the round-up of members was arranged, with canvassers named for each locality. The president, vice-president, and secretary treasurer, namely J. Farkash, Jr. L. Klashinsky, and H. Good, were all voted back into office, as were directors of the previous slate. The next meeting is to be held at the Chatsworth school on Nov. 12.

All good wishes are extended to Mrs. R. Good, who celebrates her 81st birthday on Friday, Oct. 31.

25,00,000th road map was recently handed out by Imperial Oil. End to end, all the maps that the company has distributed to Canadian motorists and tourists in the past quarter century would go from coast to coast and back again via the Trans Canada highway. Pam D'Orsay, left, and Sheila Billing, are checking the route such a mapped highway would follow.

Of Many Things . .

By AMBROSE HILLS

ON GETTING AHEAD

We all like to get ahead in the world. We want to progress. However, if we are smart, we don't let that desire prompt us to spread ourselves too thin or drive ourselves into a nervous breakdown.

Some folks are in such a hurry to reach their goal that they've no time to study a road map on how to get there. They drive so fast they miss the right turn — and wind up backtracking. Had they proceeded more slowly they would have arrived more quickly.

Usually, political leaders dare not tell us such truths. They prefer to say that all is well in this wonderful world they are legislating for us.

That's why I listened with considerable interest the other night when I heard Canada's prime minister, John Diefenbaker, talking about the nation's business. He started out by saying that all indications show that we're coming out of the recession towards better times again and I thought to myself, "Oh oh — more political lollypops for us dumb voters!" Then I got a pleasant surprise.

In the next breath, came some wisdom I admired. We were told by our prime minister some of the basic facts of Canadian life. That we cannot compete on world markets if we get our prices too high or our product isn't good. That we'd better not aim for sky high wages or sky-high profits at this time; we'd better hold the line for a year or so, and consolidate our position in the world markets. In the long run, we'll raise our standard of living faster that way.

That is the stark truth. In our hearts we all know it. If those of us who have jobs today would work a little harder, try to give more value for the money, we'd be making a real contribution to future employment and higher wages. If those who own shares in Canadian corporations would be content with small dividends now and plow back more profit into research and equipment, they'd make a real contribution to future employment and higher dividends.

I admired the prime minister for giving us this truth pill, even though he candy-coated it. I would have been more pleased if he'd been willing to go a little further and say "The government, also, will hold the line. We'll keep taxes down, because taxes raise prices. We'll limit expenditures on frills, however attractive those frills might seem to be — keeping CBC, NFB, and other agencies of government from over spending."

If ever there was a time when Canadians should work hard, use restraint, and generally consolidate their position, this is it. If we are willing to do it (all of us, including the government), we'll reap a bountiful harvest in a year or two. If we refuse to do it, what we have been referring to as a recession will appear, in retrospect, to have been a boom.

News from Tulliby Lake

Congratulations are extended to Mr. and Mrs. Ernest Ostrom (nee Kathleen Marsh) on their recent wedding.

Mrs. Arthur Fortin Sr., passed away on October 18th in the Elk Point hospital after a short illness. Funeral services were conducted on the morning of October 21 at the Onion Lake Roman Catholic Church. Interment took place in the local cemetery. The district's sympathy goes out to her many friends and relatives.

Juvenile Behrens attended the three day circuit assembly of Jehovah's Witnesses which was held at Vegreville.

Herman Benson and Gilbert Gullickson are erecting a root house at the Roman Catholic Indian school at Harlan.

Last week Roy Wagner had a small black bear enter his barnyard. As Roy only had a .22 available he called in Gunvik Ruud and Alvin Lider to dispose of the bear which had by that time climbed a poplar tree. They report this bear as being very skinny, no doubt due to a short age of food.

Forbes Parke is taking treatments at the Berg chiropractic clinic in Lloydminster.

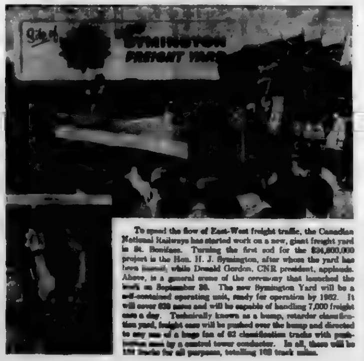
The monthly meeting of the Tulliby Lake Home and School was held on October 15. Plans were made to hold a social evening in the Central school on Friday October 24. The Home and School will also operate the booth at the Lea Park cattle sale on Oct. 28th. A film entitled "The Back of Beyond" was shown. This portrayed human livelihood in the desert of Central Australia. The gathering closed with the serving of lunch.

One of Everett Morton's horses has been torn up by what appears to be the work of a bear. The horse was given several bottles of penicillin and seems to be recovering quite well from the ordeal.

Johnny Marsh reports that he shot a mallard duck that had been banded and has reported same to Washington Wild Life Service.

Local No. 432 of the F. U. A. held their regular monthly meeting in the Frog Lake hall on October 20th.

CNR Starts Work on New Western Freight Yard



To speed the flow of East-West freight traffic, the Canadian National Railways has started work on a new, giant freight yard in St. Boniface. Turning the first sod for the $24,800,000 project is the Hon. H. J. Symington, after whom the yard has been named, while Donald Gordon, CNR president, applauds. Above, is a general scene of the ceremony that launched the work on September 30. The new Symington Yard will be a self-contained operating unit, ready for operation by 1962. It will cover 830 acres and will be capable of handling 7,000 freight cars a day. Technically known as a hump, retarder classification yard, freight cars will be pushed over the hump and directed to any one of a huge fan of 62 classification tracks with pushbutton ease by a central tower conductor. In all, there will be 150 tracks for all purposes, totalling 103 track miles.

Pleasant Valley News

They call this day 'Blue Monday', but who could possibly be blue on such a lovely day as this! The weather is certainly lovely and everyone should take advantage of it and do a little visiting here and there while it is still easy to get around.

On Thursday the writer picked up Mrs. Potvin and Mrs. Gillies and went to Lloydminster for the day. While there we ran into Mr. and Mrs. Riedale from Vermilion. Mrs. Ronaghan and Mrs. Nora Carey were also shopping in Lloydminster that day, however we did not see them while there.

Mrs. Maire and Mrs. Alf Purser spent Thursday in Vermilion shopping. Did you find a dress to suit you Hazel?

Sunday Mr. and Mrs. Clarke had their baby christened. About twenty friends and relatives attended the ceremony. Mr. and Mrs. Waterfield were the baby's god-parents and Mrs. Ronaghan was organist.

Speaking of organs, we certainly need a new one at the church. The present one is about forty years old and is completely worn out. Let's get together and discuss it folks, perhaps we [illegible] purchase a good [illegible] [illegible] one.

Our bake sale held in Vermilion last Thursday was a great success and we wish to thank everyone for their patronage.

Mrs. Gillies, Annie and the writer attended the chicken supper in Islay recently. What a beautiful meal, complete with salads and pickles. It was very nice.

Some folks will be wondering I suppose if this writer thinks of anything else but food — well, here is another announcement on the same subject — our club is holding a pot luck supper at the home of Mrs. Williams. How about some more snack duck Margaret?

The men folk are certainly hard at work on the land, preparing for another spring and fields that a short time ago were covered with waving grain are now blackened, awaiting winter snow.

"The earth has shed her flowery gown, leaves are gone and grass is frozen brown."

* * *

Oh, what a beautiful morning! from the sound of the weather report it should stay this way all day.

Last [illegible], Mrs. Potvin entertained relatives at her home where a delicious turkey supper was enjoyed. Mr. and Mrs. Freeman French were also guests that day.

On Sunday, Mrs. Gillies and yours truly, enjoyed dinner with the Moore family. We were so glad to see they have a good road now. Margaret, don't tell who made all those tracks on that road will you?

Mrs. Annie Clark had seventeen dinner guests on Sunday.

Some of the men folk from this district went fishing at Bear Lake.

It's nice to see all the fields cleared off. It's been such a long drawn out affair, it looked at one time like all the threshing would have been done in August didn't it?

The writer has a red honey-[illegible]

Harold McClelland and family spent Thanksgiving with their parents and also spent an evening at the Gordon Gould home.

We hope Mrs. Knutson is feeling better again. She spent an afternoon with the writer last week and I certainly hope it wasn't the cooking that sent her to the doctor!

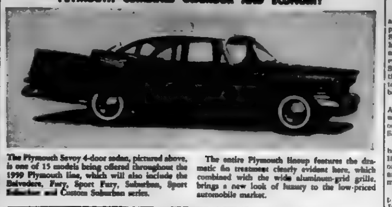
Keep smiling, you'll find that it helps.

I.O.D.E.

The regular meeting of I.O.D.E. will be held at the home of Miss Anne Snaychuk on Tuesday, Nov. 4th at 8 p.m.

S——

PLYMOUTH COMBINES GLAMOUR AND ECONOMY



The Plymouth Savoy 4-door sedan, pictured above, is one of 15 models being offered throughout the 1959 Plymouth line, which will also include the Belvedere, Fury, Sport Fury, Suburban, Sport Suburban and Custom Suburban series.

The entire Plymouth lineup features the dramatic fin treatment clearly evident here, which combined with the wide aluminum-grid grille, brings a new look of luxury to the low-priced automobile market.

OUR LETTER FROM EDMONTON

Industrial Tax Structure Is Being Studied by Province

by KEN MASON

EDMONTON — The government may be getting ready for another attempt to sell municipalities on the idea of a provincial [illegible].

If the attempt is successful, there could be legislation next year to take industrial taxation out of the hands of the municipalities and to establish a uniform provincial tax.

Word has it that the government is ready and willing to go ahead, but it doesn't want to force the issue on the municipalities. There's a possibility that the matter will be discussed this week at the annual convention in Edmonton of the Union of Alberta Municipalities.

Municipal Affairs Minister Alf Hooke and Provincial Treasurer Ted Hinman will both be addressing the convention. Asked about the matter last week, both ministers said the proposed provincial tax on industries is anything but a dead issue. Mr. Hinman said the government hopes the municipalities will come around to favoring the idea.

A provincial industrial tax has been under discussion periodically since about five years ago when the Legislature adopted a Social Credit resolution that the matter be investigated.

Government people who favor the idea advance a number of arguments. They say it would provide for uniform taxation throughout the province, and would eliminate competition between municipalities to attract industry.

Some ministers also feel that high taxes are frightening industry away from Alberta. There's a suggestion that the provincial scheme would result in an overall reduction in the industrial tax bill. This, of course, would mean reduced municipal revenue which would have to be made up somehow.

If the scheme is ever adopted the government would set up uniform assessment and taxation and distribute the money to the municipalities. The biggest share of revenue from any one industry would go to the municipal body which provides services to that industry.

If the matter is raised at the municipal convention there will be some strong opposition to the idea. Edmonton, for example, is opposed to the principle.

Premier Manning gave a hint of the government's attitude last week when a delegation from the Alberta Chamber of Commerce presented a brief to the cabinet. Discussing the question of industrial taxation, he said the government favors a tax structure that will not be prohibitive to industry entering Alberta. He added that taxes should not favor any one area of the province over others.

EARLY START PREDICTED

A heavy schedule of work is building up for the 1959 session of the Legislature, and as a result, plans are being made to get it started early. Premier Manning said last week that Thursday, Feb. 5, looks like the probable date. This is about two weeks earlier than usual.

In the past few years, members have been hard pressed to prorogue the session by Easter. Last year, it took a near-record number of night sittings to push the legislation through, and there were grumblings from the Opposition that important work was being unduly rushed.

Details of the government's five-year plan are expected to provide the fuel for plenty of debate during the next year's session. It will be the fifth and perhaps the last — session of the 13th legislature. Observers think Premier Manning will probably call an election for next summer.

SOUR GRAPES

We haven't heard too much from W. J. C. Kirby since he was named provincial leader of the Progressive Conservatives. But last week he was in Edmonton and unleashed an attack against the government's five-year plan.

The plan, he said, was conceived "in desperation to convince Albertans that all is well." He said it won't be an issue in the next election because all the points of the plan are things the people of Alberta are demanding, and things that Opposition political parties have advocated in the past.

KITSCOTY

Mr. and Mrs. Edwin Stewart and Vickie accompanied by their parents Mr. and Mrs. W. G. Stewart, motored to [illegible], Manitoba last week and attended the wedding of Mr. Ted Walker, nephew of Mrs. W. G. Stewart. They also visited relatives at Souris, their old home town and other points in Manitoba.

The Cairns brothers, Doctor Andrew and Chris of Edmonton were in town one day last week on their way to a hunting trip in Saskatchewan.

Mr. R. J. "Bob" Fox, who has been in western Canada since 1908, celebrated his 80th birthday one day last week. Best wishes are extended to him for many more happy birthdays.

Misses Sylvia and Donna Sheppard from Edmonton and Miss Judy Sheppard from Lamont all spent the week end here at their homes.

Mr. and Mrs. Harold Chisholm and [illegible] from Edmonton, were [illegible] visitors here at Ollie's [illegible] with her [illegible] Mr. and Mrs. C. N. Gray.

Congratulations and best wishes for many more happy years are extended to Mr. and Mrs. Cecil Conarroe who celebrated their Silver Wedding anniversary on Saturday, October 25.

Mr. John Dale is at present visiting in Saskatoon with his daughter and son-in-law, Mr. and Mrs. Ross Walker and family.

Mrs. S. O'Connor of Mannville was in town on Sunday, visiting with friends.

Best wishes for a speedy recovery are extended to Mrs. C. K. Miller, who at present is a patient in the Lloydminster hospital.

U. F. A. Co-Op. President Discusses Farm Organization

Mr. Geo. E. Church, president of U.F.A. Co-op, in a recent interview drew attention to the fact that November 3 – 8 is National Farm Union Week. He stated that in this drive for membership in the Farmers' Union of Alberta, farmers have the opportunity to show that they are united in their efforts to do something about the Cost-Price squeeze. Mr. Church said he felt it was vital to the welfare of Alberta farmers that an enthusiastic sign-up be made when canvassers call during this week. He stated that the effectiveness of the program of the F.U.A. for the next 12 months would hinge on the outcome of this membership drive and expressed optimism that the farmers of Alberta would rally to the support of their Union.

The president of F.U.A. Co-op said if he could address the farmers of Alberta personally, his message would be this: "The membership drive during National Farm Union Week is your chance to join your Farmer's Union. It is also your opportunity to sign your authorization for municipal collection of dues. U.F.A. Co-op strongly urges all farmers and particularly its members to take an active part in National Farm Union Week. Join the Farmers' Union of Alberta. Get your neighbors to join."

New Alberta Irrigation Project Completed

The $6,000,000 Bow River Irrigation Development, Western Block, which has been under [illegible] since 1953, is scheduled to be completed this fall. The project will serve 45,000 to 60,000 acres of classified irrigable land.

The development is the fifth largest of 15 irrigation areas in southern Alberta. It is centred in the Lomond-Travers-Enchant areas, some 50 miles north of Lethbridge.

The system is the second in Alberta to be constructed and supervised solely by the Water Resources Branch of the Provincial Department of Agriculture.

The main canal, 30 miles long, takes the irrigation water from the PFRA canal and feeds it to seven distributory channels totalling 375 miles in length. There is also a 30-mile trunk drain canal back to the Bow River.

The project involved moving some 7,000,000 cubic yards of earth. Seventy precast concrete bridges were built and some 10,000 cubic yards of reinforced concrete poured. Also used in construction were one million board feet of untreated lumber and an additional one-quarter million board feet of treated lumber.

Approximately 600 quarter-sections of land can be irrigated in the area where about 180 farms are being operated at the present time. In addition to the 600 quarters under irrigation, about 400 'dry' quarters will derive benefits from the program.

Most of the irrigated land is expected to be devoted to the raising of feed for cattle and specialized grass seed. Alfalfa, tame hay and irrigated pasture will take up a large percentage of irrigated deeded lands. There may also be grown some special land crops as corn, peas, beans, sugar beets, etc. Crown land will be colonized gradually to provide settlers with an economic irrigable unit. Private holdings presently range from a quarter-section to five sections. Wheat has been the major crop grown on cultivated land to this time.

WOODVALE NOTES

Before the month is over we had better catch up on some October news.

There were several visitors in these parts earlier in the month. Mr. and Mrs. A. Kulek and little son stayed with the McGrath family while on a hunting holiday. The menfolk went duck and goose hunting while sisters Mary and Nell enjoyed a visit together.

Helene Bedard of Tangent arrived Oct. 1 and is still with her sister, Mrs. Camille Goutier.

Mr. C. van Driel van Wageningen of The Hague, Netherlands while on a business trip through the States and Canada, took a week end off to visit his cousin in Tolland whom he had not seen in 39 years.

Trips were made by Mrs. A. Anderson who attended the civil defence course in Edmonton; by Bill McGrath who went to see his friend Hugh Leighton seriously ill in Edmonton, by Mrs. C. McLean who, with two sisters, was called to the bedside of her father critically ill in Vancouver. While their mother is away Jeannette and the two-year-old twins Wendy and Wanda are all staying with Mrs. Roger Watt whose home and heart are always big enough to take in a few more kiddies. Mrs. A. McQuid went to Calgary to see her daughter Mrs. Burton Clark, then the writer took a little trip with her former Vermilion friend Edith Pettinger and two other ladies, to Great Falls, Montana.

Tolland F.U.A. held a meeting on the 7th and heard a report of Mr. F. Slorum about the district convention he had attended. At the meeting to be held this week they will discuss and try to organize for co-operative buying. Fred McGrath and Keith Lysons went to Islay to the district meeting and will have more to tell about it this week. The Red Cross meeting was held on the 15th at the home of Mrs. Amy Portsmith and the writer was indeed sorry to miss it, as from all accounts it was again a busy and happy afternoon. The quilt made that day and at the September meeting will be sent to the Salvation Army in Vermilion and at the next meeting on Nov. 5th at the home of Mrs. Gladys Wolters another quilt will be worked.

On Oct. 25th it was Fred McGrath's 21st birthday and this being a special occasion, and also Eleanor's birthday with Margaret's being on the 26th, a surprise party was organized which was really a surprise to these all with 22 young folks dropping in and a few older people accompanying them. Flo McQuid and Susan Wolters kept everyone going with contests and games while older ones played cards. A sing-song was enjoyed, led and music played by Shirley McIntosh and Leona Matheson. After a delicious [illegible] was served the guests left, but not before treating Fred to the usual birthday thumpings, of [illegible] Margaret got her share too . . but somehow Eleanor escaped! It was a very enjoyable evening for all.

Mr. T. Monger is home after a month in Islay hospital and is seen on his regular walks to the P.O. every week.

Mr. and Mrs. John Isley have been helping in the Koknee store since Mrs. McLean was called away. Hazel is back there this week but John went to work at the May's where they had been before coming to Koknee.

Church services will be held at the Tolland community hall on Nov. 9th at 3:30 p.m.

Mrs. M. Watson received a letter from Mr. MacAvoy telling of his trip back east. After a few days in Calgary, with a trip to Banff and Lake Louise, he is back at Toronto to resume his studies. He preached Thanksgiving service in his home church in Hamilton.

Several local farmers interested in herd improvement through artificial breeding for all breeds of cattle, would like others to know that a meeting will be held on Wednesday, Nov. 5th at 2 p.m. in the courtroom in Vermilion. Dr. Saville of Wainwright will outline how the farmers there have organized. Mr. Buckingham has all the information re the Vegreville unit.

Directors of Woodvale Mutual Telephone Co. held a meeting to discuss ways and means to move the telephone line for 2½ miles as the road will be widened in 1959.

In the first six months of 1958 immigration to Canada totalled 67,744, compared to 182,410 in the January-June period of 1957.

PARADISE VALLEY NEWS

Mrs. W. A. Freestone of Cadogan is visiting with her daughter Mrs. Clayton at the coffee shop for a [illegible].

Mr. and Mrs. Aron Johnson of West Summerland, B. C., were the guests of Rev. and Mrs. Johnson. They were former residents of Provost.

Mrs. W. A. Nickle and Mr. Hugh Leighton are in the University hospital. Mrs. Nickle for a checkup and Mr. Leighton for treatment.

Mrs. Frank Flint is a patient in the Lloydminster hospital for the past week.

Mrs. J. Milne of Calgary and Mr. and Mrs. Bob Pollock of Alder Flats were recent visitors at the home of Mr. and Mrs. Frank Wood.

The weather during the past few weeks has been wonderful, thus giving farmers a chance to get a lot of fall work done, also saving on the feed situation.

How about that SUB. date?

Sport Car Racing

Watch for Canada's first sports car road racing circuit within 50 miles of Toronto, advises The [illegible] Post. Option has been taken on 500 acres of land, and a corporation may be formed soon to develop the property. The hill-and-dale race track will eventually cost $200,000. A bond issue is expected.

Special Rail Fares To Grey Cup Classic

WINNIPEG — Special rail fares to the Grey Cup game in Vancouver have been announced by the Canadian National and Canadian Pacific Railways.

Round-trip excursion tickets will be sold by both companies west of Armstrong and Port Arthur in Ontario, and east of Banff and Jasper in Alberta, inclusive. The east-west final will be played November 29, and the special fares will be in effect from November 24 to November 29, inclusive.

Coach and tourist class tickets only, will be sold at excursion rates. For example, the reduced fares will mean a saving of more than $20.00 from Winnipeg, and up to $30.00 from the Lakehead.

Armistice Day Observances Are Announced By Legion

Once again Vermilion Branch of the Canadian Legion has organized various activities for the Armistice Day observances. On November 11th as usual on that day all branches of the Legion throughout Canada will parade and attend church service in memory of comrades who did not come back or came back and have since passed on to the reward that all good soldiers go to.

All veterans in this area are asked to parade at the Legion hall at 10:30 a.m. November 11th when the parade will leave for the cenotaph and later the service in the Columbia Theatre. Medals will be worn. The general public is invited to these services.

The address will be given by Mr. Ed Preston, Anglican Minister at Clandonald. All ministers in Vermilion will take part in the service.

After the service all veterans and their wives living in this district are invited to a smoker to be held in the Legion hall.

POPPY DAY

The L. A. of the Legion will be on street corners all day Saturday selling poppies in aid of the legion poppy fund. It may be of interest to Vermilion people to learn that up to the end of October $535.43 have been paid out of the local poppy fund to veterans and veterans families who are in need or in distress of some kind or other. This is one of the most important charity funds in the whole area.

OTHER ACTIVITIES

There is a Legion dance in the armouries on November 7th and a social evening on the 8th. Also, the November meeting is set for the 11th.

Town Council Committees Are Appointed; Terms of Office Defined

At the statutory meeting of the Council, Town of Vermilion, the terms of the three newly-elected councillors were defined as follows: R. J. Ireland and P. E. Cooper each for terms of three years; C. T. Heckbert for term of one year.

The newly-elected councillors subscribed to the oath of office administered by Returning Officer H. W. Johnston.

His Worship Mayor Hill then paid tribute to the two retiring members of the council, E. A. Locke and G. W. Sutherland. Both had been active and interested councillors, and had rendered valuable service to the town during their terms in office.

The following committees were presented by the mayor and endorsed by the council:

Public Works — C. E. Thompson and C. J. McCormick
Water & Sewer — K. E. Rowe and C. J. McCormick
Finance — C. T. Heckbert and R. J. Ireland
Police & Fire — R. J. Ireland and P. E. Cooper
Health & Welfare — Rowe and Thompson
Health Unit Rep. — Thompson
Recreation & Community Services — Ireland and Heckbert
Cemetery — Mayor Hill and Thompson
Building — McCormick and Cooper
School meetings — Thompson and Secy. T. Wilson.

Regular council meetings will be held on the first and third Mondays of each month in the town hall at 8 p.m.

—S—

Tuesday, Nov. 11 Public Holiday

November 11th, known as Remembrance Day, will be observed as a holiday in Vermilion. All stores, schools and business places will be closed. Canadian Legion Post 11 has arranged suitable services to commemorate the day.

131 Vermilion Parents All Lost

Yes, surprising as it may seem the parents of no less than 50 Cubs, 26 Scouts, 40 Brownies and fifteen Girl Guides have all been lost somewhere along the way. This was discovered when none of them attended the annual meeting of the Boy Scout and Girl Guide Association. Without this association all four of these youth organizations have to be discontinued.

Another chance is being given these parents to find themselves, another date has been set for the annual meeting and this will be held on Monday, Nov. 10th at 8 p.m. in the Scout hall. Unless parents and others interested, attend in sufficient numbers to form the necessary committees these very fine youth organizations will have to be dropped. This does not mean that you will be expected to be a Scout or Guide leader. It means that you should be interested in the association, without which the troops, packs and bands cannot function.

—S—

SPECIAL SPEAKER AT S. A.

The officers of the Vermilion Corps of the Salvation Army invite everyone to hear Stan Armstrong of Saskatoon who will address meetings in the Salvation Army Hall on Friday, Nov. 7 at 8 p.m.; Sunday, Nov. 9 at 11 a.m. and 7 p.m. Everyone is welcome.

Crowned Queen of Elks Carnival

Miss Marion Mead, grade 12 student at the Vermilion high school was crowned Queen of the Elks three day carnival which was concluded on Monday evening. Marion polled the largest number of votes and was sponsored by the Foresters. She is shown in the centre of the picture after being crowned by Elk Walter Coulter. At the left of the picture is Miss Frances Mihalcheon the Elks candidate and on the right Miss Elizabeth Stewart who was sponsored by the Rotary Club.

Winners of the various prizes at the very successful three-day carnival were Mrs. E. A. Locke who won the $50.00 door prize; Mrs. Nellie Coyne, the lazy-boy chair raffled by the Royal Purple.

The Hoola Hoop contest didn't attract many entries considering the hundreds of youngsters who are seen daily spinning the hoops, but many were apparently shy of showing their prowess in public. In the pre-school class Guy Kent and Alver Lindroth captured first and second; grades 1 to 4 Makia Frey was first followed by Judy Winter and Karen Williams. In the grades 5 to 9 class, Wade Bottorff was first; 2nd, Terry Cooper; 3rd, Derek Beattie; 4th, Florence Galloway.

—Photo by Photocraft.

Board of Trade Regional Workshop Here Wednesday, Nov. 12th

A Board of Trade regional work shop will be held in Vermilion at the Elks hall on Wednesday afternoon next, Nov. 12th, sponsored jointly by the Vermilion Board and the Alberta Associated Boards of Trade and Agriculture. It is hoped that as many local men as possible will join with outside delegates from Vegreville, Lloydminster, Elk Point, Kitscoty, Innisfree, St. Paul, Wainwright, Clandonald, Derwent and other towns which will be represented at the afternoon sessions. Everyone is welcome to attend.

Registration commences at 1:30 and from then on the program is:

2:00 p.m.: WORKSHOP SESSION No. 1 — "Shop at Home".

Should we attempt to persuade district people to patronize local businesses? If so, how? What has been your experience with programs aimed at this objective?

3:00 p.m.: SESSION No. 2 — "Farm and Town".

What changes have there been in recent years, if any, in the role of the farmer as a citizen of his local community? What good is the local Board to district farmers? What can the farmer do for the local Board or chamber? Are Chamber of Commerce "farm-town relations" projects of any value?

4:00 p.m.: COFFEE BREAK.

4:10 p.m.: SESSION No. 3 — "Looking Ahead — Our Responsibility for Tomorrow".

5:00 p.m.: OPEN FORUM— "So you have a problem". A general discussion of specific local or district problems as suggested by delegates.

6:15 p.m.: DINNER.

As the regular Wednesday noonday luncheon is being cancelled it is hoped that all members of the Vermilion Board will attend this dinner in the Elks hall.

Adjournment of the workshop sessions will follow the dinner.

Joe Betz In Charge Of Radio Repair Shop

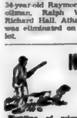
Joe Betz, well known district man, is now in charge of the radio repair shop at the Renaud and Casey hardware. Joe recently completed a course in this work, was successful in passing his tradesman exams and is now a fully licensed repairman. Mr. Betz has worked in the same radio shop in past years.

Foresters Bingo Saturday Night

The C.O.F. are holding a bingo Saturday, Nov. 8th at 9:00 p.m. in the Legion hall. Everybody welcome. 10 cents per game, good prizes.

New Liberal Leader

Mr. Grant MacEwan, prominent Calgary agriculturist, livestock judge and former Dean of Agriculture at the University of Manitoba, was elected leader of the Alberta Liberal party at the convention of that group last week. Mr. MacEwan defeated 34-year-old Raymond farmer and oilman, Ralph Walker. Mr. Richard Hall, Athabasca M.L.A., was eliminated on the first ballot.



Hunting Hints

Hunting of migratory game birds within 100 yards of the North Saskatchewan river is illegal except for the last twelve days of the hunting season.

Social Credit-ers Annual Meeting

The annual meeting of the Vermilion Constituency Social Credit Association will be held in the Legion hall, Vermilion, on Monday, Nov. 17th commencing at 8:00 p.m. Business will be election of officers, nomination of delegates to the annual provincial convention in Edmonton on Nov. 24th to 26th, and plans for nomination meeting for the next election. Everybody is welcome.

Board Dinner Wednesday 6:30

The regular weekly Wednesday dinner meeting of the Board of Trade has been cancelled for Nov. 12th in order that everyone may attend the dinner on Wednesday evening in the Elks Hall. This latter dinner is the concluding item on the Board of Trade workshop session which is being held all Wednesday afternoon.

Conservatives Plan Dinner Meeting

The Progressive - Conservative Association of the Alexandra constituency will hold a dinner meeting in the Tracy Memorial hall on Wednesday, Nov. 12th at 6:30 p.m.

Speakers will include Mr. Cam Kirby, newly-elected provincial leader, Mr. Cliff Smallwood, M.P. and Mr. Frank Fane, M.P. Everyone interested is invited to attend.

Pope John Crowned At Vatican Ceremony

Pope John XXIII on Tuesday was crowned the 262nd pontiff of the Roman Catholic Church.

Some 200,000 Italians and foreign visitors in the great square thundered a mighty ovation as the successor to Pope Pius XII was crowned before them.

Hunt For Ducks; Find 1958 Car

Hunting for ducks and finding instead a 1958 Chrysler Windsor sedan in spotless condition was the unusual experience of Lyle Dowdell and Eddie Frissell on Wednesday of last week. The car was discovered parked in a bluff of trees on the farm of Wm. Coulter, 5 miles south-east of town.

It was first seen by Lyle and Eddie on Wednesday morning when they were out spotting a duck shoot. Wednesday afternoon returning along the same road they noted that the car was still there and decided that owners of the car must be enjoying an all day hunt.

His curiosity aroused, Lyle returned Thursday morning and found that the car had obviously been abandoned. The doors were locked but one front window was open about one inch and the keys had been dropped through this and were lying on the front seat. A Manitoba license plate was on the front of the car while the second plate was on the floor of the back seat. The car was very clean inside and out, and very good care had apparently been taken of it.

Lyle reported the car to the police who immediately investigated and brought the machine to town. The R C M P found that the car was reported stolen from Dauphin, Manitoba on Tuesday, October 28. It was first seen here early on the morning of the next day, Wednesday, Oct. 29.

Mannville Resident Wins $500 at Bingo

MANNVILLE. — Mrs. Lena Ackerman had an uncanny feeling all day on October 29th, the day of the Lloydminster bingo, and upon arriving there she felt the same way. As the cards were watched she found herself tied for the $1000 prize and only one number off the $5000 one. As the rules provided tied games would be split Mrs. Ackerman, genial proprietress of the Hotel Coffee Shop at Mannville, received $500, which she reports as a great thrill to have won. Congratulations!

N. N. Bentley To Make Survey

N. N. Bentley, principal of the Vermilion School of Agriculture has returned after spending a year in Egypt under the auspices of the United Nations Educational, Scientific and Cultural Organization.

Mr. Bentley was granted leave of absence by the provincial government to study vocational agricultural education in Egypt for the Egyptian government.

For the next four months, Mr. Bentley will conduct a federal survey of agricultural training facilities in Canada.

The survey will be conducted under the auspices of the vocational training branch of the federal department of labor. Mr. Bentley left for Ottawa to begin the survey on Nov. 1st.

Mrs. Robt. Martin Dies At Islay

Mrs. Robert Martin of Islay, aged 80 years, passed away on November 5th.

She is survived by one son David at Islay, and three daughters, Mrs. Bill Hancock of Marwayne, Mrs. Donald Marr of North Battleford and Mrs. Robt. Scott of Saskatoon.

Funeral services will be held at the Islay United church on Saturday, Nov. 8th at 2:30 p.m.

—S—

Stolen Last May, Car Is Found

When the leaves fell off the trees this fall leaving an unobstructed view, a Ford car was found hidden in the bushes on the south side of the Grizzly Bear Coulee some six miles south of town. R. C. M. P. traced the theft back to May 1958 and found that the owner was E. Salk of Innisfree.

New Business Man Introduced At The Board of Trade

A new business man in the town, Mr. Harold Hubbard, assistant pharmacist at Boake's Drug store was introduced at the Board of Trade dinner meeting on Wednesday by Mr. Boake.

Mr. Hubbard is a graduate in Pharmacy of the University of Saskatchewan, graduating in 1952. He comes to Vermilion from Redwater, is a married man and has one little girl two-year-old Barbara Joan.

Lloyd Johnston, R.C.M.P., Promoted

Mr. and Mrs. Herbert Johnston of Vermilion received word recently that their son Lloyd has been promoted to corporal in the R.C.M.P. He is now in Regina on a six weeks advanced refresher course.

Prior to leaving his northern post at Stewart, B.C., he was honored at a farewell dinner where the citizens of the community presented him with an electric clock. The Boy Scouts presented him with a travelling bag and the Cubs with cuff links and tie pin set.

Lloyd and his wife Joy with their three sons, David, [illegible] and Kent, went by plane to his new posting at Chilliwack, B.C. where he is second in command of the city detachment.

Large Entry at Purebred Livestock Sale Friday, November 14th

Farmers desiring to secure particular breeding for the purpose of building up their herds will be interested to note that a large offering of purebred beef cattle and hogs will be available at the auction sale of the Vermilion Agricultural Society which is scheduled for Friday, Nov. 14.

The Aberdeen Angus breed is represented by three males and three females, the Shorthorns have eighteen bulls and four females while the Whitefaces will be represented by eight males and fourteen females. These animals have been very carefully selected and before being accepted presented in the ring will be required to pass the keen eyes of the culling committee.

The hog entry is the largest ever offered at an Agricultural Society sale, there being 84 Yorks, 17 Tams and, for the first time in the history of the sale a number of Landrace hogs, which are expected to attract wide attention.

The hog sale will start promptly at 10 o'clock in the morning and proceed through to completion. The cattle will go under the hammer beginning at 2 p.m. Don E. Ball and Associates of Edmonton are the auctioneers and a good sale is in prospect.

Terms of the sale are cash and delivery of animals may be taken immediately after settlement has been made and check out slip issued by the Society.

The date of this important sale should be kept in mind, Nov. 14 at the Vermilion Auction market one mile west on highway 16, then one-half mile north.

Junior High Reporting . . .

School classes are now rolling along smoothly and all extra activities are in full swing. The volleyball schedule has been completed with House of Service in the lead. Basketball will begin early in November.

The following have been elected to the Junior High Students' Union executive:

President - Ruth Stewart
Secretary - Glenda Brennan
Treas. - Sandra Klashinsky
Girls' Sports Rep. - Judy Long
Boys' Sports Rep. - Joe Beattie
Press Rep. - Linda Lee
Social Conv. - Sandra Moore

This year the grade 9 students are included in the high school social activities. The first social event of the year was a platter party and on Oct. 31st a very successful masquerade was held.

Student report cards will be issued early in November this year instead of November 30th.

Mrs. Ellen Armstrong Attracts Overflow Attendance at Town, Country Banquet

It was freely predicted that Mrs. Ellen Armstrong, guest speaker at the Board of Trade annual Town and Country banquet, would attract an overflow crowd and that her audience would find her intensely interesting and charming. Both these predictions were amply proved on Wednesday evening. This resulted in the largest Town and Country banquet in the board's history and there have been some well attended and excellent ones, with 221 enjoying the banquet and others coming in for the address and pictures.

Chairman of the big gathering was Mr. E. A. Locke, president of the Vermilion Board of Trade. Mr. Locke in his opening remarks welcomed the guests and farmer friends and complimented the program committee of James Champion, Leo McKernan and A. E. Kaiser for the outstanding program arranged for the evening. He then introduced the guests at the head table which included the guest speaker Mrs. Ellen Armstrong from Calgary; Mrs. E. A. Locke; Mr. A. W. Platt, president of the F.U.A. from Edmonton; deputy mayor and Mrs. C. J. McCormick; Mr. Oliver Willes, director of sub district No. 4 F.U.A. and Mrs. Willes; Mr. E. J. Richardson, secretary of the Board of Trade; Mr. Ralph Wilson, director of F.U.A. district No. 7 and Mrs. Wilson; Mr. J. V. Kowale, vice-president of the Board of Trade and Mrs. Kowale; Mr. Keith Lysons, president of the Tolland F.U.A.; Mr. and Mrs. D. C. Folk of the V.S.A. staff who conducted a very enjoyable sing song.

Specially invited guests on this occasion were the presidents of the F.U.A. locals in the district and their wives. President [illegible] Mr. Ashley Camp, who introduced the following: Mr. Keith Lysons, Tolland F.U.A.; Mr. Harry Teasdale, Grizzly Bear F.U.A. and Mrs. Teasdale; Mr. Bruce McLennan, Islay F.U.A. and Mrs. McLennan; Mr. [illegible] Nelson, Allan[illegible] and Mrs. Nelson; Mr. Fred Hames, Wildmere, and Mrs. Hames; Mr. Tom Thompson, [illegible] and daughter Miss [illegible] Thompson; Mr. Joe Farkash, [illegible] and Mrs. Farkash; Mr. John DeKampe, Hamilton, and Mrs. DeKampe.

Besides the presidents of the F.U.A. locals Mr. Camp introduced Mr. Karl Marklund, director for sub-district No. 4 F.U.A. and Mrs. Marklund; Mr. Oliver Willes, director for sub district No. 3 and Mrs. Willes; Mr. Geo. Finlay of Lloydminster, secretary of district No. 7 and Mrs. Finlay who is second vice-president of the F.W.U.A.

Also present and introduced were Mr. Cliff Smallwood, member of parliament for Battle River-Camrose, and Mr. R. Whitson, M.L.A. for Vermilion constituency. Both were called upon for impromptu remarks and spoke briefly.

Mr. Arnold Platt, president of the Farm Union of Alberta, was introduced by Mr. Ralph Wilson and congratulated the Board of Trade for promoting such an interesting and well attended annual event. He was of the opinion that every farmer present in the gathering had the same feeling.

TWO NATIONALLY KNOWN SPEAKERS

Mr. Wilson then introduced Mrs. Ellen Armstrong, guest speaker of the evening, stating that it was rare indeed for any event or any place to have two such nationally known public speakers present at the same time. Mrs. Armstrong had, for the past four years been president of the Farm Women's Union of Alberta; she is director of the Associated Women of the World, 1st vice president of the Alberta council of Child Welfare, a member of the Board of the Canadian Federation of Agriculture, works on the Alberta Education advisory committee and the Alberta Branch of the Canadian Health Association. She has recently made a world tour as a member of the Associated Women of the World. She is a well known authority on education, welfare work and legislation of interest to women.

Mrs. Armstrong's talk on "Town and Country People" revealed many fine thoughts on the need for a common melting pot of ideas. More than ever before, said Mrs. Armstrong, is the world in need of ideas. This is why town and country people should get together for exchange of ideas and thoughts. People in towns and people on the farms are very much in business. Vermilion is a perfect example of a real agricultural area. There is need for such organizations as the Boards of Trade and F.U.A. locals and for the many other organizations found in such areas as Vermilion.

Much of Mrs. Armstrong's talk provided an inspiration for continuing and supporting the work of all local organizations.

CANADA WELL RESPECTED

Back from a recent trip around the world Mrs. Armstrong stated she found that Canada is well respected in every country and has a specific place in this world's plans. Starvation drives men to do many things they would never do otherwise and Canada is a bread basket of the world. There is a need for our high production but there are barriers to be overcome before real use can be made of our surplus of food, barriers created by monetary systems, race, creed and politics. To overcome these, the hope of the world lies with the United Nations.

Mrs. Armstrong's talk was so filled with inspirational thoughts that it was impossible to report them in full. She had praise indeed for the Board of Trade in bringing town and country people together at such enjoyable affairs as this.

The second part of Mrs. Armstrong's program was in the form of pictures taken on her recent trip to the far east, with a commentary on each view. The pictures shown each demonstrated some definite point or characteristic of people, habits, buildings, soil, farming practices. The speaker had attended a world congress of the Women's Association of the World which was held at Colombo, Ceylon. On the way they visited Singapore, and on the journey home stopped in Lebanon, Egypt, Europe and the British Isles.

Following her intensely interesting talk and program Mrs. Armstrong was fittingly thanked by Mr. G. W. Sutherland. Deputy Mayor C. J. McCormick expressed appreciation of the large attendance of farmers present and to the Board for the fine event while Mr. Oliver Willes on behalf of the country people present, expressed thanks for the evening of exceptional entertainment.

—S—

Cost Of Living Hits New High

OTTAWA — Living costs rose to a new high during September, pushing the consumer price index up two-fifths of a point to a record 126 October 1 from 125.8 on September 1, the bureau of statistics reported today.

It was the third consecutive monthly rise in the retail prices barometer based on 1949 prices equalling 100. Small increases showed in all branches of consumer spending during month of September.

However the Canadian farm products index, also based on 1935-39 prices, declined to 211.2 from 212.5.

Reasons For Shopping At Home

Commencing in this issue of the Standard is a series of "shop at home" advertisements setting forth a large number of reasons for patronizing your home town merchants and business men. Also stressed are those hidden expenses and trials connected with shopping excursions into cities. The advertisements are designed to make the reader more home town conscious, and set forth many logical reasons for purchasing your needs from the people you know. Don't just look at the illustrations in these advertisements "read" the small print, the ideas suggested therein will make you think.

Rats Are On The Move

Once again Norway rats are building up heavy pressure along Alberta's eastern boundary, reports D Stelfox, assistant supervisor of Alberta's Pest Control. The natural direction for their migration is westward. Back pressure from killing in areas of heavy invasion often [illegible] in the rats spilling [illegible] the edges [illegible] places [illegible] they are least suspected. Sometimes the entire spearhead veers off and pressures weaker points along the line.

Vermilion [illegible] M.D residents are warned to keep a sharp look out for rats as colder weather approaches. Fall surveys indicate that the westward flow of these pests occurs along a line from the Cypress Hills in the south to Cold Lake in the north. Don't be mis-led by the increasing number of reports that turn out to be juvenile muskrats says Mr Stelfox. Experience has shown that some are genuine rat reports. Check for rat signs — new burrows, gnawing, rat droppings [illegible] you may not see the animals since they are mostly active at night. Farmers in the border area especially, should check and set out poison bait in bale sacks as well as under buildings. Report suspicious signs to the local pest control officer, municipal officer or district agriculturist. These men supply, free of charge approved and efficient poisons for rat control.

It is nearly eight years since Alberta began to stem the tide of rats along the eastern border. The line has since been held there. Even the most dubious individuals now admit that rats can be controlled. Yet we cannot afford to relax the constant vigilance necessary for this control.

MARWAYNE

Mr and Mrs H. Pashniak and family attended the wedding of Mrs Pashniak's sister at Redwater on Saturday, October 25th.

Mr and Mrs. Meiklejohn have been visiting Mrs. Meiklejohn's sister at High River. They attended the Liberal convention in Edmonton when the new provincial leader was nominated.

Mr. and Mrs. E. Gray, Norma and Lloyd were Edmonton visitors this week end.

Mrs. C. Saltzberry has been to the city during the week.

Miss Ella Doull spent last week end with her parents Mr. and Mrs. J. Doull.

Congratulations go to Mr. and Mrs. Mike Klebanowsky on the birth of a daughter.

Congratulations also to Mr. and Mrs. Dick Dudlyke who were married in Lloydminster on Wednesday, October 29th.

Mr. and Mrs. Wells and son of Meyronne, Saskatchewan, have been visiting at the Reinheimer home.

Mrs. Clarence Duckering, Shirley and Betty Lou of Red Deer have been visiting with relatives and friends in the district.

A carload of Marwayne folk attended the Town and Country banquet in Vermilion and heard Mrs. Ellen Armstrong, president of the Alberta F. W. U. A. speak and show slides of her world tour.

Owing to the next home and school meeting date falling on Remembrance Day, it will be held on Wednesday, November 12.

TRAGIC . . AND UNNECESSARY

Springhill's latest coal-mining disaster may mean the end of mining in that grief-stricken Nova Scotia town, says Vince Lunny in The Financial Post.

Here are the reasons: The mine has a history of tragedy; It is uneconomical: The coal is not required, as other Nova Scotia mines can meet all demand in accessible markets.

One of the most significant footnotes to tragedy is that dedicated miners died behind walls of rock and fallen timbers digging coal in an uneconomical operation when it could have been obtained with less hazard and more cheaply elsewhere.

Stern Warning

Too much nagging can kill a husband, Dr Karl Stern is [illegible] as saying. Dr. Stern, head of the psychiatry department of the University of Ottawa, told a reporter that nagging "goes with accidents like beer goes with pretzels". Persons under emotional stress, particularly when that stress is the result of a good-sized tiff with the spouse, are accident-prone, he said, and warned that a pilot who just had a fight with his wife would be dangerous at the controls of a plane because he could be experiencing "unconscious death wishes".

THE Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.

When you think of economics do you think of saving money on foods, of the remaking of clothes, etc? Have you ever thought of the time and of the money that can be lost through carelessness in the home?

Following is a check list for your home safety inventory:

1 Are stairways clear of all boxes, mops, brooms, tools, etc? Are they adequately lighted? Are stair treads a contrasting color from floors and landings?

2 Do your stairs have at least one strong handrail?

3 Do you keep steps, porches and stairways in good repair?

4 Do you immediately mop up spilled grease or water?

5. Do you use a safe ladder instead of a chair and a box?

6. Are safety gates provided at the head of the steps to protect children?

7 Are small rugs kept away from the head and foot of stairs and from landings?

N.B. The above seven falling hazards were grouped together because they rate special attention. Everyone of them has fatal possibilities.

8. Do you keep handles of the cooking utensils on the stove turned away from the front?

9. Is there a definite place for bicycles wagons, scooters, skates and other playthings?

10. Are matches kept out of reach of the children?

11 Are guns unloaded and locked up?

12. Do you do all dry cleaning in a cool, well ventilated place? Many so-called cleaning solvents can be dangerous under conditions of heat and poor ventilation.

13 Do you keep medicines which are poisonous in a special cabinet with special labels?

14 Do you avoid using kerosene to start stove fires?

15 Do you have a metal or asbestos stand for your iron?

16 Do you securely fasten the bedding against possible smothering of the baby?

17 Do you avoid leaving small children alone in the bath tub?

18 Have you learned how to apply artificial respiration?

19 Are sharp knives kept in a rack separately from the other knives?

Teach, preach and live safety. Set a good example in responsible living to the family.

C. W. L. Plan Social Evening

Twenty-five members attended the November 3rd meeting of the Vermilion branch of the C.W.L. held in the parish hall with the president, Mrs. Williams, in the chair. Rev. Fr. Landrigan read the opening prayers.

Business of the meeting consisted of the completion of the fall bazaar plans which will be held in the Elks hall Nov. 29th. A cavalcade was organized to visit the cemetery on Nov. 10th at 4 30 p.m. All members who are able to go are asked to meet at the church where cars will be provided for transportation. A letter of resignation from Mrs. Perrier as first vice-president was read and regretfully accepted. Mr. and Mrs. Perrier will be leaving Vermilion shortly to make their new home in Edmonton.

The ladies of the parish are cordially invited to attend a social evening in the hall on Nov. 13 commencing at 8:30 p.m. as the guests of the C.W.L.

A committee was formed to plan a Christmas party and program. Two new members were welcomed and introduced to all [illegible].

At the close of the meeting a delicious lunch was served by Mrs. Jim McLaughlin, Mrs. Killan and Mrs. Dyck.

Failure demonstrates the fact that there is also plenty of room [illegible].

Sixteen Years Ago

NOV. 5th, 1942

Word of the death in Vancouver of J. A. Rosborough, a pioneer resident and former mayor of Vermilion, was received this week.

School children made their usual rounds of the town on Hallowe'en night, but instead of the usual solicitation for treats, they asked for a donation to the Queen's Canadian fund for the bombed children of Britain. The sum of $58.42 was collected in this manner.

Latest recruits in the army from this area include [illegible] Tilson and Jacob Schock of Mannville.

Word received from Moose Jaw indicates that the oil industry has lost, at least temporarily, the services of one of the most aggressive and successful wildcatters in the resignation of Walter F Thorn from his position as president and general manager of the original Franco Oils, and the merged interests of Vermilion Consolidated.

Anglican Missionary Visits Mannville

MANNVILLE — Visiting with friends at Mannville and district is Miss Marion Smith, Anglican missionary from Ontario, who has been serving in the far north mission field. She is presently a guest of Mrs. Frank Renspies and Mr Renspies and family.

32 Years Ago

NOV. 4th, 1926

Annie Sanderson of Islay won the Bronze medal in the Vermilion inspectorate for the pupil [illegible] the highest marks in the public school leaving examinations. In Wainwright division the medal was won by Kathleen [illegible] of Tolland, a pupil of the Battle Creek school.

A new fire escape has been installed on the west side of the hospital.

Mrs. Fred Wilkins and family expect to leave next week for Port Arthur, Ont., where they will reside in future.

Hon. Perren Baker, minister of education, Mrs. R. B. Gunn, member of the advisory board of education and Inspector H. R. Parker, B.A., are the speakers for the Trustees' Convention being held in Vermilion Nov. 10.

48 YEARS AGO

NOV. 2, 1910

155 quarter sections of school lands were disposed of here. The estimated sale price was $300,000. Price per acre varied from $7 to $17.50.

Albert Pilkie is advertising three teams of oxen for sale at $250 per team.

Thirteen pupils are now taking high school work here.

A branch of the Merchants bank opened in Islay this week.

Nickels by Bushel in Hallowe'en Shell-Out At Kitscoty

KITSCOTY. — The Hallowe'en Shell-Out Campaign conducted by the public school students of Kitscoty raised $88.91 in their rounds last Friday evening. All proceeds go to the Crippled Children's hospital of the Junior Red Cross in Calgary. Treats were distributed at the school following the campaign. The school staff wish to thank the W.I. and the Students' Union for their contributions toward the treats, as well as the Kitscoty Chamber of Commerce who supplied the films.

Winners in the costume parade [illegible]

Miss Eglauer's Room: 1, Karen Lampitt; 2, Jimmie Simons; 3, Linda Earl.

Mrs. Allen's Room: 1, Patty Sheppard and Marion McCourt; 2, Jackie Grey; 3, Sandra Miller.

Mrs. Lang's Room: 1, Kenny Miller; 2, Billy Brown; 3, Allen Clifford.

Mrs. Sheppard's Room: 1, Kathy Sheppard; 2, Walter Patnoe; 3, Kenny Clifford.

Mrs. Reishus' Room: 1, Lynell Shortt; 2, Mary Gerritts; 3, Rhoda [illegible].

So many nickels were contributed in the collection that a Kitscoty merchant had to come to the school on Saturday to retrieve some of the coins for his cash register.

—S—

'The Bible Today'

The Bible is a well used book in the Royal Household. The connection of the Royal Family with the Bible, and the Bible Society has been of long standing. One king's name is immortalized in the King James, or Authorized Version. The printing of the Bible in England is supervised by Royal Charter.

Her Majesty, Queen Elizabeth, and the Queen Mother are both patrons of the British and Foreign Bible Society. The Duke of Edinburgh usually reads the Scripture lesson in the churches when the Royal couple attend Divine Worship.

Canada's strength as a moral influence in international affairs is based largely on the fact that her beginnings were founded on the teachings of the Royal Book — the Bible.

Suggested readings for next week:

Sunday, Nov. 9, Micah 7:1-20
Monday, Nov 10, Zach. 8:1-23
Tuesday, Nov. 11, Malachi 3: [illegible]
Wednesday, Nov. 12, Luke 1: [illegible]
Thursday, Nov 13, Luke 1: 39-80.
Friday, Nov 14, Mathew 2:1-23
Saturday, Nov. 15, Mathew 11 1-30.

BUFFALO COULEE ACTIVITIES

Once again the gym of the B.C. school was filled to capacity for the Amateur hour on Oct. 24th with Mr. George Martin of Vermilion as a very capable and entertaining M.C. A good program was presented with the following emerging as winners in the various competitions.

Senior Vocal — 1, J. C. Scott and D. J. Willes; 2, Carolyn Sugar; 3, Happy Hillbillies.

Junior Vocal — 1, Johnny Bauman; 2, Betty Marfleet; 3, Adelle and Dwaine Fiedler.

Instrumental Sr. — 1, Happy Hillbillies; 2, Clifford Press Trio; 3, Charlie Teasdale.

Instrumental Jr. — 1, Barbara Haverslew; 2, George Pheasey; 3, Helen Pheasey.

Novelty — 1, Jimmy Haverslew; 2, Harvey Haun; 3, Bonnie and Wendy Arthur.

Mrs. Wilson of Wainwright was the winner of the door prize.

Lunch was served by the Students' Union and a dance followed, music being supplied by the Irma Mix-Masters. Proceeds go to the Christmas tree fund, and thanks to the large crowd in attendance a nice sum was realized for this purpose.

Quite a few from the community attended the Town and Country banquet last Wednesday in Vermilion and report a most enjoyable evening. On Saturday night the Elks Carnival in town was the main attraction.

The Junior Red Cross held a Hallowe'en party at the school on Friday afternoon with quite a number of pre-school kiddies as guests. Later in the evening the little ones were out in costume for their annual 'treat' while while quite a number of the older ones were on the 'trick' end but no reports of anything too drastic were heard.

The men of the Vegreville S.D. who have been working on the skating rink have it all enclosed and ready for making of ice but no one is anxious enough to skate to want to see an end to the beautiful fall — or summer — weather which has prevailed for the past several weeks.

Mr. and Mrs. Alf Green left on Saturday morning to reside in Edmonton again for the winter months. Their address is the same as last winter.

Mr and Mrs. Gordon Larsen and Alex Stone were in the city Friday and Saturday.

Jim Irving is reported driving a new Studebaker car.

Farm Forums are getting underway again for the season with the Auburndale group meeting at Lloyd Everett's and Edenvale at the home of Buddy Olsen.

Eleanor and Loretta Cleland who had been spending a few days in Edmonton, were met in Vegreville on Monday night by Albert Cleland and all attended the Farm Forum rally being held there that evening. Eleanor is a member of the Northen Alberta Forum council.

Brenton Macnab Jr. and Art Chapman, coach of Vancouver Canucks spent a day at the farm home following the Winnipeg game, getting in a little duck shooting. Mr. and Mrs. B Macnab Sr. took them to Calgary on Tuesday morning for a hockey game there that evening against the Stampeders. While in the southern city Brent Sr. will attend the U.G.G. convention. Mr Fred Semeniuk is driving the school bus during Brent's absence.

Miss Grace Radmore who has been in failing health for some time is now a patient in the Vermilion hospital.

S

Marwayne F.W.U.A. Makes Donation

MARWAYNE. — The October meeting was held at the home of Isobel Parker on Oct. 27th with a very good attendance.

Plans were made for catering to the Legion banquet on Remembrance day, Nov. 11th. The same committees volunteered to [illegible].

A donation of $50 was made to the skating rink, $10 to the C.N.I.B., $10 to the Legion Poppy fund as well as presenting a wreath on Remembrance day, $10 to the 4-H Clothing club to help pay for a sewing machine.

Ebba Currie will lay the wreath for the Farm Women at the cenotaph on Nov. 11th.

Violet Elliot and Isobel Parker volunteered to sort the used clothing for the John Howard Society and the United Church collection.

Next meeting will be the annual one and will be held at the home of Adela Protach on Monday Nov 24th.

Robbed In City

MANNVILLE. — While on a visit to Edmonton, and staying at a well known hotel, Edwin Torjusse had the misfortune to have his room broken into and an electric razor, a new and expensive shirt and other miscellaneous articles stolen. During the fourteen years of patronizing this same hotel, this is the first time anything has happened of this nature. Edwin has a warning to give future residents of hotels, namely, keep all belongings locked in your suit case.

Tea Honors Bride

MANNVILLE. — In order that they might meet her nephew's bride, Mrs. Nelson Bearisto, Mrs. M. Mercer entertained on Friday afternoon of last week at a tea a number of ladies, who enjoyed a social hour of getting acquainted. Mrs. Bearisto will be at her new home at Cold Lake when this appears in print, as her husband is stationed there.

Dudlyke-Beynon Nuptials Held At Lloydminster Anglican Church

A wedding of wide interest to Lloydminster and Marwayne took place at St. John's Church, Lloydminster at 3.30 p.m. on Wednesday, October 29 when Lillian Mary Banks, daughter of the late Mr. R. Beynon and Mrs. Beynon of Lloydminster and Richard Henry Dudlyke, eldest son of Mr. and Mrs. W. J. Dudlyke of Marwayne were united in marriage by the Rev. Peeling, in the presence of a large congregation with appropriate music by the organist.

The bride was given in marriage by her brother Mr. Lewis Beynon. She looked lovely in a sky blue dress with hat to match. She was attended by her sister, Mrs. Mona Cunliffe, who was dressed in navy blue. The best man was Bob Dudlyke, brother of the groom.

The wedding supper was served in the Marwayne Legion Hall where fifty-six relatives and close friends enjoyed a bountiful turkey feast served by the Ladies Auxiliary amidst attractive streamer decorations and flowers, the back drop to the happy couple being a large red dragon flag of Wales, tribute to the birthplace of both and to the land of their fathers.

The blessing was asked by Mr. Jack Reinheimer and the toast to the bride was given by Mr. John Spence.

This very memorable reception was enjoyed by all and concluded with the display of very many beautiful and useful gifts received by this popular couple with gratitude and thanks to all concerned.

Later in the evening Mr. and Mrs. Dick Dudlyke left to spend their honeymoon in Salmon Arm, British Columbia.

—S—

Marwayne Explorers

The opening meeting of the Explorer and C.G.I.T. groups were held on Sept. 18th in the United church with twenty members present. These were divided into two groups. Seniors under the leadership of Mrs. Rea; Juniors under the leadership of Miss [illegible].

The election of officers resulted as follows: Chief Explorer — Donna Wacker; Keeper of the Log — Donna Robbie; Keeper of the Treasure — Donna Gawley; Vice-President — Sharon Johnson, Club Reporter — Norma Gray.

Plans were made for a hike which was held on Oct. 3rd after school. The group journeyed out to Ferguson's pasture where a camp-fire was built to roast weiners and marshmallows after which games were played.

A very enjoyable time was had by all and a tired but happy group returned in time for their meeting in the church.

—S—

Usually when a man loses his temper he opens his mouth and closes his eyes.

APPRECIATION

I wish to sincerely thank my neighbors and friends who so kindly built the feed corrall for me and who hauled in all my feed. Again, many many thanks to those who helped and those who offered to help, and for the many other kindnesses which we have experienced.

Mrs. Joy Dollman.

Mannville 4-H Clothing Club Notes

MANNVILLE. — At a recent meeting of the Mannville 4-H Clothing Club at the Stephenson home there were eight members present. After some discussion it was decided to hold a Hallowe'en party Oct. 31st at the Chailey school, [illegible] A hula-hoop contest was also decided upon. Leader Mrs. S. Jackson informed the group the date of Achievement Day was set as November 3rd. A demonstration was given by Berna Cotter and Doris de la Salle on colors. A most enjoyable weiner roast climaxed a happy meeting.

Mrs. Robert Fair plans to leave by C.N.R. this week end for St. Cloud, Minn., to visit her son the Rev. Lester Fair and family.

—S—

Mr. and Mrs. Zayac Sr., left this week by C. N. R. for Mission City where they will spend the winter months.

Barbara and Pat Chapman, daughters of Mr. and Mrs. Bill Chapman of Wainwright spent last week end at the home of Mr. and Mrs. Allen Jones. The two girls just couldn't miss Hallowe'en in Vermilion.

Miss Beth Witherbe has as her guest this week Mrs. S. F. Calvert who has been renewing old friendships in town and district.

Mrs. C. D. Brown (nee Jean Baker) of Port Alberni, B.C. was a recent visitor in town, a guest of Miss Gertrude Craig. She is also spending some time with her sister Mrs. Matheson of Dewberry.

George Scarboro is away to the Toronto Royal, travelling by Canadian National.

Mrs. Bill Coma was the winner of the suit of the month in the draw conducted by "A" Co. Walter Fisk sold the winning ticket.

—S—

Billie Robinson is attending the Toronto Royal Fair. Bill is looking after the Barr beef cattle [illegible].

One rumor has it that a Sunday shooter was fined $100 each for the eleven pheasants found in his car recently.

Vegreville Observer.

—S—

Mrs. R. S. Cooper returned home last Wednesday from Montreal where she spent a month visiting her son Cpl. Norman Cooper of the R. C. A. F., Mrs. Cooper and little son Lloyd.

—S—

Miss Peggy Stephens spent the week end at the home of her parents, Dr. and Mrs. C. W. Stephens.

—S—

Mrs. Gordon Bell is spending a few days visiting her parents Mr. and Mrs. Clarence O. Wilson while her husband is away on a big game hunt.

Winners of the prizes at the last Legion W. A. whist drive were: Ladies, 1, Mrs. P. A. Cross; 2, Mrs. Alice Davis; consolation, Mrs. Julia Farkash. Gents, 1, L. M. Johnson; 2, Ian Davis; consolation, Matt Farkash.

—S—

APPRECIATION

The Vermilion Kinsmen Club wish to publicly thank everyone for the very generous response to the Club's Peanut Day. The proceeds were very satisfactory and will be used for projects for the youth of the community.

IN MEMORIAM

"For Dear Dad"

In loving memory of [illegible] who passed away Nov. 9, 1955.

"Softly the leaves of memory fall
Tenderly we gathered them all
As each day passes
Loneliness grows,
We miss him more than anyone knows."

—Ever remembered by his loving wife and family.

—S—

IN MEMORIAM

In loving memory of *WILLIAM WILLIAMSON* —who passed away at his home in Market Harboro, Leicestershire, England, on Nov. 8th, 1957.

—Ever remembered by his sister Louie of Clandonald, brothers Tom of Victoria and Frank of Edmonton.

—S—

IN MEMORIAM

In loving memory of *Aljot Robert Osterberg* —who passed away Nov. 2, 1955.

"Rest in peace Dear Husband,
It's sweet to breathe your name;
In life I loved you dearly,
In death I do the same."

—Lovingly remembered by wife, and son and family.

—S—

IN MEMORIAM

In loving memory of *ORVILLE ARMSTRONG* —who passed away Oct. 7, 1955.

"Our hearts still ache with sadness
As we shed many tears,
God only knows how we miss him,
After three long years."

Mother and Dad.

IN MEMORIAM

In loving memory of [illegible] —who passed away Nov. 11, 1955.

"I often go out to your grave,
Among your comrades where you lay;
I place the flowers upon your grave,
With silent tears and walk away."

—Your loving wife Stella.

Family Gathering Marks Anniversary

A surprise family gathering at the home of their daughter Mrs. Cliff McMahon in Edmonton marked the 35th wedding anniversary of Mr. and Mrs. Clifford Isley of Vermilion. In attendance were all members of the family, son Gerald of Vermilion, daughter Dolly Williams and husband Ray of Vermilion, daughter Grace McMahon and husband Cliff of Edmonton. Completing the happy group were the two grandchildren of Mr. and Mrs. Isley, Marilyn Williams and Rodney McMahon.

The newlyweds of 35 years ago were invited to spend the day with daughter Grace and family and arrived there to find all the family on hand to greet them. Needless to say a most enjoyable day was spent.

Returns to England After Visit Here

Louis LaBoucane has returned home by TCA to Oxford, England after four weeks visit with his mother, Mrs. Adelard LaBoucane of Vermilion.

Louis is a veteran of the last war with the Royal 22nd Regiment of Quebec from 1939 to 1946 in Sicily and Italy. He is married and has one grown-up daughter. Louis has been with the Alpha Cement Works for the past eleven years in Oxfordshire. He received his gold medal this year for safe driving.

A family reunion was held at the home of Mrs. LaBoucane over Thanksgiving where four generations of the family were present. Those from out of town were Louis' two sisters, Christine Handbury and two daughters of Winfield, Alta.; Emma Howgate, Dauphin, Man.; brother Joe and family from Vancouver, B.C.; a nephew Alex and family, Minburn, Alta.; Exdar and family of Wildmere and Alex who lives with his mother was also present.

—S—

Saturday, Nov. 8 is Poppy Day.

"A" Coy. L.E.R. Notes

The local unit of The Loyal Edmonton Regiment has now been issued with the new FN rifle. For the past two weeks Sgt. Southgate has been holding courses in its operation and maintenance. After approximately seven weeks of instruction the Unit will go to the Wainwright ranges to hold range practices with the new weapon.

First aid courses are well underway under the leadership of Capt. Evans.

The army will be participating in the cenotaph parade on Nov. 11th. All ranks are urged to attend this parade meeting at the armories at 1000 hours. Dress will be battle dress, boots berets, puttees, web belts and gloves.

The C/O. Major Armstrong, will be in attendance at the next parade.

The suit of the month, sponsored by the army, was won by Mrs. Wm. Coma. Personnel of 'A' Company wish to thank everyone who purchased tickets.

when buying is also building

Do you ever drive long distances to a BIG CITY to shop for "bargains"?

If so, you're beating yourself for nothing, because the biggest bargains can be had right here from your local merchants.

Here's why: Every dollar you spend in our town does double duty . . . gives you a bonus purchase. For it makes you a partner of our home town merchants in building a better community for you and your family to live in.

The educational, recreational and health facilities we need for better living come mostly from the taxes paid by local businessmen. The more business they do, the more taxes they pay; the more taxes they pay, the more of the good things of life will be ours.

So doesn't it make sense to keep your shopping dollars at home, especially when the quality, style, selection and price of the merchandise offered are just as favorable?

SHOP AT HOME

College Education Costs More

The old days when a student could expect to earn enough in his holidays to cover his college outlay are gone for all but the higher and more enterprising earners, comments The Financial Post. McGill which is one of the more expensive universities estimates that the average out-of-town student should figure on $1,250 a year for board, lodging, books and personal expenses, plus fees of $550 for an arts course to $750 for medicine.

That works out at not far short of $10,000 as the total cost of a degree in one of the longer courses. Even at the University of Manitoba where costs are among the lowest, it is estimated that the average student will spend over $1,200 a year or almost $5,000 as the total for the four year arts course, and $6,000 to $6,500 for the engineering, law and medicine courses.

And these outlays, it should be stressed, are only those paid by the student. In every case, there is additional heavy expense borne by provincial and federal governments and by private endowment funds.

Of Many Things . .

By AMBROSE HILLS

BE FREE

I have a friend who is a slave. He has earned freedom, but squandered it. And I am afraid he will be a slave until the day he dies.

He has made very good money in his day, but spent it foolishly. When others were buying Victory Bonds, he felt quite smart because he sold his as soon as he got them. He was a selfish spender, last to pick up the check in a restaurant, but first to buy every new gadget for himself. Today, he is paying a high price for his selfishness.

The other day a few of us planned a fishing trip, but our spendthrift friend could not join us. "I'm broke," he said, "and I sold my fishing gear over a year ago."

I had a long chat with this man last night. It was a sad story of mishandled funds, impulse buying, lack of investment either in bonds, or indeed, friendship. He had spent none of his resources on others and consequently there weren't many people ready or willing to help him.

He still has his job, but to him the future looks grim — as soon as he gets his cheque, his creditors are after him. Or he has kited cheques he must cover. Yet he still feels that if he could get one more big loan to "consolidate" his debts, he would be all right.

I felt sorry for him, but irked with him at the same time. Even yet, if he settled down to it, he could be free from debt and on the road to independence within less than two years. And to do so he would not have to deprive himself of any of the real necessities of life.

What is the basic trouble with this man? I think the trouble is that he does not love freedom. He does not value independence. His cheque is merely the passport to satisfaction for his daily whims or appetites.

Freedom is a precious thing. That's what many of us work for, one of our great incentives. Every child should have instilled in him the love of freedom, just as every nation should strive to be free. It is worth passing up a few present luxuries in order to enjoy the greatest boon of all — freedom and independence.

DRINKING HABITS CHANGE

A century ago, the American intake of alcohol was 90% in the form of distilled spirits. Today the proportions are: spirits 40%, beer 50%; wine 10%.

What this proves, comments The Financial Post, is that social progress and pressure can change a country's drinking habits more effectively than sumptuary laws. Taxation without doubt can affect demand for one kind of drink or another, but the proper and moderate use of alcoholic drinks is something to be slowly learned as a community becomes more mature, not something to be prescribed in the statute books.

How about that SUB. date?

MORE MONEY FOR NEW HOUSES

Between now and year-end, you can expect a sharply increased out-pouring of government money for housebuilding, reports The Financial Post.

Since the government ended the arrangement for lending CMHC funds through the agency of private lending institutions, both private and government lending under the National Housing Act has sharply increased.

On the top of these two sources of funds, a new rush of money will soon be pouring out.

It will be to builders, who have been told they can borrow from CMHC on a second 25-house project provided it is started before Dec. 31st.

McLAUGHLIN'S SELF-SERVE

WILDMERE WINKS

We forgot to mention there was a good attendance at the A.W.I. Handicraft meeting held in the Legion kitchen on Oct. 21 with our district director Mrs. P. Sloan in the chair. Miss Shantz, District Home Economist, was also present to help decide and explain things more fully. A list was picked for the branches in this constituency to work on during the winter months, to have ready for our convention next summer.

Wildmere W.I. cancelled the fowl supper they planned on having, indefinitely. With a small group everyone has to work together to make it a success and some were not in favor of it.

Several from out our way attended the Town and Country banquet last Wednesday evening and enjoyed it very much. Mrs. Armstrong's speech was rebroadcast Sunday evening.

Among the big game hunters who have gone up Edson way this week are Cliff Cruthers, Robert Graham, Ken and Bill Shepherd. Mrs. Ken Shepherd went along too, but she will visit in and around Edson while the rest are busy hunting.

We were glad to see Chatsworth Chatter in our paper once again. Hope our Clandonald scribe soon finds time to send in some of his interesting news of that district too.

On Sunday Gary Cruthers and Mr. and Mrs. George Cruthers visited at their home in Wildmere. Warren Marfleet also visited at the same home.

On Friday afternoon teachers at Preston Central school held a Hallowe'en party for the children and little pre-school ones also attended. All enjoyed it very much. One wee tot said there were so many there they stepped on Mrs. Sweet's foot and she said "Ouch!"

Frank Gibson is busy building himself a nice new hip-roofed pig house, thus making a nice addition to his farm yard.

News is scarce this week. Everyone seems to be all through their fall work in our district and are now busy getting buildings ready for winter. It has been a grand fall for getting things done.

Mr. Laurence Sautner of Wildmere is improving slowly after a recent operation in Vermilion hospital. May you soon be feeling your old self again Laurence.

—S—

Types of Trees Still Available

Lodge pole pine, Scotch pine, White spruce and Norway spruce are still available for your shelterbelt or windbreak. If you have a light soil you can expect good results with these varieties, says P. D. McCalla, Supervisor of Horticulture, Alberta Department of Agriculture.

For the heavier soils especially, there's Caragana, Green Ash, and American Elm, and a good supply of Siberian Larch for the light to medium soils. Larch, a member of the [illegible] family, will in future years provide you with good fence posts. Manitoba Maple and several species of fast growing rooted willow can be obtained too, as can hardwood cuttings of Russian Poplar and Laurel Leaf Willow.

Farmers with established shelterbelts might consider planting Russian Olive, Mayday, Chokecherry, Red Elder and Amur Lilac as an inside row. Flowering and fruiting trees, they provide beauty in color and shape of foliage, shelter and food for upland and song birds.

Applications for trees will be filled only if your land has been summerfallowed for at least one year. The stored moisture that properly summerfallowed land provides is absolutely essential to the survival of these trees. Orders should be sent to your district agriculturist or Mr. McCalla, Field Crops Branch, Legislative Buildings, Edmonton.

Mannville and District Local News

Visitors at the E. Matney home this week-end were daughter Adele and hubby Horton, as well as their grand-daughter Cindy.

* * *

Mr and Mrs. Ken McMartin of Vermilion spent Sunday visiting at the home of Edith O'Connor and Mrs. Matney.

* * *

Mr. and Mrs. Tom Osborn and baby left for Saskatoon last week-end, after spending some holiday time visiting parents and friends.

The Thrill That Comes Once in a Lifetime A WEBSTER CLASSIC

News from Dewberry

Belated congratulations to Mr. and Mrs. Tom Ryan on the birth of a daughter.

The sympathy of the community and the writer is extended to the brothers and sisters and all who are left to mourn the loss of the late Florence Laboucane.

Visiting at the John Anderson home were his mother, Mrs. H. Anderson and sister Mrs. Edith Reyes of Edmonton. They enjoyed the Hallowe'en party at the school on the 31st.

John Anderson is remodelling his house, putting a new roof on — also adding more rooms, and also adding more rooms. While rebuilding, a Vancouver newspaper dated 1910 — the year the house was built — was found and the main headlines read "Edison Hopes to Put a Gramophone in Every Home." Truly we have seen much progress since that time as T.V. has taken over in the cities and we hope it will be a common thing in the not too distant future in the country villages and farms. By the way, Mrs. Anderson will be 50 years in Canada this winter.

To the winners of the 4-H Barley Club awards, namely Leslie Anderson who won the championship award with Vantage barley which tipped the scales at 53½ pounds per bushel; Bobby Wilson who won the reserve — second prize and Dennis Lemp, winner of the third prize, we say "well done boys, keep up the good work."

Mr. Albert Dennill was a recent visitor to Dewberry, visiting relatives and renewing old friendships.

The road work from Dewberry to Highway 45 is now completed and is a big improvement. A new bridge is to be built near the Greenlawn picnic grounds by the Department of Highways bridge department. A new bridge is being built near the Jack Rainey home.

Congratulations to Mr. and Mrs. Dick Dudlyke of Marwayne who were married recently. The writer, husband and son enjoyed a good time at the reception. The happy couple are spending a honeymoon at Salmon Arm, B.C.

Remember folks, the Farmers' Union dance will be held in the hall on November 14. Turn out and help make it a success.

The first bingo of the season sponsored by the C. W. L. will be on November 19. The second will be on December 3. Both of them will be turkey bingos so come one, come all and try for your Christmas turkey.

The birthday club held their October meeting at the home of Mrs. J. Romanchuk. There were fifteen members present. Three birthdays were celebrated.

A Christmas party for the club will be held at the home of Mrs. Allen on December 9th.

DON ROAKE

HAROLD C. HUBBARD

ROAKE'S DRUG STORE is pleased to announce that Harold C. Hubbard, Registered Pharmacist, has been appointed to the staff. Mr. Hubbard received his high school education at Maidstone, Sask., and graduated from the University of Saskatchewan in 1952 with the degree of Bachelor of Science in Pharmacy. He comes to us from Redwater, Alberta.

WE ARE ALWAYS IN READINESS TO FILL YOUR DOCTOR'S PRESCRIPTIONS.

National Farm Union Week Is "On The Road"

Favored by unusually mild weather, National Farm Union Week, November 3 - 8, is on the "road."

Del McCorkle, Executive Assistant of the Farmers' Union of Alberta, says he is confident the membership drive which is being conducted this week will exceed all expectations. Canvassing teams will be on the road from the 49th parallel to north of the 58th parallel. This year for the first time farmers in the Fort Vermilion district, which is more than 300 air miles north of Edmonton, are forming F. U. A. locals, and canvassing for members.

It is anticipated the present membership of 35½ thousand will be surpassed by at least 50%; bringing to the F. U. A. a vote of confidence along with the support needed to carry on the comprehensive program, which has as it's prime objective, the preservation of the family farm, which is rapidly disappearing due to the cost price squeeze that agriculture is experiencing.

Reports received over the week end are indicative of the upsurge of enthusiasm being shown by the farm families of Alberta.

Church Organizes Teen-Age Group

Twenty eight teen-age boys and girls met in the United Church hall on Tuesday evening for a party and get together.

The evening was spent playing games, following which the young people were divided into discussion groups when they discussed the forming of a Young People's group within the church.

The result of the discussion groups was that a group be formed to meet twice a month. Each one present filled in a questionnaire, and the group present by vote favoured regular attendance at church or Sunday School as the only condition of membership.

If you are interested in this group, you are most welcome. Watch the Vermilion Standard and church announcement for the particulars of the next meeting. The evening closed with doughnuts and cocoa.

"MIKE'S GOOSE IS COOKED"

On Friday, Oct. 31st, a strange procession was seen going into Mike Woywitka's. This gang of goblins consisted of about nine couples who decided that the best way to celebrate Mike's birthday, which falls on Hallowe'en, would be to roast one of Mike's and Kay's very beautiful full grown geese. They got permission from Mike's boys, first of course. The boys were only too glad to oblige. Two very able cooks stuffed and cooked the goose while the rest of the women brought the trimmings for the goose and the birthday cake. The men assisted in bringing and serving refreshments. At 11:30 the gang served a midnight goose supper and presented Mike with a very comfortable pair of bedroom slippers, while Ed and Eva Charchun gave him a very nice sock and tie set.

Mike gave a very nice speech, thanking everyone for the birthday party, which came as a complete surprise to him. The gang would once again like to thank Mike and Kay for being such good sports about the whole thing.

Perfect fall weather prevails.

Anglicans Held Hallowe'en Supper

MANNVILLE—Considered successful was the recent Hallowe'en supper held in the parish hall, which was decorated for the occasion by the Girls' Auxiliary. Baked and boiled ham, roast beef with baked beans, a variety of vegetables, and of course tasty entrees, with pies as dessert comprised the menu. Approximately 200 people patronized this event, sponsored by the W. A.'s of Christ Church.

Health Unit Notes

DISPOSAL OF COMMUNITY WASTES

The proper disposal of waste material produced for our day to day living is essential. As population increases and lives together in larger communities, the job of removing these wastes becomes a most important task. Should a breakdown of waste removal services occur for any reason, life in large cities such as New York, London and Paris can be brought to a standstill in a matter of hours.

Due to many years of public health education and experience the citizens of our communities now realize how essential it is to provide a safe supply of water and how necessary it is to provide expensive sewers and sewage disposal systems to remove these liquid wastes and dispose of them in a manner safe to all.

Now we all agree that the proper disposal of liquid waste, which I will call sewage, is important. How do we feel about the disposal of solid wastes, which I shall call garbage?

Experienced health experts feel that proper handling and disposal of garbage forms a most important part of their programme to keep down the spread of disease in a community and to improve the local surroundings and environment in which its residents live.

The disposal of garbage (solid wastes) has been the "Cinderella" of the waste removal services as far as getting moral and financial support from the citizens it serves, to help modernize and improve the services to meet the needs of the ever growing communities.

Such a situation as mentioned in the previous paragraph presents a challenge to health authorities to renew efforts to keep the public informed on the importance of work, why charges are necessary and how they cooperate.

Next week I will discuss the operation of modern garbage disposal system.

Alberta Traffic Death Toll 239

The traffic death toll in Alberta for 1958 reached 239 by the end of September, an increase of 45 per cent over last year, and an all-time record, according to a survey of police reports by the Alberta Safety Council.

The death figure last year to the end of September was 160; in 1956, 141 and in 1955, 134.

The death toll in September alone was 28, compared with 20 in September, 1957.

The 484 injuries reported in September traffic mishaps brought the total for the year to 4,375. The figure for September, 1957, was 377, and for the first nine months, 4,154.

This year's total accident toll in the province by the end of September was 16,440, compared with 15,710 in the first nine months of last year.

Of 4,375 persons injured in Alberta to the end of September, 610 were drivers, 837 were passengers, 405 were pedestrians, 166 were bicyclists and 47 motorcyclists.

Paradise Valley

Mr. Dan Swedak has been visiting with Mr. and Mrs. William Swedak for the past week. Dan has been in the East for the past year but thinks the 'West' is the better place to live.

Patients in the Lloydminster hospital include Mrs. Frank Flint and Mr. William McLean, Sr. Here is wishing them a quick recovery.

Miss Beverly Harkness was a guest of honor at a miscellaneous shower held in the United church basement on Saturday, Oct. 25. On behalf of her many friends Mrs. Wilson Adams presented Beverly with a miniature truck-load of wheat topped with gifts. Mrs. Harkness and Mrs. Gordon assisted the bride-elect in opening her gifts. In a few well-chosen words Beverly thanked everyone for their kindness and good wishes. Mrs. Gordon and Mrs. Harkness also voiced their appreciation.

The usual tricks, damage and other stunts were pulled off on Hallowe'en. No serious damage resulted however and the small fry had well-filled bags as a result of their visits.

OBITUARY

JAMES McGILLAWEE

Funeral services for the late James McGillawee were held at the Dewberry United Church on Saturday, Oct. 18th at 2:00 o'clock in the afternoon. Rev. Shortt conducted the service and interment followed in the Dewberry cemetery.

Pallbearers were Messrs. Jack Rainey, Gordon Rainey, Donald Rainey, Bill Wood, Stewart Wood, Bill McMullen.

James McGillawee was born at Hampstead, Ont., on Oct. 24th, 1878. He came west and settled in the Greenlawn district in 1907 where he farmed until 1949. He sold his farm and moved to Dewberry where he had since resided. He suffered a stroke on October 2nd and was taken to the Vermilion hospital. He had two more strokes and passed away on Oct. 14th at the age of 79 years. His wife predeceased him in 1945. He is survived by two sons, Archie of Lloydminster, James at Ocean Falls, B.C., and three daughters, Mrs. C. Massey of Dollarton, P.O., B.C.; Mrs. E. [illegible] of [illegible] and Mrs. Grace Wood of Dewberry. There are 13 grandchildren.

Two brothers also survive, Jack of Dewberry and Peter, Gadshill, Ont.; three sisters, Mrs. C. Dewar of Millverton, Ont.; Mrs. G. Fryfogel, Stratford, Ont.; Miss Margaret McGillawee, Gadshill.

Floral tributes were received from: the Family, Gerald, Verna and Gladys; friends of Dewberry and Community; Greenlawn Old Timers; Dave, Lillian, [illegible] and Shirley.

CARD OF THANKS

We sincerely wish to thank all our friends and neighbors who so willingly helped in our recent sad bereavement; for floral and memorial tributes and donations. Also Dr. Evans and the nurses for their kindness to our father.

The McGillawee Family.

Alberta Air Cadet League Held Annual Meeting In Edmonton

Over 150 delegates were in attendance at the annual meeting of the Air Cadet League of Canada, Alberta Division, held in Edmonton, Saturday, October 25.

Mr. W. K. Ross of Calgary was elected President of the Alberta Branch; Mr. R. L. Wilkin of Edmonton was elected vice-chairman of the northern division and Mr. Peter Aussoier was elected vice-chairman of the southern division. Delegates from all over the province were in attendance, — White Horse, North West Territories and Dawson Creek, B. C., which operate under the Alberta division.

Mr. J. G. LeDroit of Montreal, Canadian President of the League, in addressing the meeting said that Alberta with 2500 cadets out of a total of 24,000 for the Dominion, had a very progressive league. In his address to the meeting he stressed the importance of the citizenship program and the benefit it would be to our youth. Among others who addressed the meeting were Mr. A. R. Smith, M. P. of Calgary, First Vice-President of the Air Cadet League of Canada. A very optimistic note was struck at the convention when it was learned that the League was up to full strength and applications for many more squadrons were on the waiting list.

Mr. G. M. Ross, Ottawa, General Manager of the League, in addressing the meeting stressed the importance of the coming year, 1959, so far as flying is concerned as it will be the Golden Jubilee of flying heavier than air aircraft in Canada, the first flight having taken place in 1909. The Air Cadet League and local squadrons will take an active part in the activities of celebrating the 50th anniversary along with all other branches of aviation.

CLAYSHORE CLIPPINGS

Mr. and Mrs. Roy Stebner of Passka and Mr. and Mrs. Emil Kaus of Sunnybrook, Alberta were week end guests at the Richard Steiner home. Sunday visitors were Mr. and Mrs. Ewald Hanefeld and family and Mr. and Mrs. Alex Tesfor of Edmonton.

Visitors at the Allan Olstad home the week end of October 25 were Mr. and Mrs. Vern Karlstrom and family of Fort St. John, B. C. and Mrs. Mike Karlstrom of Wetaskiwin.

Deepest sympathy goes to Mrs. Tom McCauley of Vermilion on the passing of her mother Mrs. Annie Blair of Edmonton.

Mrs. L. Van Nest is spending a few days visiting her father Mr. A. MacArthur and family at Monitor, Alberta.

Mr. and Mrs. H. Ralph spent the week end visiting relatives in North Battleford.

Rodney Harrison who is stationed at Cold Lake was calling on friends at Claysmore on Sunday afternoon.

Mr. and Mrs. T. Nelson and family were supper guests at the home of Mr. and Mrs. A. Olstad Sunday evening.

CANADIAN XMAS TREES EXPORTED TO U. S. A.

WINNIPEG — From out of the farms and woodlands of Canada, shapely young trees by the million will soon be rolling southward over CNR lines to the United States, when the annual Christmas tree export season hits full stride.

It is expected that more than 28,000,000 Christmas trees will be cut in forests situated in the Maritimes, Quebec, Ontario and British Columbia.

Meanwhile, the value of mink pelts being exported from Canada is also hitting a new high. Canadian National Railways economists estimate that $17,000,000 worth was exported last year.

Doreen and Mrs. McClelland spent the afternoon with the writer one day recently and on Thursday we got a pleasant surprise when Mrs. Ellen Omness of Allandale paid a long promised visit. It certainly was enjoyed Ellen, and I hope the plant is sprouting.

The folks here are certainly taking advantage of the fine fall weather and are getting out and enjoying it. John Maire, his [illegible] Moise and Doreen Gould left for the city on Sunday and will return on Tuesday.

Visitors at the home of the writer Sunday were son Laurence and family Gordon and the two boys. Sunday af[illegible] were pleased to see Mr and [illegible] Bill Shaw who stayed for tea and then the evening was spent talking mostly about square dancing.

Mrs. Gillies spent a few days with Betty.

Last week the writer and hubby enjoyed coffee and a long chat with Henry Joy and Rosie in Lloydminster.

CHEAPER TO RUN

Note the interest in economy in the 1959 autos, suggests the Financial Post, which reports last year 33 of the models needed premium gasoline, only 13 were designed for regular. This year the premium users are down to 27, the regulars up to 19.

Men who make a god of wealth are usually as crooked as the dollar mark they worship.

Tips on Touring

By Carol Lane
Women's Travel Authority

For driving in fog — the best advice is, don't. But if you must, here are a few good tips:

Use your low-beam headlights which shine down under the fog and provide the best light. Avoid bright lights which fog reflects into your eyes.

Always be able to stop within the distance you can see ahead. Drive slowly. If necessary — crawl! If you can't see ahead, get your car entirely off the road, stop, and wait for the fog to lift.

Keep your windshield clean. If it becomes dirty, stop at any Shell service station and the attendant will clean it for you. He will be glad to do so.

Use the right edge of the road to guide your car.

Avoid sudden stops. Signal first to drivers behind by tapping on your brakes so your tail lights flash.

Beware of patches of fog. Slow down before entering them. They may thicken suddenly and unexpectedly.

TEA NOVEMBER 15

The Cubs and Scouts will hold a tea at the Elks Hall on Saturday November 15 from 3 to 5 p.m. 16-18

NEWS from ALLANDALE

Wonderful weather for the last of October. The ground hasn't yet frozen and considerable work has been done in the fields.

Mr. and Mrs. Ed Magistad were visitors at the home of the latter's sister, the Omness home on Oct. 22nd. All attended the chicken supper at Clandonald which was enjoyed very much as were friendly chats with old friends. The same evening relatives and friends gathered at the Omness home, a surprise to the Magistad's, for a social evening. Orley, on behalf of the gathering, presented Grace and Ed, Georgetta and Morley with suitable gifts and wished them well in their new location. Both thanked all for their kindness. Georgetta is secretary for Mr. McLean, city solicitor in Lethbridge, and son Morley was helping with the harvest south of Lethbridge. Mr. and Mrs Magistad will be leaving shortly for that city to be with their family. Just before leaving Vermilion they traded their truck for a new 1958 ½-ton Chev. Best wishes and good luck go with the Magistad family. They have resided in the Allandale district for some years.

Mr. and Mrs. Hans Wulf and family have taken over the Magistad farm east of town.

Mrs. Nora Ronaghan was a recent visitor in the district. On Sunday her sister Stella joined her at her home in Islay.

The week of the 20th Mrs. Mabel Lee of town visited her daughter Anna and family in Lloydminster. She was leaving shortly for Estevan, Sask., to visit Mr. and Mrs. Anderson and family. Word came from Mrs. Lee at that point that it had been raining there for a few days and was anything but nice outdoors.

We welcome Mr. and Mrs. Norman Hollingsworth and son Dwight of Winnipeg to the district. They are employed at the Jack Cross farm.

On Oct. 26 Mr. and Mrs. [illegible] Moore and daughter Edna of Deer Lake had as their visitors [illegible] Omnesses and Mr. and Mrs. Milton Lee from town. Much reminiscing was enjoyed, teen-age times, somewhat different than the present. Their hospitality was much appreciated.

Our congratulations to Jimmy Martin Jr. on winning $1000 at the bingo in Lloydminster Oct. 29th.

Orley Omness accompanied by Ralph Strome and son Leslie took a load of cattle to the city on Oct. 30th. They returned the same day with coal.

Correspondents got together on Oct. 30th. Pleasant Valley and Allandale scribes had a most enjoyable afternoon at the Bert Gould home. Gladys has a wonderful array of so many different kinds of flowers. Anyone wanting to know the culture of any kind of plant would only have to ask her to find out. She has bulbs by the dozen, all being prepared for lovely bloom during the long winter days. A wonderful hobby which gives pleasure and happiness to many. The kindness and hospitality too, was very much appreciated.

A wonderful evening was had Oct. 29th at the town and country banquet. All should be very grateful to the Board of Trade for making this evening possible. Mrs. Armstrong is a very capable person and gave us much more knowledge of affairs at home and abroad.

Mrs. Hilda Crean was a visitor to the city where she attended the recent Liberal convention.

Mr. and Mrs. Sheppard and daughter Patsy from Kitscoty were recent visitors at the home of their daughter Evelyn and Alvin Throndson.

Closing thought: "The little lamp of friendship we light along our way, goes shining down the years and brightens every day. 'Tis love that keeps it burning, sympathy and trust. God help us that no lamp goes out, because we let it rust."

The new Impala 4-Door Sport Sedan . . . like all new Chevrolets . . . rolls on tougher Tyrex cord tires.

CHEVROLET SAYS NEW LIKE NOBODY ELSE!

The beautiful Bel Air 4-Door Sedan with vast new areas of visibility.

Let your eyes linger over Chevrolet's fresh, finely shaped contours. Relax in the roominess of its elegant new interior, get the exhilarating feel of its hushed, silken ride. The more familiar you become with this '59 Chevrolet, the more ways it says new!

Here's the car that's definitely new in a decidedly different way. The '59 Chevy is shaped to the modern Canadian taste — crisp, clean and beautifully efficient looking, with new grace, new proportions.

Chevrolet's new Slimline design not only brings you new grace, but also new space . . . a new and roomier Body by Fisher. And Chevy's vast new areas of visibility, give you clear seeing from every seat.

The more you look, the more you see that's new. Like the new Magic-Mirror finish which, with periodical washing alone, will retain its original lustre for up to three years. And you'll find important engineering developments—eight V8's plus a new Hi-Thrift 6 that delivers up to 10% more gas economy with more usable [illegible] speeds. Bigger, safer [illegible] brakes, a [illegible] ride.

No other car says new like this. And you get all those Chevrolet virtues of economy and dependability. See the '59 Chevrolet today.

The budget priced 4-Door Biscayne like all new Chevrolets, has big new Safety-Master brakes.

The luxurious 9-passenger Kingswood Station Wagon with a new retractable rear window.

What Canada wants, Canada gets in a Chevy!

The captivating Impala convertible — low-lung-looking new Chevy of all.

THEIR LIVES—HIS LIVELIHOOD DEPEND ON OIL

Imperial contributes to a better life for Canadians through constant leadership in oil . . . finding new supplies . . . pioneering more useful products

There are more than five tractors for every six occupied farms in Canada . . . one motor vehicle for every four Canadians. More than half the homes in Canada are heated by oil.

Canadians consume half again as much gasoline today as they did in 1946, nearly five times as much heating and diesel fuels.

Imperial has been a major contributor to this better life, more productive economy. In 1946, Canada produced less than one-tenth of its oil needs. In 1947, Imperial discovered oil at Leduc, in Alberta. Today, Canada's own fields produce nearly 60 percent of our requirements.

Through its nine refineries from coast to coast . . . and in its research operations, larger than the rest of the Canadian oil industry put together . . . Imperial has constantly been able to lead in the development of newer and more useful products . . . to make a fuller life for Canadians.

OUR LETTER FROM EDMONTON

Grant MacEwan Is New Liberal Party Leader for Alberta

by KEN MASON

EDMONTON — The Alberta Liberal party got itself a new leader last week and pledged an all-out battle to wrest power away from Social Credit in the next provincial election.

The new chieftain, elected at the climax of the party's leadership convention here in the capital, is J. W. Grant MacEwan, 56-year-old Calgary MLA, author, agriculturist and former university professor.

He won a three day race with Richard Hall, 51, MLA for Athabasca, and Ralph Walker, 34, Raymond district rancher and oilman. Hall, a man with loads of ability who isn't too well known outside northern Alberta, dropped out on the first ballot. On the second, MacEwan polled 314 votes to Walker's 200.

LITTLE EXCITEMENT

There was little excitement at the convention, apart from the leadership election campaign, it being complete with marching bands, singing commercials and boisterous parades by placard-carrying delegates supporting their candidates.

The convention adopted a party platform made up for the most part of policy statements which had been announced earlier, and which some observers found a little "too general" in their approach to provincial problems.

WANTED HAWRELAK

Greatest excitement on the first day of the convention was a behind-the-scenes campaign to draft Edmonton's Mayor William Hawrelak for the leadership. Six different delegations called on him, and one of them claimed to have 285 first-ballot votes pledged for him if he would run. But Hawrelak stood by his earlier decision and refused to enter the race.

Claims made by Hawrelak supporters would seem to indicate he is the man the party really wanted, but there are some who say this isn't so. Had Hawrelak accepted the challenge, they say, a strong opposition movement would have developed. If Hawrelak had taken the leadership, they add, his effectiveness would be badly reduced by internal squabbles within the party.

MacEwan, likable, lanky and six foot three, is a choice that should keep everyone happy. He is personable, has a fine platform presence, and gets along with his fellow politicians.

Whether Grant is the man who can lead the Liberals to power after a 37-year absence is a question that won't be answered until Albertans go to the polls, probably next summer.

CONSERVATIVES ANTI-DUMPING POLICY HARMFUL TO WEST

It became clear at the convention that the major issue in the next election will be the government's five-year development program, announced earlier in the fall. Liberals will be busy pointing out that most features of the Social Credit plan have been advocated for years by the Liberals and have been repeatedly turned down by the government.

The convention got a lift with the arrival of Hon. Lester B. Pearson, the national leader, who gave a fighting speech just before the balloting for leader. He warned that anti-dumping legislation of the Conservative government in Ottawa could harm the country's economy if it is implemented in a way the U. S. thinks is unfair.

Western farmers would be hardest hit, he said, because U. S. retaliatory action would be aimed at Canadian cattle. Exports of cattle to the U.S. are all that's keeping farmers out of the red today, he said.

PROWSE WON'T SEEK RE-ELECTION

J. Harper Prowse, whose resignation from the provincial Liberal leadership last spring made the convention necessary, announced that he won't be seeking re-election to the Edmonton Legislature seat he's held since 1945.

Prowse told the convention he is going "into drydock for awhile to have the barnacles scraped off." Privately, he says he isn't through with politics and after a few years of building up his law practice he'll probably be [illegible] in the federal field.

There were [illegible] voting delegates at the leadership convention, 91 alternates and 157 guests. But ballots cast for the leadership only totalled a little over 500, which means nearly 400 delegates didn't vote.

Crawford Ferguson, Trochu, Alberta lawyer, and Rhodes' scholar, was elected president of [illegible] Association of Alberta. He succeeds John Decore, Edmonton lawyer. Young Ferguson won out over Douglas McKeen of Sangudo, Mrs. Irene Smith of Camrose, and Bruce Whittaker of Edmonton.

MUNICIPALITIES MEET

The Union of Alberta Municipalities also made news last week, with its 54th annual convention held in Edmonton.

The expected discussion of a provincial industrial tax didn't materialize, but Municipal Affairs Minister Alf Hooke told delegates the province wants to set up a permanent advisory board on provincial-municipal relations.

Mr. Hooke said he would like the board to give "immediate" attention to the problem of taxation. Taxes in Alberta are 20 per cent higher than those in Ontario, he said, and added he'd like to see "more equality" in taxation throughout the province. He said the government might conceivably take over assessment, collection and distribution from the municipalities.

The Union of Municipalities and the Association of Municipal Districts will each have two representatives on the advisory board and there will be two representatives of the provincial cabinet. Mr Hooke said the board might want to hide an expert on municipal affairs and the government would be "happy to comply."

TULLIBY LAKE

Frank Fox has purchased the farther west building on the Tulliby Lake Central school grounds. The building will be moved to the Fox premises and will be used as living quarters for the family.

The Alvin Liders are now living in the former Vernon Anderson home.

A social evening sponsored by the Home and School was held in the Tulliby Lake Central school on Oct. 24th. Everyone seemed to enjoy themselves at playing bingo and darts. The younger fry tried their luck at the fish pond. Deanna Adamson was presented with a $25 scholarship which was made available by the Home and School to the pupil with the highest marks in his or her school work. Deanna thanked those providing the scholarship and commended her teacher, Emile Wysocki, for all the assistance he had rendered to her. The serving of lunch brought the evening to a successful conclusion.

Juvenile Behrens visited Ward Tweens in Lloydminster over the week end.

A water and sewage system has been installed at the Nursing station by Bodard's of Lloydminster.

Lenoel Benson and Emile Boyer are assisting with the erection of a root house at the Roman Catholic Indian school at Harlan.

An organizational meeting of the Tulliby Lake 4-H Calf club was held in the Central school on the afternoon of Oct. 31st.

Raymond Benson had a bout with the flu bug last week. His brother Lenoel has been suffering with an attack of tonsilitis while their brother Herman had considerable difficulty when a speck of cement entered his eye.

Charlie Booregaard is staying at the Lawrence Coates home and is attending the Central school.

GRADUATE NURSES' ASSOC.

All members of the Graduate Nurses' Association are invited to attend 'Open House' at the new Provincial Office building, 10256-112 street, Edmonton, on Wednesday, Nov. 12th from 8:10 p.m.

SQUARE NOTES From Circle 8

Our last club dance was held on October 28. We had an [illegible] usually fine turn out of our own home club but lacked the many visitors that were always present at our Saturday night dances. At present the Circle Eight executive is operating with its "hands tied." We do feel that once fall work is completed, more of our ever-faithful visitors will venture out on Tuesday.

Our next dance will fall on Tuesday, November 11th but the Legion will have their own hall in use on that night so we have consented to hold this particular regular dance at Rowtall. Please do not [illegible] this with the [illegible] step [illegible] brush-up dances we have been holding in the past. Johnny Maxwell will be calling, everybody is welcome and the time is 8:30 sharp.

—S—

Even when money talks in a whisper nobody seems to be the least bit hard of hearing.

Rodney Ray Hines Married In Alcomdale Ceremony

Autumn flowers formed the setting for the recent wedding of Miss Florence Eunice Mills to Mr Rodney Ray Hines. Rev J Veitch of Cardston, performed the ceremony at Independence United Church assisted by Mr. G. Whitford.

The bride is the daughter of Mr and Mrs. Alan Mills of Alcomdale and the groom is the son of Mr. and Mrs. Donald Hines of Vermilion.

Given in marriage by her father, the bride chose a gown of white crystal charm with a crinoline skirt. The bodice was made with a portrait neckline, the scalloped edge trimmed with sequins and pearls, and the sleeves were lily-point style. A cummerbund of crystal charm had a bow at the back. A princess tiara of irridescent sequins and seed pearls held in place her chapel veil and she carried a cascade of red roses.

Miss Lorna Mills was her sister's maid of honor and Miss Carol Hines, sister of the groom was bridesmaid. Charmaine Redford and Becky Redford, nieces of the groom were flower girls.

The maid of honor and bridesmaid were gowns of blue and pink crystal charm with matching picture hats and bouquets of white baby chrysanthemums. The flower girls were in frocks of blue [illegible] pink and [illegible] net headpieces and carried [illegible] lets of white baby chrysanthemums.

Mr Dallas [illegible] was [illegible] man and Mr Raymond [illegible] was groomsman. Mr Evan Cameron and Mr. Jerry Price ushered the guests.

Mrs W Price was organist and Mr G. Whitford sang.

A wedding supper was followed by a reception and dance in the Alcomdale Hall. Mr Ward Fulton was master of ceremonies and Mr Britten Mills proposed the toast to the bride.

After a wedding trip to the United States, Mr. and Mrs. Hines will make their home in Kitscoty.

Among the out-of-town guests were the bride's grandmother, Mrs A Pettibone, Mrs. Beznir, the groom's grandmother, Mr and Mrs F Cunningham of Edmonton; and Mrs. G. Long of Long Beach, Calif.

NEWS from ISLAY

The annual chicken supper is over for another year. Each year as it is being planned there is always the "wonder" if there will be help enough as remarks were heard "So and so has had an operation" or "So and so can't very well leave the children" — but it is wonderful when the time arrives how the women and younger girls turn in and help— and there is always Bill Hancock! Don't know how we could get along without him. He is just everywhere helping. This year the W.A. was ever so thankful to Mrs. Moncrieff and her Food Club girls. How they washed dishes! And then there were some little girls, Jeannie Axley, Linda Torrence, Beverly Good who worked hard too. The ladies of the W.A. are very grateful to all who helped, by work, food and attendance at the supper. To name all the contributors in food and work would just take up more space than we are allowed.

On Nov. 12th at 6:30 p.m. at Kitscoty the Conservative Assoc. of Alexandra will hold a turkey supper. Mr. Smallwood and other visitors will be present. All are welcome.

Hallowe'en has come and gone. The usual goblins that travel the back alleys were out in force and the small buildings along such alleyways were fare down as we looked out in the morning — but do you know, some very good goblins, or maybe Boy Scouts, we think, set up some of these. As we look out today, [illegible] after dinner, [illegible] our chicken house is right side up. Thanks boys.

The children and teacher of the Intermediate room, a branch of the Junior Red Cross, are very grateful to those people who contributed Friday night as the witches, goblins etc went around with their Red Cross cans. As it happened, the five collecting were Cubs too.

Rev Mr. Sorochan of British and Foreign Bible Society, showed a very interesting film on Monday night. The canvassers for the Society will be calling any day now.

BORN — To Mr. and Mrs. Lindsay Buchanan, in the Islay hospital, a girl.

On Monday night the mothers of the Scouts attended the "Cubs and Scouts Mothers' Auxiliary" in Kitscoty. Mrs. Ruby Inman, Mrs. Lil Tenney, Mrs. Ida Vandendolder and Mrs. Evelyn Belton. Mrs. Betty Shaw was not able to go as she was attending a Legion meeting in Vermilion.

There is a large CNR work crew stationed here at present, repairing culverts on the right of way to the east.

Mrs. Eva Libich's father visited at her home last Sunday.

Mr. I. D. Inman and son Ronnie are the latest to go south in search of a goose dinner.

The 4-H Food club finally got the 8th girl and are away to a good start with Mrs Moncrieff as the leader.

We heard Mr N. N. Bentley along with Mr. Ken Stone Friday evening on the V.S.A. broadcast. Mr. Bentley's address was very interesting and we would like to hear him again on his work in Egypt.

Mr. and Mrs. Earl Bowser are in Egypt at present and are occupying the same dwelling Mr. and Mrs. Bentley lived in while they were there.

Quite a number from Islay and [illegible] attended the chicken dinner at Kitscoty and the concert. Both were excellent.

NEWS from KITSCOTY

The Kitscoty W. I will hold a tea, sale of home baking and a bazaar in the Tracy Memorial Hall on Friday, November 14, from 3 to 5 p.m. Proceeds in aid of the Canadian Mental Health Association.

Mr George Gerritts returned to Edmonton after spending the past two weeks here visiting his son Stan, Mrs Gerritts and family. He also renewed acquaintances with many of his old friends.

Mr H Hartman of the Lavada district has returned home from a trip to B. C.

Mrs. George Patnoe is home again after a visit to relatives in Ontario.

Mr and Mrs. O Sietz and family, who resided in the Lavada district, left this week for Little Plume, near Medicine Hat to live.

Mr. and Mrs. Dannychuk of Biggar, Saskatchewan are at present visiting with their daughter and son-in-law, Mr. and Mrs. Larry Watt and family.

Best wishes are extended for a speedy recovery to Mr. Roy Parker who is a patient in the Lloydminster hospital.

SEED CLEANERS MEETING

The annual meeting of the Vermilion Seed Cleaners Association will be held in the Legion hall on Saturday, Nov. 15th commencing at 1:30 p.m. Business session, films, refreshments. 18-18

See about your [illegible]!

Tights Boom

Leotard tights for girls and women may be the next fad to sweep across the nation's retail shelves, says Eric Richter, in The Financial Post.

Retailers and manufacturers agree already brisk sales of the tights hold promise of a full-fledged boom.

Known variously as leotards, leotard tights, leo-tights and by a host of other names, the female garments are stockings and panties combined.

They provide attractive cover for the legs and at the same time keep the backside cosy.

With Canada's cold winters, this looks like a fad that's here to stay. The tights are designed to be worn under skirts, shorts, or sport clothing.

DAIRY FARMERS OF CANADA

What does it mean to be rated?

Not long ago men and women with coronary artery disease, tuberculosis or diabetes were unable to obtain life insurance. Today it is possible for many of these people to be accepted in a special premium classification. Technically speaking they are said to be "rated" policyholders. For many years Manufacturers Life has contributed leadership in this special field. Today we are well known for our progressive outlook and for the favourable premium rates being offered.

Actually 90% of the people applying for Manufacturers Life policies today are accepted at regular rates. Another 8½% are offered insurance at the lowest possible cost considering their particular physical condition, while only 1½% are declined. Whatever your needs, you can be sure of progressive life insurance service when you call the Man from Manufacturers.

E.A.H.L. TO Function With Seven Teams

The Eastern Alberta Hockey league will function this winter with seven teams, all of the towns which held active franchises at the end of the 1957-58 season are anxious to compete in the forthcoming schedule. It will be remembered that eight teams formed the loop one year ago but Wainwright found the going too strenuous and dropped out before the completion of the schedule.

The annual meeting of the league was held in Vermilion on Sunday afternoon when officers were elected, and many plans made for the coming winter. In attendance at the meeting were two voting delegates from six of the franchise holders, namely Neilburg, Maidstone, Lashburn, St. Paul and Vermilion, with Bonnyville appointees unable to attend. There were also a number of others present, with active players of the Vermilion Tigers very much in evidence, taking a keen interest in the proceedings.

OFFICERS RE-ELECTED

E. A. Locke of Vermilion, L. Drouin of St Paul and R. E. Carroll of Vermilion, were re-elected to their respective positions of president, vice president and sec treas. The remainder of the executive is comprised of two members appointed from each of the seven clubs holding franchises in the league.

ALL ONE LOOP THIS SEASON

It will be recalled that last year the league was played in two halves, four teams in each. Each made one round with teams in the other half of the league. Each half decided its winner and these two teams met for the Craig Cup and league championship. Division was not feasible this year as the number of competitors is seven. All towns will play in one big 24 game schedule. This means that the teams will sometimes be playing 3 games per week. Game days are Mondays, Wednesdays and Saturdays, with Sunday afternoon games at St. Paul and Bonnyville. The schedule will start, ice permitting, on Dec. 13, game times will be 8.30 except for Saturday games before Xmas when it will be 9 p.m.

The executive will meet in mid-February to decide dates of the play-off games. The top four will enter the play-offs with team No. 1 meeting the fourth place team, and the second and third place holders playing off.

A great number of points re referees, linesmen, goal judges, were discussed and settled. All in all it was a very productive meeting. The representatives were there to settle things and this they did in a most amicable way.

The official delegates present were as follows: — St Paul, Messers Laboucane and Drouin; Lloydminster, Fleming and McKay; Maidstone, Donald and Corker; Lashburn, Milne and Richards; Neilburg, Goodfellow and Cheverton; Vermilion, Ireland and Gordon. Bonnyville was not represented.

Action To Unseat Eagle M. D. Councillor Fails

On Wednesday November 12, an application to oust Peter P. Mudryk of Derwent from his office of councillor of the Municipal District of Eagle for Electoral Division No. 1 was tried before His Honor Judge L. Y. Cairns in the District Court at Vegreville, on the grounds that he was not a resident in the Division for which he was elected last March. It was urged that because he had a house in the village of Derwent he was not a resident although he farmed in the electoral division and where he had his farm home.

His Honor the Judge found that the applicant had not proved Mr Mudryk did not reside in the electoral division for which he was elected and consequently held that he was entitled to hold the office of councillor, and dismissed the application with costs awarded to Mr. Mudryk.

F. J. Richardson Q. C. of Vermilion and Mr. Abe Miller Q.C. of Edmonton acted for Peter P. Mudryk and Mr. John Koshuta of Vegreville for the plaintiff.

Lloyd Wheating Elected Chairman Scout and Guide Association

At the annual meeting of the Scout and Guide Association held Nov. 10th Mr. Lloyd Wheating was nominated chairman of the group committee for the ensuing year. The other members of the committee are:

Sec'y. — Mrs. A. Christianson

Executive — Mr. El Colbourne, Mr. Don Keene, Mr. Laurence Hareuther, Mr. Bob Tidsbury, Mrs. Iola Reid, Mr. Ted Herbert, Mr Ed Roberts, Mr. Ralph Cudmore, Mr. Mervyn Hill.

Other highlights of the evening were reports from all four groups.

The Guide leaders for this year are Mrs. E. Clendenning, Mrs. L. Webb and Mrs. Jones.

Brownie leaders — Mrs. King, Mrs. Callas and Mrs. Astly.

Scout leaders — Dr. Ben King, and Mr. Gerald Wilmer.

1st Cub Pack — Constable McDowall and Constable Kocher.

2nd Cub Pack — Mrs. E. Botorff and Mrs. Betty Shalka.

Mr. Ted Herbert presented last year's Cub leaders, Mrs. Christianson, Mrs. Reid and Mrs. Botorff with their certificates and woggles, earned at a training course taken in Kitscoty last fall.

Mr. Gordon Ross gave an outline of the benefits and responsibilities of having a "District Council" in Vermilion.

A good attendance was in evidence at this meeting and all parents present seemed to be keenly interested in the progress of the groups.

BAG MOOSE ON GAME HUNT

A party of big game hunters from town, comprised of Don Olson, Bill Hunter, Jim Cameron and Ken Brown returned from the Whitecourt area this week with two moose.

Town Curfew Now Effective

A town by-law, enforcing a curfew, has been enacted by the town council and is now in effect. The by-law decrees that no child under the age of 16 years shall be found in any public place, or in any street or lane in the Town of Vermilion, unless gainfully employed, and with parent's consent, after the hour of 9:30 on any evening of the week, unless accompanied by parent or guardian.

This by-law is now in force and effect, and will be enforced by the R.C.M.P.

A feature of the opening of the Vermilion school of Agriculture is their initiation day parade during which all of the students march around the town. This year was no exception and the top picture shows the students on their way from the V. S. A. down town travelling along highway 16. Driving the front tractor is Melvin Erickson of Elk Point, while the boy in the dark sweater prominent in the picture is Jack Burlett of Barrhead and president of the Students' Council. Wearing the white jacket is Paul Fuhrman of Dawson Creek B. C. who would have been president of the Fairview Agricultural college if it had operated this winter. Bill Kneen of Marwayne is pictured with his head showing only at the front of the wagon. Bill is vice president of the students' council.

Others in the picture starting from the left are, June Sterling of Westlock, Norma Dreger, Woking, Emily Mahovny, Star, Roger Winnicky, Ballater, Herb Smith, Jarrow. Driving the second tractor is Pat Mickey of Rimbey.

The parade was featured by Miss Laurie-Anne Campbell of Edmonton who played the bag pipes. It is worthy to note that Laurie-Anne is the sole girl taking the agricultural courses these being looked on as the boys' courses.

The second photo shows the parade at the main intersection 50th and 50th where traffic was tied up while the Aggies did a dance and sing-song mixed with a few college yells. It was interesting and the big Saturday crowd liked it.

Hunting Hints

ANYONE SHOOTING A BANDED MAGPIE NOTIFY MONTE HUNTER.

Royal Canadians Band To Play Here November 20th

The band of the Lord Strathcona's Horse (Royal Canadians) will give a free concert in the high school auditorium Thursday, Nov. 20th at 8 p.m.

The band has a complement of 35 musicians and was formed in December, 1956. Members of the band are soldiers of the Canadian Army (Regular Force) and many were recruited as musicians in Holland and England. Some of these men were musicians in the bands of the Welsh and Coldstream Guards and the Household Cavalry.

The band embodies an excellent 15-piece dance band and smaller dance ensembles.

Some of the features of the band are xylophone and [illegible] solos and trumpet and trombone trios. It also features a team of eight Royal fanfare trumpets. These trumpets were first used for the coronation of King George VI and there are only four sets in Canada.

In addition to the normal military selections, the band repertoire includes selections from popular Broadway musicals.

It has been the practice of the band to present at Junior High schools and High schools throughout the Province of Alberta one series in the form of musical appreciation. During these presentations the various sections of the band such as the woodwind, brass and percussion instruments are demonstrated to the students.

The Director of Music, Capt F M McLeod CD is a native of Vancouver. He went overseas with a band during World War 2 and his was the first of the Allied bands to enter Germany. After the war Captain McLeod attended a three-year course at the Royal Military School of Music at Kneller Hall, London, England. While at Kneller Hall he was a member of the fanfare trumpet team that performed at the Coronation of Queen Elizabeth II. On his return from England he became the Director of Music for Western Army Command. In 1953 he was transferred to the Princess Patricia's Canadian Light Infantry Regimental band. After directing this band for three years he assumed his present post.

Films Now Available In Vermilion For Use Of Community

Through arrangements with the National Film Board, a supply of films will be obtainable locally by organizations wishing to use any of them for their monthly meetings. The package for this month contains: "High Tide in Newfoundland," an intimate look into the lives and problems of the people of our tenth province. This film is suggested for church groups. For youth organizations a film entitled "Survival in the Bush" demonstrates how a knowledge of wood craft makes it possible to survive even when cut off from every modern aid. Highly recommended for Scouts and Cubs. "Family Circles" is available for the Home and School and a film on soil conservation entitled "Soil for To-morrow" should prove to be of interest to farm groups. Organizations interested in a general interest topic as a filler for a meeting will find "Beaver Makes a Comeback" a good topical film. Local organizations are invited to make all possible use of these subjects during November and should apply to Mr. F. Stewart, Principal of Elementary schools for bookings and any further information.

Opening Dance At V. S. A. Nov. 21st

The open fall dance at the Vermilion School of Agriculture is [illegible] anticipated and [illegible] will be held [illegible] Friday evening November 21. Dancing will be from 9 p.m. to 1:30 a.m. and will be held in the spacious V. S. A. [illegible]

This is an open dance [illegible] everyone is invited to attend. Admission is $2.00 per couple. 18-19

Social Credit-ers Annual Meeting

The annual meeting of the Vermilion Constituency Social Credit Association will be held in the Legion hall, Vermilion, on Monday Nov 17th commencing at 8:00 p.m. Business will be election of officers, nomination of delegates to the annual provincial convention in Edmonton on Nov. 24th to 28th, and plans for nomination meeting for the next election. Everybody is welcome.

Vermilion High School News

Here we are back at the old [illegible] but with much more enthusiasm. It must be the new school.

We were pleasantly surprised by the fact that the teachers put on a "Get Acquainted Party" for us. We [illegible] enjoyed our [illegible].

[illegible] enthusiasm showed through in our election as there were many candidates in the running. The following officers now [illegible] our Students' Union [illegible]

President — Dale Scott; Social Convener — Dorothy Jean Stewart; Treasurer — Donna Botorff; Secretary — Reta Porter; Girls Sports Rep. — Lillian Thompson; Boys' Sports Rep. — Ron Hemingway; Past Member — Bob Waldenberger.

After our new gym opened the school adopted a wider variety of sports with volleyball the first activity. The House Leagues have [illegible] their leaders and [illegible] volleyball [illegible] [illegible] [illegible] [illegible] The House League basketball schedule started on November 3. The House [illegible] Senior [illegible] [illegible] [illegible] Betty Rob[illegible] [illegible] [illegible] [illegible] Graham [illegible] [illegible] Mary [illegible] and Shirley Porter.

As far as football is concerned V. H. S. still remains undefeated. Congratulations to Mr Yuskow and to his football squad for a very successful season.

Our social events for October included a Platter Party on October 17 and a masquerade on Hallowe'en night. The latter was a great success as practically everyone including V. S. A. [illegible] in various costumes [illegible] the smartly decorated gym. They danced to the tune of the Melody Aces from Innisfree. Winners of the prizes for best costumes were: Best dressed girl, Helene McMeekan as a Geisha Girl; best dressed comic, Sharon Porter as a cat. The prize for the best dressed boy went to Henry Robinson who was dressed as a cave man and Bob Carmichael got the prize for the best comic boy in his tramp costume.

A good time was enjoyed after four extremely talented young men entertained the dancers with many popular numbers. Did I say talented?

Our year book is well under way with Marie Tovell as editor and Fay Wilson as her assistant. Miles Kneale and Bob Ackerman are getting the business portion started. Lillian Thompson, Lillian Jacula and Edith Coutts were chosen as typists.

Remembrance Day Marked By Parade, Cenotaph Ceremony, Service

Solemn services were carried out under the auspices of Canadian Legion Post 11 in observance of Remembrance Day. Vermilion people in common with citizens all over Canada stood with heads bowed during the two minutes silence at the eleventh hour, reverently placed wreaths on the cenotaph, and attended the public service in the Columbia theatre.

The parade formed up at the Legion Hall under the command of Parade Marshall Bob Allan. It was led by the Pipe band of "A" Co. L. E. R. followed by the color party of the Legion, two scarlet coated officers of the R. C. M. P., and a long parade prominent in which were the War Veterans, the Legion W. A., V. S. A. students, town school students, and representatives of scouts, brownie, wolf cubs, C. G. I. T., I. O. D. E. with practically every organization in the town well represented.

LAY WREATHS AT CENOTAPH

At the cenotaph the ceremony of "Laying of the Wreaths" was carried out under the direction of the Legion Padre, Rev. K. A. Minchin. The Guard of Honor was from "A" Company with Piper Donald McClelland playing the Last Post and the Reveille.

CLANDONALD RECTOR GIVES ADDRESS

The Remembrance Day service was held in the Columbia theatre with Rev. K. A. Minchin in charge and assisting him Lieut Morgan of the Salvation Army, Rev. J.M. Schroeder of the Alliance Chapel, Thos. Thompson, president of the Legion. The accompanist was Dr. C. W. Stephens. The colors were piped in by Rod MacMillan.

The guest speaker for the service was Mr. E. Preston, rector of the Anglican church at Clandonald, himself a veteran of the First World War. He brought a profound message to the large gathering in a forceful and sincere manner.

To complete the service the Roll of Honor was shown on the screen with appropriate sound effects.

ADDITIONAL ARMISTICE DAY ACTIVITIES

The Vermilion Post of the Canadian Legion carried out numerous additional armistice activities commencing with the Armistice Dance in the armouries on Friday, November 7, Poppy Day on November 8, followed by a social evening in the Legion Hall. The services on Tuesday were followed by a smoker which was held in the Legion Hall.

Legion Awards 25-Year Buttons

Zone Commander Ralph Rudd of Mannville presented on behalf of the Canadian Legion, twenty five year buttons to seven members of Vermilion Branch. Their names are: George Searborn, Loyal Amos, George Maxwell, M. M. Ed Corley, Harry Scott, Bill Simmonds and Tom Watts. These men are all veterans of the first world war and all served in the firing line.

Mr Rudd also presented a pen and pencil set to E. H. Buckingham, E. D. and a certificate of meritorious service indicating that Mr Buckingham had given six years of loyal service to Vermilion Branch as secretary.

Mainline Trains Use Vermilion Line

All mainline trains used the Vermilion Line of the Canadian National from Saturday to Wednesday due to a wash out on the main line. The washout was caused by an underground spring near Fabyan. Vermilion people thus were given the chance to see both the super-continental and the continental as they passed through daily both ways.

November 1918 . . .

It is 40 years this month since "the monstrous anger of the guns" was stilled in Flanders fields and four years of indescribable carnage finally ended. Forty [illegible] since the world welcomed the coming of the 11th day of the 11th month with a relief bordering on hysteria.

With the passing of each decade, the number of those to whom "the war" because of bereavement or incapacity still means 1914-1918 is diminished. To the present generation this is merely one of history's many great wars. The Somme, the Marne, the Aisne these are but rivers in Northern France.

But there are others yet who remember when, like Vimy Ridge (where Canadians gave so much) Ypres, Hill 60, Passchendaele, Neuve Chapelle and Verdun, they signified slaughter and courage and endurance on a scale unequalled before or since.

Inevitably the events of 1914-1918 are over-shadowed today by those of the second world-wide conflict which followed only 20 years later. And, of course, in some respects, this later war eclipsed the earlier one in the totality of the destruction it visited upon mankind.

But, let it not be forgotten, for Canada, as for some of the other combatants in both wars, the toll of native sons killed and maimed was even greater in the first than in the second.

Forty years have come and gone but the forests of crosses in the fields of Northern France remain . . .

Record Winter Roads Planned

Watch for a record road work program in Alberta this winter. The government plans to spend around $2,000,000 on brush clearing, gravel stockpiling, rock blasting and other work during the winter months.

Highways Minister Gordon Taylor says the program will provide winter employment for nearly 1000 men. He adds that if the federal government would enlarge its program of aid for winter work, the province could employ another 2000 men.

Biggest project in the province will involve brush clearing in preparation for a complete re-building of the 300-mile MacKenzie Highway which links Alberta with the Northwest Territories. Contracts worth more than $300,000 have been awarded. Mr Taylor says the province plans to rebuild the road to a "much [illegible]"

Darkness Increases the Risk

Behind the wheel of a motor car is a poor place to relax at anytime but especially now as the days shorten, warns The Financial Post, which points out that traffic experts, with years of grim statistics to back them up, warn that November and December are the worst months for accidents with 4 p.m. to midnight the most dangerous hours.

Statistics show that twice as many people are killed and injured in the late afternoon and early evening as at any other time including the morning rush when there are as many or more cars on the streets but there is daylight. It is darkness that increases the risk and late fall when days are short therefore, is a most dangerous time.

Foster Parents Plan Helps Many

Marie Fiore is six years old. She has never had a toy to play with or watched a TV show or done any other of the things that our children take so much for granted. She cannot ever hope to attend school as there is little money to spare for such luxuries. Marie is a little old woman with knowledge and sadness beyond her years.

Life has been very unkind to Marie. Born in a DP Camp in West Germany she knows well hunger and fear, cold and privation. Her mother [illegible] shortly after her birth and [illegible] to live with her [illegible] mother. Her father [illegible] suicide before she was born — unable to face a life of further misery.

Marie's grandmother is unable to work and the two of them subsist on a pension totalling $4.00 per month. Out of this they pay rent for their one-room shack [illegible] with leaky roof [illegible] — food and [illegible] to say, it is less than enough. Marie is undernourished and her little stomach is bloated, her skin is pale. Grandmother is ill and needs medicine and proper care. Both need warm clothing to protect them from the cold, West German winter and a bed to replace the bug-ridden straw they lie on now.

You can help Marie — and the [illegible] of other Maries [illegible] the world — by [illegible] with Foster Parents' Plan, [illegible] Montreal and New York. You can become an adopted "Mom" or "Dad" to a little girl like Maria. "Adoption through Foster Parents' Plan" is financial, not legal. The Foster Parents promise to contribute $15 a month for at least one year toward the support of their particular child. Of this sum, the child receives an $8 monthly cash grant, the residue being used for food and new clothes. Parents receive the case history of the child, a photograph and correspondence. Write now to Foster Parents' Plan, Inc., Station "B", P O Box 65 Montreal, P. Q.

Engineers Find Big Beaver House

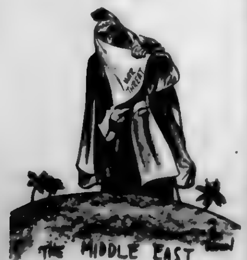
WINNIPEG — One of the largest beaver houses known to exist has been discovered by Canadian National Railways engineers surveying the route of the new railway line between Optic and Chisel Lakes in northern Manitoba. The house is reported to be 15 feet in height, with a diameter of 35 feet and circumference of over 100 feet.

As it lies directly in the path of the new rail line, construction engineers will have to encourage the beavers to move elsewhere.

—S—

The province of Saskatchewan has nearly 100,000 square [illegible] of occupational farm land [illegible] one third of the national total.
— Quick Canadian Facts

Still There



"GREEN ACRES"

PURE [illegible]

Bert Hosack, field supervisor of M D of Vermilion River, has started checking the district for boars without pedigrees. He was accompanied by D.A. Buckingham. They found some boars where the owners could not supply papers. It is suggested that registered boars can be purchased at the Vermilion Livestock sale Nov. 14th, and from breeders of Yorkshires and Landrace pigs throughout the district. Information on names of breeders, price and ages of boars can be obtained from your D.A.

SORGHUM ALMUM

Several letters have been received at this office about Sorghum Almum. It appears that it was [illegible] in one of the agricultural [illegible] as being a high yielding [illegible] crop. I am informed by [illegible] G. Bratvold, supervisor of Crop Improvement, that Sorghum Almum is closely related to Johnson grass, one of the worst weeds farmers have [illegible] certain parts of the U.S. All farmers are asked to refrain from bringing Sorghum Almum [illegible] into Alberta until it can be tested out to see if it is a serious noxious weed or not.

FEEDER HOG BARNS

New plans have just come to hand on building feeder hog barns. There is also a plan for a combined brooder and feeder barn. These plans feature insulated concrete floors, sloped to reduce labor still further. Anyone thinking of building a new pig house or remodelling an old one ought to get these plans.

FORAGE SEED

The latest report on forage seed indicates that there is a fair supply of most all kinds coming on the market. Prices will be announced shortly by the Alberta Wheat Pool Seed Division. This is the old Seed Growers Co-op now operated by the [illegible] Pool. Orders can be placed at elevators and it is advised to order soon as supplies can soon slip away as they did last year.

MINERALS FOR CATTLE

Alberta Live Stock Supervisor W C. Gordon, recommends free choice of a commercial mineral mixture and salt fed in separate boxes for feeder cattle. They will gain faster and cheaper. Cattle getting mostly hay and straw should have bone meal or other mineral mixtures containing a bit of phosphorous for health, thrift and cheap gains.

4-H CALF CLUBS

There will be seven or eight feeder calf clubs in the area this year which means that clubs are so close together that every farm boy or girl between the ages of 12 and 20 can belong to one of them. Calves must go on feed immediately or they will not be finished well enough for the sales next spring. So now is the time boys and girls to join a calf club, to feed, show and sell it. Then there are the meetings, etc. I am quite sure you will all like it.

[illegible] MATTER

Travel broadens,
But not as much
As chocolate cake,
Whipped cream and such! !
—Al Spong.

How true! Pick up any magazine and you are confronted with statements of "How I lost 20 pounds in so many weeks". It's the fashion to be slim and moreover — it's healthier!

CAUSES OF OVERWEIGHT

1 Eating too much.
2. Eating the wrong kind of food. A diet in high starches, sugars and fats, and low in the protective foods — milk, fruit, vegetables, eggs and meat will cause overweight.
3. Lack of proper exercise.
4 Glandular disturbances.

HOW TO DIET

Never diet without first consulting a doctor.

A reducing diet must provide the essential foods for health but be low in calories.

HOW TO GET THE ESSENTIAL FOODS

Milk — Use skim or buttermilk, ½ to 1 pint daily.

Bread — Use whole grain breads for their high mineral and vitamin content.

Meat & Fish — At least one serving of lean meat, no pork or fat fish, 1 egg daily [illegible] at least 3 or 4 a week.

Vegetables & Fruit — Are stressed because they provide bulk to satisfy the appetite but are low in calories. At the same time they provide essential minerals and vitamins.

DIET DONT'S

1. No fried foods; fried meats; fried [illegible], doughnuts, fritters, etc
2 No fat meats; no pork, no gravy.
3 Three regular meals daily — no eating between meals — no skipping breakfast!
4 No pie, pastry, cake, ice cream, pudding, rich desserts of any kind
5 No cream, mayonnaise, nuts, peanut butter, cream sauces, cream soups, lard, Crisco, fats, except butter as allowed in the diet outline
6 No sweets, candy, jelly, jams, honey, molasses, etc.
7 No [illegible], pop or soft drinks.
8 No fad diets.

The Bulletin "Facts and Figures For the Overweight" [illegible] free upon request. [illegible] for it today.

Former Vermilion Man Retires from Dept. of Agriculture

Bertram John Whithread, who for many years was a member of the staff of the Vermilion School of Agriculture, was recently honored on his retirement at the age of 65 years from the Alberta Department of Agriculture. He had been a member of the department in various capacities for the past 37 years. On the occasion of his retirement he was guest of honor at a gathering of fellow employees [illegible] the minister of agriculture, the Hon. A. L. Halmrast. The Minister is shown shaking hands with Mr. Whithread in the centre while the lady in the picture is Mrs. Whithread.

C. G. I. T. Meets At Mannville

MANNVILLE. — The C.G.I.T. group gathered in the United Church social rooms on Nov. 6th at 4 p.m. for their third meeting of the year. Following the repeating of the C.G.I.T. Purpose, reports were read from each department and approved as adopted. There being no old business several new items of interest were [illegible]. The worship committee [illegible] at 4:45. For handicraft it was decided to patch the hymn books. 'Taps' concluded a happy meeting.

Canada's first shipyard was started by French colonial governor Talon at Quebec about 1665.

Letters to the Editor

The Editor,
The Vermilion Standard,
Vermilion, Alberta.
Dear Sir,

Hearing the broadcast from the Vermilion School of Agriculture Monday evening over CFGP Grande Prairie on which Mr. N. N. Bentley gave a most interesting account of agriculture in Egypt, prompted me to write this long delayed letter to your paper. It made me feel like I was back in the old home town again. "Frances and I are planning a trip out over Christmas and New Years, weather permitting. This year Frances is taking her grade eleven at the Yellowknife High School.

Life in general up here is so much different than out there, it would take pages to tell all about it. Following is a brief account. Our living quarters and schools are very well furnished and comfortable. We have hot and cold running water, electricity and such appliances as irons, toasters, stoves, vacuum cleaners, washing machines and a floor polisher. Heating is by oil burning heaters or furnaces. There aren't any water wells, so ice from the river is used for our water supply.

At present there are six teachers employed here, teaching grades 1 to 8, one nurse, two policemen, a game warden, C P. A. agent and postmist[illegible] several men working for Northern Canada Power Commission and D. P. W. and a large hostel staff. There are two general stores here, the Hudson Bay and a free trader, who also has his own plane.

The hostel is a large new building which just opened this September past. It houses one hundred boys and girls whose parents life in the bush most of the time. However all the families have a house or tent in the fort which they occupy during their stay in town. Everybody is in over Christmas and the New Year, at Easter and again on treaty day which is July 1st here. In winter they travel by dog team and in the summer by canoe. The farthest family live sixty miles up the Peel river. All these gatherings call for many feasts and celebrations. The most interesting one I think, is New Years. They begin early in the morning and go in large groups of men and boys: the women and girls to everyone's house. Everyone shakes hands with everyone else and contributes food towards the feast. All afternoon the women work preparing the food while the men have dog team races. The firing of guns in the evening is the signal that the feast is ready so all go to the Loucheaux Hall with a plate, cup and spoon where you sit on the few benches if you are lucky. Barring that, the floor. The Indians are very courteous and give their seats up to white people. After the feast, they dance till about six o'clock the next morning. They are a very musical people and play the violin, accordian, guitar and their home made drum. Besides dances there are shows twice a week, bingo games, some skating in winter and boating in summer.

The diet of the native is mostly meat, fish and berries. Chief occupation is trapping muskrat, beaver and wolverine, but several are employed in the fort as janitors, truck drivers, carpenters and assistant store keepers. The women pack most of the water, snow and wood. They also tan the moose hides and dry the fish and rats and do some of the trapping. They sew all the mitts, mukluks and parkas and do nice bead work.

During break up and freeze up, approximately a six to eight week period when commercial planes will not land, we are cut off from the outside except by wireless. This fall, because the weather has been so mild here (not much below Vermilion reading) and the snowfall heavy, the lakes and rivers are not freezing over very well. The weight of the snow causes overflow and that makes the ice rotten and so it isn't safe for a big plane to land. It looks like it will be December this year before we get any mail. However, Mike the free trader, goes over to Aklavik and Inuvik quite often in his small plane so takes mail out for us. They have a large airstrip at Inuvik and big planes can land there if the field isn't fogged in.

Survey crews have been working out of here all summer on the proposed road from Dawson and by 1960 they say it will be built this far.

More oil companies are coming in every summer and one well has been dug near here. Helicopters and float planes are as common here during the summer as cars and trucks are down there.

Because this is the land of the midnight sun, things grow very rapidly here during July and August. I had a wonderful garden this summer, yielding cauliflower, cabbage, potatoes, beets, carrots, peas, lettuce, celery, swiss chard and kolrabi in abundance. In my newly constructed greenhouse were loads of tomatoes and a cucumber 12 inches long.

One experience I'll never forget is when Frances and I mushed six dogs all the way from here to Arctic Red River and back one week end, a distance of about thirty five miles. The mountie and his wife accompanied us with another team. It took us hours and hours and because it was in May there was overflow on some of the thirty three lakes we crossed en route and deep drifted snow in many of the portages.

I might add before closing that I enjoy getting the Vermilion Standard and would not like to miss a single edition.

Yours truly
Mrs Alice J Cambridge
Fort MacPherson, N W T

Islay 4-H Food Club Meets

ISLAY - The first meeting of the Islay Food club was held at the school on Nov 3rd at 7:30 p.m. It was decided to hold regular meetings every second and fourth Mondays of the month.

For roll call at the next meeting each girl is to have a name of a fish and tell where it is caught.

Following the meeting a very enjoyable lunch was served. The next meeting will be held at the school on Nov 24th at 7:30 p.m.

Beautiful Fall Wedding In Dewberry United Church

A beautiful October day was the scene of a wedding in the Dewberry United Church where Betty Marie Ewen was given in marriage by her father to Norman Reinhold Heinz with Rev. J. Shortt officiating.

The bride wore a floor length gown of white lace and net over taffeta, the bodice was styled with a sweetheart neckline inset with sequins. She wore a matching bolero with peter pan collar and long sleeves. Her veil was chapel length and she wore a pearl necklace and earring set, a gift of the groom. She carried a bouquet of red roses.

The bride's attendants were her two sisters Miss Peggy Ewen [illegible] Ruth Ewen. They wore matching pink ballerina length [illegible]. Miss Janet Ewen, niece of the bride was the flower girl and was [illegible].

The groom's attendants were his brother Mr. Kenneth Heinz and Mr. Rueben Emmerling. Glen Ewen and Jimmy Jones were ushers.

Miss Cheryl Jones, niece of the bride, played the wedding music. Mrs. Iris Hodgson sang "Because" during the signing of the [illegible].

At the reception in the hall the bride's table was centered with the wedding cake flanked by white tapers and matching bouquets of flowers.

Receiving the guests the bride's mother wore a royal blue dress with black accessories. The groom's mother wore a navy blue dress with matching accessories. They wore rose corsages.

Reverend Shortt gave the invocation. Mrs. Hodgson sang "I Love You Truly." Mr. Angus Smith gave a very fitting toast to the bride. The groom most graciously replied.

A dance followed in the hall.

After a reception at the groom's home in Wetaskiwin, the happy couple left on a wedding trip to Niagara Falls.

Out of town guests at the wedding were Mr and Mrs. Andrew Borys, Mr and Mrs. W. Watermaniuk, Mr. O. Hansen, Miss E. Bailey and Mr. and Mrs. Angus Smith.

At the time of the most recent census there were more men than women employed as cooks in [illegible].

Derwent District People Donate To Fire Fund

DERWENT. — Mr. Jack R. Piet of Angle Lake district was unfortunate to have his home destroyed by fire recently. Mr. Albert Willmer John Porcina and Harvey Johnston have taken the responsibility of canvassing for donations towards Mr Piet's fire fund. $93 has already been donated by the following: J Porcin, H. Borowsky, H. Johnston, Walter Wysorki, Ed Stepaniuk, E. Johnson, N. Wintonyk, L. P Yacrytoo, Paul Bespalko, J. R. Bober, F. Sakowsky, H. Jablonski, John M Mudryk, C. V. Larson, A. R Berg, M. A. Willmer, Walter Kosko, H. Leaf Sr., Wm. Mohyluk, M. F. Borowsky, A. Hall, Stephen Lychak, John Palinka, Albert Willmer, Zalasky Bros., C. A. Algot, G. C. McConnell, Eugene Kalynchuk, Metro Roska, Mike Noster, A. Juba, Fred Stuparyk, Marshal Mudryk, Paul Zazulak, John MacMillan, Harry Stuparyk, J. Chudyk, P. J Kuclile, Steve Zazulak, Arthur Boyko, Nick Mithrush, N. Moresziuk, P. Michalchuk, V Malinowski, John Sheyka, Tom Young, Arvid Hall, J. Bezushko, John Zaharko, John Jacula, Harry Charchun, A. Rudkowsky, H. W. Berg, Wm. Hladchuk.

'The Bible Today'

In the Middle East the old and new contrast sharply. In existence alongside modern cities of [illegible] Biblical times.

Lebanon, half Christian, half Moslem, is the centre for Scripture publication, colportage training, and publishing centre for the Arabic edition of "The Bible in the world" magazine circulated by the British and Foreign Bible Society.

In Iraq scripture distribution has increased. Jordan is a fruitful field. Egypt's total circulation has increased. Thus the Book which tells of Abraham, Isaac and Jacob, of the Great Prophets and of Jesus, supplies a need in this land of contrast. The offering of the old, yet ever new Bible, evokes a response from followers of both the ancient and the modern way.

Suggested readings for next [illegible]
Sunday Nov. 16 — Matthew [illegible]
Monday, Nov. 17th — [illegible] 13:31-58.
Tuesday Nov 18th — Psalms 65 1-13
Wednesday Nov. 19 — [illegible] 67:1-7
Thursday, Nov. 20 — Psalms 73:1-28
Friday Nov 21st — Psalms 107:1-43.
Saturday, Nov. 22 — Psalms 1 1-6

GREENLAWN Goodwill Club

The monthly meeting of the Greenlawn Goodwill Club was held at the home of Mrs. H. Mathison with 16 members in attendance.

It was decided to have a whist drive and farewell at the Greenlawn Hall on October 18th in farewell to a member, Vivian, who is leaving the district. The club was also asked to cater at Una's wedding reception.

The door prize was won by Mrs. Louis Lumley.

Mrs. Mathison served a delicious lunch, assisted by her two daughters Margery and Dorothy and sister Mr Wm. [illegible]. Margery and Dorothy gave a demonstration of the Hoola Hoop which was enjoyed by all.

The whist drive held in the Greenlawn Hall [illegible] October 18 was very successful with ten tables of whist being played. Mr and Mrs. Harold Curtis who are moving to Lloydminster to live were the guests of honor. They were presented with a satin comforter along with a multitude of best wishes by the Greenlawn [illegible] and [illegible].

Mr Curtis ably expressed thanks to all and invited them to visit them at their home in Lloydminster.

4-H Grain Club Holds Seed Fair At Islay

Islay — The seed fair of [illegible] Islay 4-H Grain Club was [illegible] in the Islay United Church hall. The assistant District Agriculturist Mr M Douglas officiated while Mr. Buck Goodwin of the Agricultural College in the Field and Crop division, judged the samples of grain. The grand champion sample went to Joyce Kowalski with a sample of Parkland barley and the reserve champion sample went to Frances Kowalski also with a Parkland sample.

The officers of the grain club of the preceding year and this year are President Raymond Kowalski Sec-treas Frances Sherwood vice pres John Carey. There were ten members completing the year's work, but at the seed fair day there was a complete lack of parents. Parents — a 4-H club is not complete without you, so please give us your support.

Old Timers Gather In Annual Round-up

Old Timers to the number of one hundred and twelve gathered at the annual round-up Thursday night. The get-together taking the form of a delicious turkey banquet served by the Legion W.A., short program of musical numbers, a guest speaker, and cards.

The president, George Webb Sr., was master of ceremonies and the program was started with an enjoyable sing-song led by Mr. D C Folk with Mrs. Folk as accompanist. Johnny Webb favored with two solos and is becoming a great favorite with music lovers as he was asked as a special favor to sing "Danny Boy". Little Miss Mavis McCauley captured the fancy and love of the gathering with two vocal numbers. She is a great little entertainer.

A very enjoyable illustrated travelogue on his recent trip to Europe was given by Mr. S. C. Heckbert.

During the business session Mr. George Webb Sr was re-elected president by acclamation with Basil Hawley as vice-president and Mrs. Hilda Cross as secretary-treasurer, each also re-elected and by acclamation.

The remainder of the evening was spent at playing cards, or just visiting. All in all everyone seemed to enjoy the round-up just as much as any ever held here.

Ernie Everitt, old timer from Edmonton who never misses a round-up in Vermilion, was present and gave some numbers on his concertina.

Rotarians Hear Outstanding Remembrance Day Address

Ralph Rudd, Zone Commander of the Canadian Legion for this area, addressed last Friday's Rotary Club meeting.

Mr Rudd told the story of the Canadian Legion with special reference to Poppy Day and Remembrance Day and all they mean to ex-service men of both wars. He said citizens of Canada meet on remembrance day year after year to remember those who did not come back from the wars and those who did come back bearing wounds or ill-health as a result of service in some foreign field.

The speaker said that the principal purpose of the Canadian Legion is to help and assist those veterans, who as a consequence of service, are not so well able to compete in the labour market. It is the Legion's concern that these men and their families shall not be in want or suffer distress. This help is largely financed by the annual Poppy sale.

Mr Rudd said that service is the objective of all Legion activities in the same way that service is the principal precept of Rotary clubs.

In introducing Mr. Rudd, Ernie Buckingham said that he was born in Valhalla Centre, Peace River district and that he had spent four years service in the second world war as an observer in the R. C. A. F.

Chas. Heckbert [illegible] speaker for a splendid talk on legion affairs and as expressed by Mr Heckbert, it was one of the best addresses ever given before the Vermilion Rotary Club. President, Jim Robson added his thanks stating that it was a great pleasure to listen to a man who knew his topic and was able to express his thoughts so ably.

Claude Brennan, of the committee on rotary information, told of ways and means whereby rotarians could influence juveniles in conduct and in choosing careers.

There were two Rotarian visitors, Mel Lavold and Art Shortell of Lloydminster. Guests were Mr Jim Scott, Rudi Renaud and Bill McLaughlin.

Whistling Swan Dies On Wildwood Lake

A beautiful whistling swan died on the ice on Wildwood Lake about 12 miles south of Islay last week. The swan was noticed by Elmer Derelson who lives close to the lake, flying over the lake. The next day it appeared to be quite still sitting on the ice with its head tucked under its wing.

Mr Derelson reported the bird to George Senz, game officer, who retrieved it by boat. It had apparently died a natural death as it was not wounded in any way.

The swan was large with an 82 inch wingspread and was 48 inches from head to feet. It weighed 17 pounds.

VERMILION VARIETY STORE
Phone 333 — Vermilion

only your local stores give instant delivery and service . . .

We don't believe you gain anything at all by driving long distances to shop at BIG CITY stores. Our local stores have merchandise that's just as good and costs no more.

But merely for the sake of argument, suppose you do save a few dollars on a time-consuming trip many miles from home. And suppose you don't even count the cost of gasoline and oil, car wear, parking fees, etc. Forget, too, if you like, the hazards of driving in today's heavy highway and city traffic.

But don't overlook these things: What you buy here can be in your home in a few minutes—no waiting several days for delivery. And if the merchandise doesn't give full satisfaction, any needed service or adjustment of the purchase can be made without shipping the items back to the BIG CITY or being forced to make a second trip yourself.

Why drive scores of miles looking for trouble? Shop right around the corner and be safe and satisfied.

MOVE TO NEW HOME

Mr. and Mrs. Rupert Fast, Karen and Warren have now moved into their newly completed home in the hospital subdivision. Two other new homes in that area will also soon be occupied.

Joe Perrier has sold his home on 49A street to Mr. Etheridge Webber, well known Tolland district pioneer.

Quite a family gathering took place at the home of Mr. John Isley on Sunday, the reason being the visit of Mr. Isley's brother Ernie from Elmsworth in the Peace River country. He has lived there for 40 years but this is his first visit to Vermilion. Accompanying [illegible] their daughter [illegible] her husband. The members of the Isley families [illegible] district [illegible] to meet their uncle and family.

Mr. and Mrs. George Capatos returned early last week from a visit to Penticton where they [illegible]. By a coincidence [illegible] located just across [illegible] from old friends from Vermilion, Mr. and Mrs. Sidney [illegible]. On [illegible] return, the Capatos' sold their house in Vermilion [illegible] Clarence Barber. Mr. and Mrs. Capatos plan to leave this Thursday for the Okanagan by car in company with son Philip. Philip will return to Vermilion.

Takes Short Course In Radio and T.V. Broadcasting

Rev. C. W. MacKay left Sunday afternoon by C.N.R. for Port Huron at the head of the Great Lakes where he will attend a course in radio and television broadcasting specially for ministers. Mr. MacKay will return home this week end.

LEGION EXPRESSES APPRECIATON

Canadian Legion Post 11 wishes to express thanks to everyone who helped in any way in making the Remembrance Day activities so widely observed. He wishes particularly to thank Capt. Wm. Scales [illegible] providing the sentries of the cenotaph, the Pipers Band, the Salvation Army Band, Mr. Nick Kowalchuk for the use of the theatre, Ernest Schurman for providing the public address system, Dr C. W. Stephens for music at the service, the Vermilion Standard for so freely advertising the activities, and all the organizations which marched in the parade.

Ken and Mrs. MacDonald write [illegible] Banff and wish to be remembered to all their friends in Vermilion. Banff received a snowfall on Saturday last but winter hasn't arrived there yet says Ken, judging from the number of bears prowling around the garbage cans at night.

BIRTHS

LAMPORT — Mr. and Mrs. Robert Lamport of Hindville, on Nov. 5, a girl, Alberta May.

DOREY — Mr. and Mrs. Geoffrey Dorey, Clandonald, on Nov. 9, a boy, Keith Henry.

ROWE — Mr. and Mrs. Roger Rowe, Vermilion, on Nov. 9, a girl, Helen Doreen.

ROCHFORD — Mr. and Mrs. John Rochford, Vermilion, on Nov. 11th, a boy.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mrs. W. T. Goodwin announces the engagement of her daughter Margaret, to Mr. Robert Mullaly, son of Mr. and Mrs. J. R. Mullaly of Lloydminster. The wedding will take place on Saturday, December 13 at 3:30 o'clock in the afternoon at the First United Church, Vermilion. Reception to follow in [illegible] church hall.

Friends and acquaintances please accept this as your invitation.

Returns From Visit To Ireland

Wm. Annett returned to Vermilion last week from a three months' visit to his old home in County Down, Northern Ireland where he visited his four brothers and four sisters. Bill is the only one of the family who made the move to reside permanently in Canada, and this was his first return to his home since coming here 48 years ago. He found tremendous changes since he left. There was nothing in the city that he could recognize as the buildings for the most part had all been rebuilt. Times appeared good. The past summer has been a very wet one, the wettest in 80 years according to [illegible] with the results that potatoes were rotting in the ground.

Bill made the trip by C. N. rail and boat and enjoyed every minute both ways.

David E. Brown returned home on Wednesday from spending four weeks with his brother and sister at St. Mary's, Ontario. While there he had the pleasure of attending the annual old timers' get-together Hallowe'en night so met many old acquaintances of bygone years. Dave reports that many towns and cities are now in the process of laying gas lines in anticipation of using natural gas piped from Alberta.

Mr. and Mrs. James McLaughlin and Mr. Jack McLaughlin were in Lloydminster recently to attend the golden wedding of their old friends Mr. and Mrs. John C. Managhan. Jack was the best man at the wedding of fifty years ago. Mr. and Mrs. Managhan lived in Mannville for many years prior to retiring.

Miss Anne Stewart was home from Varsity for the Remembrance Day week end.

Mr. and Mrs. T. L. Conboy spent Sunday in the city with their son-in-law and daughter Mr. and Mrs. R. J. Shepherd. Mr. and Mrs. Don Logan Deanna, Allan and Billie were also guests at the Shepherd home.

—S—

Mrs. John Kuzek left on Sunday by Canadian National for Leamington, Ontario where she will attend the wedding of her niece Miss Mary Woolf and Mr. Garry Shaefer. She will spend some two weeks in the east visiting her brothers.

Mrs. M. P. Dixon and son Bill were visitors at Hinton from Sunday to Thursday where they were guests at the home of Mr. and Mrs. Mason Dixon.

Mrs. J[illegible] Livingstone [illegible] to Vermilion on Monday after spending ten days in Edmonton where she visited her [illegible] who is a patient in St. [illegible] hospital. While in the city she was the guest of her [illegible] daughter and family, Mr. and Mrs. Jim Day.

S

Clarence Barber of [illegible] Ltd. staff has purchased the former residence of Mr. and Mrs. George Capatos.

Visitors at the home of Mr. and Mrs. E. H. Buckingham [illegible] are their daughter Mrs. Ronning and her son from Saskatoon and their son Ken from Edmonton.

—S—

In attendance as official delegate at the annual meeting of the Alberta School Trustees Assoc., held in Edmonton last week was Lloyd Brown of Islay. Attending some of the sessions were Claude Brennan and Jas. R. Robson.

Wins Cake At Mannville Tea

MANNVILLE — Winner of the three-tiered cake raffled by the Ladies Auxiliary to the Canadian Legion on Saturday was Mrs. Thomas Sr. The draw was made at the annual Poppy tea. A good crowd attended. Home baking was also sold and there was a white elephant table which offered hidden treasures for all. Poppies of course could also be purchased at the tea for those not having been contacted earlier.

STUDENT TO ADDRESS MEET

On Wednesday evening, Nov. 26 at 7:45 o'clock, Miss Saunders of Sedgewick will give the story of her trip to the United Nations headquarters in July, 1958. Miss Saunders is the student who won the oral speaking contest in this zone last April and was given this trip by the sponsoring organizations, the Oddfellow and Rebekah lodges.

Britannia Rebekah Lodge invites all interested students and adults to hear this account and to see the pictures of the trip. 18-19

—S—

FORMER DEWBERRY BOY FEATURED IN "STAR"

The picture section of the Nov. 8th issue of The Toronto Star Weekly, contained a feature story of a former Dewberry boy, and his Diamond Jay Dude ranch. Dick is the second son of Mr. and Mrs. Lewis Gardiner who farmed in that district and who now live in Vancouver. Dick's uncle Graham and family still live at Hazeldine.

Three generations of Renauds were seen playing golf together on Sunday. Rudy Renaud had his father from Westlock visiting him for the week end, and the youngest member of the trio was Rudy's son Roger.

BORN — To Mr. and Mrs. Roger Rowe at the Vermilion Municipal hospital on Sunday, Nov. 9th, a daughter.

—S—

Jack Scott of Edmonton was a week end visitor last week with his nephew, George Webb Sr. Mr. Scott was on his way home from a trip to Ontario which he made by himself. He is 89 years young.

—S—

Mr. and Mrs. Tom Watts had as their guest over the Remembrance Day week end, the latter's brother Mr. Reg Spencer from Barrhead.

Shoots Banded Duck

Ernest Heinemann of Vermilion shot a banded duck on Saturday, Nov. 8th while hunting with his brother Fred and brother-in-law Miller Palmer in Northern Valley district. This duck wore a Washington, D.C. Wildlife band No. 637-31115.

—S—

TEA NOVEMBER 15

The Cubs and Scouts will hold a tea at the Elks Hall on Saturday November 15 from 3 to 5 p.m. 16-18

—S—

IN MEMORIAM

In loving memory of our dear wife and mother

MRS. EDITH BOWMAN

—who passed away Nov. 12 1956.

"Sweet memories will linger forever;
Time cannot change them it's true
Years that may come cannot sever
Our loving remembrance of you."

Ever remembered by husband sons and daughters

Salvation Army Home League Notes

October 1st was a work night to prepare articles for the sale of work on November 8. Mrs. Smith's group was in charge.

October 8th Mrs. Dargatz's group was in charge of a spiritual night. Lt. Roger Rooks was introduced by Mrs. Dargatz and gave us a very helpful talk on the part women play as an example in the home.

October 15th was educational night with Mrs. Fisk's group in charge. After a short devotional led by Mrs. Jensen, nurse Douchot of the Health Unit gave us a description of some of her travels in foreign countries. It was most interesting.

October 22 was another work night with Mrs. Scott's group in charge. While working on articles to be sold, the different committees were chosen to look after the sale.

On October 29 Mrs. Smith's group was in charge. The articles for the sale were priced and odds and ends finished up.

A special project for October was a rummage sale which was a real success. Two large boxes of mens' coats were sent to the Mens' Social Centre in Edmonton where such articles are badly needed. The secretary duly acknowledged the articles with many thanks.

Well Known Derwent Lady Dies in City

There passed away in Edmonton on November 9, Mrs. Tekla Helen Meyerman, beloved wife of Mr. Helmer Meyerman of Derwent. Funeral services will be held on Friday, November 14 at Derwent with interment taking place in the Angle Lake cemetery.

Besides her husband, Mrs. Meyerman is survived by three sisters Mrs. A. Solomon of Southgate, California, Mrs. M. Cody and Mrs. M. Heglund of Vancouver, and thirty-three nieces and nephews.

Moyers Funeral Home is in charge of arrangements.

Shower Honors Bride-Elect At Mannville

MANNVILLE — As becomes a happy occasion such as a shower for a future bride, a large group of ladies gathered on Friday evening last in the United Church social rooms. Seated at the table of honor were the bride-elect, her mother Mrs. C. Swain and her future husband's mother Mrs. A Marshall. All were kept busy unwrapping the many beautiful gifts which were presented by Mrs. F Stumpf who spoke most fittingly of Beryl's services to her community and concluding with the words "we knew you were coming so we baked a cake" upon which two cute little girls Connie Ross and Sandra Gordon, pulled in a huge three-tiered cake which held many of the gifts. A contest was enjoyed by all, as was a duet by Misses Ruth Hughes and Dawn Kreller and humorous vocal solo by Joan Lagg. Beryl thanked everyone beautifully for gifts and their kindness, and invited all her friends to visit them in their new home in Beverley.

Shower Honors Miss Peggy Stephens

A miscellaneous [illegible] honored Miss Peggy Stephens, November 29th bride-elect, when [illegible] Cooper and [illegible] Waldenberger entertained at the latter's home Friday evening. Misses Irene and Ellen Waldenberger and Miss Lois Cooper presented the many lovely gifts to the guest of honor, in the form of a skit, appropriate for the occasion.

NEWS from ISLAY

Mr. and Mrs. Keith Kent, Lyle and Art, [illegible] and Mr. [illegible] Kent, passed through Islay Monday on their way to White Rock, B.C. for the winter.

Mr. and Mrs. Moncrieff, Pat and Charlotte attended the wedding reception at Provost of Mr. Moncrieff's niece Shirley Thompson who was married on Friday afternoon to Duane Dallyn of Ribstone. Also Mr. Moncrieff's sister Iris held a silver wedding anniversary for another [illegible] Florence, Mr. and Mrs. Thompson, parents of Shirley, at Edgerton. All the Moncrieff's were present but one brother who is fire chief at Tranquille, B.C., and could not get away. Altogether a lovely week end was had by the Moncrieff family.

It was a treat to hear Miss McKechnie tell of her trip to Japan last summer when she addressed the Home and School Association. The Saskatchewan Teachers' Federation certainly made a wise choice when they chose Miss McKechnie to represent them on the cultural tour which was organized by UNESCO to try to bring a better understanding between west and east. After hearing her and seeing her souvenirs of Japan, and if you have ever though of Japan as a backward nation (as some [illegible] us do) you can put that [illegible] out of your mind. The slides Miss McKechnie showed were very enlightening. The people, both old and young, are most polite, kindly and friendly. One picture impressed us very much, [illegible] a school she had visited [illegible] the children were so attentive to their work, not one gazed at the visitors but went right on with the business in hand. Miss McKechnie said this was true of all classrooms.

If you are looking for someone to ship your old woollens and rags, see Mrs. Bill Axley soon.

The monthly meeting of the United Church W.A. was held on Thursday afternoon in the church hall. Hostesses were Mrs. I. D. Inman and Mrs. Bill McLean. Mrs. Bill King led the devotional. A bazaar was planned for the afternoon of Nov. 29th. Sandwiches, pie, ice cream, coffee and tea will be served and there will be a table of handwork, also a home produce table. Come and have a visit with folks you have not seen for awhile. Anyone, other than members of the W.A. wishing to contribute to either of the sale tables may do so, it will be gratefully received.

FOR SALE BY TENDER

The Community Hall, originally the North Home school, size 24' by 36', to be moved from the present location on NW ¼-36-54-4. Highest or any tender not necessarily accepted. Sealed tenders to be in the hands of the secretary by Dec. 20th, 1958.

Mrs. Lillian Brock,
Secretary-Treasurer,
Dewberry, Alberta. 18-20

"Go Forth To Die"

I live beside a main highway. The street is filled with young families. The city people drive past my door, going out of town. The farmers drive past me on the way in. Days go by, and the traffic is serene. Toddlers wander across the road, and every driver seems to have his foot on the brake. Once in a long while — usually in the evening when the light is deceptive — two young fellows will bang into each other at the corner, smashing hoods and lights, but rarely even shaking themselves up.

Then comes the Friday preceding a long weekend.

Unfailingly, one car in five is going faster than any car has travelled all week, often at 10 and 15 miles an hour over the speed limit.

The speeding cars, I've noticed, have canoes on top, or family suitcases piled in the back. The drivers, I've noticed too, have a different look about them. They are not relaxed, with an elbow resting on an open window. The windows are tight; the drivers sit up straight — never taking their eyes off the road.

I wonder if people actually become emotionally ill without realizing it? I would like to know if some sickness which we have not yet diagnosed burns inside those drivers who go forth to die?

If so, it isn't a sickness of body though everyone knows that a driver with a bad case of flu is a poor driver. It isn't necessarily a sickness of mind; the doctor in charge of a mental [illegible] once told me that the [illegible] ill, as a rule, have no confidence behind a wheel, they [illegible] want to drive at all. This sickness must be a thing of the emotions.

The victim of it reacts to the thought of a holiday somewhat as a narcotic addict reacts to the idea of dope. To the casual observer, he is still the same person. But on closer scrutiny you notice he walks and moves differently: he yells for his wife to hurry up with the suitcases, for his children to get into the car. His eyes are narrower, and he makes no casual or easy conversation. And when he gets behind the wheel, he is a different driver, driven by something even he cannot define.

Maybe I am wrong, but that such an underlying sickness exists, seems almost certain. I noticed it recently in another sphere, when I went out to collect some money for the victim of a deeply moving, local tragedy.

The first neighbour I called on took me into his living room. An honest man, he told me simply that he could not afford to give. He showed me his bank statement, in the red. He told me that he was not only making the monthly payments on his new home, he was repaying money he had to borrow to make a down payment on it. He simply was tied up financially.

Yet a week later, that man went out and lost two weeks' pay at the race tracks. He looked sick as he told me about it. As sick as a driver looks when he stares at crumpled cars and crumpled bodies. "I only intended to bet about five dollars", he said. "I lost on the first two races and then . . ."

He reminded me of another man I know who lost his wife in a car accident. He was the driver. "All I wanted", he kept saying over and over, "was to give her a lovely weekend . . ."

Maybe its time we quit analysing tires and speedometers and safety factors in the matter of driving and began analysing ourselves prior to climbing into cars. Anyone who is honest with himself can do it. And if he believes he has caught that long weekend sickness, he should take obvious measures to fight the fever.

Otherwise that long weekend may last forever.

WILDMERE WINKS

Mr. and Mrs. Wilson Ford of Vermilion spent last week visiting with their daughter and [illegible]-in-law Mr. and Mrs. Frank [illegible]son and family of Basswood. It was nice to chat with Mrs. Ford once again.

On Sunday Nov. 2 Mr. and Mrs. George Harrison and Sandra of Battleview went to church at McLaughlin to hear Rev. Ian MacDonald who was a student at Wildmere and Auburndale 18 years ago. Mr. MacDonald sent a big hello back with Mrs. Harrison. They also visited with Mr. and Mrs. Gunn of Paradise Valley and took Mrs. Leighton to Kitscoty to catch a bus for Edmonton to visit her husband.

A nice attendance at the Old Timers' banquet last Thursday evening in the Legion hall. The menu was turkey with all the trimmings to which everyone did full justice. Later a one minute silence was held for those who had passed on since last year. Election of officers was held, resulting in George Webb Sr. being re-elected president, a job he has filled very well. Some new directors were added to the standing committee. Mrs. Cross is still the secretary - treasurer. A far-too-short program was held, a sing-song in charge of Mr Folk with Mrs. Folk as pianist was truly enjoyed: little Miss McCauley played two pieces on the piano which were wonderful; Johnny Webb sang two numbers which were enjoyed as always. Some tables of whist were then played under the guidance of Jim Millar and some crokinole was also enjoyed. All will be looking forward to the Old Timers' get-together in [illegible].

A [illegible] was [illegible] last Wednesday evening at the Holte home by some W.I. ladies, namely Mrs. Roy Dibben, Mrs. F. Gibson and Mrs. Holte, [illegible], to make up new [illegible] books for 1959. The Xmas concert committee of Mrs. [illegible], Mrs. W.T. Garnett, Mrs. C. Cruthers and Mrs. Wallington met to plan the annual concert for the little folk to be held [illegible] 12th at [illegible] school.

We were pleased to have at church on Sunday Mrs. George Eyben, Mrs. H. Eyben and Lila Eyben, Mrs. H. Wear and Lester, all of Auburndale and Buffalo Coulee. Rev. MacKay was unable to be present and the service was carried out by Mr. Schurman of Vermilion. Mr. Maddex drove Mr. Schurman out. Church will be held again on Nov. 23 and Rev. MacKay will be back before that. Plan to attend.

Well the Wildmere and Vermilion hunters landed home Sunday with three moose between the four of them. Two others went with them from Edmonton and they each got one. All seemed to have enjoyed their outing.

Several attended the dance at Thorncliffe Friday evening.

Mr. and Mrs. Wm. Whitlock and family of Triangle recently moved to Vermilion. Before leaving Triangle a number of their neighbors gave them a surprise party and presented them with a nice table lamp. Mrs. Donly expressed regret at losing these fine neighbors but hoped the lamp would spread a warm glow of light and remind them of their many friends in Triangle.

Mr. and Mrs. Wally Westman of Basswood along with other relatives in Vermilion journeyed to Saskatoon Friday evening to attend a niece's wedding there on Saturday. Beverly and Dougie stayed with Mrs. Gibson and Murray stayed with Mrs. Albert Smith.

Gary and George Cruthers and family visited at the Cruthers' home Sunday afternoon. Gary called in to say hello at the Wallington home. Later Bertie Fadden, Jimmie Clark and Ronnie Lake called on the Wallingtons.

Don't forget the Students' Union box social and dance to be held in Basswood hall on Friday Nov. 14. Proceeds for Xmas tree fund at Preston school.

A big crowd attended the first bingo of the season put on by the Foresters in the Legion hall on Saturday evening. Next one will be held Nov. 29th, same place. The prizes are very nice.

RECESSION OR SHAKE DOWN

To the man out of work, we are having a recession. To the ordinary man, what is happening is a shake down brought on by union demands.

Union leaders deliberately preach nonsense. They say that they ask bigger wages to increase purchasing power. They know higher wages mean higher prices — putting more men out of work, because consumers refuse to buy.

There is plenty of purchasing power in Canada. People are holding their money in the bank in protest against high prices. Those high prices are the result of high wages for poor or slow work.

I watched a basement excavation recently. Two men did the excavation because it was a small job — addition to a home. These men worked slowly. They loafed to put it bluntly. They put the cost of that job up beyond reason. Fellows like that make the rest of us hesitate to buy a house or enlarge our old one. We know the price is bound to be high if men loaf on the job.

When prices of cars, homes and clothing get too high, people [illegible]pone their purchases. They drive the car another year; they put off enlarging the home; they wear that suit of clothes another season. When sales fall off, unemployment results. Those who have union jobs make very good money; but this doesn't help the man laid off.

I've been saying for the past five years that the unions, if they persist in boosting wages without working harder, would bring on a recession. That time has come. At least 80% of the blame for the present situation can be placed on the shoulders of union leaders in the United States. And when they have a recession down there, we suffer too.

Fortunately, rank and file workers in Canada see the truth. No longer do they believe everything union leaders say. Soon union members will demand more voice in what leaders do. Soon there will be secret balloting in unions. Soon Canadian workers will insist that Canadian union fees stay here in Canada, and that union decisions be made here. The union movement is due for a shake-down, and the leaders have brought it upon themselves.

Naturally, this does not apply to all unions. Some have good sense. As a result, their members are still at work, making reasonably good pay, because the prices of the products they turn out are competitive, and consumers still buy them. If the automotive workers and a few others had used similar good sense and restraint, we might never have needed this shake-down.

The sources of Canada's 1957 $15.3 billion labour income were: agriculture, forestry, fishing, trapping and mining, $1 billion; manufacturing $4.8 billion; construction $1.2 billion; utilities, transportation, communication, storage and trade, $4 billion; finance and services, including government, $3.8 billion, supplementary labour income, $533 million.

— Quick Canadian Facts.

McLAUGHLIN'S SELF-SERVE

Mannville and District Local News

Sympathy of Mannville is expressed to members of the Wood family on the passing of Mr Ed Wood, well known old-timer of the district.

Mr. and Mrs. J. Chrysler enjoyed a recent trip to the city, when they visited with their families in Edmonton.

Mr. and Mrs. Art Bartlett and family are presently visiting with their grandparents, Mr. and Mrs. J. Chrysler. Mrs. Bartlett will be remembered as Joan Fisher.

A number of Legion members from town attended Legion services at Innisfree Sunday last.

Mr. "Buff" Johnstone is a patient in the local hospital. It is the first time in ten years that he has not been able to drive his school bus. Quite a record.

Vic Mark was a recent visitor to Mannville from Edmonton.

Mr. and Mrs. Chris Makelki of Saskatchewan (nee Phyllis Ewing) are visiting relatives and friends at Mannville.

Mr. and Mrs. Mike Symborski and their little girl have moved into the house formerly occupied by Mr. and Mrs. Stan Boe and family.

Mr. Riley Emmott is here on a visit having first attended the Calgary Stock Show before coming to Mannville.

Friends of Mrs. Tom McCauley will be pleased to learn she is recovering from her recent illness.

Mrs. Opal Miller was a week end guest at the home of her mother and father, Mr. and Mrs. G. Ackerman.

Noticed home over the week end were Lorne Scoggins, Harold Keuschnig, Bernie Bury and Danny Hasiuoff.

Sandy and Beth Hogan were also home for the week end from Edmonton.

Mr. and Mrs. Ray Parsons and girls were recent Mannville visitors.

The Thrill That Comes Once in a Lifetime A WEBSTER CLASSIC

OUR LETTER FROM EDMONTON

Province of Alberta To Build 35-40 Nursing Homes for Chronic Patients

by KEN MASON

The government last week took the wraps off its proposed program of nursing homes for chronic patients in Alberta.

Health Minister Dr. J. Donovan Ross said nursing homes will be built in between 33 and 40 Alberta centres, and the cost of construction may run as high as $15,000,000. Operating costs probably will amount to between $4,000,000 and $6,000,000 per year.

NO OTHER PROVINCE IN CANADA HAS EVER ENVISAGED SUCH A WONDERFUL PLAN

Aim of the plan is to provide facilities for the care of chronic patients who can't stay at home, but who don't require active hospital treatment. The plan is part of the "five year development program" announced by the government last summer.

Preliminary surveys indicate the province needs 2,500 to 3,000 chronic beds, which are expected to cost from $4,000 to $6,000 per bed.

The province will bear the lion's share of the cost, but the patients and the municipalities will have to contribute. Municipalities will have to initiate the action and apply for authority to build a nursing home. If it is granted, the municipal council will have to borrow the money to finance the project. The province will then agree to repay the loan.

There will be a flat rate of one to one and a half mills assessed against the municipality every year to cover the municipal share of capital and operating costs. The patient will pay about $1.50 per day — approximately the same as patients pay under the existing active hospital treatment plan in Alberta.

Patients in some of the existing private nursing homes may be the first to benefit. Dr. Ross says some of the private nursing homes which meet provincial requirements will come under the provisions of the new plan, which is expected to go into effect next April 1.

When it goes into effect patients who have been paying as much as $250 per month to private nursing homes will see their rates reduced to around $45.00 per month.

The province is going to have the last word on the standard of service to be provided by the new nursing homes. Maximum amounts will be set for the cost per bed and for daily operating costs. Any municipality which wants higher standards will have to foot the bill.

LOANS TO FARMERS FOR HOME IMPROVEMENTS

The farm vote is far from forgotten in the now famous "five year plan" of Premier Manning.

Last week Agriculture Minister Leonard Halmrast revealed details of the plan under which home improvement loans will be made available to Alberta farmers. The government will guarantee principal and interest to the tune of 50 per cent on loans to a maximum of $2,000.00.

This means that if a farmer borrows $2,000 to improve his home, the government will guarantee repayment of $1,000, plus interest. As a result chartered banks and treasury branches have agreed to cut the interest to five per cent from the normal six per cent.

Main aim of the plan, says the minister, is to provide farm homes with sewer and water systems which at present are too expensive for some farmers. However, he added, the money can be used for other home improvement projects.

Kenneth J. Hawkins, who played a leading role in formulating Alberta's financial policy during the post-war years of record expansion, has retired [illegible] his post as deputy provincial treasurer.

He is only sixty-one years of age but he decided to take advantage of the right to retire, and has taken up residence in the Okanagan Valley. His successor is Frederick G. Stewart, 48, who has served as assistant deputy treasurer since 1949.

Howard Hines Ships 300 Calves To American Buyer

MARWAYNE. — The week before last Howard Hines loaded over 300 Hereford calves bought by a Denver buyer and shipped to Illinois. They were conveyed by double decker Seamore Transport, Calgary, leaving here at 5 p.m. Friday and arrived in Illinois in very good shape on Monday at 11 p.m. This week Mr. Hines is loading four more transports with Hereford calves. Most of these were bought at the Lea Park Association sale last week.

According to a CBC commentator, the two largest purebred Hereford cattle sales in the west took place near here, one the A. Mitchell sale at Lloydminster and the other the 'Dick' Hines sale at his farm north of Marwayne when he sold 300 Herefords realizing $180,000. Buyers were present from several points in Alberta, Montana, Manitoba, Saskatchewan and B.C. One of the auctioneers was from Saskatoon, the other, Archie Boyce, was from Calgary. Mr. Hines who started his purebred herd some twenty years ago, had never held a production sale.

Harvest Dance Enjoyed, Derwent

DERWENT. — A highly successful dance was held at the Derwent school auditorium on Nov. 7th, sponsored by the Derwent Students' Union, with music supplied by "Vegreville Troubadors". The school auditorium was beautifully decorated with cupids, stars, the moon with pink and white streamers.

Lunch was served by the high school students.

25-Bed Chronic Hospitals Planned for Albertans; To Be Built With Provincial Funds

A comprehensive nursing home program, to meet the needs of those older Albertans who cannot efficiently be served by the active hospitals or the homes for senior citizens, has been proposed by the Hon. Dr. J. D. Ross, Minister of Health.

The program will be operated on a basis similar to that for the active treatment hospitalization plan introduced this year. These proposed nursing homes will be built with provincial funds, and operating costs shared with the province by patient and municipality.

A survey by the Department of Health indicated between 2500 and 3000 new beds may be needed to care for the chronically ill. Present chronic hospitals provide about 300 beds and there may be more in private nursing homes of acceptable standards.

Present plans call for erection of chronic hospitals in sizes of multiples of a basic 25-bed unit, according to area demand. The smaller units are deemed desirable to best maintain the high level of bedside nursing care necessary for patient welfare.

It is proposed the new units would be built closely adjacent to active treatment hospitals, so services of the latter such as Xray, laboratory, laundry-diatary, might best be utilized. It is hoped the hospitals might be largely staffed by nurses aides, who are now graduating from training schools in Edmonton and Calgary at the rate of 450 a year.

It is believed the hospitals can operate at between four and six dollars a day, with construction costs at between four to six thousand dollars per bed. Co-insurance at $1.50 per day, which can be readily realized from the old age pension available to the majority of patients, will likely be charged. A further levy of from one to one-and-a-half mills on equalized assessment would be asked of municipalities in which the homes are located. Residual operating costs will be borne by the province and capital costs paid by the province as will be done after January 1st for active hospitals.

Basis of locating these nursing homes has not yet been announced, but will depend on the presence of an active hospital, and a location that will be center of a major trading area with a population that will be large enough to properly utilize the facility.

—S—

To Investigate Hutterite Question

The three-man Hutterite Investigation committee appointed by the Provincial Government to investigate Alberta's Hutterite colony situation will hold public hearings in the Court House, Lethbridge, Dec. 2; the Court House, Calgary, Dec 10th and the provincial highways building Edmonton, Dec. 16th.

Briefs presented by interested individuals or organizations will be accepted by the committee. Any presentation must be submitted at least six days before the commencement of the hearing.

Terms of reference of the committee cover the acquisition of lands by Hutterite colonies, and possible changes to the Communal Properties Act which governs establishment of colonies.

Hallowe'en Damages

(Held over from last week)

MANNVILLE. — Though the majority of Hallowe'en pranks were harmless, windows soaped and out-buildings upset, there were a few reports of the work of more damaging acts, which always make bad feelings. However it is understood damages where the culprits have been caught have been rectified, and it is hoped that others who got away without being detected will come forward and make restitution. Specially in the case of the resident, an old age pensioner, who had a stone thrown through his window, and the farmer who had his truck parked in front of the theatre and which suffered four deflated tires and a cracked windshield. This is not funny.

DERWENT THEATRE

Showing at Derwent theatre Saturday and Monday Nov. 15 and 17 "The Big Land" in color featuring Alan Ladd and Virginia Mayo in a drama of the lawless reconstruction period following the civil war; Wed. and Thurs Nov. 19 and 20 "Run of the Arrow", a strange story of the Confederate soldier who turned Sioux to wage a one man war against the Yankees; Nov. 22 and 24 "Man on Fire" with Bing Crosby.

Record Numbers Travel via CNR To "Royal" Fair

WINNIPEG. — Canadian National Railways this week will carry a record number of people from Western Canada to the Toronto Royal Winter fair, it was announced.

Four extra sleeping cars will be added to the CN's Super Continental on Nov. 13 in order to accommodate the anticipated heavy passenger traffic that day. In addition to regular passengers approximately 90 people have taken advantage of the special package tour to the 'Royal'.

The majority of this group will entrain at Edmonton, Thursday afternoon, Nov. 13 and additional passengers will join the train at Saskatoon and Winnipeg.

Window Washing Day Last Saturday

(Held over from last week)

MANNVILLE. Upon strolling downtown the morning of Saturday Nov 1st the local scribe was struck with the burst of energy on the part of the local business men of Mannville all of whom were busily engaged in washing their windows. Upon seeking a conceivable reason for this united effort of all places of business it was concluded that the beautiful sunny day was the only possible answer, aided by a gentle prod from the ghost of Hallowe'en.

Al Johnstone Tells Of Elevator Fire Investigations

Al Johnstone of Edmonton, district inspector for the Affiliated Inspection Bureau addressed the Vermilion Rotary Club last Friday.

Mr. Johnstone said his bureau had charge of bonding elevator agents and the investigations in case of fires in grain elevators.

The speaker was introduced by Ken Greenwood and thanked by Jack Kneal for a most interesting talk on a subject of which little is known about by the general public. President Jim Robson also added his thanks to Mr Johnstone for a very informative address.

Elizabeth Stewart, daughter of Rotarian Fred Stewart, was guest of the club. Elizabeth is Rotary's candidate for queen of the Elks carnival.

Richard Brennan, until recent years a farmer just west of town, was introduced by his son Claude Brennan. Corporal Pete Morris and Mr. Rankin were visitors also.

J. W. G. Morrison had another birthday on October 26. J. W G is 45 plus and still going strong. He was presented with a carnation.

CLANDONALD THEATRE

Pool Bursary Winners Named

Ronald J. Kidd, of Mayerthorpe, is one of the three winners of the $125 Henry Wise Wood Memorial bursary awarded annually by the Alberta Wheat Pool.

The award is made to students attending Alberta's schools of agriculture in memory of Dr. Wood, first chairman of the board of directors of the Pool and for many years president of the United Farmers of Alberta.

To be eligible the student must be a member or former member of Alberta 4-H clubs.

Mr. Kidd, a first-year student at the Vermilion school, has been an efficiency winner and a junior leader in his four years of 4-H club work. He plays baseball, hockey and badminton.

The other two winners are: Wilson Redegwell, Carbon, and Dorothy Hebson, Okotoks, both attending the Olds S.A.

Another bursary winner is still to be selected at the Vermilion school.

"THERE IS ALWAYS A BEST WAY OF DOING EVERYTHING"
— *(Author's Name Below) —

When pharmacists compound your prescriptions, you place your health, even your very life in our professional care.

First we carefully read the prescription and then select the exact ingredients specified by the physician. All drugs must be potently fresh and of the purest possible grade. Next, after checking the dosage and ingredients again for accuracy, we compound them, record the prescription by number and date, and place in a container labeled with directions for use. We must always do our best. To do less is unthinkable.

A great many people entrust us with the responsibility of filling their prescriptions . . May we compound yours?

Many Vital Services Rendered By Minburn-Vermilion Health Unit

Alberta's [illegible] Health Units [illegible] operating for a sufficient length of time, so that their value is now well recognized and the various services available have become well organized. Rural populations are now able to enjoy the public health advantages previously only enjoyed by urban populations.

The Health Unit work is wholly preventative. Some explanation of preventative medicine is probably needed. Many people are at present inclined to be "sick minded" rather than "health minded". That is to say, they wait until sickness descends upon them and their families before doing anything about it, by which time it is sometimes too late and tragedy is the result. There are of course many diseases which require hospital attention but there are now a large and growing number which can be prevented and should never enter the sick bed at all.

Prominent among these latter preventable diseases are typhoid and paratyphoid fever, diphtheria, poliomyelitis, whooping cough, smallpox, tetanus (lock-jaw) and rickets. There are others too which would never strike the population if effective preventative measures were in force. Prevention is always much [illegible] than cure. A child catching diphtheria will be in hospital a minimum of four weeks (and often much longer depending on the severity of the disease) dangerously ill and in the event of recovery may be affected for life with a weak heart or nerve paralysis as a result of the illness. The hospitalization, treatment and drugs are very costly, whereas to immunize the child takes a few injections and costs only a few cents per child. The cost of either prevention or cure is, of course, secondary to the illness or disability of a child, but it is an important factor. Immunization is safe, easy and avoids the dangers of complications and after-effects. The same applies to typhoid fever in the adult and in [illegible] degree to other diseases [illegible] careful supervision of water and milk supplies both of which may convey the germs of typhoid, dysentery, gastro-enteritis, scarlet fever and septic sore throat to name a few of the common ones, prevents epidemics striking the population by these means.

In the event of an epidemic, the Health Unit is there to supervise all precautions and prevent spread to the rest of the community. The medical officer of health does not undertake treatment, he is there to prevent, isolate, inoculate and to conduct the general policy of the unit, and to give advice especially on child care and on matters of hygiene and sanitation. Sanitation, for instance, insures that food is properly handled, that instruments are clean, that water supplies are pure and safe to drink, and that sewage is properly disposed of so that it cannot be offensive or spread disease.

The staff of the Health Unit consists of a Doctor, Senior Nurse, Staff Nurses, Sanitary Inspector, Stenographer-technicians and a Secretary Treasurer. The number of those employed depends on the size and population of the Unit. Population of our Health Unit is 30,000; area is 5,000 square miles and the staff consists of the Medical Officer of Health, Senior Nurse, four staff nurses, one Sanitary Inspector, one whole time and one part time Stenographer-Technician and a Secretary Treasurer.

Public health work and preventative [illegible] in certain parts of Canada and in these areas little is really known about it. Overseas and in the United States of America, Public Health work has a very firm footing, and its importance grows from one year to another.

Trained public health staff has a very specialized training and it takes a minimum of four years after one qualifies. For instance, special post-graduate work is done in all the spheres of public health work and examinations in these subjects are held which must be passed before such a person is a trained public health Doctor, Nurse or Sanitary Inspector. We work in specialized fields in hospitals to attain this training, such as Pediatrics (for diseases of children), infectious fevers, obstetrics and gynaecology and tuberculosis, as well as in Health work is a specialty and requires years of post-graduate study before one is adequately trained.

The Health Unit Board which consists of local councillors, engage their staff and the Medical Officer of Health acts as advisor to the board and as supervisor of the Unit. He issues four quarterly reports and an annual report, which set out in detail the work performed during that period of time and [illegible] of these reports are forwarded to each member of the Board, the other Health Units in the province, each School Division in the area, the contributing parties to the Unit and the provincial authorities. All those receiving these copies of the reports will have laid before them the work being done in the Unit.

The Health Unit carries out the following programmes: —

1. **Communicable Diseases**

(a) Isolation of patients to prevent spread of the disease among a community.

(b) Control of the source of the infection and quarantine of contacts.

(c) Immunization against smallpox, diphtheria, whooping cough, tetanus, poliomyelitis, and others when required or requested such as typhoid vaccine.

(d) The Medical Officer of Health is available for consultation with the family doctor in cases of communicable disease.

(e) Tuberculosis control by the supervision of cases, contacts and suspects, tuberculin testing, sputum tests, and community X-ray programmes. BCG vaccine is administered in special cases only.

(f) Laboratory tests in control of infectious disease.

(g) Acts as a serum centre for the community.

(h) It assists in the control of venereal disease.

2. **[illegible]**

(a) Laboratory tests on milk and water supplies.

(b) Inspection of 1. Water, milk, meat, and other food sources. 2. Sewage disposal plants. 3. Garbage disposal.

3. **Pre-Natal Service**

Advice is given to expectant mothers.

4. **Child Welfare**

Baby and child welfare clinics are held periodically at selected points throughout the Health Unit to provide information and public health service to children under school age.

5. **School Health Service**

(a) Public health education in and through the schools.

(b) Sanitation of schools and grounds.

(c) Communicable disease control among pupils.

(d) Immunization.

(e) Periodic examination of pupils, and especially those entering school for the first time. The aim of the school medical examination is to ensure that our younger generation shall be as near physically perfect as it is possible for them to be and to see that no physical handicap prevents them from benefiting from the schooling provided.

6. **Mental Hygiene Clinics**

Periodically clinics are held, operated by specialists in the field, to assist teachers and parents with retarded pupils or behaviour problems of childhood.

7. **Nutrition**

Advice is given on this subject and in special cases vitamins and vitamin enriched baby-foods are supplied.

8. **Health Education**

This is the most important work in a Health Unit, and is carried out by every employee doing his routine work. There are also special educational programmes carried out, in the schools, through the press, by poster, radio, moving pictures, talks to various clubs or other organizations, and by any means that can get the Health Unit messages across to the public.

There are many other schemes which we would like to adopt, and which time will undoubtedly see adopted, but which for various reasons at the moment cannot be undertaken.

Your Health Unit is an economical service. The cost to the local taxpayer is very small and as you see the range of services available is very considerable. The M. D. of Vermilion River which is the largest municipal district in our Health Unit may be taken as an example of the cost. The mill rate for schools is 29, for hospitals it varies from 1.8 to 5.8; the municipal mill rate is 20 (this relates to public works, welfare and administration etc.) The Health Unit mill rate is included in the municipal mill rate and amounts to 0.0005, which is an infinitesimal amount in comparison to the others.

The day of prevention is at hand. The people living in rural areas and in the smaller centres are entitled to the same health advantages as those living in cities.

Such advantages are made available through the services provided by your health unit, and the establishment of rural health units is the solution to our rural public health problems.

REMEMBER THESE FACTS

Your Health Unit: —

1. Defends the community and individuals from the communicable diseases.
2. Depends upon active community support for their development, maintenance, and growth.
3. Costs the community money, but saves the community much more than they cost.
4. Is the most effective when adequately staffed with competent trained public health staff.
5. Acts on scientific methods of preventing illnesses and deaths as these are developed by scientists and research workers.
6. Represents the best investment in health a community can make.

NEWS from ALLANDALE

Weather is just wonderful for this time of year, as [illegible] the coldest we have had in these parts is 10 above on Nov. 5th.

Mr. and Mrs. Lloyd Ockerman and son John from Nucco Lake, B.C., were holidaying with his parents and relatives at Ferguson Flats, and sister Elsa and Isidore, the Nelson family, at Allandale the latter part of October.

On Nov. 2nd Vernon Nelson and [illegible] Lacusta from Lloyd[illegible] made a trip to the south [illegible] to hunt for antelope and were very successful.

One hundred years old on Nov. 9th is Mr. Stetson Sr., who lives on a farm near Fort Saskatchewan. He is a great-grandfather to Wayne and Bobby Stetson, sons of Mr. and Mrs. Ray Stetson (nee Betty Cross). He was honored at a birthday party on Nov. 9th. Mr. Stetson is hale and hearty. Our congratulations to him, also best wishes for many more birthdays.

A short while ago Mr. and Mrs. W. Cross' grandson Wayne was sitting on his dad's tractor when it back-fired and caught on fire, both were burned a bit. The little lad was wearing a woollen snow suit which protected him. Mrs. Cross will be with her daughter Betty, Ray and family on the 9th.

Congratulations to Mr. and Mrs. John David of town and to Mr and Mrs. Ross Taylor of King Edward on their silver wedding anniversaries on Nov 8th.

On Nov. 5th Dick Arnold purchased the Galloway house south of Borradaile and moved it to his farm where the Island Hill hall is located. The buildings are in a lovely location and will be an improvement to that road. Mr. and Mrs. Dick Arnold and family from town will be moving to their new home shortly.

On the evening of Nov. 4th the Princess Ann W.I. entertained the Clandonald and Allandale W.A.'s at the Ralph Strome home. Around thirty were in attendance. Miss Donna Shantz, District Home Economist, was guest speaker. She spoke on Christmas and bazaar gifts and had a number of articles on display. Miss Shantz is a very capable person and gave some grand ideas to us. A delicious lunch and social hour followed. Thanks again to our hostess Mrs. Strome, and the ladies for their kindness and hospitality.

Miss Shantz's parents of Wetaskiwin are well known to the Wm. McIntyre family and she was at home with the latter folks before and after the gathering.

Our congratulations to Mr. and Mrs. Andre Roy (nee Shirley Cross) who were married in the city on Nov. 8th. Congratulations also to Shirley's parents Mr. and Mrs. Jack Cross who were married on that date 26 years ago.

Mr. and Mrs. Rufus Omness from New Sarepta arrived on Nov. 5th at daughter Larlene's and Jack's, the Hobbis home, in town. The next morning they visited at the former's sister, the Armstrong home. Dinner with sisters Nora and Stella was also enjoyed. In the afternoon they visited the latter's brother Dave and Velda, the Bury family in Lloydminster, attended the Old Timers' banquet and returned home that evening.

On Nov 1st Orley Omness, Don Wilson and Jimmy Walsh went on a hunting and sight-seeing expedition west of Edmonton near Niton. Game was plentiful but not the right kind. A visit was enjoyed with the McCormicks while there. Mrs. McCormick is well known in the district.

Not too many farmers were interested in the F.U.A. meeting held on Nov. 3rd. Woody Wilson and Isidore Nelson will be canvassing for the membership drive.

Dean Cooper of the Rye district was taken to Elk Point hospital on Nov. 6th when an accident with his bike caused cuts and bruises to his face, but no serious damage. A black-out [illegible] have been the reason for [illegible]. A speedy recovery Dean.

The Dewberry ladies are to be congratulated on [illegible] a delicious supper. Appreciation to Mr and Mrs. Kranger, the slides were wonderful and gave much knowledge of other lands. Our P V Standard correspondent should have seen the beautiful flowers they have in Ethiopia, especially the large blooms on the begonias.

Mr and Mrs. Claremont Laird and daughters Margaret and Cathryn from Clandonald and son Wayne from Marwayne left on Nov 8th for Welwyn, Sask. to be with Mrs. Laird's parents Mr and Mrs S. McGibney to celebrate their 55th wedding anniversary. Son Stuart will join them from Assiniboia, Sask. Mrs. Laird's parents Mr. and Mrs. L. C. Laird from Pilot Mound, Man., will also join them for this happy event.

It was an honor and a pleasure to have the opportunity to bake, ice and decorate Mr. and Mrs. S. McGibney's 55th wedding anniversary cake. Our richest blessing to this esteemed couple and may they enjoy many more anniversaries.

Closing thought: "Life is a series of surprises. We do not guess today the mood, the pleasure, the power of tomorrow when we are building our own living."

UNION HALL

Dance and pie social at the Union hall on Friday, Nov. 14th. Melody Ranch orchestra in attendance. Everybody welcome.

WHY IS WINTER THE BEST TIME—
—for repairs, maintenance, renovation and general clean-up work around your home or place of business?
In the winter men and materials are more readily available, and small jobs get better attention and can be more economical during the cold weather lull. This applies particularly to building and renovation jobs.
HOME IMPROVEMENTS CAN BE FINANCED—
—by Home Improvement Loans under the National Housing Act, available through your bank . . . up to $4,000 and up to 10 years to repay.
FARMERS—
—inquire about Farm Improvement Loans backed by the government and available through your bank . . . up to $5,000 and up to 10 years to repay.
Plan to help yourself and at the same time help your community to increase employment this winter
CALL YOUR NATIONAL EMPLOYMENT OFFICE FOR ADVICE AND ASSISTANCE
issued by authority of the Minister of Labour, Canada.

News Of The Women's Institute

HAZELDINE

Hazeldine ladies were happy to welcome a new member, Mrs. E. Atfield. Roll call — "Something I am thankful for", brought out numerous replies, among them: our children, democracy, etc. Of considerable interest to all the W.I. members was a book from the Norwood W.I. P.E.I., which Mrs. J. S. McKay displayed. Mrs. McKay had been presented with it on her recent trip to that province. A vote [illegible] was sent to the men [illegible] district who had renovated their community hall. A tricky mathematical problem and an intriguing song contest was greatly enjoyed.

WILDMERE

Wildmere W.I. had as an unusual roll call "Names of favorite teachers and why". Mrs. F. Gibson read an interesting paper on "My [illegible] Operation" by Mrs. Nellie [illegible]. It stated that most operations are successful; don't visit patients, let them rest; don't send flowers as they may cause sneezing, which is harmful. New officers were appointed to the Standing committees. Plans were made to hold a chicken supper. Mrs. F. [illegible] gave a talk on 'Oranges'. The social half hour was led by Mrs. W. T. Garnett. She told a story about two little boys and each member had to add a line. This proved most entertaining.

RAMSAY

Mrs. R. Bang led the discussion on the brief presented to the Alberta Royal Commission on Education by the W.I. The representative to the special meeting of the Mannville rest room reported that owing to damage being done to the rest room it was decided to have earlier closing hours. The library board fee was paid. A donation is to be made to the C.M.H.A. in lieu of a tag day.

CLAYSMORE

Claysmore W.I. had a farewell party for Mrs. Fred Leversedge during July and presented her with a cup and saucer. A busy summer was reported though no meetings were held. Fruit [illegible] sent to the [illegible] etc. Mrs. G. Watling gave an excellent paper on the United Nations. Scholarship fund and library membership fees were paid.

CREIGHTON

This W.I. had an entertaining opening to their meeting. Each member named their favorite song and all joined in singing it. Perhaps they were preparing for the Provincial Convention choir? Magazines and necklaces are to be sent to the C.M.H.A.

KITSCOTY

Roll call was answered by an "Interesting place to visit in our province". Plans and suggestions were given for annual bazaar and tea to be held Nov. 14th. Plans were made to contribute the proceeds from the tea to the C.M.H.A. Mrs. McDonald reported on the constituency conference held in Vermilion in July. One visitor, Mrs. H. Wright, was welcomed to the meeting. Mystery parcel was won by Mrs. Kay Spellman.

VERMILION

Vermilion W.I. held their first meeting since July. Social convener reported a busy summer, eighty calls were made to the sick and shut-ins, also numerous cards [illegible]. Four members were appointed to attend the Handicraft committee meeting in the Legion hall Oct. 21. Plans were made for the husbands of the members to attend a whist drive following their November meeting.

FIVE POINT

In September they were hostess at an open meeting in the Mannville school when they had as guest speakers Miss [illegible] and [illegible], missionary nurses home on furlough from Kenya, East Africa. The girls illustrated their talk with slides and a descriptive narrative which held the interest of the audience for over two hours. October meeting opened with the roll call — a new plant grown in 1958. Social Service convener reported three cards sent to hospital patients. $10 was donated to the library for new [illegible]. Miss Marion Ross gave an interesting paper on Indian handicraft in an Indian hospital. They work at their native skills such as carving, bead work and moccasin making. Plans were completed for bazaar and home cooking sale Nov. 15.

PRINCESS ANN

Social Service convener of this W.A. had been busy. A gift was sent to a new district baby. Cards were sent to sick patients, subscription sent to the Reader's Digest to a member's husband who is a patient in the Aberhart Memorial hospital. A committee was formed to start collecting data for the Tweedsmuir History.

SALTAUX

Members enjoyed the paper read by Mrs. T. Smith on the International Peace Gardens. They were pleased to welcome two visitors, Mrs. Dave Smith and Mrs. James Smith. A donation was [illegible] Mannville Scholarship [illegible]. Roll call — each member [illegible] holders for their bazaar in October. Plans were made to raffle off a dressed doll and have a parcel post sale at their bazaar.

WILDMERE BEAVERS

[illegible] was the annual meeting for Wildmere Beavers Girls' club [illegible] four new members were welcomed, namely: Gloria Osterburg, Sharon Dibben, Beverly Westman and Linda [illegible]foot. Plans were made to [illegible] a bazaar in November and the girls are to make [illegible] laces, flowers, etc., for it. During the October meeting plans were completed for the Hallowe'en party to be held at Preston school. A masquerade and cootie party to provide entertainment. Wildmere Beavers to serve the lunch.

NEWS from KITSCOTY

Mr. and Mrs. A. Franke spent last Sunday at Ft. Saskatchewan visiting with their son Earl and Mrs. Franke.

Mr. and Mrs. Frank Martin spent the week end in Calgary and were guests at their cousin's wedding on Saturday.

Mrs. P. McLean and Mrs. Milo Quinn were Edmonton visitors for two days recently.

Mrs. J. Leighton spent Sunday in Edmonton visiting with her son Hugh who is a patient in the University hospital. Best wishes for a rapid recovery are extended to Hugh.

Mr. and Mrs. William Murray and family left on Monday for Stockholm, Sask., where they will be guests at Mrs. Murray's brother's wedding on November 12 and spend the rest of the week visiting relatives and friends.

Mr. and Mrs. W. O. Harmer of North Surrey, B. C. would like their relatives and friends to know they arrived home safely on November 6, after spending fifty-five days' holiday visiting with relatives and friends at Calgary, Edmonton, Kitscoty, Marwayne and Lloydminster.

We regret to report Miss Minnie Parker passed away in the Elk Point hospital on Thursday, November 6, after a long illness. Sincere sympathy is extended to the family in their bereavement.

The first snow fall of the season occurred on Monday, November 1. About six inches fell making highway travel very dangerous. A large truck loaded with concrete and driven by Dalton Torrance of Islay went into a ten foot ditch near here as he turned off the highway to come into town.

And speaking of drinking, here's one from Texas. An old drunkard from the Panhandle saw so many pink elephants and purple snakes that he hired a barn and put up a sign "Etc. to See the Zoo". A couple of commoners resenting the fact that they saw nothing but four bare walls, swore out a complaint. The sheriff took the warrant and set out to make the arrest. The old boy handed his jug out from under his counter, the sheriff took 3 swallows, and paid him $400 for a half interest in his show.

Joe: "Do you think the doctor really meant it when he said you wouldn't live another week unless you stopped chasing women?"

John: "He sure did. I was chasing his wife."

Al: "Your wife used to be very nervous but now she doesn't show a sign of it. What did you do for her?"

Dick: "Found a new doctor who cured her in a hurry. He just told her nervousness is a sign of old age."

[illegible] sometimes a woman's thumb has a man under it.

The Rocky Mountains were probably first sighted by Francois and Louis Joseph de La Verendrye in 1743.

Health Unit Notes

THE PROTECTION OF A COMMUNITY'S FOOD SUPPLY

In order to assure the people of Canada that the food they are being sold is of a high standard the Dominion Government and the Provincial Governments, through various acts and regulations have provided legislation to control the matter.

ADULTERATION OF FOODS

Adulteration of food consists of a large number of practices, some of which are fraudulent, some technical and some of both a fraudulent and technical nature. Some forms of adulteration are injurious to health, but for the most part they have an economical rather than a sanitary significance. Food may be adulterated in a variety of ways, by the removal of nutritive substances, by the addition of injurious substances, by the fraudulent substitution of cheaper articles, by misbranding, or by the sale of food that is filthy, decomposed or putrid.

The adulteration of food for human consumption is a matter over which the Government of the Dominion of Canada has made provision for exercising control. There is at present on the Statutes of the Dominion Government an Act respecting food and drugs cited as "The Food and Drugs Act." For the purpose of this act, the term "food" includes every article used for food or drink by man, and every ingredient intended for mixing with the food or drink of man for any purpose whatsoever. The act provides that

Food shall be deemed to be adulterated within the meaning of the act

(a) If any substance has been mixed with it so as to reduce or lower or injuriously affect its quality or strength.

(b) If any inferior or cheaper substance has been substituted wholly or in part for the article.

(c) If any valuable constituent of the article has been wholly or in part abstracted.

(d) If it consists wholly or in part of any diseased or putrid or rotten animal or vegetable substance whether manufactured or not:

(e) If it is obtained from a diseased animal, or from an animal fed upon unwholesome food.

(f) If it contains any added poisonous ingredient, or any ingredient which may render injury to the health of the person consuming it, whether added with intent or otherwise:

(g) If its strength of purity falls below standard, or its constituents are present in quantity not within the limits of variability as provided in the act and the regulations made thereunder."

Any inspector appointed under the act may procure samples for the purpose of submitting the same for analysis to be made by an approved analyst.

LABELLING OF FOOD PRODUCTS

It is also interesting to note that the Food and Drugs Act, besides dealing with the question of adulteration, also makes the provision for the controlling and labelling of food products, and specifies the allowable proportions of various ingredients going to make up such well known products as baking powder, fruit juices, flavouring extracts, etc. The question of adding colouring materials to foods is also controlled by the Dominion Government "Dairy Industry Act" while adulteration of milk is controlled by the Provincial Board of Health regulations respecting dairy farms, milk plants, fluid milk and table cream, as well as by the Dominion Food and Drugs Act.

Prefabricated House Arouses Interest

MANNVILLE - Nothing interests the public so much as something new, and this was the reason for over a hundred people visiting the prefabricated house which is being constructed by R. Bedard and workmen and belonging to Alf Christensen. The lot on which the house is being erected is directly north of the R. Legg residence, and is most interesting to watch the building as it takes shape.

CBC Commentators Address Farm Forum Rally

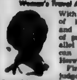
LAVOY — Addresses by Jack Trower, CBC Farm Commentator in Edmonton and Lionel Moore, Regional Director for the CBC in Winnipeg, highlighted the Farm Forum rally held Monday evening at the Vegreville Armory. Approximately ninety persons representing ten Forums in the area from Vegreville to Vermilion heard Mr. Trower tell of some of his more interesting experiences as farm commentator in Alberta since arriving here about three years ago, who also stated how hospitable he found the people in this province, and how much he had enjoyed the Banff workshop last year. Mr Moore gave various aspects of the make-up of the "Jackson's and their Neighbors", commenting on the work involved in creating a radio program and also dealt on the TV angle, in programs of special interest to farm folk.

Chairwoman, Mrs Irene Ziegler, kept the evening's agenda moving as guests were introduced and business attended to. A lively discussion followed the broadcast on "What Price Freedom" in which twelve groups recorded their findings. A rousing sing song was led by Lee Globelhaus.

Provincial Council Chairman, Hans Mayer gave a brief resume of the future Farm Radio Forum in Alberta this coming season, also stating the new National Secretary is Roger Schwass, who will act as Editor of the Forum Guide, which has a new format this year. Three regional broadcasts will be heard this season and will include vital topics such as "crop insurance" and "livestock marketing." A field man has been employed for a short while in order to sell Farm Forum in Alberta, and it is hoped to see many new forums begun.

Tips on Touring

By Carol Lane
Women's Travel Authority



With a little bit of know-how and a little bit of practice, parallel parking can be easy — Here's how.

First, learn to judge the length of parking spaces. They should be at least five feet longer than your car.

Then, when you have selected a suitable space, signal for a stop and pull up beside the car in front of you until your rear bumpers are side by side. Wait until oncoming traffic is clear.

Steering sharply to the right, begin to back slowly. Continue until your front wheels are opposite the back bumper of the car ahead. You should now be at about a 45-degree angle to the curb. Stop; turn your steering wheel to the left, and continue backing slowly until your rear wheels are near — but not touching, the curb. Stop, turn your front wheels to the right and go forward slowly. This should bring your car parallel to the curb. Next, straighten your wheels and back up until your car is midway between the car in front and the car in the rear.

If you wish to park on the left-hand side of a one-way street reverse all left and right steering directions.

Women of United Church Visit Saddle Lake Indian Reserve

An interesting group of women gathered at the Manse at Saddle Lake Indian Reserve on a bright October morning recently. They were members of the Women's Missionary Society of St. Paul Presbyterial of the United church of Canada, and some of them had been travelling since 6 o'clock. Women of the reserve welcomed them, and served coffee and cookies.

Then in the little frame church that had served the people of the reserve some fifty years, all gathered and worshipped together. The women of the church led in Bible reading and prayer, while their missionary the Rev. W. Morgan preached a short sermon. Then they with Rev Mr Morgan and Mrs. Morgan, sang "Nearer My God to Thee" in Cree.

The next stop for the members of the W. M. S. was Vilna. Not those called Canada's oldest citizens — but some who are New Canadians make up a large part of the community of Vilna. Miss Ila Newton, a W M S worker, is in charge of church and Christian education work there for the United Church. Her group of CGIT girls were presented with the affiliation certificates during the afternoon, by Mrs. R. Smith of Lloydminster. Two of the group, Sola and Frances, taught those gathered there a new hymn, An Indian Cradle Song.

Mrs. A. Knapp of Cold Lake presided at the meeting.

A buzz session took place, and the three different groups discussed community friendship, stewardship and the problems of the younger groups. Those leading the discussions or reporting on them included Mrs. Demeriez of Cold Lake, Mrs. C. Alderson, Wainwright, Mrs. R. A. Sonley, Marwayne, Mrs. W. H. Dyce, of Lloydminster, Mrs. R. Simmermon of Irma and Mrs. R. Smith.

There was a display of literature in the care of Mrs. J. A. Hamilton and Mrs. L. Mitchell of Wainwright.

The afternoon session opened with a well prepared worship service led by Miss M. Willows, W. M. S. worker at Bonnyville and Cold Lake. Mrs. Morgan showed some interesting slides on the building of the new W. M. S. hospital at Cold Lake, and the formal opening of it in July.

Miss K. Metheral, who is at present a nurse at the Cold Lake hospital, showed some pictures that she had taken in India, while serving in Banswara hospital there. She spoke about the terrible famines that sweep over India, — famines that leave the people without either food or water.

Mrs. W. H. Langman, president of Edmonton presbyterial, and one of the Alberta delegates to Dominion Board at Toronto this year, gave an instructive account of that meeting. She told of her joy in being able to meet so many missionaries, both from home mission and from overseas. She mentioned that in 1958 the number of trained workers needed by the W. M. S. was 91 but the number available was 7. Many more dedicated young workers are needed.

The women of Vilna United Church then served a most delicious lunch to end another very successful rally.

New Deputy Prov. Treasurer

F. G. Stewart, 49, of Edmonton, has been appointed Deputy Provincial Treasurer for the Government of Alberta, according to an announcement by Hon. E. W. Hinman, Provincial Treasurer. He succeeds Kenneth John Hawkins, 61, who has retired after 27 years of government service. Mr. Stewart has been the assistant deputy provincial treasurer since 1949.

Moved to Thorsby

MANNVILLE — Robert Calder, who has been an employee for some time at the local branch of the Beaver (Alberta) Lumber Ltd., has accepted a position at the same Company at Thorsby, Alberta. Replacing him, and apprenticing to the work is Jim Scott, son of Castle Scott who lives south of Mannville.

GEORGE SAYS "GOOD-BYE"

In a humorous vein George Capatos donned the derby hat and cane which he wore when he arrived in Vermilion in 1923, when he said goodbye to the 150 business men and friends who gathered together in the Elks hall last Wednesday evening. Mr. and Mrs. Capatos have now moved to Penticton to reside in future.

Business Men of Town Gather To Bid George Capatos Farewell

A figure in the town ever since his arrival here in 1923, George Capatos was guest of honor at a farewell party held in his honor in the Elks hall last Wednesday evening when about 150 business men and friends gathered to wish him farewell and the best of everything in his retirement. George retired from the restaurant business in August when he closed his Cabaret De Luxe and will now reside in Penticton, B.C., after 35 years in Vermilion.

Probably there is no better known business man of the town than 'George'. He was born on the island of Chefalona, Greece, but came to Canada on May 1, 1911. He spent the years of 1911 to 1918 in Winnipeg, and the following four years in Selkirk, Man., before coming to Vermilion.

Old timers still remember the tiny home-made candy shop he opened in 1923 in the south-east corner of the old Vermilion hotel which stood where the new post office is now being built. His candy was delicious, his business grew, necessitating a move to the building now occupied by Israel Miller's 5c to $1 store. Here he added to his lines and operated an ice cream parlor and confectionery store. Success crowned his efforts and again forced him to move to larger quarters, this time to the premises which became so well known, first as the Cabaret De Luxe then, when becoming a full-fledged restaurant, George's Café.

Many things could be said of George Capatos, chief among them he was a good citizen and supported every worthwhile endeavor; he was an ardent sportsman and at one time sponsored a hockey team in the old civic league; he was a home lover and believed in keeping his surroundings spic and span. He could broil unequalled flavor and tenderness into a steak and it is claimed that he was the only man in Vermilion who could close his business up for three weeks' vacation and have all his customers back on the day he re-opened. His cafe and his 'lower deck' were the scenes of many meetings, committee, private and public, many of them having considerable bearing on affairs in town and district.

All these sentiments were voiced by the speakers at Wednesday evening's party. The master of ceremonies was Jim Robson while those voicing best wishes and happiness to George, on behalf of the large gathering were Claude Brennan, Albert West, Fred Richardson, Mayor Melvin Hill, Ken Urquhart and Thomas Watts.

Included in the multitude of good wishes with George were his wife Connie, a Vermilion born girl, daughter Marina, who is married and resides at Oliver, not far from Penticton, and son Philip, who will continue to live in Vermilion.

—S—

Student To Address Meeting Legion Hall

On Wednesday evening, Nov 26 at 7:45 o'clock, Miss Saunders of Sedgewick will give the story of her trip to the United Nations headquarters in July, 1958. Miss Saunders is the student who won the oral speaking contest in this zone last April and was given this trip by the sponsoring organizations, the Oddfellow and Rebekah Lodges. The meeting will be held in the Legion hall.

Britannia Rebekah Lodge invites all interested students and adults to hear this account and to see the pictures of the trip. 18-19

National Farm Forum Plan Workshop Here

The National Farm Forum is planning a workshop which will be held in Vermilion on Tuesday, Dec 2nd. The all-day sessions will be held in the sample room in the Brunswick hotel. All interested persons are welcome to attend. 19-20

CO-OPERATE WITH GAME CHECKING STATIONS

Skating Now In Full Swing On Lake in Vermilion Park

The parks committee have now prepared ice for skating on the park lake at the beach. A large ice surface there is being kept clean and a wonderful sheet of ice is available. There is plenty of room for skaters and the hockey players too. The Tigers are reported to be skating every evening getting into shape for their long heavy schedule.

The ice cleaned off is just to the north of the H pier. Inside of the H pier has also been cleared so that little children may skate without any danger from the older people.

KEEP CARS OFF THE BEACH

Everyone interested in using the skating ice is asked to keep cars off the beach. Already some thoughtless persons have housecleaned cars on the beach, dumping out ash trays, bottle tops etc. onto the clean sand. Remember you will want this beach nice and clean for next summer's swimming season.

Worse yet, some person or persons have left beer bottles lying around. Two of these were broken on the ice right where the little children wade. With the melting of the ice in spring, the glass would sink out of sight, be stepped on and cause serious injury. Please use some common sense — leave your beer bottles at home.

An area just to the north of the bathing beach has been fixed up with benches, fire wood etc., and this is where fires may be built, skates put on. This will keep the beach clean and free of all accumulations of ashes and dirt.

The parks board is going to considerable trouble and expense in fixing up this skating area — this should be appreciated and every co-operation extended to them in keeping things in order.

Following the opening of the arena rink, the care of the ice at the lake will be discontinued.

People from the country and neighboring towns and villages are reminded that these skating arrangements are just as much for them as for the local folks. Outdoor skating is a lot of fun.

Another Popular Variety Show Arranged by Canadian Legion

Bob Carmichael has selected a splendid group of artists for a variety show which he is arranging on behalf of the Vermilion Branch, Canadian Legion. This is the third show of this type presented by Mr. Carmichael in Vermilion with proceeds in aid of the Legion Polio fund.

It will no doubt be of interest to everyone to know who is taking part in this concert. The list of participants follows:

Mrs. Rae Curtis, Edmonton; Miss Donna McCauley, Vermilion; Alex Tymofichuk, Vegreville; Arlene Webb, Lyle Webb, Larry Studds, Wes Tetz, Enid Regnier, Lillian Sweitzer, Judy Skoreko, Donna Risdale, Hazel Marr, Lois Davies and Claude Patterson, all of Lloydminster; Mavis McCauley, Frankie McCauley, Betty, Jean and Bonnie Forbes, Sandra Roberts, Jimmie Haveralew, Bucky Swan, Jim McFadyen, Jim Scott, John Martin, Legion Auxiliary Ladies, Vermilion Pipe Band, Alex Russell, Morley Marshall and Robert Carmichael Jr., all of Vermilion.

The concert will be held in the High school auditorium at 8:00 p.m., Nov. 28th.

Farmers' Bonspiel Dec. 4, 5 and 6

The annual Farmers bonspiel sponsored by the Vermilion curling club will be held on December 4, 5 and 6. An entry fee of $8.00 per rink is being charged and entries should be sent to George Webb Sr. or Russell Carroll.

Shorty Whitson of Mannville has skipped his same quartet to victory for three consecutive years in this bonspiel, — the big question is "Can he do it again"?

—S—

Turkey Bingo By Tigers Dec. 12th

The annual turkey bingo sponsored by the Tigers Hockey club will be held Friday evening, Dec. 12th in the Elks hall. Prizes are choice turkeys, every one a delicious Christmas dinner. Watch for further announcement re this popular evening of bingo. 19-22

'Teen-Age Boys Conduct Services At First United Church

A large congregation in the United Church greatly appreciated the service on Sunday, Nov. 16 which was taken in its entirety by the teen-age boys of the congregation. This is the second time recently that this group of boys has been of great service to their pastor, Rev. C. W. MacKay.

The first service they took was the Thanksgiving service when they willingly helped out when their pastor was ill.

This Sunday, they again cheerfully accepted the responsibility again, this time because Rev. MacKay who had been away to Port Arthur to take a special course in radio and television was unable to make suitable train connections to get him back on time for service.

The boys are to be congratulated for the efficient manner in which they carried the services. It is our prayer that these boys with such courage, willingness and ability, will continue to grow in the life and work of their church. Keep up the good work boys.

Assisting in both services were ushers Jack Marfleet, Dave Ackerman, Bob Ackerman, Alex Russell and spoken parts of the service were taken by Morley Marshall, Bob Carmichael, Ron Hemmingway, Dave Ackerman, Ken Alfke and Bob Waldenberger.

Ken Alfke and Bob Waldenberger gave the messages at both services. The first chose for his last message to speak on the life of Dr Sweitzer, the well known and loved doctor and theologian.

The second speaker chose to speak on Walter Callow, a human box with a heart, who although hopelessly disabled being both blind and totally paralyzed still lives a radiantly happy and useful life as he spends every waking moment in service to disabled people both veteran and civilian. This man the inventor of the Walter Callow wheel chair bus has made famous his city, province and hospital.

123 Purebred Cattle and Hogs Sold At Agricultural Society Sale

Forty-three head of purebred cattle and eighty head of hogs were sold at the annual purebred livestock sale on Friday held by the Vermilion Agricultural Society. Don Ball and Associates from Edmonton were the auctioneers.

Top prices in various breeds were:

Aberdeen Angus (males only): Average price $215. Top price, $240 to W. E. Cross, Vermilion.

Shorthorn (males only): Average price $360. Top price, $360 to Peter M. Samoil, Lavoy.

Herefords: Average for males $353 with top price of $580 going to [illegible]. Female average $263, top price of $340 to Jack Cross, Vermilion.

SWINE

Yorkshires: Average for males $72 with $200 for top price to Peter Wyllie, Leduc. Females average price $80, top price of $100 to Glen Berg, Minburn.

Tamworth: Average for males $70 and top price of $80 was paid for a boar from the Edward P Hlus farm at Innisfree. Females averaged $77.50 and top price was $77.50 going to Mike Hryshko, Ranfurly.

Landrace: Wm. Bartling of Elk Point sold the highest priced boar and sow in this breed. The male average was $88 and top price $90. Females averaged $77.50 and that was also the top price.

Home & School To Meet Tuesday

The regular meeting of the Home and School will be held on Tuesday Nov 25th at 8 p.m. in the west end elementary school (former brick high school). Guest speaker will be Principal W F Stewart who will speak on the subject "The system used in making report cards". Class attendance will be called

Barr Entry Wins At Toronto Royal

The steer exhibited by Bob Barr at the Toronto Royal Winter Fair, placed second in a strong class of sixteen entries in the grades and crossbreds. Bob exhibited the steer in the showring himself.

In this class, Alberta entries won the top three places, the McIntyre Ranching Co. was first, Bob Barr second, and Bob Sharpe of Lacombe, third.

The win qualifies Bob for the final round on Thursday.

W. I. Purchase Two Wheel Chairs

The Vermilion Women's Institute wish to extend their sincere thanks for very generous support received during their recent subscription campaign. As a result of the success of this project sufficient funds were realized to purchase two wheel chairs. The chairs have now been ordered and are for the free use of anyone in the community needing same. These chairs may be obtained on loan just as soon as received by phoning to Mrs. O. Clarke, president of the W.I.

—S—

240 Blood Donors At Local Clinic

The local branch of the Red Cross held a very successful Blood Donor Clinic in the Legion Hall, Vermilion, on November 6. There were 240 donors as compared with 217 one year ago. The success of the clinic was made possible by the generous support of many people.

The local Branch of the Red Cross would therefore like to thank all donors and everyone who helped in any way to make the clinic such a success.

School Xmas Concert December 22nd

The seventeen rooms of the Vermilion elementary school plan to hold a Christmas concert in the high school auditorium on Monday, Dec. 22nd at 8 p.m. 19-20

F. U. A. Drive Brings Record Results

The staff of the F. U. A. head quarters in Edmonton, are being swamped with membership applications as a result of the canvass held during National Farm Union Week November 3-8.

Favored by unusually mild weather, for the time of the year and backed by a record turnout of canvassers, the drive was held under near ideal conditions. To date the membership is more than doubled in comparison with the corresponding date last year.

While it will probably be several weeks before anything like the final results can be announced its success is already apparent indicating the possibility of achieving an overall majority of Alberta farm families as members in the F U A

FRONTIER DAY AT THE V. S. A.

Following the parade through town on Saturday a Frontier Day was held on the V.S.A. campus featuring many old time activities such as that pictured above. In this crosscut sawing contest the competitors are Eddie [illegible] of Mundare on the left and John Taylor of Edmonton on the right. Other students in the picture are from the left Ken Ems of Beaverlodge, Josie McDonald of Mannville (seated), Vern Hauer, Greenstreet, Sask., Fred Wilson, Killam, Joe Cameron, Sedgewick, Alan Barnes, Enilda and Max Zeise of Dapp.

Fred Wilson shown in the picture is now at the Toronto Royal, having been a 4-H Club winner.

Photo by Photocraft.

THE UNFORTUNATE CHILD

. . . He Can Be Helped!

This week during National Retarded Children's Week, November 16th to 27th, the retarded children of Canada are in the forefront. We all know of some child who has never attended school because of lack of mental ability. Throughout Canada today 116 Associations are at work to help these children. These are few when we realize that there are 500,000 Canadians suffering from some degree of mental retardation — and 160,000 of them are children. We have in our area a Parents' Council for Retarded Children which is in the process of establishing a classroom in Lloydminster. If you are interested and wish further information kindly contact the President, Mrs. R. I. Bond, Blackfoot, Alberta.

How urgent this problem is can only be realized when we look at the figures and find that there will be 14,000 mentally defective children born this year in Canada — 3 out of every 100 births. This amounts to 3% of the population of Canada. It affects as many people, either directly or indirectly, as the whole of the population of British Columbia.

Ladies Organize For Curling Season; Eight Rinks Formed

At a meeting held on Sunday of the Vermilion lady curlers, it was decided to curl two nights a week, namely, Tuesday and Thursday. It was voted to raise the fees to $15 for the 1958-59 season and not operate the kitchen. The kitchen has been rented to Mrs. M Davis and it is hoped to see everyone patronize the same. The executive was chosen with the following taking office:

Pres. — Mrs. Benny Roberts
1st Vice-Pres. — Gertie Beattie
2nd Vice-Pres — Marg Tough
Sec'y. — Ivy Pare
Treas. — Lena Millar
Executive — Jo McCaig, Ev Carroll, Vi Leveredge
Social Conv. — Emma Locke
Draw Committee — Janet Morris and Eva Gordey.

Names are still being accepted so if you wish to curl, please get in touch with a member of the executive immediately. There will also be someone at the curling rink on Wednesday afternoons to give instructions to beginners.

The following is a list of the rinks, skip named first: Rowe, Krause, Roy and Toner; Caron, E. Wilson, Leveredge and McMeekin; Locke, Trimble, Copeland and; Calvert, Fulcher, Scott and Sandby; Morris, E. Carroll, H. Wilson and M. Carroll; Millar, Shattuck, Beattie and McDonald; Pare Gordey, Roberts and Cudmore; McCaig, Tough, Coyne and Henderson. The 'rovers' are Gertie Simonsen, Sylvia Kaiser, Merle Barber and Irene Wilson.

First United Church To Hold 52nd Anniversary Service

The anniversary service for the First United Church, Vermilion, will be held this Sunday, Nov. 23rd at 11:30 a.m. The guest speaker will be the Rev Carlton Miller of St. Paul United Church, St. Paul, Alberta. Mr. Miller is a recent graduate of the Union Theological College in Montreal. Plan to attend this service and to bring a friend.

Christmas Carol Night, Dec. 17th

Vermilion will again enjoy the annual Christmas carol concert which will be presented by the mixed chorus in the high school auditorium on Wednesday evening, December 17.

—S—

Opening Dance At V. S. A. Nov. 21st

The open fall dance at the Vermilion School of Agriculture, always a much anticipated and enjoyable function, will be held on Friday evening, November 21. Dancing will be from 9 p.m. to 1:30 a.m. and lunch will be served in the spacious V. S. A. dining room.

Grade XII Students Spend Day At Kitscoty; Study Local Government

On Friday, Nov. 14th at Kitscoty School Auditorium, 97 Grade XII students of the Vermilion School Division assembled at 9:30 a.m. to take part in the Second Annual Local Government Day sponsored by the Vermilion Division Principals Association. All speakers of the day were representatives of various local government services, and outlined their duties and responsibilities and in particular how local government is carried out with reference to his particular service. Responsibilities of the citizens of a community toward these local governments were shown very clearly.

The Grade XII course in Social Studies includes a section on this type of government, and the primary purpose of the day is to provide them with first-hand knowledge of the way local government is carried out by the people who hold responsible positions in the various services.

The program was supplemented by films and pamphlet information was made available to students and teachers. Students brought their lunch and a hot beverage was provided by the Kitscoty Students Union. Mr W. Novak, vice-principal of Vermilion High School, thanked everyone contributing to the excellent program for a very successful day.

See Better . . Learn Better

Reading among school children might be improved up to 60 per cent, according to results of a study made at Langley B. C.

The study was carried out among a large group of children with the co-operation of the Langley School Board, the Provincial School Inspector and the school staff of the British Columbia Optometric Association.

Children who were not achieving as [illegible] it seemed they should were given special visual skills training to find out what this would achieve in terms of better school work.

As the group progressed it was compared with another group of similar children who were not given any special training.

The specially trained group showed a remarkable improvement at the normal rate plus 60 per cent.

It is apparent, reported the B. C. Optometric Association, that this and other research shows the value of visual skills in relation to education.

The Alberta Association is sponsoring "See Better - Learn Better Week," November 17th to 22nd, to bring to the attention of the public the importance of vision in learning.

Alberta Asks Broader Scope Of Winter Works Program

Now that the federal and provincial governments are committed to helping municipalities foot the bill for winter works projects the question is whether many Alberta municipalities will be able to take advantage of the offer.

Ottawa announced some time [illegible] it will pay municipalities 50 per cent of the labor cost in [illegible] in road, sidewalk and [illegible] projects which wouldn't [illegible] be carried on in the [illegible], as a means of boosting employment.

Last week the province got into the act. Premier Manning said the province will pick up 25 per cent of the labor cost, leaving the municipalities to pay only the remaining one-quarter of the labor bill on special winter work.

To promote quick action, the province will also lend up to $4,000,000 to municipalities to finance winter projects, at an interest of five per cent.

But here's the problem municipal administrators are pondering. How much road, sewer and sidewalk work can be done in western Canada in the dead of winter. Of the three, underground sewer work looks like the best possibility.

Premier Manning has written Ottawa asking the federal government to broaden the scope of the program, but at the time of writing there has been no reply. He pointed out that such things as gravel stockpilings and bridge construction can be carried out easily in the winter and would do more to stimulate employment.

Junior Red Cross Promotes World Friendship

More than 64,190 elementary and high school students in Alberta participated in the Junior Red Cross programme during the past year and through varied money - raising projects contributed $11,748 for assistance of handicapped and crippled children in the province and provided $3,352 worth of supplies for international relief. This information was revealed in the annual report of Mr. A. A. Aldridge, Supervisor of Guidance for Alberta and chairman of the provincial advisory committee of the Junior Red Cross.

[illegible] the local and provincial scene Jr. Red [illegible] members directed their [illegible] toward handicapped children and provided toys, books and clothing for Eskimo and Indian children. They raised $1,334 to assist in financing heart surgery for a [illegible] girl in University Hospital, Edmonton, and supplied young patients in the Alberta Crippled Children's Hospital with toys and clothing, as well as providing cutlery and kitchen utensils for hospital use. Value of contributions in this regard amounted to $687.

Juniors also conducted special drives to provide canned and fresh vegetables for the hospital, sent clothing to Ft. McKay Indian school and layettes to Immaculate Conception Hospital at Aklavik, N. W. T. Toys and warm clothing were also sent to Eskimo and Indian children in northern Alberta through efforts of Jr. Red Cross members of the Edmonton Inter High School Council. During the year Juniors also entertained shut - ins and senior citizens and provided assistance to needy families.

Red Cross Juniors sent 13 cases of supplies valued at $4,818 to Yugoslavia, North Borneo, Ecuador, Austria and Hungary in 1957. Included in these shipments were sewn and knitted garments, quilts, afghans, school supplies, toys and health kits.

Promotion of international friendship with classmates around the world was achieved by exchange of art, craftwork, tape recordings and correspondence albums.

Interest in the health programme of Junior Red Cross also continued active in branches throughout the province.

Acreage Payments To Grain Growers

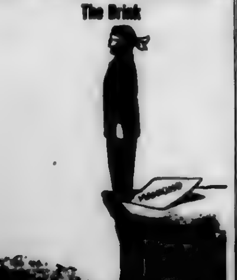
OTTAWA. - Federal acreage payments to Prairie grain growers started Oct. 24 and totalled $10,400,000 by the end of last week, the Hon. D. S. Harkness, Minister of Agriculture, has announced.

Of a total of about 225,000 payments, the minister said, 59,328 had been made up to Nov. 1st. Main operation is expected to be completed within the next two weeks.

The Canadian Wheat Board, acting as agent for the Federal Government, is issuing cheques alphabetically by stations.

Don't try to prove that you are a good talker by doing it all —comparisons are fooled.

The Brink



"GREEN ACRES"

BULLETINS ARE FREE

Whenever someone from my district writes to the Department of Agriculture, Edmonton, for bulletins, they are sent out direct. The letters come back to me so that I can follow up and maybe give further help to the people writing in to Edmonton. I have quite a large stock of bulletins on all agricultural subjects. You can get any of these bulletins free of charge by calling at the office or writing for them.

BULLETIN ON FORAGE

A new bulletin entitled, "Harvesting Machinery for Hay and Silage" has just come to hand. There are plenty of pictures showing the various methods of putting up hay and handling silage. Write in for your copy now.

CARPET BEETLES

Carpet beetles and moths cause damage and loss in a good many homes. It is so easy to kill these insects which mostly eat holes in wool clothing or carpets. Household Chlordane or D.D.T. are easy to get from your druggist or hardware. Dieldrin is also excellent for killing moths or carpet beetles. It is claimed that Dieldrin will moth proof wool materials for life of the garments or rugs.

IT'S STILL TRUE

"Men praise the bounty of Nature, but it is much safer to rely on her justice which as rarely fails to reward our care as to revenge our neglect. We work badly too much ground instead of cultivating well a little." The speaker was Nicholas Bidle in an address to the Philadelphia Society for Promoting Agriculture in 1809.

TRENCH SILOS

Here is what Leonard Blanchette of Vimy (north of Edmonton) has to say about silage. "I wouldn't do without grass silage nor would I go back to the old method of haying. The danger of spoilage is eliminated. It has assured me of a good feed supply and has saved me a lot of unnecessary work during winter months." Get bulletins on putting up silage from your D. A. office.

GRADE "B 1" HOGS

Two and one-quarter million hogs in Canada graded "B-1" last year. It was found on checking that 45% of these "B 1" hogs did not grade higher on account of too much fat. Two things can be done — (1) as the hogs get up to 170 pounds reduce barley and add more oats to ration; (2) market fat pigs earlier — from 190 to 200 pounds instead of holding to the maximum of 200 pounds.

The Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.

Despite the fact that I think our Xmas decorations appear far too early in the year, I find it is time for us to start making some preparations. If you follow these suggestions, then perhaps Christmas won't sneak up on you.

1. Make out your gift list and buy or make gifts early. Wrap each gift as purchased or [illegible]. See ideas for gifts below.

2. Buy and address Christmas cards. This is an especially good idea when you write a Christmas letter to enclose.

3. Prepare food that you can freeze or store [illegible] cakes and shortbread.

FRUIT CAKE MAKING TIPS

1. Aging — Aging improves the flavor of a fruit cake, so prepare well ahead of time.

2. Dried Out Fruit — If your fruit has dried out, place it in a sieve and steam over boiling water to soften.

3. Floured Fruit — Be sure to flour fruit with some of the flour required in the recipe.

4. Peel — Should be cut or chopped very fine so that it flavors the cake delicately with no hard, bitter lumps.

5. Smooth Top — Save out about one cup of the batter before adding fruit and nuts. When cake is in the pan, spread batter over top. This makes icing easier.

6. Baking the Cake — Always bake in a slow oven (about 275°). To keep cakes from drying out while baking, line greased tins with four layers of heavy waxed paper or brown paper, grease again. Also, place a shallow pan of water on the floor of the oven while cakes bake. If cake has a tendency to burn in bottom place the cake tin on a cookie sheet which has been covered with a layer of salt.

7. Is the Cake Ready? — [illegible] approximate baking time is 3 to 4 hours for a 3 to 4 pound cake. When baking time is almost up, test the bottom of the fruit cake with your dampened finger. If there is a sizzle the cake is done, if not, bake a little longer. Another test: insert a steel [illegible] needle into several places [illegible] cake. When needle comes out clean and cake springs back when touched with finger, it should be done.

8. Storing Fruit Cakes — Leave brown paper in which cake was baked, around cake. Wrap in aluminum foil and store in tightly covered container.

Write to me for patterns and instructions for: Stuffed Animals; Border Designs for Tray Clothes or Place Mats; Slippers, Children's and Baby Booties; Adult Slippers; Embroidered Doll's National Costumes; Pamphlet with eight gift suggestions and how to make them; Embroidered Sewing Box.

Altar Society Holds Bingo

MANNVILLE — A most successful evening was held playing bingo by the ladies of St. Joseph's Altar Society on Wednesday last. Eddie McLaughlin called the bingo numbers and made a good job of same. Many patrons were noted taking home their prizes of which there was a good assortment. In conjunction with the bingo, lunch was served at separate tables, with most attractive and capable young waitresses, assisted by some of the mothers. As people entered the door they were requested to sign their name by Bill Fedechko and later a draw was made for a lucky door prize which was a turkey. This was won by Mrs. Doris Keating of the local teaching staff.

Dewberry Calf Club Plans Activities for the Season

The monthly meeting of the Dewberry 4-H Calf Club was held in the Dewberry School with an attendance of 13 members, three being absent. The guest speaker, Mr. Morley Douglas, assistant district agriculturist from Vermilion, gave a very interesting talk on the planning of the year's program, with many suggestions on how to make the club interesting and active.

In the next few meetings a schedule will be planned for the complete year's activities and will be sent to the D. A. office in Vermilion. Each member will then receive a copy of the program.

The closing date for calves to be in feeding is November 20. At any time after this date Mr. [illegible] will be out to tag club [illegible] and to talk over any problems arising in the care and feeding of calves.

The club is very pleased to have Mr. B. Braithwaite of Dewberry as club leader for the second year. Besides being a very good judge of cattle, he takes an active part in club activities. If Mr. Braithwaite is delayed in attending a meeting any one of the club members' fathers may be voted in to act as assistant club leader for the meeting.

On November 29 club members will meet at the Dewberry cafe at 15 minutes to 12 and leave on a tour to see the members' calves. Anyone wishing to go along is very welcome providing they supply their own transportation. Bring your cameras. A prize will be given to the member who judges the three best calves.

In the near future Mr. S. Lamp will take some movie pictures of each member's calf. This will be done again in the spring and the pictures will then be compared. The meeting adjourned and a delicious lunch was served.

SQUARE NOTES From Circle 8

Since last writing the square dance report, our previous members gathered with Johnny and Cora Maxwell at Bowtell to celebrate with our new graduates. We are very proud to add these new enthusiasts to our club, they have done exceedingly well in their eight lessons and are eager to learn even more. For the purpose of advancing our dancers more rapidly, Johnny Maxwell will offer advanced lessons or brush-up dances to any square dancers requiring more practice. These dances will be held at Bowtell the opposite Mondays to our regular dances. The admission to these is $1 per couple with the ladies bringing a few sandwiches please.

The last regular square dance on Nov. 11th was moved to the Bowtell hall and Johnny Maxwell called to a full house.

Next regular dance will be back in town at the Legion hall on Tuesday, Nov. 25th with Walter Parker from Dewberry calling.

Well Known to Many Here, Islay, Ont. Man Marks 100th Birthday

(Taken from "Watchman-Warder", a Lindsay weekly.)

On a bright, beautiful [illegible], the farm home of the Elford family, at [illegible], Ontario, (12 miles northwest of Lindsay,) was the [illegible] of great activity. October [illegible] was the occasion of the [illegible] birthday of Mr. Ambrose [illegible]. This christian family has a unique record of longevity, for of the eight surviving [illegible] five are over ninety years.

Apart from hearing and sight of the two oldest, this family enjoy remarkably good health and are all bright and cheerful. They all rise early in the morning and breakfast together and this is followed daily by family worship. On this special day, all eight brothers and sisters were together at the farm home [illegible] they [illegible] turkey [illegible] which they had prepared by themselves. This was to celebrate the birthday of Ambrose and Will. Three of the family living in Oakwood, very near Islay are Lizzie, 101 years on January 3, 1958, Mr. Will [illegible] was 96 on October 25, and [illegible] Katie who was 90 last September.

At the farm home is Ambrose, 100 years on Oct. 21st and Miss Mary who was 94 in July. The other three living at Islay are Misses Hester and Lena and Mr. Charles. For many years Ambrose and sister Hester operated his own farm. Later, both returned to the family farm home. Ambrose hoes the garden and feeds the poultry. He says he must have exercise to keep well.

The entire family are members and staunch supporters of the United Church of Canada and attend regularly.

On October 21, close to 100 neighbors, friends and relatives from far and near called and were graciously received by the guest of honor.

The dining room table with its crisp white linen cloth was centred by yellow mums and a lovely birthday cake. Among the tea cups that were used that day were one dozen fine china cups of a tea set that belonged to the grandmother of the Elford family.

On request of his visitors that day, Ambrose recited several poems with as many as 12 or 16 verses and his friends were amazed at his wonderful memory as this little man stood erect and without any hesitation went on so clearly, verse after verse. He was very happy as he conversed with old friends, recalling many interesting and humorous incidents.

Here is one of the poems he repeated and could well be called his creed.

[illegible]

Sometime, somewhere, in the coming years,
When the shadows have passed away,
I shall hear a voice, I shall clasp a hand
At the opening gates of day.
And faces I knew in the long ago
Will greet me with a smile
When I reach the land of love and song,
At the end of Time's little while.
Someday, somewhere, I shall know no more
The cares that fret and annoy,
The weary strain, the throbbing pain
The sorrow that rob of joy.
And my longing soul shall be satisfied
With joys that eternal spring
And through endless years I shal live for aye
In the presence of the King.

This family are cousins of the late Mr. Hancock who lived near Marwayne and Mrs. Hancock is now spending the winter with a daughter, Mrs. Dave Martin (Irene) and Mr. Martin here near Islay, Alberta.

I, the Islay correspondent, have often been at the Elford home when we lived in Ontario. Their farm was just around the corner from the Gilchrist farm of whom Jim, Dougall and Charles farmed here and Alex kept store here in the very early days.

YOU are Invited to Attend the
ANNIVERSARY SERVICES
OF THE
First United Church
VERMILION
Sunday, Nov. 23 — 11:30 a.m.

GUEST SPEAKER WILL BE REV. CARLTON MILLER, Minister of St. Paul United Church, St. Paul, Alberta.

Rev. Miller is a recent graduate of the Union Theological College in Montreal.

Phone 21 . . . Vermilion

Wildwood East

The ladies met at the home of Mrs. N. Bowen this month. Mrs. Gerbig was a visitor. A quantity of Red Cross work was taken out while the Xmas entertainment was the chief subject of discussion.

The F.U.A. held their meeting on Wednesday and discussed the results of their canvass for new members. A delegate was also appointed to the annual convention in Edmonton.

Miss Beverlie Jack came home for the long Remembrance Day week end.

Congratulations to the Hearty's on the arrival of baby Shirley Ann.

Allan Drysdale, David Jack and Clifford Shoddice attended the J. Barber wedding in the Capital.

Mrs. [illegible] have returned from a trip to Winnipeg to visit her mother and grandmother. They made the journey down with the Frank Gannon's who were returning [illegible].

The Hugh Hilts family visited with Mr. and Mrs. Jim Stone on Sunday.

Mrs. Margaret Jack and David were in Wainwright helping Mr. J. G. McKay get settled in his new home [illegible].

Councillor and Mrs. Stone are in Edmonton where J. D. is attending the municipal convention.

The next church service here is expected to be on Dec. 21st.

Mrs. M. N. Currey and sister Eileen spent the week end with their parents Mr. and Mrs. Ernest Jack.

—S—

It's better to take things as they come rather than to part with them as they go.

BUFFALO COULEE ACTIVITIES

A little touch of winter makes us realize that Christmas isn't too far away.

Not very much excitement in the coulee the last week or so, everyone taking advantage of the nice weather to get the odd jobs ready for winter.

On November 7, the Scout leaders and members of the Scout board attended a district meeting held in Wainwright. Last Wednesday the Scouts held their first meeting of the season with Scout Master Hennig Haverslew and assistant Scout Master Jack Bauman. Donald Stone was appointed acting troop leader with patrol leaders being Keith Marfleet, Colin Kennedy and Rex Cunningham. On Saturday afternoon the boys conducted a bottle drive and managed to gather quite a load throughout the community. Next Saturday their plans call for an outdoor hike with dinner cooked in the open.

The C. G. I. T. are planning to hold a Christmas candle lighting service in the auditorium on Sunday evening, Dec. 21 to which all are cordially invited, so keep this date in mind.

The Heatherbell group of the Auburndale W. A. met last Thursday at the home of Mrs. Ivan McInnis. Plans were made for catering to the banquet being sponsored by the Rotary Club of Vermilion which is being held in the B. C. gym on Friday at 7 p.m. Each member of the Rotary Club is inviting as his guest, a man from the community. This is a very fine gesture of friendliness and goodwill on the part of the Rotarians and all are looking forward to it.

The B. C. Home and School will be holding their regular meeting on Wednesday night of this week. Mr. Toronchuk and Miss Gray of Mannville will be the guest speakers. These are the Shop and Home Economics teachers respectively, that give instruction to the boys and girls of grades nine and ten of Buffalo Coulee when they go to Mannville on Wednesdays. Miss Gray will be showing films taken during her year in Germany as an exchange teacher. It is hoped there will be a good attendance.

A number of the members of the Students Union attended a dance at Albert School on Friday night sponsored by their S. U.

Mr. and Mrs. Jack Bauman, Mr. and Mrs. Jack Barlow and Mr. W. J. Macnab attended the Vancouver - Edmonton hockey game in Edmonton.

Mr. Harold Barlow and family spent a day in the city last week.

The curling ladies of Buffalo Coulee plan on making up a rink to take part in a goodwill day [illegible] bonspiel to be held in Wainwright this week.

A rink consisting of Hennig Haverslew, Matt Majury, Bill Eyben and Brent Macnab are getting an early start on the curling by going to town.

Mr. and Mrs. Ken Ferguson of Vegreville spent a few days at the Cunningham home.

Mrs. Grace Thompson and two boys of Valleyview are spending a couple of weeks at the home of her parents Mr. and Mrs. Jack Hilton.

While having a game of cribbage with his dad on Monday evening, Freddie Brooks came up with a perfect 29 hand. Needless to say he beat pop.

Best wishes for a speedy recovery go to Mr. W. J. Macnab who has been a patient in the hospital for the past week.

'The Bible Today'

One hundred and twenty years ago in what is now the Dominion of Ghana, one of the pioneer missionaries, Thomas Birch Freeman, first entered Kumasi. The Ashanti were a fierce and warlike people and their language had not been written down. It was a land where human sacrifice took place, and the very name "Kumasi" meant "the city of blood". The prophetic words of Freeman, written in his Journal, are coming true. The missionary wrote, "A brighter day is approaching when the drums of death shall give place to the Bible, and when instead of hearing the footsteps of the executioner men shall exclaim, "How beautiful upon the mountains are the feet of Him that bringeth good tidings". (The translation of the New Testament in the TWI languages was completed and published by the Bible Society in 1958.)

Suggested readings for next week:

Sunday, Nov. 23, — John 35 1-10.
Monday, Nov. 24 — John 15 1-27.
Tuesday, Nov. 25 — John 17 1-26.
Wednesday, Nov. 26 — 1 Cor. 15 1-58.
Thursday, Nov. 27. — Psalms 23 1-6.
Friday, Nov. 28, — Psalms 27 1-14.
Saturday, Nov. 29 — Psalms 46: 1-11.

Bank Bal. Oct. 31	11,005.72
Earnings Unp'd Oct. 1	$ 1,132.70

CN Grey Cup Specials Stock Tons of Food

WINNIPEG. — Football fans are like football players — they like to eat.

Each year at Grey Cup time [illegible] Canadian National Railways trains to the big game and the need for food is one thing they all have in common though they may root for different teams.

"It takes over 1½ tons of meat to feed the fans travelling on the Grey Cup special from the east to the west and return," declare CNR dining car officials. Approximately 4000 meals are served to Grey Cup fans on such a six day trip.

This year's football specials will begin in the east and en route to Vancouver will pick up fans at many intermediate points. By the time the CNR specials arrive at destination about 500 fans will be aboard each train.

WILDMERE WEEKS

Something to remember folks, there will be an F.U.A. meeting at the home of Fred Haines on Wednesday evening Dec 3 at 8 p.m. Plan to attend.

Mr and Mrs. A. Matteo and family of Edmonton made a flying trip to Wildmere last Friday evening visiting at the home of Evelyn's brother Lloyd Howard and family. Then called in at the writer's home Saturday morning and left a tin of Wonder liquid cement which they manufacture in their plant at Clover Bar. It really is good folks - just try it! Evelyn is a Wildmere-raised girl so everyone is interested in their new work.

There was a huge attendance at the Armistice parade Nov. 11 but not so many attended the splendid service held afterwards in the theatre. The honor roll is growing longer each year as the soldiers pass on to their reward.

The writer and husband enjoyed dinner with Mr and Mrs Lawrence Mayhew and family after the Memorial Day service, later calling to say hello to Mrs. Henry Smith who is leaving shortly on a trip to Ontario.

The box social and dance put on by the Students' Council of Preston Central school drew a huge crowd and the baskets sold well. Who thought up the boaz box? It was nothing to be proud of in our estimation. Jeff and Freddie Martin furnished the music. Chas Sweeney was M.C. The teachers and pupils are very pleased with the success of the evening and wish to thank all who helped make it a success.

J. C. Wallington journeyed to Tofield on Monday afternoon to visit his brother Tom who lives there. He has, like Jim, been on the sick list.

In a recent letter from Peggy Graham of Bermuda she says the weather is grand there and sun bathes every day when not on duty. There are bananas and dates growing in abundance on trees in the front and backyard of where she is staying.

At the W.A. meeting held last Wednesday Mrs. Hughes had the devotional. She thought we should help the less fortunate children of Korea or India. It was resolved that we would refrain from sending our neighbors Xmas cards and put that money away to do something more worthwhile. It takes only $[illegible] a year to keep one of those children. The W.A. members are going to hold a joint church service with Rev. MacKay on Dec. 20th. Mrs. Holte told of the rally at Paradise Valley. Next meeting will be on Dec. 10th with Mrs. Wallington in charge of the devotional. Mrs. Hughes and Mrs. Dibben on the lunch committee. Meeting closed with a nice lunch served by Mrs. A. Smith, Mrs. W. Westman and Mrs. Hughes.

Funniest thing heard: A young chap explaining about a neighbor cleaning a pig. He had it skinned or peeled — who ever heard of a peeled pig! (Could have been a weiner.)

Adam Smith has a Meteor car, purchased in the city.

SPECIAL CHRISTMAS PROGRAM

On December 12th, "A Child is Born", the Christmas message music and songs and a monologue "If Christ had not Come" will be presented in the United Church. 18-19-20

Bowtell Bulletin

Sorry folks, no news for the past two weeks as the writer was busy house cleaning.

Mrs. Harrison, Mrs. Robinson and Bryan were visitors to Lloydminster recently.

The Loafer's Club enjoyed their dinner and meeting for October at the Williams' home. One new member, Mrs. Gillies, joined. Much discussion took place regarding a Xmas party for the children. This is to be held at Mrs. G. Millar's.

Card parties are to be held again this winter, the first one at the Robinson home.

The next meeting to be held at Mrs. Sherwood's and members will exchange gifts.

Edgar Williams is busy building a new pump house.

Joe Thompson was seen cleaning out water wells at Frank's and Leslie's.

Some 25 attended church Sunday at Pleasant Valley. Robin Leslie Sherwood was baptized. It was nice to have Mr. and Mrs. Roberts of Wainwright. Mrs. Myers and Mr. and Mrs. Hollington of Islay also with us.

Mr. and Mrs. D. Harrison, Mr. and Mrs. Hardie recently enjoyed a week's holiday at Moose Jaw and surrounding points.

Logan Gow, Mr. and Mrs. W. Isley and girls and Mr. and Mrs. Roberts and family were recent visitors at the writer's.

At the card party on Friday evening the prizes went to the following: In the ladies — Mrs. Williams; Mary Williams consolation - Annie Clarke. For the gents it was Thelma Robinson playing as a gent. Randy Freestone. Consolation — Fern Freestone playing as a gent.

Please note that the next card party will be held at the Harrison home on November 28th.

Congratulations to Mr. and Mrs. J. Rochford on the birth of a baby boy born in the Vermilion hospital on November 11 at 11 o'clock — a real armistice baby.

Mr. and Mrs. J. Payne and family are now driving a nice new Pontiac car.

Mr. and Mrs. M. Warawa and family were visitors Thursday evening at the [redacted] of Mr. and Mrs. J. Repp.

Car Sales Picking Up?

There's brighter news from the automobile show rooms, says Rodney Touche in The Financial Post.

First impact of the 1959 models has been a rush of orders to buy.

While it is still too soon to be specific, it is clear that the new cars are arousing more interest than a year ago.

Dealers report that order backlogs are building up.

The main deterrent to sales is the current level of production, still geared in some ways to the 1958 sag.

Hazeldine W. I.

The regular monthly meeting of the Hazeldine Branch of the A.W.I. took place Tuesday, Nov. 11th at the home of Mrs. W. Braithwaite, Dewberry. A pot luck supper for members and their families will be held in the community hall on Sunday, Nov. 16th at 5 p.m.

The moulding of plastic will be studied during special weekly handicraft meetings. After the business was concluded Mrs. W. Romanchuk sponsored a riddle contest which was won by Mrs. N. Romanick.

Lunch was served by the [redacted]ess Mrs. W. Braithwaite, and [redacted] hostesses Mrs. Frank MacLean and Mrs. Ken MacLean.

—S—

The fellow who sits down and hopes for the best can be counted out as hopeless.

NEWS from KITSCOTY

Mr. and Mrs. Henry Joy spent several days recently visiting with relatives at Edmonton, Crossfields and Calgary. Their parents, Mr. and Mrs. E. Joy returned home with them after a month's holiday in Calgary with their daughter Mrs. O. Bills.

Mr. and Mrs. Elmer Lang were Edmonton visitors recently and attended the funeral of their old friend Roy Wallace, one time resident here.

Mrs. J. I. Parkin of Vermilion spent the week end here visiting with her mother Mrs. E. H. Sheppard.

Congratulations are extended to Mr. and Mrs. R. J. Fox on the 41st anniversary of their wedding Saturday, November 15.

Word was received by friends at the week end that Mr. Percy Nixey of Duncan, B. C. had passed away after a short illness. He was a resident of the Myrtle Hill district for many years before moving with Mrs. Nixey and the family to the west coast. Sincere sympathy is extended to the family in their bereavement.

Mr. and Mrs. L. E. Spackman are spending a few days in Edmonton visiting and on business.

Congratulations are extended to Reverend and Mrs. A. E. Potter (nee Beth Tyler) on the birth of their daughter in the Lloyd[redacted] hospital on Monday, [redacted]er 17. The proud great-grandmother is Mrs. W. L. [redacted]person.

Mr. J[redacted] Dale left on the week end to spend a holiday with his [redacted] Jack and family in Edmon[redacted] Merne and family in Calgary.

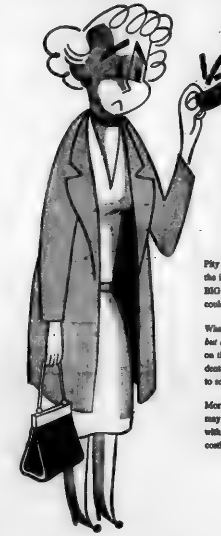
Best wishes for a speedy recovery are extended to Mrs. J. F. Finlin who is a patient [redacted] Lloydminster hospital and also to Mrs. Harold Steven who at the time of writing is a patient in the Lamont hospital.

Mr. Archie McTaggart has returned home from spending ten days visiting relatives in North [redacted].

Kitscoty lost another one of its citizens when Mr. Roy Parker passed away after a short illness in the Lloydminster hospital on Monday, November 17, just one week from the day his sister, Miss Minnie Parker was buried. Sincere sympathy is extended to the [redacted] may God comfort [redacted] sorrow.

Sincere sympathy is extended to Mrs. R. Willoughby and Robert on the passing of Mr. Ronald Willoughby recently.

Sympathy is also extended to Mr. and Mrs. J. Christiansen on the passing of Mr. Davenport of Lloydminster, Mrs. Christiansen's brother.



The Sad Story of the Shrinking Dollar...

Pity this poor woman . . . perhaps a friend or neighbor of yours. She had the idea that if she got into the family car and drove many miles to THE BIG CITY, then she could do better with that shopping dollar than she could right here in our town.

When she finally reached home again, she was tired and unhappy . . . *but a lot wiser.* After figuring the cost of gasoline and oil, wear and tear on the car, parking fees, restaurant meals and the repair bill for a badly dented fender, that shopping dollar had shrunk so much she had to squint to see it.

Moral: Buy everything you need from your local merchants. Their stores may be smaller, but in selection, style and value they invite comparison with any other source. And local shopping is a relaxed pleasure, not a costly, time-consuming beating.

HERE'S HOW YOU BENEFIT BY DOING ALL YOUR SHOPPING LOCALLY

When you buy from your hometown merchants you get:

1. HONEST VALUES
2. AMPLE SELECTION
3. INSTANT DELIVERY, SERVICE AND ADJUSTMENT
4. MORE PERSONAL AND FRIENDLY TREATMENT
5. SAVING OF TIME
6. RELIEF FROM COSTLY TRAVEL
7. FREEDOM FROM ROAD HAZARDS
8. ELIMINATION OF COSTLY PARKING PROBLEMS
9. AVOIDANCE OF JOSTLING CROWDS
10. THE CHANCE TO BUILD A BETTER COMMUNITY BY PUTTING YOUR DOLLARS TO WORK HERE

Santa Claus Is Coming To Town

Santa Claus is coming to Mac[redacted] on Saturday Nov. 29th and will spend from 10:00 o'clock to noon and from 2 to 5 p.m. in the store visiting with all the little folk of town and district who come to see him. 19-20c

Allandale Old Timer Dies in Vancouver

On Nov. 11th, Oscar Benamiller of 5457 Commercial Dr., Vancouver, B.C., passed away in his 80th year. He was a member of Eagles Aerie No. 20, New Westminster, also I.W.A. Local 1-21-17. He is survived by his loving wife Catherine, one son Bruce; two sisters, Mrs. E. McIlwaine, New Westminster, Mrs. Susan Smith, Fort Saskatchewan, and one brother Ted of Dawson Creek, B.C.

Funeral services were held on Saturday, Nov. 15th at 9:30 a.m. in the Chapel of Chimes, Haron Bros., Ltd., under auspices of Eagles Aerie No 20. Rev. J. M. MacLean officiated.

Interment was in the Forest Lawn Memorial Park.

Mr. Benamiller was a well-remembered old timer of the Allandale district.

—S—

"About Smoking" Hi-C Club Says 'No'

MANNVILLE — Commencing at 7 p.m. the Mannville Hi-C group of the United Church held its meeting in the social rooms on November 10th. Following the business part of the meeting, which lasted about forty-five minutes, a buzz session was held by open discussion on the topic "what about smoking". After a lively investigation into the question by the group more reasons were brought up against smoking than for, so the general conclusion was that one should [redacted].

This most interesting item was followed by a hoola hoop contest for boys and girls, with Agnes Finlay and Vivien Lynch tying keeping the hoops rolling for five minutes. Malcolm Kufeld won for the boys, his time being three minutes, with Donald Gausavick runner-up. Lunch was served by [redacted] and meeting ended at nine [redacted].

READ and USE THE WANT ADS

Tony Dixon Pres. 4-H Beef Club

The Vermilion 4-H Beef club held its reorganizational meeting Nov. 6th. Although attendance was low election of officers was held resulting as follows:

President — Tony Dixon
Sec-Treas. — Louise Barr
Vice-Pres. — Don Dixon
Press Reporter — Keith Barr.

The club is very short on members and request that any person between the ages of 12 and 20 wishing to join contact Mr. [redacted] Douglas, assistant D.A., or attend the next meeting Dec. 4th. The deadline for any new members is Dec. 15th. Officers have drawn up a full year's schedule which will prove to be very interesting.

The leaders appointed to the club are J. S. Crown, O. A. Streame, M. Barr and Hugh Stewart.

—S—

Nurse Mona Easton Killed in Car Accident

Miss Mona Easton, R. N., aged 32 years, a daughter of Mr. and Mrs. Bill Easton of Brockville, Ontario, and a niece of Mr. Omer Easton of Islay, was killed in a car accident at Watertown, N. Y. recently while en route in company of two other nurses, for a holiday week end in Syracuse. Her two companions received serious injuries. The car in which Miss Easton was a passenger was involved in a head-on collision with another car.

Miss Easton's death was the third in her family this year. Her mother passed away on May 1, and on July 12 a brother, Jack, died.

Other relatives of the deceased well known in Vermilion besides Mr. Omer Easton is Mrs. Walter Easton in Vancouver.

IN MEMORIAM

In loving memory of our dear brother who passed away Nov 13th, 1957.

Greatly missed by his sisters Mrs. Frank Sperberg (Catherine) of Vermilion and Mrs. Nels Ingvartsen (Ethel) of Vancouver.

—S—

IN MEMORIAM

In loving memory of *George William Sperberg* who passed away Oct. 29 1955.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. C. McDougall of Mayerthorpe announce the engagement of their daughter Doreen Lenore to Mr. Ronald Bellingham, son of Mr. and Mrs. Horace G. Bellingham of Edmonton. The wedding will take place on Saturday, November 29 at 2:00 p.m. in the First United Church, Mayerthorpe.

D. A. Cameron of Dollar Bay, Mich., arrived this past week to spend the winter with his niece Mrs. M. P. Dixon. This will be the first win[redacted] has ever spent in Alberta. Mr. Cameron hasn't seen Mrs. Dixon since she left Michigan quite a number of [redacted] ago now.

Morton Tovell left via Canadian National on Nov. 18th for Toronto where he will visit old home scenes for the next two months.

—S—

[redacted] Louise Telford who has [redacted] living at Uranium City, is visiting her parents Mr. and Mrs. Jack Baddock.

Mrs. [redacted] Milligan of Edmonton is visiting in Vermilion for two weeks, a guest at the home of her son Tom and family.

—S—

Castle Scott, councillor of the Minburn M.D., is attending the convention of rural municipalities being held in Edmonton this week.

—S—

BORN — To Mr. and Mrs. R. McAlpine (nee Louise Wilson) in the Royal Alexandra hospital, Edmonton, on Nov. 9th, a son, David W[redacted].

—S—

Mrs. Charlie Mix returned this week from Winnipeg where she had been visiting at the home of her daughter and son-in-law and family.

—S—

Mrs. Brian McLennan (nee Nora Parker) from Naicam, Sask., is spending a week in town visiting her mother Mrs. H. R. Parker and sister Mrs. K. Bell.

Mr. and Mrs. Ken Beaton and three children, of Provost, spent Remembrance day week end visiting at the home of Mr. and Mrs. Charlie Upshall. It is four years since the Beatons left here and they were amazed at the tremendous growth of the town and the [redacted] development since that time.

—S—

Danny McMillan returned recently from a visit to his old home in Prince Edward Island, the first in 55 years. The trip was [redacted] by plane and travelling by air gave Danny quite a thrill.

—S—

Hugh Rose writes from Victoria, B.C., to which city he has [redacted] address is 1080 Nicholson Street, Victoria, Vancouver Island. Hugh says "All my Vermilion friends will be welcome when out this way. Be sure to change my address so that I will get the Standard every week."

Dewberry Ladies' Aid Hold Interesting November Meeting

The November meeting of the Dewberry Ladies' Aid was held in the church with ten members present. The opening hymn "Blest Be the Tie That Binds" was followed by the bible reading of the twenty-third psalm by Mrs. Wm. R. Young and reading from the Upper Room by Mrs. May Braithwaite.

The annual chicken supper was a great success and the Aid wishes to thank all those who helped in any way by donations or otherwise, also by attending the supper. The C. G. I. T. too did a marvelous job of helping and a big thank you goes to them as well.

Mr. E. H. Buckingham has kindly consented to be present at a meeting to be held in the church on Wednesday, Nov. 19 at 2:30 p.m. He will give a talk in connection with a horticultural project which we hope to plan for next year. All those interested in this project will be most welcome.

At the close of the meeting a delicious lunch was served by Mrs. Proud.

The next meeting will be held in the church again on Thursday, December 4. This will be our Pollyanna Party and we hope everyone will be present.

Wildmere Women's Institute Notes

The W.W.I. held the November meeting at the home of Mrs. Fred Haines with 11 members and one visitor Mrs. Steel, present. Roll call was "How to deal with minor ailments". Social Service, no report. Handicraft report was given by Mrs. Wallington. Subscriptions to Home and Country were handed in.

The chicken supper was cancelled this year. Correspondence was read from the Red Cross re blood transfusions. Letter from Preston Central school board re letting janitor know at least two days ahead of time for meetings. A letter from the blind.

Annual Christmas concert was talked over and on motion by Mrs. Gibson and Mrs. Roy Dibben it will be held on Dec. 12th at Rosewood hall. Mrs. Holte is to buy the treats and fill the bags. $20 was donated for this purpose on motion Mrs. Howard and Mrs. C. Sweeney. Program committee for concert consists of Mrs. Gibson, Mrs. Cruthers, Mrs. W. T. Garnett and Mrs. Wallington.

Topic by Mrs. Holte "Magic From Grain Sand". It plays a big part in our lives, more so than we perhaps realize. A good paper. She also showed how to do 'Monk's Braiding' with old stockings. Social by Mrs. Gibson who had each lady try the Hula Hoop which caused lots of laughs. Mrs. R. Osterberg was the winner. Johnny Jump Up was won by Mrs. Roy Dibben. Meeting closed with "The Queen". Next meeting will be held at Mrs. J. Wilson's, roll call — Name one good use for baking soda. Topic: Annual meeting; social: Mrs. Fred Haines, lunch small pie social. Date, Dec. 23rd.

The hostess and her helpers then served an enjoyable lunch.

Miss Peggy Stephens Honored at Showers

Miss Peggy Stephens whose marriage to Mr. Paul Wacko will take place Nov. 29, was honored Friday evening when Mrs. Harold Clarke, Mrs. H. P. Long and Mrs. Carl Heckbert entertained at a miscellaneous shower at the home of the latter. A novel 'Honeymoon Rocket' was filled with many lovely gifts for the bride-elect.

A miscellaneous shower honored Miss Peggy Stephens Tuesday evening in Edmonton when Mrs. A. Taylor and Carole entertained the Royal Alex student nurses of the graduating class. The bride-elect's mother, Mrs. C. W. Stephens was a guest at the shower.

—S—

Ernie Braithwaite of Dewberry Married

Of interest is the recent wedding of Miss Marlene Audrey Smith, daughter of Mr. and Mrs. Allen G. Smith of Delburne, to Mr. Ernest Matthew Braithwaite, of Dewberry. The wedding took place at McDougall United Church, Edmonton, with Rev. Donald Bruce MacDonald officiating. The bride, who was attended by Miss Barbara E. Logan, was given in marriage by her father. A reception was held at the Seven Seas. Mr. and Mrs. Braithwaite will make their [redacted].

Senior W.A. Re-elects Officers at Mannville

MANNVILLE. — Meeting on Wednesday afternoon, Nov. 12th, at the home of Mrs. Ruth Hughes. Christ Church Anglican W. A. [redacted] for another term. Bazaar plans were discussed at this well attended meeting. It was decided to hold a tea towel shower at the next gathering. A Xmas bazaar, bake sale, etc. will be held in conjunction with the Happy Hour group on Saturday Dec 6th. A delicious tea was served by the hostesses at conclusion [redacted].

Local Nurses Pass R. N. Examinations

Two local girls who have recently attained the degree of R.N. are Miss Connie Harle, daughter of Mrs. Rose Harle of Vermilion, and Miss Helen Adam, daughter of Mr. and Mrs. Jas. D. Adam, now of Edmonton.

—S—

Girls' Auxiliary Spends Study Hour

MANNVILLE - Interest was apparent in the new study book entitled "He Cares" at the regular meeting of the G. A. held at the home of their leader on Tuesday afternoon. There was no immediate business on hand, so the entire meeting was taken up with the study as part of the missionary requirement. A jive session followed for a half hour, after which the girls adjourned for two weeks.

APPRECIATION

Members of the Salvation Army Home League wish to [redacted] all who had any part in making the sale and tea a success. 19

CARD OF THANKS

I wish to express my sincere appreciation to all friends and neighbors for the generous subscription taken on my behalf while I was ill.

Mannville Happy Hour Group Active

MANNVILLE. — With fourteen members present at the November 13th evening meeting, it was apparent that the Happy Hour group had not been idle. Two suppers were reported as financial successes and plans were laid for catering to a future social hour at which the Bishop is expected, on Nov. 23rd, also a Xmas tea, which is held annually with Christ Church W.A. bazaar. Reports were heard from various committees. It was decided to send for a coffee urn with the Nabob coupons which have been turned in. Dishes are expected soon for the kitchen at the parish hall. Lucky guess was won by Mrs. Shell and lunch was served by hostesses Edith Laidler and Joan Lugg.

—S—

CNR Hauls Huge Earth Machine

BIENFAIT, Sask. — Canadian National Railways hauled recently over its lines one of the largest earth moving machines in the Dominion. It is a huge drag line, one of only four on the continent which is now in operation near here at Western Dominion Coal mines.

The machine was shipped from Marion, Ohio, in 48 railway cars and it took five months and 20,000 man hours to assemble it ready for work. It weighs 1,600 tons and is valued at two million dollars.

Using Waste Heat

Quebec Hydro has an economical scheme for heating its 24-storey office building in downtown Montreal, reports The Financial Post. A large underground distribution substation, next to the new building, will provide enough waste heat dissipated from transformer banks to keep the offices cosy.

NOTICE
TO WHOM IT MAY CONCERN

All parties having documents or paper writings whatsoever in my office, are asked to take delivery of same before the 10th of December, 1958, otherwise they may be destroyed.

18-19 A. E. KAISER.

NEWS from ISLAY

Mr. and Mrs. Geo. Harrison, Mr. and Mrs. Geo. Capasso of Vermilion, and Mr. and Mrs. Charlie Ostenberg of [illegible] were visitors at the home of Mr. and Mrs. Wm. Waterfield on Sunday, Nov. 9th. It was the goodbye visit for Mr. and Mrs. Capasso who are now at Penticton, B.C.

Mrs. Rose Buchanan had the misfortune to splinter a bone in her hip and is now wearing a cast.

A social evening in the hall is planned for Friday, Nov. 21st at 8 p.m. by the Home and School Association. There will be cards, checkers, cribbage, a fish pond and some bingo, so it is hoped all will come and have a good time visiting and playing. There will be lunch too, and, oh yes, a door prize, so there is a 25c admission charge adults. The bingo is a grocery one, 5c and 10c games, all for fun, so come!

Mr. Jim Barnett had a birthday on Monday, 70 plus. His daughter Mrs. Chas. Redmond had a gathering of the relatives on Sunday.

It was nice hearing from Mrs. Alice Cambridge away in the north through her letter in "The Standard". Hope you have some pictures of your dog team and other items of interest Alice when we see you again.

BORN to Mr. and Mrs. Jimmie Hanna on Sunday, Nov. 16, a daughter, Grace Eleanor. Congratulations.

Miss Erva Sweet, R.N. of Lacombe hospital was home over the week end.

Mr. Jim Allan was a guest at dinner Sunday at the Dr. Sweet home.

Mrs. Jim Allan is a patient in the hospital. Mrs. Kay Sr. is also there. Mrs. Kay of Vancouver was visiting son Reg in Kitscoty.

Emerson Ternoster made a business trip to Edmonton Tuesday.

Church service will be held on Sunday at 9:30 a.m.

ISLAY — A FINE PLACE IN WHICH TO LIVE

Islay is a fine place to live. Islay stores could write an ad re their facilities which are as good and as varied as any, with bright lights, fresh vegetables and fruits, all under refrigeration, etc. All Islay stores have refrigeration, one having as much as 60 cubic feet, fresh meat is [illegible] and, as well as frozen. When you don't see ask for it. [illegible] CNR agent where you ship your cream, as well as buy tickets for a trip to [illegible], [illegible] or [illegible] land; a drug store where you get all the latest drugs to keep both yourself and your livestock healthy; a central school with an excellent staff to educate your children; a well-equipped hospital staffed with some good nurses to help brighten the days when you are ill; churches, garages, and welders, a lumber yard to supply you with materials to build a cupboard or a house, and best of all, we have natural gas to warm that house, garage or chicken coop the modern way. There is plenty of elevator space and their offices are all heated there. Pleasant people to serve you too; there is a [illegible] heated by natural gas. Today (Thursday) we are happy to be living here instead of in snowbound Manitoba, or Southern Alberta and a few other places we could mention. Now isn't this a good place for one of those retiring homes? (Hope Mr. [illegible] reads this).

CLANDONALD HALL

Showing at the Clandonald hall this week end Fri. and Sat. Nov. 21 and 22, "Drum Beat" an outdoor action picture in technicolor; Thurs., Fri. and Sat., Nov. 27, 28 and 29, "Trapeze" in technicolor starring Burt Lancaster and Tony Curtis. Another big picture at regular prices. Come early. 19

DERWENT THEATRE

Showing at Derwent theatre Sat. and Mon. Nov. 22 and 24, "Man On Fire" with Bing Crosby and Inger Stevens. Don't fail to see this drama; Wed. and Thurs. Nov. 26 and 27 "Nightfall", a suspense thriller you will never duplicate; Nov. 29 and Dec. 1, "The Proud Ones". 19

Sixteen Years Ago

NOV. 19th, 1942

On Wednesday Vermilion and district were just beginning to emerge from the heaviest November snowfall and biggest drifts within the memory of old timers. The snow, borne by a high wind started on Sunday [redacted] its zenith that same night and early Monday morning. Snow and wind continued in abated form during Monday and finally ceased Monday night, leaving 11 inches of snow on the level and drifts up to 4 and 5 feet. The only storm recorded in recent years which can compare with this one occurred in March, 1937.

Mr. [redacted] Chase, formerly of Edmonton, has opened a photo studio in the offices recently vacated by S. C. Heckbert, two doors west of the post office.

The Vermilion oil field produced 8,472 barrels of crude oil during the month of September, according to figures just issued by the Provincial Petroleum and Natural Gas Conservation board. Fourteen wells were on production during the month.

32 Years Ago

NOV. 18th, 1926

Norman McClellan was elected president of the Vermilion Inspectorate Trustees Association. Norman McInnes of Islay and Mrs. Jones, Ethelwyn, vice-presidents, and Mrs. Walker of Vermilion, secretary.

Snow fell Thursday and Friday but the weather is comparatively mild.

Lloydminster called for tenders for construction of a drainage system entailing 3000 lineal yards of excavation 14 feet deep. It will have 11 water catch basins and 9 manholes.

J. T. Fyfe was elected president of the Islay Curling club with D. C. Nelson vice-president and J. MacDonald, secretary.

48 YEARS AGO

NOV. 16th, 1910

Optimism was the keynote of stirring addresses at the initial banquet of the Board of Trade. The city of Vermilion, ten years hence, with its 12,000 population, as pictured by the speakers, was a reasonable and mild forecast.

Speakers were President W J Seed, Mayor H N Stephens, R. G. Duncan, J A Roseborough, M A Brimacombe James McGeorge president of Edmonton Board of Trade Job Mace J W G Morrison C V Ceasar Inspector H. R. Parker, Dr Ryan, W C. Craig A F Turner, R. L. Craig and L. A Knipe.

McLAUGHLIN'S SELF-SERVE

HARWAYNE

On Friday, October 24 the 4-H Grain Club held their Achievement Day in the Community Hall with a good number of samples of wheat and barley exhibited. Mr Buckingham, D. A. and a teacher from the staff of the V. S. A. judged and conducted contests. Prizes awarded were Barley — 1st Grace Hale; 2nd — Allen Johnson; Wheat 1st — Allen Midgley; 2nd — Wayne Hale.

Trophies donated by the leaders were given to Grace Hale and Allan Midgley and prizes of $2.50 [redacted] by the F. U. A. were given to Allen Johnson and Wayne Hale. Eunice Gray [redacted] an account of the club's [redacted] ties during the [redacted] presented with a wallet donated by the Wheat Pool for the best plot. Lunch was served by the beef club.

Linda Young was rushed to Lloydminster hospital and had an emergency appendix operation in the early hours of Sunday morning.

Mrs. Bacon is undergoing tests and treatment in the University hospital, Edmonton.

Gary Gardiner is back home after his long stay in the hospital.

Miss Thelma Sheive of Vancouver is visiting with her sister Mrs. Walter Kvill.

Miss Ella Doull is spending the week end with Mr. and Mrs. [redacted]

Miss Jean Milne, daughter of Mr and Mrs. Robt Milne was successful in passing her September, 1958 nurse's exams, and will be granted a certificate enabling her to register with the Alberta Association of Registered Nurses.

Burnet Graham, Bill Gregg, and Louis Lowrie enjoyed a successful antelope hunt in the south, bringing home several carcasses.

Mac and Brian Kent went big game hunting at Whitecourt and got a moose and a buck. At the time of writing, Vern and [redacted] Lowrie, Harold Birkett, [redacted] Boyce and Eric Jacobson are hunting in the Edson area.

We see more new cars being driven by Alec Romanick, George Leslie and Clyde Allen and new trucks by Vernie Franklin and [redacted] Tyner.

Congratulations to Mr. and Mrs. Doug Rooks (nee Elsie Hnatow) on their recent marriage.

A shower was held for Mrs Dick Dudlyke on Friday evening [redacted] in the basement of the Anglican Church sponsored by the W. A. Mr. and Mrs. Dudlyke had just returned from their honeymoon spent at Salmon [redacted] B. C.

Mr and Mrs. John Davies Edmonton, former residents of the Stretton district spent the week end with Mr and Mrs. G. Midgley. They attended Mrs. Martin's funeral in Islay and called on several friends.

Laurence Perks Mrs. Lucas and Mrs Craig were Edmonton visitors on Thursday.

Floyd Davenport long time resident of the Jumbo Hill district passed away suddenly in the Lloydminster hospital on Nov. 10.

Remember the Elks Turkey rooster and pig shoot on Friday and Saturday November 21 and 22nd starting at 2 30 each day at the Elks Hall. Dance on Friday evening, and a rooster bingo on Saturday evening.

Yukon Survey Reveals Link

Once upon a time over ten [redacted] years ago, the [redacted] of Russia, Canada, the United States and Mexico were all related. At least they all had the same background of Asiatic culture.

Dr. Richard S. McNeish, senior archaeologist at the National Museum of Canada, reveals that a survey conducted last summer in the Yukon's Firth River valley produced artifacts supporting this theory.

Dr. MacNeish, accompanied by Mr Gordon Lowther of McGill University and Alex Irish, an Eskimo guide from Aklavik, surveyed "single occupation" sites [redacted] the earliest of nine cultures discovered in the valley in 1955.

Artifacts from the second earliest culture reveal it to date back between eight and twelve thousand years and to be related to the Siberian Afontova Gora paleolithic relationship to the earliest remains of man found in Canada's Fraser Canyon, in the Columbia River basin area of the states of Washington and Oregon and the earliest remains of man with mammoth found in the valley of Mexico.

The artifacts also show that the people of this second culture, (called Flint Creek culture) were hunters of giant buffalo and were the first form. people to make an adaptation to Arctic conditions. Their clothes were sewn and they used spears for fishing.

KEEP ODOURS SEPARATED

Cook onion-flavored roast beef and bake pies in the same oven at the same time? Yes, says The Financial Post. U S. food machinery maker is introducing an automatic tray oven for restaurants, bakeries, hotels and other institutions. Trays of the oven revolve like a ferris wheel, can be loaded with various types of food for roasting or baking.

Mannville and District Local News

Mr and Mrs. P Arnold, Mrs Minnie McLaughlin, Mr and Mrs Dan Smith accompanied Mr and Mrs Angus Smith to Edmonton over the week end.

•• • ••

Mrs. Ethel Perkins of California has returned for a visit to Edmonton with friends 'ere she goes to her home in the near future.

Mr and Mrs. Marvin (Bud Ackerman) of Denver, Colorado are here for a visit to their parents, Mr and Mrs. Geo. Ackerman at Mannville.

•• • ••

Mrs. J. I. Jones spent the week end with her daughter Mrs. Pat [redacted]

Mr H Vandervaate is in an Edmonton hospital undergoing surgery. A speedy recovery is wished him.

•• •• ••

Edith Johnstone and daughter Doris were in Vegreville Saturday having dental work done and while there visited Mrs. H. T. Taylor who has recently suffered a heart attack. Janice (Whalen) Cunningham and husband Art were also down from the city to visit their grand mother so a pleasant time was enjoyed by all. Mr Taylor used to be the editor of the Mannville paper when he and Mrs. Taylor lived here.

•• • ••

With snow and cold weather prevailing at Mannville we feel sure that winter has come to stay.

•• • ••

Have you thought of the Standard as a most suitable gift for Xmas? Remember your local correspondent is also your subscription agent for renewals or new subs.

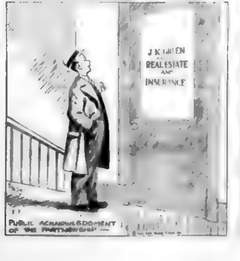
The Thrill That Comes Once in a Lifetime

A WEBSTER CLASSIC



J K GREEN
AND
REAL ESTATE
AND
INSURANCE
PUBLIC ACKNOWLEDGEMENT OF THE PARTNERSHIP —

"Great Morton", Hypnotist, Coming

The Great Morton show coming to Vermilion soon promises to be one of the highlights of the year in entertainment. If comments of the press of Canada are an indication. It will certainly be something unusual for showgoers, as it is many years since a show of this nature has been seen here.

Opening night in Vancouver, at the auditorium, a capacity house refused to allow the Great Morton to leave the stage — keeping him there until midnight. The audience would not leave the theatre until finally the management was forced to turn out the lights. Commented Vancouver newspapers "The most amazing show ever to hit the old town."

The Great Morton sold out to capacity houses in P. A. for a whole week, Yorkton, and Winnipeg for two weeks at the Dominion Theatre.

Demonstrating the remarkable potentialities of the human mind, the Great Morton is a far cry from the old-time stage hypnotist of years ago. He draws aside the veil of secrecy and mysticism which has for so long surrounded the art or science of hypnotism and shows how many of us, in our everyday life, perhaps unwittingly use the basic principles of hypnosis.

He also demonstrates remarkable feats of memory, psychometry and mesmerism. Members of the audience, who are interested in these subjects, are invited on to the stage at every performance and the show is hilariously funny as well as being intriguing and amazing.

Until comparatively recently hypnotism was a forgotten art or science. About 25 or 30 years ago charlatans, fakes and a splurge of highly sensational "stage shows" did a lot to, more or less bring this art into disrepute. However, today hypnosis is a science and plays a permanent part in the science of psychology, and it has fallen to Dr Robert (The Great) Morton to re-introduce this intriguing type of entertainment to capacity Canadian audiences.

Hypnotism is being widely used in many countries—ever increasingly so —for the alleviation of pain, the painless (and incidentally bloodless) extraction and filling of teeth, and alleviation if not total cure, of insomnia stuttering, stammering, amnesia (in certain cases only) and many other functional types of nervous disorder.

At one point of his amazing demonstrations, The Great Morton is facing he audience. Behind him, on stage, are some 30 or 40 genuine volunteers from the audience— some sceptical, some intrigued and impressed by The Great Morton's hypnotic feats and mental and psychometrical demonstrations.

Being a frustrated crooner who never made the grade, I'd like to sing a song or two", announces The Great Morton. He commences: "Rock-a-by on the tree top, when the wind blows" but he doesn't get far, because, believe it or not, he has to wheel about and help his assistants catch the 30 or 40 members of his committee as they fall asleep like nine-pins. Sound, deep sleep!

The audience, of course, are intrigued and hilarious but they already know, as Morton does, something the "stage committee" did not.

A few minutes previously, while they had been asleep—although some would probably deny the fact—Morton had planted a post-hypnotic suggestion in their minds to the effect that this particular act, on his part, would put them to sleep again. Then he awakened them, remembering nothing.

United Church W.A. Plan Bazaar

MANNVILLE — A meeting of the United Church W.A. was held in the social room of the church Thursday, Nov. 13th with a fairly good attendance. Reports from the Ranfurly rally [redacted] heard and bazaar business, which is to be held on Nov. 29th in conjunction with the tea and bake sale, took up most of the meeting. Lunch was served by the two hostesses for the evening Mrs Doherty and Mrs. Erna [redacted]

Curbs Heart Killer

Your chances of surviving a heart attack or a stroke have improved lately cheerfully reports The Financial Post. That's the clear-cut inference of the American Heart Association's recent annual meeting. New chemicals show (as yet inconclusively) that it is possible to dissolve blood clots that would otherwise kill.

People get themselves into trouble and then enlist their friends to help them out.

The GREAT MORTON
IN A SHOW THAT DELIGHTFULLY
FANTASTIC!
FASCINATING!
FUNNY!!

Internationally Famous Lecturer, Author, Psychologist and Memory Expert . . . and the WORLD'S GREATEST
HYPNOTIST

NOTE: This is the amazing entertainment which played for 8 weeks at Canada's leading legitimate theatre, the Royal Alexandria in Toronto! No other show (including "South Pacific" and "Oklahoma") has ever played more than one or two weeks!- Dr Morton played a smashing [illegible] weeks in Montreal, and in all other cities and towns has proven to be the greatest attraction to visit Canada in 50 years. He has just concluded a lecture tour of leading universities in the U. S. and Canada (including Sir George Williams and McGill) and commences his Manitoba-Saskatchewan tour after leaving this district.

Not a "Magic" or "Horror" show — but one of the world's leading legitimate theatre attractions . . . a clean, wholesome entertainment, unlike any show seen here previously!

"THE GREATEST ONE-MAN SHOW IN THE WORLD TODAY!"
—Montreal "Star"

- ● Ace Trickshooter
- ● Guitarist and Singer
- ● Memory Expert
- ● Intriguing Lecturer
- ● Mental Wizard
- ● Clever Comedian

This astonishing show now holds all attendance records all over Canada, England, U.S.A., Australia — for all time — SO BE WISE . BE EARLY!

INCREDIBLE! . . . PROBABLY THE WORLD'S MOST VERSATILE AND AMAZING ENTERTAINER!"
—Hollywood "Citizen-News"

Tickets at the Door: Price $1.00 (inc. tax)

THIS IS THE ORIGINAL DR. MORTON, IN PERSON — NOT ONE OF HIS SEVERAL WOULD-BE IMITATORS!

(It is a well known fact in the medical profession, and among the "big-time" show people of U.S.A. and Canada, that almost without exception every hypnotist appearing before the public today has witnessed Dr. Morton's show many, many times, so that they may attempt to pattern their own demonstrations after Dr. Morton's flawless and original manner of presentation.)

Board of Trade Discusses Community Problems At Work Shop Here

(The following story of the all day Board of Trade workshop held here Wednesday of last week was written for the Standard by Jack Deakin, Edmonton Journal staff writer. The Editor of the Standard quite frequently writes stories for the Journal and Mr. Deakin very kindly reciprocated.)

A wide range of problems from how to increase home buying to urban and rural public relations were discussed here Wednesday at a chamber of commerce and board of trade workshop.

The meeting jointly sponsored by the Vermilion Board of Trade, the Alberta Chamber of Commerce and The Canadian Chamber of Commerce was attended by about 40 delegates from a wide area in the Ve[illegible] district.

Elvin (Al) Locke, president of the Vermilion board presided over the full afternoon and evening session. He was assisted by the session chairmen J. V. Kneale of Vermilion, Reginald (Reg) Mitchell, Vermilion and Arthur F. Shortell of Lloydminster, a vice-president of the Alberta chamber.

Also assisting in guiding the discussions was Derek S. Griffin of Edmonton, Alberta manager of the Canadian Chamber of Commerce and executive-secretary of the Alberta Chamber of Commerce.

The first session following registration included such topics as "should we attempt to persuade district persons to patronize home businesses? If so how and what has been your experience with programs aimed at this objective?"

Consensus was that the urban businessman fully study the local potential and go after that potential. It also was urged that the urban businessman tell customers how they were benefiting by buying at home.

LED DISCUSSION

Leading in this discussion was Mr. Shortell who stated that the full potential of local business be studied and when this was done the businessman go after that business by giving good service.

Personalized service and a full understanding of the customer's needs were stressed by a number of speakers.

Farmer and townsmen relations were thoroughly discussed. It was agreed by town representatives that the town had a definite job to do in public relations with the farmer. A member of the farm fraternity, and also a board member, stated that the farmer could do an appreciable job in public relations with townspeople.

The farmer representative stated that too often the farmer came to town and expected everyone to welcome him with open arms. He said that while the town businessmen and the townspeople generally, had a job to do to cement relations with rural residents, the farmer, too, has an obligation to the townspeople and could not be expected to be welcomed with open arms unless he, too had something to give in return.

A suggestion was made that possibly chambers and boards co-operate with locals of the farmers union of Alberta and that chamber and board delegates attend FUA local meetings. It was pointed out that in several instances chamber and board delegates had attended FUA meetings and found them beneficial.

In regard to a question as to how chamber and board responsibilities rested with the community and in turn reflected with the chamber activities it was agreed that chamber and town or village councils had separate jobs to do.

It was pointed out that chambers and boards may pilot projects which councils could not do, but when chambers promoted these projects council could take action on them.

Summing up discussions on chamber activities it was agreed that there must be continuity in chamber work and that it was the job of every businessman to do his full share in this work.

[illegible]

Mr. Shortell urged that all members of boards and chambers work together. He stated that in his opinion the work of chambers and boards was the most important in any community. He added that such organizations should be the most aggressive and progressive thinking groups of any organization in a community.

Dr. Ben King of Vermilion was the guest speaker at a dinner following the meeting. Theme of his talk was "slow down and live". He said that too many persons today were working and playing themselves into early graves.

He added that progress was a complex problem but stated that under the present day speed living people had to stop and take stock of how to spend their leisure time. He said that often persons do not use their leisure time to the best advantage. He warned that persons must learn to relax.

Approximately 40 delegates attended the meeting. They represented organizations from Innisfree, Marwayne, Edmonton, Vermilion, Derwent, Lloydminster, Kitscoty and Irma.

The next such workshop will be held in Athabasca on Nov. 20th.

Delegates registered for the workshop included the following: Innisfree: M. T. Tym, W. Kravetz; Marwayne: J. M. Reinheimer, J. Spence, A. Swanson, W. Curtis; Jack Deakin, Edmonton Journal; Derek Griffin, Edmonton; Derwent: Jas. Fooks; Lloydminster: A. E. Shortell, R. Robertson, G. Bonner; Kitscoty: R. E. Gray, W. Clifford, Clark Richardson.

There were twenty-two in attendance at various times from Vermilion Board of Trade.

Dewberry Pilot Completes Training At MacDonald, Man.

MacDONALD, Man. — At the graduation ceremonies which will be held at RCAF Station MacDonald, Manitoba, on November 21st, 1958, Flight Cadet G. W. Garnier, 21, Dewberry, Alta., will receive his pilot's badge. Flight Cadet Garnier is the son of Mr. E. G. Garnier of Dewberry.

Alex Palin Speaks At Rotary

Alex Palin, acting principal of the School of Agriculture addressed the Rotary Club last week on Home and School Associations. Mr. Palin is vice-president of the local group.

He gave the meeting an excellent report on Home and School activities. Everyone at the meeting has a better idea of the ideals and achievements of the Home and School movement and its value not only to this community but to the whole of Canada.

The speaker mentioned several ways in which the Rotary Club and its members can assist the Home and School groups in carrying out their programme. He mentioned particularly that business men should be able to give young people information and advice in choosing [illegible].

Mr. Palin was introduced by chairman Reg Mitchell and was thanked by Dr. Ben King for his very interesting talk.

[illegible]

Reg Mitchell, acting for president Jim Robson, welcomed three new members to Vermilion Rotary Club. These local business men are Rudi Renaud, sponsored by Curt Alfke; Gordon Ross sponsored by Elmore Stewart; and Billy McLaughlin sponsored by Bill Sutherland.

The visitors were Sandy Hill of Lloydminster, M. J. C. Roake, father of Rotarian P[illegible] Roake, and Ray Smith, member of the Lloydminster club.

Mannville 4-H Clothing Club Holds Achievement Day At Chailey

Monday, November 3, was Achievement Day for members of the 4-H clothing club and this was held at Chailey Community centre with 60 people present. An increase in the sewing exhibits was noted with a good number of firsts, and two of the garments shown received a perfect score, 10 points out of a possible 10.

Following the singing of O Canada, Rita Clennett led the gathering in the 4-H pledge. A play was presented entitled "No Vacation." Rita Clennett and Anita de LaSalle gave a demonstration on hand care. Two enjoyable violin solos were rendered by Lorraine Younge accompanied by Berna Cotter at the piano.

An interesting skit was offered at this point entitled "The Prof." Lorraine Younge and Dorothy de LaSalle gave a demonstration on how to wash a sweater. This was followed with Karen Stephenson as artist. Sonia Burak pleased the audience with a recitation. A short skit was presented, "Too Tired To Move." A demonstration on how to wear colors was offered by Berna Cotter and Doris de LaSalle.

Following her piano solo, Arleigh Stephenson gave a talk on her trip to the Vermilion Fair Camp. A fashion show depicted the right and wrong way to dress, the second and third year girls modelling things made by themselves. In a note of humor, Barry McDonald, Gavin Cotter and Maurice Clennett assisted with the fashion show, modelling the "out of this world creation — the sack for '59."

Introduced by Rita Clennett, Miss Mesha explained reasons for girls giving the many demonstrations, as she said it gave them opportunity to make public appearances and learn to speak with ease. She urged communities to get behind clubs and support them. Miss Donna Shantz, Wainwright home economist, was introduced by Doris de LaSalle, and she thanked parents and the community for such wonderful support, as well as leader Mrs. S. Jackson for untiring service and excellent work with the girls. Projects were discussed and reasons given for marking exhibits as she did. Mrs. Jackson and Mrs. Summers were presented with gifts of appreciation by Dorothy de LaSalle on behalf of 4-H members. Lorraine Younge received a small gift for having the best project book.

Addressing the gathering, Mr. W. R. Cornish thanked the members for a most interesting evening and programme, as well as Mrs. Jackson and Mrs. Summers for all their work with the girls. Pleasure was expressed at the presence of Miss Shantz and Miss Mesha on this occasion. Singing of The Queen concluded a night to remember. The girls served lunch to the most appreciative audience.

DERWENT THEATRE

Showing at Derwent theatre Sat. and Mon. Nov. 22 and 24, "Man On Fire" with Bing Crosby and Inger Stevens. Don't fail to see this drama; Wed. and Thurs. Nov. 26 and 27 "Nightfall", a suspense thriller you will never duplicate; Nov. 29 and Dec. 1, "The Proud Ones". 19

Anglican Men Hear Talk On Frog Lake Indian Reserve School

The Anglican Men's club heard a most interesting talk on the school for Indian children on the Frog Lake reserve. The speaker was Mr. Hunt, welfare teacher of the school for the past eighteen years and who as well has acted as sub Indian agent and helped with the all around administration of the Indian affairs on the reserve. When the area has been without a minister Mr. Hunt has conducted the Anglican services [illegible] is a lay reader. Along with his address Mr. Hunt showed most interesting pictures. Some of these were of the Indian children attending his two-roomed school. The children were well dressed, clean and bright-looking.

Following the address and pictures Mr. Hunt was asked a multitude of questions regarding Indian life on the reserve. Despite the fact that not so many miles separate [illegible] from Frog Lake, not too much was definitely known of the people of the reserve nor of the operation of it. Mr. Hunt has some 47 Indian children in the Anglican two-room school, while exactly the same number attend a Roman Catholic school in another part of the reserve.

Mr. Hunt was introduced by Keith King and was thanked for the entertaining and enlightening evening by Morley Douglas. There were 25 present and the president, J. V. Kneale was the chairman.

The delicious meal was comprised of roast beef as the entree finishing up with strawberry shortcake. The chefs were Ken Urquhart, Don Keene, A. F. Kaiser, Sid Burdett and Bill Fooks. For the next meeting on Dec. 1st the committee in charge will be Lorne Pockett, Gerald and Keith King and Bob Snelgrove.

WOODVALE NOTES

(Held over from last week)

November, and the days are getting shorter, but otherwise it's almost like spring. Some shrubs and trees are budding. Camille Goutier found a crocus this week and one of our pullets thinks it's a comfortable time to get broody! Land work on the whole has been finished and making corrals, building and hauling hay seems to keep most farmers busy at present.

The last F.U.A. meeting was very well attended with 18 members present and Mr. Marklund who had information for organizing a local F.U.A. Co-operative association. Art Lysons will be the agent, Ray McQuid president and Florent Van Wageningen Jr. is secretary. Frank Watson was appointed delegate to the forthcoming annual convention at Edmonton. Elmer Wolters and Fred Skorum are canvassing for members and have had good response.

We were sorry to hear that Mrs. Belle McGrath received the sad news of the death of a sister in the East.

Ethridge Webber has sold his farm to Glenn Beckman and is at present disposing of his cattle. It is always a loss to have old timers move out of the district but it is pleasant to know that the farm will have new tenants and that Mr. and Mrs. Beckman will move in and live on the farm, also that Mr. Webber and his sister-in-law, Mrs. Mabel Webber will stay in Vermilion where we will be able to visit them and that they will keep on sharing the life of the Tolland community of which they have been a part for so many years.

Congratulations go to Mr. and Mrs. Camille Goutier on the birth of a son Denise Joseph, a brother for Charles. The baby was christened on Nov. 6th with Mr. and Mrs. Yvon Benoit of Vegreville coming over to be his godparents. Mrs. Paul Goutier left with the Benoits to stay with them for a week.

Also congratulations to Mr. and Mrs. Bob Lamport whose first baby, a girl, was born Nov. 6th.

The Red Cross met at the home of Mrs. Gladys Wolters to work on a patch quilt made for them by Mrs. Belle McGrath. Although busy they still had time to [illegible] the Springfield Disaster [illegible] listen to a news letter from the home economist and [illegible] the lunch after work. The next meeting, the annual one will be held on Dec. 3 at the home of Mrs. [illegible] Lyons.

Our news of last week not having made the Standard of the [illegible] we [illegible] as well add the few items we heard shortly after mailing.

Congratulations to Mr. and Mrs. R. Preston on the birth of a son.

We were sorry to hear that Mr. T. Preston went to Edmonton for medical treatments and hope he'll return soon fully recovered.

A church service will be held at the Tolland Community hall on the Sunday before Christmas, December 21 at 3:30 p.m. Mark that day on your calendar!

About one working Canadian in four is employed in manufacturing, one in eight in farming.

YOUR OPTOMETRIST
REMINDS YOU THAT PROPER VISION IS AN IMPORTANT FACTOR IN YOUR CHILDREN'S SCHOOL PROGRESS.

Naturally you're concerned about your child's well-being in school. You try to arrange for proper diet and proper rest. You may have arranged for a medical and dental examination. But have you forgotten the importance of proper vision in relation to a child's school progress?

SEE BETTER - LEARN BETTER WEEK
is an excellent time for you to help. Teach your child good reading habits. Be sure that there is good lighting — that your child sits erect, with books held properly at forearm length from the eyes. Be constantly alert for signs of visual impairment. If you notice your child has an aversion to reading, or holds the books too close or too far away — if there is squinting, head tilting, or nervousness and fatigue — these may be the signs of impairment which YOUR OPTOMETRIST can determine by an eye examination.

HELP YOUR CHILD TO SEE BETTER
. . . AND LEARN BETTER!

Life insurance service a matter of teamwork

"Teamwork" between the company and its representatives has earned for Manufacturers Life a reputation for a high standard of service to policyholders. The company provides a wide variety of modern life insurance and pension plans, backed by assets of more than $760,000,000. Its progressive underwriting practice has enabled many people with medical impairments to obtain the benefits of life insurance.

But sound plans and liberal practices are only the starting points for a high standard of service. The Man from Manufacturers plays a vital role in "tailoring" this top quality life insurance "material" into practical programs of security for his clients. He is trained to help you determine your specific needs for life insurance — which plans best suit those needs — and how much coverage is enough. He's at your service on all life insurance matters.

Scenes At Master Farm Family Award Winners

(Upper right) The spacious farmstead of Master Farm Family award winners, the Mel Wood family of Tofield, is shown with their modern residence at left. There are 22 well-grouped buildings on the site.

(Lower right) Mrs Wood and daughter Margaret, 13 years of age, work hand-in-hand in the well designed kitchen of the Wood home. Mrs Wood is an active community worker, having been chairman of the local school board for several years. Margaret is an aspiring member of a 4-H Beef Club.

(Lower left) Mr Wood examines part of a herd of 170 purebred Hereford cattle. The "Melwood Farms" name is well known in stock circles and cattle from the farm have been consistent award winners when shown. One cow from the herd has raised twelve calves in eight years, including a prize-winning $8,000 bull.

(Upper left) Mr. Wood stands with one of the bulls of his purebred Herford stock. The Melwoods Farms herd was built up from an original purchase of two cows in 1942.

News from Dewberry

Laura Lea Collins, three year year old daughter of Mr and Mrs Tom Collins was taken to Elk Point hospital after she fell off a chair and cut her face. Four stitches were needed to close the wound. She was allowed to stay at home.

Congratulations are extended to Mr and Mrs. Ernie Braithwaite who were married in Edmonton recently. Congratulations also to Mr and Mrs Otto Isert — nee Annette Butz who were married on the 10th.

A large number from Dewberry went to Edmonton on the 11th to see the Eskimos play the Rough Riders and were elated at the sweeping victory.

Several parties of big game hunters went to seek their luck and as yet we haven't heard if they were successful or not.

Forbes Tough is home and looking well after a trip to his native Scotland.

The chicken supper put on by the Ladies Aid was well attended and judging by the comments on all sides it was very much enjoyed. Mr Kruger showed some color slides taken while he and Mrs Kruger were in Ethiopia. Mrs. Kruger gave interesting descriptions of the pictures.

At the last wedding dance, Len McDonald, a fiddler well known around these parts and of radio fame greatly pleased the crowd by playing several dance numbers with the orchestra. The ovation he received showed how much he was appreciated. He and Mrs. McDonald were guests at the dance.

Mr George Fluney Sr., is spending several weeks in Toronto and district visiting relatives there.

Mrs. Margaret Fry and boys have moved to Edmonton to take up residence there.

A little late but we hope not too late to welcome our two new teachers, Mr. J Theisson, who is teaching grade nine and Miss Janet Hall teaching grade three.

Also late but we hope of interest to some are the winners of the prizes given by the Dewberry Shopping Centre on their official opening were: — Mrs. Gordon Wilson, a basket of groceries. Ellis Stewart - - a mixette. James Elliott Sr., - - an electric frying pan. Mrs. Sol Lemp - a basket of groceries. Mrs. Guy Millar - pressure cooker. Geo., Prowse - basket of groceries. Mrs. George Wowk - basket of groceries. Mrs. Laurence Witzaney - stainless steel carving set and steak knives: James McDowell - basket of groceries.

The draw for a set of luggage was won by Mrs. Vic Dennill.

Complete Project

MANNVILLE - Nothing ventured, nothing gained, is the attitude of the Grade 11 boys in the Industrial Arts room at the Mannville school. Teacher of this course, Allison Toronchuk, feels the boys have achieved an objective. Their class project was a business garage and granary which will be displayed Thursday of this week at the Home and School meeting. The construction meets all specifications and the boys are to be congratulated on their good work, also Mr Toronchuk on his aptness to teach in a most conscientious manner.

Congratulations folks!

Coffee and do-nuts were served all day. Servers were Mrs. Mary Axley and Mrs. Jessie Bowman. Thanks Win and Harold, everything was most enjoyable.

A card game night will be held in the school gym on November 26 sponsored by the Home and School.

Don't forget the turkey bingo on December 3 in the hall. If you didn't win a turkey on the 19th, try again. If you did, well, another turkey won't be wasted. New Year's day dinner will be along too. So come and try your luck.

PARADISE VALLEY NEWS

The Paradise Valley Civic Affairs committee wishes to draw to the attention of the residents of the hamlet the location of case of fire. There are four of these pumps [illegible] at the following residences: Mr. P. Wolfe, the stirrup pumps to be used in Mr Jack Gay, Mr Wm. Davidson, Knor's Sales & Service. If there is a fire alarm be sure to [illegible] one of these stirrup pumps [illegible] along with a bucket.

Patients in the Lloydminster hospital this week include Mrs. Charles Bloxham, Mrs. Harvey McLeod and Mr. Wm. McLean.

Mr and Mrs Roy Stewart left on Saturday morning for their winter pilgrimage to Mesa, Arizona, U.S.A. They are travelling by car and will visit at Edmonton and Swift Current on their way. They expect to spend the winter months the same as they did last year.

A whist party will be held on Nov 28th starting at 8 p.m. in the Paradise hall. Good prizes will be given. Ladies Hall Club members please bring lunch, card tables, cards, candy, nuts and ash trays for the smokers.

The Paradise Valley Square Dance club held a very successful dance on Wednesday evening. Dancers from far and near attended.

Winter has finally arrived. Snow and dropping temperatures tell the story. Oh well, we cannot complain.

The Paradise Valley W.A. held the annual chicken supper in the hall Friday, Nov. 7th with a large attendance. Many former residents were present to enjoy the fellowship. Also many were present from nearby towns and districts. All were welcome. The members of the W.A. wish to thank all who helped in any way to make this evening a success.

Mr. and Mrs. George Harrison and Sandra of the Preston S.D. attended church service at McLaughlin on Sunday, Nov. 2nd. Rev. MacDonald and the Harrisons have been friends since Mr MacDonald was a student minister in that district a number of years ago. They also called on the W.A. Gunns and visited with Mrs Hugh Leighton, very kindly taking her to Kitscoty to catch the bus for Edmonton that afternoon.

A few people from this district attended the farewell party held in the Zion Lutheran church for Mr and Mrs. Anders Aalborg who have sold their farm and are now residing in Lloydminster.

Mrs. J. McAmmond and Mrs. Storms entertained the birthday club at the home of Mrs. L. Knutson on Nov. 12th.

Sorry to see Mr. Jim Gordon going around on crutches. He recently suffered a painful knee injury.

We welcome Mrs. Dick Smith back from her trip to Ontario where she visited with her son Frank and other relatives and friends.

Mr and Mrs. Fred Taylor both 88 years of age, who now make their home in Vancouver, left by plane on Sept. 29th for Pittsburg, U.S.A., to attend Mr Taylor's sister, Mrs. Harrison's 85th birthday on Oct. 2. From there they went by plane to Florida, returning to Pittsburg and back to Vancouver by Oct. 18th. Mrs. Fred Taylor is Mrs. Maud Mayo's sister and resided in the Moyerton district for a number of years.

Mrs. Mayo returned some time ago from a three weeks' holiday in Edmonton, visiting with her niece Mrs. Web Moore. She enjoyed the World Series while there. Joe and Arthur Mayo also took in the baseball finals on TV.

A dance will be sponsored by the Ladies Hall club in the P.V. hall on Nov. 21st with the music being supplied by the Western Aces.

The Paradise Valley Square Dance club is holding a square dance in the hall on Nov. 28th. Henry Lien of [illegible] will do the calling.

Husbands Make Gift For Wives At Industrial Arts Classes

MANNVILLE — Many wives will be surprised at the first class presents they receive for Christmas this year from husbands attending evening classes at the Industrial Arts room, with instruction by Allison Toronchuk. Their class project should be completed by Dec. 15th if present program continues. The items constructed range from china cabinets, book cases, coffee tables, segmented nut bowls, cedar chests to an upholstered chair. It is easily seen, according to this report, that the classes were highly desirable and the decision to hold same has paid off.

OUR LETTER FROM EDMONTON

Heavy Demands On Alberta Finances Results in Deficit for Past Fiscal Year

by KEN MASON

Deficit financing is a painless matter if you happen to have a fat bank account like the government of Alberta, built up by careful administration.

In the last fiscal year, ended March 31, the province took $20,122,602 from its savings to make up the difference between revenue and expenditures. This compares with surpluses of $34,363,412 on the 1956-57 fiscal year, and $13,930,544 for the 1955-56 fiscal year.

Total revenue for the year was $277,373,983, while overall spending was $297,496,585.

Main factors responsible for the operating deficit: $10,932,540 spent on oil and gas royalty dividends, $2,080,437 to reduce the public debt, and an unexpected increase in school buildings assistance.

The figures are contained in the public accounts report for the year, released last week by Provincial Auditor C. K. Huckvale.

Are Albertans guzzling more, or are there more Albertans guzzling? Whatever the answer, Alberta residents consumed $63,017,810 worth of liquor and beer in the last fiscal year to give the liquor board a profit of $18,844,100 on the years operations. The profit represented an increase of more than $2,000,000 over last year's figure.

Liquor alone accounted for gross sales of $33,097,576 while beer sales grossed $29,920,234.

According to the public accounts figures Edmonton drinkers gave the liquor board a profit of more than $6,000,000. Beer sales alone in Edmonton grossed $6,530,708, leaving a beer profit of $1,454,400 in the capital city.

When a government is faced with an unexpected expenditure, the cabinet must pass a special warrant to cover whatever amount must be spent.

In the last fiscal year, the Alberta government spent $11,987,928 under authority of special warrant. One of the main factors was an unexpected increase of more than $6,400,000 in the amounts required for school building assistance.

Every department of the government had to ask cabinet for increased appropriations in varying amounts. In each case, warrants must have the approval of the provincial auditor. An employee of the Legislature (not the government), the auditor acts as the watchdog on the government purse strings.

Provincial civil servants travelled a total of 7,366,134 miles in their own cars last year, and received mileage allowances amounting to $840,909. This was the major item in an overall travelling expense bill of $1,781,500 paid to civil servants during the fiscal year. Subsistence allowances paid to civil servants away from home on business totalled $704,994.

MANNVILLE J. A.

MANNVILLE — With permission granted of W.A.'s of Christ Church the Junior Auxiliary planned to have a fish pond at the Christmas tea and bazaar on Dec. 6th in the parish hall of the Anglican church. These enterprising young people met at the home of Joan Lugg with their leader Jenet Peskilvets Thursday of last week. Pledges were renewed for the coming year.

NEWS from ALLANDALE

Weather - our first snow on Nov. 10th and around 10 above has been the morning temperature with a bit more snow.

Our last bouquet of pansies was picked Nov 10. Our thanks to you Mrs. Johnson. Such beautiful flowers, and to think they endured all those chilly nights!

Five lovely crocuses are in full bloom Gladys and are really beauties. Reminds one of spring.

On Nov 8th Orley Omness visited his sister Gertie Swanson at Elk Point and niece Joan and Morgan Darling at Spring Park. The latter folks will shortly have the power installed, coming from Ferguson Flats. Those people in Spring Park further west are hooking up with power from Elk Point.

Mrs. Wm. Armstrong accompanied her son Jimmy and Verna and family to Elk Point on Nov 9th to visit Mrs. Swanson.

Mr. and Mrs. Idelore Nelson and son Leslie spent Nov. 11th at the home of the latter's parents and relatives, the Ockermans, at Ferguson Flats.

Mrs. Gertie Swanson from Elk Point was a visitor with her sisters Nora and Stella at Islay on Nov. 11th.

Mr. and Mrs. Norman Anderson and daughters from Bonnyville were visitors on Nov. 9th at the home of Mrs. Anderson's parents Mr and Mrs Armstrong.

A great improvement is under way at the Wm Armstrong farm where a magnificent barn is under construction, size 30x60 feet.

Many from Allandale were in attendance at the Alexandra Progressive Conservative Association banquet in Kitscoty Nov. 12th. The ladies are to be congratulated on such a delicious dinner. Around one hundred were in attendance. A speech by Mr. Kirby of Red Deer was informative and enjoyed as were addresses by Mr Smallwood, Dr Sweet and Major Fane.

Allandale W.A. met at the Ralph Strome home on Nov 13th for their regular meeting. It was pleasing to see so many visitors, Mrs. Swanson from Elk Point, Mrs. Ronaghan and Mrs. Mayers from Islay, Mr. and Mrs. Harold Cooper and Mrs. Thompson of Rye, Mrs. Mead from Campbell Lake and Mrs. Laird Clandonald. Guest speaker was Mrs. Cooper, her topics were very interesting and enlightening, including "Church School for Women" and "The St. Paul Presbytery Fall Rally" at Ranfurly. Our thanks to you Mrs Cooper. The December meeting will be held at the Idelore Nelson home at 8 p.m. Mrs. Mary Wilson and Ellen Omness are on the lunch committee.

A meeting was held in the evening of Nov. 13th of the entertainment committee of Allandale Community centre at the Nelson home. Plans for the winter's entertainment were discussed. There will be a card party at the centre on Nov. 21. Everybody welcome.

Greetings Allie up at Ft. MacPherson. Your letter was very interesting, now we know more of our great northland. Your garden certainly sounded wonderful and surpassed most of those here this year. Best wishes to you and daughter Frances, we hope to see you in the holidays.

Mrs. Swanson left Islay last Friday to spend a few days with her daughter Florence and Ray Hammond at Lashburn.

Have you all been reading the column by Miss Stentz in the Standard each week? We certainly appreciate them very much and imagine many would be very interested in last week's article "How to Diet".

The first card party of the season was held at the home of Rock Mead, Campbell Lake and sponsored by the Princess Anne W.I. Allandale was well represented. Prizes were won by Ladies 1st, Mrs. Stella Gordey, 2nd Mrs Evelyn Throndson. Consolation Mrs. Mary Wilson. The men's prizes were won by Johnny Taylor, Herb McPhee and Alvin Throndson. Thanks to the Mead families for their kindness and hospitality. Lunch and a social time followed.

There will be a dance in the Allandale Community centre on Dec. 5th with either the Wes Funnell orchestra or the Melody Ramblers. Good lunch and a good time for all. Everybody welcome.

Closing Thought: (This is one of my favorite poems quite appropriate for this time of year)

"Oh the snow, the beautiful snow
Filling the sky and the earth below
Over the housetops, over the street
Over the heads of people you meet
Dancing, flirting, skimming along
Beautiful snow it can do no wrong
Flying to kiss a fair maiden's cheek
Clinging to lips in frolicsome freak
Beautiful snow from heaven above,
Pure as an angel, gentle as love."

MARWAYNE

(Held over from last week)

The congregations of the Catholic church have bought the school the Scouts have been using as a meeting place. It will be moved onto the lots next to the Ivan Fleming home where brush has been cut and burned and the foundation laid.

Mr. and Mrs. Jim Hale went to Cando, Sask., to visit an elderly aunt and uncle.

Mr. and Mrs. Bob Saville are back in town for the winter.

Some recent Edmonton visitors were Mr. and Mrs. Joe Hale, Mr. and Mrs. A. Protsch.

Sincere sympathy is extended to Mr. and Mrs. Bill Hancock and Mr. and Mrs. Dave Martin and families in the passing of their mother Mrs. Martin Sr. in Islay hospital. The funeral was held in Islay Saturday afternoon.

Sincere sympathy is also extended to the Parker families in the death of Miss Minnie Parker in Elk Point hospital after a long illness. Miss Parker was a very old timer in this district and known to many for her kindness. Her brother Roy is very ill at the present time in the hospital at Lloydminster.

Mrs George Doull and Mr Dan Campbell are patients in an Edmonton hospital while Mrs Alton, Mrs. Ferguson's mother, has just returned home after a few days in Lloydminster hospital.

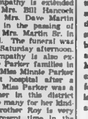
Marwayne Elks are holding a turkey, pig and rooster shoot on Friday and Saturday, Nov. 21 and 22 in the Elks hall starting at 2 30 p.m. There will be a dance Friday evening and Saturday evening a rooster bingo. The shoot is carried on in the basement. Lunch will be supplied by the O.O.R.P.

TULLIBY LAKE

A free Bible discourse was presented at the home of Mrs. Mollie Behrens on the afternoon of October 6. The subject was "What Did Christ Ransom" and was delivered by Ted Petras of Lloydminster. After an intermission, a bible study on "Fight Materialism for Your Life" was held. Roy Wagner was the conductor while Juvenile Behrens did the reading. Lunch brought the gathering to a close.

The Lea Park cattle sale was held at the sale corrals on October 28 and 29. Perfect weather blessed the event on both days. Prices the first day were quite draggy while things pepped up on the second day. A tremendous number of calves for this sale went under the auction hammer of Glen Florence from Lloydminster. The one refreshment booth on the grounds did a roaring business. This was operated by the Tulliby Lake Home and School with the proceeds going to the aforementioned group.

The district congratulations are extended to Mr and Mrs Clarence Gilroy (nee Bernice Coates) on their recent marriage in Lloydminster.



LET'S STICK TO MOSES!

When they were preparing to produce the motion picture "The Ten Commandments," the director and the author of the story consulted a professor who had been recommended as an authority on the Law of Moses. They expected a scholarly explanation, but when the professor had finished, there was little left of the Ten Commandments — and no story.

After the interview, when they were alone again, the disgusted director remarked. "We'll stick to Moses."

Yes, let's stick to Moses! There may be those who would abolish the Ten Commandments, but let's stick to the Commandments as God gave them to us through Moses.

And there is no better way of doing so, than by sticking to Jesus Christ, Who gave us the Commandments of love — the love of God and the love of our neighbor. All other Commandments are contained in these two.

"Thou shalt love the Lord, thy God . . ." The observance of Christ's first Commandment will establish in us a strong, dignified personal relationship to God. If we love the true God, we will give Him the honor that is His due . . . we will respectfully use His Holy Name . . . we will not think it too much to spend one day of the week in His company.

"Thou shalt love thy neighbor as thyself," said the Savior. Who should hold first place among our neighbors, if not our parents . . . or our own children?

And it should be obvious that if we love our neighbor, we will not take his life, or damage his health. Decent human love surely excludes the burlesque of love called adultery and the fierce attack which this lust makes upon the innocent and unprotected.

We would never steal from the ones we love; nor would we rob them of their good name. Certainly we would not lift a covetous hand to deprive them of the things intended to make their lives full and contented.

Let's stick to Moses, whose Commandments forbade human beings to break the bonds and destroy the relationships that preserve human dignity, develop character and guarantee human safety.

Let's stick to Christ, Who, in a more spiritual way, pointed out that if we love rightly and well, we will obey the law of God . . . protect all the relationships that guarantee our own happiness and make life safe and happy for the people who are our neighbors.

FREE—The Ten Commandments are God's design for human living. Are you familiar with them? Do you understand how important they are in your daily life? Write today for our free pamphlet on this subject. Ask for Pamphlet No. 12-KC.

GRANDMA WOULD THINK IT WAS A MIRACLE

I often wonder what Grandma would think if she could see a modern electric home. All the things we take for granted, she would consider miraculous. "Imagine!" she would probably say, "Machines to wash and dry clothes, polish floors, clean dishes, freeze food, and even cook it automatically!"

It's easy to take for granted all the familiar things we live with and use all day. Modern electrical living is one of those things. To appreciate its full significance, try and live for one whole day without flicking a switch. For 24 hours, see if you can silence everything in your home that is electrical. Today we live by the flip of a switch . . . and take it for granted that . . . we live better, when we live electrically.

Canadian Utilities LIMITED

"Power for Alberta's Progress"

NEWS from CLANDONALD

(Held over from last week)

Construction crews taking advantage of the exceptionally mild weather are making fine progress on the road north from Clandonald to highway forty-five. Hope had just about been abandoned that this project would be started this year but during the past few weeks over half the job has been completed. It would appear that this road will be of the same high standard as forty-five and will be a much needed improvement. Quite probably the mail truck drivers will appreciate the fine new highway almost as much as anyone.

A few miles further north a great improvement also is noticed at Mulgrew's corner. There the municipal [illegible] have eliminated two dangerous curves and should have the job completed in a few more days providing the temperature does not drop too drastically. West of town much needed straightening was done to do away with a bad curve not too affectionately known by many as the "devil's elbow."

It is with much regret that we have to report that our old friend and neighbor Arthur Rowntree has been a patient in the veteran's wing of the University hospital following his return from overseas several weeks ago. Mr. and Mrs. Rowntree left for a four month visit to their old home last June and during September Arthur was taken ill. He has been in ill health for several years but has been able to carry on limited farming operations during that time.

Mrs. Rowntree and Arthur Jr. spent a few days at the farm home here but are at present in the city.

Marilyn Brake, attending university, was home to spend the Remembrance day week end with her parents.

Harry Brake Jr., who suffered a knee injury while employed on municipal road construction during the summer is still able to do only light work.

Still crippled with her leg in a cast is Mrs. Ed. Toner who was employed by the municipality as a cook and suffered the injury several months ago.

Mrs. Clifford Good had to journey to Edmonton recently to receive treatment for an eye ailment which was not improving very quickly. Satisfactory progress is being made now.

Mr. Joe Shaw who purchased a residence in Vermilion some months ago has now moved into town. The extensive farm holding are now under the care of son Bert. We wish Mr. and Mrs. Shaw many years of happy retirement after their strenuous labors on the farm.

The masquerade dance sponsored by the ladies hall club turned out to be a very successful affair and almost everyone appeared to enjoy themselves. Judging proved a difficult task with the many clever and varied costumes. First prize went to the "witch", Mrs. Kathleen Brake, second to the "colored lady" from the bank and third to Anne Hagen and Geraldine Kada who dressed as an Arab sheik and his most handsome wife. Unfortunately, there were not enough prizes for all those deserving them.

The chicken supper sponsored by the W. A. of the Anglican church was a huge success and the ladies are quite pleased with the results. The same organization is sponsoring a dance in the hall in the near future.

Ernie Stanley accompanied by his two sons Norman and Alfred went on a ten day hunting trip in the Hines Creek area of the Peace River district recently. While there he visited with his brother Vince and family, former residents of the Landonville district. The boys were successful in bagging a moose on the trip.

Several new buildings are noticed this fall around the country. Joe Bardorf west of town and Joe Carlton from north of town are both erecting fine new homes while Norman Seal is busy completing a new barn.

Mrs. Norman Sutherland recently returned from a two week vacation at her former home near Minot, North Dakota. Mrs. Sutherland's sister and brother-in-law drove up and she made the return trip with them. During her absence the younger son, David, suffered a badly cut hand making necessary a stay of several days in Vermilion hospital.

Anyone pestered by magpies would be well advised to obtain plans from the D.A.'s office for construction of a trap. For a cost of around ten dollars or less depending on the material used, a trap can be built which should give excellent results. Fresh meat or offal seems to be the most attractive to the impudent rascals.

Thank you Wildmere for your kind remarks. We had thoughts of quietly fading away but apparently such is not to be.

Johnny Masyk of the R.C.A.F. station at Gimli, Manitoba, recently spent several days in the district renewing acquaintances. Johnny likes his air force job but would like to be moved around a bit more as he has been at the same base for several years now. Also noticed at the chicken supper was brother Maurice who has been employed with the Beaver Lumber company near Edmonton for the past several years.

IN MOMENTS OF CRISIS—
CONFIDENCE COUNTS

Imperial's 78 years of leadership has helped Canadians take for granted the reliability of oil and oil products

Reliability implies an adequate supply of the products you depend upon . . . when and where you need them, at reasonable prices.

Imperial has always been the leader in assuring Canadians of an adequate supply of oil. Imperial's discovery of oil at Leduc, in 1947, opened the vast western oil fields.

The first oil company to supply consumer needs in all Canada's provinces, Imperial has also refineries from Halifax to Vancouver (and in the Northwest Territories) to meet the local needs of Canadians.

Imperial has always been the leader, too, in a highly competitive industry which must seek . . . by broadening markets and increasing efficiency . . . to keep prices down. Over the past ten years, while prices of things in general have [illegible], regular gasoline has gone up only 11%.

Esso IMPERIAL OIL LIMITED

IMPERIAL OIL...FOR 78 YEARS A LEADER IN CANADA'S GROWTH

Health Unit Notes

SLEEP

Adequate sleep is very necessary for all of us. It gives our bodies a chance to recover from tiredness and fatigue. Tiredness is a blessing and a safety valve since without it we would wear our bodies out and die.

Use of our muscles produces a waste product called lactic acid which is removed by the blood and finally excreted. Excessive use of our muscles produces an accumulation of lactic acid which produces the sensation we know as fatigue. As with muscles so with all other processes of the body, activities lead to fatigue and recovery comes only by rest. Both mental work and emotional activity can tire the whole body.

When the whole body gets tired, we become [illegible] and gradually lose consciousness. In sleep the activity of the mind (except in dreams) quietens, muscles relax, the heart beats fewer times per minute and respiration slows down. During sleep waste products are removed and the "wear and tear" repaired. We also lose about a pound in weight.

Loss of sleep affects speed, accuracy, alertness and learning capacity. These are of temporary nature but lack of sleep may injure permanently. Growth is rapid in boys between the ages of 13 and 18 and in girls between 14 and 17, and if fatigue consumes energy then growth in size and strength is likely to suffer. Many children are underweight not because of poor feeding but due to lack of sleep. When such children spend long hours in sleep and take rest periods during the day, they promptly gain weight. Lowering of the body resistance is another injurious effect of fatigue and the body is left defenceless against infection and particularly TB. It is significant that between the ages of 15 and 25 the death rate from TB rises sharply.

A healthy tiredness produces the best sleep, but over-tiredness leads to restlessness and insomnia. The activities of the day should be turned off gradually during the evening hours, and exciting games and movies, blood-curdling detective stories cannot do that. Routine is very important and if one forms the habit of being in bed at a certain time each night, slumber will come quickly.

The bed, mattress and surroundings are most important for a good night's sleep. The mattress should be at least 39 inches wide, the bed should be neither too hard or too soft, coil springs are the best. Sleeping on a very hard and stiff spring robs the sleeper (next day) of about 12% energy as measured by his ability to do severe mental work. Sheets and blankets should be wide enough to hang over the bed and should not be tucked in too tightly. Finally the surroundings should be carefully considered. Coolness, quiet colors, and silence invite relaxation. Noises and light are the enemies of sleep.

THE QUANTITY OF SLEEP

Generally speaking, growing children should have about ten hours and youths in their teens at least eight hours sleep.

The use of sleeping powders in tablets should never be used in health, but only when prescribed by a doctor. If in spite of normal living, sleep is poor, a doctor should be consulted.

Tiredness is the signal for rest and tiredness carried to the point of fatigue is damaging. Adequate sleep is vital for mental and physical duties.

Monday, November 24 — Vermilion (Health Unit Office) 2 to 4 p.m.

Tuesday, November 25 — Wainwright (Office) 2 to 4 p.m.

Thursday, November 27 — Albert (School) 2 to 3 p.m.

Friday, November 28 — Irma (Rest Room) 2 to 4 p.m.

Friday, November 28 — Paradise Valley (United Church Basement) 2 to 3 p.m.

Tips on Touring

By Carol Lane

Women's Travel Authority

For the friend on your Xmas list who has everything, including a car, a gift for the car may be the answer. Here are a few of the more interesting car extras available in specialty shops this year — prices of course, may vary.

Road flares, the size of a long firecracker and able to burn in both wind and rain are a handy safety precaution for the flat tire changer at night. A bundle of four sells for 89 cents.

A little more elaborate is the "Warn-O-Flash", which plugs into the cigarette lighter and flashes a red beam, marking the roadside repair site. It sells for $3.95.

A metal clamp that slips neatly between the door frame and window, can be used to hold a glass, baby's bottle or soda bottle firmly in place. It's good for motorists with children. The price is $1.

If your driver likes to plot his course — as well as follow a road map — he may like an illuminated car compass that can be attached to the dash board. It sells for $3.98.

For the after-dark traveller, a [illegible] visor that clamps onto the sunshade and contains a light for help in reading road maps could be a useful item, $14.95.

A man who likes to shave in his car or doesn't have a car radio might be intrigued by a clever little converter that plugs into the cigarette lighter and turns it into a 110 volt a.c. outlet, $18.95.

And finally, for those who really have everything, there's a portable refrigerator ($149.95) or a portable air-conditioner that plugs into that all-purpose cigarette lighter, $39.50.

—S—

Courtesy yields large dividends, but it is an investment that is too often overlooked.

Family Gathering Marks Golden Wedding of Mr. and Mrs. A. E. Frissell

On Tuesday, November 18th, a family party marked the Golden wedding anniversary of Mr. and Mrs. Albert E. Frissell. The happy gathering took place at the home of Mr. and Mrs. Frissell in Vermilion. Highlight of the evening was a delicious chicken supper complete with a four-tiered wedding cake.

Mr. and Mrs. Frissell were married in Saskatoon fifty years ago, November 18th. They lived there until 1916 when Mrs. Frissell and the children moved to Edmonton while Mr. Frissell served overseas in the First World war. Following the war they moved [illegible] district south of Vermilion where they farmed for 23 years. Ten years ago they left the farm to move into Vermilion where Mr. Frissell was employed as caretaker of the provincial government building for the past nine years, retiring just a year ago.

Mr. and Mrs. Frissell have one daughter Mrs. Fadden (Ethel) of Wildmere, and three sons, Bert and Howard of Vermilion, and Bill of Grande Prairie.

Prior to the family gathering, thirty ladies gathered at the home of Mr. and Mrs. Frissell to extend felicitations and best wishes on their Golden anniversary.

Golden Age Friendship Club Hold Social, Elect Officers

(CONTRIBUTED)

The members of the Golden Age Friendship Club held a very enjoyable social evening at the Legion Hall on November 19 with forty in attendance.

Nine tables of whist were played with Mrs. Peter Jensen winning the ladies first, Mrs. George White second while the booby prize went to Mrs. Carl Johnson. For the gents the first prize was won by Mrs. Sperberg, second to Mr. Fred Maddex and the consolation to Mrs. Jim Johnson. Following the whist a very delightful lunch was served, tea, coffee, buttered rolls and cookies. Mrs. Jim Johnson provided the lovely birthday cake, candles and all.

Election of officers for 1959 was held with the following members being elected:

President — Mr. Wes Waldenberger; Vice-president — Mrs. J. Simonet; Secretary — Mr. Percy Crow; Treasurer — Mrs. I. Miller; Press Reporter—Mrs. W. J. Fisk; Kitchen Conveners — Mrs. Carl Johnson, Mrs. George White, Mrs. M. Lee; Sick Convener — Mrs. E. A. Rivett; Social Conveners — I. Miller, chairman, Carl Johnson, Hugh Mitchell, Roy Jory, Herb Simmons; Property Conveners — Mrs. W. Waldenberger, Mrs. G. White.

Following the election a brief resume was given of the next get-together which is being held at the Legion Hall on Wednesday afternoon, December 10 at 2 o'clock sharp. A film will be shown by Mr. E. H. Buckingham on his trip to the Old Country. After the film and commentary there will be an impromptu concert, carols will be sung, and then the exchange of gifts as this is the Christmas social. Please remember that no gift is to cost over 50 cents nor under 35 cents. Everyone in Vermilion 50 years of age and over is most heartily welcome to attend and have an afternoon of fun. Mrs. I. Miller is making the birthday cake for all you folks who have birthdays in December.

Many will ask -- "What is this Golden Age Friendship Club, how much does it cost to join and what is the purpose of it?"

First of all there is no membership fee. Anyone over the age of 50 years of age is cordially invited, no matter how long you have resided in Vermilion, be it 30 years or a week, you are sincerely welcome. There is a tin box on the table, and if you feel you want to put a dime or whatever you care to donate, it will be appreciated. The club is entirely self-supporting.

The aim of the Golden Age Friendship Club is to bring a little happiness, and a feeling of belonging to our senior citizens.

Please remember the date, time and place of the next social, there is going to be fun, and in case it hasn't been mentioned before, lunch will be served.

Rotary Club Meets At Buffalo Coulee; Entertains Farmers

Vermilion Rotary Club held its weekly meeting in Buffalo Coulee School last week. Each member of the club invited a farmer living close to the school as a guest. Altogether there were about eighty sitting down to a banquet supplied by the ladies of the district.

Rev. Donald Morris, minister of Presbyterian Church, Lloydminster was the guest speaker. Mr. Morris took as his subject, "There is a Time to Keep Silence and a Time to Speak." Mr. Morris illustrated his talk with references to many great men, some of them living and some who lived in ancient times.

Elmore Stewart introduced the guest speaker. In thanking Mr. Morris, Bill Cross expressed the feeling of everyone present when he said that it was an address that we would all long remember.

An interesting and often humorous part of the programme was the introduction of the guests by the club members inviting them.

The chairman of the meeting was Jim Robson, President of the Vermilion Club. Mr. Robson welcomed all the guests on behalf of the club. He thanked the speaker for his splendid talk and the ladies for the wonderful banquet provided. Also, Mr. Robson expressed thanks to Dr. Ben King for acting as song leader and Henry Eyben as pianist.

President Robson gave a short resume of what Rotary means and how it operates through its four avenues of service. These avenues are club service, vocational service, community service and international service. As Mr. Robson said, it all adds up to one thing, "service is my business."

Mr. Hardy Wear thanked the Rotary Club on behalf of the guests for a very enjoyable evening.

Hunting Hints

Golden Eagles are paying us their annual visit. The few that come into this area cannot do any great damage, so why not study their habits instead of destroying.

New Departure, Parents' Day, Is Planned At The V.S.A.

The Vermilion School of Agriculture was the scene of one of the largest Alumni Reunions for several years, on Friday, November 21st. Over four hundred Alumni and their friends were in attendance with large numbers of the 1958 graduates in evidence. The Rhythmaires, from Lloydminster, provided the music; lunch was served in the V.S.A. dining room. Alumni came from many miles, and even some Fairview Alumni were noted in the audience, having come to visit former Fairview students at the Vermilion school.

PARENTS' DAY

This week end will see a new departure at the Vermilion School of Agriculture and Home Economics. The School is planning a Parent's Day. The parents of all students presently at V.S.A. have been invited to spend the day with their sons and daughters, at the School. They have been invited to sit in classes in the morning, to visit with the staff in the afternoon, and to attend the Amateur Hour in the evening. The Amateur is put on under the auspices of the Students' Council, and is one of the first organized activities since the Students' Council has been elected. Amateur Hour will be followed by a Saturday night dance, and [illegible] will be served by the students.

The staff of Vermilion school ol are looking forward to meeting a large number of parents this week end and are hoping the latter will get a good idea of a day at V. S. A.

STUDENTS' COUNCIL TAKE OFFICE

The Students' Council was recently elected and sworn into office by the President, Jack Burlet, of Barrhead who, together with Kill Kneen of Marwayne, was elected last March, prior to graduation. The Students' Council at the Vermilion School of Agriculture for 1958-59 is as follows:

President — Jack Burlet, Barrhead
Vice-President — Wm. Kneen, Marwayne
Chairman of Gym Committee— Paul Fuhrman, Dawson Crk.
Chairman of Athletic Committee — Gerald Mears, Peace [illegible]
Chairman of Literary Committee — Arnold Malone, Rosa[illegible]
[illegible]
Secretary of [illegible] Council — Bill Newman, of Lloyd.
Treasurer of Students' Council — Max Zless, of Dapp
Member without Portfolio — Faye Paradis, Ribstone.

Kinettes Celebrate First Birthday

On Thursday, Nov. 20th, the [illegible] bands at a dinner meeting in the [illegible] first anniversary. Twenty-two sat down to an enjoyable meal of [illegible].

Bill Novak, president of the Vermilion Kinsmen club, proposed a toast to the Kinettes. President Bill complimented the Kinettes on their success during the past year. Norma Novak, president of the Vermilion Kinette club, replied to the toast. Marion Anderson, vice-president of the Kinettes, proposed a toast to the husbands which was replied to by Bob Anderson, district deputy governor, Zone 2, of the Kinsmen club.

[illegible] concluded everyone adjourned to the home of Jean and Jack Wright where an evening of fellowship was enjoyed.

Closing Meetings Fall Crusade on Sunday

The closing meetings of the fall gospel crusade will be held at alAthele cinCw llced a.din at the Alliance chapel in Vermilion on Sunday, Nov. 30th at 11:30 a.m. and 7:30 p.m. The speaker is an internationally known evangelist, the Rev. R. G. Simpson, and the meetings during the week have proved to be intensely interesting. Everyone is invited to attend.

Conservatives To Nominate

Conservatives will select a candidate for Alexandra at a convention to be held in Kitscoty at the Legion hall on Wednesday, Dec. 10th at 8 p.m. Several have been mentioned as possible candidates including farmers and professional men. 20-1

Epilepsy League To Meet in Edmonton November 28th

The Western Canada Epilepsy League, Edmonton and District branch, is holding its regular meeting at Red Cross House, 9931-106 St. on Friday, Nov. 28 at 8 p.m. Guest speaker will be Mr. Gee, provincial co-ordinator of rehabilitation, and a short film will be shown.

Hareuthers Plan Move To New Store

[illegible] will be closed for four days next week, Monday, Dec. 1st to Thursday Dec. 4th, preparatory to moving to their new Tom Boy [illegible] Market. For full details see display advertisement elsewhere in [illegible].

—S—

Skating Sunday On Park Lake

With forecast of mild weather for this week end the ice on the park lake will again be cleared for skating Sunday. A very large crowd enjoyed the outdoor skating last Saturday and Sunday and really appreciated the efforts of the park committee in making this recreation possible.

Early Closing Discussed At Vermilion Home and School

The regular monthly meeting of the Vermilion Home and [illegible] school on Tuesday evening. The sessions proved very interesting being highlighted by a presentation, a discussion, and an enlightening talk.

Robert Jones, a grade 6 student in Mrs. Klashinsky's room was presented with a bronze medal. This medal was won by Bob at the school division track meet held at Kitscoty in the spring. He was the top athlete in his age [illegible].

RECOMMEND EARLY CLOSING

Considerable discussion arose over the matter of early closing. The meeting finally agreed to recommend early closing for the winter months.

REPORT CARDS

Mr. W. F. Stewart principal of the Vermilion elementary schools spoke on the topic "Report Cards." Mr. Stewart explained the meaning and use of the report cards being used in grades 1 to 6 in Vermilion.

His talk was well given and very much appreciated by the meeting. A very lively discus[illegible].

The attendance shield for the meeting was won by Mr. W. F. Stewart's room.

The next Home and School meeting will take place in the west end brick elementary school on Tuesday, Jan. 27, 1959. This meeting will be "Father's Night." The speaker will be Rev. C. W. MacKay whose topic will be "Family Relationships."

To See Grey Cup

Dr. and Mrs. Ron Payment left this Thursday afternoon bound for the Grey Cup game at Vancouver. The trip is being made via the C.N.R. 'Grey Cup Special'.

VARIETY SHOW

Don't forget the Legion Variety show Friday at 8 p.m. in the High school auditorium. Adults [illegible] students 25 cents. 20

C.G.I.T. Re-organize For Season

(By Marie Tovell, Press Rep.)

Although off to a late start this year, the Vermilion C.G.I.T. have already had some interesting meetings. On October 27th, reorganization was carried out at a potluck supper. Merle Marshall gave an interesting and amusing account of Camp Council.

The new leaders are Mrs. A. Kather, Mrs. Elmer Samuelson, Mrs. H. Trebbutt, Mrs. Al Coulbourn, Mrs. Chas. Waldenburger, Mrs. K. W. Balrum, Mrs. T. C. Marshall, Mrs. L. Hathaway and Mrs. J. [illegible].

On November 3rd there were two speakers. Mrs. K. Balrum who recently moved here from South Africa, told us many interesting facts about her country. Among other things she mentioned that the natives used to buy their wives with several cows. Since they have become more civilized they can now buy their wives on the installment plan a few cows at a time.

The other speaker was Marie Tovell who spoke to us about her trip to the Olds Conference.

Later in the evening the executive for this year was elected as follows:

[illegible] [illegible]
Margaret Rooks Vice-Pres.
Ruth Stewart Secretary
[illegible] Press Rep.

[illegible] of the time at the last two meetings was occupied working on projects for the Christmas bazaar.

Passes School Bus, Fined $35 and Costs

A farmer of the Allandale district appeared in court Monday charged with failing to stop behind an unloading school bus. He was fined $35 and costs by Magistrate Basler with the option of thirty days in jail. The accused pleaded guilty and paid the fine.

It appears that the school bus had stopped to allow a child to leave, the driver set his red light flashing, a signal to all traffic to stop. The accused a[illegible] driving a truck and failed to stop, narrowly missing the child.

Magistrate Basler took a very serious view of the offence and stated that the lives of our children must be protected. He cautioned that such action might result in the suspension of the driver's license.

This is the first case of its kind in the Vermilion school division. In future the names of those convicted of similar offences will appear in print.

Mayor Given Four Months Leave

At the meeting of the town council held on Monday evening last week, Mayor Melvin Hill was granted four months leave of absence. His Worship plans to leave this Thursday to visit in Toronto and at his old home town of Clinton in Huron County. Mrs. Hill is already in Toronto visiting a sister. From Toronto Mr. and Mrs. Hill will proceed to the Maritimes and visit points in Cape Breton where Mrs. Hill grew up, and in Halifax.

John McMorrow Big Bingo Winner

John McMorrow of Clandonald proved the big winner at the Knights of Columbus bingo held last Saturday evening in the armories. He won the two trips to the Grey Cup game at Vancouver, or $300 in cash. Mr. McMorrow took the $300. The bingo attracted an overflow crowd.

Gather From All Parts Of Constituency At S.C. Convention

Delegates gathered from all parts of the Vermilion provincial constituency at the annual convention of the Social Credit Association held in the Legion hall Vermilion, on Monday Nov. 17th. It proved to be the most representative convention held in years. The president W. R. Cornish of Mannville acted as chairman with 41 in attendance.

The election of officers resulted as follows:

Hon. Pres. — Hon. E. C. Manning
Pres. — W. R. Cornish, Mannville
Vice Pres. — Castle Scott, Vermilion
Sec.-Treasurer — Ashley H. Cooper, Vermilion

The executive is comprised of the following representing the various districts in the constituency: Steve Unlat, Beauvallon; Jack Youswyshyn, Myrnam; Alvin McIntyre, Minburn; Peter Noster, Derwent; Walter Tym, Innisfree; Clarence Ewing and John Forman, Mannville; Ernest Schurman, Arthur MacMillan, H. H. Heights, Vermilion; Alex Stone, Buffalo Coulee; Ivan Hardy, Irma; Tom Smith, Saltaux; Ross Taylor, Poplar Heights; Louis Zarowny, King George; Frank Miller and Alex Zarowny, Elk Point; Leo Klashinsky, Chatsworth; Earl McDonell, Ottawa; John Gollnowski and K. Boychuk, Morecambe; Gilbert Harrison, Wildmere.

The executive was empowered to appoint representatives for districts not represented at the meeting.

Setting of the date for a nomination convention was left in the hands of the executive with power to act.

A number of delegates were appointed to attend provincial Social Credit convention held in Edmonton Nov. 24th to 27th. These included R. Wagner, C. Scott, J. Youswyshyn, W. Tym, W. C. Ewing, P. J. Noster, R. Taylor, W. R. Cornish, A. H. Cooper, S. Unlat, H. Whitcher, Alex Stone, D. E. Brown, M. Samograd, A. Zarowny.

The meeting went on record as re-affirming faith in the basic principles of Social Credit; approved the Alberta government's five-year program and anti-depression plan [illegible] the rate of interest on the farm home improvement loans be not greater than 4 per cent.

The annual Farmers bonspiel sponsored by the Vermilion curling club will be held on December 4, 5 and 6. An entry fee of $8.00 per rink is being charged.

Plan Workshop Here

The National Farm Forum is planning a workshop which will be held in [illegible] Dec. 2nd. The all-day sessions will be held in the sample room in the Brunswick hotel. All interested persons are welcome to attend. 19-20

Juvenile Hockey League Organizes With Four Teams

The 1958-59 season of the Eastern Alberta Hockey league will see teams from Mannville, Vermilion, Myrnam and Dewberry battling it out for the championship.

The club managers of the above teams and members of last year's executive held an organization meeting in the armories on Sunday, Nov. 23rd. Much interest was shown and indications point to another very good season. The following executive was appointed:

President — Jas. Ferguson, Ver[illegible]
1st Vice-Pres. — Niel Jones, Dewberry
2nd Vice-Pres. — Philip Zaph, Clandonald
Sec.-Treas. — Jas. McCaughey, [illegible]

From present indications the hockey season will get away to an early start. The league schedule of games will appear in next week's Standard.

Two Cars Wrecked, 8 in Hospital, Following Highway Traffic Accident

Eight [illegible] were hospitalized and two cars totally wrecked in a collision on highway 16 near the V. S. A. on Saturday evening. The collision was an odd one wherein one car ran into the rear of the other.

The accident occurred just east of the east gate of the college. Miss Dorinda Anderson had been into the college, had left by the east gate. After gaining the highway she had stopped to pick up four college students who were walking into town. She had again started the car and was travelling at 10 miles per hour when her car was hit on the rear by a car going in the [illegible].

The impact sent the Anderson car into the south ditch where it turned over, while the second car came to rest in the north [illegible].

Driver of the second car was Donald Coolidge who works at Hanna, Alberta and accompanying him were two companions, Earl Ansheim, and Bob Linnell. They were on their way to Lloydminster and then to North Battleford.

All eight of the occupants of the cars were taken to hospital, and all but two of them were discharged after [illegible]. One student was retained overnight, while Earl Ansheim remained in hospital until Wednesday. He suffered a bad cut and slight skull fracture. Bob Linnell also had a bad cut on his head, and lost considerable blood.

Both cars, a 1951 and a 1954 model were declared not worth repairing by adjustors. The Anderson car was the property of Harvey Anderson Jr.

As a result of the accident, Donald Coolidge has been charged with careless driving. He will appear in court at Hanna, Alberta.

—S—

RECEPTION

[illegible] Mrs. D. E. (Scotty) Hines will be "at home" to their friends and acquaintances in the Legion hall, Vermilion, on Wednesday evening, December 3rd commencing at 9:00 o'clock, the occasion of their silver wedding anniversary.

Flies to Yellowknife

Dr. A. R. Anderson, in his capacity as District Deputy Governor of Kinsmen Clubs for District 4 travelled by plane to Yellowknife last Saturday to pay his official visit to the Kinsmen club at that northern town. Bob was accompanied by District Governor Ian Coates of Edmonton. The return trip was made on Saturday.

While at Yellowknife the visitors were taken through the Consolidated Mining and Smelting gold mine, this proving a very interesting and enlightening experience.

New 'Lark' on Display

The [illegible] "Lark", sensational new small 'big' car is now on display at the local dealers, Ken Isley. See the large display advertisement elsewhere in this issue, then go ask Ken for a demonstration in one of the snappy new models.

—S—

Let Nature Do It

There will be no rain-making program in central and west central Saskatchewan, reports The [illegible].

Farmers in 11 rural municipalities decisively turned down a proposed scheme.

A. W. Platt Retires

The president of the Farmers' Union of Alberta, A. W. Platt, announced today that he would not be a candidate for re-election at the forthcoming convention of the Farmers' Union of Alberta, which will be held in Edmonton beginning December 8th. Mr. Platt stated that pressure of personal business was such that he would find it impossible to carry the heavy duties of president for another year. He stated that it was with a great deal of regret that he had come to this decision but that events had developed that made such a course of action unavoidable. He also stated that he would not be a candidate for any executive position in the Union at this time. He said that his purpose in making this announcement at this time was so that all officials and delegates to the convention would be aware that they would have to elect a new president at the convention and could be giving the matter consideration between now and that time.

Aid For Young Farmers

Young farmers interested in obtaining land for the 1959 season under the Alberta Farm Purchase Credit Act should apply no later than Feb. 1st, 1959, advises G. R. Sterling Chairman of Alberta's Conservation and Utilization Committee.

Before an application is finalized, it must be approved by the local Farm Purchase Board, the municipal council and the Provincial Farm Purchase Board. This procedure can take two months or longer as local Farm Purchase Boards meet as required and municipal councils once a month. Transfer of the land title takes another 2-4 weeks.

A purchaser must be able to put up 20% of the purchase price in cash. Further details can be obtained from secretary treasurers of Farm Purchase Boards located in municipal, county, special areas or improvement district offices, where application must be made.

New Scenic Alberta Route Planned

Shot in the arm for the tourist industry should result from a proposed forestry road building program to be started next year and continued through 1960.

When it's finished, there will be a forestry road from Grande Prairie in the north to Coleman in the south. It will involve connecting links between Entrance and Grande Prairie and between Nordegg and Lovett in the Coal Branch area.

Besides providing access to vast forest areas, it will open hundreds of square miles of virgin territory to campers, hunters, anglers and tourists who like to get away from the bustle of main highways. The government estimates the first phase of the program — completing the road from Entrance to Grande Prairie — will cost $250,000.

The road system also may revive some ghost towns along the route. Nordegg, once-thriving coal mining town, could become a tourist, hunting, fishing and outfitting centre.

What To Do About The Comic Book Habit

Nine out of ten children between eight and thirteen are steady readers of comic books, according to Nancy Larrick, writing in the December issue of Chatelaine.

The "peak of interest," she reports, comes in the fifth and sixth grades and drops off in senior high school.

About 600 million comic books per week are sold in North [redacted] according to the Chatelaine report. Yet comics are "a [redacted] source of worry and [redacted] among parents," because, says Miss Larrick, they provide "no preparation for the reading of a sensitive, thoughtful, fun-loving person."

The writer sees "no way to ban comic books from a child's life." Forbidding them is "worse than useless." Instead, parents should try to understand why their children read comics and then introduce books that will substitute for them.

They should provide "a quantity of good books" because the comics are abundant and hence children are used to choosing.

Children who read comic books are accustomed to story-telling pictures and so, says Miss Larrick, respond with illustrations. Similarly, short books which can be read at a sitting, are recommended for children accustomed to quick and easy comic book reading.

The Individual Causes Highway Accidents — The Individual Must Stop Them!

It has been officially estimated that more [redacted] all traffic accidents [redacted] not have happened!

They could have been prevented. That is little compensation for the survivors of the victims but it should be a warning to them, and to everyone who drives or walks.

There are traffic laws to be obeyed, traffic signs to indicate danger, and [redacted] sense to notify every [redacted] and pedestrian [redacted] peril is at hand. By obeying laws, signs and sense, most highway mishaps could be avoided and a lot of people could go on living.

But where [redacted] beings are involved, human frailties and failings exist. They must be reckoned with.

That is why a Safe - Driving Week is held during the first week of December ... to try to bring, as forcefully as possible in a concentrated campaign, the fact that the responsibility for preventing traffic deaths, injuries and accidents falls directly on the shoulders of the individual.

For 10 days before the opening moment of Safe - Driving Week, 1958, an intensive program of information and education will be carried out across Canada, preparing every motorist and pedestrian for the week when he is expected to drive and walk with the utmost care.

Safe - Driving Week is only a part of the work being done in all corners of the land to bring safety to the highways of Canada.

Around the calendar, thousands of Canadians are at work from many angles -- laws and their enforcement, public action, education, vehicle safety, engineering, motor vehicle administration, and so on ... trying to provide safety and safe conditions.

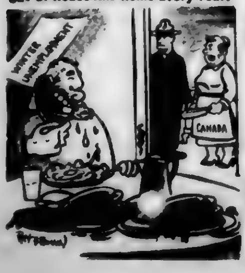
But the motorist and the pedestrian never change, unless he changes, himself. There is never a new model in humans unless the human produces it himself.

No safety organization - national, provincial or community — can do it for him. All they can do is hand him the tools and hope he doesn't use them as weapons.

The Individual Causes Highway Accidents.

The Individual Must Stop Them. 20-1

"Do Something About Him Eating Us Out Of House And Home Every Year!"



Highway Work Now Brought To Close

Gordon E. Taylor, minister of highways, reported this week that highway work was now being brought to a close. He said that Alberta had had an excellent season and that a large amount of work had been completed. More than 254 miles of grading had been completed, or 97% of the program. 287 miles of stabilized gravel base course had been laid, or 96% of the program. 285 miles of asphaltic surfacing had been applied, which is 100% of the program undertaken. The 5.08 miles of concrete on the Trans Canada highway west of Calgary was 65% completed for a total of 3.28 miles. 162 miles of seal coating had been completed which is 100% of the program.

In 1957 90% of the grading contracts had been completed, 90% of the base course contracts and 83% of the seal coat work.

During this season 1,347½ shifts were lost due to rain and inclement weather as against 2,697 shifts lost for the same period in 1957.

Kitscoty News

Mrs. R. B. Hiltz of Brownvale Alberta has been visiting with her son Mac his wife and family for the past several days.

Mr and Mrs. Hugh McGregor have returned from Iraq on holiday and are visiting with Mr and Mrs. George McGregor and Mr and Mrs. Archie McLean and families.

Congratulations to Mr and Mrs. Leo Mitchell on the recent birth of a daughter, a sister for Leslie and Donna.

A warm welcome is extended to Mr and Mrs. Rod Hines, who have recently taken up residence on the Tim Bootsman farm.

The Kitscoty United Church W. A. are holding a tea, bazaar and sale of home baking in the Tracy Memorial hall on Friday November 28 from 3 to 5.30 p.m.

The Kitscoty branch of the Canadian Legion post 158, are holding a turkey bingo on Saturday December 6 at 9.15 p.m. in the Kitscoty Town Hall.

Higher Net Earnings Reported by Pool For Crop Year

Somewhat reduced handlings but higher net earnings in the 1957-58 crop year featured the report of the general manager, A. T. Baker, to the annual meeting of the Alberta Wheat Pool delegates which commenced in Calgary on Tuesday of this week. The organization, he said, is in the strongest financial position in history.

Mr. Baker reported that because of almost continuous congestion in country elevators, the handlings of Pool elevators in 1957-58 declined to 38,900,000 bushels, from 61,500,000 in the previous year. The share of all grain delivered in the province going through Pool elevators remained at 37 percent.

Net operating earnings were up substantially to $2,383,000, after making provision for depreciation but not income tax, from $1,383,000 in the 1956-57 crop season. During the course of the meeting the delegates will decide on the allocation of this surplus, and on the basis of past years' operations, the majority of this will go out to members as patronage dividends on reserve purchases.

Nine new elevators were built during the year. These are located at McLennan, Minburn, Vegreville, Islay, Rockyford, Youngstown, Kathryn, Woking and Spruce Grove. At the end of July the system consisted of 353 country elevators and terminals at Vancouver and Port Arthur.

Record shipments of grain were made through the Pool's Vancouver terminal last year as that west coast port enjoyed its best season of exports.

During the course of the meeting the 70 delegates from all parts of the province, representing the close to 50,000 farmer-members of this co-operative will discuss a number of the most pressing agricultural problems. Hon. Gordon Churchill, Minister of Trade and Commerce, will address the meeting on December 1st.

STILBESTROL IMPLANTS

Implants of stilbestrol for finishing market steers and heifers have now been approved for sale in Canada. The trade name is Synovex and it is implanted in the animals ears. [redacted] means that cattle [redacted] the choice of mixing [redacted] in the feed or by the [redacted] method.

30,000 EGGS A DAY

A poultry man at Oshawa, does just that ... raises and sells 30,000 eggs per day. Everything is automatic. Even egg gathering is on the assembly line. In Edmonton last week retailers were selling eggs for 2 cents less per dozen than the wholesale price. What went wrong? At this distance it looks like poultry men with 5,000 hens or more are by-passing the wholesalers.

FARMERS WORKING DAY

The working day of the American farmer is getting shorter year by year. Last year it was reported that farmers averaged 10.7 hours work per day. There is still hope that farmers may catch up with industry with an 8 hour day five days a week.

THATCHER vs SELKIRK

The Searle Grain Company's news letter reports that a survey this year showed that Thatcher seemed to do better under dry conditions than Selkirk. The average difference in yield seemed to be about 2 bushels per acre under dry conditions that prevailed over most of Western Canada this year. On years with more moisture Selkirk would do better. One third of the farmers replying to the questionaire felt that Thatcher was one grade higher than Selkirk. The other two thirds thought that grades would be about the same.

NEW GROWTH PROMOTER

A new substance called Gibberellin offers a lot of promise in crop production. Plants treated with gibberellic acid grow more rapidly and ripen fruit or seeds much sooner. This product has great possibilities especially with forage crops and gardens. It is quite possible that a small quantity may be obtained next spring for experimental use.

SWINE DISEASES

Both Bull Nose and Erysipelas are common in this district now. The best way to prevent outbreaks in your pigs is not to bring any new stock to your farm unless you are sure that the stock is free of these diseases.

You can vaccinate against Erysipelas but there is not much you can do about Bull Nose except isolate diseased animals and disinfect the pens. Get circulars on both diseases from this office.

The Homemaker

DONNA SHANTZ
District Home Economist
Wainwright, Alta.

It is later than you may think! It is time that you started to plan your work so that you can relax and enjoy the holiday seasons with your family.

Anyone who does not receive my newsletter may have the Christmas letter, simply by writing to my office for a copy.

It is always nice to receive a gift that has been made especially for you. Why not make your gift list up today and decide what gifts you would like to make.

Instead of bought gifts why not include a gaily wrapped Christmas cake or other home made goodies; an assortment of homemade candies or your favorite jelly. I'm certain that it would delight the older folk or people living alone.

A cook book or favorite recipe file for the new homemaker would be much appreciated.

If your daughter likes sewing, wrap a box with several yards of material as wrapping paper, tape measure for the ribbon and four spools of thread for the bow. It's different ... the surprise package is on the outside.

Any mother always appreciates extra mitts, scarves, skating socks, warm woolen hats, toques for their 'small fry'. There are numerous attractive patterns that would make excellent gifts which would be so practical.

If you have a flair for sewing, the new washable fabrics are a real challenge. Corduroy, always popular for children's wear, is present this year in printed patterns as well as plain rich colors. There are many possibilities for gifts with such a fabric - why not overall sets, slim jims for the young Miss, or a jumper. Maybe [redacted] on your list could use a [redacted] gown or housecoat and a pair of scuffs to match. Terry towelling also makes up into warm and easily washed dressing gowns.

When you are making gifts for those on your gift list, check to be sure they will fit. In the case of children, it is true you want the garment to last a certain length of time but remember the child prefers to use the gift fairly soon. Any child enjoys new clothes for a gift but it is a big disappointment to learn he won't be able to wear that new shirt auntie gave him for at least another year. Take care in selecting patterns that will allow for growth yet fit through the shoulders when given.

Alberta's provincial parks are becoming increasingly popular with residents seeking sites for summer cottages. Approximately 450 leases have been issued for summer cottages in nine of 27 provincial parks opened for development.

Muscular dystrophy victim Kirk Clouthier, 5, shows his picture to Captain Donald Garden. Poster is being used during 1958 March for Muscular Dystrophy which, since 1954, has had strong support of Canada's fire fighters. (Photo by Jean Gainfort Merrill.)

Mr. and Mrs. Ross Taylor Feted On Silver-Wedding Anniversary

The home of Mr and Mrs. Ross B. Taylor, eleven miles north of Vermilion was the scene of gay festivities recently on the occasion of their silver wedding anniversary.

At the dinner hour a stream of cars, with bright lights and blowing horns, heralded the arrival of the families and a few very close friends of the bride and groom of twenty-five years ago.

The visitors promptly took [redacted] of the house. A large table was set up, centred with a three-tiered wedding cake baked by Mrs. Vivian Gould, the couple's daughter, and flanked by white tapers in crystal holders.

A delicious turkey supper with all the trimmings, was served buffet style.

Mr. and Mrs. John David of Vermilion, also celebrated their silver wedding anniversary, arrived early in the evening and joined in the festivities.

Mr. Ken Alton of Edmonton was toastmaster.

Mr. Claude Gould of Sangudo, on behalf of the gathering, presented Mr. and Mrs. Taylor with a complete set of flat silver, recalling to mind many of the humorous incidents of the early days when the Taylor family first settled in the King Edward district back in 1915. Mr. Taylor thanked one and all and expressed the hope that he and Mrs. Taylor might have the honour of reciprocating in years to come.

Community singing was enjoyed throughout the evening, Mrs. George Taylor and Mrs. Herb McPhee presiding at the piano.

Out-of-town guests were Mr. and Mrs. Claude Gould and family of Sangudo, Mr. and Mrs. Ken Alton and Judy, and Mr. and Mrs. A. W. Corbett of Edmonton.

Santa Claus Is Coming To Town

Santa Claus is coming to Macleod's on Saturday Nov. 29th and will spend from 10:00 o'clock to noon and from 2 to 5 p.m. in the store visiting with all the little folk of town and district who come to see him. 19-20x

'The Bible Today'

Bible reading has always been the basis of certain radio programs. The Bible is after all, the book which has been more often read aloud than any other book. In fact, most of the classic translations seem to have been written largely for reading aloud, and even some of the modern translations.

Some years ago, the BBC decided to dramatize the Book of Jonah, and it was discovered that, with the alteration of only a very few words, the entire book could be used. By using different voices, by the suitable interjection of music, and by the unusual device of having the words of God sung by a bass voice, the whole book was brought alive — without any need for a commentator.

Suggested readings for next week:

Sunday, Nov. 30 — Psalm 103: 1-22.
Monday, Dec. 1 — Psalm 121: 1-8.
Tuesday, Dec. 2 — Isa. 40:1-31.
Wednesday, Dec. 3 — Isa. 53: 1-12.
Thursday, Dec. 4 — Isa. 55: 1-13.
Friday, Dec. 5 — Micah 6:6-15.
Saturday, Dec. 6 — Matthew 5:1-16.

Mr. and Mrs. W. H. Little Leave For Nassau Conference

Mr and Mrs. W. H. Little, J. I. Case dealer in Vermilion, left Wednesday on a five-day business vacation in Nassau in the Bahamas. They will be guests of the J. I. Case Company at the Nassau World Premiere and annual Case dealer conference.

Climaxing an outstanding year of business, Mr Little will be welcomed as an honored guest by virtue of the sales effort which won him membership in the exclusive Case 25-M club. Awards will be presented by M. B. Rojtman, president of the Case Company, at a special awards banquet in Nassau.

Business highlights of the conference will be the introduction of new Case agricultural and utility equipment for 1959, parts and service conferences and discussions on how a Case dealer can better serve his customers.

Vacation highlights will include deep sea fishing, sight-seeing tours, swimming and relaxing on the beach and native entertainment during the evenings.

Mr and Mrs. Little will stay in the newest and largest hotel on the island, the luxurious Emerald Beach.

The Case Company is transporting approximately 5000 agricultural and industrial dealers to Nassau via chartered airliners during November, December and January.

The Vermilion Standard

the myth of "greater selection out of town"

The dictionary defines a myth as "a thing whose existence is imaginary." And nothing is more imaginary than the idea that if you shop in some BIG CITY many miles from here you will have a wider choice of merchandise than in our local stores.

True, the metropolitan stores may show more individual items, but they're *more of the same!* In some cases they may not even have as much *variety* as your hometown merchants.

And when it comes to style, our storekeepers are just as up to the minute as their big-town brothers. That's because they send buyers to *the same markets!* The big stores have no monopoly on sources of supply.

When you compare local prices with those of out-of-town stores, don't forget what it costs you in gasoline, oil, car depreciation, parking fees and other expenses when you drive long distances. What might seem like a saving often turns into a loss.

Arthur Rowntree Laid To Rest

Mr. Arthur Rowntree, a well known and esteemed resident of the Clandonald district, passed away in the Col. Mewburn hospital in Edmonton on Wednesday, Nov. 19th.

He is survived by his loving wife Ethel, two sons, Jack of Vancouver and Arthur of Clandonald, and three daughters, Mrs. George Bollman of Calgary, Mrs. D. C. Dickson of Ottawa Ont., and Mrs. [illegible] Phillips of Edmonton. There are two brothers and two sisters in England and twelve grandchildren.

Funeral services were held on Nov. 22 in the Clandonald Roman Catholic church and interment took place in the church cemetery at Clandonald. The Rev Father Nearing officiated.

Moyers were in charge of the funeral arrangements.

Spiritual offerings were received from the following:

Father Nearing, C W L Clandonald, Mr and Mrs. Peter Bardoul; Mrs. M Convey, Mr and Mrs. P Convey, Mr and Mrs M. Convey; Mr and Mrs. G Convey; Mr A Convey; Mr and Mrs J O Cusack Mr and Mrs. Sid Cusack, Mrs. DeFord and family; Mrs. Mary Fisher, Mr and Mrs A Fisher, Mr George Gilbert, Mrs Anne Lawrence Sr., Winnie and Bill, Mr and Mrs J Lawrence, Mr and Mrs. A. Lawrence, Mr and Mrs. Ewan Lawrence, Mrs P Lee, Mr and Mrs. M Leslie, Mrs. Lenore Little, Mr. and Mrs. Hugh Logan; Mr and Mrs J Martin Sr., Mrs. Maguire and Michael, Mr and Mrs F Monaghan.

Mr and Mrs. P Mon[illegible], Mr and Mrs. R Michael, Mr. and Mrs. J McMorrow; Mr and Mrs. J MacGillivray, Mr and Mrs. Alan MacDonald; Mr and Mrs. Denis McCormack Sr., Mr. and Mrs P McGuckin, Mr. and Mrs. Dan McMullen, Mr and Mrs. Lee Nelson, Mr and Mrs J Nowakowski; Mr and Mrs P O'Neill; Mr and Mrs. H. O'Rourke, Mrs. M. Pierce and family, Mr and Mrs. M Philbin, Mr and Mrs. H Schneider, Mr. and Mrs W Specht, Mr. and Mrs. J B Kirkpatrick, Saskatoon, Mr and Mrs Tom Foy, Streamstown, Mr and Mrs. P Tower, Vegreville, Mr and Mrs J Galloway, Vancouver, Mr and Mrs W R Sharpe, Edmonton, Mr and Mrs G Stang, Edmonton, Mr and Mrs. J S Phillips, Edmonton, Mr and Mrs Tom Phillips, Edmonton, Miss Audrey Phillips, Edmonton, Mr and Mrs. A Kernahead, Edmonton.

Floral tributes were received from The Family; Mr E Storkwell, [illegible] and [illegible], Pete and Walter, Canadian Legion, Post 11.

Cancer Fund: Mr G Chalmers and Mr Keith Chalmers.

Donations to the Crippled Children's Fund: Mr. and Mrs Hugh Hagen and Ann; Mr and Mrs W Thompson; Mr. and Mrs. Walter Trost; Mr and Mrs John Taschuk; Mr. and Mrs. Billy Goad, Mr and Mrs. Donald McIntyre; Mr and Mrs Free; Mr and Mrs. Ernie Lawrence.

CARD OF THANKS

We wish to express our most sincere thanks to Father C G Nearing, Father A Hensel, Sisters of St Joseph and choir, Mr Michael Convey and pallbearers, the Vermilion Branch of Canadian Legion PPost 11 and all kind friends and neighbors who assisted. Many thanks for the spiritual offerings, floral tributes and letters of sympathy received during our recent bereavement.

Mrs Rowntree and family

It's human to err but your traffic mistake doesn't warrant the death sentence. Be careful during Safe-Driving Week, Dec. 1 to 7, and always! 20-1

Sixteen Years Ago

NOV 26th, 1942

The big arena skating and hockey rink opened its doors to the skaters Tuesday night when a large crowd enjoyed a free night's skating. Gordon Williams has again been appointed caretaker.

Two new wells have been spudded in this week in the Vermilion oil field.

Good headway is being made with flooding at the curling rink [illegible] the [illegible] is scheduled to get off to a roarin' start sometime next week.

The Campbell Lake district was saddened this week to learn of the death of Mr Charles Brady.

Among delegates attending the Conservative convention in Winnipeg on Dec. 9-11 are W J Macnab and J.W.G Morrison of Vermilion, while other Battle River delegates are J. H. Kennedy, R. D Smallwood and E.C. Trengle.

32 Years Ago

NOV. 26th, 1926

A new orchestra has recently been formed under the name of "The Orioles" and is open for engagements.

Steel on the new C.P.R. line from Cutknife to Whitford reached Wellsdale Saturday afternoon. There was considerable rejoicing in the north over the arrival of steel and a large crowd had gathered for the occasion. Work on laying the steel will now be discontinued for the winter.

Average weather has run from 14 above to 2 below except for one night when the mercury slipped to 20 below.

Radio owners are warned to secure their $1 radio licenses.

48 YEARS AGO

NOV. 23rd, 1910

Two more cottages are in the course of construction on First Street North, this makes five houses built in one block this season.

The fifth anniversary of the Presbyterian church was observed [illegible] and Monday.

The [illegible] Printing office has installed a new Chandler & Price job press, size 7 by 11.

Mr. and Mrs. Norman Darling and family of Campbell Lake have moved to town for the winter.

Six parties of new settlers are expected to arrive in Vermilion district in the spring from Vankleek Hill, Ontario.

Extremely mild weather is being enjoyed. Local rain showers fell during the week.

News from Dewberry

The big game hunters have returned with their quota filled, we hear.

It is hoped to form a badminton club in the near future. All interested are asked to give their names to Mr Kelland or Mr. Marshall.

Mr. and Mrs. Theisson and family have moved into the old teacherage. Mr. and Mrs. Harvey Bowman and family into the Hornigold house and Mr. and Mrs. Gochko and family into the N. Carlis house.

The Farmer's Union dance held recently was very well attended.

A large number [illegible] out for the turkey bingo on the 19th. The lucky ones were Mrs. Collins, Donnie Elliott, Mrs. Jack Rainey, Mrs. Vic Dennill, Odel Curtis, Mr. Misiak, Sheila Smith, Mrs. Don Wilson, Mrs. Mead, Gerald Boyce and Mrs. Mary Trach a double winner. The black-out was won by Mr. Ray Connon. After five numbers were called there was no winner for the $18.00 jack pot. Next bingo six numbers will be called for a $15.00 jack pot. Next bingo will be on December 3. This is also a turkey bingo. Come on folks, come and try for your Christmas turkey.

We extend our sincere sympathy to Mrs. Rowntree and the family of Clandonald on the loss of a beloved husband and father. Mr. Rowntree suffered a heart attack while he and Mrs. Rowntree were on a visit to England. On returning to Edmonton Mr. Rowntree was taken to the veteran's hospital where he passed away on November 19th. "At rest."

Visiting at the home of Mr and Mrs Krugar and family over the week end were Mr. Krugar's parents from Saskatoon. Hope you got home safely folks. We were very pleased to have met you.

Bishop of Edmonton Diocese Dedicates Pews At Mannville

MANNVILLE — Members of Christ Church Mannville were honored and pleased to have present on Sunday, Nov. 23rd, Rt. Rev. Howard H. Clark, at the evening service. The service was a combined one of Holy Baptism and dedication of pews. The latter in memory of members now deceased. Rt. Rev. Clark is Bishop of the Edmonton diocese.

Among those being baptized were the infant sons of Rev. and Mrs. Harry Shell, Mr and Mrs D Staden and the [illegible] of Mr and Mrs Edwin Torrance.

Dedicated in respectful memory were pews for John Baker Burch, Lillian Emily Croft and George Thompson. Of all these deceased members could be said "well done thou good and faithful servant." Present for this service and members of the Burch family were (Ethel) Mr. and Mrs. Andy Leitch, (Nellie) Mrs. Laurel Harney, Mr. and Mrs. Douglas Burch, Mr. and Mrs. Norman Burch and Mr and Mrs. J Shaw all of Edmonton. Also present from out of town for the ceremony were Mr. and Mrs. L. Croft and Markley of Kitscoty.

The address was delivered by the Bishop.

The Bishop also spoke later when members of the A. Y. P. A. served lunch in the church basement in a most capable manner. Bishop Clark spoke on the Lambeth Conference, and gave highlights of this interesting meeting of Bishops from all over the world. The church was filled to capacity for this impressive service.

NEWS from ISLAY

Mr and Mrs. I D Inman celebrated their 41st wedding anniversary on Nov 14th.

Everon Inman and Gordon Gould went big game hunting this week and will be joined by Everon's uncle and a friend at [illegible].

Mrs. Emsland is visiting her daughter and son-in-law Mr. and Mrs. Albert Van den Doider.

To celebrate Mrs Bruce McLennan's birthday on Nov. 20th, she and Bruce were dinner guests at the home of Mr and Mrs Neil McLennan.

Mr Grach and son of Mannville called at the Bruce McLennan home last week on the way from Lloydminster. Son John had a new Volkswaggen.

The Home and School social evening Friday was a very pleasant one and all had a good time. More parents should attend such evenings, they are community affairs and all in the interest of school and children. If parents are not showing much interest in the school, neither can we expect the children to. Mrs. Jean Axley won the door prize, a very pretty pair of bath towels.

Saturday afternoon is the day of the W.A. bazaar in the church hall. Tea, coffee, sandwiches, pie, ice cream will be served at the lunch tables.

Mrs. Neil McLennan and Mrs. Alex Linton were visitors in Vermilion Tuesday afternoon.

Ken McLennan of Moren electric is wiring a dwelling near Derwent.

Brian McGuigan celebrated his birthday Saturday afternoon with a party of boys. Tom McLean, Pat Moncrieff, Jim Van den Dulder, Rod Jarvis, and we expect his own twin brother and sister Dan and Donna also helped.

Tuesday morning as we walked into McCaughan's store there was quite a stir going on about something and a good lot of talk, the subject of all this was a very pretty lamp the standard of which was willow work, done at the handicraft club in Vermilion and belonging to Mrs. Thelma Armstrong.

Kerry Wood of Red Deer recently gave a talk on the radio of the many woods that grow right here in Alberta which can be used to make lovely articles.

Youth Sunday in church at 9:30 a.m. Nov. 30th. Come and encourage our youth.

—S—

120 Attend Home & School, Mannville

MANNVILLE. — With 120 members present the Mannville Home & School meeting watched a short educational film prior to the starting of business. The H. & S. prayer was repeated, Mrs. R. Forsyth presiding. Presentations were made by Mr. R. Bauer and R. Whitson on behalf of the Vegreville S.D., these being divisional awards to honor students of last term, namely grade 12, Harold Keuschnig; grade 11, Jackie Hasinoff and Eunice Sawchuk; grade 9, Gordon McLaughlin, Myrna Whitson and Eleanor Keuschnig. Mr. R. Forsyth, president of the A.T.A. sub-local presented Miss Myrna Whitson with a cheque for obtaining the highest marks for grade 9.

A breakdown of the recent parent-teacher interviews was given by Principal Doherty, when it was learned that 71% had attended same. A short question period followed the business part of the meeting.

Entertainment for the evening was of an extremely high calibre, with a 20-minute musical variety show of classical and comic numbers being presented. Entertainers were Faye Eller Peden and Sharon Polishak of Minburn, and clever young artists they proved.

Plans were made for a Christmas party to take place on Dec 18th, following a short business meeting. Mrs. Forsyth extended a warm invitation to anyone who wished to attend the same. On display at this gathering was a business garage and granary, models from the Industrial Arts room, a grade 12 class project, which drew many admiring glances.

Mannville News Of 47 Years Ago

MANNVILLE — From the 1911 copies of Mannville Empire are the following items of news which should prove of interest.

J. E. Williams and J. Bryden attended the annual meeting of the Alberta Grand Orange Lodge, held at Wetaskiwin last week.

J Shaw returned this morning (March 23, 1911) from California where he had been spending the winter, looking hale and hearty, and says he enjoyed the trip very much.

Sunday was the most springlike day yet, and the little remaining snow almost disappeared. With a few more days of the present weather the ground in many places will be ready for seeding.

J. E. Williams and Son started work Tuesday on a big addition to their livery and feed barn. We understand they will add another forty feet which will give them considerable more accommodation for their feed business.

An order in council has been passed establishing Vermilion, Alberta as an outpost of customs after April 1st.

VERMILION BUSINESS MEN LEAD WORK SHOP SESSIONS

In the report of the Board of Trade workshop held in the Elks Hall in Vermilion recently, the names of various sessions chairmen were omitted.

The first session, "Shop at Home" was chaired by J. V. Kneale with E. Clendenning leading the discussion; session no. 2 was chaired by President E. A. Locke with Curtis Alfke and Ralph Wilson discussion leaders on the topic "Farm and Town." The third session of the day, "Looking Ahead" [illegible] Mitchell as chairman and Ross Boake spearheaded the round table discussions. The final session, an open forum "So you have a problem?" was in charge of A. Shortell of Lloydminster, with Tom Watts leading the debate.

Mr. Isreal Miller of Vermilion Board of Trade headed a special committee to make arrangements for [illegible] Workshop.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. D. E. Maxwell of Vermilion wish to announce the engagement of their daughter Marilyn Hazel, to Mr. Dane Kosmovich, son of Mrs. O. Kosmovich of Fort Saskatchewan. The wedding will take place on December 20 in First United Church, Vermilion, at 2:00 o'[illegible] in the afternoon. Friends, please accept this as [illegible] invitation to the wedding [illegible] to the reception which will be held in the bride's home following the wedding.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. [illegible] Coulter announce the engagement of their daughter, Mary Isabel, to Mr. Victor Le Roy Beanblossom of Rocky Mountain House, Alberta. The wedding will take place on Saturday, December 6th, 1958, at 2:00 o'clock in the afternoon at the Alliance Chapel, Vermilion.

Mrs. Grace St. James is arriving via T. C. A. from Hamilton for the forthcoming wedding of her niece Miss Peggy Stephens. While here she will be a guest at the home of her sister Mrs. C. W. Stephens.

—S—

Mr. and Mrs. N. N. Cleveland and two sons of Camrose spent last Sunday with Mrs. Cleveland's parents, Mr. and Mrs Roy Jory.

—S—

Young people noticed home from Edmonton for last week end were Clarence Mistal, Bill Marian, Dorinda Anderson, Don Galloway and Hazel Barr from [illegible].

—S—

Mr. and Mrs. Clarence Free, well known and esteemed old timers of the Clandonald district, have now moved into Vermilion and taken up residence on the south side in the new house recently erected by Cliff Hollen.

Winter is not really here yet because you can't fool a wise old crow. This crow was cawing noisily on the edge of Buffalo Coulee only Saturday morning of last week, and was observed by Martin Kenzie. Since that time Mr. Crow has probably packed up his bag and headed for California.

Further donations and floral tributes in memory of the late Mrs. Helmer Meyerman of Derwent have been received as follow:

Crippled Children's Fund: The Johnson families of Wetaskiwin [illegible].

Angle Lake Cemetery Fund: Signe Johnson and families, Helen and Pete Noster.

Floral tributes: Loving Husband; Tel. Helen Irene and children; the Leaf Family, Mr and Mrs Wm. Mohyluk; Mr and Mrs John Porcina, Mrs. E. Haglund and girls; Sigrid and Henning; Mr Charles Gordon.

CARD OF THANKS

I would like to express my appreciation and thanks to Dr Anne Wiegerinck, the nurses at Elk Point hospital, Drs. Bell and Clarke and nurses at the Edmonton General hospital for their care and consideration of my wife during her illness. Also a heartfelt thanks to the pallbearers and to all my relatives and friends for their many acts of [illegible] received during my recent bereavement.

H. Meyerman

—S—

IN MEMORIAM

In loving memory of our beloved Dad, [illegible] who passed away Nov 27 1950.

"We live in memory's garden
With happy days we have known."

—Fondly remembered, so sadly missed by his loving daughter and son, Mae and Harry, Victoria B.C.

Princess Anne W. I.

The November meeting was held at the home of Mrs Ralph Strome with eleven members present. Visitors were from the Clandonald and Allandale W. A. s Mrs William Hall and Mrs. P McCambridge.

The interesting gift ideas given in answer to roll call should prove helpful. Thank you cards were received from a mother for a baby gift and from the mental hospital for gifts sent. The handicraft list was read but set aside until a later meeting as was a letter from the I. O. D. E. re aid for the blind.

Miss Donna Shantz, District Home Economist, was guest for the evening and was introduced by Mrs George Mead. Miss Shantz had a wonderful display of gifts for young and old and members came away with many plans for making delightful gifts.

The meeting closed and lunch was served by members of the Princess Anne W I.

HONORED ON RETIREMENT

Roy Jery was called to the Searle elevator recently on a mysterious errand and found on his arrival that all the elevator agents in Vermilion were gathered there. They then proceeded to make a presentation to Roy who retired from the vocation earlier this year. Roy was the dean of grain buyers in Vermilion and held in high respect by all others in the trade.

Mr. and Mrs. Ralph Cadmore had as their guests over the week end the former's mother, and brother Wayne, of Edmonton.

CARD OF THANKS

The Chatsworth Country club wishes to thank all those who assisted in any way in making the tea, bake sale and raffle held in the Legion hall, Vermilion, on Nov. 1st, so successful. A special mention goes to Mrs. S. Jacula, to the Misses Marie, Dorothy and Ruth Towell, Edna Patterson, Donna Farkash, Sandra Klashinsky, Helen Mayhew and Miss Stephenson. The winner of the cushion cover was Mrs. George [illegible] of Vermilion.

CARD OF THANKS

We wish to take this means to thank all our friends in and around Vermilion for their good wishes and gifts on our departure from town to live in Penticton. We sincerely hope that all will look us up if they are out this way. Our address is 1410 Wilton Crescent.

George and Connie Capatos.

Clandonald Church Is Scene Of Lovely Fall Wedding

Of wide interest in the district was the recent wedding on Oct. 23 of Miss Kathleen O'Rourke, daughter of Mr. and Mrs. Hugh O'Rourke of Clandonald and Mr William Garnet Snider, son of Mr. and Mrs. Garnet Snider of Brisco, B C. The marriage took place in St. Columbus Church, [illegible].

Father Hansel officiated at the double-ring ceremony at which the bride was given in marriage by her father. She wore a portrait gown in ballerina length [illegible] to form the all-lace bodice with a scalloped outline. The bouffant skirt had a tiered effect and she wore a finger tip veil of lace and net. Her only jewellery was a rhinestone necklace with earrings to match, a gift of the groom. She carried a white prayer book, american beauty roses and purple heather.

Miss Donna Fleming of Dewberry, Alta., was bridesmaid and she wore a ballerina length gown of yellow lace and tulle and carried a colonial bouquet of pink and blue flowers.

Mr. Thomas O'Rourke, brother of the bride was best man.

For her daughter's wedding, Mrs. O'Rourke chose a brown wool dress with burnt orange accessories. Her corsage was of pale yellow roses and lily of the valley.

Owing to illness in the family, the groom's parents were unable to be present at the wedding.

Following the wedding the family and relatives of the bride and groom sat down to a sumptuous wedding breakfast followed by a reception at the home of the bride's parents. The bride's table was centered with a lovely three [illegible] wedding cake baked by the bride's mother and decorated by Mrs V. Dennills of Dewberry. The cake was flanked by vases of pink roses, carnations and fern. Father Hansel proposed the toast to the bride, to which the groom suitably responded. The happy couple received many beautiful and useful gifts.

In the evening, a wedding dance was held in the Clandonald hall.

For travelling, the bride changed to a beige and gray wool chemise dress with orange accessories with american beauty roses en corsage.

Out-of-town guests at the wedding were Mr Peter O'Rourke and Miss Sherry McKinlay of Calgary, Mr. Roy Wolfenden, Mrs Jean Malberg and Mr James Taggart Jr., all of Brisco, B C.

Mr and Mrs. Snider will reside in the Moore apartments at Edgewater, B. C.

—S—

CARD OF THANKS

We wish to thank the ladies who so kindly helped out with the work at the wedding reception, with special mention of Mrs. Rose McMullen, Mrs Cora Carlson, Mrs. Myrtle Fleming and Mrs. Finn MacLellan.

Annie and Hugh O'Rourke
Kay and Bill Snider

Paradise Valley

The annual meeting of the Paradise Valley Women's Association will be held in the Sunday School room on Tuesday, Dec. 2 at 2 o'clock with Mrs E. Kragness and Mrs. K. Brassington as hostesses. The executive and convener of committees are asked to bring reports of their committees.

In reporting the annual chicken supper, the thank you note was omitted. The members of the W. A. wish to thank Rev. MacDonald [illegible] Smallwood for showing the very fine pictures of Ottawa, Mr Don Churchill for acting as auctioneer, Mr. A. Nickle for helping at the door, for all who helped with the dish washing, waiting tables, and the men and boys who helped to bring dishes, chairs and tables back and forth, also helped in the setting up. Thanks one and all you all helped to make this night a success.

Mrs. J. Mayo and Mrs. Charles Bloxham who have been patients in the Lloydminster hospital for the past few weeks have returned home and also Mr. Hugh Leighton who has been in the University hospital at Edmonton returned home on Saturday.

Mr. Lloyd Knutson and Mr William McLean, we regret to hear, are patients in the Lloydminster hospital.

Mr and Mrs Parke Dobson left on Sunday for Calgary where Mr [illegible] will attend the annual meeting of the [illegible] Wheat Pool as he is the official delegate from this division.

A good many people reason in a circle — that's why there's no end to their arguments.

Town of Vermilion By-Law No. 18-58

BEING A BY-LAW TO AMEND BY-LAW No. 9-48

WHEREAS Section 60 of the Town and Village Act provides for the payment to the Mayor and each Councillor attending meetings of the Council of an allowance not exceeding Ten Dollars ($10.00) for each meeting so attended.

NOW THEREFORE the Council of the Town of Vermilion, duly assembled, enacts as follows:

There shall be paid out of the general revenue of the Town, to the Mayor and each Councillor attending meetings of the Council, the sum of Eight Dollars ($8.00) for each meeting so attended.

By-law No. 10-53 is hereby repealed.

This by-law shall come into force and effect upon the final passing thereof.

NOTICE

Take notice that the foregoing is a true synopsis of By-law No. 18-58 which has been introduced in the Municipal Council of the Town of Vermilion and take further notice that said proposed by-law will be finally passed unless within twenty days after the publication of this notice, at least twenty proprietary electors object thereto, and give to the Secretary - Treasurer a signed written notice of their objection to the by-law.

Western mountains form picturesque backdrops for two $25,000,000 British American Oil Company plants scheduled to be formally opened within a 48-hour period this fall. Above: Gas processing and sulphur plant near Pincher Creek, to be dedicated Oct. 25 by Alberta Premier E. C. Manning. Below: At Port Moody, near Vancouver, B-A's first west coast oil refinery, to be declared open Oct. 17 by Premier W. A. C. Bennet of B.C.

MARWAYNE

At the regular meeting of the B P. O. E. on Monday, November 17, they expected as visitors the president and secretary of the Alberta Association of Elks and were pleasantly surprised when the expected visitors arrived accompanied by the Grand Exalted Ruler of the Canadian Association of the Canadian Order of Elks.

Thirty-one members of the O. O. R. P. attended the meeting of the Vermilion O. O. R. P. on Thursday evening, presenting them with the travelling gavel which the Marwayne Lodge had won last year.

Congratulations to the Rev. and Mrs. Potter on the birth of a daughter Marcella Margaret on Monday, November 17. Also to Mr. and Mrs. "Terry" Hines on the birth of a son on November 21.

Mrs. Kay Hillaby's house has been moved in from the farm. The school bought by the Catholic congregation has been moved onto its new foundation.

Mr. and Mrs. Doug Rooks have rented Bob Banks' little house.

Mr. Craig Sr., of Vancouver, has been visiting at the home of his son Mr. and Mrs. Wes Craig for the past three weeks.

Mr and Mrs. Keith Kent and boys are spending the winter at Whiterock, B. C.

Mrs. Humble has just returned home from the General hospital in Edmonton.

Mrs. Bacon is doing very well in the hospital. Mrs. Gertrude Duckering, and Mrs. Haskell are also patients in the University hospital.

Jim Crichton has had an appendix operation in the Elk Point hospital.

Mr. and Mrs. Edgar Bell were Edmonton visitors last week end.

Mrs. Walter Kvill is visiting relatives in Winnipeg. Her sister Velma from Vancouver and niece Grace McQuade of Niagara Falls, Ontario, both visiting here are keeping house and taking care of the children.

Sincere sympathy is again extended to the Parker families for the passing of Mr Roy Parker in Lloydminster on November 17 just a week after his sister Minnie had passed away.

DEATH OF PERCY NIXEY

We are sorry to report the death of Mr. Percy Nixey of Duncan B. C., a former resident of this area. His brother and wife Mr. and Mrs. Frank Nixey of England had just spent a pleasant two weeks visiting with Mr Nixey and family shortly before his death. Mr. and Mrs. Frank Nixey are now visiting with Mr and Mrs. Dunc Hooker.

FATHER AND SON BANQUET

A father and son banquet will be held by the Scouts and Cubs in the Elks Hall on Thursday, November 27 to honor the Queen Scouts.

ANGLICAN BISHOP TO VISIT

Bishop Clark of Edmonton, in making his annual visit to the churches, will be present at the service in St. George's church on Sunday morning, November 30 at 11 o'clock.

4-H CLOTHING CLUB

Miss Donna Shantz, our District Home Economist, will be visiting at the next meeting of the 4-H clothing club on Tuesday, December 2 at 8 o'clock. Mothers of the club members are cordially invited to attend this meeting.

In the past ten years inflation has reduced the purchasing power of the Canadian dollar by 22½c, an average of 2¼ cents per year according to Quick Canadian Facts.

TENDERS FOR LAND

SEALED TENDERS will be accepted for the purchase of the following land pursuant to The Tax Recovery Act:

S. W. Sec. 10-54-5, w4th

Tenders must be in the hands of the Secretary-Treasurer on or prior to December 8, 1958, and must state amount tendered and, if on terms, when payment will be made. Highest or any tender not necessarily accepted.

McLAUGHLIN'S SELF-SERVE

Pup and boots were both kept in mind by the designer of this traymat of heavy ribbed polythene. For the pup, it is suggested as an ideal spot for his feeding dish since the plate cannot be nudged off the mat. For winter footwear, the raised edge catches the drips preventing marks on floors and carpets. The tray has many other uses such as holding baby accessories or flower pots. The plastic mat can be easily washed with soap and water and folded out of sight when not in use.

CHATSWORTH CHATTER

It appears that we are about to have another touch of winter, with snow flurries and lower temperatures. However, we cannot complain, as the month of December is almost upon us.

Roads are good, though there are a few icy spots where it is shaded.

Johnny Farkash was a recent patient in the Vermilion hospital, where he underwent an emergency appendicitis operation. He has now returned home.

Mrs. Patterson was also hospitalized since the beginning of November, but is also home on the mend. She spent some time convalescing at the home of her daughter, Mrs. Scott, of the Stellaville district.

Mrs. R. Hutchinson and children have moved to Strome, where Ray is now working.

The November meeting of the Chatsworth Country Club was held at Mrs. Albert Tovell's on the 19th, with ten members and one visitor, Miss Milburn, of town, present. Our finances received a real boost with the proceeds of the tea, bake sale and raffle held on November 1st.

The Sick Committee, Mrs. Clayton Davis and Mrs. S. Jacula reported cards sent to patients in the hospital, and a basket of fruit to a member, also a visit made to the same member, Mrs. Patterson. Information on the work of the Multiple Sclerosis Society was received from the Edmonton Chapter. A donation of $5.00 was made to the I.O.D.E. for the C. N. I. B. Discussion re the tea and bake sale followed, and it was generally agreed that it was well worth the effort. Appreciation was voiced by the president to the different committees; to Mrs S. Jacula who made and donated for the raffle a beautiful foam plastic cushion cover, to Dorothy Tovell, who made posters to advertise the event; to Marie Tovell, who served as cashier; and to all those who assisted in any way, by donations and help, in making this event the success it was, with special mention of the following girls, who served as waitresses, Donna Farkash, Sandra Klashinsky, Ruth Tovell, Edna Patterson, Helen Mayhew and Miss Stephenson.

The December meeting is to be held at Mrs. Alice Davis' on the 10th. (Ladies, please note the change of date.) This is to be our gift exchange meeting, and it is also planned to complete details of the Christmas concert to be held at Chatsworth. The lunch committee is Mary McKeague, Mavis Tovell, Gladys Tovell, and Louise Davis. The Sick Committee is Mrs. M. Farkash and Evelyn Henningsen.

The writer of "Chatter" was most pleasantly "suprised" on the evening of Saturday November 8th when a number of friends dropped in to help her celebrate her birthday anniversary. Among the visitors was daughter, June from Edmonton, with her husband and children and Mrs L. Honey. An enjoyable evening was spent in visiting, and at the close of the evening a [illegible] was served complete with a lovely birthday cake made and decorated by June.

We extend all good wishes to Mr and Mrs. Rosa Taylor, and Mr and Mrs Leo Klashinsky who this month celebrated Silver wedding anniversaries.

The Chatsworth local of the F. U. A. held the November meeting at the school on the 12th, with a large turnout. Reports of the membership drive were handed in, this being quite successful. Mr Ken McCrae was named the delegate to the annual convention to be held in Edmonton early in December, with George Burton named as alternate.

Mannville C.G.I.T. Hold Their Fourth Meeting of Season

MANNVILLE — The fourth meeting of the C.G.I.T. was held Nov. 20th in the United Church social rooms at 4 p.m. and opened by repeating of the 'Purpose'. Reports of both the secretary and the treasurer showed no errors. There being no new business, a few items of old business were cleared up. The worship committee had prepared a ten-minute service in which all the members joined, followed by handicraft period. "Taps" concluded the meeting.

Mannville and District Local News

Mrs. C. Mercer accompanied Mr and Mrs M Mercer to Edmonton last week end.

Sympathy of Mannville and district is expressed to Mrs. Clarence Koontz whose mother, Mrs. Stan Kaminski passed away recently.

Mr and Mrs. R. M. Calder have moved from their farm home to town having purchased the Robinson house from W. Sargent.

Mrs. Maxine (Lelich) Brown of Acme was a visitor to the parental home for a few days last week.

Mrs. Maurice Smith is employed at the Hotel Coffee Shop.

Mrs. Wes Sargent is recovering from an operation she underwent in University Hospital in Edmonton.

Mr and Mrs. Eddie Marshall (nee Beryl Swain) were home for a few days last week.

Mr and Mrs. Stan Boe motored to Barrhead to visit Jean's parents last week end.

Mr and Mrs. Curtis and Ricky Curtis of Edmonton were dinner guests at the home of the latter's sister and husband Mr and Mrs D. Croft Saturday.

Seen home over the week end were Danny Hastoff, James Croft, Bennie Hurs and Merilyn Mercer.

Mr. and Mrs. J. Coxford and family were week end visitors at the home of the James White's at North Battleford.

Mrs. Betty Ramsey and family accompanied by her parents Mr and Mrs. F. B. Allen motored to Edmonton over the week end.

Miss Susan [illegible] of Edmonton is visiting at the home of her grandparents Mr. and Mrs. F. B. Allen.

High School Party Much Enjoyed At Mannville

MANNVILLE. — Great interest was shown at the recent High school party on Friday last week when the Lloydminster orchestra was in attendance with their famed electric organ. All reports heard were most favorable. The young people tripped the light fantastic until the witching hour when a nice lunch was served.

April in December . . . Even during Safe-Driving Week, Dec. 1 to 7, the highway is full of April Fool's tricks. Anticipate them at every corner. 20-1

Landrace Swine Prices Corrected

The figures given for the Landrace swine sales at the Vermilion Agricultural Association's pure bred stock sale held on Nov 14 were those for the Tamworth sales. The correct figures for Landrace are as follow: top male, $80, male average $75, top female $100, female average $80. Overall average $81. J. C. Grant of Dewberry purchased two Landrace sows, one for the top of $100 and the other for $80. Both were sold by Mr Wm. Bartling of Elk Point.

It's as easy to do right as to do wrong but it's not as thrilling

Visits In Kitscoty From Korea

KITSCOTY. — Mrs. Elsie Batty has been entertaining her nephew and his wife, Mr. and Mrs. Stanley Stephenson who stopped off in Kitscoty for five days en route from Korea to England. This was Mrs. Batty's first meeting with her nephew since she left England in 1931.

Mr. Stephenson is a member of the British Foreign Service and he and his wife have just completed a two-year tour of duty in Seoul, Korea, where Mr. Stephenson served as commercial secretary at the British embassy. He has previously had assignments in Egypt, Saudi Arabia, Syria, Curacao, the Dominican Republic and Costa Rica, while Mrs. Stephenson saw service before her marriage, with the U.S. Government in Syria, Iraq and Iran.

The Stephensons, who find Canada "breathtakingly beautiful", left on Tuesday for Montreal and New York before sailing to England where they will spend the next several years while Mr. Stephenson serves a tour of duty at the Foreign office in London.

Mannville Dolls Are Famous

MANNVILLE. — Mrs. L. Colborne left for Red Deer last week where she is to display and talk on the famous collection of international dolls belonging to Miss Jean Allanach of Mannville. There is a doll to represent almost every country in the world and they will be displayed at the Red Deer Home and School Association. Much favorable comment is expected to be heard. Jean has made this a hobby and as she has gained much publicity, Mannville can only say with sincere warmth, "We are proud to have you with us, Jean!"

A careless pedestrian bets two feet against 4 powerful wheels. The odds are terrible. Walk with care during Safe-Driving Week, Dec. 1 to 7, and all year. 20-1

"Teen-age Dating" Subject of Debate

DEWBERRY. — The November meeting of Dewberry Home and School was held in the school on the 13th with over 70 people present.

The president, Mr. Whitrside, opened the meeting by asking all to stand and sing "O Canada". Mrs. Orton the secretary then read the minutes of the previous meeting. It was stated that the town council could not sponsor the hockey.

A teen-age panel group composed of grade 11 students, Ronald MacAfee, Marjorie Mathison, Beverly Porter and Lorriane Garnier, with Shirley Elliott in the chair, took pa anitr LAw the chair, took part in a debate "Are two nights a week sufficient dating?" Ron and Marj thought they were, with Friday and Saturday being the nights chosen. Time, they said, was not the only issue concerned, mid-week dating, in their opinion, often led to trouble by the gang getting together and possibly drinking, car racing and other mischief. School work would also suffer.

Beverly and Lorriane were for occasional dating during the week as other functions may arise such as dancing, and an escort would be needed. They said also that teen-agers should be able to judge for themselves but that they should not cause worry to their parents. Both sides spoke well on the subject and everyone enjoyed it very much.

The judges, Mr. Kruger, Mrs. Whitrside and Mrs. Neil Jones, had a hard task deciding the winners, finally they gave their decision to the affirmative side. Mr. Kruger in conveying their ruling thanked the speakers and their chairman and told the parents not to be too prejudiced.

Mr. Kelland thanked the judges and called on Mrs. Durnin to perform a pleasant duty in awarding medals won at the Kitscoty track meet to Marion Braithwaite in up to age 12 group and Violet Keast in the age 16 group.

Miss Hall, the new grade three teacher, was introduced by Mr Kelland.

A badminton club may be formed. Anyone interested is asked to give their name to Mr Kelland or Mr. Marshall. A bridge and whist party will be held in the school on Nov. 26th.

Mrs. Therese Craige gave a report on the convention at Banff. She read a humorous poem which everyone enjoyed and also showed photographs taken at the convention. Her report was well given and much appreciated.

The entertainment part of the evening was taken up by a contest given by Mrs. Farberg. It was decided to sell lunch during the parent-teacher interviews.

An enjoyable lunch served by the refreshment committee then brought the evening to a close.

Next meeting of the Home and School will be held on Dec 11th.

George Capatos was the guest of honor at a farewell party held last Wednesday evening prior to his departure for Penticton where he and Mrs. Capatos will reside in future. Approximately one hundred and fifty of George's business associates attended the party and all wished George the very best in his years of retirement. Here he is seen accepting a substantial credit note on a TV set from Jim Robson who was emcee at the happy gathering.

When Disaster Strikes, The Red Cross Is On Hand To Help

The Canadian Red Cross reported today that its expenditure for disaster relief at Springhill now totals $20,000.

The figure was announced at Nova Scotia Division headquarters in Halifax. Officials stated the money had been spent primarily for new clothing for the miners working at their grim task in the depths of the ill-fated mine.

Mine officials have requested Red Cross to continue to issue a complete change of work clothes for every shift until the task is completed.

The Red Cross relief effort started on the evening of October 23. Branch disaster workers were at the pithead within a half hour after news of the bump was announced. Within hours a supply of serum albumin was rushed to Springhill from the Red Cross blood depot in Halifax by Royal Canadian Navy helicopter.

Nova Scotia Division sent a portable hospital and a mobile canteen to the scene on the following day. A mobile disaster unit and a dozen disaster workers from New Brunswick Division arrived the same day. A group of volunteers from Prince Edward Island joined their Red Cross colleagues later in the day.

The Red Cross relief effort has been carried on at two centres in Springhill. A canteen for the miners has been operating at the pithead. A clothing and supply depot and a kitchen were established in the Baptist church. Both have been manned by Red Cross volunteers on a round-the-clock basis.

Harvey R. Doane, president of Nova Scotia Division of the Red Cross, praised the many volunteers who are participating in relief work of all kinds. He reported men, women and young people from all parts of the province as well as from New Brunswick and Prince Edward Island have come to the ill-fated town to work beside members of the Springhill Branch.

Approximately 150 volunteers have been on duty at various jobs every day. It is estimated that volunteers have contributed over 15,000 hours of their time in relief work.

Yesterday most of the Springhill volunteers attended the funeral of Edwin MacKinnon at St David's Presbyterian Church. They appeared at the service in a body to honor their disaster services chairman, one of the victims of the disaster.

Many of the volunteers are relatives of the bereaved families. One of the miners rescued on the second day has been working as a volunteer driver. A chef and a cook from the Nova Scotian Hotel have spent their days off during the past two week ends in the Red Cross kitchen.

Thousands of cups of coffee, tea and hot chocolate and sandwiches have been distributed to the miners both in the mine and on the surface since the disaster occurred. Food is also being sent every day to the men who have volunteered to dig graves in the local cemeteries. Comforts are also being supplied every day to the victims who are in the emergency hospital at the armouries.

A rough estimate of the articles distributed to the miners includes 20,000 cigarettes, 5,000 candy bars, 2,800 bottles of soft drinks and 880 plugs of chewing tobacco.

The clothing consisted of 2,500 sweatshirts and T-shirts, 1,100 sets of overalls, 1,200 pairs of rubberized gloves, 1,790 pairs of socks, 1,050 suits of underwear and 2,190 towels.

The value of the socks and towels are not represented in the $20,000 expenditure as these had been produced by volunteers of the Women's Work Committee. An appeal for more socks and towels was answered promptly by Quebec Red Cross over the week end. Hundreds of socks and towels were rushed by air transport from Montreal to replenish the dwindling stores at the disaster headquarters.

Large quantities of food have also been distributed by the Red Cross to families of the men trapped in the mine. Donations included five tons of potatoes, hundreds of pounds of vegetables and butter, cases of eggs and a large quantity of canned goods.

Impressive Remembrance Day Service Held At Mannville

MANNVILLE — From the beginning of the Remembrance Day Services held at the cenotaph to its conclusion, when all gathered in the Alta theatre, there was a noted depth of solemnity throughout this commemoration.

Members of the Canadian Legion and their auxiliary of ladies, officiated with their chaplain at the cenotaph service, while both choirs, United and Anglican churches, were in attendance for the indoor service.

Wreaths officially laid at the cenotaph were as follow: Canadian Legion, Branch No. 23, branch president, R. L. Boe; Ladies' Auxiliary, branch president Nancy Cuxford; Motherhood of Canada, Mrs. H. Thomas Sr.; Provincial Command Canadian Legion, Ralph Rudd; Provincial Command Auxiliary, Phyllis Jackson; Province of Alberta, R. Whitson; Village of Mannville, Mayor A. E. Williams; Mayor of Minburn, A. E. Minter; Next of Kin for Mrs T Rostron "on account of her brother, Ralph H. Thornley" Syd Jackson.

Following these wreaths were laid from every place of business either at the cenotaph or the cemetery service following later.

In the theatre Rev. Ian Holter called the people to worship while Rev. H. Shell addressed the large gathering in a stirring message. Mr. Shell reminded those present that war clouds even now threaten our peace and that we are at war not with individual nationalities but arrogance, selfishness and greed are the agencies that cause war.

"Of the supreme sacrifice paid by so many, we are the reapers, and we shudder to imagine the consequences had our boys not answered the call to arms," said Mr. Shell. "Give us humility in accepting the sacrifice."

Rev. Harry Shell pointed out a fact to remember, namely that as the veterans who had made the supreme sacrifice for friends and loved ones, the Saviour of the world had also died "that we might live" for enemies as well as friends whom He forgave, Pontius Pilate and Judas Iscariot the betrayer.

"He died for all and as the cross is the symbol of Christianity it becomes set up in the memory of our war dead a replica of Christ's Cross" concluded [illegible]

Rev. Ian Holter, the Legion chaplain, pronounced the benediction for this memorable service.

Brisbin.

OUR LETTER FROM EDMONTON

Industrial Taxation Subject of Resolution At Municipal Districts Convention

by [illegible]

EDMONTON — The battle lines were drawn last week in what could be a major squabble in Alberta over the contentious industrial taxation.

The challenge was thrown out by the Alberta Association of Municipal Districts, at its annual convention here, in a resolution inviting the provincial government to take over the assessment of industry, collection of taxes, distribution of revenue.

This is something the government has been quietly thinking about for several years, and the action of the municipal districts may provide an excuse to do something about it.

But even with the support of the municipal districts, the issue is loaded with political dynamite. Some strong members of the Union of Alberta Municipalities — including the major cities — are bitterly opposed to the idea of turning over any of their taxing powers to the province.

Municipal Affairs Minister Alf Hooke, when informed of the resolution, declined to make a comment for the record. But it's fairly obvious he was glad to see the new development because the government would like to do something about equalizing and stabilizing industrial taxes.

Mr Hooke has said in the past that high taxes are frightening industry away from Alberta. Other disadvantages of the present system include wide variations in tax rates, which lead in turn to cutthroat competition among municipalities to attract industry, and give some districts a big advantage over others.

The issues at stake are fairly clear. The rural municipalities, many of them struggling to make ends meet and not cashing in on industrial development, are eyeing the extra revenue that might result from the province collecting the money and sharing it with everyone.

The cities and towns fear that they may have to take a slash in revenue if they lose the power to extract money from industry.

Indications are the government would like to take some action during the next session of the Legislature, but a lot depends on the possible political implications of any move to take over industrial taxation.

Officially the resolution put the association on record as favoring the provincial industrial tax in principle. But many of the delegates feel such action will be the only answer to their problems, and it amounts to an invitation to the government to go ahead and begin making plans.

It's interesting to note the source of the resolution. It was sponsored by the Municipal District of Strathcona which stands to lose if Edmonton goes ahead with the plans to annex a wealthy industrial area on its outskirts and the M D of Leduc, where oil development produces more extra cost than it does extra revenue.

Feeling among delegates at the convention was that if the province doesn't take over industrial taxation, cities and towns will grab all of it.

Health Unit Notes

CARE OF YOUR CHILDREN'S EARS

Formerly more than half of adult deafness resulted from neglect of ear infections in childhood. Medical attention when a child shows signs of ear trouble can check the infection which causes mild inflamation of the ear drum.

Acute ear infections are usually a [illegible] of some infective disease of childhood, such as measles or scarlet fever. The symptoms of acute infection include earache, rise in temperature, difficulty in hearing and if the child is younger, restlessness, crying with pain and occasionally pulling at his ears. A doctor can often check the infection before serious damage is done.

If an abscess occurs in the ear, pressure from the pus may burst the eardrum and the pus escapes from the outer ear. This is what we call a running ear and a doctor must treat this infection to prevent it becoming chronic and to save the child's hearing. Untreated the discharge may cease in a few days and the child's hearing MAY return to normal. In most untreated cases, however, the discharge persists for weeks and eventually becomes a chronic middle ear infection. Head colds and damp weather may cause the ear to run again with a progressive loss of hearing with each attack. In such cases, there is often an unhealed hole in the ear drum. In this case the attention of a doctor can do much to clear it up.

When the ear is discharging, do not place absorbent cotton in it but allow the pus to escape freely, wiping it off as required [illegible] with warm water. If there is a hole in the ear drum, do not allow water into the ear as it sets up an irritation which may result in a fresh discharge, hence the reason for ear plugs when swimming.

Mastoiditis is serious but due to modern medicine is a less common complication of acute ear infection. This is manifested by an increase in temperature (often the initial temperature has subsided and the discharge has slowed down and ceased) earache and tenderness sometimes with swelling behind the affected ear. In this case the infection has spread to the bone behind the ear. Since the collecting pus cannot now escape, operation is necessary.

A type of deafness called obstruction deafness seen more commonly in older children is caused by mild infections in the nose and throat. The difficulty in hearing is caused by infection obstructing the eustachian tube (which runs from the throat to the middle ear). Your doctor can usually check the infection and relieve the obstruction and this results in an improvement in hearing. Enlargement of the adenoids may also block the eustachian tube resulting in difficulty in hearing. Removal of the adenoinds will relieve the symptoms in each case.

Another common cause of defective hearing in children is the pressure of some object in the outer ear canal. Sometimes this is due to wax which can swell up overnight and produce sudden deafness. This wax can be removed by syringing the ear. In smaller children, they may push small stones and such like into their ears. No attempt should be made to remove this except by a doctor, since you may injure the ear lining on the ear drum.

WILDMERE WINKS

Will all Wildmere W.I. members please note change of place for December meeting as it will be held at Mrs. W. T. Garnett's [illegible] Wednesday, Dec 3rd in the afternoon.

A huge crowd attended the bingo sponsored by Knights of Columbus in the armories. Congratulations to Mr. John McMorrow of Clandonald who won the draw for two to attend the Grey Cup game at Vancouver.

Sorry Clandonald scribe, we certainly can't let you retire yet, not with such an interesting column as you write.

There was a good attendance at church Sunday when Rev. MacKay gave an interesting sermon. Mr Schurman led in prayer and Scripture reading. Rev. MacKay will be out again in two weeks' time to hold service.

Adam Smith and his sister Mrs Cliff Cuthers left Saturday morning on their way to Vancouver. In Vermilion they picked up Mr James Carey of Islay who accompanied them to Vancouver where he will also visit relatives. Mrs. Cruthers plans to visit for two weeks with her mother at the coast. [illegible] will stay the winter. The trip was made in Adam's new 1958 Meteor which he purchased only a couple of weeks ago.

Mr and Mrs Wm Smith and Mr and Mrs Albert Smith drove to Edmonton Friday evening and returned home Sunday.

Hello Mrs Symes, sorry to hear you had been under the weather again. Do hope you will soon feel much better.

J. C. Wallington attended the north-eastern regional hospital meeting held at Wainwright on Thursday afternoon.

A nice crowd turned out to the Preston Central Home & School meeting held Tuesday Nov. 18. Four more members joined making a total of 27 paid up. Mrs. Wallington was chosen delegate to attend the regional conference at Viking on Nov. 29th. If any members from Vermilion or Buffalo Coulee are attending would they please let Mrs. Wallington know as she would like transportation to it. Mr Sweet had an open discussion re school work which proved very interesting and enlightening to the parents. He also suggested a parent teacher meeting instead of report cards. Next meeting is on Dec 10th. Members are helping the teachers fill candy bags for the concert.

Don't forget the dance in the Basswood hall on Friday, Nov. 28th with Martin's orchestra supplying the music. Come one, come all!

[illegible] club will be holding a sale of bazaar articles in the co-op store Saturday, Nov. 29th. Support the girls in their useful work.

Deepest sympathy ... [illegible] Frank Shabon and family of Wainwright in their sudden bereavement. [illegible] was born and raised in the Triangle district.

CHRISTMAS PROGRAM

A Christmas program "The Message of the Bells" will be presented at the Alliance Chapel, Vermilion, on Friday Dec 19th at 7:30 p.m. Everyone is invited to attend. 19-23

EPILEPSY LEAGUE TO MEET

The Western Canada Epilepsy League Edmonton and District branch is holding its regular meeting at Red Cross House 9931 106 St. on Friday Nov. 28 at 8 p.m. Guest speaker will be Mr Gue provincial co-ordinator of rehabilitation and a short film will be shown.

Information about the League may be obtained from Mrs Reynolds 11316 132nd St phone number 553236.

Pleasant Valley News

Well, the weather is colder today and it's snowing. We enjoyed the lovely weather of the past few weeks and [illegible] would have stayed with us until Xmas, but like the ladies, [illegible] is very fickle'

Gordon Gould and [illegible] are away on [illegible] near Red Deer. [illegible] "down thar b'ars". [illegible]

On Saturday, Laurence and Christie Gould, and [illegible] Keith Inman celebrated [illegible] wedding anniversary and Chinese foods were the order of the day.

Daisy Cummings [illegible] an evening at the writer's home last week and plants and flowers were the chief topics.

Annie and Betty Clark visited the writer Friday night and on Thursday evening Muriel Stone stopped and had a cup of tea with the writer. Muriel was collecting for the British and Foreign Bible Society, the job Mr. Bothwell did for many years.

Do hope you are feeling better Mr. Bothwell. Be sure and wear a smile all the while, remember, frowns get you down.

[illegible]

Barbara Golby spent the week end visiting her parents. She is employed at the telephone office in Edmonton.

Olive and Bert Frizzell visited Annie and Christie Gould last week. Their brother Earl, and Betty were also there.

Congratulations go out to Mr and Mrs. Jim Repp on the birth of a daughter.

(Held over from last week)

Mrs. Moore was here visiting the writer recently, also were Lila Waterfield and Doreen and Mrs McClelland.

Sylvia Gould, Laura and family from Strome visited at Marvin Gould's last Sunday.

Jean, Keith and family were dinner guests at the writer's recently and in the evening were guests at Christie's.

Bill and Betty Shaw were supper guests at Doreen's home and in the evening Mr. and Mrs. Risdale called in on their way home from Lloydminster. Thanks folks, for the parcel. Come again.

Christie Clark and some of the neighbors were busy last week putting siding on Christie's house. It looks very nice and will certainly keep that old wind out.

The Morrison house also looks very nice as one drives by.

So glad you have the power in, Min and Edgar. We enjoyed our meeting and dinner party there. Mrs. Gillies joined the club that day.

Albert Dupuit visited at the Porvin home last Sunday. Hi Albert, long time no see!

Hello Peggy. We heard you celebrated a birthday on Sunday with all the trimmings. Let me see is it 'sweet 17' now — or perhaps a little more?

The Marvin Gould's journeyed to Strome over the week end.

Daisy Cummings spent the week end in Edmonton.

Gordon Gould and family were dinner guests at the writer's on Sunday.

Laurence Gould and family visited at the home of Mr and Mrs. Dave Giles on Sunday.

Congratulations to Mrs. Proud on winning a hamper of groceries at the new store in Lloydminster which opened recently. One doesn't get much free these days and the hampers make lovely prizes.

The writer had a chat with the Dewberry scribe in Vermilion last week. How about all of us getting together for a little chin wag?

There are 32 carnations coming out Ellen.

"Pyrohy Supper" Held At Derwent

DERWENT. — A variety "Pyrohy Supper", sponsored by the J.W.C.L. was held at the National hall Wednesday, Nov. 12th with a large crowd in attendance. Visitors attending were from Myrnam and Vermilion. A quilt, donated by Mrs. Bill Yacoyko was won by Benny Jacula.

N. W. Utilities Completes Gas Line From Pembina Field

Delivery of gas from Pembina field to Edmonton started today, following testing of the 70-mile 16-inch pipeline of Northwestern Utilities, Limited, Murray E. Stewart, general manager, reports.

Gas production from 2000 oil wells in the field will flow through the line to Edmonton and other communities served by the gas company. This new pipeline will make it possible for gas consumers in Central Alberta to utilize this gas which was formerly flared. It is estimated that about 20 million cubic feet of gas a day will be delivered initially.

"Pembina gas is essential to enable Northwestern Utilities to conserve its own gas reserves for meeting severe winter demands," Mr. Stewart said. The pipeline to Edmonton was built this year at a cost of approximately $2,800,000.

A year ago the Alberta Oil and Conservation Board ruled that gas produced with crude oil in the Pembina field, Canada's largest, should not continue to be flared ad wasted, but rather must be conserved.

The gathering facilities and processing plants required to handle the gas belonging to more than 70 producing companies have now been completed.

Mr. Stewart stated that these facilities which are owned by companies operating in the Pembina field cost approximately $25,000,000.

The gas is purchased from the individual producers by Alberta and Southern Gas Co. Ltd. Northwestern Utilities buys the gas from Alberta and Southern, taking delivery at the eastern edge of the Pembina field, where its new pipeline commences.

Light-weight vanity cases are taking on interesting new shapes. This triangular bag is designed to be comfortably carried over the arm and contains a mirror in its zippered lid. Finished in ivory-colored "Fabrilite," its covering will not scuff and can be kept immaculate with sponge and sudsy water. It is also available in tan, blue, and black and white tweed. By Elondy Luggage, Montreal.

News from Tulliby Lake

The Norway house rats have definitely established themselves in this district. Several folks have recently reported further infestation. Two 'rat men' were out last week investigating the reports.

An item in our news column of two weeks ago read: "Mrs. Louise Huntly has returned home from the Lloydminster hospital and is staying at the Harlan Ruud home". This should have stated that she was being cared for at the home of Mr. and Mrs. Dennis Ruud.

The flu virus is with us again. Mrs. Cecil Trimble and Juvenile Behrens were its victims last week.

We are sorry to report that Forbes Parke is once again confined to a hospital. This time in Edmonton.

Herman Benson and Emile Boyer are erecting a root house at the R. C. school at Harlan.

The Greenvale Mutual Telephone Co. are converting their line from a one wire affair to a two wire set-up. This will enable their patrons to have long distance service.

Juvenile Behrens spent the week end in Lloydminster taking chiropractic treatments at the Berg clinic.

Check that date on your label.

Alberta Government Studying Ways And Means Of Assisting Farmers To Obtain Natural Gas

The Alberta Government's recently appointed Gas Advisory Service held its initial meeting November 17 to discuss ways and means of assisting rural people to obtain natural gas service. The Chairman is J. G. MacGregor, who is also Chairman of the Alberta Power Commission. The other members of the committee are: H. W. Webber, Supervisor of Co-operative Activities and Credit Unions; S. A. B. Kembry, Superintendent, Electrical and Gas Inspection Services; J. Stabback, Gas Engineer, Oil and Gas Conservation Board, Calgary; W. Rutherford, Superintendent of Pipelines, Department of Mines and Minerals, Edmonton.

It was appointed pursuant to a resolution moved in the Provincial Legislature during the last session, by A. O. Fimrite, M. L. A. and I. McLaughlin, M. L. A.

The duty of the committee is to make a careful study of all problems involved in rural gas service to ensure that any plans approved for rural gas distribution will be practicable and that the greatest number of people will be economically served.

In his opening remarks at the meeting, the chairman stressed the point that because the cost of piping gas to farms will be much higher than the cost of providing farm electrification, it is doubtful if it will be economically feasible to serve the majority of farms in the province. Because other fuels, notably propane, are available to country residents at a cost that will be more economical, it is not expected that there [illegible] the [illegible] of gas to [illegible] will be very wide spread. Having in mind the success which has attended the policy of farm electrification, it is hoped that a policy similar in many respects can be worked out.

There is considerable interest in the province in this problem of rural gas supply and it is expected that a number of people will be seeking information. Inquiries along these lines should be directed to the Chairman, J. G. MacGregor, c/o Alberta Power Commission, 408 Rowleigh Building, 10740 Jasper Avenue, Edmonton.

Radar Speed Checks in Vermilion

Last week saw the first radar speed check ever held in Vermilion. Cpl. Pete Morris of the RCMP reported four infractions.

The radar unit is made available from RCMP headquarters in Edmonton for use of the local detachment at any time. Plans are underway to use the unit at frequent intervals within the town limits.

A word to the wise . . . "Forewarned is forearmed". This is the first step in a drive to cut down speeding on town streets.

Annual Meeting of Agricultural Society Called for Dec. 12th

The annual meeting of the Vermilion Agricultural Society will be held in the Masonic Temple on the evening of Friday, Dec. 12th at 7:30 p.m. All interested in the work of the Society are cordially invited to attend.

Reports of the officers covering the work of the past season will be given and plans made for the continuation of the work for the coming year. Officers will be selected at this meeting to carry on the business of the Society.

Vermilion Agricultural Society has established a somewhat enviable record for the promotion of agricultural projects which include the holding of Canada's largest [illegible] summer [illegible] with the close co-operation of the Provincial School of Agriculture, sponsorship of the Calf [illegible] show and sale, a home and farm improvement project and an annual fall sale of purebred livestock, together with short courses which have now been held for several years and are proposed for late February of 1959. All of these projects are conducted in addition to tehy layrs,t tne addition to a yearly exhibition which stands out as an agricultural event in the area.

The officers and directors of the Agricultural Society are particularly interested in the young people on our farms and are desirous of promoting work of value. All who desire to assist will be welcomed at the meeting on Dec. 12th.

29 Rinks Enter Farmers' Bonspiel

Twenty-nine rinks commenced curling in the annual Farmers bonspiel which opened this Thursday morning, five more than a year ago when twenty-four entered the popular annual event.

Finals are scheduled for Saturday evening.

Parents' Day Is Success at V.S.A.

Despite icy roads and inclement weather many parents attended the Vermilion School of Agriculture on Saturday, Nov. 29th. Parents were in evidence in classes throughout the college. Some thirty stayed for dinner and attended the "meet the staff" session in the afternoon. Parents spent the balance of the afternoon visiting with their sons or daughters in the dormitory. About 35 of the visitors enjoyed supper in the V. S. A. dining room, many staying for the amateur hour and dance after. One of the best amateur hours for years, it is claimed, was held that evening.

Norman Dreger, Woking; Reg McLean, Fort Vermilion and G. Nicholson, Camrose, won first prize with an instrumental trio; Jim Schnettler of Killam was second with a vocal number; third prize went to Roger Winnicky, Ballater, Ed Skrepnek, Culp, and Norman Dreger, Woking. They also featured an instrumental trio.

The success of the first "Parents' Day" was encouraging and this will likely be made an annual event.

Queen Scouts Honored, Marwayne

MARWAYNE. — About 25 Boy Scouts and 25 Wolf Cubs, their dads and leaders attended a 'Father and Son' banquet in the Elks hall on Thursday evening last. The banquet was held to honor the four Queen Scouts of the Marwayne Troop, John Bell, John Milne, Arnold Kvill and Eldon Giles. A short program followed the sumptuous banquet and pictures were shown of the Banff Jamboree which quite a number of Marwayne Scouts attended.

Dedicate Picture At Clandonald Church

On Sunday, Nov. 30th at the United Church in Clandonald the Rev. C. W. MacKay conducted a service and dedication assisted by Mr. E. Schurman. The sermon was inspiring and pointed the way to a better way of living.

A beautiful framed picture of "The Last Supper" was presented to the church by Mr and Mrs. Harold Cooper in memory of their parents. Inscribed above the picture were the words "In memory of Martin McBride, Nellie McBride, James Cooper, Harriett Cooper". Rev. MacKay dedicated the picture to the church.

Following the dedication Mrs. Laird and Mr. de Jong sang a duet, "It is Well With My Soul", very fitting to this occasion. The hymn was sung at the funeral of Mrs. McBride by Mrs. Smith as it was a favorite of hers.

The picture "The Last Supper", was done in copper tooling by Mr Robert Dudlyke of Marwayne. He is to be congratulated on such a beautiful piece of work.

BOY SCOUTS TO SELL XMAS TREES

The Vermilion Troop of Boy Scouts will sell Christmas trees this year commencing on Saturday, Dec. 13th. These will be sold from the lot next to the Scout hall and orders will be taken by the Scouts and the Scoutmasters, G. Willmer and Dr. Ben King. 21-2

Shower Honors Miss Mary Coulter

Miss Mary Coulter, bride-elect of the month, was entertained by the ladies of the Alliance Chapel, at a miscellaneous shower at the home of Mr. and Mrs. W. B. Mix.

Upon entering the room, Mary was presented with a corsage from the A.Y.F.

A most enjoyable evening was spent in games and song. The guest of honor received many beautiful gifts by the novel "alarm clock routine."

The gathering was brought to a close with a delicious lunch.

Announces New IH Early Trader Bonus

An opportunity to make big savings by buying new IH tractors and other farm equipment now is announced by R. H. Norton, Vermilion.

This dealer is offering an Early Trader's Bonus for a limited time. An interest bonus at 6% per annum for as long as nine months on some machines will be paid in cash at once on the trade-in value of old machines on orders accepted now. Mr Norton also reports that he will pay interest similarly at 6% per annum on any cash payments customers may wish to make now. This is also payable in cash, at once.

When purchasing under the Early Trader's Bonus plan, the customer is protected against price increases until a specified date. Special assistance on time sales will also be given, Mr Norton reports.

"Our Early Traders Bonus is the greatest opportunity for savings on new machines we have ever been able to offer," Ray Norton said. "To those who buy ahead of season, we are able to make bigger allowances on trade-ins for old machines. Thats because we have more time to recondition and sell them during the peak season when they are in demand by customers who want used equipment for immediate field work."

R. H. Norton invites all farmers in this area to come in for full details on the Early Trader's Bonus. He adds that the earlier the customer trades, the bigger bonus he receives. 21-2

Your Christmas Greeting Advt.

Hunting Hints

Any hunter who received a letter from the Fish & Game Commissioner re: Game Bird questionnaire, please make it a point to return completed form.

COF Bingo Saturday

The Foresters Court Hilltop are sponsoring another one of their friendly bingos Saturday evening, Dec. 6th at 8 p.m. in the Legion hall.

All proceeds go to community projects, play by the game, ten cents. Everybody welcome.

Board of Trade Sponsor Home Decoration Contest for Christmas

The Vermilion Board of Trade and the Canadian Utilities will sponsor a home Christmas decoration contest with the rules and regulations to be published in the Standard next week. Substantial cash prizes will be awarded the winners.

Canadian Utilities have offered to match the Board of Trade dollar for dollar so that there will be double the prize money offered a year ago. This does not necessarily mean that the size of the prizes will be increased, as more prizes might be offered.

The contest which was started by the Board of Trade for the first time one year ago, resulted in many very fine home lighting efforts.

Medical Men Hear Featured Speakers At Vermilion Meeting

The final meeting of the year of the Vegreville District Medical Society was held in Vermilion Wednesday afternoon Dec 3. In attendance were doctors from Vegreville, Mannville, Lamont, Wainwright, Viking, Lloydminster and Vermilion.

A featured speaker at the meeting was Mr. D. M. Cameron of Calgary, Registrar of the Alberta Pharmaceutical Association, who spoke on "Hospitals and Pharmacy". A panel discussion on "Surgical Problems" was led by two surgeons from Edmonton, Dr R. Willax and Dr M. Michaloglou.

Following a dinner at the Brunswick hotel banquet room, Dr Willax spoke on "Surgery in Russia and Europe". Dr. Willax was on a surgical tour of Europe earlier this year in company with several American doctors, all members of the American College of Surgeons.

Dewberry Citizen Passes Away

Mr. George Parr Benjamin of Dewberry, formerly of Halifax, N.S., passed away at the age of 58 years in the Vermilion hospital on Tuesday, Dec. 2nd. He is survived by one brother Wallace Benjamin of Spencer, Mass., and one sister Mrs. Margaret Windiech, of Dewberry, three nieces and eight nephews.

Funeral services will be held on Saturday, Dec. 6th at 2:00 p.m. in the Dewberry United church. The Rev. J. S. Shortt of Kitscoty will officiate. Cremation will follow.

Mr Benjamin was formerly an interior decorator but had been in ill health for several years. He came west one year ago to live at Dewberry with his sister Mrs. Windiech.

Moyers Funeral Home is in charge of arrangements.

Vermilion Stores Open Extra Hours for Christmas Shoppers

Vermilion stores will remain open extra hours during the Christmas season in order to give shoppers every opportunity to purchase all of their needs for the festive season.

During Christmas week the stores will remain open to 9 p.m. on Tuesday Dec. 23; on Wednesday Dec 24 there will be no half holiday, the stores will stay open to 6 p.m.

Christmas day, Thursday, Dec. 25 and Boxing Day, Dec 26, all stores will remain closed.

On Saturday Dec 27 the stores will commence closing at 6 p.m. until springtime.

Ordinary store hours will be observed New Year's week: — Wednesday Dec. 31, close at 12 noon; Jan. 1st (New Year's) closed all day; Saturday, Jan. 3, closed at 6 p.m. 21-22

Enjoy Band Concert

The Band of the Lord Strathcona Horse (Royal Canadians) played to a large and very appreciative audience here, in the new high school auditorium on Nov. 20. The band played to a full house at the afternoon concert put on especially for the school students when [illegible] and at the evening concert approximately 400 people gathered to hear them. At both performances the audience was caught by the spirit of the rousing music and each number was greeted with much enthusiasm.

Selections from the currently popular Broadway musical "My Fair Lady" showed the versatility of this talented group, as well as the trio of trumpeters who gave a fine rendition of "The Bugler's Holiday." Among other selections was a waltz number entitled "Shortcake Waltz," the tango "La Fonda," and the British march "Steps to Glory."

The forty-four musicians who make up the group were under the capable direction of Bandmaster Capt. McLeod. The band is based in Calgary and is currently on a tour of [illegible] in Alberta.

Clayton Davis Heads Foresters

Clayton Davis was elected Chief Ranger of Court Hilltop No. 1893, Canadian Order of Foresters, at their regular meeting held on Tuesday, Dec. 2nd.

Complete slate of officers for the ensuing year are:

Chief Ranger — Clayton Davis
V. C. R. — Bert Moore
Treas. — George Fluney
F/Sec. - C. Underdown
R/Sec. — R. Freestone
S. W. — L. McCambridge
J. W. — W. Coulter
Chaplain — C. Redmond
S. B. — N. Cooper
J. B. — K. Lysons
Conductor — A. Hodgson

During the course of the meeting Chief Ranger Percy Cooper, on behalf of the Court, presented district manager Peter Dribnenky with a fine leather brief-case. Mr. Dribnenky has been promoted to provincial manager for British Columbia and is leaving this week end for Vancouver.

Plans are underway for club curling and any Forester who wishes to participate is asked to leave their name with P. Cooper at the Standard Office.

Installation of the new officers will be made on Tuesday Jan. 6

Not the Same Man!

Mr Edwin Torrance whose name appeared in the Mannville news last issue as having a son and daughter baptized disclaims all knowledge of that event. In fact as all well know, Ed is a confirmed bachelor and has no intention of changing that status. On looking into the matter the Standard finds that the name should have been Mr. and Mrs. Edwin Maron.

CARD OF THANKS

I would like to express my appreciation and thanks to Miss Laberge, matron and the nursing staff of Mannville hospital for their kind and good care given me during my [illegible] months in hospital, to Dr. Hastnuff for good service. Thanks also to all my relatives and friends who visited me and brought me fruit and flowers, as well as those sending cards and letters thus making time pass faster. Also a heartfelt thanks to Mr and Mrs R. H. Scott who looked after my place while I was away. Again I thank you all.

Ivor P. Berg
Mannville, Alta

Winners of C. W. L. Raffle Announced

Lucky winners at the C.W.L. raffle Saturday Nov 29th in the Elks hall were: 1st Mrs G. W. Keating, Vermilion, ticket No. 1978. 2nd Mrs J. Williams, Vermilion, ticket No. 1880, grocery hamper. Winner of cushion was Mrs. J. W. C. Wilson, R.R., Vermilion.

Marwayne F.W.U.A. Elects Doris Tupper As President

MARWAYNE. — The annual meeting of the Marwayne F.W.U.A. Local No 716 was held at the home of Adela Protach with Marnie Lafoy and Betty Hale as co-hostesses and 19 members present.

In the treasury report it was stated that cheques amounting to $998.78 had been written. Net earnings were $1008.72.

Ebba Currie and Dorothy Milne were appointed as delegates to the convention. A donation of $10 was made to the Unitarian Service committee. A report was given by Ollie Midgley on the Sunshine work for the year.

It was decided to have "Polly anna's" again next year and new names will be available at next meeting.

Officers for the coming year are:

President — Doris Tupper
1st Vice-Pres. — Mildred Sinclair
2nd Vice-Pres. — Ollie Midgley
Sec'y-Treas. — Margaret Miller
Sunshine — Ollie Midgley
Press — Gladys Hutchinson

It is planned to have a Xmas party for all members of the Marwayne F.W.U.A., the F.U.A. and their families in the Elks hall on the evening of Monday Dec. 29th. A variety program is being planned.

The Christmas meeting will be held at the home of Gladys Hutchinson on Monday Dec 22. Bring your "Pollyanna" gifts signed with your right name this time. Value of gift to be 75 cents.

Annual Meeting Of Amateur Athletic Assoc. Dec. 10th

A very important meeting of the Vermilion Amateur Athletic Association will be held on Wednesday evening next Dec. 10th at 8:00 o'clock in the Bank of Commerce. Everyone is invited and urged to attend as the future of this association could well be at stake. John Webb is the president with Bruce Anderson secretary of the organization.

Bonnyville Plays Tigers Here

E. A. Hockey League Opening Games Saturday, December 13

The Eastern Alberta Hockey League teams, six of the seven, will swing into action on Saturday Dec. 13 with Lashburn at Lloydminster, Neilburg at Maidstone and Bonnyville playing the Tigers in Vermilion. The seventh team, St. Paul, sees opening action on Sunday, December 14 when they play an afternoon game at Bonnyville.

Last season the league opening had to be postponed due to lack of ice. There is no such lack this winter, all towns have ice in their arenas with the result that the players will have several practices and skating work outs before appearing in regular league games.

Quality of the teams is an unknown factor to date and this will only be known after a few games have been played. Most of the teams report plenty of aspirants for positions. In Vermilion some 25 have been turning out to practice.

Opening Games In Juvenile League December 13th

All is now in readiness for the operation of the Eastern Alberta Juvenile league for another season and the opening pucks will be shot into nets in the league games which commence on Saturday, December 13th.

On the 13th, Vermilion plays at Mannville, with Dewberry going to Myrnam. On Wednesday, December 17, Vermilion sees the Dewberry team come here to play against the Bobcats, last year's champions.

The complete league schedule will appear in the Standard next week.

Farm Forum Work Shop Profitable

Farm Forum Workshop was held in the sample room of the Brunswick Hotel beginning at 10:30 a.m. on Tuesday, Dec. 2.

The discussion leaders were Mr. James McFall, Provincial Farm Forum Secretary; Mr. Bill Harper, Radio Commentator for the F. U. A. and Mr. Bill A. Des Champs, Agricultural Secretary of the Department of Extension at the University of Alberta.

Problems and benefits of Farm Forum Groups were discussed. The discussion was completed with a film on leadership techniques.

Members were in attendance from Auburndale, Edenvale and North Vermilion forums.

A very informative and instructive day was spent, voted very worthwhile by all present.

Stories Held Over

Owing to demands on space for advertising, the Standard regrets that several stories were held over due to lack of room in this issue. Chief among them being an account of the Canadian Legion Variety concert; Board of Trade activities; Anglican Men's club; 15 Years Ago, and numerous other interesting items from both town and country. They will all appear next issue.

Y. P. To Present "Born in a Manger"

A group of young people from the United Church will present a lovely Christmas song and story program "Born in a Manger", on Dec. 12th at 8 p.m. Included in the Carol selections are many of the old favorites along with a number from other countries, very beautiful but less familiar. Among the latter are the French carols "He is Born," "The Friendly Beasts", "The Carols of the Birds" and "The Gifts They Gave Emmanuel"; Austrian carols "Who Knocks So Late?" and "As Lately We Watched", "Bagpipers' Carol" (Italian) "Holy is the Night" and the Swedish carol "Mary Must Journey to Bethlehem".

Plan now to attend this program and receive a blessing for your Christmas preparations. 21-lc

Tank Trailer Hits Ditch, Turns Turtle

When T. Humphreys, driver of a truck with a tank trailer loaded with sixteen tons of oil, escaped with a cut lip when the mighty vehicle skidded on the icy highway on a hill and turned turtle in a ditch, said driver decided there and then that he was through with truck driving. There must be less precarious ways of earning a living on this earth he mused as he looked at the wrecked truck and trailer, and marvelled at his own escape.

Driver Humphreys was on his way from Lloydminster to Edmonton on Tuesday night when the accident occurred about ten miles east of Vermilion.

CONSERVATIVES TO ORGANIZE

Vermilion Constituency Conservatives will hold an organizational meeting in the Orange hall at Mannville on Tuesday, Dec. 9th at 8 p.m. Everyone interested is invited to attend.

Art To Be Exhibited Here

A travelling art exhibit will be displayed in Vermilion at the west end brick elementary school on Dec 9, 10 and 11 from 7 to 9 p.m. each evening. A silver collection will be taken. 21-2

More Films for Local Use

The second package of 16mm films supplied through the National Film Board are on hand at the local depot. The package for this month contains "Angotee" the life story of an average Eskimo which may well be used for the Fireside Hour program. In Youth Organizations, a film on bird life produced in the Black Forest of Germany entitled "Carpenters of the Forest" gives a real life prelude of Woody Woodpecker. This film will be enjoyed by nature lovers be they old or young. "Frustrating Fours and Fascinating Fives" is the film for Home and School Groups, while "The Son," a study of farm family relationships is intended for rural organizations. The general interest film for the month deals with the Kitimat project and is entitled "Mountain Movers." Local organizations are invited to make use of these films whenever possible and may book them or obtain further information from Mr. F. Stewart, Vermilion.

ALBERTA REQUEST GRANTED

The Alberta government has won its campaign to have Ottawa widen the program of aid for municipal winter works projects. Word was received last week that the program will include gravel crushing, hauling and stockpiling, brush clearing and bridge building.

Within these categories Ottawa will pay 50 per cent of the labor cost involved in any project which wouldn't ordinarily be done during the winter. As originally proposed, it covered only sidewalk, road and sewer work, but the province pointed out that these were nearly impossible in view of the western [illegible].

CHRISTMAS SHOPPING TIME

Christmas shopping can be made much more enjoyable by starting it early and doing it in a leisurely manner. By shopping early the selection is usually more complete and you avoid the last minute crowds. The first move in your Yuletide shopping program is to read the advertisements of your hometown merchants in the Standard. Never before have our stores looked more Christmassy than right now, never before has the range of merchandise suitable for Christmas gifts been so large, varied and moderately priced, and never before have the friendly clerks been so eager to serve you. So read the advertisements in your Standard each week, select your gifts, and then complete your shopping quickly, enjoyably and economically at the [illegible].

SAFE-DRIVING WEEK DEC. 1 to 7

Safe-Driving Week, a national campaign to improve the motorist and pedestrian with his responsibility, as an individual in preventing traffic accidents, will be sponsored nationally by the Canadian Highway Safety Conference this year from December first to seventh inclusive.

Safe-Driving Week has been given the support of the Governor General and Prime Minister. Participating will be the Premiers of all the provinces, safety organizations, police forces, the judiciary, public service groups, women's organizations and many others.

George B. Kenney, chairman of the Canadian Highway Safety Conference, has called on every motorist and pedestrian to co-operate. "Make an honest effort," he asked them, "to get through Safe-Driving Week without a single traffic accident. If you can do it for a week, you can do it for a year. We appeal to every driver and every walker to make Safe-Driving Week 1958 an outstanding success."

Mr. Kenney referred to a recent forecast of 3,400 traffic deaths in Canada in 1958 and [illegible] than 90 per cent of those deaths could be prevented if the individual driver and walker realized his responsibility as an individual in driving and walking safely."

Interest on the public debt incurred by the federal government costs Canadians more than $10 million a week.

It's human to err, but your traffic mistake doesn't warrant the death sentence. Be careful during Safe-Driving Week, Dec. 1 to 7, and always! 20-1

—S—

In the past ten years inflation has reduced the purchasing power of the Canadian dollar by 22% cents, an average of about 2¼ per cent a year.

— Quick Canadian Facts.

Three Municipal Seed Plants

There are three Seed Plants in Vermilion River Municipality. They average over 200,000 bus of clean seed each year. Every farmer in the area can take seed to one of these plants for cleaning. Now is the time of year to see the manager and get on the list. Then he will let you know when your turn comes around. This is much better than waiting until spring when all the others who put it off are in the way.

"GREEN ACRES"

ELECTRIC WIRING

I have just received a good supply of a circular published by the Electric Service League of Alberta. The name is "Facts About Electric Wiring for the Home." Everyone who does any amateur electric wiring or tinkering with appliances ought to get a copy of this useful circular.

OATS AS FORAGE

In Alberta we call it "Green feed." It won't add fibre to the soil or enrich the soil or prevent erosion in the same way as grass or alfalfa crops but it will give more pounds of stock feed to the acre. Whether used as pasture, silage or stacked oat green feed it is a very useful crop to grow. When 2 to 5 pounds of sweet clover seed per acre is seeded with the oats the value of the feed is greatly improved.

NEW HOG BARNS

New plans are now on hand for building hog barns. Many new ideas have been tried to find out the cheapest and most useful type of hog barn to build. The construction is easy to follow by any make-it-yourself addict. Plans now available are as follows: No. 351 "Farrowing and Feeder Barn." No. 352, "Open Front Feeder Hog Barn." Old type horse and cattle barns can be adapted as pig feeder barns.

CONGRATS ON WINNING

A Hereford steer exhibited by Manson Barr of Vermilion won reserve championship in the Hereford grade at the Toronto Royal Show. It is really something to get into the top places at Toronto. John Ilchuk raised this calf until a month before the show. Congratulations to both these district farmers on their feeding ability.

FARM FORUMS

Monday night is forum night. If you couldn't be bothered to organize a farm forum in your community you can at least listen in to the programme. It starts at 8.30 M.S.T. December 8th. The subject is "Management Training" and on December 15th is "Equality for Women." I thought women were superior but it is just my idea.

District Home Economist
Wainwright, Alta.

TURKEY NEWS FLASH!

To stuff or not to stuff before freezing! Authorities say definitely NOT to. Home freezers can not freeze stuffed poultry quick enough to prevent harmful growth of bacteria. Food poisoning may result.

Commercially frozen stuffed turkeys are now available but these are frozen under carefully controlled conditions impossible to duplicate in the home kitchen. Cook these turkeys from the frozen state. Follow wrapper directions carefully. All stuffed poultry should not be allowed to stand for more than four hours at room temperature either before or after roasting.

After stuffed poultry has been roasted and served, remove stuffing and refrigerate as soon as possible.

turkey problems.

LEFT-OVER TURKEY? LUCKY YOU!

For Mr. Turkey's second appearance try these grilled sandwiches. Warning! Make plenty, they'll vanish!

Grilled Turkey Salad Sandwich

1 cup chopped cooked turkey
2 tablespoons French dressing
½ cup finely chopped celery
1 tablespoon pickle relish
1 hard cooked egg, chopped
¼ teaspoon salt
¼ cup salad dressing
16 slices bread
Butter or margarine

Place turkey in bowl with the French dressing. Mix lightly and let chill for about an hour. Combine remaining ingredients with turkey. Place ¼ cup turkey salad on slice of bread. Top with another slice of bread. Spread outside of each slice of bread with softened butter or margarine. Grill on both sides in hot skillet. Serve.

KEEPING NUTS FRESH!

Nuts in the shell keep better than shelled nuts and unsalted nuts keep better than salted.

All nuts keep better at a cold temperature than in a warm place. If possible keep your baking nuts in the refrigerator.

Nuts in vacuum-packed containers keep longer than those exposed to air.

Shelled nuts keep well for a year in tight containers in home freezers.

Filberts, almonds and peanuts keep better than pecans and walnuts. It is very important to keep pecans and walnuts in tight containers in a cold place. Exposed to warmth and air they are especially subject to rancidity.

Tight vapor-proof containers protect nuts from absorbing off flavors and moisture (which makes them limp, tough, or even moldy), and keeps them safe from insects.

C. N. Brennan Conducts Rotary Information Meeting Friday

At the last meeting of the Rotary Club, Claude Brennan chaired a discussion on community projects which might be taken on by the club. The idea was to try, if possible, to decide on a major club project which could go on year after year.

Many useful suggestions were made and some of the most promising will be followed up and further information supplied to a later meeting.

President Jim Robson and Ross Boake complimented Claude on presenting the idea and in conducting a very profitable meeting.

Local Red Cross Receives Donation

The local Red Cross Society wishes to acknowledge with sincere thanks the receipt of $19.80 forwarded by Mr. Baden S. Anderson, manager of the local Alberta Government liquor store. Miss Peggy Stephens Wed In Pretty Double-Ring Ceremony

An attractive double-ring ceremony in First United Church solemnized the marriage of Miss Peggy Stephens and Mr. Paul Wacko. The bride is the daughter of Dr. and Mrs. Clive Stephens of Vermilion and Mr. Wacko is the only son of Mr. and Mrs. Peter Wacko of Cape Breton Island, Nova Scotia. He is a graduate of St. Francis Xavier University of Nova Scotia.

The bride's gown was a white peau de soie model of floor length. The front panel was outlined from the bodice to hem with Alencon lace. A headpiece of tissue tulle and seed pearls held in place the bride's chapel length veil of French hand-rolled tulle and she carried a cascade bouquet of red roses and heather tied with white satin ribbons.

Silver baskets of autumn flowers decorated the sanctuary. White satin bows and yellow shasta mums lined the central aisle.

Miss Mavis Howlett and Miss Carole Taylor of the Royal Alexandra School of Nursing attended the bride, in identical gowns of tyrolean blue peau de soie. They carried cascades of white shasta mums with yellow satin ribbons. Their headpieces were matching blue feather [illegible].

Attending the groom were Mr. Roger Stephens, only brother of the bride and Mr. Peter Malowney of Edmonton.

Ushers were Mr. Stewart Cooper, Mr. Bill Robinson and Mr. John Stewart.

Miss Betty MacDonald was soloist, accompanied by Mr. Jack Brown, the church organist.

After the wedding, the young couple were honored at a reception in the church hall. Yellow and white chrysanthemums decorated the tables, completing the same color scheme throughout.

To receive her guests the bride's mother was assisted by her only sister Mrs. St. James.

Following the reception the bride changed to a moss green English mohair suit with rust accessories. She wore a corsage of rust chrysanthemums.

Mr. and Mrs. Wacko will reside in Edmonton.

NEWS from ISLAY

Congratulations to Mr. Bob Van Patten who was 83 years young on Nov. 29th; also to Mr. Albert Anderson who was 85 on the same day.

Sunday afternoon Ralph and Bessie in honor of their father, had some neighbors and old time friends in to tea, and a very nice visit it was. Among the afternoon callers were Mr. and Mrs. Alf Hollington, Mr. and Mrs. Christofferson and Arlene of Kitscoty; Mr. and Mrs. Bill Axley and Billie, Mr. and Mrs. David Martin, Gladys and Muriel Stone, and Mr. Jim Allan. In the evening some more friends called among them being Mr. and Mrs. Bill Purves, Mr. and Mrs. Gordon Purser, Mrs. Sweet and Richard, Mrs. Schaeffer and Grace, Mr. and Mrs. Torrance, Syd Mountford and Jack Young. Everyone enjoyed the sociable visit and wish Mr. Anderson many more good years.

Sunday being Youth Sunday, church service was conducted by the young people. The sermon was given by Miss Margaret Miles of Kitscoty, the children's story sermon was read by Elaine Sweet. The other readers were Linda Redmond, Dorothy Axley, Peggy Hancock and Don Martin. There was a choir of girls. Betty Hannon and Jeanie Axley took up the offering and Mrs. Bill Hancock acted as organist. It was a very impressive service.

The bazaar of United Church W.A. held Saturday was quite a success despite the cold, windy day. The W.A. ladies are very grateful to all patrons, to all who donated articles and those who assisted. There was an exceptional showing of sewing and the home baking table really groaned. Sorry that Bill Hancock and Marilyn could not be present as Marilyn had the mumps -- well, cheer up, the pot luck supper in January is coming, we hope. [illegible] missed were Albert Beck and [illegible].

Mr. and Mrs. Frank Hutchison were in Islay from the city on Friday.

Some of the hunters have returned bringing back moose, deer etc. Members of the party were Art Waterfield, Bill McLean, Jack Knowles and Bob Snelgrove.

If you are in need of a gift to go in a parcel right now see Mrs. McLean, she has bazaar [illegible] ing aprons both large and small, mitts, novelties, towels, pillow cases etc. She will be glad to see you and help in your selection of a gift.

Railway crews from other points are working here with the Islay crew laying steel tie plates, all for making a smoother rail bed. Jim Horricks and Marvin Gould are extras on the Islay crew.

Square dances are held here regularly every two weeks. Mrs. Schaffer has been engaged to make the lunch on dance nights.

Omar Easton visited his niece Patsy at Chipman last week. Omar still drives about visiting his friends and stopping in to see folks at the hospital.

White Gift Sunday in the Sunday school will be observed on Dec. 14th. This gives the children time to get gifts ready for needy children.

Mrs. Ed McFadyen has the two children of her brother Lorne Axley and Mrs. Axley, as Flossie is in hospital in Edmonton.

Visitors in Edmonton to watch the Grey Cup game on TV were Mr. Moncrieff and Pat. Donnie Schaeffer who spent the week end with the Hon. Anders and Mrs. Aalborg; Mr. and Mrs. Tesky, Jack and Marion, Jim Shaw, Mrs. Bell and Sandra.

Mr. and Mrs. Bill Axley, Jeannie and Billie, and Mr. and Mrs. Gordon Good, Beverley and Terry were supper guests at the home of Mr. and Mrs. Sloan at Mannville on Sunday.

Last call for those rugs Mrs. Axley says. She would like them all in by the 14th so she can ship them immediately. It is getting too close to the Christmas rush to ship any later.

—S—

Breakfast Party Held At Mannville

MANNVILLE. — In the Anglican parish hall the female members of the A.Y.P.A. assisted by leader Nancy Crafford were the cooks as a hearty breakfast of bacon and eggs was enjoyed 'ere morning service which all attended. Reports have it that some of the members were really hungry. This group recently gave assistance in collecting for the British and Foreign Bible Society. Their regular meeting was held on Friday night of last week.

NEW TOM-BOY SUPER MARKET TO OPEN FRIDAY, DECEMBER 5

Hareuther's new Tom-Boy Super Market will open the doors of a brand new food store to the public here on Friday, December 5th at 10 a.m. with speeches, ribbon cutting, prizes and fan fare.

The opening of the commodious new shopping centre is well worthy of such an auspicious opening bringing as it does to Vermilion the first of the super food markets gaining such prominence in larger centres all through Canada and the U. S.

A few statistics of the new building will prove interesting. The overall size is 42 feet frontage and 120 feet long. In addition there is a paved parking lot measuring 46 feet by 120 feet the first of its kind in Vermilion, a feature found in few places outside of the cities.

Once inside the store the custimer will be delighted with the general convenience, the roominess, the refrigerated counters, the two check out counters, and the most modern features known to food store planners up to the present day. Refrigerated counters alone total more than 100 lineal feet for meat, frozen foods, dairy products and vegetables, while there is nearly a half mile of shelving.

Proprietors of the ultra modern food market will be Mrs. P. Hareuther, her three sons, Paul, Albert and Lawrence, and daughters Lillian and Elsie. It will be recalled that the record of the family has been one of progression ever since coming to Vermilion. They opened their first store on Jan. 2nd, 1949 bringing the first frozen food locker service to the town, as well as an excellent meat market. This building was enlarged to meet the growing demands of the trade.

Only in May last year to meet the trend of the times, a modern food service was added to the business when it became associated with the Red and White chain. Now, in less than a year and a half, the move is being made to the new large super market.

Such a market as the Hareuther Tom-Boy will result in attracting trade from greater areas than ever before, and is truly a great asset to Vermilion.

General contractors for the cement block building were R. G. Myers Construction Ltd., of Lloydminster. In charge of electrical installations was Bob's Electric, Lloydminster. W. C. Martin of Vermilion installed the plumbing and heating, with Ernest Mayowski also of Vermilion doing all the painting, interior and exterior. Bruce Robinson Electric of Edmonton planned the store layout and supplied the installations.

WOODVALE NOTES

Several local farmers have left on hunting trips. Cliff Crocker and Roger Watt went to the Rocky Mountain House area; Bill McGrath and Frankie Wolters going from south of Edmonton to Alderflats and on to Edson. At time of writing we have not heard if they were successful in bagging any game.

For the past month regular card parties have been [redacted] every Friday at Woodvale hall and will continue until roads get too heavy for easy travel. Six tables are filled nearly every time and the prizes are mostly useful grocery items that can be enjoyed by the bachelor winners too. There is enough room for the children to play and enjoy themselves without bothering the card players.

On Nov. 28th friends and neighbors gathered at the Tolland hall to bid goodbye to Mrs. Mabel Webber and Mr. Ethridge Webber who will move this week to their new home in Vermilion. Unfortunately, the flu, that is making its rounds in the district, caught up with Ethridge and he missed the very enjoyable evening that was spent in playing cards while the children enjoyed bingo and a hilarious game of animal noises. By 10 o'clock the games were ended and everyone gathered around Mrs. Webber when Fred Slocum made the presentation on behalf of all their friends, of an easy chair, trilite reading lamp, side table and a few chrome chairs for their new home and he expressed the regrets of everyone that Mr. Webber could not be present. Mrs. Webber very nicely and convincingly thanked all for the gifts and was persuaded to spend the rest of the evening in the easy chair. A very delicious and abundant lunch was then served and when leaving everyone expressed the hope to see them quite often back in Tolland where they have lived for half a century and promised to call and see them in Vermilion.

Mr. and Mrs. J. M. Smit of Banff spent a week at the home of the writer en route to spend a winter holiday in Holland. With them are their two children Henny and Venny.

A lone robin is prolonging his stay in our garden, feeding himself without enthusiasm on dry berries and looking very cold and forlorn. He ignores all the tid bits we have hung on the trees, apparently not caring to compete with the chickadees and jays.

—S—

Death of Mrs. Christine Courtorielle

Mrs. Christine Courtorielle passed away at her residency in Vermilion on Nov. 28th at the age of 86 years.

Funeral services were held on Monday, Dec. 1st at 10:00 a.m. in the Roman Catholic church at Lac Ste. Anne, Alberta, and interment followed in the Lac Ste. Anne cemetery.

She is survived by one son Allan of Drumheller, and six daughters, Mrs. M. Louis of Calgary, Mrs. M. Radyk of Vermilion, Mrs. C. Delainey of Fort MacMurray, Mrs. L. Dennill of Lac Ste. Anne and Mrs. E. Lilloula of Lac Ste. Anne.

There are forty grandchildren and 26 great grandchildren.

Safe-Driving Week, Dec. 1 to 7, is to remind you to walk with care and drive with care. 20-1

OH, HELLO JULIE! COME ON IN!
WHAT'S THE THREE HOLES FOR?
I GOT THREE CATS! THOSE HOLES ARE FOR THEM TO GO OUTSIDE!
STRIKES ME ONE HOLE WOULD BE ENOUGH!
NOT FOR ME!
WHEN I SAY "SCAT," I MEAN IT!

G. A. To Assist At Mannville Tea

Members of the G.A. decided unanimously to assist the senior W.A. groups at their December bazaar and tea. They will also be responsible for decorating the church hall. Work is continuing on the study book and ideas arising from same will be carried out in the near future. Pantomime and jiving concluded this meeting of Tuesday, Nov. 25th at the leader's home.

Keep on the right side of some people or you'll get left.

NEWS from ALLANDALE

Weather — more snow, 10 below has been the lowest recorded. November was certainly a wonderful month.

On Nov. 16th church service in the United church at Clandonald was conducted by Mr. E. Schurman. It was good to see Mr. Maddox who brought Mr. Schurman to Clandonald. A duet by Mrs. Laird and Mr. De Jong "Sweet Hour of Prayer" was much enjoyed. Rev. MacKay will be at Clandonald on Nov. 30th at 3 p.m.

The [redacted] of Nov. 17th Mrs. [redacted] Nora Ronaghan and Mrs. Stella Mayers motored to New Serepta to visit brother Rufus and Ruth Ommess and relatives at Wainwright.

Mr. and Mrs. Herb McPhee have been taking [redacted] lessons in Clandonald every Monday with Walter Parker as instructor. They will be joining the Clandonald Promenaders. Brothers Bent and Ib Hansen have finished their lessons at Bowtell with Johnny Maxwell as their instructor.

The government electrical inspector has been in the district inspecting the wiring of farm homes and buildings. It's most satisfying to have this done before the winter sets in.

The first card party of the season was held at the Centre on Nov. 21st with prizes going to: Ladies 1st, Allen Good (playing as a lady); 2nd, Mrs. Jessie Strome; consolation, Mrs. Mary Wilson. Men's 1st, Joe Parchewsky; 2, Herb McPhee, consolation Mr. David.

Well known to the Nelsons, Mr. Wm. Oakes of Athabasca, passed away around the middle of last month. His sister Mrs. Evelena Wilson of Edmonton, attended the funeral.

Thomas Martin was admitted to Islay hospital on Nov. 24th, suffering from after effects of an attack of flu. Speedy recovery [redacted]

Mrs. Stella Mayers left Vermilion on Nov. 28 for Mayerthorpe to attend Ronald Bellingham's wedding on the 29th. Congratulations Doreen and Ronnie.

Mrs. Nora Ronaghan plans on returning to the Islay hospital and will be on the nursing staff the first of December.

On Nov. 23rd Mr. and Mrs. Mr. and Mrs. Ronald Porayko and family Adele and Kenneth from Royal Park were visitors on Nov. 23rd at the home of Mrs. Porayko's parents, the Wm. Armstrong home.

Mrs. Idelore Nelson spent a few days at Lloydminster visiting daughter Helen and Frank, the Schmidt family and daughter Anna.

A card party sponsored by the Princess Anne W.I. was held at the Geo. Mead home for the Allandale folk on Nov. 28th. Prizes were won by: Ladies' 1st, Ralph Strome (playing as a lady) a lovely box of chocolates; 2, Mrs. Elsie Dutchak; Mrs. Nessie McKinnon. Men — Herman Feenstra, Idelore Nelson, Mr. Feenstra.

We were pleased to meet Steve Gordey's brother Peter and Mr. and Mrs. Peter Dutchak and brother Nick at the party. A nice lunch and social time were enjoyed. Thanks to our host and hostess.

Time to feed our little feathered friends for the winter folks. We often wonder [redacted] the lively, happy little things get their food. Bread crumbs, suet, and oatmeal will make up their main food supply.

What lovely flowers you'll have for Christmas and the long winter days, Pleasant Valley scribe. It is nice to share your happiness with others.

On Nov. 30th Mr. and Mrs. Louis Baldock of Camrose spent the day in town with relatives and in the Allandale district visiting friends. They are now comfortably settled and enjoying the work.

Oh the snow, the beautiful snow
Whirling about in maddening fun.
Chasing, laughing, hurrying by,
It lights on the face and it sparkles the eye
And the dogs with a bark and [redacted]
Snap at the crystals as they eddy around.
The town is alive and its heart is ag[redacted]
To welcome the coming of beautiful snow

A man never gets so rich that he can afford to lose a friend.

McLAUGHLIN'S SELF-SERVE

WILDMERE WINKS

We would like to heartily thank the lady who gave the writer Linda Smith's purse that she had found. We do not know the lady's name, but can assure her Linda was very grateful for her kindness.

A large and happy crowd attended the Gay 90's dance last Thursday evening and a good time was had by all. Hanna orchestra furnished the music. Jim Miller of Islay was M. C. At the supper hour Mr and Mrs. Wes Funnell entertained the crowd with a couple of songs which they always do so well.

There was a nice attendance at the Basswood dance on Friday where Jeff and Fred Martin furnished the music. Charlie Sweeney was M.C. Noel Garnett held the lucky ticket on the pig donated by Mr and Mrs. Frank Gibson to raise funds to enlarge the hall. Many thanks to Mr and Mrs. Gibson for their kindness.

Several attended the popular Foresters' bingo Saturday evening and many won useful prizes.

Mrs. Jeff Martin of Triangle district was a patient in the hospital for a few days. She visited for two days after coming out with her sister-in-law Mrs. Fred Martin of Vermilion. She has now returned home.

Yes, Pleasant Valley, it certainly would be nice to have a scribes' get-together once again. Maybe after New Year's?

Mr. and Mrs. Ken Shepherd spent the week end at Edson. Ken wanted another go at the big game. His dad accompanied him this time. Another load of hunters comprised of Dick Donlly, Jim Clark of Triangle, Howard Coburn, 'Red' Arthur Gordon Green of Auburndale and John Tattersal Jr. of Kitscoty also went westward to try their luck.

Mrs. A. Holte was a patient in Vermilion hospital for a couple of days last week having teeth extracted. She is now home and [redacted]

Ice is in the making at the Wildmere curling rink. At a meeting held Thursday evening last week George Harrison turned in his resignation as president. His resignation was accepted with regret as George was a good man in that position, was always on the job and spent many hours at the rink. Forest Seale is the new president. Wm. Veitch is secretary, both of the Battleview district. Baillie Holte had been secretary but wished to retire. We wish the new officers the very best of luck.

Mr. and Mrs. B. Rogan and Hubert of Auburndale and Mr. and Mrs. Albert Smith of Basswood were visitors at the home of Mr. and Mrs. Wm. Smith on Sunday. You are always made very welcome when you visit Bill and Lil.

Warren Marfleet and Gary Cruthers called at the Wallington home on Sunday. Mr. C. Neis and Laurence Graham were callers at the same home Saturday.

The writer had pleasant chats on Saturday with Mrs. Sherwood, Mr. and Mrs. George Seuffert, Mrs. Fred West and daughter Jean, Miss Knapp and Mrs. A. Mead, Mrs. Hareuther Sr., Mrs. Elder and Mr. Corley. Have you got the watch wound yet Mrs. Elder.?

In a letter received by Cliff Cruthers from his wife who went with her brother to Vancouver she says that they arrived last Wednesday. Roads in Alberta were icy, this condition disappearing as they went further south into the States. Mrs. Cruthers says her mother Mrs. Smith is quite well and pleased to see them.

Congratulations to Mr. and Mrs. Wacko (nee Peggy Stephens) for a long and happily married life.

Mannville and District Local News

Sympathy of Mannville and district is extended to Mrs. J. Chambers on the death of her father in Saskatchewan recently. Her mother, Mrs. Northrup, is at present with Mr. and Mrs. Chambers.

-- -- --

Harold Hawley was a recent visitor to the parental home last week of Mr. and Mrs. J. Hawley.

A number of Mannville residents attended the football game (via T. V.) at Edmonton on Saturday.

-- -- --

Reports from Edmonton indicate that Miss K. Sutton is well on the road to recovery and is anxious to return home.

-- -- --

Mrs. W. Sargent has returned to her home to convalesce after her recent operation, and feels as well as can be expected.

Rodney Swain and Raymond Konieczy have left for Faust where they will be employed in a lumber camp for the winter months.

-- -- --

Charles Hayter of Vegreville was a Sunday visitor at [redacted] of Mr. and Mrs. Jack Hawley.

-- -- --

Lena and George Ackerman have left for an extended visit to California and other states.

-- -- --

Lynne Nicholson is once more engaged as a waitress at the hotel coffee shop.

-- -- --

Mrs. Beatrice Wilson was seen chatting with friends on main street Monday evening, being home for a visit with her mother.

Friends of Patsy (Jones) and Rod Eldem will be happy to hear of an addition to their family on the birth of a daughter. Mrs. Jones left Monday for Edmonton.

-- -- --

A few of the Mannville hunting enthusiasts were big game hunting last week. As yet, the writer has not been informed as to their luck.

-- -- --

LOCAL NEWS

Mrs. George St. James, who was here for the wedding of her niece, Miss Peggy Stephens, returned to her home in Hamilton, Ontario on Monday. The trip was made by TCA.

Miss Deanna Logan of Edmonton spent the week end with Mr and Mrs. T. L. Conboy, also visiting former friends and attending the wedding of Peggy Stephens on Saturday afternoon.

—S—

Mr Frank Crawford of Edmonton, and a former resident of the Vaneeti district, was a visitor at the home of his aunt Mrs. H. Elliott and other relatives in Vermilion Sunday and Monday

—S—

Miss Lillian Harcuther was among the 35,000 football fans in attendance at the Grey Cup game in Vancouver last Saturday.

—S—

Another Vermilion citizen to see the Grey Cup between the east and west at Vancouver on Saturday last was Vic Tillett. Vic claims it is a spectacle well [illegible].

—S—

BORN — To Dr. and Mrs. R. N Eldem (nee Pat Jones) at the University hospital Edmonton, on November 29th, a daughter.

—S—

Harold Connelly left last week for Buckingham, Que., near Hull, where he will spend three weeks visiting his son and daughter-in-law Mr. and Mrs. Ivan Connelly. The trip was made by Canadian [illegible].

Mr and Mrs Irvin Gordon were in Edmonton over the week end helping daughter Mrs. Cunningham and Mr Cunningham move to a new home in Jasper Place.

[illegible]

I wish to sincerely thank Dr Evans and the nursing staff of the Vermilion Municipal hospital for the excellent care and attention received during my recent illness.

Mrs. H. Van den Dolder.

CARD OF THANKS

St. Saviour's Sr W.A. wish to sincerely thank those who helped in any way with their recent tea and bazaar. It was all very much appreciated.

—S—

IN MEMORIAM

In loving memory of
Clara Elizabeth Cameron
—who passed away Nov. 30, 1956.
"In our hearts your memory lingers,
Sweetly tender, fond and true.
There is not a day, dear mother,
That we do not think of you."
—Ever remembered by dad and the family.

Mr. and Mrs. W. H. Little returned from five days spent at Nassau in the Bahamas where they attended the Nassau World Premiere and annual J.I. Case Dealers' conference. The trip was made by air both ways, and an excellent time was enjoyed.

—S—

Marwayne C.G.I.T. Re-Organized

MARWAYNE. — Marwayne C.G.I.T. was reorganized under one group known as the Marwayne Sunshine C.G.I.T. with 22 members. Officers for the year are:

Pres. — Betty Ann Murray
Vice-Pres. — Carolyn Rosin
Secretary — Sheila Robbie
Treasurer — Deanna Adamson
Press — Gail Gardiner.

Leaders are Mrs. Gardiner and Mrs. Johnson while assistants are Mrs. Kvill and Mrs. Gray.

A masquerade Hallowe'en party was enjoyed on Oct. 30 with the Dewberry C.G.I.T. as guests. Five new girls, Deanna Adamson, Gail Gardiner, Betty Anne Hathaway, Julie Lowrie and Audrey Parker were initiated into the organization on Nov. 13th. A few stunts were enjoyed after the ceremony.

Practising [illegible] ahead for the "Upper Service" to be held around Dec. 15th.

C.G.I.T. [illegible] groups of two are visiting the shut-ins and the lonely as one of the projects of the [illegible] in community service.

Betty Ann Murray was the member at Camp Council in July at Sylvan Lake and gave us a very interesting report on it. She also gave a report on the C.G.I.T. conference at Olds which she attended on Oct. 10 to 12.

SET GOOD EXAMPLE

Children are a great deal more apt to follow your lead than the way you point.

Dozen Death-Dealing Ways Of Causing Traffic Accidents Listed

The dozen death-dealing ways of causing traffic accidents, as drawn up by experts from research into traffic-accident experience, are, in order of importance:

1. Speed too fast for conditions.
2. Unsafe backing.
3. Assuming right-of-way.
4. Cutting in.
5. Failure to signal.
6. Unsafe passing.
7. Inattention.
8. Intoxication.
9. Following too close.
10. Driving on the wrong side of the road.
11. Improper parking.
12. Miscellaneous.

20-1

Marwayne Home & School Enjoy Travelogue On Africa

MARWAYNE. — The regular meeting of Marwayne Home and School was held on Wednesday, Nov. 12th with a good attendance. Owing to illness of Mrs. Doll, Mrs. Gray acted as secretary. Mrs. Gray was asked to act for another month.

Miss Scarfe's room won the book for September and Mrs. Spence's room won for October.

The O.O.R.P. offered to sponsor the Boy Scouts and after due consideration it was decided to accept their offer and turn the sponsorship over to them.

After a request from the FUA, the meeting was in favor of backing the FUA in a petition to get a policeman stationed in town.

A Home and School conference will be held in Viking on Nov. 29th starting at 9:00 o'clock.

Mr. Kruger, vice-principal of Dewberry school, was present and showed pictures and told of his trip across Africa during his six years of teaching in Ethiopia. Mrs. Kruger operated the projector. These beautiful pictures and the narration were enjoyed by all.

Next meeting of the H. & S. will be held Wednesday, Dec. 10.

Conservatives To Nominate

Conservatives will select a candidate for Alexandra at a convention to be held in Kitscoty at the Legion hall on Wednesday, Dec. 10th at 8 p.m. Several have been mentioned as possible candidates including farmers and professional men. 20-1

Turkey Bingo By Tigers Dec. 12th

The annual turkey bingo sponsored by the Tigers Hockey club will be held Friday evening, Dec. 12th in the Elks hall. Prizes are choice turkeys, every one a delicious Christmas dinner. Watch for further announcement re this popular evening of bingo. 19-22

NEWS from KITSCOTY

Mrs. R. M. Mathewson spent the week end in Edmonton visiting with Mr. Mathewson and other relatives.

Mrs. William Swyripa and Mrs. Bill Chew were Edmonton visitors one day last week

Mr. T. B. MacKay and Mr. John MacKay motored to Edmonton last Saturday to visit relatives and see the Grey Cup game on T. V.

A warm welcome is extended to Mr. and Mrs. Harry Anderson and family who have taken up residence here.

Afternoon and evening W. A groups of St. John's Anglican church will hold a tea, bazaar and sale of home baking in the Tracy Memorial Hall on Friday, December 5 from 2 to 5:30 p.m.

Gerald Parkin and party have returned home from a successful big game hunting trip bagging three deer. Congratulations, boys!

Mr. and Mrs. Henry Joy and Mr. and Mrs. Ted Joy spent Sunday visiting with the Pinder family at Lashburn.

CHRISTMAS PROGRAM

A Christmas program "The Message of the Bells" will be presented at the Alliance Chapel, Vermilion, on Friday, Dec. 19th at 7:30 p.m. Everyone is invited to attend. 19-22

Big Reduction In Alberta Oil And Gas Royalties

Alberta is feeling the pinch of cutbacks in oil sales to U. S. refineries. The government's interim financial statement for the first six months of the fiscal year shows oil and gas royalties down $7,088,129 and earnings from lease and reservation sales down $6,889,505. Result a deficit on operations of $4,773,655. Said Provincial Auditor Keith Huckvale "Until the oil situation improves, we're going to feel the pinch."

Clandonald People Mourn Death Of Esteemed Citizen, Arthur Rowntree

Arthur Rowntree passed away at the University hospital in Edmonton on Thursday, Nov. 20, following an illness of several weeks.

The late Mr Rowntree was born in Durham City, England, in the year 1894. Immediately following the outbreak of the first world war he joined the R.A.M.C. attached to the 4th Queen's Own Hussars. He experienced some of the heaviest fighting of the war, including the retreat from Mons, but escaped with no injuries during the entire four years.

Heeding the call for settlers in 1929 Mr and Mrs. Rowntree and their four small children came to the Clandonald district in April of that year. He was located on a farm not far from town which is the present family home.

In the fall of 1940 again feeling it his duty to serve his country, he joined the R.C.A.M.C. serving most of the time until the end of hostilities at Currie Barracks hospital in Calgary.

Returning to the farm he suffered a heart attack in the early spring of 1951 from which he never fully recovered. In June of this year Mr and Mrs. Rowntre left on a four months visit to England at their old home. Taken ill in September he was able to undertake the trip home but entered hospital on arrival in Edmonton early in October.

He is survived by his sorrowing widow Mrs. Ethel Rowntree and five children, two sons, Jack in Vancouver and Arthur at home; three daughters, Kathleen (Mrs. George Bowman) in Calgary, Mary (Mrs. Don Dixon) in Ottawa; Margaret, (Mrs. Ray Phillips) in Edmonton. There are twelve grandchildren.

During the period of almost thirty years that Mr. Rowntree spent in this district he earned the friendship and respect of all those with whom he came into contact. Of a genial na[illegible] devoutly religious, it can be safely said of him that he was never known to utter an unkind word or commit any uncharitable act.

High Requiem mass was said at St. Columbus church in Clandonald on Saturday, Nov. 22nd conducted by Rev. Father Nearing. Service at the parish cemetery was conducted by Rev. Father Hensel.

Pallbearers, all old friends of the deceased, were Arthur Lawrence, Michael Maguire, Norman Sutherland, Stanley Dyjur, Geo. Convey and Edward Stockwell.

SQUARE NOTES From Circle 8

Our last square dance, held on November 25, was in the Legion hall with Walter Parker at the 'mike.'

Our next dance will be on December 9 with Art Zeigler calling. This will be the last dance before Christmas as it was felt that our next dance would fall at a very busy time and it would be better to omit a dance on December 23rd. The lunch convener, Sammy Risdale, has planned a special lunch but is asking no contributions from club members.

Again this year by popular request we will be holding the New Year's Eve square dance and turkey supper at midnight at Bowtell. Tickets for this dance will be on sale at our December 9 dance and must be bought early as there is so much planning involved in this special evening.

Remembrance Day Services Marked At Marwayne

MARWAYNE. — Remembrance Day was marked by a parade from the Legion hall, headed by the Queen's Colour and the Legion Standard, followed by members of Branch No. 116 and other veterans; also the Scouts and Cubs with their banner, to the Community hall, where a large congregation listened to and took part in the service conducted by Rev. Mr. Morris, pastor of the Alliance Tabernacle, who most feelingly paid tribute to those whose memory and sacrifice we remember. Comrade President Whitfield read out the names of the fifteen loved ones from the Marwayne district who paid the supreme sacrifice in World Wars 1 and 2 in France, Vimy Ridge, Flanders, Sicily, England, Holland and Belgium. Not a sound was heard during the two minutes' silence, after which the Last Post and Reveille were sounded by Mr Protsch.

Due to the weather being so cold and snow on the ground, the small cenotaph from the Legion hall was set up in front of the platform inside the Community hall where wreaths were laid by the representatives of the Branch and Auxiliary, the Silver Cross mothers, the Elks and the Royal Purple, the Scouts, Cubs and Farm Women. The speakers' table was draped with green tapestry on which was a large black laurel wreath, centred with a cross of poppies. Below this, from the platform to the floor were draped the blue and gold Legion colors, on which was displayed one of the veterans' grave-markers which are to be placed by Branch No. 116 in the local cemetery. These 20-inch high crosses are made of aluminum, in the centre is a maple leaf on which is a blood red poppy of remembrance. Below the base of the cross is a spiked shaft to drive into the ground, thereby providing a permanent non-fading memorial of a veteran's service in wartime for his fellow-men. These silent tributes of remembrance emphasized the meaning of this special service, the two minutes' silence once a year in which the public are asked to remember those who threw the torch that we may carry it high and not forget that they died that we might live.

The special speaker was Rev Mr Sibley who is conducting a mission in this area, himself a veteran of the U.S. navy. His theme was the attitude of so many, including politicians and others in control who tend to give in and compromise rather than stand firm in the faith and trust in God Almighty, whose guidance and power alone will bring peace to the world, and overcome the tyranny of war and wickedness. Quoting the famous statement of Sir Winston Churchill, the speaker threw out the challenge to all his hearers to never surrender but to fight for the right in the strength of God. His tribute to the fallen, to those of the U.S. and Canada who fought side by side, very fittingly concluded this somewhat lengthy, though very thought-provoking discourse, and it will be remembered for a long time.

The glorious hymn "O Valiant Hearts" was feelingly sung, with Rev Mr Morris reciting the fourth verse which emphasized the greatest sacrifice ever made.

Mrs. Duncan Addison was accompanist.

The service concluded when the colors were again followed by the parade to the Legion hall.

At 6:30 p.m. the F. W. U. A. served a bounteous turkey banquet in the Elks hall. Many complimentary remarks were heard concerning the beautiful and appropriate table decorations made of colored sponge rubber base in which were placed a small silk Canadian flag, flanked by two large poppies. On the head table were larger centrepieces with triple candlesticks each side and a poppy wreath suspended in front of the table.

President Whitfield, the toastmaster proposed the toast to Her Majesty the Queen. That to the Village was acknowledged by His Worship Mayor Spence, who, in a short speech, both serious and humorous, drew attention to the many privileges and freedoms we enjoyed in Marwayne. These he said, would not have been ours but for the sacrifice and suffering of those whom we remembered on this 11th day of November.

Replying on behalf of the Civic Affairs Society Mr Jack Reinheimer very happily recounted several humorous incidents that further added to the enjoyment of the evening as well as emphasizing the serious thought that must be given in our attitude towards the present-day trend of facing facts rightly or wrongly.

Regret was expressed at the absence through illness, of Slim and Mrs Anderson, the president of the Ladies' Auxiliary but Mrs. Dudlyke replied to the toast to the Auxiliary, giving an invitation to all wives, mothers, grandmothers, sisters and older daughters of all veterans to join the Auxiliary and thereby help to carry on the work for veterans and their dependents. Mrs Dudlyke also passed on what had been learned at the recent Auxiliary rally at Vermilion, there were 116 auxiliaries in Alberta with 7000 members and that there were two kinds of willing workers — those always ready to do what was needed, and those who are always ready to suggest what to do and how to do it, and then sit back, willing to let the other [illegible].

The toast to the Farm Women for the excellent repast was heartily replied to by all those present.

Quite an entertainment was arranged by MC Cliff [illegible] at the piano, Mrs. Audrey MacDonald gave selections also, accompanied by Mrs. Roddy MacPhee of Vermilion, and Miss Gerry Kolada, Clandonald, with her piano accordion. All three led in community singing. All this in addition to Pipers MacPhee and MacMillan, with the drummer who showed how it was done, to the great enjoyment of all present.

After the tables and floor were cleared again the pipers and the drummer escorted a nice crowd [illegible] the wee, sma' hours.

Remembrance Day, 1958, has come and gone. It is hoped that all those still interested in the erection of the Marwayne cenotaph and garden of remembrance will soon renew their endeavors to complete the project. Don't leave it to the willing workers, this is a community effort and you are invited to help.

DOWTELL BULLETIN

Congratulations to Mr. and Mrs. J. Repp on the birth of a baby girl on November 19 in the Vermilion hospital.

Randy Freestone was noticed at the Robinson home helping to build a pump house.

All good wishes go with Mr. and Mrs. Caro, who are going to Edmonton to live.

Thanks are extended to the Seddon family for their very kind donation of an organ to the Pleasant Valley church.

Congratulations to Mr. and Mrs. M. Warawa on the birth of a baby girl in the Vermilion hospital recently.

Mr. and Mrs. D. Harrison were visitors Thursday afternoon at the Sherwood home.

Prizes went to the following at the card party Friday evening at the Harrison home: Ladies — Mary Williams, Beverly Sherwood, consolation — Margaret Robinson. Gents — Gerald Millar, Min Williams (playing as a gent), consolation — Don Harrison. Please note that the next card party won't be held until after Christmas.

Today, November 29, is a real winter day — very cold and windy.

Bryan Robinson celebrated his fifth birthday on November 26.

Wedding anniversaries are also in the news. Mr. and Mrs. D. Harrison celebrated their 20th on November 30; Mr and Mrs. Sherwood their 28th on December 1st; Mr. and Mrs. Williams their 13th on December 4; Mr. and Mrs Scott on November 30 (sorry, we don't know the number of years.)

Don't forget folks, next service at the Pleasant Valley church will be the Christmas one. Please watch for the date in the Standard.

We are sorry to learn Mr. Dixon is a patient in the hospital. Garry McGaughey was also in the hospital for a few days recently.

The writer enjoyed a chat on Saturday with Mrs. Wallington.

Mr. and Mrs E. Williams were visitors to Edmonton recently.

Frances Sherwood visited over the week end with her aunt and family, Mr. and Mrs. Coutts of town.

The writer and hubby would like to sincerely thank those who put on the surprise party for them on the occasion of their 28th wedding anniversary. We enjoyed it very much folks, come again.

George Lind was noticed driving a new truck.

Bazaar A Success

MANNVILLE. — Many indeed were the aprons on display at the bazaar and tea sponsored by the W.A. of the United Church Saturday afternoon last. Various other articles of sewing were displayed and sold. Noted particularly to gladden the hearts of the extremely young were kindergarten aprons with crayons set in wee slots and another space for a box of crayons. The C.G.I.T. girls were busy also selling candy and cards for Christmas. A delicious tea was served after patrons had examined articles of sewing and the goodies at the bake table. The affair, held annually, was reported to be a grand success.

Health Unit Notes

ACCIDENTS IN THE HOME

More adults and children have accidents at home than elsewhere. In the age group 1 to 14 years, 40% of fatal accidents happen in the home. An average of 1 person dies every thirty minutes as a result of a home accident. In addition many are permanently or temporarily disabled.

Every child is curious, this is normal and it is wrong to discourage this inquisitiveness. The correct thing to do is to direct the child's curiosity into safe channels.

KITCHEN SAFETY

See that matches, knives and poisons such as cleaning fluids are away from a child's reach. Watch pots and pans on the stove and turn the handles to the back to prevent serious scalding by the child overturning them on himself. Carefully watch electrical appliances and do not use frayed cord. Unplug all electrical appliances at the outlet when you've finished.

BATHROOM SAFETY

Leave medicines out of reach of your child and discard unwanted medicines and used razor blades. Never leave a child alone in the bathtub, a child can drown in the time it takes to answer the doorbell or telephone.

ROOM SAFETY

Good lighting in your home prevents falls and this is of the greatest importance on stairs and hallways. NEVER leave children alone in a house, this carelessness often causes tragedy. Unscreened fireplaces are a constant source of severe burns.

Loose scatter rugs which cause many falls should be fastened down or equipped with non-skid attachments.

STAIRWAYS

Keep stairways well lighted always. Keep them free of articles such as toys over which people might fall. Loose stair coverings or stair treads account for many injuries.

PREVENTION OF HOME ACCIDENTS

1. Set a good example, and by teaching and showing your children safety in their home, you will be well rewarded.

2. Give your child an opportunity to do things in a safe way. If you let him light your cigarette occasionally he will be less inclined to sneak off himself to play with matches.

3. Not chance but carelessness is the reason so many youngsters die by accident in their own homes.

4. List the following telephone numbers: your doctor, hospital, taxi, fire department and police department and keep the list by the telephone.

5. Prepare a first aid kit containing at least the following: absorbent cotton, soap to be used with water for cleansing wounds, sterile gauze pads, bandages in one and two-inch widths, adhesive in one-inch widths, antiseptic solution, scissors and bandaids for minor cuts.

AND ON EVEN THE COLDEST NIGHT...

Thousands of Imperial people work night and day to bring you the low-priced oil products you have come to depend on

Across this country, nearly 14,000 Imperial people are at work to supply your needs . . . in exploration parties, at research laboratories, in refineries, on the road.

In the oil fields, and in areas which might produce oil, they are seeking to enlarge Canada's oil reserves . . . so that this country will not go without oil, now or in the future.

In research . . . (Imperial has more extensive facilities than the rest of the industry put together) . . . and at nine refineries, working 'round the clock . . . they seek to develop the products which will keep you warmer, move you more conveniently . . . and more cheaply.

For in all their activities, Imperial people are constantly aware of the necessity of bringing you the products you need . . . at the low prices you have come to expect.

What kind of Life Insurance should you buy?

Today there are a wide variety of policies to meet modern needs. The best kind for you depends on many things — your objectives, your family's requirements, the amount of money you are able to save.

You can be sure of friendly and competent advice when you sit down and talk things over with a Manufacturers Life representative. He'll put first things first—help you establish your objectives for your family's immediate protection, for your children's education, for your own retirement. He'll help you decide which needs should be looked after now, and recommend the policy that's most suitable. Then he'll give you a plan for the future that will take the "hit and miss" out of life insurance buying. Why not talk to him today? You'll like the way he does business.

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

FARM AND CITY

Sir: — In the November 22 issue of the Edmonton Journal there was a letter from a "Disgusted Housewife" entitled "Farm Prices."

In the interests of better relations between city and farm people I request the opportunity to reply through your column.

It is true that the Farmers' Union, in order to make possible a better standard of living for farm people, has asked for, and received, floor prices on various items. Had these floor prices not been brought into effect, very large numbers of farmers would have ceased to produce these items. Scarcity, with its attendant high prices, would have resulted in the consumer paying a great deal more than he does today.

Prairie grain producers have experienced during the past five years a depression rivalling that of the thirties. Their living costs have increased yearly while grain prices have decreased.

It is in recognition of this fact that the dominion government, this year, granted a dollar-an-acre (up to 20 acres) bonus to the producers in an attempt to ease the growing crisis.

Added to the serious price situation, the prairie grain producers have a commodity that is in surplus supply. A great deal of this grain must be stored on farms for long periods of time at the farmers' expense.

It was a major victory for the farm unions when they were granted the privilege of taking cash advances on a portion of home-stored grain (up to $1,500 per farm unit.)

This money is not borrowed, as "Disgusted Housewife" implies. It is an advance payment for produce essential to the welfare of the nation and of the world, for which there is no adequate central storage available.

The farmers who are squeezed off the land flock to the cities, where they aggravate an already serious [illegible] situation.

This tendency is to the detriment of both the farm and the labor groups and is of grave concern to the nation.

I do hope that "Disgusted Housewife" and others reading this letter will give this matter their serious consideration.

Ralph A. Wilson,
Director of District 7,
Farmers' Union of Alberta
Vermilion.

Junior Auxiliary Group Meets

MANNVILLE. — It was decided at the Thursday, Nov. 27th meeting of the J.A. group, to gather on Friday, Dec. 5th prior to the Saturday tea and bazaar by the senior groups, and wrap articles for the fish pond. It was also agreed to ask all church members to donate articles to value of ten cents. Roll call was answered by naming animals which entered the famous Noah's Ark. An interesting pantomime was acted out by the girls, and [illegible] giving completed a happy meeting.

Navy Man Is Home on Leave

MANNVILLE. — Allan Swain is enjoying a leave from the navy where he has completed his basic training at [illegible] and will return to Halifax to HMCS Stadacona where he will have further training. An early Xmas dinner was enjoyed by all members of his family at the home of his parents, Mr. and Mrs. C. Swain, when turkey with all the trimmings was served and to which full justice was done.

News from Tulliby Lake

The Heinsburg Local No. 432 of the F. U. A. held their regular monthly meeting in the Tulliby Lake Central school on the evening of November 17. The minutes of the previous meeting were read and adopted as such. The members decided to send a delegate to the forthcoming F. U. A. Convention to be held in the Macdonald hotel at Edmonton on December 8-12. The next meeting will be held in the Frog Lake hall on December 15th. The serving of lunch ended the assembly.

Congratulations are extended to Mr. and Mrs. Alan Hewitt (nee Sylvia Ruud) on the birth of a daughter.

Mrs. Cecil Trimble spent a few days in Edmonton recently.

The district's condolences go out to the many friends and relatives of Minnie Parker whose death occurred recently in the Elk Point hospital.

Gordon Humble has accepted a position at the Rod MacKenzie ranch.

Mr. Melvin Belsheim is suffering from blood poisoning and is a patient in the Elk Point hospital.

ALLANDALE

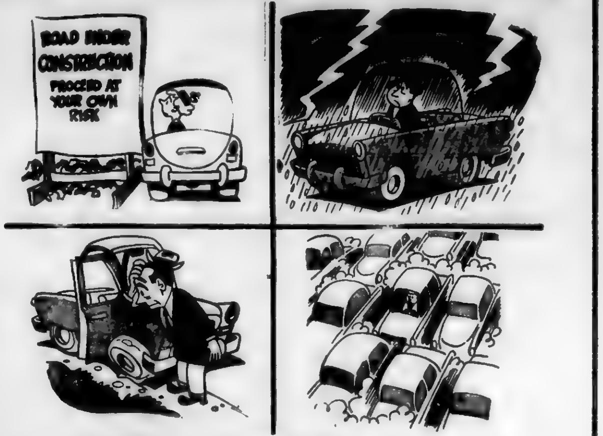
Dance in the Allandale community centre on Friday, Dec. 5. Pannell's orchestra. Dancing 9 p.m. to 2 a.m. Free lunch. 20-1

Mr. and Mrs. Art Marshall recently spent a few days at the Cecil Trimble home.

Miss Doreen Parke is attending Bible school at Eston, Sask.

Ingver Belsheim is sporting a new Meteor car.

Mr. and Mrs. Billy Warkentine and their four children of Herschel, Sask., have taken up residence on the former Art Marshal place. Mr. Warkentine plans to do carpenter work around the district.



anything can happen

That all-day shopping trip to the BIG CITY may sound attractive when you plan it. But road hazards, weather, car failure and heavy traffic can easily make you sorry you strayed so far from home. Especially so when our local stores offer just as much (and often more) in styles, selection and value.

Not only our hometown merchants, but service stations, automobile dealers, banks and professional men in this community can provide everything you need for better living and personal care.

The next time the idea of taking your shopping dollars far from home presents itself, *be realistic*. Ask yourself whether the risks involved are worth the effort.

HERE'S HOW YOU BENEFIT BY DOING ALL YOUR SHOPPING LOCALLY

When you buy from your hometown merchants you get:

1. [illegible]
2. [illegible]
3. INSTANT DELIVERY, SERVICE AND ADJUSTMENT
4. [illegible]
5. SAVINGS [illegible]
6. [illegible] TRAVEL
7. [illegible]
8. ELIMINATION OF COSTLY PARKING PROBLEMS
9. AVOIDANCE OF JOSTLING CROWDS
10. THE CHANCE TO BUILD A BETTER COMMUNITY BY PUTTING YOUR DOLLARS TO WORK HERE

Tigers Swing Into Hockey Action Saturday Night

The 1958 model of the Tigers hockey team will go on display at the Vermilion arena on Saturday evening, Dec. 13 when they meet the Bonnyville Pontiacs, one of the top notch teams of last year's league.

The game time is scheduled for 9:00 p.m.

Quality of each team is unknown but the Vermilion Tigers have had plenty of quantity turning out to their practices. No less than 22 aspirants to the team have been practising regularly and this has reached as high as [illegible] at times.

ANDY REDFORD PLAYING COACH

Andy Redford, who sparked the team all through 1957-58 season, has been appointed playing coach and is rapidly welding the players into a unit. Handicapped somewhat by lack of defence players, he is busy converting forwards to the important rear guard duties.

Besides Andy Redford himself the Dewberry line of last year, Sandy Ewen, Bill Romanchuk and Hedley Dennill are again with the Tigers and this will be good news to Vermilion fans. Attempts were made to lure them away Tigers and this will be good news but the trio are true blue and, win or lose, like to play with the Tigers. Coming in with them from Dewberry for the practise too is Gerry Marshall now a teacher in that village.

Ken Brown is planning to make a steady job of playing goal. It will be recalled that last winter he was on the forward line. Stew Barr and Joe Brower are back for rear guard duty, while from last years Tigers there is the energetic goal scoring Bruce Anderson and Eddie Gerrits. This latter player, now a resident of the town, is shaping up into a reliable hard hitting and fast skating [illegible].

From out out town, all the way from Heinsburg in fact, come a couple of fine hockey players, the Buck brothers. They saw action here in the rural hockey tourney and will strengthen the Tigers both with their ability and experience.

Another newcomer with great promise is Bob Warner, a member of the staff at the V. S. A. Up from the Juvenile Bob Cats there are Bob Waldenberger, Bill Robinson and Gerry Schmidt.

Rodger Bronson of the Canadian Bank of Commerce staff, was the star of the Battle River league last winter when he played for Hardisty and hopes for goals are pinned on his shoulders by the Tigers. Jerry Svenson of Craigs staff is rounding into shape, while several others will be seen in action on Saturday evening.

The way to size up this winter's Tiger hockey team is to be at the arena on Saturday night and see the boys in action. Game time 9 p.m. at the Vermilion arena on Saturday, Dec. 13.

"Born in a Manger", the Christmas message in story and song, will be presented by a group of young people in the United Church at 8 p.m. on Friday, Dec. 12. Included in the program are solos, trios and choir numbers.

—S—

Student Bereaved By Death of Mother

Sympathy is extended to Fred Wilson, a student at the Vermilion School of Agriculture whose mother passed away very suddenly on Monday afternoon, Dec. [illegible].

Mr and Mrs. O. F. Wilson of Killam had spent Saturday at the V.S.A. attending parents' week-end, visiting son Fred, and seeing just how the school is conducted. They left for home on Sunday and arrived there in time for dinner. Just two hours after dinner Mrs Wilson became ill and passed away the following afternoon.

Mrs. Wilson was a sister-in-law of Mr Arthur Wilson, Field Crops Commissioner, and a former instructor at the V.S.A.

Curlers From Buffalo Coulee Win Annual Farmers Bonspiel

A rink of curlers from Buffalo Coulee with Gordon Larsen skipping, W. Barlow, Hubert Rogan and Ernie Stuhl went through the three-day annual Farmers' bonspiel undefeated and thereby annexed the primary event, the Grand Challenge. The rink was entered under the name of Barlow. Taking second was the quartet of Islay farmers skipped by Bill Shaw with Dalton Torrance, Paddy McGuigan and [illegible].

The Barlow rink entered the finals by ousting three-time champion Harold Whitson from Mannville, while Shaw knocked out the Seite rink of Tolland.

CRUTHERS WINS SECOND COMPETITION

Cliff Cruthers of the Wikimere club with Bill Smith, Bobby Graham and Rolph Martinson carried off first prize in the second competition. Bill Cross was the runner-up with Nick Klutz, Joe Hart and Jack Cross making up his foursome.

Third in the event went to the Korhan rink and fourth to John [illegible].

THIRD COMPETITION TO GEORGE HARRISON

Wikimere curlers also carried off the third event when the Harrison rink [illegible] on the tee Forest Seal, George Harrison and V. Fraser won first by defeating the M. Smith rink of Gabrielson, Albert Hinton and Art Phesey from Buffalo Coulee.

Henning Haverslew of Buffalo Coulee won third prize with Vern Willies of Claysmore taking fourth.

Prizes and trophies were presented after the final games by George Webb Sr. who was in charge of the bonspiel, assisted by Warren Rosequist, president of the Vermilion curling club.

John K. Swanson Dies At Regina

John K. Swanson, the man who brought natural gas to Vermilion back in 1941 died suddenly in Regina on Tuesday morning from a heart attack. Mr. Swanson had been enjoying his usual robust health and death was entirely unexpected. He is survived by Mrs. Swanson in Regina. They still own their Vermilion home and always intended to return here to retire.

At the time of his death Mr Swanson was the chairman of the Saskatchewan Power Commission, a position he had filled for several years.

Mr. Swanson first became known to Vermilion people as the general manager of the Franco Public Service Co. which obtained the natural gas franchise for Vermilion, and piped in gas from wells south-east of [illegible].

Prov. Secretary Visits Girl Guides

DERWENT. — Miss Beth Riddoch, Provincial Field Secretary of the Girl Guide Association, visited the Girl Guides recently. [illegible] to the many girls and parents present by Mrs. Mabel Kozmak.

A history report was given by the Provincial Field Secretary on the founder of the Scout and Guide movement, Lord Baden Powell. Miss Riddoch also mentioned that it does not matter what religion you belong to as long as you are a good member and do your best. She gave the girls a roll call, drill and horse horse shoe formation drill.

B.P.O.E. To Repair Scout Hall

At a recent meeting of the Vermilion B.P.O.E. a considerable portion of the carnival fund was voted to carry out necessary repairs to the Scout hall.

—S—

Mrs. Helen Noster Elected President

DERWENT. — The Derwent Home & School meeting was held recently at the school auditorium. By-laws of the Home and School were read by Mrs. Mabel Kozmak, and Mr. Joe Sosnowsky of Myrnam spoke on insurance carried by the children. This was freely discussed by parents present.

Executive for the 1958-59 was [illegible]:

[illegible]
[illegible] - Mrs Wm. Zerluk
Sec'y Mrs. Mary Semenluk
Treasurer Mrs Pearl Algot
Principal of School - Mr W A [illegible]
Staff Rep - Mr. E. Steparduk
Program Committee - Alex Kozmak, Steve Wysocki, Mrs. Helen Wintonyk; Mrs. Steve Lychak, Nick Boyko
Social Committee — Frank Podlubny, Mike Yacevko, Mrs. Willa Benson, Mrs Jean Wysocki, Mrs. Eva Charchun, Mrs Alice Wysocki

Doughnuts and coffee were served at the end of the meeting by the girls.

Civil Defence Headquarters Opened At Kitscoty Dec. 4

On Thursday December 4, representatives of the Vermilion River M. D. No. 71 and of the hamlets and towns within the municipality gathered at a banquet at Kitscoty to officially open the Civil Defence training headquarters. The headquarters is in the basement of the municipal office and provides facilities for the staff of the local Civil Defence organization as well as a lecture room for the training of classes in such courses as first aid, home nursing, fire fighting, and other subjects.

Colonel Lavoy, deputy co-ordinator of C. D. for the province, and Mr Jack Stewart, head of the C. D. Northern Zone, represented the province. In his remarks, Col. Lavoy stated that the local organization has progressed well but that there is yet a great deal of work to be done. One of the jobs is the forming of local organizations into larger units to facilitate communication. He stated that schools are operated at Edmonton and Arnprior, Ont., where individuals can receive training with travelling expenses and accommodation provided by C. D. He also reviewed the grant structure whereby the dominion, provincial, and local governments each bear one-third of the cost of C. D. While the cost of C. D. to the local area is very low, he stated, it is excellent insurance that we need, just as we need car [illegible].

Mr George Martin, local C. D. director, outlined the progress within the municipality and mentioned some of the ways in which all can take part, including women, just as much as men. Anyone wanting information or training can contact him.

Representing the M.D., towns and hamlets were John Anderson, chairman for the evening, Mr Kelly, the Reeve, who introduced the speakers, Patrick McGuigan, Alan Batty, Kitscoty; Bert Hoare, secretary of C. D. for the area as well as many others.

Ladies Auxiliary provided an excellent supper in the Tracy Memorial hall. It was unfortunate that due to the cold weather many people who had loyally worked for C. D. had to miss this enjoyable event.

Your Christmas Greeting Advt.

THE SUREST WAY TO GREET EACH AND EVERY ONE OF YOUR CUSTOMERS AND FRIENDS, AND TO MAKE NEW ONES, IS BY A CHRISTMAS GREETING ADVERTISEMENT IN THE "STANDARD"

Hunting Hints

Half hour after sunset on Saturday, Dec. 13th is "it" for all Game Birds. See you next season!

Appoints Town Director For Sr. Citizens Lodge

At the regular meeting of the town council held on Monday evening, Ashley H. Cooper was appointed as the Town of Vermilion's director to the Board of the proposed Senior Citizens' lodge. Mr. Cooper has subsequently accepted the appointment.

Present at the council meeting were deputy-mayor Percy E. Cooper and councillors C. T. Heckbert, R. J. Ireland, C. J. McCormick, K. E. Rowe and C. E. Thompson.

Other business included giving first and second reading to by-law 18-58 increasing councillors' fees to [illegible] per meeting.

By-law No. 19-58 was given three readings and passed. This by-law deals with the Vehicle Traffic by-law, creating a cross-walk over the hospital road at the west end elementary schools. The request for the cross-walk was made by the school board.

Approval was given for the proposed subdivision on part of the SE ¼-36-50-7, relating to the service station and dairy drive-in of Mr. Percy Walsh.

Lot 13, Blk. 34 was sold to Mr Rudolph Mairich for $200 subject to the usual building by-laws governing lots.

The department of municipal affairs was appointed assessor for the Town of Vermilion for the year 1959.

Carol Concert December 17th

Tickets are presently being sold for the annual Vermilion Carol concert staged by the Vermilion Mixed Chorus of 35 voices, with the admission set at the low price of 50 cents. Hopes are high that a sell-out crowd will be on hand to hear once again the stirring music and beautiful story, as illustrated in the carols, of the glorious birth of God's Son. This is being staged in the high school auditorium on Wednesday evening, Dec. 17th at 8:30 p.m.

Net proceeds are once again to be used for the passing of extra Christmas cheer to those in need to help make a happier season for the recipients. Get your ticket and be on hand to enjoy this musical treat.

—S—

V.S.A. Closes For Xmas Vacation December 19th

The Vermilion School of Agriculture closes for the Christmas vacation on Friday evening, Dec. 19. A special bus leaves here at 7 p.m. that evening taking a large number of the students on the first step of the journey home for Christmas.

A Christmas banquet will be held on Sunday evening, Dec. 14 at 6 o'clock. A feature of the banquet is the presentation of various scholarships and bursaries to the wining students.

Midgets To Start Hockey Work-outs

The Vermilion Kinsmen Midget hockey team will be holding work-outs shortly for the coming hockey season. Cpl Peter Morris R.C.M.P. will be the head coach this year while Johnny Sadownik will again be the manager of the squad.

Home and home games will be played against Lloydminster, Vegreville, Mannville and Marwayne. The team will also enter the midget 'B' provincial play-offs which get underway in [illegible].

—S—

SOMETHING ADDED

A word to the wise may be sufficient, but very few people are willing to let it go at that.

Dept. of Transport To Enlarge Weather Station At Vermilion

The Department of Transport will enlarge and modernize their weather and radio range station at the Vermilion airport. The work will be undertaken as a winter project and activity will commence at once. First steps are the drilling of a well by Gordon Downey and the excavation of a full basement by Mix Construction.

The plan calls for the excavation of a full basement 40 feet to the west of the present site and the moving of the beam station. There will also be a considerable enlargement to the building to allow for expanded duties when the new V. O. R. range is installed south of Vermilion.

Complete water and sewage disposal systems will be included in the changes. It is expected that the work will be completed within three months.

Mr Andrew Cole, Inspector of the Department of Transport has already arrived in town and will be here while the project is being carried out. He has secured living accommodation at the home of Mr. Jim McLaughlin.

Dressed Turkey Sale Dec. 18th

The Vermilion 4-H Turkey Club is holding their Achievement Day and sale of dressed turkeys on December 18 in the Elks Hall, Vermilion, Alberta. This is the climax of a year's activities and will be highlighted by each member showing a tom and hen, dressed and live. The executive Josie McDonald of Mannville president and Tony Dixon secretary are busy on [illegible] making arrangements. As both are attending school the leaders Mrs. McDonald and Mrs. Freda [illegible] will be busy in the coming week finalizing things. There will be 200 'A' grade dressed birds offered by auction at 2:00 pm.

Rotary Xmas Tree In Bank Rotunda

The annual Christmas tree sponsored by the Rotary club will be set up in the rotunda of the Canadian Bank of Commerce and gifts for the tree are solicited from everyone.

Each gift should be marked with the age and sex for which it is suitable and left on the tree. These gifts are given to the Salvation Army for distribution to children who would otherwise have a cheerless Xmas. The presents may be either new or used clothing, toys or games. 22-3

—S—

Prizes For Best Decorated Homes

This year the Vermilion Board of Trade and the Canadian Utilities are co-operating in sponsoring a home decoration contest for Christmas. The four best decorated homes are to receive prizes of $15.00 each. Half the prizes are being donated by the Board of Trade and half by the Canadian Utilities.

A panel of three judges will be appointed with the judging taking place between Dec. 17 and 31. Rules and regulations are published elsewhere in this issue. It is hoped that the contest will create a bit of friendly rivalry and that the appearance of the town will be enlivened and beautified because of it.

The contest of one year ago had very satisfying results and it is hoped that even more will take part in exterior home decoration this Christmas season.

Board of Trade Asks For Later Mail Pick-up; Very Active Month

As a result of representations by the Vermilion Board of Trade, Mr. Gordon Mitchell of Edmonton who is in charge of transportation for postal service, was a guest of the Board recently. Possible changes and improvements were discussed in mail delivery service culminating in the board asking that the mail for Edmonton leave here at 8 p.m. instead of 7 p.m. as at present.

Mr. Mitchell stated that such a change was possible and that other towns which will be effected will be contacted.

XMAS SHOPPING HOURS

The Board recently spent some time considering Christmas shopping hours and the report brought in by the retail committee was approved and the extra hours are published elsewhere in this issue.

BOARD TO TRANSPORT HOCKEY TEAM

The Board also went on record as undertaking to supply transportation for the Tigers hockey team for all their away games. Stan Waldenberger, chairman of the ways and means committee to arrange schedule of cars and drivers.

SPONSOR XMAS LIGHTING CONTEST

The Vermilion Board voted to continue the Home Decoration for Christmas contest which was started last year. The Canadian Utilities offered to put up a like amount for prizes so that $60.00 instead of $30.00 is being offered this Xmas. Chairman of the committee is Ernie Schurman and details will be found elsewhere in this issue of the Standard.

DELEGATION ATTENDS HIGHWAY 41 MEETING

The Board is also actively promoting the building of highway 41 and four members of the road committee attended a recent meeting of the Highway 41 Association at Cereal, Alberta. The outcome of the meeting was the decision to have a delegation talk over matters in connection with it with the Hon. Gordon Taylor, minister of Highways. Good progress is reported with 15 miles south of Wainwright being graded and gravelled during the past summer and the survey continuing south. Committee chairman C. H. McCormick aided by E. M. Stewart are in charge.

CHRISTMAS DINNER WEDNESDAY, DEC. 17

The next meeting Wednesday noon Dec. 17 at the Rio Cafe will be the last one for 1958 and will probably take the form of Christmas dinner. The two following meetings are cancelled due to the Christmas season and the board will again convene on Wednesday, Jan. 7th.

Official Opening of New Tom-Boy Super Market Held Last Friday

The new Tom Boy Super market, the first of its kind to be opened in any town in Alberta east of Edmonton, made its bow to the shopping public of Vermilion and district last Friday. The fine new building was described fully in last week's Standard, but still the many modern features brought forth exclamations of wonder and delight from the throng of door-opening customers.

The opening ceremonies included ribbon cutting by deputy-mayor P. E. Cooper, accompanied by appropriate words of congratulations to Mrs. Hareuther and the members of the Hareuther family, proprietors of the Tom Boy, and congratulations by J. V. Kneale, vice-president of the Board of Trade.

PRIZE WINNERS

During the three-day opening specials, a valuable prize was given away each evening. The following were the winners: Friday trilite lamp, won by L. E. Alexander; Saturday, bicycle, won by Mrs. Mary Shepansky; Monday, electric frying pan, Mrs. Ivy Pure. The draw in the Tom Boy bread contest will be made this Saturday evening, Dec. 13.

Deputy-Mayor P. E. Cooper is seen cutting the ribbon and officially opening the doors of the new Hareuthers Tom Boy super market to the shopping public. Shown from left to right in the picture are Lawrence Hareuther, Deputy-mayor Cooper and Mrs. P. Hareuther Sr.
Photo by Photocraft

GRAND OPENING

Prominent in this picture are the members of the Hareuther family who have been responsible for bringing a new super market to this part of Alberta. From left to right in the picture are Paul Hareuther, Miss Lillian Hareuther, Lawrence Hareuther, Mrs. P. Hareuther Sr., deputy-mayor Percy Cooper, vice-president Jack Kneale of the Board of Trade, Albert Hareuther.

Let's Think of Something Odd

A 30-foot concrete model of a duck-billed dinosaur will be a surprising sight for travellers on the trans-Canada highway near Brooks, Alberta next summer. The model is being erected to publicize the Steveville Provincial Park in the badlands north of Brooks. A forty foot concrete model of a pheasant is also planned to advertise the terrific upland shooting in the vicinity. It all comes under the heading of publicity and promotion.

Vermilion which has every bit as much to advertise as Brooks in our own provincial park with its camp grounds, fishing, boating, swimming and natural beauty practically within the town limits, should think of some novel way of advertising the park. Some attention-attracting gadget such as the above would result in visitors to our park being doubled. Let's rack our brains and come up with a suggestion.

More Help For Alberta Students

Alberta will take a major stride forward in the field of assistance to students next year with the introduction of a greatly expanded [illegible] of scholarships, bursaries, grants and loans.

Details of the plan were released last week after cabinet approved the initial recommendations of a special committee which has been studying student aid. In its first year, the program will cost around $1,170,000 and most of it will go to university undergraduate students and teachers in training.

Undergrads will be eligible for some 1,200 scholarships, bursaries and grants and loans totalling $675,000. Teachers in training will be in line for some 1,400 grants and loans worth the same amount. The remainder will be distributed among graduate students, student nurses, high school students, and young people attending agriculture or vocational schools.

Aim of the program is to ensure that no deserving student will be denied a university education for financial reasons.

The next session of the Legislature will be asked to appropriate money to get the program started. It will involve a major increase in spending on student assistance, which this year is costing just slightly more than $400,000.

Re-Paint Old Toys For Less Fortunate Children

A second-hand toy, glistening with a fresh coat of enamel, can bring joy to a child whose Christmas might otherwise be a drab one. Every home with a child in it has discarded playthings. Repairing and painting them for hospitals or children's institutions can be the most rewarding of Christmas preparations.

A hard, high-gloss enamel gives excellent results on old wagons, rocking horses, nursery tables and chairs. Choose bright colors — reds, oranges and blues — the more brilliant the better. Sand the old finish to remove scratches and chips. If bare wood is showing a priming coat should be applied to seal the surface. Should two coats of paint be needed make sure the first coat is completely dry before adding the second. A light sanding between coats is recommended.

Although Johnny may have outgrown his battered old wagon, it could become the prize possession of some little boy. Toys are one kind of hand-me-down most children never object to.

The manufacturing industry provides the largest single segment of Canada's labour income, about one-third of the total.

CLANDONALD BINGO

Ham and turkey bingo will be held on Wednesday, Dec. 17th at 8:30 p.m. in Columbus hall. Ten games, 5 hams 5 turkeys. Cards, $1 each. Sponsored by Athletic Club. 22

CLANDONALD HALL

Showing at the Clandonald Hall this week end, Friday and Saturday, Dec. 12 and 13, "The Bridges at Toko-Ri," an action drama in technicolor, with Wm. Holden, Grace Kelly and Frederick March. News reel. Dec. 19 and 20 — "The Big Land" with Alan Ladd in technicolor. News reel.

KITSCOTY

Students home for the week end from the U of A were the Misses Sylvia and Donna Sheppard and Miss Carol Richardson. The girls were guests at the High School Snow Flake Frolic on Friday December 5.

Mr and Mrs. Earl Franke of Fort Saskatchewan spent the week end here visiting with Mr and Mrs. A. Franke.

Mr and Mrs. Cliff Pinder of Edmonton were week end visitors at the home of Arlene's parents, Mr and Mrs Henry Joy.

Mrs B. Duegan and girls of Edmonton are spending a week here visiting with Marlene's parents, Mr and Mrs. C. J. Quinn.

Mr and Mrs. Art Wynne were Edmonton visitors for several days last week while Art was taking a short course on automatic transmissions.

Donnie McLean won the lucky draw on a 22 Cooey rifle which was held at the Wilf Ch[illegible] one day last week.

Mrs J. Leighton is at present with her son Bill and [illegible] in the Streamstown district as Mrs William Leighton is ill at present.

Mrs J. I. Parkin of Vermilion spent the week end here with her mother Mrs E. H. Sheppard.

Mr R. M. Mathewson of Edmonton is spending a week's holiday here visiting with Mrs Mathewson.

Congratulations are extended to Mr and Mrs. Alvin Throndson (nee Evelyn Valerie Sheppard) on the birth of their daughter on Tuesday Dec. 2 in the Vermilion hospital. The proud great-grandmother is Mrs. E. H. Sheppard.

Mr John Olde passed away on Sunday, Dec. 7 in the Lloydminster hospital after a long illness. Sincere sympathy is extended to his son Eric, [illegible] Mr George Olde and all his surviving relatives.

"GREEN ACRES"

4-H CLUBS

It would look like we will have fifteen 4-H clubs in this district in 1959. There will be over 250 farm boys and girls in these fifteen clubs. We wonder where the others are as it is estimated that there are over 1200 young people on the farms in the area between the ages of 12 and 20. We could not handle any more clubs just now but it is apparent that a lot of parents do not get their sons and daughters into this great 4-H club movement.

HEATING WATER TROUGHS

The day is past when a hole is chopped in the ice of the closest slough and live stock get water there along with plenty of ice in large chunks. It is not necessary to warm the drinking water as long as the chill is taken off of it. Nearly every farmer uses coal, wood or electricity to heat the water tank these days and it more than pays for the fuel and trouble.

UNDULENT FEVER

Anyone drinking milk from cows that are affected with brucellosis (Bang's Disease) can become affected with undulent fever as the same germ causes both diseases. When milk is properly pasteurized the germ is killed and there is no danger. In farm homes, of course, milk from suspected cows can be boiled to kill these germs. Cows that have aborted as a result of Bang's Disease will be carriers of the disease for the [illegible] of their lives. Anyone wishing to check on their cows for Bang's can get a veterinarian to take a blood test. In most towns including Vermilion there is a by-law which prevents anyone from selling milk unless it is pasteurized.

FREE BULLETINS

You can come into this office or write in and get bulletins on any farm subject. Now is a good time when the weather is tough to spend some of the long winter evenings reading up on livestock, farm machinery and buildings, poultry, new varieties of grain and grasses, etc. There is a specially good circular on 'Swine in Alberta'. They are all free for the asking.

SHIPPING FEVER

Stock should be watched carefully during winter months for signs of shipping fever, bloody diarrhoea and pneumonia. These diseases can be treated effectively when started in time. Animals getting good feed, water with chill off and plenty of salt will have more resistance to disease in cold weather.

LOOSE SALT

In zero weather it is hard for live stock to lick enough from block salt. It is better to feed loose salt in cold weather. For one thing if cattle do not get enough salt they do not drink enough water and this affects digestion.

How about your SUB?

Kitscoty C.O.F. Activities

KITSCOTY — A number of members and their wives attended a banquet and dance in Lloydminster on the invitation of the Lloydminster Lodge. Brother Scott Taylor was the special speaker on this occasion and the evening was very much enjoyed by all. A note of thanks is extended at this time to our fellow lodge for their kind invitation.

At the dance held in Kitscoty and sponsored by this lodge in aid of the Springhill disaster fund, the net sum of $57.95 was duly sent to this worthy cause.

At our recent meeting a committee was set up to get the new member drive in motion and a report of this and other items of interest will be recorded at a later date.

Salvation Army Home League Notes

On November 5 Mrs. Dargatz's group was in charge. A short devotional was followed by last minute preparations for the sale of work and tea held in the Legion Hall on November 8.

On November 12 a pleasant, relaxed meeting was in charge of Mrs. Fisk's group. A play for the Christmas program was decided on and parts given out by Mrs. Jensen, who is directing it.

Mrs. Scott's group was in charge of an educational meeting on November 19. Lt. Morgan showed slides of her trip to Vancouver to Congress.

On November 26 a spiritual meeting, led by Mrs. Smith's group was held on the last Wednesday of the month. Lt. Herrick was guest speaker and spoke on "The Decalogue of Happiness."

The tea and sale of work was a great success and the Home League would like to sincerely thank all who came and helped to make it this way.

CARD OF THANKS

The Vermilion Kinsmen Club wishes to thank all the people who supported its very successful Grey Cup pool. The proceeds from this project will be used for various types of service work in the community. The following persons held winning tickets: Bill Fulkerth, Edmonton, 1st quarter score; Bob Allan, Vermilion, 2nd quarter score; Arnold Winters, Vermilion 3rd quarter score and Lila Porter, Vermilion, final score.

CARD OF THANKS

Clandonald C. W. L. wish to thank all those who helped to make the bingos, bazaar and raffle the success they were. Winner of the hog was Leona Michael.

NEWS from ISLAY

Everon Inman and Gordon Gould returned Saturday from their big game hunt — but not empty-handed.

The rink composed of Bill Shaw, Paddy McGuigan, Dave Martin and Dalt Torrance playing in the finals at the Farmers' spiel at Vermilion brought home the claw hammers. Now mom and dad in each of the homes has a hammer — [illegible] blame the little woman now pop when you can't find a hammer! The families of the curlers were all on hand Saturday night to watch the finals and a good time was had.

The December meeting of the W.A. of the United Church was held in the hall. It was a cold and windy day but before the meeting was over 19 had arrived. It was the annual election of officers and there are a few changes: Mrs. Sweet is president for the second term, 1st vice-president is Mrs. Jean Axley; 2nd vice-president, Mrs. Neil McLennan; recording secretary, Mrs. Vi Schaffer, Mrs. M. McLean is corresponding secretary; treasurer, Mrs Patsy Robertson, with Miss Bessie Anderson as assistant; bazaar committee, Mrs. Lila Waterfield, Miss Irene Martin and Mrs Betty Shaw; Miss Anderson is still in charge of the sick committee. It was the Xmas party and then each discovered her secret pal of the year when gifts were given. The January meeting is to be held at the home of the Stones, when program for the year is made and names drawn for the secret pals. We hope you will make a special effort to be present. Mark up this date on your new calendar, as for this meeting only it is a week later due to New Year's. The church calendar is just right for memorandum. Here is a request for those quilt blocks given out last spring for the cupboard fund, some still not in. Please send to Bessie Anderson.

Sympathy of the community goes to Mrs. I. D. Inman whose brother died last week. Mr. and Mrs Inman attended the funeral on Saturday, near Bowden.

The Sunday school teachers are preparing the children for programs for White Gift Sunday and for Xmas. It is quite an effort for the staff, some coming quite a distance to town. It would be a kindness on the part of the parents to encourage their children to be at the practises. Interest at home goes a long way with most children.

White Gift Sunday is on the 14th. It aids the packers of the box if a tag is attached saying if gift is suitable for boy or girl and age suitable for. It will be a Christmas gift for children not as fortunate as our own.

George Schaffer is a patient in the Islay hospital. George is a member of the Multiple Sclerosis Society of Edmonton. He has been quite interested in disposing of raffle tickets sent to him on a radio. If you are interested in this Society see George, it may give him a lift.

On Dec. 2nd the Home and School Association met with Mr Lawson of the Traffic Board as guest speaker. He showed two films on the topic of "Safety" which proved very informative. For one thing, we learned the sure way of turning off the highway at Kenilworth corner, as well as many other points made clear in our minds. A committee was appointed to bag treats for Christmas with the aid of the teaching staff.

Stores are prepared for Xmas and a good variety of articles are displayed. Just come look and ask.

—S—

The CNR is the largest corporate buyer and shopper in Canada spending in excess of $500 every minute of the year. Each year the CN goes to the market for something like 100,000 different items ranging from ballast to bedliners, from lock nuts to locomotives, from caviar to stewing beef, and from silk stockings to structural steel.

LOCAL NEWS

25th WEDDING ANIVERSARY

A very enjoyable party was held in the Legion Hall on Wed. evening, Dec. 3 when Mr. and Mrs. Scotty Hines were hosts to several hundred friends. The occasion was the 25th wedding anniversary of the popular couple and friends and acquaintances came from all parts of a wide district to wish them well.

Music for the evenings dancing was supplied by the Happy Hillbillies. John Webb and Bucky Swan added to the entertainment with songs and a very nice lunch was served by the W. A. to the Canadian Legion.

Besides the multitude of good wishes, the bride and groom of 25 years ago received many nice gifts in keeping with the occasion.

—S—

Mr. John Craig of Prince Albert, Sask., was a business visitor in town during the week.

Mr. and Mrs. W. H. Prescott of Victoria, B.C., are expected to arrive in Vermilion on Friday to spend Christmas and New Year's with their daughter and family, Dr. and Mrs. A. Ben King.

Visitors at the home of Mr and Mrs. Clarence Wilson last week end were their daughter and son-in-law, Mr. and Mrs. Gordon Bell of Edmonton.

Variety Concert Attracts 800; Proceeds For The Polio Fund

The variety concert sponsored by the Canadian Legion under the direction of Bob Carmichael, attracted a sell-out crowd of over 800 persons at the high school auditorium. The program presented was very entertaining and apparently pleased the large crowd very much. Proceeds from the concert go to the Legion Polio fund and Tom Thompson president of Canadian Legion Post 11, publicly thanked Mr Carmichael and his troop for their work on behalf of the fund, and the audience for their [illegible].

The pipe band of the L.E.R. was present and favored with numbers, as well as the piping in of the colors.

All the numbers were very good and surprised everyone by the variety and the excellence of their renditions. From the program emerged two family groups as outstanding entertainers. These are Donna, Mavis and Frankie McCauley, with vocal [illegible] instrumental numbers; and the three daughters of Mr. and Mrs. Mungo Forbes, Betty, Bonnie and Jean who delighted the audience by playing the bagpipes.

Dancing to the music of the pipes was a new performer to Vermilion people. Sandra Roberts who pleased everyone greatly. Jimmie Scott doing an Elvis Presley with his guitar really brought down the house. Jim introduced his accompanist on the piano, Don Willes, as a great little accompanist.

Always popular, and found wherever there is entertaining to do, Bucky Swan and Jimmie McFadyen from Islay played and sang as the "Happy Hillbillies".

Lloydminster young people are always quite ready to help in any theatrical effort and two groups appeared in various numbers. Miss Arden Webb with her group of four boys and six girls did several vocals which contained solo and group singing, very well rendered.

A soloist, Miss Lois Davies, also from Lloydminster, pleased the crowd with her solos. She has had some radio experience and is an entertainer with real ability.

There were many others who added much enjoyment to the program. Mrs. Rae Curtis was here from Edmonton, a born entertainer, she gave a monologue, and then added spice to the show with her "stunt time".

Alex Tymofichuk came from Vegreville to give impersonations and the audience was glad that he had made the trip. Something just a little different and the crowd liked it!

Emcee Bob Carmichael did a masterly job and even took part in a couple of numbers himself. The duet and dance with Mrs. Curtis really brought down the house.

The organizers of the concert have reason to be pleased with the results of their efforts, while the entertainers themselves are to be highly commended for the type of number presented and for the excellence of the renditions. There wasn't a poorly presented item on the program, nor one that was not heartily enjoyed.

IN MEMORIAM

In loving memory of
JOHN STANLEY QUICK
who passed away Dec. 17, 1955.
"I seem to see in the soft dim light
A face I loved the best.
And think of him when the sun's last ray
Goes down in the far-off west.
I miss you no less as the time passes on
Than I did on the day of your going.
For absence can never close the door of my heart
And the lamp of my love is still glowing.
Your heart was the truest in all the world,
Your love the best to recall;
For no one on earth could take your place,
You are still the dearest of all."
—Ever remembered by his loving wife and son.

—S—

IN MEMORIAM

In loving memory of mother
FRANCES CHRISP
who passed away Dec. 11, 1955.
"Loving and kind in all her ways,
Upright and just to the end of her days;
Sincere and true, in her heart and mind,
Beautiful memories she left behind."
- Loving husband, Dick, Mae and family, Tom, Irene and family

IN MEMORIAM

In loving memory of
MR. W. G. COBB
who passed away Dec. 14, 1952.
"He is gone but not forgotten
And, as dawns another year,
In our lonely hours of thinking,
Thoughts of him are always near.
Days of sadness will come o'er us,
Many think the wound is healed,
But they little know the sorrow
That lies in our hearts concealed."
—Ever remembered by his wife Evelyn and Ronald.

Wesley McLatchy Dies at Mannville

Wesley Nathan McLatchey passed away at Mannville on Dec. 5th at the age of 81 years. There are no known relatives and the deceased lived for the past three years at the home of Mr. and Mrs. Douglas Stuart.

Mr McLatchey came from Pullman, Washington, U. S. A. to settle at Pollockville near Hanna in 1910. In 1933 he settled in the Mannville district where he farmed until his death.

Funeral services were held at the United Church in Mannville on Wednesday December 10 at 2 o'clock in the afternoon with interment in the Mannville cemetery. The Rev. Ian Holter officiated.

Meyers were in charge of funeral arrangements.

Rev. C. MacKay Addresses Rotary

At Friday's meeting of Vermilion Rotary Club Rev. Mr. MacKay gave a report on his recent trip to the east.

Mr MacKay attended a Radio and Television School in Port Arthur, Ont. The subject of the conference was "More [illegible] Means of Communicating the Gospel to the Average People." The speaker made his report most interesting to everyone present. Chauncey is a charter member of Vermilion Club.

Gordon Ross introduced the speaker and Bill McLaughlin thanked him on behalf of the club for a very fine address.

Jack Kneale, Chairman of the community safety committee reported that Dec. 1st to 6th was safe driving week. The Alberta Safety Council promotes this week annually as a means of bringing to the attention of motorists the importance of more careful driving in preventing accidents.

Israel Miller and Curt Alfke reported that the Rotary Christmas tree will soon be set up in the Bank of Commerce.

Claude Brennan reported on various ways that Rotarians can assist in Christmas festivities. He mentioned various ways in which other Rotary clubs have helped in community efforts at this time of the year.

Bill Cross brought three of his curling friends namely Nick Klutz, Jack Cross and Joe Hart to the meeting. Luther a member of Lloydminster Rotary Club also was a visitor.

Secretary Mitchell announced that Rotary has now passed the ten thousand mark. There are that many Rotary Clubs in the world.

DISTRICT COURT

On Tuesday, Dec. 9, his Honour Judge T. L. Cross, in District Court at Vermilion, found John Shewchuk of Elk Point, Alberta, not guilty of theft of grain from one Mike Zaraska.

Mr W. J. Stainton of Edmonton appeared for the Crown and F. J. Richardson Q.C., of Vermilion, for John Shewchuk.

Also at this Sittings the case of C. Landrigan vs. the Municipal District of Vermilion River for misfeasance caused by the road maintainer operator of the M.D. throwing up a rock or other hard object into a row of gravel scraped on to the surface of the municipal road between highway 41 and Clandonald, in the course of grading operations.

The Court found that this was a nuisance created by the servant of the municipality and gave judgment in favor of C. Landrigan for damages caused his car in the sum of $140.26 and costs.

F. J. Richardson Q.C., appeared for the plaintiff C. Landrigan, and Mr. James McCorry Q.C. of Kitscoty and Mr. J. W. G. Morrison Q.C. of Vermilion, for the Municipality of Vermilion River.

At the same Sittings, His Honour gave judgment in favor of Albert Wegner against Ernest Bauer of Mannville for $146.22 and costs. The claim was for the value of certain grain of Wegner's which he claimed had been received by Bauer.

F. J. Richardson, Q.C., acted for the plaintiff Albert Wegner, and Mr. J. I. Jones of Mannville for the defendant Ernest Bauer.

MONARCH Lumber Co Ltd

GREENLAWN GOODWILL CLUB

The November meeting of the club was held at the home of Mrs. William McMullen with an attendance of twenty-one members and two visitors. Mrs. J. Avery, a bride who has come to live in the district was presented with a gift from the club.

The old timers of the district are all to receive a gift at Christmas from the club.

The December meeting will be held one week earlier — Dec. 11 at the home of Mrs. Nicholson. Miss Donna Shantz, district home economist will be asked to this meeting. The secret pal of the members is asked to bring a gift for their pal.

Mrs. D. Rainey was the winner of the door prize. This was a cup and saucer.

Myrtle and Una served a most delicious lunch at the close of the meeting.

ONE MAN'S OPINION

The most glaring fault of some men is that they can have self [illegible] trying.

MAIL EARLY

Mailing dates for cards and parcels — Ontario and Quebec, Dec. 12th; Saskatchewan, Manitoba and B.C., Dec. 14th; Alberta, Dec. 15th; Local, Dec. 17th.

With the new time of despatch everyone should get their mail posted as early in the day as possible. When mailing your greeting cards please separate items for local delivery from mail going out of town and tie securely in separate bundles.

Your co-operation will be more than appreciated by the post office staff. 22

Mannville Farmers Elected To Offices

Two Mannville farmers were elected to positions in the Provincial Swine Breeders Association Friday of last week in Edmonton. Ernest Prill was elected president and James Wyllie vice president.

W. R. Cornish, also of Mannville, long-time member of the Sheep and Swine Breeders Associations, top breeder, exhibitor and judge, was honored by these organizations for his contribution to the associations and to Alberta agriculture, when he was presented with an engraved cane at the Association's banquet on Friday evening.

C.W.L. Activities During November

The regular monthly meeting of the C. W. L. was held in the Parish Hall on Monday, December 1st. Several new members were introduced during the evening.

The reports given by the conveners of standing committees shows that November has been a busy month for the C. W. L. members and ladies of the Parish. Several boxes of clothing have been sent to the Marian Centre in Edmonton and magazines have been sent to Father Goutier at Cardston. Fruit baskets have been sent to sick members and get-well wishes to members of the parish who have been ill, as well as visits being made each week to the hospital. Two expressions of sympathy were sent to bereaved parishoners.

It is of interest to note that films may be procured for social meetings for the winter months from the National Film Board through Mr. Stewart, Vermilion.

Prior to their departure to Edmonton, Mrs. J. Perrier was presented with a going-away gift on behalf of the C. W. L. in appreciation of her wonderful work as a member of the Vermilion League. Mrs. Perrier is a past president of the C. W. L. having held that office for a number of years as well as being treasurer for a year. She held the office of 1st vice-president this year until the time of her departure. The good works as well as her friendliness will most certainly be missed and remembered always by the C. W. L. members and her many [illegible]

A most enjoyable social evening held this past month for all the ladies of the parish was well attended. A prize for the highest score was won by Mrs. J. Ferguson and the lowest score by Mrs. Dr. Bourke. A delicious lunch was served by Mrs. H. Edwards and her group.

A report on the fall tea, bazaar and raffle was given with appreciation offered to all members and parishioners for their donations, work and co-operation in making this event a success. As the result of the raffle which took place that afternoon we were pleased to present the first prize, a lady's wrist watch to Mrs. G. W. Keating, Vermilion with ticket number 1878, second prize of a grocery hamper to Mrs. J. Williams of Vermilion with ticket no. 1830 and the winner of the lovely cushion was Mrs. J. W. C. Wilson, Vermilion. Congratulations to the lucky ticket holders.

A donation was sent to the Seminary Fund in Edmonton.

Several ladies volunteered to help in a general cleaning of the church before Christmas. The date is Wednesday, December 17 afternoon and evening.

Plans were made for the annual Christmas party for the [illegible] of the Parish and Missions to be held Sunday, Dec. 2 in the Parish Hall.

A delicious lunch was served by Mrs. M. Shalka, Mrs. G. Lawrence and Mrs. Dr. Bourke.

Congratulations!

'The Bible Today'

For the first time in history a Bible House was built and opened in East Africa. This event is matched with stirring and changing times in Africa. A new era has begun and we pray that this new building will be a living bastion of truth in a changing society.

The actual act of dedication was performed by the Rt. Rev. R. Macpherson, the Moderator of the Presbyterian Church in East Africa, and Scriptures were read in English and Kiswahili. It was fitting that the second reading should be from the Union Swahili Bible, that classic version, which was provided by the Bible Society in 1952, and has had such a profound effect on the people of East Africa. It is anticipated the Union Swahili Scriptures will be used by many millions in the next few years.

Suggested readings for next week:
Sunday, Dec. 14 — John 3 1-21
Monday, Dec. 15 — John 3 22-36
Tuesday, Dec. 16 — John 14 1-14
Wednesday, Dec. 17 — Romans 8: 1-39.
Thursday, Dec. 18 — Romans 12: 1-21.
Friday, Dec. 19 — 1 Cor. 13: 1-13.
Saturday, Dec. 20 — Eph. 1-1-14.

Routine Matters At Regular Meeting Town Council

The following are the minutes of the Council, Town of Vermilion held on Monday Nov. 3 with Mayor Hill and Crs. Cooper, Ireland, Heckbert, Rowe present. Crs. McCormick and Thompson were absent.

Odors and Flavors

Remove milk from the barn right after milking, says R. P. Dixon, Alberta's Supervisor of Dairy Cattle Improvement. Barn and feed odors are readily picked up by the milk. Where silage or strong feeds are being fed, it is well to give these after milking so that no flavor is absorbed by the milk.

Mannville and District Local News

Sympathy of the town and district is expressed to relatives of the late Frank Hinton, who passed away this week.

Mr. McClatchey, who had been ill for some time also passed away during last week. He had been residing at the home of Mr. and Mrs. D. Stuart.

Hans Pederson, who is attending school at Red Deer was home for the week end.

Betty Proudfoot was also home for the week end to visit her parents Mr. and Mrs. Fred Proudfoot.

Sandy Hogan was a Mannville visitor at the home of A. Bedard this week end.

Mr. J. Clark has returned home from the hospital, after spending a few days under medical care.

Miss K. Sutton is expected home some time this week, as she will be discharged from hospital on Monday and will stay with friends in the city for a day or so.

Mr. Ed French is a patient in the Mannville hospital, as is Mr. C. Flannigan. The hospital reports a full house at time of writing.

A number of out of town visitors were present at the meeting of the Black Knights, on Saturday night last. Initiations were the main order of the evening.

Xmas parties and impromptu concerts have been planned for both United and Anglican Sunday schools, with treats for all young folks.

Members of the United Church W. A. catered to a supper meeting of the Mason's Lodge on Monday evening of this week. The supper was held in the United church social rooms.

You are still not too late for that gift subscription to the Standard.

4-H TURKEY CLUB MEETS

The Vermilion-Mannville 4-H Turkey Club held a meeting in the office of the District Agriculturist on December 3. Plans were made for the forthcoming sale which will be held on Dec. 18. There was an excellent turn-out at this meeting. On Jan. 10, a meeting will be held to finish off the year's activities. Every member is urged to attend.

United Ch. Groups Rally At Vegreville

MANNVILLE — A rally for Hi-C groups of the St. Paul's United Church Presbytery was held at Vegreville recently. Delegates registered at 4:30 with opening session at 10:30. Nourishment in the form of a pot-luck supper was welcomed by all at 6:15 p.m.

At 7:30 Rev. J. Strap, theme speaker from Sedgewick gave an inspiring talk on "Asset or Liability," followed by a social evening with Vegreville Hi-C as hosts. Before retiring for night vespers were attended in the church directed by Mr. Youell [illegible]

Saturday morning session began with a church service, followed by a further address by Rev. Strap on "What is Jesus To Us?"

A pop stand being set up, the young people enjoyed a break after the theme speaker. Following this, organizing of groups took place, five being chosen. Important topics were discussed by the groups pertaining to Hi-C organization.

Vegreville United church W. A. served a delicious dinner to all in attendance.

PUT MORE PLAY VALUE IN THE TOY DOLLAR

Thousands of dollars are being spent on toys for children this Xmas. Will they be toys for the children, or rather 'cute', amusing toys that appeal to the giver more than the receiver.

Children's play used to be considered merely aimless amusement. Now it is recognized as purposeful and creative, as well as an outlet for self expression.

In selecting suitable toys, we must understand something of a child's needs and capabilities at different ages. The individual interests are also important. Toys and playthings can act as a stimulus to the imagination, a motive for concentration, a step in learning and a tonic for pure fun.

When Santa shopping this year consider the four principles of good toy design:

1. Toys should suit the individual needs of each child. The age of the child is most important. Wooden construction toys such as Tinker Toys are frustrating for a 'two'; interesting for a 'four', too restricted and unreliable for an 'eight'.

Special interest can be fostered by good toys. Construction sets suit the mechanically-minded; dolls and domestic toys for mother's little helper.

2. Toys should be constructed with their use in mind. Consider all the ways the toy may be used and if they are safe and durable. A model car for a ten-year-old can be tiny, come apart and have sharp pieces. A car for a three-year-old must be durable with no sharp edges and large enough for rough play.

3. Toys should stimulate the imagination. A child has a world of his own. Given a multi-purpose toy such as plain unit blocks his imagination leads to building garages, fire stations, houses or barns. Interest lasts much longer because of the variety of games with the same toy.

4. Toys can stimulate new interests. If you are having trouble with too much TV viewing, a good piece of outdoor play equipment may help a child balance his play. Similarly if the child tends too much toward outdoors the reverse effect may be accomplished by 'make it' books.

As you shop in toyland this year remember a toy designed for a short life but a merry one and priced accordingly can as easily fulfill these principles as an expensive toy. It is your decision what is suited to your particular needs.

Student Tells Of United Nations Trip

On Wednesday evening, Nov. 26th, Miss Charlene Saunders of Sedgewick, presented an interesting evening's entertainment in the Legion hall. She came under the auspices of the Rebekah Lodge to give a personal account of her experiences last summer when she visited the United Nations Headquarters in New York city. This trip was her reward for her success in the public speaking contest held in this area last spring.

With a group of nine other students from various Alberta points, Miss Saunders joined a bus-load of students from Western Canada and the U.S. After visiting many points of interest in Eastern Canada, the group proceeded to New York city where they spent a full week, much of the time having been in the United Nations building. From there they toured some of the Eastern States and visited Philadelphia and Washington, D.C., before their return to the West. Miss Saunders also showed pictures which she took along the way and gave an interesting commentary on them.

Following the program the local Rebekah Lodge served lunch to all in attendance.

—S—

The World Book Encyclopedia reports that the cat gets special treatment during the Christmas season in the French sections of Canada. Tabby is well fed, because it's supposed to be bad luck if a cat meows in the house on Christmas Eve.

Mannville Happy Hour Group Elect Mrs. Edith Johnstone President

MANNVILLE — The annual meeting of the Happy Hour W.A. was held at the home of Mrs. R. Forsyth on Thursday evening Nov. 27 with a good attendance. In the absence of the president, Miss K. Sutton, who was in hospital, Mrs. Joy Manz as first vice-president, took the chair. Reports were read and approved, bills ordered paid, and project for January decided, namely a bake sale. Donation was made to the Girls' Auxiliary group who have assisted the senior group on a number of occasions.

Rev. Harry Shell chaired the meeting for election of officers, with results as follow:

Pres. — Mrs. Edith Johnstone
1st Vice—Mrs. Betty Forsyth
2nd Vice — Joan Lugg
Sec'y. — Mrs. Dolores Upton
Treas. — Mrs. M. McLuckie
U.T.O., D.T.O. and Educ. Sec. —Mrs. Anne Malin
Dorcas Sec. — Mrs. P. Hubbard
Little Helpers' Sec. — Mrs. E. Laidler
Sick Committee — Muriel McLuckie, Joy Manz, Frankie Kreller
J. A. — Miss Janet Paskilivets
Prayer Partner — Mrs. Lugg.

Following the election a sumptuous repast was partaken by all members, this being their last meeting before Xmas, and in an atmosphere which suggested the festive season with all its mystic wonder. Hostesses were Mrs. Frankie Kreller and Mrs. Edith Johnstone.

DODGE SIX CYLINDER ENGINE FEATURES INCREASED COMPRESSION RATING

The stylish Dodge Mayfair, 2-door sedan pictured above is an economy leader in the 1959 Dodge lineup which also includes another 18 models in the Regent, Viscount, Custom Royal and four Suburban lines.

The Mayfair series will feature, as standard equipment, a greatly improved six cylinder engine that has had its compression rating increased to 7.7 to one enabling it to take full advantage of the higher octane rating of most of today's gasolines.

Open All Day, Wed., Dec. 24th

W. A. of Clandonald United Church Hear Rally Report

Mrs. Laird was hostess for the October W.A. meeting with ten members and one guest present. The members decided not to have a fowl supper this year, but would host a bazaar table at the Anglican supper. This was done and a good profit realized. Sincere thanks to the Anglican W.A.

At the above meeting, 22 yards of wide sheeting was cut in half for tablecloth.

The November meeting was held at Mrs. Goddard's with 12 members present. After a short business session, Mrs. Cooper gave a report on the church school in Edmonton and also a report on the fall rally which was held at Ranfurly. The same afternoon Mr. Cooper gave both reports at the Allandale W.A. meeting held at the home of Mrs. [illegible]

On Nov. 16th Mr. Schurman conducted church services and on Nov. 30th Mr MacKay was in the pulpit assisted by Mr. Schurman. On Dec. 14th Mr MacKay will conduct a baptism service.

At the services on Nov. 16th and 30th, Mrs. Laird and Mr. De Jong added much to the services by singing a lovely duet.

On behalf of the congregation and the writer, sincere sympathy is extended to Mr. and Mrs. Elmer Gower and Kenneth on the sudden passing of a beloved mother and grandmother. May God comfort them in their hour of sorrow.

The annual meeting was set for Dec. 11th at the home of Mrs. Olsen.

—S—

Y. P. To Present "Born in a Manger"

A group of young people from the United Church will present a lovely Christmas song and story program "Born in a Manger", on Dec. 12th at 8 p.m. Included in the Carol selections are many of the old favorites along with a number from other countries, very beautiful but less familiar. Among the latter are the French carols "He is Born," "The Friendly Beasts", "The Carols of the Birds" and "The Gifts They Gave Emmanuel"; Austrian carols "Who Knocks So Late?" and "As Lately We Watched", "Bagpipers' Carol" (Italian) "Holy is the Night" and the Swedish carol "Mary Must Journey to Bethlehem".

Plan now to attend this program and receive a blessing for your Christmas preparations.

BOY SCOUTS TO SELL XMAS TREES

The Vermilion Troop of Boy Scouts will sell Christmas trees this year commencing on Saturday, Dec. 13th. These will be sold from the lot next to the Scout hall and orders will be taken by the Scouts and the Scoutmasters, G. Willmer and Dr Ben King. 21-2

THUNDER IN JAVA

The island of Java is the most thunderous spot in the world. According to the World Book Encyclopedia, the Indonesian island averages at least 223 storm days a year.

In Canada about 1 birth in 85 is of twins or triplets.

Hazeldine W.I. Enjoy Pot Luck Supper

Members of the Hazeldine Branch of the W.I. entertained their families recently at a pot luck supper, held in the community hall.

The centre of the table was graced with a large birthday cake, decorated with the W. I. crest, to commemorate the 3rd anniversary of the branch.

After a delicious supper the guests were entertained by contests and games. Entertainment conveners were Mrs. Frank MacLean and Mrs. John Whiteside.

ADVERTISING speeds the introduction of new products that are needed.

Islay Club Plans Christmas Party

ISLAY — The second meeting of the Islay Food Club was held at the school on November 24.

Following the opening of the meeting, a discussion took place regarding the Christmas party. It was decided that the party will take place on December 8th, in the church hall. Each girl is to bring a Christmas decoration and have it with them. Names were picked for Christmas gifts and it was decided that each gift should have something to do with the Food Club. Miss Kent, Miss Anderson, Miss Brassington, Mrs. Shantz and all mothers of Food Club members are invited to attend the Christmas party.

Miss Anderson then demonstrated how to clean a chicken. A real chicken was used for this, making it very interesting. Thanks again Miss Anderson.

Miss Kent led the members through a sing-song which proved to be a lot of fun and it is hoped that she will be back again soon.

A game was enjoyed and a very enjoyable lunch brought the meeting to a close.

The compounding of prescriptions requires an infinite amount of patience.

Pharmacists first check the dosage of every ingredient because it is our legal and moral duty to do so.

We pharmacists must always make certain that, from the thousands of different medicines in our prescription departments, we select only the specific ones prescribed. We must carefully type on the label the directions, and permanently record the number for future reference. Because of these patient efforts your safety is assured. You can always be certain each prescription is exactly as specified.

A great many people entrust us with the responsibility of filling their prescriptions . . May we compound yours?

PUDDING FOR THE THOUSANDS — Little Jack Horner would be pop-eyed at two tons of Christmas pudding, but he'd recognize the taste. A very old English recipe is the basis for preparing Christmas puddings for service in Canadian National Railways dining cars over the holiday season, according to Chef Instructor Joseph "Bill" Nellis and his two assistants, Joe Pusko and Camille Flourent. They are seen using silver-plated paddles to mix ingredients for nearly 20,000 pudding portions. Lis Gillan, who does her own home cooking, visited the commissary car kitchen in Montreal for a few tips, then stayed to sample the finished product.

OUR LETTER FROM EDMONTON

Social Credit Has Only Definite Progam

by KEN MASON

EDMONTON — Premier Manning remains strictly silent about his plans, but the tone of the Alberta Social Credit League's 24th annual convention here last week left little doubt that an election is in the offing.

From start to finish, the theme was "Get ready for a battle." Premier Manning struck the keynote himself when he warned followers to keep eyes front and look to the future instead of harping on what they did 20 years ago. The party, he said, stands on the brink of a crucial hour.

And it became even more clear that Social Crediters are staking their political future on the government's five-year development program. It was the topic of every cabinet minister who addressed the convention, and there were 10 separate resolutions commending the government for introducing it.

Party officials are confident Social Credit can win again on the strength of the five-year plan. They aren't worried about Liberal and Conservative claims that most of the features were a straight steal from the Opposition parties. Social Credit, they say, is the only party with a definite program to offer the voters.

MARGARINE QUESTION

The convention featured the annual debate over the Alberta law which forbids sale of colored margarine. A Calgary constituency group proposed a resolution asking for repeal of the law, and it narrowed down to a fight between city and country delegates. The resolution was finally defeated after Agriculture [illegible] warned what it might do to the farm vote.

UNIFORM SALARY SCHEDULE FOR TEACHERS

Delegates also discussed the possibility of the government introducing a province-wide salary scale for teachers and withdrawal of their right to strike, as recommended last year by the Blackstock Royal Commission.

Spirit River Constituency Group backed a resolution asking that the government implement the proposal. Education Minister Anders Aalborg pointed out that school teachers are bitterly opposed and school trustees are far from unanimous, and the resolution was defeated.

BLAST FOR FREIGHT RATE RAISE

The federal cabinet decision to allow the railways a 17 per cent freight rate increase drew a blast from Premier Manning.

He said Ottawa had "sold eight provinces down the river to the god of financial orthodoxy." Speaking to the convention banquet, he pointed out that Alberta and seven other provinces had opposed granting of the increase recommended by the transport board.

The railways should get their extra revenue through federal subsidies, or the federal government could solve the problem by expanding the national credit, he said. The western provinces and the Maritimes, he said, will bear nearly 100 per cent of the increase.

FEDERAL-PROVINCIAL HOSPITAL INSURANCE PLAN

Health Minister Dr J Donovan Ross told the convention about government plans to extend the federal-provincial hospital insurance plan in Alberta. He hopes that within two or three years it will cover outpatient services. Final decision will depend on economic conditions. Outpatient coverage, he said, would release more active treatment beds for active cases.

INDUSTRIAL TAXATION

Convention delegates gave the government the go-ahead on plans to study the possibility of taking over industrial taxation from the municipalities. They passed a resolution to that effect from the Social Credit group of Rocky Mountain House. Municipal Affairs Minister Alf Hooke said industrial tax will be the first problem to be tackled by the proposed permanent advisory board on provincial-municipal relations.

News from Tulliby Lake

The Watchtower Bible and Tract Society presented a Bible discourse at the home of Mrs. Mollie Behrens on the afternoon of November 23. Arnold Frietog of Hillmond, Sask., spoke to an attentive audience on the subject "What is This World Coming To?" After a short intermission everyone present joined in the weekly study of the Watchtower magazine on God's Kingdom Rules—"Is the World's End Near?" This proved timely educational as it was based on Daniel 8 19 which deals with the "appointed time of the end." Roy Wagner was the conductor while Juvenile Behrens did the reading. People of goodwill are cordially invited to attend these free home [illegible]

Last week proved to be quite a hectic as well as a busy one for Mr. John Kay. Several ready and willing neighbors gathered at John's place to help him with the annual chore of extracting honey. At least 200 pounds of the natural sweetness was obtained.

On Thursday, Mr Kay made an emergency trip to Elk Point with Clyde Brusso, 7-year-old son of Mr. and Mrs. Frank Brusso of Fishing Lake. Mr Brusso was getting out John's winter wood supply when the boy was suddenly taken ill. He underwent an immediate appendectomy and, at last report is progressing quite satisfactorily.

We were all sorry to hear the report concerning the passing of Roy Parker. Deepest sympathy [illegible]

Mrs. Louise Huntly has returned from the Lloydminster hospital and is being cared for at the home of Harlan Ruud.

Louis Dufresne and his brother's son Roland are lending a helping hand at the Behrens [illegible]

A meeting of the Burke Lake Cattle Association was held last Wednesday evening at the home of Cecil Trumble. All members except Les Roby and Maurice [illegible] were present. Last summer's operations were discussed and all were pleased to hear that the Association was standing a little in the black.

Last Saturday saw the Ward's hold a successful turkey shoot at the North Park hall.

Mrs. Melvin Beisiem is receiving treatment for pneumonia.

A muskrat and her late summer's progeny have settled them[illegible] the winter. This would seem to indicate that even the muskrat world is experiencing a housing [illegible]

Mr. and Mrs. Hugh Wilson of Monaleigh, Alberta, are visiting at the Wesley Hayes home.

We see Jimmie Lee sporting a new pink and cream International truck around the district.

Mrs. Doug Ward is receiving treatment for blood poisoning.

Mrs. Tommy Harrison is enjoying a well earned holiday at the coast where she is visiting [illegible]

The annual meeting of the Tulliby Lake Nursing Centre was held at the Central school on the afternoon of November 22nd. The election of new officers took place and business in general was discussed. Everyone attending had the opportunity to see the new nurse, Miss Margaret Nelson. She hails all the way from bonny ole' Scotland and seems to be getting accustomed to the Canadian way of life quite quickly.

GAS NEWSLETTER

NEWS AND VIEWS FROM YOUR GAS COMPANY

Northwestern Utilities, Limited

from all of us in the gas company to all of you . . . our Best Wishes for the Holiday Season

MAKE THIS A BRIGHT CHRISTMAS!

Decorative ideas for the home . . . the Christmas Tree . . . the parcels you wrap for your friends.

For your home

YULE LOGS

To make cheerfully-burning yule logs for your open fireplace you need 4 lbs. coarse salt, 1 cup washing soda, 2 gals. water; 2 lbs bluestone (ground if obtainable); 2 lbs. sulphate of iron.

Dissolve bluestone in 1 qt. hot water in a 4 gal. crock. Put a small amount of soda in at a time, as it causes foaming. Roll magazines loosely and tie at both ends. Stand magazines on end in solution for 1 week, then turn to other end for another week. Remove magazines and let dry.

Other chemicals you [illegible] for various colored flames: Barium Nitrate (Blue), Strontium Nitrate (Red), Lithium Chloride (Purple), Copper Chloride (Green), Calcium Chloride (Orange).

ANGELIC CENTREPIECE

Delight the children with a procession of these little charmers' Skirt is made from a handful of colored cellophane straws, held firmly at the top by a rubber band. Head is a white celluloid ball, with features lightly inked on. Hair is a snippet of curly gold pot-cleaner. Cut out arms, song-book and collar from writing paper. Paste sheets of gold foil paper back to back and cut to shape of wings. A [illegible] pin pierced through the back of the head will hold it securely to the rubber band [illegible] plastic straws.

For your Tree

GLAMORIZED TREE TRIMS

Foil plates from pies and tarts are easily transformed [illegible] ornaments for [illegible] For example, try this one. Trim the edge from a foil plate, so that you have a circle of silver foil. To the centre, glue a circle of gold paper, and glue three iridescent balls to this. Staple curtain fringe around the edge of your Christmas Tree deco[illegible]

For your parcels

[illegible] PACKAGE

Wrap your package in striped paper. Tie 2 lengths ribbon around box. Into each tying, fasten a Fan-shaped Bow. Cut 2 sleigh patterns from gold metallic paper which has been reinforced with tag board or light weight cardboard. Paste one to either side of package. Stick a large Santa Claus seal to either side of "sleigh". Paste two angel tags together and stick to top of package.

WHITE COLLAR WRAP

For wrapping, cut double thickness of white tissue paper, allowing 3½" extra for over-lapping in front. Now cut a strip of tissue 3 times as wide as the collar will be and long enough to fit around the box. Fold strip in half length-wise, then fold open edges over half the width again. Paste around box for collar. Tie: Cut strip from brightest wrapping paper. Fold in end to a point. Gather other end and paste a strip of same paper around it for the knot. Paste beneath centre of collar. The Clasp Chain: Cut ¼" wide strips of gold metallic paper. Paste one to [illegible] a tiny ring, then form another ring through the first and so on until the chain is [illegible] Paste either end [illegible]

snow or shine . . .

THE DRYING'S FINE!

Can you imagine the homemaker in your family saying to herself: "Look, it's snowing out today. I think this would be a good time to do the laundry."

And yet that's exactly what happens when you own a GAS DRYER.

You don't have to make your washday plans suit the weather. Snow or shine, the drying's fine. Clothes dry fast, clean and sunny-fresh.

Just a tip, though - only a GAS Dryer will give you the speed of drying needed to keep up to your washer. And only a GAS Dryer will give you such year-in, year-out dependability . . . plus such low cost (as little as 13c a month for most families)

Why not give a Gas Dryer to your family this Christmas. It's a gift that keeps on giving!

[illegible]

NEW

HOME SERVICE DIRECTOR

Northwestern Utilities, Limited announces the appointment of Elizabeth Rae Geetz as Home Service Director at Edmonton.

Miss Geetz is from Provost, Alberta. She is a graduate in home economics from the University of British Columbia, and brings to the gas company's Home Service Department a wealth of valuable experience, having been associated with dietetics and food preparation supervision at the Saskatoon City Hospital, the University of Washington and Montana State University.

Make this the Merriest
WHITE Christmas ever-

ONLY GAS combines automatic top burner lighting, automatic oven and broiler lighting, automatic timing and top-burner temperature controls with amazing speed and flexibility. This means automatic cooking that's easier, quicker . . . true cooking automation.

COMPILED AND CHARTED BY
SEARLE GRAIN COMPANY LIMITED
ALBERTA
SASKATCHEWAN
MANITOBA
EXCELLENT
VERY GOOD
NORMAL
FAIR
POOR
BOUNDARY OF CROP AREA

The fall rains of August, September and October (which give moisture on stubble land) averaged only 70% of normal this year compared with 112% of normal in 1957. Provincial figures, with last year's percentage of normal in brackets, were as follows: Alberta, 84% (133), Saskatchewan, 66% (98) and Manitoba, 64% (131).

[illegible] lated moisture reserves represent the 1957 moisture plus rainfall which fell during the 1958 growing season, plus the fall of rains of 1958. These figures with last year's percentage of normal in brackets, were as follows: Alberta, 88% (102), Saskatchewan, 71% (83), Manitoba, 85% (117) and the three prairie provinces, 77% (93).

The overall situation, combining the above figures for both stubble and summerfallow, gives the 1958 situation in the three prairie provinces as 74% of normal, compared to 103% of normal in 1957.

The greater part of the wheat, and, in recent years, an increasing proportion of barley and flax, is seeded on summerfallow land. It will be noted that moisture reserves are much less favorable for crops to be sown on summerfallow land than they were last year. Crops to be seeded on [illegible] gin the season with considerably less reserves of moisture than in the previous year.

Sixteen Years Ago

DEC. 3rd, 1942

Mr. and Mrs. Geo. W. Wright and family have sold their home in Vermilion and are moving to Vancouver the latter part of the month where they will take up permanent residence. Mr. Wright has resided in Vermilion since [illegible]

The C.W.A.C. basketball team defeated the high school by a 22-14 score in the barracks gym last Wednesday evening.

The real wintry weather with its sub-zero temperatures and biting winds moderated slightly on Wednesday and Thursday.

Mannville C.G.I.T. Plan Xmas Party

MANNVILLE, — December 4th marked the fifth meeting of the year for the C.G.I.T. group. The meeting began by repeating the Purpose, followed by the C.G.I.T. hymn. Reports of both the secretary and the treasurer were read, while the roll call was answered by repeating the third beatitude. New business was then discussed. It was decided unanimously to have a Xmas party on Dec. 19 to which everyone could bring a friend. Carols will be sung on Sunday, the 20th, this being the nearest one to Christmas. The worship committee held their service at the [illegible]

32 Years Ago

DEC. 2nd, 1926

William Telford was elected president of the Vermilion Agricultural Society for the year 1927. A. W. Ebbett and W. M. Steele are vice presidents.

Curling started in Vermilion this week. J. A. Morison is the president of the club and A. E. Williams is secretary.

A big dance, banquet and celebration was held in Elk Point to celebrate the long-awaited arrival of the railway at that point.

48 YEARS AGO

NOV. 30th, 1910

Joe McKone was successful in his recent hunting trip north, returning to town with a large moose.

George Brown leaves shortly for England where he hopes to remain until March.

Next Monday Dec. 5th is nomination day in Vermilion. Mayor H. N. Stephens has announced that he will run for re-[illegible]

The mercury has taken a sudden drop to the zero mark.

Vermilion wheat shown at the third annual seed fair was declared by the judges to be the finest seen to date. C. A. Hodgins was the big winner, amassing 92 points. Dave L. Kennedy was second with 91½. P. G. Pilkie was third and Wm. Steele [illegible]

WILDMERE WINKS

It has been real wintry this past week but we can consider ourselves fortunate in not getting the heavy snow and storms lots of other places are getting.

In the Farmers' bonspiel held in Vermilion last week Wildmere rinks were fortunate in coming out on top in the second and third events. The rink skipped by Cliff Cruthers with Bill Smith, Rolf Martinson and Bobby Graham won first in the second event and Skip George Harrison with Billy Veitch, Byron Fraser and Forest Seale won first in the third competition. Buffalo Coulee won the Grand Challenge over Mr. Shaw's rink from Islay. So all in all, the south country made headlines in curling news anyway. It's an enjoyable outing for both men and the ladies who go to watch the games. We have only one "beef" and that is, we don't think the prizes are good enough for the amount of money collected and what is spent by the country participants while in town attending. Wake up, town curlers, the country curlers may be farmers, but they are up and coming too!

Mr and Mrs Wm Smith and Linda were supper guests on Sunday evening at the home of Mr. and Mrs. W. J. Garnett of Basswood.

On Sunday evening Mr. and Mrs. Wallington gave a surprise party for Bobby Graham who celebrates his 21st birthday on Dec 9 when eleven young folks came to enjoy a birthday supper with him. Afterwards games were enjoyed during the evening. Can you play 'Sorry' yet Jim and Freddie? And Keith and Leo, you should have seen Bob unwrap your gift, that was good. Thanks again boys for coming, it was quite a surprise to Bob and many thanks to Janet Shepherd for helping the writer. Bob will certainly remember his 21st.

Mrs. Cruthers who has been visiting her mother at the coast, is expected home this week by C.N.R. to Wainwright.

Remember the Home & School meeting on Tuesday Dec. 16th folks, when we will all help to pack candy bags. Mr. and Mrs. F Sweet are on lunch commitee.

Has anyone a good round organ stool they would sell? The Wildmere church needs one. Just phone 2215 or write Mrs. Wallington.

Not too many out to church last Sunday as it was rather cold. However, Rev. MacKay and Mr Schurman braved the cold and came out. Next service will be on the 21st so plan to attend and hear a Xmas service.

Master George Garnett of Basswood, son of Mr and Mrs. W. T. Garnett, spent a few days in hospital last week suffering from tonsilitis. Several have been visited with stomach flu and colds in the district.

Congrats to Lewis Alexander of Battleview district on winning the trilite lamp at the Tom Boy store opening in Vermilion last Friday.

Has anyone seen a white 250-lb. pig wandering around? Bob Smith had the misfortune to have one jump out of his truck near Bill Gillman's when he was [illegible]ing it home on Nov 28th.

—S—

North America's first producing oil well was drilled a century ago at Petrolia, near Sarnia, Ontario, and that first oil field is still producing.

— Quick Canadian Facts

Keep Christmas from Being 'Alcoholiday'

Seeking to save lives, reduce highway accidents and bring more happiness to Canadian homes, the United Church of Canada will launch an all-out campaign to prevent Christmas from becoming an "Alcoholiday".

Under the direction of Rev Dr. Homer Lane, Associate Secretary of the Board of Evangelism and Social Service, a modern advertising-publicity drive to "Keep the thought of Christ in Christmas" will be carried out in United Churches and extend to radio television poster boards and newspaper advertising.

This is the sixth year the United Church has led a nation-wide drive to "Keep Christ in Christmas". In other years suggestions were made to eliminate drinking from Christmas office-parties.

Main emphasis of the campaign this year is to prevent highway accidents. Sober drivers can save lives and prevent unhappy family life at Xmas. A slogan will be used: "Thinking drivers do not drink; drinking drivers do not think".

Police chiefs are joining United Church ministers in supporting the project. Many sermons will be preached on the topic. Happy family observance of the Christmas season and generosity to those in need and the sick are being encouraged.

Christmas is a good time to remember the needs of the poor, the prisoner and the family of the worker on strike.

GET STARTED NOW — IT'S FUN! Here is your chance to show your originality and make a brighter Christmas for all!

THE RULES ARE SIMPLE

1. No entry forms are necessary. Judges will make a complete tour of the town.
2. Decorations should be up early, and judging will be done December 17th to December 20th.
3. An expensive display is not necessary. Judges will consider the best effect from materials used.
4. Judging will be based on: (a) Simplicity; (b) Ingenuity; (c) Originality; (d) Xmas Theme.

Let's Light Up Vermilion
For A Brighter Christmas!

VERMILION BOARD OF TRADE — CANADIAN UTILITIES LTD.

MARWAYNE

Congratulations go to Mr. and Mrs. Albert Finski on the birth of a son on November 11 and also to Mr. and Mrs. Cliff May (nee Martha Swanson) of Three Hills on the birth of a daughter on November 28.

Mr and Mrs. S. Demchuk were Edmonton visitors this week to attend the wedding of their daughter Letta on November 22. Others attending the wedding from town were Mr. and Mrs. Gordon Hancock, Mr and Mrs. W. Meiklejohn, Mr. and Mrs. J. Manson.

Mr and Mrs. John Thompson were visiting in Calgary for a week with Mr and Mrs. Fred Davison and spent the week end in Edmonton on the way home.

Mr and Mrs. S. A. Berg have had two of their daughters and one grand-daughter visiting with them recently. Mrs. Thelma Grey of Port Alberni V. I., and Mrs. Elaine Johnson and her daughter from Dawson Creek.

Mr. S. Edwards Sr. who has been residing in the Jubilee Home, Lloydminster has been moved into the hospital. Other patients in the hospital this week are Mrs. Ted Carson and Clyde Allen.

The Women's Missionary Society of the United Church are holding the Christmas Baby Band party in the church hall at 2 30 on Saturday, December 6. Pre-school children and their mothers are cordially invited to attend.

Donna Louise daughter of Mr and Mrs. R. Lennon and Kimberly Ella May, daughter of Mr. and Mrs. S. Romanik were baptized in St. George's church on Sunday November 23.

A special guest night will be held by the Home and School Association on Wednesday, Dec. 10th at 8 o'clock. Mrs. S. A. Earl, co-ordinator of teacher education from the Department of Education will be the speaker.

A special invitation is extended to neighboring associations to attend this meeting.

After having just one week of practice the boys and girls basketball teams were defeated by Paradise Valley at P. V. on Wednesday evening.

* * *

Congratulations to Mr. and Mrs. Darwin Franklin on the birth of a son on November 29.

Congratulations also to Mr and Mrs. 'Scotty' Hines on their 25th anniversary. A reception was held in Vermilion and those from Marwayne who attended were Mr and Mrs. Howard Hines, Mr. and Mrs. Don Harvey, Mr. and Mrs. Homer Hines, Mr and Mrs. J. Barnett, Mr. and Mrs. Alvin Parker.

Mrs. Stanley Hayes had the misfortune to fall and break her wrist. She is in hospital for a few days.

Mrs. Vernie Hines has been a patient in the hospital for some time.

Mr and Mrs. Dudlyke and Bob were Edmonton visitors last week.

Mr G. Doull reports that Mrs. Doull was much improved when he visited her in the hospital in Edmonton this week. Mrs. C. W. Harrington was a city visitor this week also, staying with Mr. and Mrs. M. E. Elves.

Dave Crichton, Mr and Mrs. Paul Wack and daughter visited at the home of their parents Mr. and Mrs. B. Crichton last week end.

TAKE NOTE: -- Order your Christmas trees from the Boy Scouts. The Marwayne troop are selling trees this year.

The Young People took the service in the United Church last Sunday.

The right Rev. H. H. Clarke, Anglican Bishop of Edmonton paid his annual visit to St. Gregory's Mission last Sunday. He was at St. George's, Marwayne for Holy Communion Service at 11 o'clock. Lunch was served to the congregation in the basement after the service.

A large percentage of the parents attended the parent-teacher interviews held for three afternoons in the school this week. Lunch served by the girls was much enjoyed. The students enjoyed a holiday during the interviews. These interviews certainly create a better understanding between parents and teachers and parents find out what "little Willie" is really like in school.

The date of the F. W. U. A. Christmas meeting has been changed from Monday, Dec. 22 to Saturday, December 20.

Mumps are still on the march and laying many adults low. Two of the latest victims being Mrs. Ollie Midgley and Burnett Graham.

Art To Be Exhibited Here

A travelling art exhibit will be displayed in Vermilion at the west end brick elementary school on Dec 9, 10 and 11 from 7 to 9 p.m. each evening. A silver collection will be taken. 21-3

Of Many Things . .

By AMBROSE HILLS

BUBBLE GRUMBLE

Not long ago I wrote a column called "Competition Overdue," because a young girl behind the counter at the Winnipeg office of TCA had sent me to another line-up while she slipped out for a coffee break.

As soon as it appeared in print, I had a telephone call from a member of the Manitoba Legislature.

"You might have mentioned," he said, "that the Manitoba Government has been fighting for competition in domestic civil aviation. We appeared before the Air Transport Board."

"Good for you," I said.

"What I'm getting at," said he, "is that while you were merely grumbling because a girl ditched you in favor of a coffee break, we were giving the really important reasons for competition." He sounded a bit huffy. "Our position was that competition would stimulate more air traffic and wouldn't hurt TCA in the long run -- extra traffic would soon take up any slack they might feel at first. And we proved, I think, that all the West -- even socialist Saskatchewan -- would benefit from such competition. Anyhow -- the Winnipeg Chamber of Commerce supported us."

"Fine," I said.

There was a bit of a pause. "The kind of grumbling and nattering you do in your newspaper column" he said grumpily, "isn't very much use. It's a matter for the Air Transport Board and other groups that know the facts."

"Zat so?" I said, getting a bit grumpy in my turn. "I beg to differ with you. Sure, it's fine for the Manitoba government or the Chamber of Commerce to go before the Air Transport Board and you probably did a good factual job. But let me tell you something -- its the rumbling and grumbling of customers like me who get what we feel is snippy treatment from a monopoly, that eventually makes government act."

"Well, I don't think so,' he said. "You're whistling in the dark. You over-rate the newspapers."

"I'll quote you on that," I said.

He groaned. "Lord, no . . . don't do that. Don't mention me. I know how people feel when they don't get service. I just wanted you to know that —"

"Relax,' I said. "I'm not going to name you. I just wanted to see whether you really underestimate the papers. I'm glad to lear you don't."

He laughed, then, and we had a good chat. You must be careful, though, when you write a newspaper column, or you live in hot water even with your friends. It's not the papers that are powerful, you see -- it's you, their readers!

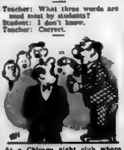
By LEE BEYAN

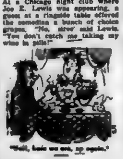
Mother (at dinner) Johnny, I wish you'd stop reaching for things. Haven't you got a tongue?
Johnny: Yes, but my arms are much longer.

Bert: Bet you a quarter I've got the hardest name in the world.
Al: O.K. What's youre name?
Bert: Stone.
Al: Pay me. My name's Harder.

Teacher: What three words are used most by students?
Student: I don't know.
Teacher: Correct.



At a Chicago night club where Joe E. Lewis was appearing, a guest at a ringside table offered the comedian a bunch of choice grapes. "No, siree' said Lewis. "You don't catch me taking my wine in pills!"



"Well, here we are, up again."

Suzanne: Who's your favorite author?
Peggy: My father.
Suzanne: What does he write?
Peggy: Checks.

Turkey Bingo Coming Up At Mannville

MANNVILLE — The L. O. L. No. 1946 are sponsoring a turkey bingo on December 10th and not on 12th as previously reported in last issue. All turkeys are oven ready, and look like the very bird for Christmas dinner. They are offering one extra for the door prize, and tickets are available from any of the Orangemen. The event will be held in the Orange Hall at 8 p.m., December 10.

TO ANY GIRL IT MAY CONCERN

My girl, having left my arms, car and heart, I am now on the loose and will be at the Platter Party on Wednesday Dec. 17th in the Elks hall, waiting to get hooked again.

With distillation equipment like that shown above (left) — believed to be the largest glass-blown "still" of its kind anywhere — Imperial Oil chemists at Sarnia, Ontario, made test after test on prairie crude oils. As a result, Imperial's new $28,500,000 petrochemical plant there can run on "feed" derived from almost any western crude oil. The plant, part of which is shown at right, began operating this fall. It produces chemical "building blocks" that other industries turn into hundreds of consumer goods, such as synthetic fabrics, plastics, synthetic rubber and anti-freeze.

Derwent Firemen Hold Supper

DERWENT — The Derwent Fire brigade held a "Pyrohy Supper" at the National hall with a good crowd in attendance. A variety of Pyrohy were served, cake, fruit and coffee. Surprise packages were won by Mrs. Ronnie Bodurka of Vermilion, Matt Zaharko and Victor Christensen.

Proceeds of this event will go towards Fire Brigade jackets.

PARADISE VALLEY NEWS

The annual meeting of the Paradise Valley W A was held in the church basement Dec 2nd at 2 p.m. with a good attendance. All business for the year was finished and some annual reports heard, and turned in. The rest will be handed in at the January meeting. Rev. I. MacDonald conducted the meeting for the election of officers for the year 1959, with the following results: President — Mrs. W. A. Gunn (re-elected); Vice-Pres. Mrs. W. A. Nickle; Secretary — Mrs. Fred Sirett (re-elected); Treasurer — Mrs. E. Kragnes; Devotional Conv. — Mrs. C. Ball (re-elected); Christian Citizenship — Mrs. G. Guy and Mrs. K. Brassington; Catering — Mrs. L. Knutson, Mrs. G. Henry, Mrs. Elliott and Mrs. C. Bleakley; Work and Bazaar — Mrs. H. Leighton and Mrs. J. Gordon; Cupboard — Mrs. R. Thibodeau and Mrs. P. Wolfe; Manse — Mrs. H. Deaville and Mrs. F. Henry; Gift & Card — Mrs. J. Guy and Mrs. R. Bleakley; Visiting Mrs. G. Gordon and Mrs. F. Brassington. Youth Sponsor and Christian Educ. Mrs. H. Deaville; Press — Mrs. W. A. Gunn.

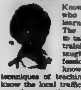
Mrs. E. Kragnes and Mrs. K. Brassington were hostesses and served tea and lunch at 3:30. The next meeting will be held on Jan. 6th at 2 p.m. with Mrs. C. Ball and Mrs. G. Guy as hostesses. Anyone wishing to get the 'Upper Room' Observer or a United Church calendar get in touch with Mrs. W. A. Nickle.

The meeting adjourned and the benediction was repeated.

The members of P.V. Ladies' Hall club are to get the tickets in by Dec 20th to Mrs. Baxter or Mrs. Nysetvold. Also it would be appreciated if members who can would come Wednesday afternoon Dec. 31st to help decorate the hall for the New Year's dance.

Tips on Touring

By Carol Lane
Women's Travel Authority



Know someone who wants to learn to drive? The best tip is to take a driver-training course taught by professionals. They know the best techniques of teaching and they know the local traffic laws. The records prove that professionally trained drivers have fewer accidents than those who learn by catch-as-catch-can methods.

But if professional teaching can't be arranged, an experienced driver can substitute.

Here are some tips on teaching — in case you decide to try:

First, check your provincial motor vehicle laws. Some provinces require learner's permits for beginners and some specify hours when beginners are allowed on the roads.

Teach only in daylight and in good weather. Never take a beginner out at night or in stormy weather.

Use quiet, back roads, avoiding congested areas. Be sure your car is in good operating condition. Any Shell station will be glad to service it for you. A beginner will have enough problems without having to handle a balky car.

When teaching parallel parking, practice behind an imaginary car.

When your student makes mistakes, be patient. Anger or nervousness can upset him.

Be sure your student learns the motor vehicle laws - as well as driving techniques. Literature, obtainable from provincial motor vehicle departments, is helpful for this purpose.

Bowtell Bulletin

We are sorry to lose Mr and Mrs. F. Minard from our district. They have purchased a farm near Clandonald. Best wishes go with them in their new location.

249 Alberta Communities Sponsor Safe Driving Habits

Spearheading Safe Driving Week in 249 Alberta Communities, including cities, towns and villages, the Alberta Safety Council joins the nation-wide traffic safety campaign.

"Safe Driving Week," Safety Council president Art Dixon said this week, "is sponsored nationally by the Canadian Highway Safety Conference and is being observed from Newfoundland to Vancouver Island."

In Alberta, 150,000 pieces of safety literature have been prepared — posters, pamphlets, table mats and bumper strips. They are to be distributed to drivers and pedestrians by a network of safety committees throughout Alberta. Newspaper, radio and television reports also are planned.

"This is a large scale effort hundreds of persons are giving their time and talents and thousands of dollars are being spent," Mr. Dixon said, "just to ask all drivers and walkers to be careful."

"What results do we expect?"

"Experience has taught us not to expect a spectacular reduction in accidents, but it has also shown that some deaths WILL be prevented. Relying on Canadian Highway Safety Conference predictions, we can expect about 25 people to be alive at the end of S-D Week, who would be dead at the end of an average week in Canada. If 25 lives are saved, we'll be more than repaid — if even one life is saved, it will have been worth while.

"In spite of all this, however, death will not take a complete holiday — the Safety Conference estimates that at least 42 Canadians will die in traffic accidents during Safe Driving Week. It is well that we don't know any more about it than that."

Warning To Wheat Growers

North America is not the only area growing more wheat than it used to grow. Western Europe is doing that, too.

This trend, points out The Financial Post, is of prime importance to Canada because Europe is both the largest producer and the largest importer of wheat and unfortunately for great surplus-producing nations like ours, European production in recent years has increased much faster than consumption. Even in highly industrialized Western Europe this is true. Recent production is within 250 million bushels of total consumption or about 100 million less than the normal annual surplus of Canada.

So far as Europe is concerned, Canada will probably be lucky to maintain what it has now, and to do that or expand elsewhere it is vital that costs be kept low. Subsidies that encourage high cost marginal producers to stay in the wheat business are or [illegible] be a[illegible] [illegible] the plague.

—S—

The first YMCA in North America was organized in Montreal in 1851, seven years after the founding of the Young Men's Christian Association in London, England, by George Williams, a dry goods clerk.

WORLD WHEAT QUEEN, 15-year-old Gail Adams of Drumheller Alta., displays a sheaf of the prize wheat that won her the title at the Royal Agricultural Winter Fair to E. A. Bromley vice-president Canadian National Railways. Gail, a first-year member of the Drumheller 4-H Grain Club, won with a sample of Chinook wheat. Her entry was chosen from hundreds submitted from Canada, the United States and five other countries. Mr Bromley presented the charming champion with CNR's world wheat trophy, an engraved silver tray and a cheque for $100.

BUFFALO COULEE ACTIVITIES

CURLERS IN ACTION

Now winter is really here in earnest the curling rink is all ready for action. A mixed bonspiel is being held this week to get things underway. Jimmie Hinton has been the ice-maker and is also flooding the skating rink which will soon be ready for use by the students. This rink has been moved to the east side of the curling rink and is to have new and better lighting this year.

[illegible] B.C. rinks took part in the big "Farmers' Bonspiel" in Vermilion with Larry Barlow's rink skipped by Gordon Larsen copping the Challenge. In the second event John Korhan's rink won third with Bernard Eyben's fourth. In the consolation Mac Smith took second and Henning Haverslew third.

Allan Cunningham and Stanley Smith have the caretaking job and lunch concession at the rink for this season.

The Heatherbell W.A. are holding their Xmas meeting at the home of Mrs. Cora Lindroth in Vermilion on Thursday when each member will present a little gift to their Sunshine pal.

The Autumn Leaf W.M.S. meeting was held last Thursday at the home of Mrs. John Eyben.

SCOUT TROOP TO RECEIVE CHARTER

District Commissioner Grant Salmon of Camp Wainwright will be present on Wednesday at the Boy Scout meeting to present Buffalo Coulee troop with their charter. Parents and all others interested are invited to attend. Lunch will be served by the boys.

H. & S. PLAN PARTY

The Christmas meeting and party of the Home and School is to be held on Dec. 17. There will be an exchange of small gifts. Everyone is cordially invited to attend.

C. G. I. T. VESPER SERVICE

The C.G.I.T. are sponsoring a Christmas Vesper service in the auditorium on Sunday evening Dec 21st at 7:30 p.m. Following the Candle Lighting service a film will be shown. Everyone is invited to come and take part and join in singing the Christmas Carols.

CHRISTMAS CONCERT

The Christmas concert at the school is being held on Tuesday evening, Dec. 23rd.

There are quite a few cases of measles and chickenpox among the younger ones at the school. We hope they all get back in time to take part in the concert.

A number of people have been or are in hospital including Mrs. Ruth Everett, Alex Stone, Mrs. Cleland Sr. and Miss Judy Arthur. Get well wishes go to all.

Mannville H. & S. Xmas Party Dec. 18

MANNVILLE. — At a special meeting of the Home and School executive it was unanimously decided that the coming Xmas party Dec 18th would be a really memorable one. A variety program presented by adult local talent is promised, with carol singing followed by a short dance. The executive stresses the fact that everyone is welcome whether they have children attending school or not. Their express wish is to make this evening one of good fellowship at this Christmas season. Naturally, the lunch will be in keeping with the theme.

—S—

Joyous Noel

Preparations for Christmas seem to get under way earlier with each passing year (or is it simply that we are getting older?)

The days of late summer and early fall lengthen almost imperceptibly into weeks and lo' the weeks have taken wings and it's Christmas again.

Overnight the shopping centres are transformed by a myriad of coloured lights and decorated trees, the stores, glittering and lavishly festooned, outdo one another with dazzling displays, bewitching shoppers of all ages, but especially the youngest.

Unthinking critics may deplore the appearance of Santa Claus and all that he implies before November is even out, may denounce the "commercialism" involved in the preparation for, and celebration of Christmas. We think them mistaken, because Christmas is a happy time, a time for jubilation, the very preparation for which tends to bring out the best in us and brightens the otherwise dismal, cheerless last weeks of a dying year.

More importantly we think them mistaken because the meaning of Christmas, the wonder of it is too vast, too overwhelming, too awe-inspiring to be contained within the confines of a single week, much less a day.

Here surely, is reason enough for welcoming, rather than lamenting, first signs of the Christmastide.

—S—

Dont expect too much of a self-made man — it may be his first attempt at the job.

Of Many Things . .

By AMBROSE HILLS

THOSE WONDERFUL COPS!

In a couple of weeks I hope to get to Montreal and one of the things I look forward to is being directed by those wonderful Montreal cops. While Winnipeg is my home, and I have all due respect for our minions of the law, traffic [illegible] look and act like glum and gloomy incompetents compared to the traffic gendarmes in Montreal.

When I lived in Montreal there was a traffic cop on Cotes des Neiges Road who was better to watch than a symphony orchestra conductor. The Freshie Parade which tied up Winnipeg traffic could have flowed past him without a hitch. Not that he ignored a bad driver or a clumsy one — he assisted them in such a manner that they were better drivers after they passed his corner.

I've tried, ever since moving to Winnipeg, to figure out why the French traffic cop puts our lads to shame. I believe it is all a question of mental attitude.

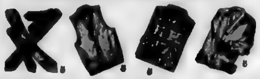
In Montreal, when a cop must give you a ticket, you feel that both he and you have been caught in the net — that he suffers with you, particularly if it is some minor infraction. He almost weeps with you as he makes out the ticket, muttering imprecations about the stupidity of the laws which have put the two of you in such an embarrassing situation.

In Winnipeg, you get the feeling that the policeman is hoping that tomorrow he'll get you again, or that some new intricacy in the law will help him get you. There is no camaraderie between motorist and police, no gaiety, no togetherness. The visitor to Winnipeg enters the outskirts to find that both the law and the cops are arrayed against him. The visitor to Montreal soon finds that he has a tough driving job ahead, but that somehow those smiling, gesticulating cops will shepherd him through it unharmed and happy.

I think I'll start a campaign here in Winnipeg. After all, we exchange students between East and West; we exchange college professors; we exchange hockey teams. Why not, for a short period of say a couple of centuries, trade cops?

In the first half of 1958 the rate of labour income and the rate of spending on consumer goods and services was well ahead of the same period in 1957.

— Quick Canadian Facts.



Here's a MAN'S idea of CHRISTMAS

V.S.A. Alumni Association Presents Brief To Commission On Education

To the Chairman of the Royal Commission on Education:
Sir:

We, as graduates of the Vermilion School of Agriculture, are keenly concerned with the future of the schools of Agriculture in general, and with that of the Vermilion School of Agriculture in particular. We are firm in our belief that these schools have contributed greatly to the elevation of agriculture in Alberta, and can contribute still more. We deplore the present low enrollment, especially of girls, at the schools. We submit this brief in the hope that it may help lead your commission to recommendations which will further enhance the present usefulness of these schools.

The schools of agriculture are [illegible] the only places where the future leaders of Alberta's [illegible] industry can receive the practical training they require, and in order to ensure the steady replacement of these leaders, we feel that the schools of agriculture are even more necessary now than they were in the past.

Home Economics, as presented in the high schools, is only an exploratory course, while that given at the schools of Agriculture and home economics is much more complete and advanced. It is, therefore, of greater value to the vast majority of girls, whose future it must be to become home makers.

We hold the following factors responsible for the present low enrollments:

IN THE CASE OF THE BOYS:

1. The availability of good paying jobs in labor and industry.
2. The lack of adequate credit available to young people interested in starting a farm business.
3. Poor economic conditions and prospects on farms.
4. The lack of publicity concerning the schools.
5. The absence of specialized courses.
6. The present buildings and equipment at the schools of agriculture are fast becoming, or are already, obsolete.

IN THE CASE OF GIRLS

1. The present course is not specifically a job-training course.
2. The Home Economics course given in high schools leads many prospective students and their parents to feel that little more value can be gained by attendance at a School of Agriculture.
3. The availability of good paying jobs in labor and industry.
4. The lack of publicity concerning the schools.
5. The present building and equipment at the schools of agriculture are fast becoming or already are, obsolete. Girls are often discouraged by a comparison with the equipment in most high school laboratories. This is especially true in the case of the cooking laboratories.
6. The credits obtainable at these schools are too few, and are not given in academic subjects.

Obviously, some of the foregoing factors are beyond the abilities of any of us to alter. However, there still remains much that can be done. The following suggestions, should, we believe, go far toward bringing about a resolution of the difficulties facing us.

1. A publicity director should be appointed for the Schools of Agriculture and Home Economics. Adequate sums of money should be appropriated for publicity by radio, television, and newspapers. Slides and movies could be shown at summer fairs and career nights and brochures should be prepared for presentation to industrial fairs.

Publicity should emphasize the greater scope and content of the courses offered in Home Economics and Agriculture at these schools, in comparison with those given in high schools. They should also point out the great value of the wide social experience gained by students attending the schools of agriculture.

2. The possibilities offered by specialized courses or majors should be seriously explored. For example, this may be in the form of a dressmaking course in the case of Home Economics, specialized training in feed lot finishing in the case of Agriculture, and might later be extended to specialized training within the general field of agriculture.

3. Buildings at the schools should be modern in every respect, and equipment used both in these buildings and on the school farms, should be in keeping with the buildings, and with recommended farming practices.

The costs of renovation and modernization should not greatly exceed the present costs of repair and maintenance for buildings, some of which are hopelessly outmoded.

4. The Home Economics course for girls should be retained in its present form for the first year. In the second year the student could continue to take a general course in Home Economics while specializing in one particular phase. Foods, clothing, home management, interior decorating, etc., are suggested as possible electives. The list is not intended to be exhaustive. High School academic courses could also be given in the second year, in order to permit students lacking up to possibly three subjects to obtain a high school standing.

5. Home Economics courses given in high schools should be kept strictly on an exploratory basis. Students entering the Schools of Agriculture and Home Economics with high standing in Home Economics should be placed in the advanced or specialized Home Economics courses.

6. Academic subjects should be taught, and credits given, on the same basis as in the high schools.

7. The present practice of teaching typing, bookkeeping, and employment training should be continued, but no attempt should be made to expand this into a commercial course. This should be left, as it is currently, to the commercial schools.

As former students, we feel that our own personal contact with the Schools of Agriculture and Home Economics places us in a unique position to better evaluate the benefits to be derived from these schools. We sincerely hope that what we have suggested to you will receive the same careful thought and consideration that we have devoted to the preparation of this brief.

Respectfully submitted by:
The Vermilion School of Agriculture and Home Economics Alumni Association.
Angus MacMillan, President.
Lloyd Seath, Secy-Treasurer.

Pleasant Valley

The weather is very wintry and cold, but inside we are nice and warm and have lots of pretty flowers in bloom which takes our mind off the frigid temperatures.

The men have returned from their hunting expedition -- and just in time as Doreen nearly froze her nose off doing the chores.

Ask and it shall be given, but we did not know we were going to be presented with an organ for our church. Most sincere thanks to Mr and Mrs. Seddon for their very kind act. You will certainly be remembered at the church at all services folks.

News is scarce these days, it seems the only ones moving about are the men doing chores.

—S—

INSURMOUNTABLE OBSTACLE

Since the beginning of time prejudice has always been the biggest stumbling block to success.

It's A Small World Say Police Officers

MANNVILLE. — When five of the police officers taking an advanced refresher course at Regina, drove to Winnipeg for the week end to visit relatives and friends, imagine the surprise of two of them when they discovered they had been school mates. The two were Sgt. Charles Tulley of the Winnipeg Police force and Cpl. Lloyd Johnston, R.C.M.P., son of Mr. and Mrs. H. W. Johnston, now of Vermilion. In the course of conversation the men found they had both attended Albert school, south of Mannville, Charlie in grade 8 and Lloyd in grade one. As would be expected a happy time was experienced by the two officers talking over old times.

Anglican Bazaar A Success, Mannville

MANNVILLE. — With attractively decorated surroundings the Anglican W.A. bazaar and tea got off to an early start Saturday last. Aprons, fancy work, knitted goods and white elephant table were popular as was the bake table which was loaded down with goodies. Despite an unusually cold day the crowd was gratifying, and Lucille Hughes in charge of the 'Cards For Occasions' table reports a rushing trade for the Sunday school. The J. A. girls did a railroad business with their fish pond articles, and the G.A. helped serve tea.

CUSTOM ROYAL IS 1959 DODGE GLAMOUR LEADER

The Dodge Custom Royal 2-door hardtop pictured above is one of a series of five "top glamour" models to be offered in 1959 by Dodge. A 4-door sedan, 4-door hardtop and a convertible will also be available, as well as two models in the Custom Sierra Station Wagon series.

The convertible models will feature, as optional equipment, Chrysler of Canada's revolutionary new swivel seats.

Powered by a 361 cubic-inch-displacement V-8 engine, which incorporates many new features designed to improve fuel economy, these new automobiles feature a full range of power assists including Total-Contact power brakes and Constant-Control power steering.

W. A. Elects Officers At Buffalo Coulee

The central meeting of the Auburndale W.A. groups was held last Wednesday at the home of Mrs. Wyn Kennedy with a good turn-out in spite of the cold night. Election of the officers took place with following results.

President — Mrs. Vera Brook
Vice-Pres. — Mrs. Ruth Haverslew
Sec'y Treas. — Mrs. Evelyn Cunningham
Devotional Convener — Mrs. Muriel Harrison
Christian Citizenship — Mrs. Jessie Crabb
Christian Education — Mrs. Wyn Kennedy
Literature Conv. — Mrs. Mary Arthur

The reports brought in by each of the four groups showed a substantial amount of work done and donations given to the various projects of the church.

Following the business meeting Mrs. H. Clark of Vermilion gave a most delightful and interesting story of her recent tour of Europe. Not dwelling too much on the British Isles she took her listeners through several European countries in a combination of amusing anecdotes, descriptive scenes and inspirational accounts of the beauty of the famous cathedrals and art galleries. Everyone thoroughly enjoyed the 'trip'.

A lovely lunch was served by the ladies of the Willowby group.

New Dodge '59 is here!
Sparkling new beauty . . . sprightly new go!

No wonder people are talking Dodge right now! This sweetest-of-all, fleetest-of-all '59 cars is new in front, new in back and new in the middle! It drives new, parks new, rides new and stops new! It is by far the comeliest, going-est low-priced car to be seen. And it is now on sight . . . and on sale . . . at your Dodge-DeSoto dealer's. Please go peek . . . today! Before everybody gets there.

Health Unit Notes

THE UNSEEN KILLER

The winter season has arrived, deaths have already been reported from carbon monoxide poisoning and it is certain that a few more deaths will be added to this number. Don't let your name be among them.

Carbon monoxide is produced wherever organic materials are burned in the absence of sufficient [illegible] to transform all of the [illegible] carbon monoxide. This will take place by the incomplete combustion of carbon containing materials such as coal, gasoline, and oil. Automobile exhaust gas contains from 5 to 10% or more of carbon monoxide. Natural gas contains only a trace but incomplete combustion of natural gas may yield higher concentrations. Since carbon monoxide is almost odourless, tasteless, and non-irritating, persons are often unaware of its presence.

The oxygen carrying power is interfered with since the affinity of the blood for carbon monoxide is about 200 times greater than for oxygen, so in the presence of carbon monoxide this gas is taken up by the blood in preference to oxygen and death results from oxygen lack.

The effects of gas on the body vary according to the concentration of exposure. With high concentration weakness and loss of consciousness may be the only symptoms preceding death. In lesser concentrations symptoms include headache, dizzyness, nausea, vomiting and breathlessness on exertion; this may be followed by mental confusion and collapse. One of the distressing features of poisoning by this gas is that loss of power of the limbs occurs before losing consciousness so that even if one becomes aware of the danger, loss of power in the limbs will prevent one's escape.

Repeated exposures to low concentrations of carbon monoxide lead to some degree of tolerance in that higher concentrations can be inhaled with few symptoms. Chronic poisoning does not occur since the gas is not cumulative.

PREVENTION OF CARBON MONOXIDE POISONING

a. In the home. Prevention consists chiefly in the proper installation, maintenance and operation of gas appliances. Flues should be installed on all fuel burning appliances where carbon [illegible] is produced. The proper ratio of air to fuel will prevent the formation of the gas in most cases.

b. Garages and automobiles — Never run your car engine to warm it up in a closed garage, dangerous concentrations of carbon monoxide will be produced. Open the garage door before starting the engine and warm up the engine outside the garage.

A very important precaution must be mentioned in connection with certain types of heaters used in modern vehicles. The air intake for some of these heaters is placed at the front of the car under the radiator grill. When such a car is parked within four feet behind a running car and the heater in the rear car is working, the exhaust from the first car is drawn directly into the rear one. With the window closed, dangerous concentrations of carbon monoxide have been found in the rear car within one minute. Under these circumstances, more than four feet of space should be allowed between cars.

The Alberta Automobile Association in the November edition of the Alberta Motorist have a special editorial devoted to carbon monoxide poisoning under the title "The Creeping Killer." They make the following suggestions:

1. If your car has been partially buried in the snow, make sure the exhaust pipe has been thoroughly uncovered before you turn on the engine. More than one death has been caused under such circumstances, when fumes backed up into the car.

2. Even if it is cold outside, it is safer to drive your car out of the garage before you warm up the engine. In this way the fumes escape instead of seeping into the car.

3. When driving, make certain that at least one window in the car is partially open.

4. Keep a greater distance between your car and the vehicle in front when driving during cold weather. It takes only a small amount of carbon monoxide fumes from the car ahead to impair a driver's judgment and alertness enough to cause an accident.

TREATMENT OF CARBON MONOXIDE POISONING

Treatment consists of opening or breaking if necessary all doors and windows to create a cross draught which will disperse the gas, and then remove the victim to the outside air. Send for a doctor and commence artificial respiration if required. When breathing is poor, a mixture of oxygen and carbon dioxide will facilitate revival of the respiratory centre in the brain. Orthodox stimulants and warmth are of help and blood transfusion may prove vital in grave cases.

BABY & PRE-SCHOOL CLINICS

Monday, December 15 — Vermilion (Health Unit Office) 2 to 4 p.m.

Tuesday, December 16 — Wainwright (Office) 2 to 4 p.m.

Tuesday, December 16 — Ranfurly (Hotel) 11 to 12 noon.

Tuesday, December 16 — Innisfree (Office) 2 to 3.30 p.m.

Thursday, December 18 — Albert (School) 2 to 3 p.m.

Thursday, December 18 — Edgerton (Office) 2 to 4 p.m.

Friday, December 19 — Mannville (School) 10 to 12 noon.

Friday, December 19 — Minburn (School) 2 to 3 p.m.

Friday, December 19 — Irma (Rest Room) 2 to 4 p.m.

Friday, December 19 — Paradise Valley (United Church basement) 2 to 3 p.m.

ATTENTION to residents of Irma, Albert, Paradise Valley and districts:

The clinic at Irma, Albert and Paradise Valley will be one week earlier for December only, due to Christmas holidays.

UNION HALL

Dance at the Union hall Friday, Dec. 12th. Melody Ranch orchestra in attendance. Everybody welcome. 20-22

$5,000 Grants Given By U. G. G. To Three Prairie Universities

Universities of Alberta, Manitoba and Saskatchewan will each receive an annual grant of $5000 from United Grain Growers Ltd. it was announced by President J. E. Brownlee at the Company's 52nd annual meeting.

Mr. Brownlee suggested this would be a fairer and more practical means of assistance than by providing undergraduate and post graduate scholarships [illegible] U.G.G. had given in the past. The grants must be used in plant or animal scientific research or for studies in agricultural economics. A grant of $5000 will be made annually to each university.

The University of Alberta has indicated it will use its grant to study the effect of pelleted poultry and livestock feed. Pelleted feed is fine ground feed manufactured into small pellets and is fed mostly to poultry and beef.

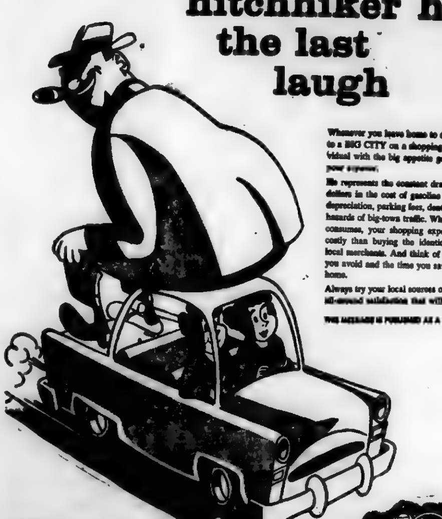
The prime advantages appear to be less waste of feed and quicker gains to the poultry or livestock to which the pellets are fed. Studies will be made to determine the efficiency of this method of feeding.

In Manitoba the university will use its grant for a study of contract farming, what it really involves; how it applies to agriculture; how co-operatives can fit into the application of contract farming for agriculture.

University of Saskatchewan has not yet indicated in what way its grant will be used.

CHRISTMAS PROGRAM

A Christmas program "The Message of the Bells" will be presented at the Alliance Chapel, Vermilion, on Friday, Dec. 19th at 7:30 p.m. Everyone is invited to attend. 19-20



SHOP AT HOME
YOUR LOCAL STORE OFFERS MORE

This hitchhiker has the last laugh

Whenever you leave home to drive those long miles to a BIG CITY on a shopping trip, that burly individual with the big appetite goes along . . . and at your expense.

He represents the constant drain on your shopping dollars in the cost of gasoline and oil, tire and car depreciation, parking fees, dented fenders and other hazards of big-town traffic. When you add up all he consumes, your shopping expedition will be more costly than buying the identical items from your local merchants. And think of the physical beating you avoid and the time you save by buying here at home.

Always try your local sources of supply first . . . for all-around satisfaction that will last.

THIS MESSAGE IS PUBLISHED AS A PUBLIC SERVICE BY:

HERE'S HOW YOU BENEFIT BY DOING ALL YOUR SHOPPING LOCALLY

When you buy from your hometown merchants you get:

1. HONEST VALUES
2. AMPLE SELECTION
3. INSTANT DELIVERY, SERVICE AND ADJUSTMENT
4. MORE PERSONAL AND FRIENDLIER TREATMENT
5. SAVING OF TIME
6. RELIEF FROM COSTLY TRAVEL
7. FREEDOM FROM ROAD HAZARDS
8. ELIMINATION OF COSTLY PARKING PROBLEMS
